Dear Commissioner Rosa,

Enclosed for your examination and approval is my semi-annual report on the fiscal operations of the Wyandanch Union Free School District for the period of January 1 – June 30, 2021. This document is submitted to you in accordance with the provisions of Chapter 18 of the Laws of 2020.

The report includes a review of key accomplishments during the past year, as well as the status of those recommendations made in my initial report to you of December 2020, some of which may be in need of further action on behalf of the school district. In addition, I have outlined specific areas for which I anticipate having substantial involvement in the coming year.

In addition to the Wyandanch Board of Education and the District's administrative team, I wish to thank you and the staff at the State Education Department who have been so helpful in providing assistance and guidance in my work at the Wyandanch UFSD.

Sincerely,

Albert T. Chase
