# **Application: Buffalo United Charter School**

Jessie Montoya - jmontoya@nhaschools.com 2020-2021 Annual Report

## **Entry 1 School Info and Cover Page**

Completed Jul 30 2021

#### Instructions

#### **<u>Required of ALL Charter Schools</u>**

Each Annual Report begins with a completed School Information and Cover Page. The information is collected in a survey format within Annual Report portal. When entering information in the portal, some of the following items may not appear, depending on your authorizer and/or your responses to related items.

## **Entry 1 School Information and Cover Page**

(New schools that were not open for instruction for the 2020-2021 school year are not required to complete or submit an annual report this year).

Please be advised that you will need to complete this cover page (including signatures) <u>before</u> all of the other tasks assigned to you by your school's authorizer are visible on your task page. While completing this cover page task, please ensure that you select the correct authorizer **(as of June 30, 2021)** or you may not be assigned the correct tasks.

## **BASIC INFORMATION**

#### a. SCHOOL NAME

(Select name from the drop down menu)

BUFFALO UNITED CHARTER SCHOOL 140600860851

#### a1. Popular School Name

BUCS

#### b. CHARTER AUTHORIZER (As of June 30th, 2021)

Please select the correct authorizer as of June 30, 2021 or you may not be assigned the correct tasks.

SUNY BOARD OF TRUSTEES

#### c. DISTRICT / CSD OF LOCATION

**BUFFALO CITY SD** 

#### d. DATE OF INITIAL CHARTER

9/2002

#### e. DATE FIRST OPENED FOR INSTRUCTION

9/2003

#### h. SCHOOL WEB ADDRESS (URL)

## **Entry 3 Accountability Plan Progress Reports**

Completed Aug 16 2021

## Instructions

## **SUNY-Authorized Charter Schools ONLY**

SUNY-authorized charter schools must download an Accountability Plan Progress Report template at <u>Accountability Plan Progress Report template</u>. After completing, schools must upload the document into the SUNY Epicenter system by **August 16, 2021.** 

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

#### Buffalo United 2020-21 APPR

Filename: Buffalo United 2020 21 APPR.docx Size: 140.9 kB

## **Entry 4 - Audited Financial Statements**

Completed Nov 1 2021

#### **<u>Required of ALL Charter Schools</u>**

**ALL SUNY-authorized charter schools** must upload the financial statements in .pdf format into the SUNY Epicenter system no later than **November 1, 2021.** SUNY CSI will forward to NYSED CSO.

ALL Regents, NYCDOE, and Buffalo BOE authorized charter schools must upload final, audited financial statements to the <u>Annual Report Portal</u> no later than November 1, 2021. Upload the independent auditor's report, any advisory and/or management letter, and the internal controls report as one submission, combined into a .PDF file, ensuring that security features such as password protection are turned off.

# PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

## **Entry 4c - Additional Financial Documents**

**Incomplete** Hidden from applicant

<u>Instructions - Regents, NYCDOE and Buffalo BOE authorized schools</u> must upload financial documents in this section **by November 1, 2021**. The items listed below should be uploaded, with an

explanation if not applicable or available. For example, a "federal Single Audit was not required because the school did not expend federal funds of more than the \$750,000 Threshold."

- 1. Advisory and/or Management letter
- 2. Federal Single Audit
- 3. CSP Agreed-Upon Procedure Report
- 4. Evidence of Required Escrow Account for each school[1]
- 5. Corrective Action Plan for Audit Findings and Management Letter Recommendations

[1] Note: For BOR schools chartered or renewed after the 2017-2018 school year, the escrow account per school is \$100,000.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

## **Entry 4d - Financial Services Contact Information**

Incomplete Hidden from applicant

<u>Instructions</u>: Please enter the contact information for school staff, firms or other entities providing financial services to the education corporation by November 1, 2021.

## Entry 5 - Fiscal Year 2021-2022 Budget

Completed Jul 30 2021

<u>Instructions - Regents, NYCDOE, and Buffalo BOE authorized charter schools</u> should upload a copy of the school's FY21 Budget using the 2021-2022 <u>Projected Annual Budget template</u> in the portal or from the Annual Report website **by November 1, 2021**.

The assumptions column should be completed for all revenue and expense items unless the item is selfexplanatory. Where applicable, reference the page number or section in the application narrative that indicates the assumption being made. For instance, student enrollment would reference the applicable page number in Section I, C of the application narrative.

<u>Instructions - SUNY authorized charter schools</u> should download the <u>2021-2022 Budget and</u> <u>Quarterly Report Template</u> on the SUNY website or Epicenter and upload the completed template into the portal **by November 1, 2021**.

# PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

## Entry 6 - Board of Trustees Disclosure of Financial Interest Form

Completed Jul 30 2021

#### **Required of ALL Charter Schools by August 2**

Each member of the charter school's Board of Trustees who served on a charter school education corporation governing one or more charter schools for any period during the 2020-2021 school year must complete a signed:

- Regents, NYCDOE, and Buffalo BOE Authorized Schools: Disclosure of Financial Interest Form
- SUNY- Authorized Charter Schools: <u>SUNY Trustee Financial Disclosure Form</u>

All completed forms must be collected and uploaded in .PDF format for each individual member. If a trustee is not able or available to complete the form by the deadline, the education corporation is responsible for doing so on behalf of the trustee. (Forms completed from past years will not be accepted).

Trustees serving on an education corporation that governs more than one school are not required to complete a separate disclosure for each school governed by the **education** corporation. In the Disclosure of Financial Interest Form, trustees must disclose information relevant to any of the schools served by the governing education corporation. Note: Docusign is accepted.

Thank you.

## **Entry 8 Board Meeting Minutes**

#### **Instructions - Required of Regents, NYCDOE, and Buffalo BOE Authorized Schools ONLY**

Schools must upload a complete set of monthly board meeting minutes (July 2020-June 2021), which should match the number of meetings held during the 2020-2021 school year, as indicated in the above table. The minutes provided must be the final version approved by the school's Board of Trustees and may be uploaded individually or as one single combined file. Board meeting minutes must be submitted by August 2, 2021.

## **Entry 9 Enrollment & Retention**

Completed Jul 30 2021

Instructions for submitting Enrollment and Retention Efforts

**ALL charter schools must complete this section.** Describe the good faith efforts the charter school has made in 2020-2021 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2021-2022.

# Entry 9 Enrollment and Retention of Special Populations

### Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2020-2021 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2021-2022.

	Buffalo United Charter School understands the need to meet	

#### **Recruitment/Attraction Efforts Toward Meeting Targets**

the enrollment and retention targets for the student subgroups identified by SUNY Trustees, including students who are eligible to participate in the free or reduced-price lunch program (FRL). Currently, the school is meeting the enrollment targets for students who are eligible for FRL.

We have taken significant steps to increase our enrollment and retention efforts for all students. and specifically for students who are eligible for the FRL program and students with disabilities. Data collected from surveys and exit interviews clearly showed that the lack of transportation was a major barrier for families to enroll their children at BUCS. To increase accessibility for students and their families, the Board, by resolution, requested that transportation services be provided to all eligible students. In 2020, the Board, NHA, and BUCS staff worked with the appropriate public-school districts to secure transportation services for all eligible students beginning in the 2020-2021 school year. We expected that this would be an excellent incentive for parents interested in enrolling their child at BUCS. To support transportation needs and operations, a transportation liaison position was also created. This individual worked with parents if they had transportation issues with the Buffalo Public Schools and/or any other district provider.

In addition to transportation services as a strategy to improve our recruitment and enrollment efforts, BUCS participated in the Buffalo Charter School Common Application. The common application is a collective effort to improve the recruitment of students with other charter schools in the Buffalo area. We anticipated that by embarking on this comprehensive recruitment campaign across the city, we would increase our applications to the school and improve our enrollment of all students including students who are eligible for the FRL program, students with disabilities, and ELLs.

For the 2020-21 recruitment season, initial recruitment activities were guided by COVID-19 restrictions. Many of the school's normal activities and events were modified to provide information virtually or through the mail.

Buffalo United had a full time Admissions Representative who was tasked with building relationships with support organizations to gain familiarity with the services they provide. The school can also provide assistance with resources to reduce barriers for attendance (i.e., uniforms). Monica Perez-Bossert, BUCS' on-site admissions representative, was directly responsible for overseeing and executing BUCS'

With COVID-19 restrictions eased, we will be expanding our community outreach to reflect the new areas we can now target with the new transportation marketing and outreach efforts, and for keeping a log in NHA's CRM system of all activities with community groups seen as likely assets in this process.

Ms. Perez-Bossert collaborated with, and received support from, a team of admissions and marketing professionals at NHA's Service Center. Together they provided a multi-departmental approach to recruitment and onboarding new students that included traditional and digital advertising, social media, lead management, recruitment events, and comprehensive communications outreach to new families. BUCS' marketing and admissions efforts target families with children ages 4-13 who live in the Buffalo school district and surrounding districts, including Cheektowaga and Amherst.

In summer of 2019, a comprehensive marketing campaign was launched to promote the services of the school throughout the Buffalo area, reaching new markets through television, radio, billboard, and direct mail. The school utilized a comprehensive marketing approach of grassroots activities, traditional advertising, and digital marketing to effectively disseminate information throughout the community to all populations. Grassroots activities included reaching out to area businesses, daycares, UPK providers, faithbased organizations, and civic

initiative. Marketing materials that specifically promote the availability of transportation will be distributed to community partners who serve special populations such as Journey's End Refugee Services, Family Justice Center, Catholic Charities, and other neighborhood groups. Because the online meetings that were implemented during the pandemic improved access to information for all families, we will continue to offer informational sessions online and grow our library of informational videos available on our YouTube channel.

#### Economically Disadvantaged

groups. Frequent mailers were also sent to interested families with meeting invitations and school information. Direct mail was sent to targeted neighborhoods. Monthly mailings were sent to parents to share activities and learning tools. Digital marketing included Facebook, Great Schools, and Google AdWords. There was increased virtual outreach to parents with events such as Facebook Live presentations, virtual principal coffees, activities, and demonstrations shared with parents electronically. The school also provided regular opportunities for parents to meet with school leadership and teachers to see the school including open houses, tours, meetings, and activities. The school held regular open house days weekly to provide all interested families an opportunity to visit the school and learn of the programs available. These were promoted throughout the Buffalo United community and a link to schedule tours is posted on the school's website.

All special population students (FRL, EL, and SWD) were made aware of our school's programs through open meetings during the year. The school's parent meetings clearly indicated that the school offered a free and appropriate education (FAPE) to all students in the Least Restrictive Environment. We will continue to monitor the efficacy of our special population recruitment and enrollment efforts by carefully tracking student enrollment numbers. Using our robust data warehouse, BUCS collects detailed information on trends in at-risk populations, reports to the Board on enrollment trends, and assists in the adjustment of our marketing strategy, as needed, to ensure that parents of these children know that BUCS is dedicated to serving their children's needs.

**Buffalo United Charter School** understands the need to meet the enrollment and retention targets for the student subgroups identified by SUNY Trustees, including English Language Learners (ELL). While progress has been made, we are not yet meeting our enrollment targets for ELL students. Throughout the last charter contract term, BUCS' ELL enrollment grew from two students to 23 students. The school had 48 ELL students enrolled for the 2020-21 school year. In addition to the general recruitment efforts BUCS has made mentioned above, we have made efforts to specifically attract and recruit ELL students as outlined below.

Buffalo United's full-time Admissions Representative is fluent in Spanish and provides translation services for Spanishspeaking families. Advertisements and notifications have been placed in Periodico Panorama Hispano and Am-Pol Eagle. These advertisements specifically mentioned that the school provides services to students for whom English is their second language. Marketing materials that describe general school information and EL & Special Education programs were made available in English and Spanish, and other languages as requested. An online tour scheduling system was made available, and parents were able to request translation services.

Fliers were distributed in Polish, Burmese, Spanish, Bengali, Arabic, and English to families throughout the community. Distribution sites included daycare centers, grocery stores, community centers, and churches. These fliers invited families to attend Enrollment Information Meetings. Multiple **Enrollment Information Meetings** were hosted for all parents interested in the school to provide information regarding the EL program and its ability to meet the needs of EL students. Student applications were also provided in several languages including Arabic, Bengali, Chinese, English, Haitian Creole, Italian, Korean, Polish, Russian, Spanish, and Urdu.

The school also developed effective relationships with civic organizations and CAOs to provide resources for the families it serves. BUCS has developed The school provided ELL families with specific English Language Development (ELD) strategies to help their children in school. The school is planning to create a focus group of current ELL families to develop parent ambassadors to leverage wordof-mouth advertising within our communities and provide introductions to new community partners. We are also working with our current families to help better understand their needs and how we can better support them. We have increased to seven different languages and 67 students whose home language is something other than English.

Also, a BUCS parent has been appointed to the Board of Directors and an equity group is being formed to help better understand other cultures and make families feel more welcome.

#### English Language Learners

partnerships with various community organizations that serve the ELL population, including the Hispanic Heritage Council, the Burmese Community Center, and Journey's End Refuge Services. BUCS worked with these community partners to support their changing outreach during the pandemic. Typically, the school regularly participates in community heritage festivals, including Juneteenth and the Hispanic festival. This recruitment season, many of the community events that BUCS would normally participate in were not held in-person due to the pandemic. However, we were still able to provide information for the virtual Juneteenth events. In addition, we provided Kindergarten material for area Head Starts that was distributed to the PreK students in their programs.

We will continue to monitor the efficacy of our special population recruitment and enrollment efforts by carefully tracking student enrollment numbers. Using our robust data warehouse, BUCS collects detailed information on trends in at-risk populations, reports to the Board on enrollment trends, and assists in the adjustment of our marketing strategy, as needed, to ensure that parents of these children know that BUCS is dedicated to serving their children's needs.

Buffalo United Charter School understands the need to meet the enrollment and retention targets for the student subgroups identified by SUNY Trustees, including Students with Disabilities (SWD). While progress has been made, we are not yet meeting our enrollment targets for SWD students. The school had 75 SWD students enrolled for the 2020-21 school year. We have made efforts to specifically attract and recruit SWD as outlined below.

Brochures that describe our special education programming have been distributed throughout the community. We have targeted daycare centers, grocery stores, community centers, and churches to invite families to attend Enrollment Information Meetings. Enrollment applications were also distributed at local events. To reach the families of special needs students, we utilize many networks that already exist in the community such as the Community Center for the Developmentally Disabled, Gerard Place, Community Access Services, and CSUNY Counseling Services of Upstate New York.

Advertisements on Facebook informed people that the school offered services for special needs families. School enrollment information and admissions materials specific to Special Education programs were provided in various languages. BUCS' admissions representative will continue to build relationships with support organizations to gain familiarity with the services they provide, such as Child and Family Services, Catholic Charities, and local medical services. This will The school provided free transportation through Buffalo Public Schools, which expanded access to the school.

