Entry 10 - Teacher and Administrator Attrition

Completed Sep 14 2021

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees that must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must simultaneously request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at

<http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf>.

Attestation

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

[Instructions for submitting School Calendar](#)

Required of ALL Charter Schools

Given these uncertain and changing times, charter schools may or may not have a school calendar ready to upload by the submission deadline this year of August 2, 2021. If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 2nd submission. Charter schools will be able to upload an updated school calendar into the portal at any time but no later than **September 15, 2021**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools *"... unless the school's charter requires more instructional time than is required under the regulations."*

Board of Regents-authorized charter schools are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Brighter Choice Elementary Charter Schools
Albany, New York

Opinion

We have audited the accompanying financial statements of Brighter Choice Elementary Charter Schools (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brighter Choice Elementary Charter Schools as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Brighter Choice Elementary Charter Schools and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brighter Choice Elementary Charter Schools' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brighter Choice Elementary Charter Schools' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Brighter Choice Elementary Charter Schools' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise Brighter Choice Elementary Charter Schools's basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, based on our audit and the procedures described above, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our reports dated October 26, 2021 on our consideration of Brighter Choice Elementary Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of those reports is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Brighter Choice Elementary Charter Schools' internal control over financial reporting or on compliance. Those reports are an integral part of an audit performed in accordance with *Government Auditing Standards* and the Uniform Guidance in considering Brighter Choice Elementary Charter Schools' internal control over financial reporting and compliance.

1. ORGANIZATION AND PURPOSE

Organization

Brighter Choice Charter School for Girls (the “Girls School”) and Boys (the “Boys School”) are not-for-profit corporations formed in 2001 in order to build and operate charter schools in the City of Albany, New York (the “City”). The Brighter Choice Charter Schools for Girls and Boys (the “Schools”) were established to provide a quality educational alternative for at-risk elementary students in the City. Effective July 1, 2016, Brighter Choice Charter School for Boys was merged with and into Brighter Choice Charter School for Girls, with Brighter Choice Charter School for Girls being renamed Brighter Choice Elementary Charter Schools.

Each charter school, authorized by Article 56 of the New York State Charter Schools Act of 1998, is an independent public school and, in accordance with their charter and bylaws, each school has a Board of Trustees and is an independent, discreet operating entity.

The Schools provide a broad and rigorous liberal arts education, including instruction on phonics-based reading, traditional mathematics, science, visual and performing arts, American and world history, and physical education. Students benefit from a longer school day and school year, which will provide them with an equivalent of two years of academic instruction over each of their elementary years.

The New York State Education Department has issued the Schools a five year charter valid until June 30, 2026. During the year ended June 30, 2021, the Girls School had enrollment of approximately 276 students (321 students, June 30, 2020) and the Boys School had enrollment of approximately 257 students (305 students, June 30, 2020) serving kindergarten through 5th grade.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Policies and Financial Statement Presentation

The following summarizes the significant accounting policies consistently applied in the preparation of the Schools’ financial statements, with reference to the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) where applicable.

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized when incurred. This basis of accounting is in accordance with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allowance of Doubtful Accounts

Contacts and grants receivable are carried at original invoice amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a monthly basis. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Contracts and grants receivable are written off when deemed uncollectible. Recoveries of accounts previously written off are recorded when received. A receivable is considered past due if any portion of the receivable balance is outstanding for more than 90 days. Interest is not charged on outstanding accounts receivable. The allowance for doubtful accounts was \$91,925 for the Girls School and \$126,154 for the Boys School at June 30, 2021.

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation. Donations of property and equipment are recorded as support at their estimated fair values on the date of donation. Expenditures for acquisitions, renewals, and betterments are capitalized, whereas maintenance and repair costs are expensed as incurred. When equipment is retired or otherwise disposed of, the appropriate accounts are relieved of costs and accumulated depreciation, and any resultant gain or loss is credited or charged to the change in net assets.

Long-lived assets to be held and used are tested for recoverability whenever events or changes in circumstances indicate that the related carrying amount may not be recoverable.

Depreciation is computed using the straight-line method over the following estimated useful lives of 40 years for buildings and improvements and 3-10 years for furniture and equipment.

Net Assets

The financial statements report net assets and changes in net assets in two classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are resources available to support operations. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Schools.

Net Assets With Donor Restrictions

Purpose restricted net assets are resources that are restricted by a donor for use for a particular purpose or in a particular future period.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)*Net Assets (Continued)*Net Assets With Donor Restrictions (Continued)

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. The Schools have no purpose restricted net assets at June 30, 2021.

Perpetually restricted net assets are resources whose use by the School are limited by donor imposed restrictions that neither expire by being used in accordance with a donor's restriction nor by the passage of time. The Schools have no perpetually restricted net assets at June 30, 2021.

