A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees that must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must simultaneously request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at

<http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf>.

4. Committee Reports	<p>Finance committee: MC asked if money moved from Friends of will appear as income or just as an increase in assets. AR said it will be an increase in assets. Not income.</p> <p>Academic Committee LM noted Emily’s Principal’s Report is comprehensive.</p> <p>Governance committee:</p> <ul style="list-style-type: none"> • MP reported that parent Trustees terms are expiring. EM would like to continue, OO is considering, but would no longer be a parent Trustee as her child is no longer attending the school • Simone Narrow and Juliet Cullen-Chang were introduced as a potential Trustees candidate. Both discussed their involvement in the school and professionally that would contribute to the school’s success. <ul style="list-style-type: none"> a. Motion to renew EM as a Trustee, moved by MP, seconded by KM. All in favor b. Motion to add SN as a Trustee, moved by MP, seconded by KM. All in favor.

	<p>c. Motion to add JCC as a Trustee, moved by MP, seconded by KM. All in favor.</p> <ul style="list-style-type: none"> Letter from parents with regards to DEI. Decided to form a committee of Trustees, ML, EC and some parents. JL will chair the committee.
<p>5. <i>Principals' Q&A</i></p>	<p>EC reviewed the Principal's Report with alignment on academic goals, Return to School, and DEI work.</p> <p>EC reviewed the major points for the report she submitted.</p> <ul style="list-style-type: none"> Growth mindset will be focus of professional development for leadership team Professional development will be virtual Finalized assessment tools and calendar (synced with Brooklyn prospect) Increasing the use of data for 2020/2021 will be a focus Working on return to school plans (weekly schedule – likely hybrid schedule) Continuing the work on D&I initiatives <p>Questions were asked about the teachers that left ICS.</p>
<p>6. <i>ED Q&A</i></p>	<p>MC asked if 80% assumption on returning families was changed from prior years. ML explained it was more conservative. Had used 90% in the past. Expected that option for fully-remote would increase retention as it gives families more options.</p> <p>MN asked if fully-remote instruction would be more expensive. AO explained that cameras will allow students at home to join the live instruction synchronously or asynchronously as fits their schedule. Should not require additional staffing.</p> <p>JL asked if a teacher should be hired to focus on remote students exclusively. EC and ML explained it would be hard for one teacher to be expert across multiple grades. JL thought it might be more of a coordinator role. Ao suggested we will take this under consideration.</p>
<p>7. <i>Other Business</i></p>	<p>MC introduced the DEI committee.</p> <p>JL shared his hopes for the Committee's work. He spoke about VPSA (Values, Problems, Solutions, Actions). This is a framework he has used professionally. Incorporate many voices, we may not be able to solve for every problem that is identified. Actions arises from brainstorming solutions and responsive to the values and problems identified. JL's role is to facilitate dialog ensure everyone's voice is heard, don't expect to solve every problem, but we have to be empathetic. We have to be slightly uncomfortable, or else we are not doing enough. We need new ideas. Get people around the table and ensure everyone feels acknowledged. Hard part is finite resources and time within those constrains. Training to talk about race is required, even if you are a black guy. The idea is to move people.</p>

	AO offered to review the consultants that she has interviewed so far. Promise54, CCRE, Roots Connected.
8. Public Comments	AC expressed concerns that a remote teacher would make students feel less integrated into the full class. Asked about teacher departures. LE expressed thanks for the planning work by staff to get school restarted. Asked about water testing and ventilation SB asked about the school reopening plans
9. Executive Session	At 6:45 pm a motion was made to go into Executive Session to discuss matters covered under Public Officers Law, Article 7, Section 105(f). MN motioned, EM approved. Unanimously approved. At 7:49 a motion was made to end the Executive Session and return to regular session.

1. Call to Order	Meeting was called to order at 5:33 pm. MH chaired the meeting.
2. Approval of Agenda	Adoption of the agenda as stated. MN moved, KM seconded. Unanimously approved
3. Approval of Minutes	KM moved; JCC seconded. Minutes are unanimously approved.
4. Committee Reports	<p>Finance committee: MN reported the committee met on Oct 12, but did not submit a report. The transfer of funds from Friends of ICS to the school was larger than budgeted by \$130,000 and enrollment is at predicted levels. These factors are helping the finances. MN also noted a new bookkeeper has joined ICS to replace the former FD. And that the PPP Loan forgiveness application has been filed with the Bank.</p> <p>MH asked how Friends of built a surplus and MN clarified that the rent ICS pays to Friends of is an estimate of total costs. When it is less than actual costs, Friends of can return the difference. JCC asked if the school could spend the surplus; MN noted that while the projected deficit has shrunk, we still are budgeting for a deficit this year.</p> <p>Governance committee: No meeting this month. Waiting or an update from MC with regard to the Trustees joining the BPCS Board in June 2021.</p> <p>Academic Committee: LM praised the school leadership for re-starting in person instruction; Committee had a chance to review videos of live instruction and guided reading. JCC asked if EC felt the iReady results were representative. EC spoke to her hopes for the continued improvement of students on assessments. SN asked about comparisons to last year; was it surprising. Can the assessments be considered valid? EC pointed out that</p>

