Auditors' Communication on Internal Control

In planning and performing our audit of the financial statements of Classical Charter Schools (the "School") as of and for the year ended June 30, 2020, in accordance with auditing standards generally accepted in the United States of America, we considered the School's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified.

We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

This communication is intended solely for the information and use of management, the audit committee, the Board of Trustees, the State Education Department of the State University of New York, and others within the School, and is not intended to be and should not be used by anyone other than these specified parties.

Report on the Financial Statements

We have audited the accompanying financial statements of Classical Charter Schools (the "School"), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of activities by school for the year ended June 30, 2020 on page 18 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards on page 19 as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 9, 2020 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

Classical Charter Schools

Notes to Financial Statements
June 30, 2020 and 2019

1. Organization and Tax Status

Classical Charter Schools (the "School") is a New York State, not-for-profit educational corporation that operates charter schools in the borough of Bronx, New York. The School's mission is to provide its students with a solid foundation for academic success, through achievement that exceeds citywide averages and meets or exceeds New York State standards and national norms in all curriculum areas tested, especially in mathematics and language arts. The accompanying financial statements include the following charter schools collectively forming the School:

South Bronx Classical Charter School I ("SBC I") – SBC I was granted a provisional charter on December 7, 2005, valid for a term of five years and renewable upon expiration by the Board of Regents of the New York State Education Department. SBC I obtained multiple renewals to its charter which now expires on June 30, 2024.

South Bronx Classical Charter School II ("SBC II") – SBC II was granted a provisional charter on June 19, 2012, valid for a term of five years and renewable upon expiration by the Board of Regents of the New York State Education Department. SBC II obtained renewals to its charter which now expires on June 30, 2023.

South Bronx Classical Charter School III ("SBC III") – SBC III was granted a provisional charter on November 18, 2014, valid for a term of five years and renewable upon expiration by the Board of Regents of the New York State Education Department. SBC III obtained a renewal to its charter which now expires on June 30, 2025.

South Bronx Classical Charter School IV ("SBC IV") – SBC IV was granted a provisional charter on November 8, 2016, valid for a term of five years and renewable upon expiration by the Board of Regents of the New York State Education Department. SBC IV will seek to obtain a renewal to its charter which expires on June 30, 2022.

On April 19, 2016, the New York State Education Department Board of Regents approved the plan of merger of South Bronx Classical Charter School I, II, and III. Effective July 1, 2016, South Bronx Classical Charter School I, II, and III merged into a single legal entity under South Bronx Classical Charter School II, which serves as the sole surviving education corporation. South Bronx Classical Charter School II changed its name to Classical Charter Schools and all other Schools ceased to exist as legal entities. SBC IV was added to the School after the merger and opened in the fall of 2017.

The School provided education to approximately 1,273 students in grades kindergarten through eighth grade during the 2019-2020 academic year.

SBC I shares space with a New York City public school beginning in August 2006. SBC I occupies approximately 28,500 square feet on two floors of a public school building. SBC I also shares the gymnasium, auditorium, and cafeteria with the public school which approximate 5,000 square feet. SBC I is not responsible for rent, utilities, custodial services, maintenance, and school safety services other than security related to the SBC I's programs that take place outside the district's school day.

Notes to Financial Statements
June 30, 2020 and 2019

1. Organization and Tax Status (*continued*)

SBC II shares space with a New York City public school beginning in August 2013. SBC II occupies approximately 10,000 square feet on one floor of a public school building. SBC II also shares the gymnasium, auditorium, and cafeteria with the public school which approximate 6,726 square feet. SBC II is not responsible for rent, utilities, custodial services, maintenance, and school safety services other than security related to SBC II's programs that take place outside the district's school day.

The School was unable to determine a value for the contributed space and related services and did not record any value for use of donated facilities or services.

The New York City Department of Education provides free lunches directly to some of the School's students. Such costs are not included in these financial statements. The School covers the unreimbursed cost of lunches for children not entitled to the free lunches. The Office of Pupil Transportation provides free transportation to the majority of the students during the district's school days.

