STATUTORY AUTHORITY OF THE WYANDANCH MONITOR

Chapter 18 of the Laws of 2020 requires the Commissioner to appoint a Monitor to the Wyandanch Union Free School District to provide oversight, guidance and technical assistance related to the fiscal policies, practices, programs and decisions of the District, the Board of Education, and the Superintendent.

APPOINTMENT OF MONITOR

- On May 1, 2020 I was appointed by Interim Commissioner Tahoe to be the fiscal monitor of the Wyandanch Union Free School District.

REQUIREMENT FOR PUBLIC HEARINGS

- Chapter 18 of the laws of 2020 requires that the Monitor of the Wyandanch Union Free School District hold two public hearings within 60 days of his appointment.
- The first hearing, which focused on governance and intervention issues and the role of the State Education Commissioner, the NYS Education Department, and the Board of Regents, was held on June 10th. The minutes of the first public hearing are available on the school district website, as is the PowerPoint presentation.

REQUIREMENT FOR PUBLIC HEARINGS

- The purpose of this second hearing is to explain the role of the Monitor in providing oversight and assistance in financial matters of the Wyandanch schools and to take public comment on the fiscal performance of the school district.

SCHOOL DISTRICT FISCAL RESPONSIBILITY

- Every NYS school district, with the exception of the Big Five cities of New York, Yonkers, Rochester, Syracuse, and Buffalo, operate on an annual budget that must be approved by the voters of that community. All residents of the school district who have lived in the district for at least one month, are US citizens, and at least 18 years of age are eligible to vote. It is not necessary to be a taxpayer.
- The Chief Executive Officer of the school district is the Superintendent of Schools, who manages the day-to-day operations of the district schools. In turn, the Board of Education appoints the Superintendent and is responsible for the management and operations and policy-making for the school district.
- School boards are elected by the voters of the community. The Wyandanch school board has seven members, each of whom is elected to a three-year term.

WYANDANCH UFSD BUDGETS FOR THE
2019-20 AND 2020-21 SCHOOL YEARS:
INITIAL OBSERVATIONS

Due to the fact that I was appointed on May 1st, I did not have significant input into the development of the 2020-21 school budget. I am not in a position to attest to the specifics of that budget.

In terms of the 2019-20 (current year) budget, the school district appears to be on solid financial footing, but any projections of the year-end fiscal condition at this point are best left to administration as well as the independent auditors who are working with the district on this matter. They alone will determine the year-end fiscal condition.

My role in the financial condition of the school district will begin with the 2020-21 year-end condition and the 2021-22 budget.

WYANDANCH 2019-20 BUDGET FACTS

- The 2019-20 budget is \$69,006,957
- The revenues supporting this budget arise from:
 - State Aid \$ 44,629,735 (64.7%)
 - Tax Levy \$ 21,890,994 (31.7%)
 - Miscellaneous \$ 2,485,868 (3.6%)
- Budget increases over the last four years:
 - 20-21 3.94% (estimated)
 - 19-20 -3.24%
 - 18-19 3.76%
 - 17-18 3.76%

WYANDANCH 2020-21 BUDGET FACTS

- The 2020-21 proposed budget is \$71,723,026
- The revenues for this budget arise from:
 - State Aid \$ 46,623,761 (65.0%)
 - Tax Levy \$ 22,613,397 (31.5%)
 - Miscellaneous \$ 2,485,868 (3.5%)
- A contingency budget would require a reduction of \$722,403 to meet the requirements of State law.

RESPONSIBILITIES OF THE MONITOR

- Serve as a non-voting ex-officio member of the Board.
- Assist the Board in adopting a conflict of interest policy that ensures board members and administrators act in the District's best interest.
- Work with the Board to develop a proposed financial plan for the District no later than November 1, 2020 for the 2020-2021 school year and the four subsequent school years.
- Beginning with the 2021-22 school year budget, ensure that the budget is balanced and consistent with the District's long-term financial plan.

MONITOR RESPONSIBILITIES - DETAILS

- *Serve as a non-voting ex-officio member of the Board*
 - The Fiscal Monitor will, by virtue of his position, serve as a member of the school board, with the right to attend all meetings - both public and executive sessions - and to participate in discussions on all matters coming before it.
 - The Monitor is not entitled to vote on matters coming before the Board of Education, nor is his presence considered in determining a quorum of the BOE.

MONITOR RESPONSIBILITIES - DETAILS

- *Assist the Board in adopting a conflict of interest policy that ensures board members and administrators act in the District's best interest.*
 - Ensuring that no employee or Board member has a conflict between their official duties for the school district and their outside interests is critical to maintaining the fiscal and operational integrity of the Wyandanch schools.
 - The development of a comprehensive ethics / conflict of interest policy, in accordance with Article 18 of NYS General Municipal Law, will assist greatly in attaining compliance.

