#### f. APPROVED SCHOOL MISSION (Regents, NYCDOE, and Buffalo BOE authorized schools only)

#### MISSION STATEMENT

The mission of Challenge Preparatory Charter School (Challenge) is to prepare students from the greater Far Rockaway community to excel academically, to demonstrate mastery of the NYS and Common Core Learning Standards and to achieve their career aspirations. Challenge cultivates and supports the intellectual, aesthetic, social, emotional and ethical development of its students and prepares them to be responsible 21st century citizens. To accomplish its mission, Challenge offers a rigorous instructional program in a safe, supportive, technology-infused and data-enriched school environment.

#### g. KEY DESIGN ELEMENTS (Regents, NYCDOE, and Buffalo BOE authorized schools only)

KEY DESIGN ELEMENTS (<u>Briefly</u> describe each Key Design Elements (KDE) as presented in the schools approved charter. KDEs are those general aspects of the school that are innovative or unique to the school's mission and goals, are core to the school's overall design, and are critical to its success.

| KDE 1 | Challenge Prep employs a balance of teacher centered and student-centered instruction, with both direct instruction and project-based instruction incorporating hands-on and student led activities and small student grouping and regrouping and, in the middle school, blended learning and flipped classroom instruction. |
|-------|--|
| KDE 2 | Challenge Prep has a school-wide data culture where student needs are identified based on analysis of student exam data and teacher observations,  |

|        | to determine the appropriate balance between direct instruction and student centered activities. The data culture supports differentiated learning.   |
|--------|---|
| KDE 3  | Challenge Prep differentiates instruction. Challenge Prep's teachers—in coordination with administrators, parents and Special Education, ELL and counseling staff— assess each student's instructional needs on a continual basis and administer appropriate instructional interventions at appropriate times.  |
| KDE 4  | Challenge Prep utilizes the workshop model to deliver balanced, Common Core State Standards (CCSS)- aligned curricula in all subjects in the elementary school. This model supports the School's balanced educational approach and builds capacity in teachers to differentiate instruction in a classroom of heterogeneous learners. The model facilitates differentiated instruction at Challenge Prep.   |
| KDE 5  | In the middle school, Challenge Prep utilizes blended learning as the primary vehicle for delivering instruction in core content areas.  Blended learning is a formal education program in which a student learns at least in part through online delivery of content and instruction with some element of student control over time, place, path or pace. While still attending a "brick and mortar" school structure, in this case Challenge Prep's middle and high schools, face-to-face classroom methods are combined with computer-mediated activities. |

#### A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees[1] receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is <u>not</u> employed by the school.

[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers. ### B. Emergency Conditional Clearances

### **Emergency Conditional Clearances**

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates <u>automatically</u> once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at NYSED CSO Employee Clearance and Fingerprint Memo 10-2019.

Dear Challenge Charter Families,

We have been eagerly awaiting the start of the new school year even amidst new standards, practices, and guidelines that will impact our school.

I am happy to inform you that we have determined that Challenge will open on Monday, August 23, 2021 with our scholars and staff will be **in person at each of our sites**.

This document outlines a great number of details regarding reopening, and it is important that you know the top priority upon reopening is the health and safety of our scholars, staff, and families. This year, Challenge will be operating with a recently adopted set of comprehensive health and safety measures. We have been working with updated state and local guidelines for schools that were released on July 29, 2021 from NYSED with further clarification from the NYSED on August 10, 2021 from Betty A. Rosa, NY State Commissioner of Education.

The following guidance from NYSED Commissioner has been some of the guiding principles of our updated 2021-22 Reopening Plan:

- masking for all individuals, and for all indoor events in all schools
- use of mass transit masking rules for school-supplied transportation [NYC OPT has indicated one scholar per school bus seat unless they are from the same household]
- physical distancing of 3 feet indoors, where possible with local discretion

To make sure we have a school environment that fosters the safety of your scholars as well as our staff, and school community, we have created the *Safe Response Policy*. It is important that families are knowledgeable of this policy in advance of reopening the school. Scholars will be mandated to return home if school personnel determine they exhibit symptoms of COVID-19. Return to school will require a dated doctor's note to clear the student. Additionally, Challenge is requiring ALL staff to be vaccinated unless medically prohibited to do so.

From daily screening and cleaning practices, to teaching supports and modifications of our classroom environment, as well as adding better methods of communication with families, we have reviewed and updated all aspects of Challenge Charter's approach to learning in the context of COVID-19. We look forward to your partnership in ensuring that our school community is kept safe during these unusual times and your flexibility as we make any other necessary changes in response to the virus.

As always, our commitment is to the highest quality education "in a safe, supportive, technology-infused, and data-enriched school environment." Learning will continue no matter what form and model we need to use this academic year. Our teachers and staff have never been more dedicated to our scholars.

Sincerely,

Rev. Dr. Les Mullings

Founder/CEO

#### Introduction

Our world and educational systems have been greatly disrupted by the novel coronavirus. Challenge Charter School closed in mid-March 2019 for cleaning and remained closed for in person learning at our sites, dramatically changing teaching and learning through our entire 2020-21 school year.

Learning never stopped at Challenge Charter due to the hard work and endeavors of our teachers, teacher assistants, and academic support team. Our scholars also worked hard during the 2020-21 school year, and to fully support remote learning, Challenge provided Chromebooks and hotspots (when needed) to every scholar. We thank our families for supporting the changes and becoming stronger partners during the last year and half.

The evidence is clear that learning will continue at Challenge Charter, no matter the challenges the pandemic presents. This year, we will help our scholars re-enter in-person learning with the same vigor and dedication as we all rebound towards meeting and exceeding expectations and our great potential as individuals and as a school.

Our CEO, Leadership Team, and Board of Trustees have been planning for reopening for more than a year, and at every turn the health and safety of our staff, scholars, and their families has been top priority. As we begin our 2021-22 academic year, recommendations from the New York Department of Education, CDC, and state and local health agencies are just that - recommendations. As an independent charter school, we therefore have the ability to make decisions regarding our particular school community.

The 2021-22 Challenge Charter Reopening Plan reflects updates and will continue to evolve as we respond to the COVID-19 crisis. As you can imagine, the resulting document required hours of teamwork and detailed preparation.

The process has involved virtual meetings with leaders at every level of our school - our Founder, Board Members, Directors, Principals, Administrators, and Staff. We have utilized the insight from stakeholders, consultants, health officials, community members and leaders, legal professionals, affiliated organizations while also using research and information from reliable sources.

We hosted two Town Halls regarding School Funding and Reopening Plans via Zoom on June 1 and June 3, 2020. A family survey was sent out shortly after our Town Halls. We are using the results from that survey to help us plan the 2021-22 school year and beyond. Through our 2020 Family Survey, we identified the issues important to our families regarding learning and the health and safety of the children we serve. Well over half of our families requested in-person learning with hybrid only if necessary. Very few Challenge Charter families expressed wanting remote learning.

As from the beginning of the pandemic to now, our entire staff is dedicated to the quality education we provide to scholars, and every one of us is charged with learning new tools, technologies, and safety methods to make the 2021-22 academic year successful.

#### **Overall Guiding Principles**

1. **Health and safety:** We prioritize the health and safety of our scholars and staff and will make decisions informed by Centers for Disease Control and Prevention (CDC), New York State Education Department (NYSED), New York City Department of Education (NYC DOE), American

Academy of Pediatrics, New York State Department of Health and our local Department of Health guidelines.

- 2. Quality: Our scholars deserve high quality and robust learning opportunities.
- 3. **Equity and Access:** We must meet the needs of all students by differentiating, providing support, and by providing needed resources and services.
- 4. **Structure**: Providing explicit expectations and supports that will help staff, scholars, and families be successful regardless of the learning environment.
- 5. **Simplicity**: Having clear and simple priorities will increase our effectiveness.
- 6. **Connection**: We must be intentional about ensuring continued opportunities to function as a community.
- 7. **Continuous Improvement:** We are committed to striving for excellence by reading, researching, reflecting, asking for help, and collaborating.

# **Health & Safety**

This section has been prepared with the current guidelines and recommendations from national, state and local agencies. Please note that any guidance in this section may be voided and/or changed by the New York State Department of Education, the New York Department of Health, state mandates, and updates from medical professionals issuing standing orders and guidance.

# Health Screenings

CPCS currently has a New York City Department of Health assigned nurse at each of the CPCS sites. CPCS will implement mandatory health screenings, including temperature checks, of students, faculty, staff, and, when applicable, contractors, vendors, and visitors to identify any individuals who may have COVID-19 or who may have been exposed to the COVID-19 virus.

Temperature checks will be conducted per U.S. Equal Employment Opportunity Commission and DOH guidelines. Specifically, all individuals must have their temperature checked each day before entering any CPCS facility. If an individual presents a temperature greater than 100.0°F, the individual will be denied entry into the facility. If the individual is a student, he/she will be taken directly to the facility's isolation room prior to being picked up by a parent/guardian. If the individual is a staff member, he/she will return home and the appropriate supervisor will be notified.

CPCS will also use a Daily Health Questionnaire (details on how to access and submit will be sent to parents/guardians and CPCS staff) for faculty and staff reporting to school; and CPCS will use a questionnaire for students that parents/legal guardians will complete at home and be verified to CPCS electronically each school day. If the electronic submission of a student has not taken place by the time they arrive at CPCS, an alert will go out to the parent via ParentSquare. CPCS will contact the parent/legal guardian if the Daily Health Questionnaire is regularly not filled out. The questionnaire has been developed in consultation with the CPCS health partner and complies with DOH and CDC quidelines.

CPCS understands that it is prohibited from keeping records of students, faculty, staff, and visitor health data (e.g., the specific temperature data of an individual), but is permitted to maintain records that confirm that individuals were screened and the result of such screening (e.g., pass/fail, cleared/not cleared).

In some instances, screening may be conducted remotely (e.g. by electronic survey, digital application, or telephone, which may involve the parent/legal guardian), before the individual student reports to school, to the extent possible; or may be performed on site at the school. Remote screening will be coordinated to identify individuals who should not go to school and should be referred to their health care provider for further evaluation and COVID-19 testing.

On-site screening will be coordinated in a manner that prevents individuals from intermingling (social distancing) in close or proximate contact with each other prior to completion of the screening. Screening for all students, faculty, staff, visitors, contractors, and vendors, will be completed using a questionnaire that determines whether the individual has:

- (a) knowingly been in close or proximate contact in the past 14 days with anyone who has tested positive through a diagnostic test for COVID-19 or who has or had symptoms of COVID-19;
- (b) tested positive through a diagnostic test for COVID-19 in the past 14 days;
- (c) has experienced any symptoms of COVID-19, including a temperature of greater than 100.0°F, in the past 14 days; and/or
- (d) has traveled internationally or from a state with widespread community transmission of COVID-19 per the New York State Travel Advisory in the past 14 days.

CPCS understands that the quarantine of students, faculty, or staff may be required after international travel or travel within certain states with widespread community transmission of COVID-19, pursuant to current CDC and DOH guidance, as well as Executive Order 205.