Except for taxes that may be due for unrelated business income, the School is exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code and from state and local income taxes under comparable laws.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Adoption of New Accounting Policies

Recognition of Contributions

Effective July 1, 2019, the School adopted Accounting Standards Update ("ASU") 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This guidance provides a framework for evaluating whether contributions and grants should be accounted for as exchange transactions or as nonexchange transactions. Analysis of various provisions of this standard resulted in no significant changes in the way the School recognizes contributions and grants, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis

2. Summary of Significant Accounting Policies (*continued*)

Adoption of New Accounting Policies (continued)

Restricted Cash

In November 2016, the Financial Accounting Standards Board issued ASU 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash. ASU 2016-18 requires significant changes regarding how restricted cash is classified and presented on the statement of cash flows. On July 1, 2019, the School adopted the new guidance regarding the presentation and classification of restricted cash. The guidance requires the School to 1) include restricted cash and restricted cash equivalents in the cash and cash equivalents balances on the statements of cash flows, 2) provide a reconciliation between the statements of financial position and the statements of cash flows when more than one item for cash, cash equivalents, restricted cash, and restricted cash equivalents is presented on the statements of financial position, 3) eliminate the presentation of transfers between restricted cash and cash, and 4) include disclosures about the nature of the restrictions for material balances. Adoption of the ASU resulted in a change in the accounting for restricted cash on the statements of cash flows.

Net Assets Presentation

Resources for various purposes are classified for accounting and reporting purposes into net asset categories established according to nature and purpose as follows:

Net assets without donor restrictions - consist of resources available for the general support of the School's operations. Net assets without donor restrictions may be used at the discretion of the School's management and/or the Board of Trustees. The Board of Trustees has designated \$1,550,000 as a facility fund to be available to meet future needs of the School.

Net assets with donor restrictions - represents amounts restricted by donors for specific activities of the School or to be used at a future date. The School records contributions as net assets with donor restrictions if they are received with donor stipulations that limit their use either through purpose or time restrictions. When a donor restriction expires, that is, when a time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. The School had no net assets with donor restrictions at June 30, 2020 and 2019.

Fair Value Measurements

The School follows U.S. GAAP guidance on fair value measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation

Investments are stated at fair value.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the determination of change in net assets.

Restricted Cash

Under the provisions of its charter, the School established an escrow account to pay for legal and audit expenses that would be associated with a dissolution, should it occur.

Property and Equipment

The School follows the practice of capitalizing all expenditures for property and equipment with costs in excess of \$5,000 and a useful life in excess of one year. Leasehold improvements are amortized over the shorter of the term of the lease, inclusive of all renewal periods, which are reasonably assured, or the estimated useful life of the asset which is five and twenty years. Purchased property and equipment are recorded at cost at the date of acquisition. Minor costs of maintenance and repairs are expensed as incurred. All property and equipment purchased with government funding is capitalized, unless the government agency retains legal title to such assets, in which case it is expensed as incurred.

Computers and equipment	3 to 7 years
Furniture and fixtures	7 years
Software	5 years
Website development	5 years

Property and equipment are reviewed for impairment if the use of the asset significantly changes or another indicator of possible impairment is identified. If the carrying amount for the asset is not recoverable, the asset is written down to its fair value. There were no asset impairments for the years ended June 30, 2020 and 2019.

Refundable Advances

The School records certain government operating revenue as refundable advances until related services are performed, at which time they are recognized as revenue.

2. Summary of Significant Accounting Policies (*continued*)

Deferred Rent

The School records its rent in accordance with U.S. GAAP, whereby all rental payments, including fixed rent increases, are recognized on a straight-line basis as an offset to rent expense. The difference between the straight-line rent expense and the required lease payments, as well as any unamortized lease incentive, is reflected in deferred rent in the accompanying statements of financial position.

Revenue and Support

Revenue from the state and local governments resulting from the School's charter status and based on the number of students enrolled is recorded when services are performed in accordance with the charter agreement. Federal and other state and local funds are recorded when expenditures are incurred and billable to the government agency.

Contributions are recognized when the donor makes a promise to give to the School that is, in substance, unconditional. Grants and other contributions of cash are reported as net assets with donor restrictions if they are received with donor stipulations. Restricted contributions and grants that are made to support the School's current year activities are recorded as net assets without donor restrictions. Contributions of assets other than cash are recorded at their estimated fair value at the date of donation.

Functional Expense Allocation

The majority of expenses can generally be directly identified with the program or supporting service to which they relate and are charged accordingly. Other expenses by function have been allocated among program and supporting services classifications on the basis of periodic time and expense studies and other basis as determined by management of the School to be appropriate.

Marketing and Recruitment

Marketing and recruitment costs are expensed as incurred. Marketing and recruitment costs for the years ended June 30, 2020 and 2019 amounted to \$321,392 and \$307,190.

Accounting for Uncertainty in Income Taxes

The School recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the School had no uncertain tax positions that would require financial statement recognition or disclosure. The School is no longer subject to examinations by the applicable taxing jurisdictions for years prior to June 30, 2017.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 9, 2020.

