Communication with potential applicants and current families is the foundation of Ascend's approach to student recruitment. School and network staff work together closely to recruit and retain students. School staff bring a deep understanding of each respective community, creating a local, grassroots recruitment structure through which school leaders leverage their familiarity with families. The network's Student Recruitment and Enrollment team also conducts focus groups with families and students to understand perspectives on Ascend and amplify the strengths noted by our families to the broader community.

Entry 10 - Teacher and Administrator Attrition

Completed Jul 28 2022

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Ascend Charter Schools (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ascend Charter Schools as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ascend Charter Schools and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascend Charter Schools' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ascend Charter Schools' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascend Charter Schools' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of activities and functional expenses by school, for the year ended June 30, 2022 on pages 21 through 30 are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards on pages 31 and 32 as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 25, 2022, on our consideration of Ascend Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Ascend Charter Schools' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ascend Charter Schools' internal control over financial reporting and compliance.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly actual results could differ from those estimates.

Net Assets Presentation

Resources for various purposes are classified for accounting and reporting purposes into net asset categories established according to nature and purpose as follows:

Net assets without donor restrictions - consist of resources available for the general support of the School's operations. Net assets without donor restrictions may be used at the discretion of the School's management and/or the Board of Trustees.

2. Summary of Significant Accounting Policies (continued)

Net Assets Presentation (continued)

Net assets with donor restrictions – represents amounts restricted by donors for specific activities of the School or to be used at a future date. The School records contributions as net assets with donor restrictions if they are received with donor stipulations that limit their use either through purpose or time restrictions. When a donor restriction expires, that is, when a time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. The School had no net assets with donor restrictions at June 30, 2022 and 2021.

Cash Equivalents

The School considers all cash-on-hand, cash in banks, and other short-term securities with maturities of three months or less at time of purchase to be cash and cash equivalents.

Restricted Cash

Under the provisions of its charter, the School established an escrow account to pay for legal and audit expenses that would be associated with a dissolution, should it occur.

The following table provides a reconciliation of cash and restricted cash reported within the statements of financial position to the amounts presented in the statements of cash flows at June 30:

| | 2022 | 2021 |
|---------------------------|----------------------|----------------------|
| Cash and cash equivalents | \$ 12,128,307 | \$ 20,713,239 |
| Restricted cash | <u>325,296</u> | <u>325,243</u> |
| | <u>\$ 12,453,603</u> | <u>\$ 21,038,482</u> |

Certificate of Deposit

Certificate of deposit are carried at cost plus accrued interest.

Property and Equipment

The School follows the practice of capitalizing all expenditures for property and equipment with costs in excess of \$5,000 and a useful life in excess of one year. Leasehold improvements are amortized over the shorter of the term of the lease, inclusive of all renewal periods, which are reasonably assured, or the estimated useful life of the asset. Purchased property and equipment are recorded at cost at the date of acquisition. Maintenance and repairs are expensed as incurred. All property and equipment purchased with government funding is capitalized, unless the government agency retains legal title to such assets, in which case such assets are expensed as incurred.

2. Summary of Significant Accounting Policies *(continued)*

Property and Equipment (continued)

Depreciation and amortization is recognized on the straight-line method over the estimated useful lives of such assets as follows:

| | |
|--------------------------|---------------|
| Computers and technology | 3 years |
| Equipment | 3 and 5 years |
| Furniture and fixtures | 5 and 7 years |
| Software | 3 years |
| Website development | 3 years |

Property and equipment are reviewed for impairment if the use of the asset significantly changes or another indicator of possible impairment is identified. If the carrying amount of the asset is not recoverable, the asset is written down to its fair value. There were no asset impairments for the years ended June 30, 2022 and 2021.

Refundable Advances

The School records certain government grants and contracts as refundable advances until the related services are performed, at which time it is recognized as revenue.

Deferred Rent

The School records its rent in accordance with U.S. GAAP whereby all rental payments, including fixed rent increases, are recognized on a straight-line basis. The difference between the straight-line rent expense and the required lease payments, as well as any unamortized lease incentives, is reflected in deferred rent in the accompanying statements of financial position.