CPCS further understands that the manifestation of COVID-19 in children, although similar, is not always the same as that for adults. Children may be less likely to present with fever as an initial symptom, and may only have gastrointestinal tract symptoms, which should be taken into consideration during the screening process. CPCS staff will remind parents/guardians that students may not attend school if they have had a temperature of greater than 100.0°F at any time in the past 14 days, even if a fever-reducing medication was administered and the student no longer has a fever.

#### COVID-19 Vaccination Requirements

As of August 2021, CPCS requires all staff including teachers, administrators, security, and custodial staff to have received the COVID-19 vaccination. If for any medical reason a staff member cannot receive the vaccination, a doctor's notice will be required to be on file.

#### Face Covering Requirements

CPCS will require face coverings at all times, even during instruction by all individuals in CPCS facilities and on school grounds. All individuals – including students (K-10), staff and visitors – must wear face coverings throughout the school facility. CPCS will procure acceptable face coverings and provide such coverings to faculty and staff while at work at no cost to the faculty or staff members, pursuant to Executive Order 202.16, as amended and extended. An adequate supply of face

coverings, masks, and other required PPE will be maintained on hand should faculty or staff need a replacement, or a student be in need.

Acceptable face coverings for COVID-19 include but are not limited to cloth-based face coverings and surgical masks that cover both the mouth and nose. Cloth face coverings with air valves are not permissible. CPCS will allow students, faculty, and staff to use their own acceptable face coverings, but cannot require faculty and staff to supply their own face coverings. Further, this guidance shall not prevent employees from wearing their personally owned protective coverings (e.g., surgical masks, N-95 respirators, face shields with masks), as long as they adhere to the minimum standards of protection for the specific activity. Non-disposable masks must be washed daily.

CPCS may otherwise require employees to wear more protective PPE due to the nature of their work. If applicable, CPCS will comply with all applicable OSHA standards. Further details about PPE equipment at CPCS can be found on our website <a href="https://challengecharterschools.org/ppe-equipment">https://challengecharterschools.org/ppe-equipment</a>.

#### Hygiene

CPCS ensures adherence to hygiene and cleaning and disinfection requirements as advised by the CDC and DOH, including "Guidance for COVID-19 Prevention in K-12 Schools". <a href="https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/k-12-guidance.html">https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/k-12-guidance.html</a> (August 5, 2021 Update)

CPCS will maintain logs that include the date, time, and scope of cleaning and disinfection and will develop and maintain a schedule that will identify cleaning and disinfection frequency for each CPCS facility and will assign responsibility.

CPCS will train all students, faculty, and staff on proper hand and respiratory hygiene, and should provide information to parents and/or legal guardians on ways to reinforce this at home.

CPCS will provide and maintain hand hygiene stations around the school, as follows:

- For handwashing: soap, running warm water, and disposable paper towels.
- For hand sanitizing: an alcohol-based hand sanitizer containing at least 60% alcohol for areas where handwashing facilities may not be available or practical.

Upon the advice of the CPCS health advisor, CPCS will approve and permit the use of alcohol-based hand sanitizers in school facilities without orders from an individual's physician as alcohol-based hand sanitizers are considered over-the-counter drugs. Student use of alcohol-based hand sanitizers will always be supervised by adults to minimize accidental ingestion and promote safe usage; supervision is required for the use of hand sanitizers by elementary school students.

Parents/guardians can inform the school that they do not want their child to use alcohol-based hand sanitizers by sending a written notice to the school. CPCS must provide accommodations for students who cannot use hand sanitizer, to allow for their use of handwashing stations. CPCS will make hand sanitizer available throughout common areas. Hand sanitizer will be placed in convenient locations,

such as at building and classroom entrances and exits. Touch-free hand sanitizer dispensers will be installed where possible.

CPCS will place signage near hand sanitizer stations indicating that visibly soiled hands should be washed with soap and water; hand sanitizer is not effective on visibly soiled hands.

CPCS will remind individuals that alcohol-based hand sanitizers can be flammable and may not be suitable for certain areas in school facilities and on school grounds.

CPCS will place receptacles around the school for disposal of soiled items, including paper towels, water disposable cups and PPE.

# Field Trips/After School Activities

CPCS will not have external in-person student field trips and after school activities (beyond tutoring) until AFTER the COVID-19 health crisis is over.

#### Outside Play Area

CPCS will follow all of the health, hygiene and safety guidelines for the use of the outside play area at 710 Hartman Lane used for the Kindergarten classes. It is an open area. Any playground equipment will be clean and disinfected after each class usage.

# Cleaning and Disinfection

CPCS Restart Operations Plans to safely reopen facilities and grounds, such as cleaning and disinfection, and restarting building ventilation, water systems, and other key facility components, will follow DOH guidelines.

CPCS will ensure that cleaning and disinfection are the primary responsibility of the school's custodial staff. However, CPCS will also provide appropriate cleaning and disinfection supplies to faculty and staff for use in disinfecting shared and frequently touched surfaces:

- CPCS will provide disposable wipes to faculty and staff so that commonly used surfaces (e.g., keyboards, desks, remote controls) can be wiped down before and/or after use, followed by hand hygiene.
- To reduce the possible spread of the virus on high-touch surfaces, CPCS has installed touch-free amenities, such as trash receptacles and paper towel dispensers, where feasible.

CPCS will conduct regular cleaning and disinfection of the facilities and more frequent cleaning and disinfection for high-risk areas used by many individuals and for frequently touched surfaces, including desks and cafeteria tables which will be cleaned and disinfected between each individual's use, if shared. If student cohorts are used, cleaning and disinfection may take place between each cohort's use rather than each individual. Cleaning and disinfection must be rigorous and ongoing and will occur at least daily, or more frequently as needed. The custodial staff have been trained to follow

the NYSDOH, CDC and local health departments guidelines on how to clean and disinfect CPCS facilities.

- CPCS will ensure regular cleaning and disinfection of restrooms. Restrooms will be cleaned and disinfected often depending on frequency of use.
- CPCS will ensure that materials and tools used by employees are regularly cleaned and disinfected using registered disinfectants. Custodial supervisors will follow the Department of Environmental Conservation (DEC) list of products registered in New York State and identified by the EPA as effective against COVID-19.

If cleaning or disinfection products or the act of cleaning and disinfection causes safety hazards or degrades the material or machinery, CPCS will put in place hand hygiene stations between use and/or supply disposable gloves and/or limitations on the number of employees using such equipment/machinery.

CPCS will follow the best practices to implement in shared (i.e., communal) bathrooms include, but are not limited to:

- Installation of physical barriers between toilets and sinks; and
- Use of touch-free paper towel dispensers in lieu of air dryers.

CPCS will follow distancing rules to the best of our ability at all of our sites adhered to by using signage, occupied markers, or other methods to reduce restroom occupancy at any given time, where feasible.

CPCS will ensure the cleaning and disinfection of exposed areas in the event an individual is confirmed to have COVID-19, with such cleaning and disinfection to include, at a minimum, all heavy transit areas and high-touch surfaces.

#### Safety Drills

Education Law § 807 requires that schools conduct 8 evacuation and 4 lockdown drills each school year. When planning drills, CPCS will modify its drill procedures to minimize risk of spreading infection. Conducting drills is an important part of keeping students and staff safe in an emergency, however, CPCS will take steps to minimize the risk of spreading infection while conducting drills. As such, it will be necessary for CPCS to conduct drills in the 2021-22 school year using protocols that are different from the protocols used previously.

Regardless of the modification used when conducting a drill, CPCS students will be instructed that if it was an actual emergency that required evacuation or lockdown, the most imminent concern is to get to safety; maintaining social distancing in an actual emergency that requires evacuation or lockdown may not be possible and should not be the first priority. Modifications to our safety drill schedules are linked <a href="https://challengecharterschools.org/reopening">https://challengecharterschools.org/reopening</a>.

CPCS modifications to evacuation drill protocols will include, but are not limited to:

CPCS will conduct drills on a "staggered" schedule, classrooms will evacuate separately rather than all at once, and appropriate distance will be kept between students to the evacuation site. Staggering by the classroom, minimizes contact of students in hallways, stairwells, and at the evacuation site. If conducting drills using a modified procedure, it is required that the drill be conducted with all students in the school building on that school day, it may be necessary to do so during a class period that is extended for this purpose.

Modifications to Lockdown Drills will include, but are not limited to:

- CPCS will conduct lockdown drills in classroom settings while maintaining social distancing and using masks;
- CPCS will conduct lockdown drills on a "staggered" schedule with smaller numbers of students present to maintain social distancing, CPCS will be certain that all students receive instruction in emergency procedures and participate in drills while they are in attendance in-person; and
- CPCS will conduct lockdown drills in the classroom without "hiding"/"sheltering." Teachers will provide students with an overview of how to shelter or hide in the classroom.

#### Positive Screen Protocols

Any CPCS student, staff, or visitor who screens positive for COVID-19 exposure or symptoms, if screened at a CPCS facility, must be immediately sent home and will be given instructions to contact their health care provider for assessment and testing.

Students who are being sent home because of a positive screen (e.g., the onset of COVID-19 symptoms) must be immediately separated from other students, taken to the facility's isolation room, and supervised until their parent/legal guardian or emergency contact can retrieve them from school. CPCS staff will provide such individuals with information on health care and testing resources, if applicable. Our *Safe Response Policy* will be enacted for notifying families including follow through actions before a scholar may return to school.

# CPCS Safe Response Policy

To make sure we have a school environment that fosters the safety of your scholars as well as our staff, and school community, we have created the *Safe Response Policy*. It is important that families are knowledgeable of this policy in advance of reopening the school. Scholars will be mandated to return home if school personnel determine they exhibit symptoms of COVID.

Once it is confirmed a student exhibits symptoms and is going home, the family will be notified immediately by telephone. We will exhaust all contacts including all known and emergency contacts until an adult is reached. The scholar must be picked up within 2 hours of being contacted by the school, given the risk to the school community when a community member becomes ill.

Scholars who are sent home due to signs of COVID symptoms must return with a dated doctor's note clearing the student, to be granted re-entry back to school. If you notice signs or symptoms relating to COVID before sending your scholar to school, please keep them home and seek medical attention to confirm your child's medical state.

We appreciate your support and understanding of this new policy.

CPCS staff will immediately notify the state and local health department about the case if diagnostic test results are positive for COVID-19.

CPCS will require individuals to immediately disclose if and when their responses to any of the aforementioned questions change, such as if they begin to experience symptoms, including during or outside of school hours.

CPCS will establish policies, in consultation with the local health department, about the requirements for determining when individuals, particularly students, who screened positive for COVID-19 symptoms can return to the in-person learning environment. This returning to learning protocol must include at minimum documentation from a health care provider evaluation, and symptom resolution.