June 30, 2020 and 2019

3. Grants and Contracts Receivable

Grants and contracts receivable consists of federal, state, city entitlements and grants. The School expects to collect these receivables within one year. Management has assessed the need for an allowance and has determined that such an allowance is not necessary.

4. Conditional Promise to Give

On January 17, 2018, the School received a \$2,250,000 grant from one foundation for project specific support and general development of the School. The grant contains various grantor conditions related to specific milestones and time periods through November 30, 2020. Since this grant represents a conditional promise to give, it is not recognized as grants and contributions revenue until grantor conditions are met. For the years ended June 30, 2020 and 2019, revenue recognized under this grant totaled \$750,000 each year. At June 30, 2020, the remaining balance of this conditional promise to give was \$375,000.

5. Related Party Transactions (not disclosed elsewhere)

The School is a related party of Friends of Classical Charter Schools, Inc. ("FOCCS"), a New York State not-for-profit corporation, by common management. FOCCS's purpose is to support the operation of the School by providing assistance with the School's real estate and facilities-related needs, and by raising funds and resources that will enable FOCCS to provide support to the School to enhance the experience of the School's students.

On April 18, 2019, the SBC III lease with 3450 Third Avenue Realty LLC ("Landlord") was transferred to FOCCS and the School entered into an Interim sublease agreement with FOCCS that left the obligation to pay the rent to the landlord with the School through June 30, 2019.

On June 19, 2019, the School entered into a sub-lease agreement with FOCCS with the term commencing on July 1, 2019 and expiring on June 30, 2049. (See Note 12)

At June 30, 2020 and 2019, the School had a receivable due from FOCCS of \$9,138 and \$7,493 for expenses paid on FOCCS's behalf.

6. Investments

Major categories of investments categorized by the fair value hierarchy are as follows at June 30:

	2020		2019	
	Level II	Total	Level II	Total
Corporate bonds	<u>\$ 4,129,687</u>	\$ 4,129,687	<u>\$ 3,996,156</u>	\$ 3,996,156

Investment fees	<u>(37,076)</u>	<u>(7,372)</u>
	<u>\$ 244,339</u>	<u>\$ 222,918</u>

7. Property and Equipment

Property and equipment consists of the following at June 30:

	2020	2019
Computers and equipment	\$ 1,273,425	\$ 1,240,645
Furniture and fixtures	357,144	344,598

	<u>\$ 3,227,593</u>	<u>\$ 3,099,698</u>

Construction in progress at June 30, 2019 consisted of construction related to plumbing and kitchen improvements at SBC I and bathroom renovation and other leasehold improvements at SBC II. These renovations and improvements were placed into service during the year ended June 30, 2020. During the year ended June 30, 2019, the School disposed of fully depreciated property and equipment totaling \$352,082. There were no disposals during 2020.

8. Liquidity and Availability of Financial Assets

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of the statement of financial position date, are comprised of the following at June 30:

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 3,440,798	\$ 749,467
Grants and contracts receivable	969,900	1,236,192
Investments	4,433,239	4,266,858
Due from related party	<u>9,138</u>	<u>7,493</u>
	<u>\$ 8,853,075</u>	<u>\$ 6,260,010</u>

As part of the School's liquidity management plan, the status of grants and contracts receivable is monitored regularly and any excess cash is invested in highly liquid securities and corporate bonds. At June 30, 2020 and 2019, the Board of Trustees has designated \$1,550,000 of net assets without donor restrictions that could be drawn upon through board resolution and can be made available for current operations.

9. Employee Benefit Plan

The School maintains a pension plan qualified under Internal Revenue Code 401(k) for the benefit of its eligible employees. Under the plan, the School provides matching contributions of 5% to the plan. The amount charged for matching contributions to this plan amounted to \$608,532 and \$512,490 for the years ended June 30, 2020 and 2019.

10. Concentration of Credit Risk

Financial instruments that potentially subject the School to concentrations of credit and market risk consist principally of cash on deposit with financial institutions and investments. At times, such amounts exceed the current insured amount under the Federal Deposit Insurance Corporation ("FDIC") limit of \$250,000. Investments are maintained at a broker which insures the balance up to \$500,000 with Securities Investor Protection Corporation insurance. The School does not believe that a significant risk of loss due to the failure of a financial institution presently exists. As of June 30, 2020 and 2019, approximately \$3,167,000 and \$473,000 of cash was maintained with an institution in excess of FDIC limits.