Revenue and Support

Revenue from state and local governments resulting from the School's charter status and based on the number of students enrolled is recorded when services are performed in accordance with the charter agreement. Federal and other state and local funds are recorded when expenditures are incurred and billable to the government agency. Contributions are recognized when the donor makes a promise to give to the School that is, in substance, unconditional. Grants and other contributions of cash are reported as net assets with donor restrictions if they are received with donor stipulations. Restricted contributions and grants that are made to support the School's current year activities are recorded as net assets without donor restrictions. Contributions of assets other than cash are recorded at their estimated fair value at the date of donation.

Marketing and Recruiting

Marketing and recruiting costs are expensed as incurred for staff and student recruitment. Accordingly, all costs in marketing and recruitment are allocated to program and management and general expenditures and expensed as incurred. Marketing and recruiting expense for the years ended June 30, 2022 and 2021 was \$224,929 and \$90,389.

2. Summary of Significant Accounting Policies (*continued*)

Measure of Operations

The statements of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the School's ongoing services. Non-operating activities include revenue and support from non-governmental and other sources that include contributions revenue, rental income, return on investments and other activities considered to be of a non-recurring nature.

Functional Expense Allocation

The majority of expenses can generally be directly identified with the program or supporting service to which they relate and are charged accordingly. Other expenses by function have been allocated among program and supporting services classifications on the basis of periodic time and expense studies and other basis as determined by management of the School to be appropriate.

Accounting for Uncertainty in Income Taxes

The School recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the School had no uncertain tax positions that would require financial statement recognition or disclosure. The School is no longer subject to examinations by the applicable taxing jurisdictions for years prior to June 30, 2019.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is November 25, 2022.

3. Grants and Contracts Receivable

Grants and contracts receivable consist of federal, state, city entitlements and grants. The School expects to collect these receivables within one year. Management has assessed the need for an allowance and has determined that such an allowance is not necessary.

4. Related Party Transactions (not disclosed elsewhere)

The School is an affiliate of Ascend Learning, Inc. ("Ascend"), a New York State not-for-profit corporation, by common management. The School entered into a one year agreement with Ascend on July 1, 2021 which calls for Ascend to design, select and implement the School's educational program as well as the professional development activities for all the School personnel; recruit, supervise and evaluate the School's director; propose employment policies and practices relating to School personnel; and manage the School's business administration.

4. Related Party Transactions (not disclosed elsewhere) (continued)

For the years ended June 30, 2022 and 2021, each charter school paid Ascend an annual fee of 13.25% of the School's per pupil operating revenue, per pupil facilities revenue and federal Individuals with Disabilities Education Act revenue. The management fee for the years ended June 30, 2022 and 2021 amounted to \$16,045,384 and \$16,041,302.

The School entered into a sublease agreement with Ascend on July 1, 2011. There are two amendments to the agreement. The terms of the agreement permit Ascend to use the 6th floor of one of the buildings that the School occupies. Ascend increased use of the floor over the term of the lease, and rent increased accordingly. Rental income for the years ended June 30, 2022 and 2021 amounted to \$200,000 and \$135,000.

The School is an affiliate of Friends of Ascend Charter Schools, Inc. ("FOA"), a New York State not-for-profit corporation, by common management. FOA's purpose is to support the operation of the School by managing the School's real estate and facilities-related needs, and by raising funds and resources that will enable FOA to provide support to the School and to enhance the experience of the School's students. The School entered into sublease agreements with FOA for classroom facilities (Note 10).

For operational efficiency and purchasing power, the School shares certain operating expenses with Ascend and FOA. The net balance due from/(to) the related parties consisted of the following at June 30:

| | 2022 | 2021 |
|--------|----------------|----------------|
| Ascend | \$ (4,187,541) | \$ (1,138,345) |
| FOA | 2,468,211 | 851,105 |
| | \$ (1,719,330) | \$ (287,240) |

5. Property and Equipment (*continued*)

Construction-in-progress at June 30, 2022 is primarily comprised of costs related to the Rockaway Parkway and Pitkin Avenue facilities which are expected to be placed into service during the years ending June 30, 2023 and June 30, 2024 (See Note 10).