CPCS has designated Tameeka Richards, Director of Pupil Personnel Services as the overall CPCS COVID-19 Coordinator. Maryann Facey is the K-5 COVID-19 Site Coordinator, Nadine Lecoin is the Middle School COVID-19 Site Coordinator, and Renee Johnson, is the High School COVID-19 Site Coordinator; they are the point of contact at each of the CPCS sites. As COVID-19 Site Coordinators, they are responsible for receiving and attesting to having reviewed all screening activities, with such contact(s) also identified as the party for individuals to inform if they later experience COVID-19 related symptoms or COVID-19 exposure, as noted in the questionnaire.

#### Protocol for actions to be taken if there is a confirmed case of COVID-19 in the school:

If a confirmed infected person has entered or has been in a CPCS building, CPCS may implement short-term closure procedures regardless of community spread. If this happens, CPCS will follow CDC and DOH recommendations and implement the following actions:

**Coordinate with local health officials.** Once learning that a person with a confirmed COVID-19 case has been or is in a CPCS facility, CPCS will immediately notify local health officials. These officials will help CPCS leadership determine a course of action.

Consider a short-term (2 to 5 days) dismissal. An initial short-term dismissal may be implemented that allows time for the local health officials to gain a better understanding of the COVID-19 situation impacting the school. This allows the local health officials to help CPCS determine appropriate next steps, including whether an extended dismissal duration is needed to stop or slow the further spread of COVID-19. Local health officials' recommendations for the scope (e.g., a single school site, multiple school sites) and duration of school dismissal will be made on a case-by-case basis using the most up-to-date information about COVID-19 and the specific cases in the community.

During school dismissals, CPCS will discourage staff, students, and their families from gathering or socializing anywhere. This includes group child care arrangements, as well as gathering at places like a friend's house, a favorite restaurant, or the local shopping mall.

Communicate with staff, parents, and students. CPCS will coordinate with local health officials to communicate dismissal decisions and possible COVID-19 exposure. This communication with the school community should align with the communication plan in the school's emergency operations plan. The plan will include messages to counter potential stigma and discrimination. In such a circumstance, it is critical to maintain the confidentiality of the infected student or staff member as required by the Americans with Disabilities Act and the Family Education Rights and Privacy Act.

Clean and disinfect thoroughly. CPCS will close off areas used by the individual(s) with COVID-19 and wait as long as practical before beginning cleaning and disinfection to minimize the potential for exposure to respiratory droplets. Outside doors and windows will be opened to increase air circulation in the area. If possible, the custodial staff will wait up to 24 hours before beginning cleaning and disinfection. The cleaning staff should clean and disinfect all areas (e.g., offices, bathrooms, and common areas) used by the ill person, focusing especially on frequently touched surfaces. If surfaces are dirty, they should be cleaned using a detergent or soap and water prior to disinfection. For disinfection, most common EPA-registered household disinfectants should be effective. A list of products that are EPA-approved for use against the virus that causes COVID-19 is available <a href="https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2-covid-19">https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2-covid-19</a>. Follow the manufacturer's instructions for all cleaning and disinfection products (e.g., concentration, application method and contact time, etc.).

**Make decisions about extending the school dismissal.** Temporarily dismissing schools is a strategy to stop or slow the further spread of COVID-19 in communities. During school dismissals (after cleaning and disinfection), schools may stay open for staff members (unless ill) while students stay home. Keeping facilities open: a) allows teachers to develop and deliver lessons and materials remotely, thus maintaining continuity of teaching and learning; and b) allows other staff members to continue to provide services and help with additional response efforts.

CPCS will work in close collaboration and coordination with local health officials to make dismissal and event cancellation decisions. CPCS will not make decisions about dismissal or canceling events on their own. Dismissals and event cancellations may be extended if advised by local health officials. The nature of these actions (e.g., geographic scope, duration) may change as the local outbreak situation evolves.

**CPCS** will seek guidance from local health officials to determine when students and staff should return to schools. In addition, students and staff who are well but are taking care of or share a home with someone with a case of COVID-19 should follow instructions from local health officials to determine when to return to school.

**CPCS will ensure the continuity of education during a dismissal.** CPCS will implement strategies to continue education and related support for students. The staff will **review** continuity plans, including plans for the continuity of teaching and learning. Staff will implement e-learning plans, including digital and distance learning options as feasible and appropriate.

**CPCS Contact Tracing Plans** will support local health departments in contact tracing efforts using the protocols, training, and tools provided through the New York State Contact Tracing Program, an initiative between the Department of Health, Bloomberg Philanthropies, Johns Hopkins Bloomberg School of Public Health, and Vital Strategies.

Protocol for returning to the school building after illness or diagnosis of confirmed case of COVID-19 or following quarantine due to contact with a confirmed case of COVID-19

### Cleaning and Disinfection Following Suspected or Confirmed COVID-19 Case

CPCS will follow CDC guidelines on "Cleaning and Disinfecting Your Facility," if someone is suspected or confirmed to have COVID-19:

Close off areas used by the person who is suspected or confirmed to have COVID-19.

CPCS does not necessarily need to close operations, if the affected areas can be closed off (e.g., classroom, restroom, hallway), but CPCS will consult with the local health department in the development of its protocols.

- Open outside doors and windows to increase air circulation in the area.
- CPCS will wait 24 hours before cleaning and disinfecting, unless waiting 24 hours is not feasible, in which case, CPCS will wait as long as possible.
- Clean and disinfect all areas used by the person suspected or confirmed to have COVID-19, such as offices, classrooms, bathrooms, and common areas.
- Once the area has been appropriately cleaned and disinfected, it can be reopened for use.
- Individuals without close or proximate contact with the person suspected or confirmed to have COVID-19 can return to the area and resume school activities immediately after cleaning and disinfection.
- Refer to DOH's "<u>Interim Guidance for Public and Private Employees Returning to Work Following COVID-19 Infection or Exposure</u>" for information on "close and proximate" contacts.

If more than seven days have passed since the person who is suspected or confirmed to have COVID-19 visited or used the facility, additional cleaning and disinfection is not necessary, but routine cleaning and disinfection should continue.

## **Protocols Regarding Social Distancing**

CPCS will follow distancing rules to the best of our ability at all of our sites adhered to by using signage, occupied markers, or other methods to reduce restroom occupancy, hallway transitions, cafeteria and classroom usage at any given time, where feasible.

Pursuant to NYSED Guidance at this time, our school facilities and on school grounds (inclusive of students, faculty, and staff), CPCS does have multiple prevention strategies in place for the 2021-22 school year.

Where feasible, CPCS will put in place measures to reduce bi-directional foot traffic using tape or signs with arrows in hallways, or spaces throughout the school, and post signage and distance markers denoting spaces of six feet in all commonly used areas and any areas in which lines are commonly formed or students and staff may congregate (e.g., outdoor spaces, restrooms access in hallways, classrooms, health screening stations, etc.) following CDC, NYSED and NYSDOH guidance and suggestions where possible.

## Protocols for High Risk Individuals

CPCS will provide accommodations to all students and staff who are at high risk or live with a person at high risk. These accommodations may include but are not limited to remote learning or telework, modified educational or work settings, or providing additional PPE to individuals with underlying health conditions. CPCS will also identify and describe any modifications to social distancing or PPE that may be necessary for certain student or staff populations, including individuals who have hearing impairment or loss, students receiving language services, and young students in early education programs, ensuring that any modifications minimize COVID 19 exposure risk for students, faculty, and staff to the greatest extent possible per NYSDOH guidelines.

## **High Risk Students**

For "high risk" students seeking accommodation, their parents and/or guardians are encouraged to request a meeting with the appropriate school site Principal. The purpose of this meeting is to:

- 1) discuss the range of re-entry accommodations CPCS can provide, and
- begin the development of a specific Student Accommodation Re-Entry Plan.

In the event that the scholar has an IEP, the IEP takes precedence if there is any conflict between the IEP and the Re-Entry Plan. If there is any question regarding the services secured by the student's IEP, a meeting with the appropriate special education staff member will be scheduled.

An example of the re-entry accommodations that CPCS can offer to "high risk" students include:

- Full-time remote with additional support
- Hybrid-lite schedule
- Additional in-school supervision

The Director of Special Education in consultation with the site Principal and the site Special Education Liaison will schedule meetings at least quarterly with the student's parents/guardian to discuss the implementation of the Re-Entry Plan and the student's overall progress.

#### **High Risk Staff Members**

For a "high risk" staff member seeking an accommodation, a meeting between the staff member and his/her immediate supervisor should be scheduled as soon as possible.

The staff member requesting the accommodation is responsible for requesting this meeting. The purpose of this meeting is to identify the reason for and a description of the desired accommodation. The supervisor will convey the information collected at the initial meeting to the Director of Finance,

whose scope of responsibility includes Human Resources. The Director of Finance may need to collect additional information and conduct research before reaching a decision.

No final decision should be provided to the staff member before approval by the CEO.

In the event there are any questions or concerns about the final decision, CPCS will seek the advice of legal counsel. Once a final decision is reached, the staff member's supervisor will schedule a meeting with the staff member. The purpose of this meeting is to discuss the rendered decision and whether the staff member agrees or not with the decision.

It is important that all staff accommodation decisions follow the Americans with Disabilities Act (ADA) other federal and state laws as well as recommendations by the NYSDOH, NYSED and CDC guidelines.

## Site-Specific Health and Safety

## **Grades K-5 CPCS Site-Specific Health and Safety:**

- Assigned COVID-19 Safety Coordinator: Maryann Facey, K-5 Operations Manager
- If social distancing becomes mandated: The MAXIMUM capacity of students in each classroom is 12 students and 2 adults (teacher (s) and or teacher assistants). Students will follow the same class schedule, with the same teachers and classmates that they would in the face-to-face model. This will allow for a seamless transition back into the face-to-face model, and also allow for teachers to follow a similar model to their traditional classroom, in case there is another shutdown of schools and all students are learning remotely.
  - 710 Hartman Lane (K-3) can accommodate 396 scholars located at this site. 20 out of 22 classrooms will be utilized for instruction. 2 out of the 22 classrooms do not have windows and will not be used.
  - 15-26 Central Avenue (Grade 4-5) can accommodate 192 scholars at this site.
     Classrooms will be utilized for Grades 4 & 5 scholars.

#### Hybrid Learning Rotations:

If a Hybrid Learning mode is required, all K-5 scholars will attend in-person classes from Mondays through Thursdays. Grades K-5 scholars will follow an AAC/BBC day rotation. Students with the last name A-L- will attend face-to-face learning on Monday and Tuesday, while the other half of the class will receive instruction remotely. Students with the last name M-Z- Wednesday and Thursday, while the other half of the class will receive instruction remotely. Group C will include students who would most benefit from in-person instruction (students with disabilities, English Language Learners, students performing below benchmark, etc.). Students in Group C will receive in-person instruction Mondays through Thursdays. On Fridays, all scholars will receive live instruction remotely.

#### Grades 6-10 CCMS/CCHS Site-Specific Health and Safety:

- Assigned COVID-19 safety coordinators: Nadine Lecoin, 6-8 Operations Manager and Renee Johnson, 9-10 Operations Manager
- <u>If social distancing becomes mandated</u>: The MAXIMUM capacity of students in each classroom is 12. Students will follow the same class schedule, with the same teachers and classmates that they would in the face-to-face model. This will allow for a seamless transition back into the

face-to-face model, and also allow for teachers to follow a similar model to their traditional classroom, in case there is another shutdown of schools and all students are learning remotely.