11. Concentration of Revenue and Support

The School receives a substantial portion of its revenue and support from the New York City Department of Education. For the years ended June 30, 2020 and 2019, the School received approximately 88% and 86% of its total revenue and support from the New York City Department of Education. If the charter school laws were modified, reducing or eliminating these revenues, the School's finances could be materially adversely affected.

12. Commitments

On November 6, 2015, SBC III entered into a lease agreement with 3450 Third Avenue Realty, LLC for the rental of permanent office/classroom space located in Bronx, New York for SBC III and SBC IV. The lease term commenced on June 1, 2018 and expires on May 31, 2037, with two options to extend the lease for an additional five years each. Under the terms of the lease, the School paid a security deposit in the amount of \$317,193. On April 18, 2019, this lease was amended and transferred to FOCCS, a related party. Under the terms of the amended lease the security deposit will transfer to FOCCS. At June 30, 2020 the security deposit was still held by the School. On June 19, 2019, the School entered into a sub-lease agreement with FOCCS for the rental of office/classroom space located at 3458 Third Avenue, Bronx, New York. The lease term commenced on July 1, 2019 and will expire on June 30, 2049. The School recognizes rent expense on a straight line basis. Rent expense in excess of repayments is recorded as deferred rent in the accompanying statements of financial position. FOCCS is responsible for maintenance and repairs to the premises.

The School entered into a license agreement with Public Prep Academies to license certain classrooms, common rooms, and the cafeteria located in Bronx, New York. This agreement commenced on January 1, 2019 and expired on June 30, 2020 and was not renewed. Under the agreement, the School also paid fees related to additional services on a monthly basis. The School contributed \$50,000 towards improvements and repairs to the premises and paid a security deposit of \$33,332.

On July 18, 2018, the School entered into a sub-lease agreement with Civic Concourse Village Corporation for the rental of office/classroom space located in Bronx, New York and expiring on June 30, 2058. This location will be the home of SBC IV and the middle school of SBC II. Under the terms of the lease, the School paid a security deposit in the amount of \$979,000. Construction has commenced and was completed in October 2020 at which time the School will begin payments under the lease. The School is also obligated to make an annual contribution to the sublandlord of \$30,000, increasing 3% annually, until expiration of lease. The contributions will be placed in a capital building reserve account held by the sublandlord and will be drawn down for capital improvements. The School will recognize rent expense on a straight line basis starting with the year ending June 30, 2021.

Building and land rent/lease expense for the years ended June 30, 2020 and 2019 was \$3,650,640 and \$1,966,616.

The future minimum lease payments under the lease agreements are as follows for the years ending June 30:

2021	\$	4,421,397
2022		4,533,027
2023		4,647,585
2024		4,765,151
2025		4,885,807

13. Paycheck Protection Program Loan Payable

On May 1, 2020, the School qualified for and received a loan pursuant to the Paycheck Protection Program ("PPP"), a program implemented by the U.S. Small Business Administration ("SBA") under the Coronavirus Aid, Relief, and Economic Security Act, from a qualified PPP lender, for an aggregate principal amount of \$3,335,400 (the "PPP Loan"). The PPP Loan bears interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred, has a term of five years, and is unsecured and guaranteed by the U.S. Small Business Administration. The principal amount of the PPP Loan is subject to forgiveness under the PPP upon the School's request to the extent that the PPP Loan proceeds are used to pay expenses permitted by the PPP, including payroll costs, covered rent and mortgage obligations, and covered utility payments incurred by the School. The School intends to apply for forgiveness of the PPP Loan with respect to these covered expenses. The School believes that most, if not all, of the PPP Loan will meet the requirements for debt forgiveness. To the extent that all or part of the PPP Loan is not forgiven, the School will be required to pay interest on the PPP Loan through the date principal is repaid in full or maturity date.

The SBA has stated it will review the needs certification on all loans over \$2,000,000. After the review, the SBA may determine that the School did not meet the need criteria to apply for the PPP Loan. In such a circumstance, the School may be forced to return part or all of the PPP Loan proceeds plus pay the accrued and unpaid interest. The School believes it was eligible to receive the PPP Loan proceeds.

14. Contingency

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

15. Risks and Uncertainties

The School's operations and financial performance may be affected by the recent COVID-19 outbreak which has spread globally and is expected to adversely affect economic conditions throughout the world. If the outbreak continues and conditions worsen, the School may experience a disruption in operations as well as a decline in revenue activities. Economic uncertainty is related to the potential reduction and/or delays in state and local per pupil operating revenue, shortfalls and variations in enrollment, and operational and other changes that could increase expenses. The outbreak may adversely affect the School's activities, financial condition, results of operations, and cash flows. Management is closely monitoring the impact of COVID-19 and believes the School is taking appropriate actions to mitigate the negative impact. However, management is unable to estimate the financial impact, if any, related to this matter.