6. Liquidity and Availability of Financial Assets

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of the statement of financial position date, are comprised of the following at June 30:

| | 2022 | 2021 |
|---------------------------------|----------------------|----------------------|
| Cash | \$ 12,128,307 | \$ 20,713,239 |
| Certificates of deposit | 15,013,898 | 5,001,751 |
| Grants and contracts receivable | 10,274,467 | 3,465,648 |
| Due from related party | 2,468,211 | 851,105 |
| | <u>\$ 39,884,883</u> | <u>\$ 30,031,743</u> |

As part of the School's liquidity management plan, the status of grants and contracts receivable is monitored regularly and any excess cash is held in savings accounts and other liquid instruments until it is required for operational use. The School will continue to rely on funding received from the New York City Department of Education to cover its future operating costs (See Note 9).

7. Employee Benefit Plan

The School maintains a pension plan qualified under Internal Revenue Code 403(b), for the benefit of its eligible employees. Under the plan, the School will match employee contributions ranging from 1% to 5% of annual compensation. Total employer match for the years ended June 30, 2022 and 2021 was \$946,803 and \$625,116.

8. Concentration of Credit Risk

Financial instruments that potentially subject the School to concentrations of credit and market risk consist principally of cash, cash equivalents, and certificates of deposit on deposit with financial institutions, which from time to time may exceed the Federal Deposit Insurance Corporation ("FDIC") limit. The School does not believe that a significant risk of loss due to the failure of a financial institution presently exists. At June 30, 2022 and 2021, approximately \$26,630,000 and \$25,715,000 of cash was maintained with an institution in excess of FDIC limits.

The School receives a substantial portion of its revenue and support from the New York City Department of Education. For the years ended June 30, 2022 and 2021, the School received approximately 88% and 93% of total revenue and support from the New York City Department of Education. If the charter school laws were modified, reducing or eliminating these revenues, the School's finances could be materially adversely affected.

The loan is payable on a monthly basis in the amount of \$21,872 commencing on July 1, 2020 and the loan bears interest at 6.25% per annum. 12. Contingency

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

From time to time and in the ordinary course of business, the School may be subject to various claims, charges, and litigation. In the opinion of management, final judgement from such pending claims, charges, and litigations, if any, against the School would not have a material adverse effect on the School's financial position, results of operations or cash flows.

13. Risks and Uncertainties

The School's operations and financial performance may be affected by the recent COVID-19 outbreak which has spread globally and is expected to adversely affect economic conditions throughout the world. If the outbreak continues and conditions worsen, the School may experience a disruption in operations as well as a decline in revenue activities. Economic uncertainty is related to the potential reduction and/or delays in state and local per pupil operating revenue, shortfalls and variations in enrollment, and operational and other changes that could increase expenses. The outbreak may adversely affect the School's activities, financial condition, results of operations, and cash flows. Management is closely monitoring the impact of COVID-19 and believes the School is taking appropriate actions to mitigate the negative impact. However, management is unable to estimate the financial impact, if any, related to this matter.

Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2022

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Ascend Charter Schools (the "School"), under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets or cash flows of the School.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. Indirect Cost Rate

The School has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters

Independent Auditors' Report

**Board of Trustees
Ascend Charter Schools**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ascend Charter Schools (the "School") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 25, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2022-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The School's Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on the School's response to the finding identified in our audit and described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Ascend Charter Schools (the "School") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2022. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs *(continued)*
Year Ended June 30, 2022

Section II – Financial Statement Findings

2022-001- General Ledger Maintenance and Account Analysis

Criteria

An effective financial closing process provides the School with accurate and timely financial statements. All significant accounts should be reconciled timely and regularly to ensure that financial records are accurate and to facilitate the preparation of financial statement at year end.

Condition

Account analysis schedules were not fully reconciled and supported by all the backup documentation. We also noted that improvements are needed in the financial statement closing process to address the accuracy and timeliness of the School's year-end financial reporting.

Cause

The finance department has experienced significant turnover and appears to be understaffed. Continual training is required to enable a good understanding of effective internal controls.

Effect

The School's system of internal control is not effective for managing its resources and resulted in difficulties with meeting external deadlines for submission of the audited financial statements.

Recommendation

We recommend that the School assess the adequacy of resources in the finance department in relation to its periodic and year end reporting responsibilities. The School may consider an increased level of financial analysis of significant accounts on a regular basis, as well as providing additional support to the finance department in the area of financial reporting.