All special population students (FRL, ELL, and SWD) are made aware of our school's programs through open meetings during the year. The school's parent meetings clearly indicate that we offer a free and appropriate education (FAPE) to all our students in the least restrictive environment. Furthermore, the school has an established relationship with the Committee for Special Education (CSE) for children under its purview and has made materials and applications to BUCS available for distribution to interested parents. We invite parents to meet with the school's special education team and the CSE to develop an individual education plan (IEP) for the child or to work within the parameters of the plan already in place from the child's previous school.

In response to increased student enrollment and a 12:1+1 ratio mandated on student IEPs, the school established two special classrooms to accommodate this during the 2020-21 school year. This expansion in special education programming offers a greater continuum of services and provides opportunity for increased student applications and retention.

We will continue to monitor the

help us recommend their support services to the families of accepted or interested students. It will also familiarize these organizations with our school and special education program so that they can recommend our school to the families they serve. We know that most families hear about our school by word-ofmouth, and we believe that a relationship with these organizations lays the groundwork for informal communications and referrals. In addition, we will continue to work with these organizations to distribute information about our school, our special education program, and our enrollment procedures.

#### Students with Disabilities

efficacy of our special population recruitment and enrollment efforts by carefully tracking student enrollment numbers. Using our robust data warehouse, BUCS collects detailed information on trends in at-risk populations, reports to the Board on enrollment trends, and assists in the adjustment of our marketing strategy, as needed, to ensure that parents of these children know that BUCS is dedicated to serving their children's needs.

#### **Retention Efforts Toward Meeting Targets**

We believe several core elements of our school culture function as linchpins of our recruitment and retention strategy for special population students. These elements include the high-quality educational program that we provide, the caring culture that we have established, and our many parent-involvement initiatives. • Culture and climate: BUCS has a school climate and culture that focus purposefully on caring for each student as a family cares for its children. We believe our school-wide behavior and classroom management practices - which we refer to as Behave with Care - help attract and retain special needs students. Our Behave with Care program is built on research-
program is built on research-

based programs for reinforcing positive behaviors, setting clear expectations, and building teacher-student relationships and peer relationships. • Parent involvement: To ensure that our families feel connected to the school, we have implemented several parent involvement strategies, including: o Newsletters: We distribute regular newsletters from the principal and teachers to parents. Newsletters include important information regarding school-wide performance, initiatives, and programs. o Social media: We have an excellent website, which gives parents quick and easy access to general information on the school. In addition, we make cautious, appropriate use of Facebook and other social media sites to form connections between school leaders and parents. Parents without access to the internet can use the computer and internet access available at the school. o Classroom communication: Teachers frequently send home communications for parents so that they know about everything from weekly schedules to educational goals for students. Teachers also share information via daily take-home folders and provide regular progress reports by letter, online communication via the school's gradebook system, phone calls, texts, and/or in-person meetings. These communications focus on each

The school is currently meeting its FRL Retention Target with a 98.7% retention rate. The school will continue to utilize the aforementioned retention efforts in the upcoming school year. In addition to normal retention efforts, a parent has also been appointed to the Board of Directors and an equity group is being formed to help better understand other cultures and make families feel more welcome.

#### Economically Disadvantaged

student's academic progress and performance. o Conferences: Parent-teacher conferences are conducted twice each year. These conferences ensure that dedicated time is set aside for each parent to engage and interact with classroom teachers and discuss the progress of his or her child. As needed, staff may also conduct home visits. Each year, we conduct a family orientation at the end of the summer so new and enrolled families can meet the principal, their child's teacher and classmates, and other school staff. We believe these early contacts help establish and sustain a healthy rapport with parents. o The principal conducted weekly virtual meetings for the parents from March 2020 through June of 2021. To help BUCS retain accepted The school will continue to students, and to comply with implement the aforementioned federal requirements to identify retention strategies throughout potential ELL students, BUCS has the upcoming school year. In asked families of ELL students to addition, the school will begin complete a home language utilizing a language line to better questionnaire. Information from facilitate communication with our this questionnaire ensures that EL families. This language line each child for whom English is a allows us to access an interpreter second language is provided the for any meeting or phone call services he or she needs to with no prior notice. If a parent succeed in school. calls with a question, we can call Buffalo United's staff have the language line to have a clear participated in professional and better conversation. development to provide staff

to better meet the needs of their

participating in ongoing coaching provided by an EL Specialist throughout the academic year. Coaching topics focus on evidence-based teaching methods and best practices for making content accessible to English Learners. Each EL family had one staff member who checked on them weekly throughout the pandemic to ensure they had what they needed.

A major key to student retention is effective communication and relationship building with all stakeholders. There are multiple points throughout the year that Buffalo United keeps families informed and solicits feedback to improve. The dean of special education schedules individual transfer review meetings to take place within 72 hours of enrollment with the parents of every student that enters the school with an IEP. In this meeting, the dean reviews the program mandates, needs, and implementation plan for services. Parents are encouraged to bring input (questions, concerns, etc.) to this meeting to ensure a strong initial connection is made with these families and that their needs are immediately addressed. This connection continues to be built up throughout the year through additional communication measures such as quarterly IEP progress reports. In addition, parents are also invited at least

how we can better support them. We have increased to seven different languages and 67 students whose home language is something other than English.

Also, a BUCS parent has been appointed to the Board of Directors and an equity group is being formed to help better understand other cultures and make families feel more welcome.

The school will continue to implement the aforementioned retention strategies throughout the upcoming school year. We are working with our current families to help better understand their needs and how we can better support them. Also, a BUCS parent has been appointed to the Board of Directors and an equity group is

#### Students with Disabilities

once a year for an IEP review with the full IEP team. They are invited initially with a letter about a month before the meeting and then again are called by the special education teacher between a week and a day before as a reminder. Along with the invitation letter, the special education dean also sends a parent input form (which can also be completed virtually) to help parents prepare for the review meeting and gather information from home. Following the meetings, parents are provided a post-IEP survey (which can also be completed virtually) so that the deans can gather data to reflect and make improvements utilizing this feedback.

being formed to help better understand other cultures and make families feel more welcome.

## **Entry 10 - Teacher and Administrator Attrition**

Completed Jul 30 2021

## Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

#### A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees<sup>[1]</sup> receive clearance through <u>the NYSED Office</u> of School Personnel Review and Accountability (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, or related/contracted service providers**. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is <u>not</u> employed by the school.

[1] Employees that must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers. See NYSED memorandum dated October 1, 2019 at

<u>http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf</u> or visit the NYSED website at: <u>http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html</u> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

#### **B. Emergency Conditional Clearances**

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must simultaneously request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates <u>automatically</u> once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at

http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf.

#### **Attestation**

#### **Responses Selected:**

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

## **Entry 11 Percent of Uncertified Teachers**

Incomplete Hidden from applicant

#### Instructions

#### **Required of Regents, NYCDOE, and Buffalo BOE Authorized Charter Schools ONLY**

The table below reflects the information collected through the online portal for compliance with New York State Education Law 2854(3)(a-1) for teaching staff qualifications. Uncertified teachers are those not certified pursuant to the State Certification Requirements established by the NYSED Commissioner of Education.

Enter the relevant full-time equivalent (FTE) count of teachers in each column. For example, a school with 20 full-time teachers and 5 half-time teachers would have an FTE count of 22.5.

#### **Required of Regents, NYCDOE, and Buffalo BOE Authorized Charter Schools**

The table below reflects the information collected through the online portal for compliance with New York State Education Law 2854(3)(a-1) for teaching staff qualifications. Uncertified teachers are those not certified pursuant to the State Certification Requirements established by the NYSED Commissioner of Education. Enter the relevant full-time equivalent (FTE) count of teachers in each column. For example, a school with 20 full-time teachers and 5 half-time teachers would have an FTE count of 22.5.

If more than one line applies to a teacher, please include in only one FTE uncertified category. Please do not include paraprofessionals, such as teacher aides.

#### CATEGORY A. 30% OR 5 UNCERTIFIED TEACHERS WHICHEVER IS LESS

	FTE Count
<ul> <li>i. FTE count of uncertified teacher with at least three years of elementary, middle or secondary classroom teaching experience (as of June 30, 2021)</li> </ul>	
<ul><li>ii. FTE count of uncertified teachers who are tenured or tenure track college faculty (as of June 30, 2021)</li></ul>	
<ul><li>iii. FTE count of uncertified teachers with two years</li><li>of Teach for America experience (as of June 30,</li><li>2021)</li></ul>	
iv. FTE count of uncertified teachers with exceptional business, professional, artistic, athletic, or military experience (as June 30, 2021)	
Total Category A: 5 or 30% whichever is less	0

# CATEGORY B. PLUS FIVE UNCERTIFIED TEACHERS IN MATHEMATICS, SCIENCE, COMPUTER SCIENCE, TECHNOLOGY OR CAREER AND TECHNICAL EDUCATION.

	FTE Count
i. FTE count of uncertified teacher with at least three years of elementary, middle or secondary classroom teaching experience (as of June 30, 2021)	
ii. FTE count of uncertified teachers who are tenured or tenure track college faculty (as of June 30, 2021)	
<ul><li>iii. FTE count of uncertified teachers with two years of Teach for America experience (as of June 30, 2021)</li></ul>	
iv. FTE count of uncertified teachers with exceptional business, professional, artistic, athletic, or military experience (as June 30, 2021)	
Total Category B: not to exceed 5	0

#### **CATEGORY C: PLUS 5 ADDITIONAL UNCERTIFIED TEACHERS**

	FTE Count
i. FTE count of uncertified teacher with at least three years of elementary, middle or secondary classroom teaching experience (as of June 30, 2021)	
ii. FTE count of uncertified teachers who are tenured or tenure track college faculty (as of June 30, 2021)	
<ul><li>iii. FTE count of uncertified teachers with two years of Teach for America experience (as of June 30, 2021)</li></ul>	
iv. FTE count of uncertified teachers with exceptional business, professional, artistic, athletic, or military experience (as June 30, 2021)	
Total Category C: not to exceed 5	0

#### CATEGORY D: TOTAL FTE COUNT OF <u>UNCATEGORIZED</u>, <u>UNCERTIFIED</u> TEACHERS

(Include teachers who do not fit in one of these categories or if did fit would exceed the numerical limits for that category)

	FTE Count
Total Category D	

#### **CATEGORY E: TOTAL FTE COUNT OF <u>CERTIFIED</u> TEACHERS**

	FTE Count
Total Category E	

#### **CATEGORY F: TOTAL FTE COUNT OF ALL TEACHERS**

Please do not include paraprofessionals, such as teacher aides.

	FTE Count
Total Category F	

Thank you.

## **Entry 12 Organization Chart**

Incomplete Hidden from applicant

Instructions

#### **Required of Regents, NYCDOE, and Buffalo BOE Authorized Charter Schools ONLY**

Upload the 2020-2021 **Organization Chart.** The organization chart should include position titles and reporting relationships. Employee names should not appear on the chart

## **Entry 13 School Calendar**

Completed Sep 14 2021

Instructions for submitting School Calendar

#### **Required of ALL Charter Schools**

Given these uncertain and changing times, charter schools may or may not have a school calendar ready to upload by the submission deadline this year of August 2, 2021. If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 2<sup>nd</sup> submission. Charter schools will be able to upload an updated school calendar into the portal at any time but no later than **September 15, 2021**.

School calendars must meet the <u>minimum instructional requirements</u> as required of other public schools "... unless the school's charter requires more instructional time than is required under the regulations."

Board of Regents-authorized charter schools are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month.

# PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

#### **Buffalo United 2021-22 FINAL Calendar**

Filename: Buffalo United 2021 22 FINAL Calendar.pdf Size: 241.2 kB

# **Entry 14 Links to Critical Documents on School Website**

Completed Jul 30 2021

### Instructions

### **<u>Required of Regents, NYCDOE, and Buffalo BOE Authorized Charter Schools ONLY</u>**

By law, each charter school is required to maintain certain notices and policies listed on its website. Please insert the link from the school's website for each of the items:

- 1. Most recently filed Annual Report (i.e., 2019-2020 Annual Report);
- 2. Most recent board meeting notice, documents to be discussed at the meeting (if any), and webcast of Board meetings (if held virtually per Governor's Executive Order);
- 3. Link to New York State School Report Card;
- 4. Lottery Notice announcing date of lottery;
- 5. Authorizer-approved DASA Policy;
- 6. District-wide safety plan and Authorizer-approved Discipline Policy (as per August 29, 2019 <u>Emergency Response Plan Memo</u>);
- 7. Authorizer-approved FOIL Policy; and
- 8. Subject matter list of FOIL records.
- 9. Link to School Reopening Plan

# 2020-21 ACCOUNTABILITY PLAN PROGRESS REPORT

Submitted to the SUNY Charter Schools Institute on:

August 15, 2021

By: Buffalo United Charter School Board of Trustees 325 Manhattan Avenue Buffalo, NY 14214

716-835-9862

National Heritage Academies (NHA) prepared this 2020-21 Accountability Progress Report on behalf of the school's board of trustees:

	Board	d Position
Trustee's Name	Office (e.g. chair, treasurer,	committees (e.g. finance,
	secretary)	executive)
		Compliant Committee
Andrew Freedman	President	Planning Task Force Committee
		Education Committee
		Compliance Committee
		Personnel Committee
Kim DeJesus	Vice President	Planning Task Force Committee
		Scholarship Committee
		Education Committee
		Education Committee
Robert Lowery	Treasurer	Wrap-Around Services Committee
		Finance Committee
Kathy Wood	Socratary	Personnel Committee
Kathy Wood	Secretary	Education Committee
Ashia Martin	Trustee	Education Committee
	riustee	Wrap-Around Services Committee

Teresa Gerchman has served as the principal since May 2019.

## SCHOOL OVERVIEW

Buffalo United Charter School (Buffalo United or BUCS) opened in the fall of 2003. We started by serving 234 students in grades K-4. We currently serve 639 students in grades K-8, of whom 95 percent qualify for free and reduced-price lunch.