Classical Charter Schools

Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2020

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Classical Charter Schools (the "School") under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

3. Indirect Cost Rate

The School has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed
In Accordance With *Government Auditing Standards***

Independent Auditors' Report

**Board of Trustees
Classical Charter Schools**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Classical Charter Schools (the "School"), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expense and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 9, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program and Report on Internal Control
Over Compliance Required by the Uniform Guidance**

Independent Auditors' Report

**Board of Trustees
Classical Charter Schools**

Report on Compliance for Each Major Federal Program

We have audited Classical Charter Schools' (the "School") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2020. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School's compliance.

Opinion on Each Major Federal Program

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of the School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Classical Charter Schools

Notes to Schedule of Expenditures of Federal Awards
Year Ended June 30, 2020

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Classical Charter Schools (the "School") under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

3. Indirect Cost Rate

The School has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

IMPORTANT INFORMATION ABOUT YOUR STATEMENT

For your convenience this statement combines information about your J.P. Morgan accounts identified in this package.

Bank deposit accounts, such as checking, savings and bank lending, may be subject to approval. Deposit products and related services are offered by JPMorgan Chase Bank, N.A. Member FDIC.

JPMorgan Chase Bank, N.A. and its affiliates (collectively "JPMCB") offer investment products, which may include bank-managed accounts and custody, as part of its trust and fiduciary services. Other investment products and services, such as brokerage and advisory accounts, are offered through J.P. Morgan Securities LLC ("JPMS"), a member of FINRA and SIPC. JPMCB and JPMS (collectively "J.P. Morgan") are affiliated companies under the common control of JPMorgan Chase & Co.

Important Information about Pricing, Valuations, Estimated Annual Income, and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for the exclusive use of the client.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

The values in this statement are shown in USD. If your investment currency is not USD, please be aware that the value of your return could differ positively or negatively due to exchange fluctuations from the value shown in this statement.

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

CERTAIN DEFINED TERMS THAT MAY APPEAR IN YOUR STATEMENT

EAI: Estimated annual income. Actual income could be lower or higher than the estimated amount. Certain types of securities could include a return of principal or capital gains, in which case the EAI would be overstated.

EY: Estimated yield. EY reflects only the estimated yield generated by an investment and does not reflect changes in its price, which may fluctuate. Actual yield could be lower or higher than the estimated amount. Certain types of securities could include a return of principal or capital gains, in which case the EY would be overstated.

For the Period 6/1/20 to 6/30/20

UNPRICED: If we are unable to obtain a current market value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced." Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

Please see below for additional defined terms related to assets not held at J.P. Morgan.

Offshore Deposits

Deposits of non-U.S. dollar funds will be held in accounts at JPMorgan Chase Bank, N.A. ("JPMCB") outside of the United States ("Foreign Accounts"), in addition to any funds you have elected to be held in Foreign Accounts. Under federal law, deposits that are maintained outside of the United States, including in any JPMCB branch located outside of the United States, are not insured by the FDIC or any other agency of the U.S. Federal Government; are subject to cross-border risks; and enjoy a lesser preference, as compared to deposits held in the United States, in the event JPMCB should be liquidated, become insolvent or be placed into receivership or be subject to other proceedings for the benefit of creditors. Certain Foreign Accounts are considered reportable to FinCEN on Report of Foreign Bank and Financial Accounts (FinCEN Form 114).

JPMCB's London Branch is a participant in the UK Financial Services Compensation Scheme (the "FSCS"), and the following terms apply to the extent any of your cash deposits are deposited in one or more deposit accounts at JPMCB's London Branch. Subject to the FSCS rules regarding eligible deposits, you may have a right to claim compensation from the FSCS. The terms of the FSCS offer protection to certain types of claimants to whom JPMCB London Branch provides deposit services in the event that they suffer a financial loss as a direct consequence of JPMCB'S London Branch being unable to meet any of its obligations. Subject to the FSCS rules, the maximum compensation payable by the FSCS in relation to eligible deposits is as set out in the relevant information sheet which is available online as referenced below. For the purposes of establishing such maximum compensation, all your eligible deposits at JPMCB London Branch are aggregated and the total is subject to such maximum compensation. For further information about the compensation provided by the FSCS, refer to the FSCS website at www.FSCS.org.uk. Further information is also available online at <http://www.jpmorgan.com/pages/deposit-quarantee-scheme-directive>.