Views of Responsible Officials

See management corrective action plan in Appendix A.

Section III – Federal Award Findings and Questioned Costs

During our audit, we noted no material instance of noncompliance and none of the costs tested which were reported in the federal financially assisted programs are questioned or recommended to be disallowed.

Section IV – Prior Year Findings

There were no findings in the prior year.

To Whom it may concern:

Ascend has undergone significant transition in its key finance positions: Chief Financial Officer and Controller. I, Carlos Zayas, have stepped into the Interim Chief Financial Officer role in June 2022 and will maintain this role until Ascend hires a permanent CFO. We are actively seeking the Controller position and will have an Interim role in place as we undergo our search. Much of what is outlined in the FY22 Findings have slowly been addressed since I have started. We have made progress in the following areas.

1. Created a monthly close checklist that the entire finance team will own
2. Clarified roles and responsibilities for existing and new staff
3. Expanded the financial, planning, and analysis team by 1 FTE to provide additional oversight in school activity and identify problems areas well in advance
4. Onboarded temporary staff accounting person to the accounting team to support month-end activity and schedules
5. Reviewed open purchase orders on a regular basis to understand school obligations
6. Formalized FY23 goals for finance team around the accurate and timely reporting of our financial information to our internal and external stakeholders

We will also work on the following:

1. Reconciliation of non-cash balance sheet accounts on a quarterly basis. This will ensure that there is less work to do at year-end for our audit schedules starting at the end of Q2
2. Review all grant activity on a quarterly basis, starting at the end of Q2
3. Provide the finance team with additional support around grants activity, grants compliance, and billing
4. Centralize all supporting documentation needed for a successful audit
5. Create standard operating procedures to better prepare for turnover by the end of the fiscal year

Everything outlined above will allow the Ascend Learning finance team to report up-to-date financial information to internal and external stakeholders. Additionally, it will better prepare us for the FY23 audit.

Thank you,

Independent Auditors' Report on Communication of
Internal Control Matters

June 30, 2022

Independent Auditors' Communication on Internal Control Matters

The Board of Trustees Ascend Charter Schools

In planning and performing our audit of the financial statements of Ascend Charter Schools (the "School") as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the School's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency in the School's internal control presented in Addendum A to be a significant deficiency.

This communication is intended solely for the information and use of management, audit committee, board of Trustees, The State Education Department of the State University of New York, and others within the School, and is not intended to be and should not be used by anyone other than these specified parties.

We would like to take this opportunity to acknowledge the courtesy and assistance extended to us by School personnel during the course of our audit.

Addendum A

Deficiencies in Internal Control that We Consider to be Significant Deficiencies

1. Financial Statement Closing Process and Increase in Financial Resources

During our audit, we noted that account analysis schedules were not fully reconciled and supported by all the backup documentation. We also noted that improvements are needed in the financial statement closing process to address the accuracy and timeliness of the School's year-end financial reporting.

We recommend that the School assess the adequacy of resources in the finance department in relation to its periodic and year end reporting responsibilities. The School may consider an increased level of financial analysis of significant accounts on a regular basis, as well as providing additional support to the finance department in the area of financial reporting.

Dear Sir or Madam:

This is in response to your request dated July 29, 2013 for a Letter of No Objection for the above referenced premises. There is no Certificate of Occupancy for this premise. However, Department of Buildings block and lot records dated 1950, 1954, 1960, 1962, 1967, 1972 and 1975 show that the premise may be occupied as a School.

Therefore, the Department of Buildings has no objection to an after school program and daycare at the above referenced premise.

The after school program may operate from September – June 2014 at this location for 40 children ages 6-12 and 4 staff members from 2-8pm. The daycare center may operate year round at this location for 216 children ages 2-8 and 53 staff members; Monday –Friday from 8am-6pm.

If this building is hereafter altered, an application must be filed pursuant to section 28-105.1 of the Administrative Code of the City of New York.

If the use of this building is changed from one occupancy group to another or from one zoning use group to another, either in whole or in part, a new Certificate of Occupancy shall be obtained pursuant to section 28-118.3 of the Administrative Code of the City of New York.

Please contact me at the telephone number above if I can be of any further assistance.

Sincerely,

John Gallagher