Our mission is to offer families and students a public charter school that focuses on high academic achievement and instills a sense of family, community, and leadership in all our students. Since 2003 our mission has never wavered, and we remain faithful to our key design elements:

- <u>Academic Excellence.</u> We believe a high-quality K-8 education sets the critical foundation for a student's success in high school, college, and beyond. Achievement may look different for each individual student, but our goal is to prepare every child for college. Buffalo United has implemented many different initiatives to drive academic improvement. As a result of these initiatives, we have seen an increase in Buffalo United's academic performance. We will continue on our path for improvement in the 2021-22 school year.
- <u>Strong Parent Relationships.</u> We are committed to fostering strong partnerships with parents. Parents are encouraged to make a voluntary commitment at the beginning of each school year to a parent-student-teacher compact that affirms support for Buffalo United's mission, vision, policies, and activities. We actively engage parents in their children's learning and have an "open door" policy where parents are welcome in the school at any time.
- <u>Accountability</u>. Buffalo United staff, students, and parents are responsible for their actions and results. We understand that it is essential for all three groups to work together to ensure students' educational success.
  - Staff: Our staff understands that student learning is an adult responsibility, and leadership and staff are committed to creating a scholarly environment by setting high expectations for instruction to ensure that our students are college-ready. Multiple data points are collected and analyzed to monitor the quality of the educational program at the school level, grade level, and student level. This enables us, to hold teachers accountable for student learning results.
  - Students: A critical component of the parent-teacher-child partnership is the role the child plays in his or her academic success. From kindergarten through the 8th grade, Buffalo United students are taught to act responsibly and take accountability for their actions, both positive and negative.
  - Parents: We encourage parents and families to be involved in their child's education because we recognize that parental involvement is a key indicator of student success. We work purposely to involve parents in their child's education because it is crucial to maintaining the school culture we desire.

The COVID-19 pandemic required immediate transition to an entirely new model of teaching and learning. BUCS' commitment to broad school improvement remained apparent throughout our response. Key facets of our pandemic response included:

• We initially focused on standards and skills crucial to success and suitable for remote learning in structured, guided, and accessible learning opportunities for all students.

- In the spring of 2020, we surveyed families for information on home technology access. We gave families 293 Chromebooks and provided several families internet "hotspots." Families also can receive tech support from a designated BUCS educator as well as NHA's tech support team. For the 2020-21 school year, BUCS went to 1:1 technology.
- We identified four overriding priorities: *access* for all students; *consistency* in instruction; *simplicity* (to support parents' new involvement); and *accountability*.
- Students received printed materials for the rest of the school year, which supplemented teachers' remote instruction. Teachers also received many digital tools to use as needed and appropriate. All teachers already had created Google Classrooms when school first closed, and they used that environment to generate lessons and lesson plans. Teachers also sent written learning plans weekly to students' homes.
- We monitored and checked for growth for all students using i-Ready assessments.
- We sent home a grade-level expectations test focused on priority standards for grades K-7.
- Special education students and at-risk students received the same learning opportunities as all other students received; they also received learning activities and services in accordance with IEPs. BUCS also continued to provide intervention support services.
- To track engagement, teachers logged student contacts weekly. Google Classroom login and participation data also helped track engagement. Attendance was tracked using completed tasks, family reports, and activity on Google Classroom and other websites.
- New training materials and PD helped teachers adapt to the new approach to instruction.
- Teachers began sharing weekly instructional plans with families. Communications with families were intensified and streamlined, with one teacher serving as a single point of family contact and responding to messages within 24 hours.
- Food service continued providing food to families that need it.

To sustain students' and families' social, mental, and emotional health, BUCS implemented daily 30minute morning restorative circles for every class whether it was conducted virtually or in-person. Staff received training from Erie 1 BOCES to ensure restorative circles were effective. To build on this practice, Bestself has been hired to conduct the enrichment piece of BUCS' summer program. In addition, parent meetings still take place to ensure families have what they need for their student to be successful.

From the remote learning experience, BUCS has taken many lessons:

- Educators confirmed the importance of building and sustaining a strong ongoing connection with parents and families. The challenges of remote learning make parental involvement and engagement more critical than ever. As parental engagement deepened, the families we serve grew closer than ever to the school and its educators. Some parents are more involved than others, but the entire spectrum has moved closer.
- We learned we should be regularly using Google Classroom with all grades, so all students and teachers know how to use it. Before school closures began, BUCS was using this tool in middle school, so those students adapted more easily to increased use of it. Students and teachers in lower grades had a steeper learning curve. We plan to use this tool at all grade levels regardless of how much we rely on remote learning. A key advantage we expect in any instructional model is the tool's ability to have children who are absent from school continue doing classwork.

- We learned we should be more clear, thorough, and proactive in explaining i-Ready to students and parents. When parents know how to use this tool and why it is valuable, it is used more effectively, and its benefits to teaching and learning increase.
- We affirmed the importance of flexibility in implementing remote learning, which is still new to students, parents, teachers, and school leaders. Teachers have made allowances for students who, for different valid reasons, have needed to modify their participation in remote learning activities.

These lessons have formed some of the improvement efforts BUCS plans to implement moving forward. For example, all teachers had Google Classrooms for use throughout the 2020-21 school year to give students assignments and receive work that students use their Chromebooks to complete. Experiences with Google Classroom in remote learning clearly show that this can be a powerful tool for teaching and learning in a traditional classroom as well as a remote learning environment. BUCS will continue efforts to implement remote learning strategies and adapt them to the traditional in-school learning environment for the 2021-22 school year.

In subsequent sections of this accountability plan progress report, there are, under each specific subject area, action plans that detail efforts to help BUCS improve its performance. These actions are part of a larger school-wide improvement effort that BUCS and NHA have begun with the active collaboration of the Board. Significant improvements were made at the school in 2019-20 and many of these improvements continued in the 2020-21 school year. Since some of our initial improvement efforts needed to be adjusted to conform to a remote learning environment, we plan to reinforce those efforts in the 2021-22 school year. BUCS' improvement efforts continue to focus on increasing achievement in English language arts (ELA), math and science. This goal is being supported in several ways. Some examples include: implementation of a new curriculum tailored for New York State standards; professional development to support the successful implementation of the new curricular tools; a continued focus on data analysis; supports for struggling students. Highlights of these school-wide improvement efforts are as follows:

<u>Data-driven instruction</u>: BUCS has improved its use of assessment data in evaluating student and educator performance, supporting student needs, driving professional development for leaders and teachers, and helping teachers adjust instruction in real time.

<u>Curriculum and tools</u>: The school has transitioned to curricular tools that align well with New York's NextGen standards. BUCS has identified opportunities to improve material alignment and continues to promptly make refinements as needed.

<u>Professional development</u>: BUCS and NHA's C&I team have worked on a plan for the ongoing coaching and PD that C&I will offer to support instructional execution at BUCS. The plan's priorities are helping the school implement and sustain its systems, scheduling and time structures, management structures, instructional structures, and its new curriculum, especially in ELA and math.

PD will be offered during summer and through ongoing initiatives throughout the school year through both in-person visits and video-based remote interactions. This support will be provided in a continuous cycle of four elements:

- Develop teachers and deans: This support will focus on structures, systems, unit "unpacking," lesson preparation, and teaching.
- *Enact and observe:* Teachers will implement what they learn in their classrooms. Deans and C&I specialists will observe.
- *Plan coaching conversations:* Deans and C&I professionals will plan coaching conversations around key levers and bite-sized action steps. Coaching conversations will include emphasis on an identified teacher strength followed by an identified area of improvement opportunity.
- *Debrief and coach:* Each Dean and participating C&I consultant(s) will debrief on their observations and renew the coaching cycle around specific action steps for the teacher.

Five different C&I specialists have been designated to provide this support in ELA, ELA intervention, math, and school culture.

<u>Assessments:</u> BUCS teachers used aligned NHA-provided assessments and created other formative assessments and homework aligned to the state's standards and expectations of rigor as needed. Teacher-created formative assessments and homework for math and ELA reflected the breadth and depth of state test questions. The provided curriculum materials that were implemented in 2020-21 now include more assessments that meet expectations of alignment. NHA and BUCS also worked together to redesign the school's assessments and change how the school uses the data to drive school improvement.

<u>Supports for struggling students</u>: In the 2020-21 school year, BUCS changed a response-tointervention (RTI) approach to an intervention model based on a multi-tier system of supports (MTSS). This model is rooted in RTI concept, but it is more proactive, emphasizes early intervention, addresses both behavioral and academic concerns, and worked to overcome systemic barriers that both students and teachers face in pursuit of learning. BUCS will screen *all* students under this system, and MTSS will improve remediation and intervention both in traditional in-school learning and in remote learning. BUCS will use this approach to support students who needed help both before the school was forced to adopt remote learning along with students whose needs became apparent during remote learning.

<u>Behavior management</u>: BUCS will continue the new approach to behavior management rooted in restorative discipline, a proactive and preventive approach to behavior management that had been adopted in 2019-20. This approach reduces emphasis on punishment; instead, it prioritizes strengthening relationships for individuals at the center of behavior issues. In-school professional development sessions helped us launch this effort. A core value of this initiative is strengthening the connection between our responses to disciplinary issues and students' social and emotional well-being.

# GOAL 1: ENGLISH LANGUAGE ARTS

## ELEMENTARY AND MIDDLE ENGLISH LANGUAGE ARTS

#### Goal 1: English Language Arts

Students will be proficient readers and writers of the English language.

#### BACKGROUND

In mid-March 2020, due to the COVID pandemic, BUCS began a transition to remote learning that started almost overnight and that forced NHA and BUCS to create a whole new setting for instruction. BUCS' goal for remote learning was reinforcing and introducing standards and skills that are critical to academic success and that can be delivered effectively via remote learning in structured, guided, and accessible learning opportunities for all students. Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely. At the beginning of the 2020-21 school year, BUCS operated remotely. In January 2021, the school began to offer in-person instruction (K-5 offered full in-person instruction and 6-8 offered a hybrid model to its students). BUCS still offered families a virtual option if they were not comfortable returning to the school. Sixth grade students moved to five day in-person in March 2021.

Our remote learning plan included opportunities to connect with students and families, provide physical and digital resources, and create and implement essential new professional development programs for staff. To connect with families, teachers conducted Google LIVE meetings, offered daily office hours, and made weekly contact via phone or email with students and families. Students were physically mailed printed academic packets, and a weekly learning plan was shared by teachers via Class Dojo or Google Classroom that included live links for instructional videos and instructional programs to support learning. Lesson videos were also provided for students and families to provide deeper understanding. Staff was provided access to a Home Learning site which

houses resources to support remote learning as well as professional development on recording and posting a video and creating and leading a live video. In addition, deans held weekly one-on-one meetings with their teachers to review expectations, ensure student participation, review weekly learning plans, and provide feedback.

#### **METHOD**

Buffalo United administered the i-Ready reading diagnostic to students in third through eighth grade in the fall, winter, and spring of 2020-21 to measure student growth and achievement throughout the school year. After students complete their first diagnostic in the fall, i-Ready generates a Typical Growth measure for each student and places the student in one of five placement levels. I-Ready then measures each student's progress toward their Typical Growth goal and updates their placement level after the winter and spring diagnostic assessments.

During 2020-21, the school(s) primarily used the following exam to assess student growth and achievement in ELA: i-Ready

#### **RESULTS AND EVALUATION**

**Measure 1:** Each year, the school's median percent progress to Annual Typical Growth of 3<sup>rd</sup> through 8<sup>th</sup> grade students will be equal to or greater than 100%.

In 2020-21, from fall to spring, the median percent progress toward Annual Typical Growth of all students at Buffalo United was 125% in reading. Therefore, **this measure was met**, exceeding the target by 25 percentage points.

Students in grades 6-8 showed the most progress towards meeting their spring growth target, with very positive results in eighth grade.

End of Year Growth on 2020-21 i-Ready ELA Assessment By All Students							
	Grades	Median Percent of Annual Typical Growth	Number Tested				
	3	36%	63				
	4	90%	77				
	5	69%	59				
	6	163%	64				
	7	197%	64				
	8	306%	55				
	All	125%	382				

**Measure 2:** Each year, the school's median percent progress toward Annual Typical Growth of all third through eighth grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.

In 2020-21, from fall to spring, the median percent progress toward Annual Typical Growth of students at Buffalo United who were two or more grade levels below in the fall was 176% in reading. Therefore, **this measure was met**, exceeding the target by 76 percentage points.

Students in grades 6-8 showed the most progress towards meeting their spring Typical Growth target, with very positive results in eighth grade. Students in fourth grade also showed a lot of progress in meeting their spring Typical Growth goal.

End of Year Growth on 2020-21 i-Ready ELA Assessment								
By Students	By Students who were Two or More Grade Levels below in the Fall							
	Grades	Median Percent of Annual Typical Growth	Number Tested					
	3	85%	26					
	4	164%	21					
	5	62%	38					
	6	199%	50					
	7	224%	33					
	8	345%	32					
	All	176%	200					

**Measure 3:** Each year, the median percent progress to Annual Typical Growth of third through eighth grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of third through eighth grade general education students at the school.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of students with disabilities was 90% in reading. Therefore, **this measure was not met**, falling short of the target by 35 percentage points. At the grade level, this measure was met in third grade.

End of Year Growth on 2020-21 i-Ready ELA Assessment By Students with Disabilities						
	Grades	Median Percent of Annual Typical Growth	Number Tested			
	3	69%	10			
	4	81%	12			
	5	0%	6			
	6	95%	10			
	7	175%	8			
	8	220%	10			
	All	90%	56			

**Measure 4:** Each year, 75% of third through eighth grade students enrolled in at least their second year at the school will score at the *mid on-grade level* or above scale score for the year-end assessment.

In the Spring of 2020-21, 17 percent of third through eighth grade students enrolled in at least their second year at Buffalo United scored at the mid on-grade level or above scale score for the yearend assessment. This was below the target of 75 percent, therefore **the measure was not met**.

End of Year Performance on 2020-21 I-Ready ELA Assessment								
By All Students and Students Enrolled in At Least Their Second Year								
	All Students		east their Second ′ear					
Grades	Percent Mid- On Grade Level or Above	Number Tested	Percent Mid- On Grade Level or Above	Number Tested				
3	13%	63	12%	43				
4	16%	77	16%	58				
5	7%	59	8%	50				
6	11%	64	6%	47				
7	26%	66	28%	53				
8	35%	55	30%	43				
All	17%	384	17%	294				

Students in seventh and eighth grade showed the most positive results.

#### ADDITIONAL CONTEXT AND EVIDENCE

BUCS initially had concerns with the validity of the fall i-Ready assessment results. Since students were taking the assessment remotely, teachers were unable to monitor students to explain that it is an adaptive assessment. This caused a lack of understanding with new parents. In addition, students were simply absent and did not take the assessment.

BUCS held parent meetings to share background information about the i-Ready assessment to give parents a better understanding of the assessment itself and what it measures. Data from the assessment was also shared with parents during parent-teacher conferences to allow for a better understanding as well. This, along with the utilization of Blocksi, allowed for truer results on assessments taken later in the school year. In addition, if a student was in the building for in-person learning, they also completed their assessments in-person.

#### **Academic Conditions for Renewal**

To be eligible for its next renewal, Buffalo United must meet additional academic measures during the accountability period. The ELA academic conditions are listed below. These measures are based on i-Ready assessments and are evaluated below. In 2020-21, Buffalo United met two of their four ELA measures. The school did not meet the SWD gap closing measure, falling short of the target by ten percentage points.

