Guidance on Recent Immigration-Related Actions

The New York State Education Department (NYSED) is committed to ensuring that our schools remain safe havens where all students can learn. NYSED, along with the New York State Office of the Attorney General, has put forward the following guidance protecting immigrant students.

Information regarding immigration status:

- ❖ New York State Education Law states that all children over five and under twenty-one years of age who have not received a high school diploma are entitled to attend the public schools in the school district in which they reside without paying tuition regardless of citizenship or immigration status.
- ❖ In *Plyler v. Doe*, the Supreme Court held that school districts may not deny students a free public education on the basis of their undocumented or non-citizen status, or that of their parents or guardians.
- ❖ At the time of registration, schools should not ask questions that may reveal a child's immigration status, such as requesting a Social Security number.
- ❖ With regards to inquiries from U.S. Immigration and Customs Enforcement (ICE), including requests to meet with or interview students, or to obtain access to student records, school district employees should immediately consult with their superintendents and school attorneys to determine whether honoring such a request could cause the school district to violate a law of general applicability, including the New York Family Court Act (NYFCA) and the federal Family Educational Rights and Privacy Act (FERPA).

Information regarding discrimination, harassment, and bullying in schools:

- ❖ New York's Dignity for All Students Act (DASA) was signed into law in 2012 to provide students with a safe and supportive environment free from discrimination, harassment, and bullying on school property, a school bus and/or at a school function and was amended in 2013 to include cyberbullying.
- ❖ NYSED provides support to districts, parents, and guardians who have questions regarding DASA. The department can be contacted at:
 - The Office of Bilingual Education and World Languages at (718) 722-2445 or obewl@nysed.gov.
 - The Office of Student Support Services at (518) 486-6090 or studentsupportservices@nysed.gov.
 - For language assistance, contact the Language Regional Bilingual Education Resource Network (RBERN) Parent Hotline at (800) 469-8224 or nysparenthotline@nyu.edu.
- ❖ For an official copy of these communications and translations, please see: <http://www.nysed.gov/bilingual-ed/information-regarding-recent-immigration-related-actions>.

Guidance from the New York Governor's office:

- ❖ Per Executive Order 170 signed by Governor Andrew M. Cuomo, New York State agencies and officers are prohibited from inquiring about or disclosing an individual's immigration status unless required by law or necessary to determine eligibility for a benefit or service. This includes law enforcement officers unless investigating criminal activity. Access the executive order here: <https://www.governor.ny.gov/news/governor-cuomo-signs-executive-order-prohibiting-state-agencies-inquiring-about-immigration>.
- ❖ The New York State Governor's Office has reaffirmed its support for immigrants and has announced initiatives, such as designating a new State Police Hate Crimes Unit to investigate potential hate crimes, expanding New York's Human Rights Law to protect all students statewide, and establishing the Office of New Americans and Immigrant Legal Defense Fund to ensure all immigrants have access to information and representation. Access the Governor's communications here: <https://www.ny.gov/programs/we-are-all-immigrants>.
