

Resource Collection for World Languages

The following is a list of useful, online learning resources for world language teachers, students, and parents compiled by the Office of Bilingual Education and World Languages at the New York State Education Department. This site will be regularly updated as more resources become available. The New York State Education Department does not endorse individual vendors, products or services. Therefore, any reference herein to any vendor, product, or service by trade name, trademark, manufacturer or otherwise does not constitute or imply the endorsement, recommendation or approval of the New York State Education Department. These resources are being provided for informational purposes to assist educators in planning for online learning during COVID-19 school closures. To add resources to this list, please email your suggestions to <u>obewl@nysed.gov</u>.