Recognition of Income

Revenue from contracts with customers is recognized in accordance with a five-step model as follows:

- Identify the contract with the customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligation(s) in the contract
- Recognize revenue when or as performance obligations are satisfied

Contract Assets

Amounts related to services provided to customers which have not been billed and that do not meet the conditions of an unconditional right to payment at the end of the reporting period are contract assets. Contract asset balances consist primarily of services provided to customers who are still receiving services at the end of the year. There were no contract assets at June 30, 2021 and 2020.

Contract Liabilities

Contract liabilities represent revenue that has been deferred for the funds advanced by third party payors for the Schools' contracts received related to services that have not yet been provided to customers. Contract liabilities consist of payments made by funding and other sources for the Schools' contracts for services not yet performed that are expected to be performed within the next fiscal year. There were no contract liabilities were \$54,560 for the years ended June 30, 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Public School District Fees

A substantial portion of the Schools' revenue and related receivables are derived from its arrangement with the local School Districts, which reimburse the Schools based on per capital enrollment. These revenues are recognized ratably over the related school year during which they are earned.

Grants and Contracts

Revenue from other governmental sources generally represents various entitlements and is recognized as earned when allowable expenditures are incurred.

Contributions

Contributions received are recorded as with or without donor restrictions depending on the existence and/or nature of any donor imposed restrictions.

Allocation of Expenses

Directly identifiable expenses are charged to program and supporting services. Expenses related to more than one function are charged to program and supporting services using specific allocation methods. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Schools.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

The Accounting Standards Codification requires entities to disclose in their financial statements the nature of any uncertainty in their tax position. The Schools have not recognized any benefits or liabilities from uncertain tax positions in 2021 and believes they have no uncertain tax positions for which it is reasonably possible that will significantly increase or decrease net assets. Generally, federal and state authorities may examine the Schools' tax returns for three years from the date of filing; consequently, income returns for years prior to 2018 are no longer subject to examination by tax authorities.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)*Income Taxes*

The Schools are exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, and the Schools are exempt from state income tax. The Schools have been classified as a publicly-supported organization that is not a private foundation under Section 509(a) of the Code.

Fair Value

The Accounting Standards Codification requires expanded disclosures about fair value measurements and establishes a three-level hierarchy for fair value measurements based on the observable inputs to the valuation of an asset or liability at the measurement date. Fair value is defined as the price that the Schools would receive upon selling an asset or pay to transfer a liability in an orderly transaction between market participants. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The following methods and assumptions were used to estimate the fair value of each class of financial instrument for which it is practicable to estimate that value:

Cash, contracts and grants receivable, accounts payable and accrued expenses and unearned revenue - The carrying amounts approximate fair value because of the short maturity of these instruments.

Property and equipment - No attempt has been made to determine the fair value of property and equipment.

Mortgage payable - The fair value of the mortgage payable is estimated based on current rates offered to the Schools for debt of the same remaining maturity. At June 30, 2021, the fair value of the mortgage payable approximates the amount recorded in the financial statements.

Subsequent Events

The Schools have evaluated subsequent events or transactions as to any potential material impact on operations or financial position that existed at the date of the financial statements through October 26, 2021, the date the financial statements were available to be issued. The Schools intend to defease their existing bonds payable with new bonds in 2022.

BRIGHTER CHOICE ELEMENTARY CHARTER SCHOOLS*NOTES TO FINANCIAL STATEMENTS (CONTINUED)**JUNE 30, 2021*

3. CASH, RESTRICTED

As part of the charter agreement, charter schools agree to establish an escrow account of no less than a set dollar amount as determined by the New York State Education Department (“NYSED”). This amount is established to pay for legal and audit expenses that would be associated with a dissolution should it occur. Each school has established an escrow account for \$100,000 as required by the NYSED.

4. BOND TRUST ACCOUNTS - RESTRICTED

The Schools have entered into a custody agreement with Wilmington Trust Company as Custodian and as Trustee. Debt service reserve represents funds held by Wilmington Trust Company in the name of the Schools. The Schools will direct educational aid payments to be deposited with the Custodian. The Custodian will pay the Trustee, for deposit in the Debt Service Fund, an amount equal to a proportionate share of the next interest and principal payment on the Bonds for which funds have not already been provided. Additionally, the Custodian will pay the Trustee, for deposit in the Repair and Replacement Fund, amounts necessary to equal the Repair and Replacement Fund requirement (\$174,672 for the year ended June 30, 2021) with required increases of 3% annually. Any funds remaining with the Custodian following such transfers will be transferred to the Schools.

In connection with the bonded mortgage with the City of Albany Industrial Development Agency (IDA), the Schools are required to maintain bond trust accounts which are administered by Wilmington Trust Company. The underlying investments in the bond trust accounts at June 30, 2021 consist of money market funds.