- 12-79 Redfern Avenue (6-8) can accommodate 115 scholars at a time at this site. Each grade will host up to 38 scholars--which would mean that each class would have 12 scholars, using 9 classrooms. The classrooms without windows cannot be used--students and staff will not be allowed access to those rooms.
- 1520 Central Avenue (Grade 9-10) can accommodate 48 scholars at a time at this site, with 4 classrooms hosting 12 scholars in each.

#### Hybrid Learning Rotations:

 If a Hybrid Learning mode is required, the instructional Face-to-Face day will comprise an AAC/BBC rotation schedule from Monday to Thursday with all scholars working in live remote sessions on Friday mornings and asynchronous remote learning on Friday afternoons. On Mondays through Thursdays, 50% of each homeroom's scholars will be in the building per this alternating schedule.

## Use of Elevators Capacity Limitation

 The capacity of each CPCS site elevators will be limited to 50% of the normal capacity and will be used by CPCS staff only per NYSDOH guidelines.

#### **Deliveries from Outside Vendors**

 CPCS has designated specific areas for deliveries/pickups from outside vendors at each CPCS site. Proper signage and PPE requirements will be posted at the designated entrance per NYSDOH regulations.

## **CPCS Contact Tracing Support**

Contact tracing is a public health function performed by local public health departments to trace all persons who had contact with a confirmed case of COVID-19. This allows public health officials to put in place isolation or other measures to limit the spread of the virus. CPCS will cooperate with state and local health department contact tracing.

The local Department of Health (DOH) will notify CPCS when an individual CPCS student or staff member has tested positive for COVID-19. Upon notification, CPCS will immediately implement its process of contact tracing support. This process is designed to provide information to the local health department that will assist in its tracing of all school-related contacts of the infected individual. If a

student is the infected individual the information provided by CPCS will include but is not limited to the following:

- Identification of the student members of the pod (classroom) in which the infected student is a member;
- The daily attendance of the members of the pod (classroom) and the overall attendance rate of the school;
- The master schedule for the school;
- The schedule for the individual members of the pod (classroom), which is particularly important for middle school and high school students;
- When a student is not restricted to a single pod (classroom), the identification of the students assigned to the classes in which the infected student is a member;
- The contact information for any student assigned to a pod or class in which the infected student is a member; and
- The name and contact information of any staff member/s that had contact with the infected student.

If a CPCS staff member is the infected individual, CPCS will provide to the local health department the following information:

- The infected individual's job description;
- The infected individual's assigned location;
- The identity of the individuals with whom the infected person regularly came into contact;
- The contact information for all the individuals with whom the infected person regularly came into contact; and
- The contact information for the infected individual.

CPCS will provide additional information per request from the local health department to assist in the tracing process.

In supporting DOH in its tracing of all contacts of the infected individual, CPCS will follow the protocols and tools provided through the New York State Contact Tracing Program. Confidentiality will be maintained as required by federal and state law and regulations.

If feasible, CPCS will use technology (e.g., mobile applications) to streamline the contact tracing and communication process among its students, teachers, staff, parents/legal guardians of students and the community.

If feasible, CPCS will partner with local health departments to train staff to undertake contact tracing efforts for populations in school facilities and on school grounds.

## CPCS COVID-19 Testing Plan for Scholars & Staff

CPCS has joined the NYC DOE COVID-19 testing program for the 2021-22 School year. Mandatory in-school testing is part of the NYC Department of Education's comprehensive effort to keep school communities (including charter schools as of the 2021-22 school year) healthy and safe, and ensure all school buildings remain open.

The NYC DOE COVID-19 mandatory in-school testing program began to ensure that all school buildings (now including charter schools) remain open for in-person learning, requiring

mandatory, weekly in-school testing for COVID-19 for a randomly selected portion of staff and students in grades 1 and higher.

The NYC DOE COVID-19 testing initiative is organized by the NYC DOE partners at NYC Health + Hospitals, the New York City Department of Health and Mental Hygiene (DOHMH), and the NYC Test & Trace Corps.

As of this 2021-22 edition of our CPCS Reopening Plan the NYC DOE has advised CPCS that the details for the NYC DOE COVID-19 surveillance testing program for the 2021-2022 academic school year will be released soon. The guidance and testing program structure for charter schools will mirror that of the DOE testing program for testing frequency, volume and modality. Challenge has notified the NYC DOE that CPCS will opt in to the DOE testing program.

This plan will be updated with all the details of the testing program for both scholars and CPCS staff. Additionally, the information will be disseminated across all of our websites, social media and direct messaging our parents/guardians, scholars and staff.

# What Will Happen Should a COVID-19 Student or Staff Member Become COVID-19 Symptomatic?

In the event that a CPCS student or staff member becomes COVID-19 symptomatic in school, the symptomatic individual, if a student, will be immediately placed in the school's isolation room waiting to be picked up by a parent or guardian. If the symptomatic person is a staff member, he or she will be immediately sent home. In both instances, individuals will be given a packet of information that includes the location of diagnostic testing sites, material discussing COVID-19 symptoms and guidelines for quarantining and the return to school protocol. CPCS will suggest that the symptomatic individual contact his or her health provider as soon as possible. It is understood that if, in the opinion of the school nurse, the symptomatic person requires immediate medical attention, an ambulance will be called to take the person to St John's Hospital in Far Rockaway. The Hospital will be contacted in advance and advised that a person with COVID-19 symptoms is being transported to the facility.

CPCS will contact the local health department to report when a symptomatic student or staff member has been identified, and that referral information has been provided to the symptomatic student or staff member. Additionally, the identity of students and staff who have had close contacts with the symptomatic student or staff member and their contact information will also be provided.

CPCS is suggesting that all staff members who are presumably asymptomatic for COVID-19, voluntarily get tested prior to their coming to school for the 2021-22 School Year. Parents/guardians and staff will be provided training about COVID-19 screening and what steps should be taken if symptoms are identified including diagnostic testing and where testing sites are located.

## **General Health and Safety Assurances**

Challenge will follow all guidance related to health and safety as it relates to all requirements associated with building space usage in each site to the best of our ability per NYSED guidelines. Additionally, Challenge will clean frequently touched spaces regularly to prevent spread of infection – see the Cleaning and Disinfection section on pages 9 for details.

## Fire Code Compliance

Challenge is not making any changes or additions to the four sites listed above that would require a review by the Office of Facilities Planning.

#### **Doorways**

- Challenge facilities do not have any "automatic hold open" doors.
- Challenge will leave open internal doorways to stair entrances and exits in all four Challenge sites.

#### Emergency Drills

- Challenge will conduct standard operations and procedures to the best of their abilities without deviating from current requirements based upon the hybrid scholar schedule for each site.
- Challenge will conduct Fire (evacuation) Drills and Lockdown Drills as required by Education Law
  and regulation and the Fire Code and they will be conducted at each site without exceptions.
  Challenge has updated each site's Fire Safety, Evacuation, and Lockdown Plans (these plans
  include how lockdown and evacuation drills are conducted) in accordance with Fire Code Section
  404. The updated plans have taken in consideration methods to promote and provide for social
  distancing during the evacuation drills. See the Safety Drills section on page 10 for details.

## Inspections

 Challenge will meet the required submission deadline for the Building Condition Survey or Visual Inspections.

## Lead Testing

- Challenge will meet the statutory requirement for lead testing in 2020 if it continues to be required as indicated in NYS DOH regulation 67-4, Lead-In-Water Testing, DOH requires lead-in-water testing to be conducted when the building is "normally occupied."
- Challenge will not do lead-in-water testing via sampling since the buildings at each site have been vacant due to the facilities being vacant for an extended period due to COVID-19 closures. Once our buildings are fully occupied we will complete Lead Testing in all of our sites.
- Challenge will follow NYS DOH advice to provide clean and safe drinking water upon reopening for scholars and staff. Challenge will provide clean and safe water in every classroom in all sites via rental of units and purchase of water and cups.
- History of water lines in each facility:
  - 710 Hartman Lane site facility was totally retrofitted during 2011 and was turned over to Challenge in April 2012 for the operation of the K-5 site.
  - 1526 Central Avenue site facility was totally retrofitted during 2014 and was turned over to Challenge in September 2015 for the operation of the 6<sup>th</sup> and 7<sup>th</sup> grade site.
  - 12-79 Redfern Avenue site facility was totally retrofitted following SuperStorm Sandy in 2012-13. Challenge subleased the site beginning in August 2018 as additional space for grades 6-8.
  - 1520 Central Avenue site Challenge took possession of the site on August 9, 2021 of retrofitted back building and new construction of the Gym and front buildings. The site will open for scholars in grades 9-10 for the 2021-22 school year.

#### Means to Control Infection

Challenge will follow the following arrangements to reduce transmission of infection:

- **Time Management:** Challenge will monitor and reduce the scholars/staff use of corridors at each site throughout the school day.
- Leave Doors Open: Challenge will reduce the spread of the virus from touching door levers and knobs, by leaving the doors in the open position. This will only be done with the "permitted doors" without door closers and doors which are not fire rated.
- Plastic Separators: Challenge will install light-transmitting plastics as required in each scholars
  and staff restrooms to separate individual lavatory sinks and urinals in all four Challenge sites.
  Additionally, Challenge will install light-transmitting plastics in other locations i.e. main offices
  where social distance or mask requirements cannot be complied with or easily regulated. The
  light-transmitting plastics will comply with the 2020 BCNYS Section 2606 to mitigate the negative
  impact of life and safety features of Challenge.

- Alcohol-based Hand Rub Dispensers: Challenge will add additional alcohol-based hand rub
  dispensers throughout the four Challenge sites where currently installed dispensers do not meet
  each building's capacity to provide adequate hand washing facilities and to reduce the
  scholars/staff use of corridors at each site.
  - Challenge will follow FCNYS 2020 Section 5705 (limited quantities) as decisions are made in adding Alcohol-based Hand-Rub Dispensers installed at entrances to classrooms, outside building entrances, office entrances and common area corridors.
- Dividers at doors and other points of congregation: Challenge will make use of portable dividers and/or movable separation cones at queue lines i.e. main entrances during scholar arrivals and departures and other areas subject to overcrowding to control the groups.

## Plumbing Facilities and Fixtures

**Toilet and Sink Fixtures:** Challenge does not need to reduce the number of toilet fixtures in any of our buildings in order to facilitate frequent cleaning. See Cleaning and Disinfection for details on page 9. Challenge does not need to reduce the number of sinks fixtures in any of our buildings in order to facilitate frequent cleaning.

#### **Plumbing Facilities and Fixtures Mandatory Requirements**

**Drinking Water Facilities:** As indicated in the **Lead Testing due in 2020 section** Challenge will follow NYS DOH advice to provide clean and safe drinking water upon reopening.