Measure	Subgroup	Target	Tested	Results	Met?
<u>Measure 1 (Absolute)</u> : Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will either score at the <i>mid on-</i> <i>grade level or above</i> <sup>1</sup> scale score for the year-end ELA assessment or move up at least one placement level in ELA from the fall.	2+ Students	75%	286	54%	No
<u>Measure 3 (Growth):</u> Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students in ELA will be equal to or greater than 100%.	All Students	100%	382	125%	Yes
<u>Measure 5 (Gap Closing)</u> : Each year, the school's median percent progress to Annual Typical Growth in ELA of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were <i>two or more grade levels below</i> grade level in the fall will be equal to or greater than 100%.	Low initial achievers	100%	200	176%	Yes
<u>Measure 7 (Gap Closing):</u> Each year, the median percent progress to Annual Typical Growth in ELA of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than 100%.	Students with Disabilities	100%	56	90%	No

<sup>&</sup>lt;sup>1</sup> The i-Ready Diagnostic establishes five criterion-referenced relative placement levels. These levels are standardsbased interpretations of the scale score each student achieves and are included in the student-level results from the assessment.

#### **ELA Goal: Additional Measure**

Each year, 75% of 3rd through 8th grade students enrolled in at least their second year at the school will either score at the mid on-grade level or above scale score for the year-end ELA assessment or move up at least one placement level in ELA from the fall.

#### **RESULTS AND EVALUATION:**

In the spring of 2020-21, 54% of third through eighth grade students enrolled in at least their second year at the school scored at the mid on-grade level or above scale score for the year-end reading assessment or moved up at least one placement level in reading from the fall. The school fell short of the target by 21 percentage points; therefore, **the measure was not met**.

Students in sixth through eighth grade showed the most progress and students in eighth grade fell short of the target by only four percentage points.

	All Stud	dents	Enrolled in at least their Second Year		
Grades	Percent Mid- On Grade Level or Above	Number Tested	Percent Mid- On Grade Level or Above	Number Tested	
3	53%	59	53%	43	
4	43%	77	43%	58	
5	43%	54	43%	47	
6	54%	63	62%	47	
7	52%	60	55%	49	
8	77%	52	71%	42	
All	53%	365	54%	286	

#### SUMMARY OF THE ELEMENTARY AND MIDDLE ENGLISH LANGUAGE ARTS GOAL

In 2020-21, Buffalo United met two of the four measures of the ELA goal and met two of the four ELA academic conditions for renewal. In addition, the school fell short of meeting the SWD gap closing measure by ten percentage points, which is included in their academic conditions for renewal.

The data shows Buffalo United has made progress toward meeting their overall goal that students will be proficient readers and writers of the English Language.

2020-21 i-Ready ELA Assessment End of Year Results						
Measure	Subgroup	Target	Tested	Results	Met?	
<b>Measure 1:</b> Each year, the school's median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students will be equal to or greater than 100%.	All students	100%	382	125%	Yes	

<b>Measure 2:</b> Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.	Low initial achievers	110%	200	176%	Yes
<b>Measure 3:</b> Each year, the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade general education students at the school.	Students with disabilities <sup>2</sup>	125%	56	90%	No
<b>Measure 4:</b> Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will score at the <i>mid</i> <i>on-grade level</i> or above scale score for the year-end assessment.	2+ students	75%	321	15%	No

#### ACTION PLAN

As previously mentioned, BUCS has continued the implementation of a significant number of improvements in the 2020-21 school year. Earlier in this document, examples of new efforts are provided, so the same level of detail will not be provided here.

One of the biggest improvement efforts that began in 2020-21 is BUCS' implementation of its new curricular plan and tools. The plan and tools were developed by professionals on NHA's Curriculum & Instruction (C&I) team and reviewed in detail with school leaders before being finalized.

BUCS' ELA curriculum is an NHA-developed balanced literacy approach that relies on reading aloud, shared reading, guided reading, and writing (grades K-5) and writing and literature seminar (grades 6-8). This curriculum is aligned to state standards, reflects Next Generation Learning Standards, and incorporates evidence-based instructional strategies to ensure high-quality literacy instruction and student learning in all classrooms. Professional development will be provided to staff to ensure the program's successful implementation.

As part of its ongoing improvement effort, NHA and BUCS worked to redesign the school's assessments and how the school uses the data from these assessments to drive school improvement. A few examples of these assessments are mentioned below.

<sup>&</sup>lt;sup>2</sup> Schools may elect to report the aggregated data for a different subpopulation of students if the total tested number of students with disabilities is 5 or fewer, or if the school's mission aligns to serving a different specific subpopulation. For schools that choose a different subpopulation (e.g. English language learners, homeless students, etc.), please explain the rationale in the narrative section

BUCS will continue to set literacy goals to help achieve the ELA goals outlined in the school's Accountability Plan. I-Ready growth scores will be reviewed, and the school will set specific goals for students in the school's intervention program. The initiatives below will continue as the school works to achieve its ELA goals. Below are details on the initiatives the school has implemented to reach these goals.

- *Aimsweb* will be used to monitor students in K-2 and identify struggling students in third grade who will then receive additional interventions. We will also use this tool to measure the progress of students who are in the bottom quartile. The program will support school efforts in screening, progress monitoring, and data management.
- Corrective Reading and Reading Mastery will be utilized to help students become more skillful at decoding, comprehending, and thinking while improving their background knowledge. Reading Mastery and Corrective Reading use direct instruction to help students master vital decoding and comprehension skills. Corrective Reading will be used as an intervention tool for students in grades 3-8.
- *R.A.D.D.* is a writing acronym that stands for *Restate, Answer, Detail,* and *Detail.* This acronym will be used school-wide to help students write proper short responses to assessment questions in ELA, science, and social studies. Teachers will use ELA Reading Responses in homework assignments with question stems that align to the appropriate common core standard.
- Lexia Core5 and Powerup will be utilized as intervention tools in all grades. These programs are adaptive blended learning programs that accelerate the development of literacy skills for students of all abilities. Lexia's approach to learning adapts to students' needs in real time, providing teachers with the data and resources needed to support student growth. Lexia helps students make the critical shift from learning to read to reading to learn in Core5, and help students progress on the college- and career-ready path in PowerUp.
- i-Ready will be utilized in all grades as a diagnostic tool. The diagnostic tool pinpoints students' strengths and knowledge gaps at the sub-skill level. i-Ready Instruction delivers personalized learning paths for each student. i-Ready data will be used to group students for workshop.
- A 45-minute intervention block has been hard-scheduled into the master schedule for struggling middle school students. These students will receive 135 minutes of ELA instruction each day.
- Teachers will conduct data meetings with students, so they understand the progress they are making towards their achievement goal. Teachers will be trained on how to conduct these meetings. A parent meeting will also be conducted so parents understand their students' reading goal and how they can support their student in reaching that goal.
- Students will have a personal data binder/folder to track their progress towards mastering each standard being taught.
- BUCS educators will continue to receive support from NHA's Curriculum & Instruction team to ensure programs are implemented with fidelity.
- Teacher lesson plans are reviewed to ensure that lesson plans reflect New York State learning standards, as well as the appropriate scope and sequence. These plans will identify the resource to be used to teach each standard.
- Weekly skill quizzes are given to students. Data from these weekly quizzes are used to determine skills that need to be retaught and strategies to reteach this skill. In addition,

teachers give exit tickets to students after each class that reflect the rigor of New York State assessments and mastery of standards.

• Twice-monthly staff professional development sessions are planned to improve teachers' skills in the areas of rigor, differentiation, checks for understanding (CFU), engagement strategies, standards, and data review.

# **GOAL 2: MATHEMATICS**

#### ELEMENTARY AND MIDDLE MATHEMATICS

#### Goal 2: Mathematics

Students will be proficient in mathematics.

#### BACKGROUND

In mid-March 2020, due to the COVID pandemic, BUCS began a transition to remote learning that started almost overnight and that forced NHA and BUCS to create a whole new setting for instruction. BUCS' goal for remote learning was reinforcing and introducing standards and skills that are critical to academic success and that can be delivered effectively via remote learning in structured, guided, and accessible learning opportunities for all students. Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely. At the beginning of the 2020-21 school year, BUCS operated remotely. In January 2021, the school began to offer in-person instruction (K-5 offered full in-person instruction and 6-8 offered a hybrid model to its students). BUCS still offered families a virtual option if they were not comfortable returning to the school. Sixth grade students moved to five day in-person in March 2021.

Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely.

Our remote learning plan included opportunities to connect with students and families, provide physical and digital resources, and create and implement essential new professional development programs for staff. To connect with families, teachers conducted Google LIVE meetings, offered daily office hours, and made weekly contact via phone or email with students and families. Students were physically mailed printed academic packets, and a weekly learning plan was shared by teachers via Class Dojo or Google Classroom that included live links for instructional videos and instructional programs to support learning. Lesson videos were also provided for students and families to provide deeper understanding. Staff was provided access to a Home Learning site which houses resources to support remote learning as well as professional development on recording and posting a video and creating and leading a live video. In addition, deans held weekly one-on-one meetings with their teachers to review expectations, ensure student participation, review weekly learning plans, and provide feedback.

#### METHOD

Buffalo United administered the i-Ready math diagnostic to students in third through eighth grade in the fall, winter, and spring of 2020-21 to measure student growth and achievement throughout the school year. After students complete their first diagnostic in the fall, i-Ready generates a Typical Growth measure for each student and places the student in one of five placement levels. I-Ready then measures each student's progress toward their Typical Growth goal and updates their placement level after the winter and spring diagnostic assessments.

During 2020-21, the school(s) primarily used the following exam to assess student growth and achievement in mathematics: i-Ready

#### **RESULTS AND EVALUATION**

**Measure 1:** Each year, the school's median percent progress to Annual Typical Growth of third through eighth grade students will be equal to or greater than 100%.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of all students was 104% in math. This is greater than 100%, therefore, **this measure was met**.

Students in grades 6-8 showed the most progress towards meeting their spring growth target, with very positive results in eighth grade.

End of Year Growth on 2020-21 i-Ready Mathematics Assessment							
By All Students							
	Grades	Median Percent of Annual Typical Growth	Number Tested				
	3	78%	64				
	4	67%	75				
	5	95%	59				
	6	138%	64				
	7	108%	62				
	8	258%	53				
	All	104%	377				

**Measure 2:** Each year, the school's median percent progress towards Annual Typical Growth of all third through eighth grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of students who were two or more grade levels below grade level in the fall was 119 percent in math. This is greater than 100 percent, therefore **this measure was met**.

Additionally, all grade levels, except for fourth and seventh grade, met this goal.

End of Year Growth on 2020-21 i-Ready Math Assessment By Students who were Two or More Grade Levels below in the Fall

Grades	Median Percent of Annual Typical Growth	Number Tested
3	115%	33
4	69%	46
5	148%	36
6	153%	44
7	92%	35
8	213%	26
All	119%	220

**Measure 3:** Each year, the median percent progress toward Annual Typical Growth of third through eighth grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of 3<sup>rd</sup> through 8<sup>th</sup> grade general education students at the school.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of students with disabilities was 73 percent in math. Therefore, **this measure was not met**, falling short of the target by 35 percentage points.

End of	End of Year Growth on 2020-21 i-Ready Math Assessment				
	Grades	y Students with Dis Median Percent of Annual Typical Growth	Number Tested		
	3	119%	11		
	4	53%	12		
	5	0%	8		
	6	136%	13		
	7	81%	8		
	8	142%	10		
	All	73%	62		

At the grade level, this goal was met in third grade.

**Measure 4:** Each year, 75% of third through eighth grade students enrolled in at least their second year at the school will score at the *mid on-grade level* or above scale score for the year-end assessment.

In the spring of 2020-21, 14 percent of third through eighth grade students enrolled in at least their second year at the school scored at the mid on-grade level or above scale score for the year-end math assessment. This was below the target of 75 percent; therefore **the measure was not met**.

Students in seventh and eighth grade showed the most positive results.

End of Year Performance on 2020-21 i-Ready Math Assessment By All Students and Students Enrolled in At Least Their Second Year

	All Students		Enrolled in at least their Sec Year	
Grades	Percent Mid- On Grade Level or Above	Number Tested	Percent Mid- On Grade Level or Above	Number Tested
3	6%	64	9%	43
4	5%	76	7%	58
5	7%	59	8%	50
6	8%	65	4%	45
7	14%	63	16%	51
8	42%	53	42%	43
All	13%	380	14%	290

## ADDITIONAL CONTEXT AND EVIDENCE

BUCS initially had concerns with the validity of the fall i-Ready assessment results. Since students were taking the assessment remotely, teachers were unable to monitor students to explain that it is an adaptive assessment. This caused a lack of understanding with new parents. In addition, students were simply absent and did not take the assessment.

BUCS held parent meetings to share background information about the i-Ready assessment to give parents a better understanding of the assessment itself and what it measures. Data from the assessment was also shared with parents during parent-teacher conferences to allow for a better understanding as well. This, along with the utilization of Blocksi, allowed for truer results on assessments taken later in the school year. In addition, if a student was in the building for in-person learning, they also completed their assessments in-person.

#### **Academic Conditions for Renewal**

To be eligible for its next renewal, Buffalo United must meet additional academic measures during the accountability period. These measures are based on i-Ready assessments and are evaluated below. In 2020-21, Buffalo United met two of their four math measures. The school did not meet its absolute measure, falling short of the target by 13 percentage points.

Measure	Subgroup	Target	Tested	Results	Met?
<u>Measure 2 (Absolute):</u> Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will either score at the <i>mid on-</i> <i>grade level or above</i> scale score for the year-end mathematics assessment or move up at least one placement level in mathematics from the fall.	2+ Students	75%	284	62%	No
<u>Measure 4 (Growth):</u> Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students in mathematics will be equal to or greater than 100%.	All Students	100%	377	104%	Yes

<u>Measure 6 (Gap Closing):</u> Each year, the school's median percent progress to Annual Typical Growth in mathematics of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were <i>two or more grade levels below</i> grade level in the fall will be equal to or greater than 100%.	Low initial achievers	100%	220	119%	Yes
<u>Measure 8 (Gap Closing)</u> : Each year, the median percent progress to Annual Typical Growth in mathematics of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than 100%.	Students with Disabilities	100%	62	73%	No

#### **Mathematics Goal: Additional Measure**

Each year, 75% of 3rd through 8th grade students enrolled in at least their second year at the school will either score at the mid on-grade level or above scale score for the year-end mathematics assessment or move up at least one placement level in mathematics from the fall.

#### **RESULTS AND EVALUATION:**

In the spring of 2020-21, 62% of third through eighth grade students enrolled in at least their second year at the school scored at the mid on-grade level or above scale score for the year-end math assessment or moved up at least one placement level in reading from the Fall. The school fell short of the target by 13 percentage points; therefore, **the measure was not met**. Students in eighth grade showed the most progress, falling short of the target by only four percentage points.