ASSETS NOT HELD AT J.P. MORGAN

ASSETS NOT HELD AT J.P. MORGAN are certain securities, financial instruments, and other assets that are held outside of J.P. Morgan (the "Assets"), and may include the following categories:

1. ASSET HELD OTHER INST: are assets where J.P. Morgan is fiduciary or custodian for assets held at another financial institution at the request or direction of the client, beneficiary or other interested party.
2. ASSET HELD AT ISSUER: are assets held by J.P. Morgan as trustee, agent or custodian that are either not managed by J.P. Morgan or not included in the J.P. Morgan selection of approved funds, including, but not limited to, hedge funds, private equity or other alternatives.
3. CLIENT HELD ASSET: are certain physical assets held under the custody and control of a client, beneficiary or other interested party.
4. MEMO POSTED ASSET: are assets held at other institutions or locations external to and without affiliation to J.P. Morgan and for which we have no fiduciary or other custodial responsibility. J.P. Morgan has no responsibility for the verification, valuation, safekeeping or management of those assets.

Categories 1, 2 and 3 apply only to client assets for which J.P. Morgan acts in a fiduciary or agency capacity pursuant to a trust instrument or other written agreement to provide trust or custodial services for the Assets.

Unless we have otherwise agreed or notified you in writing, the Assets have not been issued, sponsored, advised, managed or otherwise affiliated with J.P. Morgan or any of its affiliates, and no J.P. Morgan affiliate currently acts or has acted as a placement agent for the Assets. J.P. Morgan has not performed and, in the future, will not perform any due diligence in connection with the Assets, including the investment merits or value of the Assets.

The Assets are not covered by the Securities Investor Protection Corporation (SIPC) insurance applicable to securities held in the custody of J.P. Morgan Securities LLC, or by the Federal Deposit Insurance Corporation (FDIC) insurance applicable to cash deposit assets held in the custody of JPMorgan Chase Bank, N.A. If you have questions about SIPC or FDIC coverage for the Assets, you should contact the entities where the Assets are held.

Information on Memo Posted Assets is being reflected in your statements at your request, for informational purposes only and as a courtesy. The information reflected in your statements for the Assets

For the Period 6/1/20 to 6/30/20

will be based solely on information provided by you, or by third parties. J.P. Morgan will not be responsible for the completeness or accuracy of this information.

Information on Memo Posted Assets in your statements reflect, at your request, valuations and other information, such as cost basis, market values, gains /losses and yield/return ("Investment Information"), provided to us by the pricing/information source specified by you. J.P. Morgan's ability to include such information on your statements is contingent upon our receipt of the Investment Information in a timely manner. It is your responsibility to instruct the pricing/information source to provide us with the Investment Information that we require. J.P. Morgan will rely on the accuracy of the Investment Information, and will not verify any Investment Information or the methodology utilized to derive the Investment Information. J.P. Morgan will not be liable for any errors or omissions in compiling or disseminating the Investment Information. J.P. Morgan encourages you to review and maintain the original source documents and statements for the Investment Information, and to contact the third parties that provided those documents should you have any questions about their accuracy.

Ongoing, if J.P. Morgan does not receive documentation from the pricing/information source stating updated Investment Information, J.P. Morgan reserves the right to update the price of the affected Memo Posted Assets to "zero" or "not priced" and may remove those Assets from your statement without additional notice.

J.P. Morgan reserves the right to, in its sole discretion and without notice to you, discontinue including information regarding the Memo Posted Assets in your statements.

If at any time you no longer wish to have the Memo Posted Assets reflected in your statements, please inform your J.P. Morgan Client Service representative in writing.

Fund manager disclosure information available upon request

If you have an investment account that is managed by an SEC-Registered Investment Advisor, J.P. Morgan will provide a copy of the advisor's Form ADV 2A or brochure upon written request.

These statements are not official documents for income tax reporting purposes and should not be relied upon for such purposes, including determination of income, cost basis, amortization or accretion, or gain/loss. Such information, which may be inaccurate, incomplete or subject to updating, should be confirmed with your records and your tax advisor.

What to Do If You Think Your Statement Contains an Error

Please review your statements and promptly report any inaccuracy or discrepancy in writing to the following address:

J.P. Morgan
500 Stanton Christiana Road
NCC1, Floor 1
Newark, DE 19713-2107

Any oral communication should be re-confirmed in writing to further protect your rights, including any rights that you may have under the Securities Investor Protection Act ("SIPA").