Challenge will provide bottled water dispensers and disposable cups in each classroom and main offices to facilitate access to clean and safe water for all scholars and staff.

## Ventilation

- Our ventilation systems have 100% fresh air intake into the HVAC system and thereafter into the various spaces (classrooms, hallways and offices) at each Challenge site.
- Challenge and our landlords have changed out all HVAC air filters in all of our sites that are
  designed to capture, condition, inactivate any viable pathogens and transport contaminants from
  the treated space to the CDC approved filters.
- Challenge will maintain adequate, code required ventilation (natural or mechanical) as designed and air purifiers have been added to the 12-79 Redfern Avenue in every classroom and will monitor all buildings to add air purifiers where required.
- Challenge will open windows (weather permitting) to increase air flow when possible in each site.

## **Nutrition**

Breakfast and lunch provided by the NYC Office of SchoolFoods in each of our sites. For the 2021-22 school year we will use the cafeterias in the 710 Hartman Lane, 1526 Central Avenue and 1520 Central Avenue sites observing established social distancing rules and mandated hygiene practices. At our 12-79 Redfern Avenue site scholars will be served in their classrooms. Supervising staff will ensure that all desk surfaces are sanitized and that all scholars have washed their hands before and after eating at this site. Scholars can also bring a bagged lunch from home at any of our sites.

Should for any reason the COVID-19 Crisis requires a change from in person learning at our sites we will provide meals when students are attending school remotely: Parents/students will have the opportunity to pick up a grab and go bag for breakfast and lunch from sites designated by the NYC DOE. CPCS will provide updated information on the Challenge Reopening website page throughout the school year at: <a href="https://www.challengecharterschools.org/reopening">www.challengecharterschools.org/reopening</a>.

<u>Updated meal procedures when students are attending school in-person</u>: Required cafeteria signage provided by the office of SchoolFoods will be posted in all of our cafeteria locations as well as in the 12-79 Redfern Avenue classrooms to be in compliance with Child Nutrition Program requirements.

<u>Protecting students with food allergies:</u> Each cafeteria and the classrooms at 12-79 Redfern Avenue site will have a poster which includes a list of allergies that apply to the cohort being served in that space. This will be posted near the cafeteria or classroom door. The poster will not include the scholars' names. The cafeteria or classroom staff will be provided with a list of scholars with allergies by cohort. The list will be shared with staff members who are assigned to cover the cafeteria or class during lunch hours. The nurse will train staff members on food allergies, including symptoms of allergic reactions to food.

Hand hygiene before and after meals: Students will utilize the bathrooms located in either their classroom or on each floor. A schedule will be followed before and after meals for bathroom/hand washing utilization. Scholars will be escorted to the restroom by their teachers.

#### Cleaning and disinfection before and after meals:

- Before Meals: The teacher or TA will use gloves to wipe down the surface of every scholar's desk
  at the 12-79 Redfern Avenue site. This will also be done for all the tables in each of our cafeteria
  locations by custodians and operations staff.
- After Meals: Scholars will dispose of all garbage into the garbage cans located in their classroom at 12-79 Redfern Avenue. Following the disposal, they will use a CPCS disinfectant wipe down the desk surfaces. Wipes will be provided by supervision staff. In the cafeteria sites the same procedures will be followed.

<u>Communicating with families:</u> CPCS will utilize ParentSquare for all notifications and the Daily Health Screening Questionnaire. Families will be instructed on how to set up an account and how to turn on notifications for emergencies, school-wide notices and events. If necessary, phone calls from office staff will provide updated information for families that fail to respond.

Challenge is currently provided bus services from the NYC Department of Education via the Office of Pupil Transportation (OPT) to transport students to CPCS sites for Grades K-8. CPCS will work with the OPT to meet the Transportation -- Mandatory Assurances for transporting our students. The NYC DOE Office of Pupil Transportation provides the drivers and buses that are used to transport CPCS students. PPE will be provided by the NYC OPT for their drivers. CPCS will monitor each bus each day to assure that the drivers are properly equipped upon arrival and departure of each bus. If the driver is not properly equipped, CPCS will provide the PPE equipment for the driver before the CPCS students are allowed to be transported.

CPCS will train the students being transported by OPT buses on the proper use of personal protective equipment and the signs and symptoms of COVID-19. Additionally, the students will be trained on the proper use of social distancing while riding the bus.

If CPCS is in session remotely or otherwise, pupil transportation will be provided to students whose Individualized Education Program has placed them out of CPCS, whose schools are meeting and conducting in-person session education when/if CPCS is not.

## School bus pre-boarding protocols

- Parents complete the required steps for at-home screening daily before scholars are allowed to board the school bus.

#### Multi-Tiered System of Supports (MTSS) and Response to Intervention (RTI)

The adverse impact of the coronavirus pandemic on the social-emotional health of students, families, and staff, will be addressed through a comprehensive counseling program that meets the needs of all students by facilitating their personal/social development, academic development and career development. The program aims to: create a positive and safe learning climate, help students feel connected to school, help students feel connected to at least one caring adult, and help students resolve problems that prevent their healthy development (i.e. managing traumatic experiences). The program is delivered through the following program components:

<u>Multi-Tiered System of Supports</u>- organized levels of healing centered interventions to ensure scholars receive timely services based on social and emotional need

*Tier 1: Core Program with Universal Supports*. All students (100%) receive standards- and competency-based school counseling core curriculum, individual planning, and school-wide activities

*Tier 2: Targeted Intervention for Some Students*. A smaller set of students (20%), identified by data screening, receive targeted, data-driven interventions.

*Tier 3: Intensive Intervention for a Few Students*. A limited number of high needs students (5-10%) with supports of a greater intensity specifically tailored to meet individual needs.

MTSS and Response to Intervention (RTI) work in a complementary fashion to identify students in need, to provide support, to monitor student outcomes, and to modify support as needed.

<u>Curriculum</u>- Members of the student support team will create developmentally appropriate lessons to address the SEL needs of our students. Curriculum will be heavily tied to the five core social-emotional competencies identified by The Collaborative for Academic, Social, and Emotional Learning (CASEL). CPCS' implementation of the Schoolwide Enrichment model (SEM), will also engage students in SEL by having them identify their interests through a research-based self-assessment tool and by engaging students in Enrichment Clusters (ECs) where they will work in project-based learning teams (virtually and/or in-person) to deeply explore a topic, research issues, formulate a plan of action that they then share with the community at large.

<u>Individualized and Transitional Planning</u>- Students will engage in reflective self-evaluations, the development of Personal Plans of Study, and the development of transition plans.

**Responsive Services**- Individual counseling, small-group counseling, consultation, and referrals will be provided by licensed personnel.

#### SEL Advisory Council

CPCS will establish either an advisory council, shared decision-making, school climate team, or other collaborative working group comprised of families, students, members of the board of trustees, charter leaders, community-based service providers, teachers, certified school counselors, and other pupil personnel service providers including school social workers and/or school psychologists, to inform the comprehensive developmental school counseling program plan.

## **Communications Plan**

#### **Communications Goals for 2021-22**

- Support the physical and mental health of our scholars and staff with information and updates
- Support the quality education that Challenge provides through consistent and regular communication
- Support our school's efforts to keep scholars and families engaged in learning no matter the teaching model (remote and/or hybrid) we are using

#### **Reopening Communications Guiding Principles**

- 1. Acknowledge the Difficulties and Concerns Learning of During a Pandemic
  - a. The global pandemic has dramatically changed normal learning environments and has affected our scholars and families in ways we are still learning.
  - b. Our communication this school year will reflect respect for what our families and scholars have endured, celebrate the resilience of our community, and continue to tell the story of our great school. In that spirit, our school hashtag is now #CheetahFierce.
- 2. Recognize the Perspectives of Stakeholders
  - a. The goal is to do no additional harm in these difficult times when school life has been disrupted by the coronavirus. The loss of traditional school teaching and extracurricular activities has had a negative impact on our scholars, families, teachers and staff and the wider community.
  - b. We affirm that while we will not have all the answers at all times given the evolving situations that COVID-19 poses, we will be as transparent as possible while adhering to health department, privacy, and school leadership direction.
- 3. Communicate with Stakeholders Frequently on Multiple Channels
  - a. We recognize that communication builds trust and confidence with our school-wide community.
  - b. We already use a variety of methods to keep our families informed, and we will continue to do so as well as add additional methods of communication as needed. We encourage families to visit our <a href="website">website</a> and to follow our <a href="Instagram">Instagram</a> and <a href="Facebook">Facebook</a> pages for updates.
  - c. We developed a <u>Family Resources page</u> and a <u>Reopening page</u> on our website to expand the places that our families can receive pertinent information and resources.

#### Pillars of Communication for 2021-22 Academic Year

The following pillars will direct most if not all our communications efforts this coming school year.

- Scholar/Family Safety (Prevention, Mitigation, Response)
- Social/Emotional Health (Relationships, Services, Resources)
- Quality Learning (In-person, Remote, Hybrid)

#### **Identified Stakeholders**

- Employees Administrators, Teachers, Staff
- Scholars and their Parents/Guardians/Families
- Board of Trustees
- Community Members/Leaders
- Health Department

#### Communications Related Actions March 2020 through May 2021

- We have continued to engage all of the above stakeholders throughout our reopening planning process.
- Since the March 2020 closings, we provided regular updates to families using our typical communications systems including: website, social media, SchoolMessenger - texts, automated calls, emails, Google Classroom messages, and PupilPath. In July of 2020, we engaged our families with a school wide family Return to School survey, and we utilized the results of that survey to inform our choices in the 2021-21 school year.
- We developed a new Family Resources page on our website in March 2020 for School-wide Updates and Coronavirus Resources and added Instagram to our Social Media strategy.
- We sent out updates and notices to families regarding our continued response to the pandemic and our decision to remain with Remote Learning through the end of the 2021 school year.

### **Communications Related Actions June 2021 to Reopening**

- We are once again enhancing the way we communicate with families.
  - For the 2021-22 school year, along with our website and social media channels, we are utilizing one new messaging system for families--ParentSquare.ParentSquare allows us to bring everyone together—students, teachers, coaches, parents, administrators—with one communication and collaboration platform. It is a web-based communication management system that brings a high level of automation to our school's Operations Department. It easily facilitates the collection of digital school forms, fees, survey results, and contact information from our school community. Integration is expected to be completed by August 17, with families receiving their account signup information through on-file email accounts and also via their scholar's Challenge email account.
- We hosted two Town Halls regarding School Funding and Reopening Plans via Zoom on June 1 and June 3, 2021. A family survey was sent out shortly after our Town Halls that included preferences on safe learning for the 2021-22 school year. We used the results of that survey to inform this plan.
- Staff: Letters regarding Reopening went out on July 29, 2021 and August 6, 2021. Health and Safety training will begin during Professional Development Week, August 16-20, 2021.
- Families: A letter went out on July 29, 2021 announcing in-person learning and general Health and Safety updates. On Monday, August 16, families received a letter regarding ParentSquare and the required Health Questionnaire. Further, Health and Safety expectations will be reviewed again as this school year commences.
- We are considering Town Hall meetings in August for our families and staff that will address important Reopening details and answer questions submitted by families.
- Our Health and Safety Reopening Section of this document indicates communication steps that follow symptomatic and confirmed cases of COVID-19 in our buildings.
- Regular updates to staff and families will continue to be provided on our <u>Reopening information</u> page <a href="https://challengecharterschools.org/reopening">https://challengecharterschools.org/reopening</a> and <a href="Family Resources">Family Resources</a> page <a href="https://challengecharterschools.org/family-resources">https://challengecharterschools.org/family-resources</a> on our website. Our full reopening plan will be provided in English and Spanish.