	All Students		Enrolled in at least their Se Year	
Grades	Percent Mid- On Grade Level or Above	Number Tested	Percent Mid- On Grade Level or Above	Number Tested
3	60%	57	67%	42
4	53%	75	52%	58
5	59%	56	65%	48
6	63%	60	66%	44
7	50%	60	54%	50
8	72%	50	71%	42
All	59%	358	62%	284

#### SUMMARY OF THE ELEMENTARY AND MIDDLE MATHEMATICS GOAL

In 2020-21, Buffalo United met two of the four measures of the math goal and met two of the four math academic conditions for renewal. The data shows Buffalo United had made progress toward meeting their overall goal of students will be proficient in mathematics.

2020-21 i-Ready Mathematic	s Assessment I	End of Ye	ar Result	:S	
Measure	Subgroup	Target	Tested	Results	Met?
Measure 1: Each year, the school's median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students will be equal to or greater than 100%.	All students	100%	377	104%	Yes
Measure 2: Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.	Low initial achievers	110%	220	119%	Yes
Measure 3: Each year, the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade general education students at the school.	Students with disabilities <sup>3</sup>	104%	62	73%	No
Measure 4: Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will score at the <i>mid</i> <i>on-grade level</i> or above scale score for the year-end assessment.	2+ students	75%	290	14%	No

#### ACTION PLAN

As previously mentioned, BUCS has continued the implementation of a significant number of improvements in the 2020-21 school year. Earlier in this document, examples of new efforts that are provided, so the same level of detail will not be provided here.

BUCS' math curriculum will rely on Bridges in Mathematics and Math Stories (K-5), Number Corner (grades K-2), and Illustrative Math (grades 6-8). The math curriculum is aligned to state standards, reflects the Next Generation Learning Standards, and incorporates evidence-based instructional strategies.

As mentioned in the description of our ELA actions, NHA and BUCS worked to redesign the school's assessments and how it uses the data to drive school improvement. A few examples of these assessments are also mentioned below.

<sup>&</sup>lt;sup>3</sup> Schools may elect to report the aggregated data for a different subpopulation of students if the total tested number of students with disabilities is 5 or fewer, or if the school's mission aligns to serving a different specific subpopulation. For schools that choose a different subpopulation (e.g. English language learners, homeless students, etc.), please explain the rationale in the narrative section

BUCS will continue to set goals for math learning targeted towards improving student achievement and accelerating student growth. Specific goals will also be set for students in the school's intervention program. The initiatives below will continue as the school works to achieve its math goals. Below are details on the initiatives the school has implemented to reach these goals.

- Our instructional professionals will use i-Ready instruction materials in conjunction with Bridges in Mathematics and Illustrative Math to provide additional instructional opportunities for priority materials emphasized in New York State standards.
- DreamBox will be utilized in grades K-8. It is a digital math program designed to complement math instruction in the classroom. DreamBox's pioneering technology enables seamless integration of instruction and assessment for a deeply personalized math learning experience that adapts to students' needs in real time. The DreamBox experience is student-driven and boosts inspiration and confidence for all learners by focusing on conceptual understanding as well as computational fluency and problem solving.
- i-Ready will be utilized in all grades as a diagnostic tool. The diagnostic tool pinpoints students' strengths and knowledge gaps at the sub-skill level. i-Ready Instruction delivers personalized learning paths for each student.
- As is the case with ELA, beginning with the 2020-21 school year, teachers conduct data meetings with students, so they understand progress they are making towards their achievement goal. Teachers are being trained on how to conduct these meetings. A parent meeting will help parents understand their students' math goal and how they can support their student in reaching that goal.
- Students will have a personal data binder/folder to track their progress towards mastering each standard being taught.
- BUCS educators will continue to receive support from NHA's Curriculum & Instruction team to ensure programs are implemented with fidelity.
- Teachers' math lesson plans are reviewed, as ELA lesson plans are, to ensure that they reflect New York State learning standards, as well as the appropriate scope and sequence. These plans identify the resource to be used to teach that standard.
- Quizzes targeting math skills are given to students. Data from these weekly quizzes are used to determine skills that need to be retaught and strategies to reteach this skill. In addition, teachers give exit tickets to students after each class that reflect the rigor of New York State assessments and mastery of standards.
- Twice-monthly staff professional development sessions are planned to improve teachers' math instruction skills in the areas of rigor, differentiation, CFU, engagement strategies, standards, and data review.

# **GOAL 3: SCIENCE**

#### ELEMENTARY AND MIDDLE SCIENCE

Goal 3: Science Students will be proficient in science.

#### BACKGROUND

In mid-March 2020, due to the COVID pandemic, BUCS began a transition to remote learning that started almost overnight and that forced NHA and BUCS to create a whole new setting for instruction. BUCS' goal for remote learning was reinforcing and introducing standards and skills that are critical to academic success and that can be delivered effectively via remote learning in structured, guided, and accessible learning opportunities for all students. Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely. At the beginning of the 2020-21 school year, BUCS operated remotely. In January 2021, the school began to offer in-person instruction (K-5 offered full in-person instruction and 6-8 offered a hybrid model to its students). BUCS still offered families a virtual option if they were not comfortable returning to the school. Sixth grade students moved to five day in-person in March 2021.

Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely.

Our remote learning plan included opportunities to connect with students and families, provide physical and digital resources, and create and implement essential new professional development programs for staff. To connect with families, teachers conducted Google LIVE meetings, offered daily office hours, and made weekly contact via phone or email with students and families. Students were physically mailed printed academic packets, and a weekly learning plan was shared by teachers via Class Dojo or Google Classroom that included live links for instructional videos and instructional programs to support learning. Lesson videos were also provided for students and families to provide deeper understanding. Staff was provided access to a Home Learning site which houses resources to support remote learning as well as professional development on recording and posting a video and creating and leading a live video. In addition, deans held weekly one-on-one meetings with their teachers to review expectations, ensure student participation, review weekly learning plans, and provide feedback.

#### **METHOD**

For the 2020-21 school year, the school administered a mock interim assessment for science to fourth and eighth grade students at Buffalo United. A student scoring a scale score of 3.0 is considered proficient.

#### **RESULTS AND EVALUATION**

In March 2021, three months before the actual state assessment, 19 percent of fourth and eighth grade students at Buffalo United scored at or above a scale score of 3.0 on the science mock interim assessment. This assessment was an old released state assessment whose data was utilized as a checkpoint to monitor student progress. When comparing the number of tested eighth graders to previous years, the number is much lower in the 2020-21 school year,71%, due to the fact that only 13 students return to in-person learning.

Grades	Percent at or Above 3.0	Number Tested
4	18%	66
8	20%	41
All	19%	107

#### ADDITIONAL CONTEXT AND EVIDENCE

Since 2016-17, Buffalo United has seen a decrease in the percent of students enrolled in at least their second year achieving proficiency on the New York State science exam. However, fourth grade has met the absolute measure the last three years the state test was administered.

Γ		Percent	Percent of Students Enrolled in At Least Their Second Year at				
				Profic	ciency		
	Grade	2016-17		201	7-18	2018	-19
		Percent	Number	Percent	Number	Percent	Number
		Proficient	Tested	Percent	Tested	Proficient	Tested
Γ	4	80%	72	90%	61	75%	55
	8	30%	50	38%	56	35%	55
	All	60%	122	65%	117	55%	110

Buffalo United has met the comparative measure the past three years the state test was administered. Additionally, this goal was met at each grade level.

	Percent of C	Percent of Charter School Students at Proficiency and Enrolled in At Least their				
Grade		Second Yea	ar Compared 1	to Local Distric	t Students	
Graue	201	6-17	201	7-18	201	8-19
	BUCS	District	BUCS	District	BUCS	District
4	80%	64%	90%	69%	75%	65%
8	30%	24%	38%	24%	35%	27%
All	60%	46%	65%	50%	55%	49%

#### SUMMARY OF THE ELEMENTARY AND MIDDLE SCIENCE GOAL

In 2020-21, 19 percent of fourth and eighth grade students at Buffalo United scored at or above a scale score of 3.0 on the science mock interim taken in the spring. Based on these results, the school needs to make more progress to meet their science goal. Buffalo United has met the comparative goal the last three years the state test was administered (2016-17 to 2018-19).

#### **ACTION PLAN**

• We will continue to utilize STEMscopes in grades 3-8, which reflects the Next Generation Learning Standards, to improve our science proficiency in grades 3-5. Measuring Up will be used to supplement STEMscopes in grades 4, 7, and 8. We will utilize Picture Perfect Science for grades K-2.

- BUCS is reviewing lesson plans to ensure that teachers are providing instruction on priority science standards in all grades.
- Several of the initiatives that have been implemented for ELA and math will also help to increase science proficiency professional development and after-school tutoring.
- The school will administer a mock assessment twice throughout the school year that covers the NYS science Grade 5-8 standards. The assessment will be given to 8th graders and reflect the length, format, and rigor of the NYS test. The fall mock assessment will be utilized to create pacing guides that are reflective of student need. We will also track student progress using mock assessments.

# GOAL 4: ESSA

Due to COVID-19 and the subsequent changes to the state's testing, accountability, and federal reporting requirements, the 2020-21 school accountability statuses are the same as those assigned for the 2019-20 school year. The 2019-20 accountability statuses were based on 2018-19 exam results. Assigned accountability designations and further context can be found <u>here</u>.

#### **Goal 7: Absolute Measure**

Under the state's ESSA accountability system, the school is in good standing: the state has not identified the school for comprehensive or targeted improvement.

#### METHOD

Because *all* students are expected to meet the state's performance standards, the federal statute stipulates that various sub-populations and demographic categories of students among all tested students must meet the state standard in and of themselves aside from the overall school results. As New York State, like all states, is required to establish a specific system for making these determinations for its public schools, charter schools do not have latitude in establishing their own performance levels or criteria of success for meeting the ESSA accountability requirements. Each year, the state issues School Report Cards that indicate a school's status under the state accountability system.

#### **RESULTS AND EVALUATION**

In 2020-21, Buffalo United was in Good Standing and therefore met their ESSA goal.

#### ADDITIONAL EVIDENCE

Since 2017-18, Buffalo United has been in Good Standing.

	Accountability Status by Year
Year	Status
2018-19	Good Standing
2019-20	Good Standing
2020-21	Good Standing

## GENERAL INSTRUCTIONS FOR ANNUAL BUDGET/QUARTERLY REPORT

#### **TEMPLATE TABS**

Instructions	Provides description of tabs and input requirements.
Funding by District	Charter School Tuition Rates
UE tabs require input of information	on
1.) Name of School	>Select school name from list.
	>Enter contact information.
2.) Enrollment	Enter enrollment information for Annual Budget (& Revisions) and Quar
	Actuals. Includes:
	>Enrollment by Grade
	>Enrollment by District
<u>3.) Staffing Plan</u>	Enter staffing plan information for Annual Budget (& Revisions) and
	Quarterly Actuals. Includes:
	>Full Time Equivalent (FTE), by Position Category, By Quarter
	>"Prior Year" column may initially be completed based upon preliminar
	data, and subsequently adjusted with Annual Audited data when the
	Quarter 2 Actuals are being submitted.
4.) Yearly Budget	Enter Yearly Budget information. Includes:
	>"Prior Year" column may <i>initially</i> be completed based upon preliminar
	data, and subsequently adjusted with Annual Audited data when the
	Quarter 2 Actuals are being submitted. (Note: Quarterly Revenue alloca
	may be set)
	>Budgeted Enrollment data and Per Pupil Revenue for the current year
	populated based upon input on tab "2.) Enrollment."
	>Budgeted FTE for current year is populated based upon input on tab "3
	Staffing Plan."
	>All other sources of revenue
	>All expenses
	>Budget Revisions, as necessary and <i>approved</i> by the school's Board of
	Directors, should be submitted when submitting Quartarly Actuals
5.) Balance Sheet	Enter Balance Sheet information for EdCorps. Separate schools merged
	a primary EdCorp should NOT use this tab.
	>"Prior Year" column may be <u>initially</u> completed based upon preliminar
	data, and subsequently adjusted with Annual Audited data when the
	Ouarter 2 Actuals are being submitted
6.) Quarterly Report	Enter Actual Quarterly Report information . Includes:
	>Actual Enrollment data and Per Pupil Revenue for the current year are
	populated based upon input on tab "2.) Enrollment."
	>Actual FTE for current year is populated based upon input on tab
	"3.) Staffing Plan."
	>All other sources of revenue
	>All expenses

#### CELL COLORS & GUIDANCE COMMENTS

= Enter information into the light BLUE shaded cells.

= Cells labeled in ORANGE containe guidance regarding the input of information.

= Cells containing RED triangles in the upper right corner contain "guidance comments" on that particular line item. Please "mouse-over" the triangle to reveal each comment.

Department of Fire 195 Court Street Buffalo, NY 14202

January 11, 2021

CITY OF BUFFALO BUREAU OF FIRE PREVENTION

65 Niagara Square, Room 321 City Hall Buffalo, New York 14202 (716) 851-5707 EXT 752 FAX (716) 851-4680

Mark A. Morganti, Chief Bureau of Fire Prevention

RE: Certificate of Fire Inspection for: BUFFALO UNITED CHARTER/NATIONAL HERITAGE ACADEMIES 325 MANHATTON AVE

To Whom It May Concern:

An inspection was conducted at <u>325 MANHATTAN 14214</u>, by a member of the City of Buffalo Bureau of Fire Prevention.

BUFFALO UNITED CHARTER/NATIONAL HERITAGE ACADEMIES was found to be in compliance with the Fire Code of New York State and Fire Ordinance of the City of Buffalo.

All mechanical systems, wiring and equipment at the structure should be inspected by a qualified, certified/licensed individual to insure proper installation, venting and operation.

Sincerely,

## **BUFFALO FIRE DEPARTMENT**

MARVIN SPATES BUREAU OF FIRE PREVENTION

#### Transmittal Form Annual Financial Statement Audit Report

for SUNY Authorized Charter Schools

Charter School Name:	Buffalo United Charter School	
Audit Period:	2020-21	~
Prior Period:	2019-20	
Report Due Date:	Monday, November 1, 2021	
School Fiscal Contact Name:	Jacqueline Holder	*
School Fiscal Contact Email:		
School Fiscal Contact Phone:		
School Audit Firm Name:	PKF O'Connor Davies	-
School Audit Contact Name:	Gus Saliba	
School Audit Contact Email:		
School Audit Contact Phone:		

#### SUNY CHARTER SCHOOLS INSTITUTE - Reporting Requirements:

Online Portal: <u>https://my.epicenternow.org/</u>

#### Required 8 Items:

- 1) The independent auditor's report on financial statements and notes;
- 2) Excel template file with appropriate sheets completed: Financial Position, Statement of Activities, Cash Flow and Functional Expenses worksheets; and
- 3) Reports on internal controls over financial reporting and on compliance.

#### And, if applicable:

The additional items listed below should be included if applicable. Please explain the reason(s) if the items are not included. Examples might include: a written management letter was not issued; the school did not expend federal funds in excess of the Single Audit Threshold of \$750,000; the management letter response will be submitted by the following date (should be no later than 30 days from the submission of the report); etc. If not applicable enter "N/A."