MONITOR RESPONSIBILITIES - DETAILS

- *Work with the Board to develop a proposed financial plan for the District no later than Nov. 1, 2020 for the 2020-2021 school year and the four subsequent school years.*

It is crucial to the fiscal stabilization of the school district that a long-term financial plan be developed to guide the Wyandanch schools into the future. Within that plan will be the consideration of capital projects, such as connection to the County sewer line and housing Pre-K and Kindergarten programs within the district boundaries.

Remember, a plan is just that - a plan. It consists of best estimates, fact sets and decision-making at a given point in time. Plans are subject to alteration as conditions change and must be updated to correspond with present conditions.

MONITOR RESPONSIBILITIES - DETAILS

- *District's long-term financial plan...continued.*
 - In developing the financial plan, the Monitor and the Board will examine the impact of contractual salary increases, the long-term outlook on the costs of providing outside services, trends in benefit costs, changes in debt service and the future needs of the school district in terms of enrollment, staffing, and capital projects.
 - The draft financial plan will be subject to public review and comment prior to being finalized.
 - Should there be a disagreement between the Monitor and the Board on aspects of the plan, such matters will be brought to the attention of the Commissioner for resolution.

MONITOR RESPONSIBILITIES - DETAILS

- *Beginning with the 2021-22 school year budget, ensure that the budget is balanced and consistent with the District's long-term financial plan.*
 - Beginning with the 2021-22 school year, the Monitor will be responsible for conducting a comprehensive analysis of the district's proposed budget. For the 2020-21 school year, the NYS Office of the Comptroller (OSC) is still reviewing the budget.
 - A comprehensive review of all budgets going forward will be conducted by the Monitor, in conjunction with the administration and BOE, as well as outside parties, such as NYS OSC, to ensure that assumptions and projections are reasonable and the budget appears balanced.

RESPONSIBILITIES OF THE MONITOR- CONTINUED

- Provide semi-annual reports on the fiscal and operational status of the District.
- Assist in resolving any disputes and conflicts between the Superintendent and the Board and among members of the Board.
- Authority to disapprove travel outside the State paid for by the District;
- Recommend cost saving measures including, but not limited to, shared service agreements; and;
- Notify the Board in writing regarding violations of the financial plan.

MONITOR RESPONSIBILITIES - DETAILS

- *Provide semi-annual reports on the fiscal and operational status of the District.*
 - The legislation requires that a report be provided twice a year to The Governor, NYS Legislature, Board of Regents, and the Commissioner of Education on the fiscal and operational status of the Wyandanch schools. The report shall include copies of all contracts entered into by the school district.
 - The Monitor will have access to documents and records of the school district, including databases. The Monitor currently has the ability to generate a wide variety of financial reports independently.

MONITOR RESPONSIBILITIES - DETAILS

- *Assist in resolving any disputes and conflicts between the Superintendent and the Board and among members of the Board.*
- Overwhelmingly, when disagreements arise between the Superintendent and board members, or among board members themselves, such disputes are able to be resolved internally. For such cases when these disagreements cannot be resolved, the Monitor will make every attempt to amicably bring the parties together.

MONITOR RESPONSIBILITIES - DETAILS

- *Authority to disapprove travel outside the State paid for by the District.*
 - In the past, there have been questions raised regarding the travel of employees, administrators, and board members to out-of-state conferences. Due to the fact that the school district is operating under very tight budgets, these are expenses that must be controlled. The Monitor is empowered with final decision-making on the necessity and benefit of travel outside of the State for meetings and conferences.

MONITOR RESPONSIBILITIES - DETAILS

- *Recommend cost saving measures including, but not limited to, shared service agreements.*
 - In recent years, the State of New York has made it increasingly easier for school districts to seek out economically-efficient ways to procure goods and services, with the goal being to save money through bulk purchasing in conjunction with other governmental entities.
 - The avenues to do so include buying cooperatives, NYS, County, and BOCES purchasing contracts, Federal contracts, as well as businesses receiving Minority and Women-Owned Business Enterprise (MWBE) certification from the State of New York.

MONITOR RESPONSIBILITIES - DETAILS

- *Notify the Board in writing regarding violations of the financial plan.*

A violation of the five-year financial plan might exist where the administration or school board attempts to spend funds on questionable items, or to spend funds when funds are not available for the intended purpose.

Another example of a violation of the plan would be where the school district is forced to make cuts mid-year due to changes in revenue projections, but refuses to do so, thereby jeopardizing a balanced budget at year-end.

In both cases, the monitor would notify the BOE of the violation, and request corrective action. If a correction is not made, the Monitor would advise SED for possible action.

COMMENTS AND QUESTIONS

- Next we will allow persons who have signed up to speak a maximum of three minutes to make their comments and/or ask their questions.

NEXT STEPS

- A record of this public hearing will be made available on the district's website at <https://www.wyandanch.k12.ny.us/>.
- Answers to any questions that were not addressed in this hearing that are relevant to the topic will also be available in the public record.
- We thank you for your participation in this evening's hearing and look forward to working together with the administration, school board, and the community, to stabilize and improve upon the fiscal performance of the Wyandanch public schools.