#### **Communication in our Buildings**

Upon our opening, signage will be posted at each of our school sites. This includes signage at Entrances, Bathrooms, Classrooms, Hallways, Offices, Open Spaces/Community Spaces and any other places needed. Signs will be in English and Spanish and will cover:

- Requirements/Questions to Answer before Entering (temperature checks, potential exposure risk)
- Mask Requirements
- Hand-washing Guidelines/Sanitizing (every bathroom)
- Where to Enter/Exit
- Keeping Social Distance (where possible)
- Classroom Practices
- Cleaning Practices (our specific daily practices to disinfect)

As of July 31st, 2020 this signage was made available to applicable administrators and school staff via a shared folder on Google Drive.

### **Attendance**

#### Student Attendance Policy and Procedures

- Scholar attendance will be documented in PowerSchool by classroom staff daily in Period 1.
   Meeting attendance will also be logged to track scholars' period attendance in Grades 6-10. This will be completed for both in-person and remote instruction.
- Parents/guardians are advised to notify the school of their scholar's anticipated absence via ParentSquare notification.
- Parents whose scholars are marked absent or late in PowerSchool during the advisory period from 8:00 AM to 8:20 AM daily will be notified via ParentSquare text and email notification.

### Addressing Chronic Absenteeism

A dedicated team of school personnel will reach out to the families of scholars who are not attending school *prior* to the issue becoming chronic. Additional outreach will be done where needed to ensure attendance (virtual meeting with family to discuss and solve barriers, official attendance concern letter to the family, etc.). Where necessary, the school counselor and the social worker will conduct home visits. Child welfare agency reports will be submitted if deemed necessary after other interventions have been completed.

#### Staff Attendance Policy and Procedures

CPCS staff will clock in and out remotely using our payroll provider's (ADP TotalSource) online time & attendance system, which can be accessed from either a mobile phone or computer. This helps promote social distancing and hygiene requirements by law. Employees must record their presence at work for attendance, safety and security purposes. Site specific protocols will also be employed to ensure adequate coverage.

Our modified attendance policy notifies employees that an absence for any of the following reasons is excused if:

- 1. they have tested positive for COVID-19;
- 2. they have one of the principal symptoms of COVID-19;
- 3. they have been advised by a healthcare provider to self-quarantine;
- 4. they are caring for or have had close contact with someone who meets the criteria in (1), (2), or (3);

- 5. they are actually needed and are caring for a child because the child's school or childcare provider is unavailable; or
- 6. a government order prohibits them from working outside of their home.

## **Technology and Connectivity**

Challenge is committed to provide every scholar and staff member with the technology needed for the academic success of our school. As Challenge utilizes in-person, remote, or hybrid models during the 2021-22 school year, we will be providing scholars and teachers with access to a personal computing device and the assurance of access to high-speed internet at Challenge's four sites and in their places of residence.

Challenge has historically been a technology driven school. Each classroom is equipped with Smartboards to facilitate live in-person learning at all four Challenge sites. This technology will provide support for the remote learning transmission of live feeds to scholars that may be joining the in-person teaching remotely from their home.

In the 2021-2022 school year Challenge will provide all 1,021 scholars with a Chromebook and all 154 staff members with a laptop computer.

Challenge will require that every scholar use the school provided Chromebook for all remote learning sessions. This requirement will ensure student data privacy and security will be maintained and that the school continues in compliance with Federal and State laws related to student technology use, including NY Education Law 2-d and Part 121 of the Commissioner's Regulations.

Challenge is committed to assuring access to high-speed internet for all scholars to allow full participation in our remote/online learning program. Challenge will conduct updated technology surveys of all 2021-22 parents and guardians to determine what access each scholar has available in their home. Where no internet access and/or limited access is available to the scholar, Challenge will provide a hotspot and service in those homes that are not financially able to afford internet access.

Challenge will work with every teacher to assure that they have access to high-speed internet in their residence.

Challenge will provide professional development for leaders and educators on designing effective remote/online learning experiences and best practices for instruction in remote/online settings.

Challenge will provide instruction to scholars to build digital fluency especially incoming Kindergarten scholars and first time scholars enrolling in Challenge in grades 1-10.

Challenge provides two full time Technology Coordinator over our four sites in order to support teachers, scholars and families. Additionally, Challenge has contracted Charter Technology Solutions to remotely support all Challenge staff--administrators, teachers, academic support staff, teaching assistants, etc.

Annually, Challenge evaluates the number of different tools that students will be expected to utilize. After an assessment of the effectiveness of various digital tools, platforms, and resources utilized during the school year, our toolset is reviewed, streamlined, and improved upon.

Challenge will cover the following during the Professional Development Week and throughout the school year with the entire academic staff and the parent engagement staff:

 Find ways to provide both support and flexibility to scholars when designing remote/blended/online learning experiences.

- Discuss ways to work with colleagues, scholars, and families to identify multiple effective structures and supports (i.e. consistent methods of communication and times that communications are sent, predictable deadlines, and the provision of instruction in multiple modalities (recorded video, recorded audio, written translation). Special emphasis will be to discuss the difficult conditions some scholars and families face when dealing with open deadlines, ambiguous expectations, and/or lack of direct support from a qualified educator. The focus will be on finding ways of supporting scholars as teachers and as a school in order to increase levels of engagement during remote learning.
- Additionally, training will be provided on how to provide flexibility to decrease stress and
  increase equitable access for scholars and families. The training will remind teachers that
  older students may be taking on responsibilities such as caregiving or working outside of
  the home and may not be available during traditional school hours. Elementary teachers
  will be reminded that caregivers of our younger students may not be in a position to
  effectively guide remote/online instruction during the school day.
- Teachers will be reminded that one area requiring flexibility is printing. Many scholars may
  not have access to a printer, especially if libraries are closed. Consider alternative learning
  activities that do not require scholars to print.

## Current Programs Used to Support the Challenge Technology Program

Challenge provides multiple ways for students to participate in learning and demonstrate mastery of Learning Standards in remote and blended learning models, including - but not limited to - <a href="PowerSchool SIS">PowerSchool SIS</a>, i-Ready, Seesaw, and G-Suite Apps for Education.

## Technology Professional Development Resource

Teachers and staff also use <u>G-Suite Apps for Education</u> for collaboration and have access to self-paced learning via <u>OTIS for Educators</u>, which is supported by state-certified teachers and offers professional development on the use and integration of various education technology programs.

#### Scholar Privacy Agreements

Challenge Charter Schools has secured privacy agreements with all of our digital vendors. Most privacy agreements are arranged via Google integration, and all software was acquired over an SSL encrypted browser. A full list of our vendors that we have privacy agreements with can be found on our website <a href="https://challengecharterschools.org/tech-privacy-policies">https://challengecharterschools.org/tech-privacy-policies</a>.

#### Challenge Grade Specific Technology Plans to Support Learning

Daily instruction at Challenge has always included blended learning opportunities and the consistent use of technology has been key to supporting students when employing remote learning. As all students will have a Chromebook through Challenge's 1-to-1 device management program, systems have been put in place to provide support to all staff and students during both remote and in-person learning.

| Technology Plan Components to Support Learning  | Hybrid<br>Learning | Remote<br>Learning |
|---|--------------------|--------------------|
| Scholars will connect to live remote learning sessions via Google Meet.   |                    | <b>✓</b>           |
| For technology support, students can request support via a Google Form that is submitted to the technology team.  | <b>✓</b>           | <b>✓</b>           |
| If online instruction becomes unavailable due to power outages or any other event, the student will be given a make-up period for work completion.  | <b>√</b>           | <b>✓</b>           |
| Teachers establish course content in a learning management tool such as Google classroom (Grades 2-10) or Seesaw (Grades K and 1). Students also use online resources to support their learning, conduct simulations, access text, build projects, and share their writing and performances.  | <b>✓</b>           | <b>✓</b>           |

# Teaching and Learning

## Continuity of Learning Plan

CPCS' has ensured continuity of learning for all students by expanding our 1:1 student to device program for all grades. Whether in-person, hybrid or remote, class and course content will continue to be aligned with NYS Learning Standards. We use primarily digital versus paper student (and teacher) curricula resources to allow for Chromebooks to become student notebooks- while recognizing that scholars in grades K and 1 may sometimes benefit from paper copies. Scholars (and families) receive explicit instruction in technology as all work is submitted digitally - regardless of learning environment - remote or in-person. Scholars and families will be able to submit help desk tickets for technology support. These tickets will be addressed by site specific technology coordinators. Scholars

and families will be able to reach teachers via email, Schoology, and Google Voice telephone numbers as needed.

## **Our Hybrid Learning Model Defined**

- If needed, CPCS will follow an AAC/BBC rotation hybrid model which allows for approximately half
  of the student population to receive in-person instruction, while the other half receives remote
  instruction.
- Remote instruction may contain both synchronous and asynchronous learning activities. See below for a definition of these terms.
- Each class will be divided into three groups, Groups A, B, and C. Most students will be assigned to Group A or B.
- Group C will include students who would most benefit from in-person instruction (students with disabilities, English Language Learners, students performing below benchmark, etc.). Students in Group C will receive in-person instruction four days every week.
- Students assigned to remote learning will log into the live instruction classes to promote
  educational equity and to maintain community amongst students. The exact number of students in
  each group will always conform to the most up-to-date CDC guidelines on social distancing.
- All student schedules (regardless of the learning environment) will allow substantive time for interactions amongst students and between students and their teachers (in whole class, small group, and one-to-one settings).
- All student schedules (regardless of the learning environment) will allow time for students to receive feedback and support from teachers.

Synchronous- *happening at the same time*. Scholars will be learning the same thing at the same time, and will be guided by a teacher.

Asynchronous- not happening at the same time. Scholars will be learning independently and at their own pace.

| Day       | Group A   | Group B                       | Group C                       |  |

## Grades K-5 - Continuity of Learning Highlights:

- Grades K-5 will begin in-person instruction on August 23, 2021.
- Scholars in kindergarten will be dismissed at 12:00pm on August 23rd and August 24th.
- Scholars will receive daily instruction across all content areas regardless of the learning environment (in-person).

- Parents will receive information about how to stay informed about their child's progress through various technology tools (Google Classroom and Powerschool)
- Priority standards for the 2021-22 school year will be selected based on I-Ready student performance data and additional data gathered by teachers.