		If not included, state the reason(s) below. Or, if not applicable fill in "N/A"):
4)	Management Letter	A management letter was not issued
5)	Management Letter Response	N/A
6)	Form 990; or Extension Form 8868	Form 8868 was filed.
7)	Federal Single Audit/ Uniform Guidance in 2 CFR Part 200, Subpart F	Included in audit.
8)	Corrective Action Plan	No corrective action plan needed.

**Buffalo United Charter School** 

# 2020-21 ACCOUNTABILITY PLAN PROGRESS REPORT

Submitted to the SUNY Charter Schools Institute on:

August 15, 2021

By: Buffalo United Charter School Board of Trustees 325 Manhattan Avenue Buffalo, NY 14214

716-835-9862

National Heritage Academies (NHA) prepared this 2020-21 Accountability Progress Report on behalf of the school's board of trustees:

	Board	d Position
Trustee's Name	Office (e.g. chair, treasurer,	committees (e.g. finance,
	secretary)	executive)
		Compliant Committee
Andrew Freedman	President	Planning Task Force Committee
		Education Committee
		Compliance Committee
		Personnel Committee
Kim DeJesus	Vice President	Planning Task Force Committee
		Scholarship Committee
		Education Committee
		Education Committee
Robert Lowery	Treasurer	Wrap-Around Services Committee
		Finance Committee
Kathy Wood	Socratary	Personnel Committee
Kathy Wood	Secretary	Education Committee
Ashia Martin	Trustee	Education Committee
	riustee	Wrap-Around Services Committee

Teresa Gerchman has served as the principal since May 2019.

# SCHOOL OVERVIEW

Buffalo United Charter School (Buffalo United or BUCS) opened in the fall of 2003. We started by serving 234 students in grades K-4. We currently serve 639 students in grades K-8, of whom 95 percent qualify for free and reduced-price lunch.

Our mission is to offer families and students a public charter school that focuses on high academic achievement and instills a sense of family, community, and leadership in all our students. Since 2003 our mission has never wavered, and we remain faithful to our key design elements:

- <u>Academic Excellence.</u> We believe a high-quality K-8 education sets the critical foundation for a student's success in high school, college, and beyond. Achievement may look different for each individual student, but our goal is to prepare every child for college. Buffalo United has implemented many different initiatives to drive academic improvement. As a result of these initiatives, we have seen an increase in Buffalo United's academic performance. We will continue on our path for improvement in the 2021-22 school year.
- <u>Strong Parent Relationships.</u> We are committed to fostering strong partnerships with parents. Parents are encouraged to make a voluntary commitment at the beginning of each school year to a parent-student-teacher compact that affirms support for Buffalo United's mission, vision, policies, and activities. We actively engage parents in their children's learning and have an "open door" policy where parents are welcome in the school at any time.
- <u>Accountability</u>. Buffalo United staff, students, and parents are responsible for their actions and results. We understand that it is essential for all three groups to work together to ensure students' educational success.
  - Staff: Our staff understands that student learning is an adult responsibility, and leadership and staff are committed to creating a scholarly environment by setting high expectations for instruction to ensure that our students are college-ready. Multiple data points are collected and analyzed to monitor the quality of the educational program at the school level, grade level, and student level. This enables us, to hold teachers accountable for student learning results.
  - Students: A critical component of the parent-teacher-child partnership is the role the child plays in his or her academic success. From kindergarten through the 8th grade, Buffalo United students are taught to act responsibly and take accountability for their actions, both positive and negative.
  - Parents: We encourage parents and families to be involved in their child's education because we recognize that parental involvement is a key indicator of student success. We work purposely to involve parents in their child's education because it is crucial to maintaining the school culture we desire.

The COVID-19 pandemic required immediate transition to an entirely new model of teaching and learning. BUCS' commitment to broad school improvement remained apparent throughout our response. Key facets of our pandemic response included:

• We initially focused on standards and skills crucial to success and suitable for remote learning in structured, guided, and accessible learning opportunities for all students.

- In the spring of 2020, we surveyed families for information on home technology access. We gave families 293 Chromebooks and provided several families internet "hotspots." Families also can receive tech support from a designated BUCS educator as well as NHA's tech support team. For the 2020-21 school year, BUCS went to 1:1 technology.
- We identified four overriding priorities: *access* for all students; *consistency* in instruction; *simplicity* (to support parents' new involvement); and *accountability*.
- Students received printed materials for the rest of the school year, which supplemented teachers' remote instruction. Teachers also received many digital tools to use as needed and appropriate. All teachers already had created Google Classrooms when school first closed, and they used that environment to generate lessons and lesson plans. Teachers also sent written learning plans weekly to students' homes.
- We monitored and checked for growth for all students using i-Ready assessments.
- We sent home a grade-level expectations test focused on priority standards for grades K-7.
- Special education students and at-risk students received the same learning opportunities as all other students received; they also received learning activities and services in accordance with IEPs. BUCS also continued to provide intervention support services.
- To track engagement, teachers logged student contacts weekly. Google Classroom login and participation data also helped track engagement. Attendance was tracked using completed tasks, family reports, and activity on Google Classroom and other websites.
- New training materials and PD helped teachers adapt to the new approach to instruction.
- Teachers began sharing weekly instructional plans with families. Communications with families were intensified and streamlined, with one teacher serving as a single point of family contact and responding to messages within 24 hours.
- Food service continued providing food to families that need it.

To sustain students' and families' social, mental, and emotional health, BUCS implemented daily 30minute morning restorative circles for every class whether it was conducted virtually or in-person. Staff received training from Erie 1 BOCES to ensure restorative circles were effective. To build on this practice, Bestself has been hired to conduct the enrichment piece of BUCS' summer program. In addition, parent meetings still take place to ensure families have what they need for their student to be successful.

From the remote learning experience, BUCS has taken many lessons:

- Educators confirmed the importance of building and sustaining a strong ongoing connection with parents and families. The challenges of remote learning make parental involvement and engagement more critical than ever. As parental engagement deepened, the families we serve grew closer than ever to the school and its educators. Some parents are more involved than others, but the entire spectrum has moved closer.
- We learned we should be regularly using Google Classroom with all grades, so all students and teachers know how to use it. Before school closures began, BUCS was using this tool in middle school, so those students adapted more easily to increased use of it. Students and teachers in lower grades had a steeper learning curve. We plan to use this tool at all grade levels regardless of how much we rely on remote learning. A key advantage we expect in any instructional model is the tool's ability to have children who are absent from school continue doing classwork.

- We learned we should be more clear, thorough, and proactive in explaining i-Ready to students and parents. When parents know how to use this tool and why it is valuable, it is used more effectively, and its benefits to teaching and learning increase.
- We affirmed the importance of flexibility in implementing remote learning, which is still new to students, parents, teachers, and school leaders. Teachers have made allowances for students who, for different valid reasons, have needed to modify their participation in remote learning activities.

These lessons have formed some of the improvement efforts BUCS plans to implement moving forward. For example, all teachers had Google Classrooms for use throughout the 2020-21 school year to give students assignments and receive work that students use their Chromebooks to complete. Experiences with Google Classroom in remote learning clearly show that this can be a powerful tool for teaching and learning in a traditional classroom as well as a remote learning environment. BUCS will continue efforts to implement remote learning strategies and adapt them to the traditional in-school learning environment for the 2021-22 school year.

In subsequent sections of this accountability plan progress report, there are, under each specific subject area, action plans that detail efforts to help BUCS improve its performance. These actions are part of a larger school-wide improvement effort that BUCS and NHA have begun with the active collaboration of the Board. Significant improvements were made at the school in 2019-20 and many of these improvements continued in the 2020-21 school year. Since some of our initial improvement efforts needed to be adjusted to conform to a remote learning environment, we plan to reinforce those efforts in the 2021-22 school year. BUCS' improvement efforts continue to focus on increasing achievement in English language arts (ELA), math and science. This goal is being supported in several ways. Some examples include: implementation of a new curriculum tailored for New York State standards; professional development to support the successful implementation of the new curricular tools; a continued focus on data analysis; supports for struggling students. Highlights of these school-wide improvement efforts are as follows:

<u>Data-driven instruction</u>: BUCS has improved its use of assessment data in evaluating student and educator performance, supporting student needs, driving professional development for leaders and teachers, and helping teachers adjust instruction in real time.

<u>Curriculum and tools</u>: The school has transitioned to curricular tools that align well with New York's NextGen standards. BUCS has identified opportunities to improve material alignment and continues to promptly make refinements as needed.

<u>Professional development</u>: BUCS and NHA's C&I team have worked on a plan for the ongoing coaching and PD that C&I will offer to support instructional execution at BUCS. The plan's priorities are helping the school implement and sustain its systems, scheduling and time structures, management structures, instructional structures, and its new curriculum, especially in ELA and math.

PD will be offered during summer and through ongoing initiatives throughout the school year through both in-person visits and video-based remote interactions. This support will be provided in a continuous cycle of four elements:

- Develop teachers and deans: This support will focus on structures, systems, unit "unpacking," lesson preparation, and teaching.
- *Enact and observe:* Teachers will implement what they learn in their classrooms. Deans and C&I specialists will observe.
- *Plan coaching conversations:* Deans and C&I professionals will plan coaching conversations around key levers and bite-sized action steps. Coaching conversations will include emphasis on an identified teacher strength followed by an identified area of improvement opportunity.
- *Debrief and coach:* Each Dean and participating C&I consultant(s) will debrief on their observations and renew the coaching cycle around specific action steps for the teacher.

Five different C&I specialists have been designated to provide this support in ELA, ELA intervention, math, and school culture.

<u>Assessments:</u> BUCS teachers used aligned NHA-provided assessments and created other formative assessments and homework aligned to the state's standards and expectations of rigor as needed. Teacher-created formative assessments and homework for math and ELA reflected the breadth and depth of state test questions. The provided curriculum materials that were implemented in 2020-21 now include more assessments that meet expectations of alignment. NHA and BUCS also worked together to redesign the school's assessments and change how the school uses the data to drive school improvement.

<u>Supports for struggling students</u>: In the 2020-21 school year, BUCS changed a response-tointervention (RTI) approach to an intervention model based on a multi-tier system of supports (MTSS). This model is rooted in RTI concept, but it is more proactive, emphasizes early intervention, addresses both behavioral and academic concerns, and worked to overcome systemic barriers that both students and teachers face in pursuit of learning. BUCS will screen *all* students under this system, and MTSS will improve remediation and intervention both in traditional in-school learning and in remote learning. BUCS will use this approach to support students who needed help both before the school was forced to adopt remote learning along with students whose needs became apparent during remote learning.

<u>Behavior management</u>: BUCS will continue the new approach to behavior management rooted in restorative discipline, a proactive and preventive approach to behavior management that had been adopted in 2019-20. This approach reduces emphasis on punishment; instead, it prioritizes strengthening relationships for individuals at the center of behavior issues. In-school professional development sessions helped us launch this effort. A core value of this initiative is strengthening the connection between our responses to disciplinary issues and students' social and emotional well-being.

# GOAL 1: ENGLISH LANGUAGE ARTS

## ELEMENTARY AND MIDDLE ENGLISH LANGUAGE ARTS

## Goal 1: English Language Arts

Students will be proficient readers and writers of the English language.

## BACKGROUND

In mid-March 2020, due to the COVID pandemic, BUCS began a transition to remote learning that started almost overnight and that forced NHA and BUCS to create a whole new setting for instruction. BUCS' goal for remote learning was reinforcing and introducing standards and skills that are critical to academic success and that can be delivered effectively via remote learning in structured, guided, and accessible learning opportunities for all students. Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely. At the beginning of the 2020-21 school year, BUCS operated remotely. In January 2021, the school began to offer in-person instruction (K-5 offered full in-person instruction and 6-8 offered a hybrid model to its students). BUCS still offered families a virtual option if they were not comfortable returning to the school. Sixth grade students moved to five day in-person in March 2021.

Our remote learning plan included opportunities to connect with students and families, provide physical and digital resources, and create and implement essential new professional development programs for staff. To connect with families, teachers conducted Google LIVE meetings, offered daily office hours, and made weekly contact via phone or email with students and families. Students were physically mailed printed academic packets, and a weekly learning plan was shared by teachers via Class Dojo or Google Classroom that included live links for instructional videos and instructional programs to support learning. Lesson videos were also provided for students and families to provide deeper understanding. Staff was provided access to a Home Learning site which

houses resources to support remote learning as well as professional development on recording and posting a video and creating and leading a live video. In addition, deans held weekly one-on-one meetings with their teachers to review expectations, ensure student participation, review weekly learning plans, and provide feedback.

#### **METHOD**

Buffalo United administered the i-Ready reading diagnostic to students in third through eighth grade in the fall, winter, and spring of 2020-21 to measure student growth and achievement throughout the school year. After students complete their first diagnostic in the fall, i-Ready generates a Typical Growth measure for each student and places the student in one of five placement levels. I-Ready then measures each student's progress toward their Typical Growth goal and updates their placement level after the winter and spring diagnostic assessments.

During 2020-21, the school(s) primarily used the following exam to assess student growth and achievement in ELA: i-Ready

#### **RESULTS AND EVALUATION**

**Measure 1:** Each year, the school's median percent progress to Annual Typical Growth of 3<sup>rd</sup> through 8<sup>th</sup> grade students will be equal to or greater than 100%.

In 2020-21, from fall to spring, the median percent progress toward Annual Typical Growth of all students at Buffalo United was 125% in reading. Therefore, **this measure was met**, exceeding the target by 25 percentage points.

Students in grades 6-8 showed the most progress towards meeting their spring growth target, with very positive results in eighth grade.

End of Year Growth on 2020-21 i-Ready ELA Assessment By All Students							
	Grades	Median Percent of Annual Typical Growth	Number Tested				
	3	36%	63				
	4	90%	77				
	5	69%	59				
	6	163%	64				
	7	197%	64				
	8	306%	55				
	All	125%	382				

**Measure 2:** Each year, the school's median percent progress toward Annual Typical Growth of all third through eighth grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.

In 2020-21, from fall to spring, the median percent progress toward Annual Typical Growth of students at Buffalo United who were two or more grade levels below in the fall was 176% in reading. Therefore, **this measure was met**, exceeding the target by 76 percentage points.

Students in grades 6-8 showed the most progress towards meeting their spring Typical Growth target, with very positive results in eighth grade. Students in fourth grade also showed a lot of progress in meeting their spring Typical Growth goal.