Bond trust accounts consist of the following:

	<u>Girls School</u>	<u>Boys School</u>	<u>Total</u>

7. BONDED MORTGAGE PAYABLE

The Schools' facilities are jointly owned by the two Schools. The facilities were acquired through financing provided by the IDA in March 2008. The IDA issued taxable and tax-exempt Civic Facility Revenue Bonds totaling \$18,490,000 to acquire and renovate the facilities of the two Schools. The Schools acquired the facilities from the IDA through an installment sale agreement which provides for the Schools to make installment purchase payments in amounts sufficient to pay the principal and interest on the bonds when due. Under the installment sale agreement, each School is jointly and severally obligated to make the installment purchase payments. The installment sale agreement is collateralized by a first mortgage lien and security interest in the land, buildings and equipment of the Schools' facilities.

BRIGHTER CHOICE ELEMENTARY CHARTER SCHOOLS*NOTES TO FINANCIAL STATEMENTS (CONTINUED)**JUNE 30, 2021***7. BONDED MORTGAGE PAYABLE (CONTINUED)**

Each of the Schools initially recorded 50% of the total cost of the facilities' acquisition and renovation as well as 50% of the installment purchase agreement liability.

8. PPP LOAN FORGIVENESS

The Paycheck Protection Program (PPP) provides 100% federally guaranteed loans to small businesses, designed to help small businesses keep workers employed amid the pandemic and economic shutdown. The loan may be forgiven if the borrower maintains their payroll during the crisis or restores their payroll afterwards and uses the funds to cover payroll, certain payroll related costs, rent, and utilities during a twenty-four week period after receiving the loan, as outlined in the PPP. The Schools applied for PPP loans and received \$429,300 for the Girls School and \$452,000 for the Boys School. The loans were fully forgiven and consequently they are reported as other income for the year ended June 30, 2021.

9. EMPLOYEE RETIREMENT PLAN

The Schools have a 403(b) tax-deferred annuity retirement plans, which are funded by contributions from both the Schools and its employees. The Schools' contribution ranges from 2% to 6% of eligible employees' salaries based on years of service. Retirement plan expense was \$88,875 and \$88,300 for the Girls and Boys School, respectively, for the year ended June 30, 2021.

10. COMMITMENTS AND CONTINGENCIES

The Schools maintain cash balances in a financial institution located in the northeast. Accounts at this institution are insured, up to certain limits, by the Federal Deposit Insurance Corporation (FDIC). At June 30, 2021, the Schools have bank deposits of approximately \$4.7 million in excess of amounts insured by the FDIC.

In the normal course of business, the Schools are, from time to time, subject to allegations that may or do result in litigation. The Schools have general liability insurance to cover potential claims. Based upon the advice of counsel, it is the opinion of management that any liability that may arise from such actions would not result in losses that would materially affect the financial position of the Schools or their change in net assets.

10. COMMITMENTS AND CONTINGENCIES (CONTINUED)

The Schools are subject to audits and reviews of reimbursable costs by various governmental agencies. The outcome of the audits and reviews may have the effect of retroactively increasing or decreasing revenue from various sources. These changes, if any, will be recognized in accordance with the rules and guidelines established by the various funding sources.

11. CONCENTRATION OF RISK

The Schools receive a substantial portion of their funding from school districts where the Schools' students reside as well as federal funding sources. One school district constituted approximately 65% of total revenue and support for the year ended June 30, 2021 (71% at June 30, 2020).

12. LIQUIDITY

The Schools' liquidity management policy is to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

The Schools have financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures, liabilities and other obligations of:

Cash	\$ 5,211,502
Contracts and Grants Receivable	<u>475,071</u>
Financial Assets Available to Meet Cash Needs within One Year	<u>\$ 5,686,573</u>

None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date.

13. UNCERTAINTY

The United States is presently in the midst of a national health emergency related to a virus commonly known as Novel Coronavirus (COVID-19). The overall consequences of COVID-19 on a national, regional, and local level are unknown, but it has the potential to result in a significant economic impact. The impact of this situation on the School and its future financial position and results of operations is not presently determinable.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Trustees of
Brighter Choice Elementary Charter Schools
Albany, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Brighter Choice Elementary Charter Schools (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 26, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Brighter Choice Elementary Charter Schools' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of the Schools' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Brighter Choice Elementary Charter Schools' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Schools' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Schools' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Trustees
Brighter Choice Elementary Charter Schools
Albany, New York

Report on Compliance for Each Major Federal Program

We have audited Brighter Choice Elementary Charter Schools' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Brighter Choice Elementary Charter Schools' major federal programs for the year ended June 30, 2021. Brighter Choice Elementary Charter Schools' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Brighter Choice Elementary Charter Schools' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Brighter Choice Elementary Charter Schools' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Brighter Choice Elementary Charter Schools' compliance.