In case of errors or questions about electronic fund transfers

We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. In your communication, please:

- Provide your name and account number;
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (or 20 business days for new accounts) to do this, we will provisionally credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If the alleged error involves an account which is subject to margin requirements or is otherwise covered by Regulation T of the Federal Reserve Board, we will not provisionally credit the account involved. For more complete details, see the applicable account agreements and appendices that govern your account.

For the Period 6/1/20 to 6/30/20

In case of errors or questions about non-electronic transfers

If you believe that your statement is incorrect or if you need information about any non-electronic transaction shown on this statement, please contact us at the above address immediately. If any such error appears, you must notify us in writing as soon as possible after your statement was made available to you. For more complete details, see the applicable account agreements and appendices that govern your account.

JPMS, a member of the Securities Investor Protection Corp ("SIPC"), provides account protection for the net equity of a customer's funds and securities positions. SIPC provides \$500,000 of primary net equity protection, including \$250,000 for claims for cash ("SIPC Coverage"). You may obtain information about SIPC, including the SIPC Brochure, on their website, at "www.sipc.org" or by contacting them at (202) 371-8300.

Account protection applies when a SIPC member firm fails financially and is unable to meet its obligations to its securities customers, but does not apply to losses from the rise or fall in the market value of investments or to SIPC ineligible assets such as futures, options on futures, foreign exchange transactions, or any investment contracts that are not registered as securities or deposit account balances. For more information about SIPC Coverage, including the SIPC Brochure, visit www.sipc.org (follow the link to How SIPC Protects Investors) or by calling SIPC at (202) 371-8300.

IMPORTANT NOTICE REGARDING CALLABLE SECURITIES

To the extent J.P. Morgan Securities LLC (JPMS LLC) holds on behalf of any introduced customer account securities which, by their terms, may be called or redeemed prior to maturity ("callable securities") and a partial call or redemption involving such securities occurs, the following procedures will be followed: JPMS LLC will generally administer the partial call or redemption via an impartial lottery system by which it will allocate among its introduced customers the securities to be selected as called or redeemed. In the event the call or redemption is deemed to be on terms favorable to the applicable holder as determined by JPMS LLC, JPMS LLC shall not allocate the securities to any account in which it or its associated persons (or the associated persons of its introducing brokers, to the extent those accounts have been identified to JPMS LLC by the introducing broker, generally, "associated persons") have an interest until all other customers' positions in such securities have been satisfied. In the event the call or redemption is deemed to be on terms unfavorable to the applicable holder, as determined by JPMS LLC, the accounts of customers and associated persons will participate in the impartial lottery on equal terms. See https://www.jpmorgan.com/country/US/EN/disclosures/callable_securities

This information supersedes any prior or inconsistent terms relating to callable securities in your account.

IMPORTANT ADDITIONAL INFORMATION APPLICABLE ONLY TO YOUR ASSET ACCOUNT(S) (LINKED TO JPMS)

IMPORTANT INFORMATION ABOUT YOUR INVESTMENTS AND POTENTIAL CONFLICTS OF INTEREST APPLICABLE TO YOUR MANAGED INVESTMENT ACCOUNT(S)

Conflicts of interest will arise whenever JPMorgan Chase Bank, N.A. or any of its affiliates (together, "J.P. Morgan") have an actual or perceived economic or other incentive in its management of our clients' portfolios to act in a way that benefits J.P. Morgan. Conflicts will result, for example (to the extent the following activities are permitted in your account): (1) when J.P. Morgan invests in an investment product, such as a mutual fund, structured product, separately managed account or hedge fund issued or managed by JPMorgan Chase Bank, N.A. or an affiliate, such as J.P. Morgan Investment Management Inc.; (2) when a J.P. Morgan entity obtains services, including trade execution and trade clearing, from an affiliate; (3) when J.P. Morgan receives payment as a result of purchasing an investment product for a client's account; or (4) when J.P. Morgan receives payment for providing services (including shareholder servicing, recordkeeping or custody) with respect to investment products purchased for a client's portfolio. Other conflicts will result because of relationships that J.P. Morgan has with other clients or when J.P. Morgan acts for its own account.

Investment strategies are selected from both J.P. Morgan and third-party asset managers and are subject to a review process by our manager research teams. From this pool of strategies, our portfolio construction teams select those strategies we believe fit our asset allocation goals and forward looking views in order to meet the portfolio's investment objective.

As a general matter, we prefer J.P. Morgan managed strategies. We expect the proportion of J.P. Morgan managed strategies will be high (in fact, up to 100 percent) in strategies such as, for example, cash and high-quality fixed income, subject to applicable law and any account-specific considerations.