	End of Year Growth on 2020-21 i-Ready ELA Assessment							
By Students	By Students who were Two or More Grade Levels below in the Fall							
	Grades	Median Percent of Annual Typical Growth	Number Tested					
	3	85%	26					
	4	164%	21					
	5	62%	38					
	6	199%	50					
	7	224%	33					
	8	345%	32					
	All	176%	200					

**Measure 3:** Each year, the median percent progress to Annual Typical Growth of third through eighth grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of third through eighth grade general education students at the school.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of students with disabilities was 90% in reading. Therefore, **this measure was not met**, falling short of the target by 35 percentage points. At the grade level, this measure was met in third grade.

End of Year Growth on 2020-21 i-Ready ELA Assessment By Students with Disabilities						
	Grades	Median Percent of Annual Typical Growth	Number Tested			
	3	69%	10			
	4	81%	12			
	5	0%	6			
	6	95%	10			
	7	175%	8			
	8	220%	10			
	All	90%	56			

**Measure 4:** Each year, 75% of third through eighth grade students enrolled in at least their second year at the school will score at the *mid on-grade level* or above scale score for the year-end assessment.

In the Spring of 2020-21, 17 percent of third through eighth grade students enrolled in at least their second year at Buffalo United scored at the mid on-grade level or above scale score for the yearend assessment. This was below the target of 75 percent, therefore **the measure was not met**.

End of Year Performance on 2020-21 I-Ready ELA Assessment								
By All Students and Students Enrolled in At Least Their Second Year								
	All Students		east their Second ′ear					
Grades Percent I On Grade or Abo		Number Tested	Percent Mid- On Grade Level or Above	Number Tested				
3	13%	63	12%	43				
4	16%	77	16%	58				
5	7%	59	8%	50				
6	11%	64	6%	47				
7	26%	66	28%	53				
8	35%	55	30%	43				
All	17%	384	17%	294				

Students in seventh and eighth grade showed the most positive results.

## ADDITIONAL CONTEXT AND EVIDENCE

BUCS initially had concerns with the validity of the fall i-Ready assessment results. Since students were taking the assessment remotely, teachers were unable to monitor students to explain that it is an adaptive assessment. This caused a lack of understanding with new parents. In addition, students were simply absent and did not take the assessment.

BUCS held parent meetings to share background information about the i-Ready assessment to give parents a better understanding of the assessment itself and what it measures. Data from the assessment was also shared with parents during parent-teacher conferences to allow for a better understanding as well. This, along with the utilization of Blocksi, allowed for truer results on assessments taken later in the school year. In addition, if a student was in the building for in-person learning, they also completed their assessments in-person.

#### **Academic Conditions for Renewal**

To be eligible for its next renewal, Buffalo United must meet additional academic measures during the accountability period. The ELA academic conditions are listed below. These measures are based on i-Ready assessments and are evaluated below. In 2020-21, Buffalo United met two of their four ELA measures. The school did not meet the SWD gap closing measure, falling short of the target by ten percentage points.

Measure	Subgroup	Target	Tested	Results	Met?
<u>Measure 1 (Absolute)</u> : Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will either score at the <i>mid on-</i> <i>grade level or above</i> <sup>1</sup> scale score for the year-end ELA assessment or move up at least one placement level in ELA from the fall.	2+ Students	75%	286	54%	No
<u>Measure 3 (Growth):</u> Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students in ELA will be equal to or greater than 100%.	All Students	100%	382	125%	Yes
<u>Measure 5 (Gap Closing)</u> : Each year, the school's median percent progress to Annual Typical Growth in ELA of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were <i>two or more grade levels below</i> grade level in the fall will be equal to or greater than 100%.	Low initial achievers	100%	200	176%	Yes
<u>Measure 7 (Gap Closing):</u> Each year, the median percent progress to Annual Typical Growth in ELA of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than 100%.	Students with Disabilities	100%	56	90%	No

<sup>&</sup>lt;sup>1</sup> The i-Ready Diagnostic establishes five criterion-referenced relative placement levels. These levels are standardsbased interpretations of the scale score each student achieves and are included in the student-level results from the assessment.

#### **ELA Goal: Additional Measure**

Each year, 75% of 3rd through 8th grade students enrolled in at least their second year at the school will either score at the mid on-grade level or above scale score for the year-end ELA assessment or move up at least one placement level in ELA from the fall.

## **RESULTS AND EVALUATION:**

In the spring of 2020-21, 54% of third through eighth grade students enrolled in at least their second year at the school scored at the mid on-grade level or above scale score for the year-end reading assessment or moved up at least one placement level in reading from the fall. The school fell short of the target by 21 percentage points; therefore, **the measure was not met**.

Students in sixth through eighth grade showed the most progress and students in eighth grade fell short of the target by only four percentage points.

	All Stud	dents	Enrolled in at least their Second Year		
Grades	Percent Mid- On Grade Level or Above	Number Tested	Percent Mid- On Grade Level or Above	Number Tested	
3	53%	59	53%	43	
4	43%	77	43%	58	
5	43%	54	43%	47	
6	54%	63	62%	47	
7	52%	60	55%	49	
8	77%	52	71%	42	
All	53%	365	54%	286	

## SUMMARY OF THE ELEMENTARY AND MIDDLE ENGLISH LANGUAGE ARTS GOAL

In 2020-21, Buffalo United met two of the four measures of the ELA goal and met two of the four ELA academic conditions for renewal. In addition, the school fell short of meeting the SWD gap closing measure by ten percentage points, which is included in their academic conditions for renewal.

The data shows Buffalo United has made progress toward meeting their overall goal that students will be proficient readers and writers of the English Language.

2020-21 i-Ready ELA Assessment End of Year Results						
Measure	Subgroup	Target	Tested	Results	Met?	
<b>Measure 1:</b> Each year, the school's median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students will be equal to or greater than 100%.	All students	100%	382	125%	Yes	

<b>Measure 2:</b> Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.	Low initial achievers	110%	200	176%	Yes
<b>Measure 3:</b> Each year, the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade general education students at the school.	Students with disabilities <sup>2</sup>	125%	56	90%	No
<b>Measure 4:</b> Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will score at the <i>mid</i> <i>on-grade level</i> or above scale score for the year-end assessment.	2+ students	75%	321	15%	No

## ACTION PLAN

As previously mentioned, BUCS has continued the implementation of a significant number of improvements in the 2020-21 school year. Earlier in this document, examples of new efforts are provided, so the same level of detail will not be provided here.

One of the biggest improvement efforts that began in 2020-21 is BUCS' implementation of its new curricular plan and tools. The plan and tools were developed by professionals on NHA's Curriculum & Instruction (C&I) team and reviewed in detail with school leaders before being finalized.

BUCS' ELA curriculum is an NHA-developed balanced literacy approach that relies on reading aloud, shared reading, guided reading, and writing (grades K-5) and writing and literature seminar (grades 6-8). This curriculum is aligned to state standards, reflects Next Generation Learning Standards, and incorporates evidence-based instructional strategies to ensure high-quality literacy instruction and student learning in all classrooms. Professional development will be provided to staff to ensure the program's successful implementation.

As part of its ongoing improvement effort, NHA and BUCS worked to redesign the school's assessments and how the school uses the data from these assessments to drive school improvement. A few examples of these assessments are mentioned below.

<sup>&</sup>lt;sup>2</sup> Schools may elect to report the aggregated data for a different subpopulation of students if the total tested number of students with disabilities is 5 or fewer, or if the school's mission aligns to serving a different specific subpopulation. For schools that choose a different subpopulation (e.g. English language learners, homeless students, etc.), please explain the rationale in the narrative section

BUCS will continue to set literacy goals to help achieve the ELA goals outlined in the school's Accountability Plan. I-Ready growth scores will be reviewed, and the school will set specific goals for students in the school's intervention program. The initiatives below will continue as the school works to achieve its ELA goals. Below are details on the initiatives the school has implemented to reach these goals.

- *Aimsweb* will be used to monitor students in K-2 and identify struggling students in third grade who will then receive additional interventions. We will also use this tool to measure the progress of students who are in the bottom quartile. The program will support school efforts in screening, progress monitoring, and data management.
- Corrective Reading and Reading Mastery will be utilized to help students become more skillful at decoding, comprehending, and thinking while improving their background knowledge. Reading Mastery and Corrective Reading use direct instruction to help students master vital decoding and comprehension skills. Corrective Reading will be used as an intervention tool for students in grades 3-8.
- *R.A.D.D.* is a writing acronym that stands for *Restate, Answer, Detail,* and *Detail.* This acronym will be used school-wide to help students write proper short responses to assessment questions in ELA, science, and social studies. Teachers will use ELA Reading Responses in homework assignments with question stems that align to the appropriate common core standard.
- Lexia Core5 and Powerup will be utilized as intervention tools in all grades. These programs are adaptive blended learning programs that accelerate the development of literacy skills for students of all abilities. Lexia's approach to learning adapts to students' needs in real time, providing teachers with the data and resources needed to support student growth. Lexia helps students make the critical shift from learning to read to reading to learn in Core5, and help students progress on the college- and career-ready path in PowerUp.
- i-Ready will be utilized in all grades as a diagnostic tool. The diagnostic tool pinpoints students' strengths and knowledge gaps at the sub-skill level. i-Ready Instruction delivers personalized learning paths for each student. i-Ready data will be used to group students for workshop.
- A 45-minute intervention block has been hard-scheduled into the master schedule for struggling middle school students. These students will receive 135 minutes of ELA instruction each day.
- Teachers will conduct data meetings with students, so they understand the progress they are making towards their achievement goal. Teachers will be trained on how to conduct these meetings. A parent meeting will also be conducted so parents understand their students' reading goal and how they can support their student in reaching that goal.
- Students will have a personal data binder/folder to track their progress towards mastering each standard being taught.
- BUCS educators will continue to receive support from NHA's Curriculum & Instruction team to ensure programs are implemented with fidelity.
- Teacher lesson plans are reviewed to ensure that lesson plans reflect New York State learning standards, as well as the appropriate scope and sequence. These plans will identify the resource to be used to teach each standard.
- Weekly skill quizzes are given to students. Data from these weekly quizzes are used to determine skills that need to be retaught and strategies to reteach this skill. In addition,

teachers give exit tickets to students after each class that reflect the rigor of New York State assessments and mastery of standards.

• Twice-monthly staff professional development sessions are planned to improve teachers' skills in the areas of rigor, differentiation, checks for understanding (CFU), engagement strategies, standards, and data review.

# **GOAL 2: MATHEMATICS**

## ELEMENTARY AND MIDDLE MATHEMATICS

#### Goal 2: Mathematics

Students will be proficient in mathematics.

#### BACKGROUND

In mid-March 2020, due to the COVID pandemic, BUCS began a transition to remote learning that started almost overnight and that forced NHA and BUCS to create a whole new setting for instruction. BUCS' goal for remote learning was reinforcing and introducing standards and skills that are critical to academic success and that can be delivered effectively via remote learning in structured, guided, and accessible learning opportunities for all students. Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely. At the beginning of the 2020-21 school year, BUCS operated remotely. In January 2021, the school began to offer in-person instruction (K-5 offered full in-person instruction and 6-8 offered a hybrid model to its students). BUCS still offered families a virtual option if they were not comfortable returning to the school. Sixth grade students moved to five day in-person in March 2021.

Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely.

Our remote learning plan included opportunities to connect with students and families, provide physical and digital resources, and create and implement essential new professional development programs for staff. To connect with families, teachers conducted Google LIVE meetings, offered daily office hours, and made weekly contact via phone or email with students and families. Students were physically mailed printed academic packets, and a weekly learning plan was shared by teachers via Class Dojo or Google Classroom that included live links for instructional videos and instructional programs to support learning. Lesson videos were also provided for students and families to provide deeper understanding. Staff was provided access to a Home Learning site which houses resources to support remote learning as well as professional development on recording and posting a video and creating and leading a live video. In addition, deans held weekly one-on-one meetings with their teachers to review expectations, ensure student participation, review weekly learning plans, and provide feedback.

#### METHOD

Buffalo United administered the i-Ready math diagnostic to students in third through eighth grade in the fall, winter, and spring of 2020-21 to measure student growth and achievement throughout the school year. After students complete their first diagnostic in the fall, i-Ready generates a Typical Growth measure for each student and places the student in one of five placement levels. I-Ready then measures each student's progress toward their Typical Growth goal and updates their placement level after the winter and spring diagnostic assessments.

During 2020-21, the school(s) primarily used the following exam to assess student growth and achievement in mathematics: i-Ready

## **RESULTS AND EVALUATION**

**Measure 1:** Each year, the school's median percent progress to Annual Typical Growth of third through eighth grade students will be equal to or greater than 100%.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of all students was 104% in math. This is greater than 100%, therefore, **this measure was met**.

Students in grades 6-8 showed the most progress towards meeting their spring growth target, with very positive results in eighth grade.

End of Year Growth on 2020-21 i-Ready Mathematics Assessment							
By All Students							
	Grades	Median Percent of Annual Typical Growth	Number Tested				
	3	78%	64				
	4	67%	75				
	5	95%	59				
	6	138%	64				
	7	108%	62				
	8	258%	53				
	All	104%	377				

**Measure 2:** Each year, the school's median percent progress towards Annual Typical Growth of all third through eighth grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of students who were two or more grade levels below grade level in the fall was 119 percent in math. This is greater than 100 percent, therefore **this measure was met**.

Additionally, all grade levels, except for fourth and seventh grade, met this goal.

End of Year Growth on 2020-21 i-Ready Math Assessment By Students who were Two or More Grade Levels below in the Fall

Grades	Median Percent of Annual Typical Growth	Number Tested
3	115%	33
4	69%	46
5	148%	36
6	153%	44
7	92%	35
8	213%	26
All	119%	220

**Measure 3:** Each year, the median percent progress toward Annual Typical Growth of third through eighth grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of 3<sup>rd</sup> through 8<sup>th</sup> grade general education students at the school.

In 2020-21, from Fall to Spring, the median percent progress toward Annual Typical Growth of students with disabilities was 73 percent in math. Therefore, **this measure was not met**, falling short of the target by 35 percentage points.

End of Year Growth on 2020-21 i-Ready Math Assessment					
	Grades	y Students with Dis Median Percent of Annual Typical Growth	Number Tested		
	3	119%	11		
	4	53%	12		
	5	0%	8		
	6	136%	13		
	7	81%	8		
	8	142%	10		
	All	73%	62		

At the grade level, this goal was met in third grade.

**Measure 4:** Each year, 75% of third through eighth grade students enrolled in at least their second year at the school will score at the *mid on-grade level* or above scale score for the year-end assessment.

In the spring of 2020-21, 14 percent of third through eighth grade students enrolled in at least their second year at the school scored at the mid on-grade level or above scale score for the year-end math assessment. This was below the target of 75 percent; therefore **the measure was not met**.

Students in seventh and eighth grade showed the most positive results.