Opinion on Each Major Federal Program

In our opinion, Brighter Choice Elementary Charter Schools complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of Brighter Choice Elementary Charter Schools is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Brighter Choice Elementary Charter Schools' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Brighter Choice Elementary Charter Schools' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT OR NEED INFORMATION.

If you think there is an error on your statement or if you would like to request information regarding your account, write to us at:

Berkshire Bank

Loan Servicing Department

PO Box 1308

Pittsfield, MA 01202

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing.

You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

COMPUTATION OF AVERAGE DAILY BALANCE AND INTEREST CHARGE. We figure the interest charge on your account by applying the periodic rate to the "average daily balance" of your account. To get the "average daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total number of days in the billing cycle. This gives us the "average daily balance".

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS: Telephone us toll-free in MA at 1-800-773-5601 or write us at BERKSHIRE BANK ATTN: ELECTRONIC BANKING, P.O. BOX 1308, PITTSFIELD MA 01202-1308, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you this FIRST statement on which the error or problem appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

Board of Trustees Meeting

Date and Time

Thursday July 16, 2020 at 10:00 AM

Location

Remote due to covid-19 closure

Trustees Present

M. Snyder (remote), N. Maresca (remote), N. Velilla (remote), R. McLaughlin (remote), T. Hanmer (remote), Z. Nelson (remote)

Trustees Absent

S. Wallace

Guests Present

K. Ford (remote), K. Mclean (remote), L. Licygiewicz (remote), S. Jahn (remote), T. Stutsrim

I. Opening Items

A. Record Attendance

B. Call the Meeting to Order

M. Snyder called a meeting of the board of trustees of Brighter Choice Charter Schools to order on Thursday Jul 16, 2020 at 9:07 AM.

C. Approve Minutes

N. Velilla made a motion to approve the minutes from Annual Board Meeting on 06-30-20.

Z. Nelson seconded the motion.

The board **VOTED** unanimously to approve the motion.

II. Academic Policy

A. BCCSB - Discipline Policy

Luke Licygiewicz reported that the disciplinary policy was nearly ready for publication.

T. Hanmer made a motion to accept the BCCSB Discipline Policy, contingent upon Mr. Licygiewicz's addition of a few edits suggested by Ms. Hanmer.

N. Velilla seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. Principal's report - BCCSB

Karen Mclean reported:

Summer School:

Only 24 enrolled, and absenteeism has been high, around 25%. Consequently, the lessons for incoming second and third graders and incoming fourth and fifth graders have been combined. The scholars who have committed to the program are actively engaged. The focus has been on shoring up areas of weakness in mathematics and ELA that were identified during the 2019-20 school year. A progress monitoring online tool maintained by the teachers is shared with Ms. Mclean each week and is providing insights into remote learning that should be useful in planning for remote instruction that may be needed in the fall.

Fall enrollment:

Currently stands at 284; the goal is 309. Because of pandemic, the school has not been able to host or be present at traditional summer events that usually attract families. Ms. Mclean stressed the importance of constant presence on FaceBook and other social media, but noted that all the other charter schools are there, as well.

Staffing:

Ms. Mclean reported on changes in boys' staffing: a fourth grade writing teacher, a third grade ELA teacher, a SPED teacher, and a science teacher resigned, and a second SPED teacher's contract was not renewed. She is not planning to replace the science teacher this fall, but will be hiring for the other positions.

C. Principal's Report - BCCSG

Kristina Ford reported:

Summer School:

35 students enrolled in the girls' summer school program, 29 have been faithful attendees. The original enrollment was 8 second graders, 8 third graders, and 13 students in a combined fourth/fifth program. The teachers share progress through Google sheets, and Ms. Ford has been visiting classrooms remotely, which has been helpful as she thinks about fall teacher training for remote learning.

Fall Enrollment:

Fall enrollment at the girls' school is currently 295, with 36 pending. Those 36 have been targeted with aggressive follow-up. The school has continued radio ads, bus ads, and social media. Ms. Snyder suggested that the narrative in the ads contain targeted messages about the schools during the pandemic (1:1 Chromebook program, for example) and emphasize single gender classrooms.

Staffing:

Ms. Ford reported that her staffing is nearly complete and will be when she hires a new SPED teacher in the next few days.

III. Finance

A. Budget for SY 2020-2021

At the next meeting Mr. Jahn will present the proposed budget for 2020-2021. Enrollment is the biggest concern at this point, and if the shortfall remains, will have serious budget implications.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:33 AM.

Respectfully Submitted,
Z. Nelson