## Curriculum, Educational Program and Resources

CPCS' comprehensive educational program is based on the NYS Common Core Standards and provides instruction on the essential literacy and mathematics skills and understandings necessary for success on both school-wide and state assessments. The CPCS curriculum also includes integration of visual and performing arts, science, social studies and physical education. Our reading and writing unit plans were designed by teaching staff which aligns to science and social studies. Teaching staff follow a Balanced Literacy approach using the Gradual release model. This curriculum comes alive in the hands of our talented teachers who are committed to ensuring that our students reach their highest potential. We are dedicated to accommodating children's diverse needs, the way they learn, their experiences and interests, and to facilitating continuous educational growth. Below are curricula programs and resources utilized to deliver instruction, intervention, and enrichment.

- Parents will receive information about how to stay informed about their child's progress through various technology tools (Google Classroom, Powerschool)
- Priority standards for the 2021-2022 school year will be selected based on end of year
   I-Ready student performance data and additional data gathered by teachers.

#### Curriculum, Educational Program and Resources

The Challenge Based Learning Model provides the framework through which students will engage in the core curriculum. The NYS CCSS curriculum modules, particularly and initially in ELA and Math, will be adopted and adapted for use. These are yearlong in nature and deeply and extensively prepared with content, resources, assessments and curriculum maps. Essential Questions and a Blended Learning model will be supplemented by other applied learning experiences that are cross-disciplinary and longer-term school-wide investigations and studies undertaken by the students, and facilitated by their teachers. Challenge Based Learning emphasizes exploring topics from many angles and through the lens

of multiple disciplines, which allows students to appreciate the natural connections between subject areas that might not always be evident. Although teacher involvement throughout the Challenge Based Learning process is crucial, it is a fundamentally different relationship and changes as students progress through its stages.

Early on—when teachers introduce Challenge Based Learning to students and set up the challenge—they are actively guiding the process by making decisions, communicating information, teaching skills, and answering questions about how the process works and what is expected. In the middle stages, students take charge of planning and researching their own work and teachers serve primarily as a mentor working alongside the students, helping them through the rough spots and keeping them on track. In the later stages, students are deeply engaged in their own work while you monitor the mastery of required knowledge and skills through appropriate assessments. Finally, teachers transition into the role of product manager supporting the students as they implement, evaluate, and publish their solutions and results. Students start by identifying the big idea; one that is important on a global scale and that students can work with to gain the deep multidisciplinary content knowledge and understanding that is required by the standards for their grade level. Next, they work together to formulate the essential question, which serves as the link between their lives and the big idea. The question should be answerable through research, help focus students' efforts, and provide a framework for the challenge.

The following programs and resources are utilized to deliver instruction, intervention, and enrichment: EngageNY for ELA and Math with support from the Junior Great Books, Read 180, Sound Reading, and Go Math Resources. For science, we follow Amplify Science and for Social Studies we follow the WeTeach NYC Passports with the support of the New York State Scope and Sequence.

#### Academic Intervention Services

CPCS will continue to provide academic intervention services to all students who are at risk of not achieving State Learning Standards in English Language Arts, Mathematics, Social Studies, and or Science. The following data is utilized to identify eligible students:

- I-Ready ELA and Math Assessments (K-10)
- Fountas and Pinnell Running Records (K-5)
- Read 180 Reading Inventory (6-10)
- Sound Reading (6-10)

Scholars will receive academic intervention services in a variety of ways. Sample approaches may include but are not limited to:

- Co-teaching (most K-8 classrooms have a lead teacher and a teacher's assistant)
- Individualized instruction (via breakout sessions during remote learning)
- Small Group Instruction
- Before school or after school assistance
- Fountas & Pinnell Leveled Literacy Intervention (K-5)
- GO MATH Intervention
- Fundations (K-2)
- Read 180
- Junior Great Books Socratic Seminar

- Sound Reading
- Extra help sessions (6-10)
- Tier 3: High-Impact Tutoring (based on iReady data) (K-10)
- Sound Reading (6-10)

Scholar progress will be monitored by the Child Study Team (CST). The CST is composed of school administrator/s, special education liaison, teachers, family engagement coordinator, guidance counselor, and social worker. Decisions related to the frequency and intensity of AIS will be made by classroom teachers, support staff and building administrators.

CPCS will provide parental notification indicating a need for Academic Intervention Services by September 30, 2021. At least once each term, parents will be given an opportunity to conference directly with the classroom teacher or other professional staff providing academic intervention services. Beginning at the 10-week period, parents will receive progress reports during the regular school year. These reports will be by mail, telephone, parent conference, e-mail, or be a part of the student's regular report card. Additional AIS progress reports will be completed and made available at the 20, 30 and 40 week period during the school year. Parents will also be kept apprised of their child's progress weekly through emails, phone calls and Powerschool anecdotals. When AIS is discontinued, the parent will be notified of the criteria for discontinuation of the services, the current performance level of the student, and the assessment (s) that were used in determining the student's level of performance.

#### Grading

CPCS will maintain its current grading policies as outlined in our Scholar and Families Handbook.

#### **Assessments**

CPCS will continue to assess student performance by administering the following internal assessments which will be completed digitally utilizing the Performance Matters component of Powerschool. Parents will continue to receive regular updates on scholar progress.

- I-Ready Diagnostic Assessments
- Fountas and Pinnell Running Records (K-5)
- Reading Inventory (6-10)
- Unit summative assessments
- Performance Matters for creation of class exams, quizzes
- Informal assessments

## **Physical Education Activities**

CPCS will continue to address all five National Standards for Physical Education by selecting associated activities that require little or no use of shared equipment by students. CPCS has shifted the focus of the curriculum to Standard 1 (motor skills and movement patterns) and Standard 2 (movement concepts) that are safe and appropriate for the current climate.

Resources to support physical education programming:

Online Physical Education Network

- <u>https://openphysed.org/curriculum\_resources/instant-activitieselementary-k-5</u>. A collection of instant activities to get students moving quickly.
- <u>Shape of America</u>. Provides guidelines for implementing a high quality physical education program that provides students with instruction designed to develop motor skills, knowledge and behaviors for active living, physical fitness, sportspersonship, and self-efficacy.
- <u>PECentral.org</u>. Provides teacher resources and lesson ideas.

#### Career and Technical Education

Challenge continues to develop our early college and career and technical education high school program. Ninth graders will take the Career and Financial Management (CFM) course along with additional CTE-aligned electives. Laboratory and/or clinical instruction will begin in the 2022-23 school year. We are actively seeking partners to assist us with developing a comprehensive career course that will meet NYS career awareness and exploration goals in grades K-10. Scholars will record their career-related learning as part of the content of their Individual Achievement Plans.

In order to maintain a focus on the career development of our scholars, we will utilize virtual options to facilitate career exploration activities should in-person opportunities be limited. Students will be able to select career exploration activities related to areas of interests identified by their "Interest-A-Lyzer" from the Renzulli Learning Survey, and researched during their Enrichment Clusters (EC). ECs are mini course electives which are developed from the data gathered in the Renzulli Learning survey. Teachers tae the survey as well and are matched to student groups based on their interest. Each EC is guided by a syllabus developed by the teacher of the EC. We will continue this work in the 2021-22 school year as part of our implementation of the Schoolwide Enrichment Model (SEM).

## Special Education

CPCS will continue to ensure that all students with disabilities continue to have available to them a free appropriate public education (FAPE) that emphasizes specially designed instruction and related services to meet their individual needs and to prepare them for successful transition to life, college, and career. ICT and SETTS are available in grades K-5. An additional section of ICT was added to grades K and 5 for the 2020-21 school year to meet the needs of scholars. ICT is also available in grade 6-8 and SETTS is available in grades 6-10. Mandated counseling services are provided by school counselors. Related services are provided by outside providers. Special education liaisons will communicate with the families of all students with disabilities to ensure families are aware of their child's educational program and will receive regular communication in their preferred language, about their child's progress. Communication will take place via ParentSquare, phone calls, email, and mail. CPCS is exploring an innovation model for grades 6-10 that capitalizes on our co-teacher and intervention models which has proven to be beneficial to students and which has led to declassifications. A new role has been added to our charter team of leadership -- Director of Special Education Grades K-10 for the purpose of overseeing compliance, procedures and protocol that directly relate to all aspects of Special Education services and supports. Special education liaisons at all school sites will continue to collaborate closely with the guidelines set by the CSE (Committee of Special Education) and delivered by the Director of Special Education.

Special education students will be provided with the opportunity to attend in-person instruction four times per week to ensure that all related services are provided. In-person services will be conducted by service providers using proper social distancing guidelines. Scholars whose family's opt for remote learning only will receive instruction and services remotely to the best extent possible.

Collaboration with CPCS families has always been an integral part of the special education process

and this will continue. To address the unique needs of students with disabilities, staff will continue to work with families to collaboratively identify the most essential services for each student. Parents who speak a language other than English will be offered translation services.. The Special Education Liaison will provide information (upcoming IEP meetings, progress reports, etc.) to parents in their preferred language. Parent outreach includes phone calls, emails, mail or video conferences. The Director of Special Education will provide most current District Data and community resources to support the Special Education Liaison's Grades K-10 and Family Engagement Coordinator to work together to determine with the parent the most appropriate means of communication.

#### IEP Meetings

The Director of Special Education Grades K-10 will support the Special Education Liaison's Grades K-10 as they continue to partner and advocate for families as we collaborate with the CSE to determine the most practical format to conduct IEP meetings approved by the DOE. Virtual IEP meetings will be conducted in the DOE approved platform.

- Parents will continue to be informed of upcoming meetings in three ways: by mail, email, reminders via Powerschool/Schoology, and by telephone. Initial contact will be made as soon as the Committee on Special Education (CSE) has scheduled the IEP meeting.
- Teachers and all responsible parties including but not limited to guidance counselors and speech therapists will be informed about the upcoming meeting in a timely manner electronically and by phone call.
- Coverages will be provided to ensure teacher participation.
- Teacher reports will be collected and shared prior to the meeting.
- Scholars in the upper grades will participate in IEP meetings.
- Social Emotional Learning Curriculum and Tools will be implemented, tailored, and aligned to meet the students with IEPs individual goals and interventions.

#### Related Service Providers

Outside providers who travel to CPCS will wear a face covering where social distancing requirements cannot be achieved or maintained. They will be provided with sanitizing products and designated workspaces. Classroom visits will only be made when necessary.

CPCS Related Service Providers are expected to:

- Communicate regularly with students on their caseload and/or their parents to ensure they have success with remote learning.
- Communicate with teachers so that learning expectations can be adjusted as needed.
- Communicate weekly office hours (email, Google Classroom, phone call, etc.) with students/families
- Design and implement learning opportunities that address the IEP services of students
- Provide timely feedback to support students' learning
- Document communication, consultation, and learning opportunities for IEP related services through SEISS and Google Forms as a means of back-up communication.
- Provide classroom teachers and parents resources/lessons/activities to foster students' IEP skill development in related service areas.

- Maintain records of student's attendance to related service sessions
- Provide The Director of Special Education Grades K-10 with monthly academic benchmark assessments as well as behavioral anecdotals and extensive progress monitoring reports that align to students related service goals as mandated on their IEPs.