	<p>iReady adapts to the students' level. LM remarked that iReady is one data point.</p>
<p>5. Principals' Q&A</p>	<p>ECC spoke to the highlights of her written report. LT has set goals and tracking, they will roll up into the regular reporting to the Board. Pushing each week for that, both data on items like attendance as well as reflections on the data and corresponding action steps.</p> <p>The completion of the iReady assessment was challenging, but we achieved a high level of completion. JCC asked about the differences in performance between the lower and upper elementary grades and the percentage of students below grade level expectations, especially in math. ECC noted that iReady is a starting point and only one element of assessment. Key is to assess change over time. ECC noted that guided reading assessments are being conducted in 2nd grade.</p> <p>ECC reminded Trustees that the DEI Town Hall is on Thursday at 4:00 pm</p>
<p>6. ED Q&A</p>	<p>MH noted that the ED report was circulated in advance and asked if there were further questions.</p> <p>JCC asked about changes made to the ventilation systems as a result of the contractor's work. ML clarified this, and noted students are only in 55 Willoughby at present, and we are trying to keep all students in that building as we expand to add 2nd-5th grade. So rooms without windows at 9 Hanover will not factor into our usage plans.</p> <p>ML noted that the 2019-20 financial audit has been completed and there are no significant differences from the interim financial report for June 30 that was presented at the July Trustees meeting and the audited results. He also noted the extraordinary work of the teachers to deliver instruction both remotely and in person. Outlined plans to switch to all remote instruction from Jan 4 to Jan 15th to allow families and staff to travel over the winter break and safely quarantine before returning to hybrid (in-person) teaching on Jan 19th.</p>
<p>7. Other Business</p>	<p>none</p>
<p>8. Public Comments</p>	<p>Lee Ilan. Expressed concern that families do not know about the meetings; suggested Trustee meetings be added to the family-facing school calendar. Inquired about the ventilation standards contractors were using to assess the systems.</p> <p>Sarah Braunstein, an epidemiologist, shared an article from The Atlantic by Emily Oster that provides a compelling evidence base that schools, particularly elementary, are not super-spreaders. Low infection rates among students and staff. Strongly urged that in-person instruction be expanded.</p> <p>Amy Lawday thanks Sarah for the science and asked why it is taking so long for the school to reopen for 2nd-5th grade. Family in France and Britain and other places have kids in school, hard for me to explain to my child why she is not in school. ML thanked her for the comment and said it would be</p>

	<p>addressed at the LT meeting and in response to the updated survey data on Oct 23rd. JCC asked ML if the intention was to have all the upper grades return at once. ML said this was under discussion and a decision has not been taken.</p>

JCC noted outreach to parents to encourage socio-emotional report. Discussion of how these results compared to Brooklyn Prospect’s results.</p> <p>Governance committee: Met to discuss merger agreement, need for any additional Trustees. Conclusion was that no additional actions are needed at this time.</p>

<p>5. <i>Principals' Q&A</i></p>	<p>ECC reported on meeting with BPCS academic leadership meeting, aligning goals and observation tools. Met with Leadership Team to outline commitment. She discussed the attendance committee work and its expansion to focus on work completion in addition to attendance, which is strong. How can we better support families. Interim assessments have been started, aligned with BPCS. Reflected on staff climate survey and areas for improvement; survey will be administered twice more.</p> <p>Staff survey was conducted. One of three surveys of staff to be conducted across the year. ECC discussed areas of strength and weakness, and plans to address concerns about work-life balance. Ongoing commitment to DEI work with outside consultant Bari Katz.</p> <p>Families were polled about satisfaction with instruction and plans for remote or hybrid learning. 55% of families want hybrid and we are adding classes to accommodate them. Finally she discussed new hires and departures of staff.</p> <p>MC asked how ECC judged the assessments. ECC noted the challenging circumstances of the pandemic and said she hoped the observation goals would lead to staff feeling supported properly. ECC observed some staff are making difficult choices to stay home with family and keeping staff morale strong is important. MC agreed and complimented the work being done.</p>
<p>6. <i>ED Q&A</i></p>	<p>ML reiterated MN's observation that the school's finances remain strong; initial bonus payment was made in the Oct 31 payroll. Initial uncertainties have been clarified and we are confident ICS will see its funds returned so that financial resources are available as needed.</p> <p>ML reflected on the staff survey questions about work-life balance, noting this is a challenge for many employers and employees at this time. He mentioned the strong performance of 3rd and 4th graders on the Math Navigator assessments as a nice bit of positive news, reflecting the impact of the staff and the hard work of the students despite these challenges.</p> <p>SN asked ML to clarify the tenancy at 9 Hanover. ML confirmed the lease is in place through the end of the current school year and he is working with Brooklyn Prospect to address the space needs going into next year; Prospect is working through lease negotiations. ML emphasized the goal of bringing both groups of students together in one building. BP is also supporting discussion about how ICS might gain additional space in January if needed to support more hybrid instruction</p>
<p>7. <i>Other Business</i></p>	<p>none</p>
<p>8. <i>Public Comments</i></p>	<p>Ann Corpron. Asked about recent resignations of staff members and whether this was due to anxiety about in person teaching. Expressed her feelings that</p>

	<p>if it was a choice between in-person and staff resignations she would prefer to remain in remote instruction . MC acknowledged</p> <p>Lee Ian – Asked about sensors the school is ordering – what do they measure? Also asked about the water quality testing. MC said he would follow up.</p> <p>Peter Engel – Communication to the school as a whole hasn’t existed on this issue. We do not want to engage in conversations or say things are not true. Were there any concerns about quality of life at 9 Hanover. Did any teacher express concerns about the safety measures.</p> <p>Shamala Bennett – Second what Anna said. Asked if hybrid is being prioritized over remote and how will that affect parents who want to stay remote.