End of Year Performance on 2020-21 i-Ready Math Assessment By All Students and Students Enrolled in At Least Their Second Year

	All Stu	dents	Enrolled in at least their Second Year		
Grades	Percent Mid- On Grade Level or Above	Number Tested	Percent Mid- On Grade Level or Above	Number Tested	
3	6%	64	9%	43	
4	5%	76	7%	58	
5	7%	59	8%	50	
6	8%	65	4%	45	
7	14%	63	16%	51	
8	42%	53	42%	43	
All	13%	380	14%	290	

## ADDITIONAL CONTEXT AND EVIDENCE

BUCS initially had concerns with the validity of the fall i-Ready assessment results. Since students were taking the assessment remotely, teachers were unable to monitor students to explain that it is an adaptive assessment. This caused a lack of understanding with new parents. In addition, students were simply absent and did not take the assessment.

BUCS held parent meetings to share background information about the i-Ready assessment to give parents a better understanding of the assessment itself and what it measures. Data from the assessment was also shared with parents during parent-teacher conferences to allow for a better understanding as well. This, along with the utilization of Blocksi, allowed for truer results on assessments taken later in the school year. In addition, if a student was in the building for in-person learning, they also completed their assessments in-person.

#### **Academic Conditions for Renewal**

To be eligible for its next renewal, Buffalo United must meet additional academic measures during the accountability period. These measures are based on i-Ready assessments and are evaluated below. In 2020-21, Buffalo United met two of their four math measures. The school did not meet its absolute measure, falling short of the target by 13 percentage points.

Measure	Subgroup	Target	Tested	Results	Met?
<u>Measure 2 (Absolute):</u> Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will either score at the <i>mid on-grade level or above</i> scale score for the year-end mathematics assessment or move up at least one placement level in mathematics from the fall.	2+ Students	75%	284	62%	No
<u>Measure 4 (Growth):</u> Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students in mathematics will be equal to or greater than 100%.	All Students	100%	377	104%	Yes

<u>Measure 6 (Gap Closing):</u> Each year, the school's median percent progress to Annual Typical Growth in mathematics of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were <i>two or more grade levels below</i> grade level in the fall will be equal to or greater than 100%.	Low initial achievers	100%	220	119%	Yes
<u>Measure 8 (Gap Closing):</u> Each year, the median percent progress to Annual Typical Growth in mathematics of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than 100%.	Students with Disabilities	100%	62	73%	No

#### **Mathematics Goal: Additional Measure**

Each year, 75% of 3rd through 8th grade students enrolled in at least their second year at the school will either score at the mid on-grade level or above scale score for the year-end mathematics assessment or move up at least one placement level in mathematics from the fall.

#### **RESULTS AND EVALUATION:**

In the spring of 2020-21, 62% of third through eighth grade students enrolled in at least their second year at the school scored at the mid on-grade level or above scale score for the year-end math assessment or moved up at least one placement level in reading from the Fall. The school fell short of the target by 13 percentage points; therefore, **the measure was not met**. Students in eighth grade showed the most progress, falling short of the target by only four percentage points.

Grades	All Stud	dents	Enrolled in at least their Second Year		
	Percent Mid- On Grade Level or Above	Number Tested	Percent Mid- On Grade Level or Above	Number Tested	
3	60%	57	67%	42	
4	53%	75	52%	58	
5	59%	56	65%	48	
6	63%	60	66%	44	
7	50%	60	54%	50	
8	72% 50		71%	42	
All	59%	358	62%	284	

## SUMMARY OF THE ELEMENTARY AND MIDDLE MATHEMATICS GOAL

In 2020-21, Buffalo United met two of the four measures of the math goal and met two of the four math academic conditions for renewal. The data shows Buffalo United had made progress toward meeting their overall goal of students will be proficient in mathematics.

2020-21 i-Ready Mathematics Assessment End of Year Results						
Measure	Subgroup	Target	Tested	Results	Met?	
Measure 1: Each year, the school's median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students will be equal to or greater than 100%.	All students	100%	377	104%	Yes	
Measure 2: Each year, the school's median percent progress to Annual Typical Growth of all 3 <sup>rd</sup> through 8 <sup>th</sup> grade students who were two or more grade levels below grade level in the fall will be equal to or greater than 110% by the spring assessment administration.	Low initial achievers	110%	220	119%	Yes	
Measure 3: Each year, the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students with disabilities at the school will be equal to or greater than the median percent progress to Annual Typical Growth of 3 <sup>rd</sup> through 8 <sup>th</sup> grade general education students at the school.	Students with disabilities <sup>3</sup>	104%	62	73%	No	
Measure 4: Each year, 75% of 3 <sup>rd</sup> through 8 <sup>th</sup> grade students enrolled in at least their second year at the school will score at the <i>mid</i> <i>on-grade level</i> or above scale score for the year-end assessment.	2+ students	75%	290	14%	No	

## ACTION PLAN

As previously mentioned, BUCS has continued the implementation of a significant number of improvements in the 2020-21 school year. Earlier in this document, examples of new efforts that are provided, so the same level of detail will not be provided here.

BUCS' math curriculum will rely on Bridges in Mathematics and Math Stories (K-5), Number Corner (grades K-2), and Illustrative Math (grades 6-8). The math curriculum is aligned to state standards, reflects the Next Generation Learning Standards, and incorporates evidence-based instructional strategies.

As mentioned in the description of our ELA actions, NHA and BUCS worked to redesign the school's assessments and how it uses the data to drive school improvement. A few examples of these assessments are also mentioned below.

<sup>&</sup>lt;sup>3</sup> Schools may elect to report the aggregated data for a different subpopulation of students if the total tested number of students with disabilities is 5 or fewer, or if the school's mission aligns to serving a different specific subpopulation. For schools that choose a different subpopulation (e.g. English language learners, homeless students, etc.), please explain the rationale in the narrative section

BUCS will continue to set goals for math learning targeted towards improving student achievement and accelerating student growth. Specific goals will also be set for students in the school's intervention program. The initiatives below will continue as the school works to achieve its math goals. Below are details on the initiatives the school has implemented to reach these goals.

- Our instructional professionals will use i-Ready instruction materials in conjunction with Bridges in Mathematics and Illustrative Math to provide additional instructional opportunities for priority materials emphasized in New York State standards.
- DreamBox will be utilized in grades K-8. It is a digital math program designed to complement math instruction in the classroom. DreamBox's pioneering technology enables seamless integration of instruction and assessment for a deeply personalized math learning experience that adapts to students' needs in real time. The DreamBox experience is student-driven and boosts inspiration and confidence for all learners by focusing on conceptual understanding as well as computational fluency and problem solving.
- i-Ready will be utilized in all grades as a diagnostic tool. The diagnostic tool pinpoints students' strengths and knowledge gaps at the sub-skill level. i-Ready Instruction delivers personalized learning paths for each student.
- As is the case with ELA, beginning with the 2020-21 school year, teachers conduct data meetings with students, so they understand progress they are making towards their achievement goal. Teachers are being trained on how to conduct these meetings. A parent meeting will help parents understand their students' math goal and how they can support their student in reaching that goal.
- Students will have a personal data binder/folder to track their progress towards mastering each standard being taught.
- BUCS educators will continue to receive support from NHA's Curriculum & Instruction team to ensure programs are implemented with fidelity.
- Teachers' math lesson plans are reviewed, as ELA lesson plans are, to ensure that they reflect New York State learning standards, as well as the appropriate scope and sequence. These plans identify the resource to be used to teach that standard.
- Quizzes targeting math skills are given to students. Data from these weekly quizzes are used to determine skills that need to be retaught and strategies to reteach this skill. In addition, teachers give exit tickets to students after each class that reflect the rigor of New York State assessments and mastery of standards.
- Twice-monthly staff professional development sessions are planned to improve teachers' math instruction skills in the areas of rigor, differentiation, CFU, engagement strategies, standards, and data review.

# **GOAL 3: SCIENCE**

## ELEMENTARY AND MIDDLE SCIENCE

Goal 3: Science Students will be proficient in science.

#### BACKGROUND

In mid-March 2020, due to the COVID pandemic, BUCS began a transition to remote learning that started almost overnight and that forced NHA and BUCS to create a whole new setting for instruction. BUCS' goal for remote learning was reinforcing and introducing standards and skills that are critical to academic success and that can be delivered effectively via remote learning in structured, guided, and accessible learning opportunities for all students. Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely. At the beginning of the 2020-21 school year, BUCS operated remotely. In January 2021, the school began to offer in-person instruction (K-5 offered full in-person instruction and 6-8 offered a hybrid model to its students). BUCS still offered families a virtual option if they were not comfortable returning to the school. Sixth grade students moved to five day in-person in March 2021.

Even as BUCS' doors were closed and innovations in teaching and learning took root, efforts to improve academic outcomes lost no momentum. We continued to focus on our improvement efforts and evaluated ways to effectively provide instruction to students remotely.

Our remote learning plan included opportunities to connect with students and families, provide physical and digital resources, and create and implement essential new professional development programs for staff. To connect with families, teachers conducted Google LIVE meetings, offered daily office hours, and made weekly contact via phone or email with students and families. Students were physically mailed printed academic packets, and a weekly learning plan was shared by teachers via Class Dojo or Google Classroom that included live links for instructional videos and instructional programs to support learning. Lesson videos were also provided for students and families to provide deeper understanding. Staff was provided access to a Home Learning site which houses resources to support remote learning as well as professional development on recording and posting a video and creating and leading a live video. In addition, deans held weekly one-on-one meetings with their teachers to review expectations, ensure student participation, review weekly learning plans, and provide feedback.

#### **METHOD**

For the 2020-21 school year, the school administered a mock interim assessment for science to fourth and eighth grade students at Buffalo United. A student scoring a scale score of 3.0 is considered proficient.

## **RESULTS AND EVALUATION**

In March 2021, three months before the actual state assessment, 19 percent of fourth and eighth grade students at Buffalo United scored at or above a scale score of 3.0 on the science mock interim assessment. This assessment was an old released state assessment whose data was utilized as a checkpoint to monitor student progress. When comparing the number of tested eighth graders to previous years, the number is much lower in the 2020-21 school year,71%, due to the fact that only 13 students return to in-person learning.

Grades	Percent at or Above 3.0	Number Tested
4	18%	66
8	20%	41
All	19%	107

## ADDITIONAL CONTEXT AND EVIDENCE

Since 2016-17, Buffalo United has seen a decrease in the percent of students enrolled in at least their second year achieving proficiency on the New York State science exam. However, fourth grade has met the absolute measure the last three years the state test was administered.

Γ		Percent of Students Enrolled in At Least Their Second Year at							
			Proficiency						
	Grade	2016-17		2017-18		2018-19			
		Percent	Number	Dorcont	Number	Percent	Number		
		Proficient	Tested	Percent	Tested	Proficient	Tested		
	4	80%	72	90%	61	75%	55		
	8	30%	50	38%	56	35%	55		
	All	60%	122	65%	117	55%	110		

Buffalo United has met the comparative measure the past three years the state test was administered. Additionally, this goal was met at each grade level.

	Percent of Charter School Students at Proficiency and Enrolled in At Least their							
Grade		Second Yea	ar Compared 1	to Local Distric	t Students			
Grade	201	6-17	2017-18		17 2017-18 2018-		8-19	
	BUCS	District	BUCS	District	BUCS	District		
4	80%	64%	90%	69%	75%	65%		
8	30% 24%	30% 24% 38%	ő 24%	38%	24%	35%	27%	
All	60%	46%	65%	50%	55%	49%		

## SUMMARY OF THE ELEMENTARY AND MIDDLE SCIENCE GOAL

In 2020-21, 19 percent of fourth and eighth grade students at Buffalo United scored at or above a scale score of 3.0 on the science mock interim taken in the spring. Based on these results, the school needs to make more progress to meet their science goal. Buffalo United has met the comparative goal the last three years the state test was administered (2016-17 to 2018-19).

## **ACTION PLAN**

• We will continue to utilize STEMscopes in grades 3-8, which reflects the Next Generation Learning Standards, to improve our science proficiency in grades 3-5. Measuring Up will be used to supplement STEMscopes in grades 4, 7, and 8. We will utilize Picture Perfect Science for grades K-2.

- BUCS is reviewing lesson plans to ensure that teachers are providing instruction on priority science standards in all grades.
- Several of the initiatives that have been implemented for ELA and math will also help to increase science proficiency professional development and after-school tutoring.
- The school will administer a mock assessment twice throughout the school year that covers the NYS science Grade 5-8 standards. The assessment will be given to 8th graders and reflect the length, format, and rigor of the NYS test. The fall mock assessment will be utilized to create pacing guides that are reflective of student need. We will also track student progress using mock assessments.

# GOAL 4: ESSA

Due to COVID-19 and the subsequent changes to the state's testing, accountability, and federal reporting requirements, the 2020-21 school accountability statuses are the same as those assigned for the 2019-20 school year. The 2019-20 accountability statuses were based on 2018-19 exam results. Assigned accountability designations and further context can be found <u>here</u>.

#### **Goal 7: Absolute Measure**

Under the state's ESSA accountability system, the school is in good standing: the state has not identified the school for comprehensive or targeted improvement.

#### METHOD

Because *all* students are expected to meet the state's performance standards, the federal statute stipulates that various sub-populations and demographic categories of students among all tested students must meet the state standard in and of themselves aside from the overall school results. As New York State, like all states, is required to establish a specific system for making these determinations for its public schools, charter schools do not have latitude in establishing their own performance levels or criteria of success for meeting the ESSA accountability requirements. Each year, the state issues School Report Cards that indicate a school's status under the state accountability system.

#### **RESULTS AND EVALUATION**

In 2020-21, Buffalo United was in Good Standing and therefore met their ESSA goal.

## ADDITIONAL EVIDENCE

Since 2017-18, Buffalo United has been in Good Standing.

		Accountability Status by Year
Γ	Year	Status
	2018-19	Good Standing
	2019-20	Good Standing

Buffalo United Charter School Instructions for Filing Form 990 8868 Application for Extension of Time to File for the year ended June 30, 2021

We have electronically filed your extension.

There is no tax due with the application.

Do NOT separately file Form 8868 with the Internal Revenue Service. Doing so will delay the processing of your extension.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

(Rev. January 2020)

Department of he Treasury Internal Revenue Service

#### Application for Automatic Extension of Time To File an Exempt Organization Return

File a separate application for each return.
 Go to www irs.gov/Form8868 for the latest information.

**Electronic filing (e-file).** You can electronically file Form 8868 to request a 6-month automatic extension of time to file any of the forms listed below with the exception of Form 8870, Information Return for Transfers Associated With Certain Personal Benefit Contracts, for which an extension request must be sent to the IRS in paper format (see instructions). For more details on the electronic filing of this form, visit www.irs.gov/e-file-providers/e-file-for-charities-and-non-profits.

#### Automatic 6-Month Extension of Time. Only submit original (no copies needed).

All corporations required to file an income tax return other than Form 990-T (including 1120-C filers), partnerships, REMICs, and trusts must use Form 7004 to request an extension of time to file income tax returns.

Type or	Name of exempt organization or other filer, see instructions.	Taxpayer identification number (TIN)