While our internally managed strategies generally align well with our forward looking views, and we are familiar with the investment processes as well as the risk and compliance philosophy of the firm, it is important to note that J.P. Morgan receives more overall fees when internally managed strategies are included. We offer the option of choosing to exclude J.P. Morgan managed strategies (other than cash and liquidity products) in certain portfolios.

The Six Circles Funds are mutual funds managed by J.P. Morgan and sub-advised by third parties. Although considered internally managed strategies, J.P. Morgan does not retain a fee for fund management or other fund services.

J.P. MORGAN FUNDS OR THIRD PARTY FUNDS

Shares of the funds referenced above are not bank deposits and are not guaranteed by any bank, government entity, or the FDIC. Return and share price will fluctuate and redemption value may be more or less than original cost. The estimated annual income and dividend yield figures for mutual funds represent the funds' most recent income dividend annualized. You could lose money by investing in a Money Market Fund. With respect to a Money Market Fund that qualifies as a "retail" or "government" money market fund under applicable money market fund regulations, although the Money Market Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. In the case of a Money Market Fund that does not qualify as a "retail" or "government" money market fund, because the share price of the Money Market Fund will fluctuate, when you sell your shares they may be worth more or less than what you originally paid for them. If a Money Market Fund does not qualify as a "government" money market fund the Money Market Fund may impose a fee upon sale of your shares or may temporarily suspend your ability to sell shares if the Money Market Fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a Money Market Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. A Money Market Fund's sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time.

Additional information about J.P. Morgan Funds fees is available in the J.P. Morgan Funds Disclosure Statement and in prospectuses that you may obtain from JPMorgan Distribution Services, Inc., for the J.P. Morgan Funds by calling 800.480.4111 (Mutual Funds), 844.457.6383 (ETFs), or by visiting www.jpmorganfunds.com, and for the Six Circles Funds, by calling 212.464.2070. Additional information about third party fund fees is available in the Third Party Funds Disclosure Statement. Additional information, and a prospectus for any Registered Fund in your account, may be obtained by contacting your J.P. Morgan representative team.

IMPORTANT INFORMATION ABOUT MUTUAL FUNDS AND EXCHANGE-TRADED FUNDS REGISTERED UNDER THE INVESTMENT COMPANY ACT OF 1940, AS AMENDED ("REGISTERED FUNDS")

(i) **J.P. Morgan Funds - Management Fees** J.P. Morgan or its affiliates may be sponsors or managers of Registered Funds ("J.P. Morgan Funds") that are purchased for the Client's Portfolio. In such case, J.P. Morgan or its affiliates may receive a fee for managing the J.P. Morgan Funds. As such, J.P. Morgan and its affiliates will receive more total revenue when the Client's Portfolio is invested in J.P. Morgan Funds than when it is invested in third party funds.

(ii) **J.P. Morgan Funds and Third Party Funds - Other Fees & Expenses** All Registered Funds have various internal fees and other expenses that are paid by managers or issuers of the Registered Funds or by the Registered Fund itself, but that ultimately are borne by the investor. J.P. Morgan may receive administrative, servicing and other fees for providing services to both J.P. Morgan Funds and third party Registered Funds that are held in the Client's Portfolio. These payments may be made by sponsors of Registered Funds (including affiliates of J.P. Morgan) or by the Registered Funds themselves, and may be based on the value of the Registered Funds in the Client's Portfolio. Registered Funds or their sponsors may have other business relationships with J.P. Morgan outside of its portfolio management role or with the broker-dealer affiliates of J.P. Morgan, which may provide brokerage or other services that pay commissions, fees and other compensation.

(iii) **Six Circles Funds** The Six Circles Funds are Registered Funds specifically designed by J.P. Morgan for use in discretionary accounts as completion funds to align with J.P. Morgan's core portfolio views. A J.P. Morgan affiliate acts as investment advisor to the Six Circles Funds and engages third-party investment managers as sub-advisors to the Funds' investment portfolios. J.P. Morgan may experience certain benefits and efficiencies from investing account assets in the Six Circles Funds instead of unaffiliated investment vehicles; however, J.P. Morgan does not retain investment advisory fees for managing the Six Circles Funds through an agreement to waive any investment advisory fees that exceed the fees owed to the Six Circles Funds' third-party sub-advisors. The Six Circles Funds do not pay fees to J.P. Morgan for any other services to the Six Circles Funds. Services are provided by third-party service providers and are generally paid by the Six Circles Funds or J.P. Morgan. (Note that the market value of assets invested in the Six Circles Funds will be included in calculating the advisory fees paid on the overall Portfolio.)