#### Accommodations, Modifications, Supplementary Aids and Services, and Technology

CPCS will continue to ensure that all scholars receive the accommodations, modifications, and aids needed to access and excel in their educational program. Select tools/strategies intended to reduce or even eliminate the effects of a student's disability (especially in the remote learning environment) have been identified. CPCS plans on maintaining its membership with The Collaborative for Inclusive Education as well as maintaining ongoing in-house professional training and progress monitoring which has confirmed that future training and professional development options will focus on enhancing learning for students with disabilities in the remote learning environment. Teachers continue to be expected to match specific accommodations and modifications to specific student needs on their written lesson plans.

#### Differentiation

CPCS teachers will continue to be required to employ differentiation strategies to meet the unique needs of learners. Below are examples of differentiation strategies for students with disabilities in the event of a remote learning environment:

- If a student needs to do research or look up information prior to coming to class, the student will have access to electronic resources that are targeted for his or her reading level.
- 2. Create online learning stations where students will rotate to practice different skills. These stations may be guided or independent.
- 3. Record yourself with a video explaining how you practice a skill (mini-lesson) that you also want students to replicate.
- 4. Provide audio versions of the texts to be read in class. This will be used online so that students who forget the texts in school will always have access.
- 5. Allow access to online readers for students who would benefit from listening to as well as reading a text.
- 6. Think about how work is presented digitally so that students are not overly stimulated or distracted by too much type, too many colors, etc. Repurpose the work so that it is easily digested at a quick glance on a digital platform.
- 7. Allow students to use speech-to-text features to type in a Google Document.
- 8. Check for understanding by having students respond in the message box or rate their level of understanding.
- 9. Follow RTI (Response to Intervention ) procedures to assess how to best support students with specific data driven benchmarks.
- 10. Use closed-captioning while teaching remotely so that students will read the words as well as listen to you. Use closed-captioning when available on videos shown online.
- 11. Provide digital versions of anchor charts to reinforce key concepts, process, key vocabulary words.
- 12. Provide students with extended time to complete a task when needed .

- 13. Provide students with on-task prompts when necessary.
- 14. Create organizational checklists to maintain students' order of tasks and accountability.
- 15. Provide individual one on one time with students who require additional scaffolding for best learning outcomes.
- 16. Provide Small group instruction sessions for on-going support and progress monitoring.
- 17. Implementation of SDI ( Specially Designed Instruction ) strategies and interventions that benefit all students .

Contact your scholar's principal for a comprehensive list of differentiation strategies.

## Bilingual Education and World Languages

Challenge will continue to follow the guidelines in the *Summary of the ELL Identification Steps-Revised for Charter Schools* document published by the Division of English Language Learners and Student Support. As a response to COVID, we have added a virtual enrollment option for families via SchoolMint. The Coordinator of Student Enrollment receives and reviews all enrollment documents. Home language surveys that indicate a primary language other than English are forwarded to our ELL Coordinator. The ELL Coordinator then administers the NYSITELL to eligible students in grades K-4 and 4-10-- and provides services where applicable. Students who are deemed ineligible sometimes receive services based on teacher referral and supporting evidence. These processes will continue when we reopen.

Our hybrid schedule if applicable will allow for in-person instruction for which English Language Learners will receive priority. If applicable remote ELL instruction will also occur. Instructional goals will be established for all students based on their English proficiency data and will align with NYSED's Unit of Study for ELL students. Our ELL Coordinators and other teachers who work with our scholars will employ strategies and tools shared by The Collaborative for Inclusive Education. Our membership with the Collaborative offers professional development specific to the needs of ELL students and they have confirmed that such resources will continue to be provided for the remote learning environment if and when needed. In an effort to build a collaborative partnership with families, the ELL Coordinators utilize Linguistica International to communicate with families verbally and Google Translate to communicate with families via text messaging. Challenge is exploring expanding the ELL service team. There are currently two additional staff members who are TESOL certified. The program will be expanded where needed to meet the needs of all scholars K-10

# Staffing

#### Teacher and Principal Evaluation System

Teachers receive eight to ten mini observations per year. Mini-observations are brief and unannounced observations of teacher practice, conducted by principals, assistant principals, and other assigned instructional leaders. Teachers receive actionable feedback within 24 hours to improve their practice. Teachers in need of intense support are coached by principals, assistant principals, and other instructional leaders.

All teachers receive a formal mid-year and end-of-year evaluation utilizing Charlotte Danielson's Framework for Teaching. Evaluations are a collaborative process where teachers are asked to

provide evidence and complete a self-evaluation prior to receiving their final rating from principals. This allows for deep and informed goal-setting conversations to improve practice. Priority focus areas for the 2021-22 school year will be established after the first round of instructional walkthroughs held within the first few weeks of instruction.

Challenge utilizes the Vanderbilt Assessment of Leadership in Education (VAL-Ed) tool to evaluate principals. The tool allows for feedback from the principal's staff and supervisor. Data is collected during observations of practice which will continue in the remote learning environment. Principals receive verbal and written feedback after the following observations of practice: providing an effective teacher with lesson delivery feedback, providing a developing teacher with lesson delivery feedback, conducting a teacher evaluation meeting, and facilitating adult learning.

#### Certification

In partnership with the New York City Charter School Center, an audit of instructional staff teaching certifications were completed and CPCS acted on the information in a proactive manner. The compiled data was sent to principals to ensure staff are aware of the expectations of their teaching certifications in alignment with NYS requirements. Currently, 96% of our teaching staff hold the appropriate certificates for their teaching assignments. This complies with the New York State Charter Schools Act of 1998 (as amended) by the Charter Center.

"(a-1) The board of trustees of a charter school shall employ and contract with necessary teachers, administrators and other school personnel. Such teachers shall be certified in accordance with the requirements applicable to other public schools; provided, however, that a charter school may employ as teachers (i) uncertified teachers with at least three years of elementary, middle or secondary classroom teaching experience; (ii) tenured or tenure track college faculty; (iii) individuals with two years of satisfactory experience through the Teach for America program; and (iv) individuals who possess exceptional business, professional, artistic, athletic, or military experience, provided, however, that such teachers described in clauses (i), (ii), (iii), and (iv) of this paragraph shall not in total comprise more than the sum of: (A) thirty per centum of the teaching staff of a charter school, or five teachers, whichever is less; plus (B) five teachers of mathematics, science, computer science, technology, or career and technical education; plus (C) five additional teachers. A teacher certified or otherwise approved by the commissioner shall not be included in the numerical limits established by the preceding sentence."

The remaining 4% have applied for the Emergency COVID-19 certificate offered by NYS. The Emergency COVID-19 Certificate is for candidates who are seeking certain certificates and extensions, allowing them to work in New York State public schools or districts for one year while taking and passing the required exam(s) for the certificate or extension sought.

# ATTACHMENT #5 CPCS America Rescue Plan [ESSER 3] Application

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

# Summary & Background

CHALLENGE PREPARATORY CHARTER SCHOOL

342700860990

#### SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found HERE.

Status Date: 08/27/2021 03:23 PM - Submitted

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application - Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application - Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found HERE.

#### **Project Period**

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

#### **Project Number**

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

#### **Submission Deadline**

Completed applications are due by August 31, 2021 (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education

09/09/2021 02:45 PM Page 1 of 20 Introduction/Instructions - Summary & Background

#### APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

Status Date: 08/27/2021 03:23 PM - Submitted

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found HERE. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

CHALLENGE PREPARATORY CHARTER SCHOOL

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

Status Date: 08/27/2021 03:23 PM - Submitted

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

#### LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

 In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

Stakeholder involvement has been central to the development of Challenge Prep Charter School's reopening process and planning for its use of Federal funding for Elementary and Secondary School Emergency Relief (ESSER). Expansive stakeholder input has been gathered and considered with respect to identifying and ranking Challenge Prep Charter School's spending priorities.

Status Date: 08/27/2021 03:23 PM - Submitted

Collection of school-community input commenced with our having hosted two "open" Town Halls regarding School Funding and Reopening Plans via Zoom on June 1 and June 3. These events were well attended by family members, 80 parents on 6/1 and 66 parents on 6/3, who provided important baseline perspectives and inquiries that would inform our reopening plans and ESSER expenditures.

Following the Town Hall sessions, two separate surveys were sent out:

An ESSER Family Survey #1 for parents/guardians of Challenge Prep Charter School.

This survey was open and available via Google Forms from June 4-20. ESSER/ARP information is regularly posted on our website's Family Resources page (see link immediately below), and regular Social Media posts promoted the survey and our request for input throughout June. https://challengecharterschools.org/family-resources

· An ESSER Staff Survey for all staff of Challenge Prep Charter School.

Both surveys included various health and safety questions, as well as how to address learning recovery for our scholars as the school plans for a safe Reopening in the 2021-22 school year. Access a summary review of these survey data using the following link: https://drive.google.com/file/d/1YwMP06i0cVyH5FKTo0n4cDdzoWPraIcj/view

Several respondent data points are illuminating:

- · Both parents/guardians (62%) and staff (83%) supported additional student tutoring after school or on weekends
- Both groups supported more instructional time in reading (66%) and math (58%)
- Support for a prospective 2022 Summer School Program was uneven among parents/guardians (58% positive) and staff (68% negative or not
  applicable).
- Parents/Guardians (92%) expressed probable or potential interest in Parent Academy participation
- · Parents/Guardians affirmed academic improvement strategies were needed:
- Helping your child enjoy reading (70%) and improve math resilience (60%)
- · Effectively engaging with your child's teachers (56%)
- · Effective ways to validate your child's feelings (61%)
- · Parent Learning Preferences and Calls for Student Supports:
- · 60.2% supported a return to in-person learning
- 31.1% would support hybrid learning
- · 34% called for additional counseling support for social-emotional learning
- · 45% called for additional mental health and well-being assessments
- > 70% called for more socialization and after-school activities

Based on our Leadership Team's analysis, these survey responses have directly affected the spending plans our school has submitted in July within the ESSER II program, and additionally has informed this ESSER/ARP Application. Examples include:

- · Intensive Reading and Math tutoring in after school programs
- Curriculum revision aligned with NextGen Standards for literacy
- Professional development promoting embedded assessment and close reading
- A Parent Academy with programming to build capacity among parents as partners who enable and extend student learning and social-emotional
  well-being

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

Status Date: 08/27/2021 03:23 PM - Submitted

The Challenge Prep ARP ESSER Plan will be publicly posted and can be accessed by using the following URL: https://challengecharterschools.org/family-resources

Challenge Prep Charter School is located within and serves the diverse community of Far Rockaway, New York. Our school has created a repository webpage for families and our public regarding all our school reopening protocols and plans, including Covid safety measures, vaccinations and testing, health information in 35 languages, and other family resources. This webpage is updated regularly as our plans and other relevant family support systems evolve or are adjusted to current conditions.

Please see: https://challengecharterschools.org/family-resources

In addition to our website, we maintain an ongoing listserv of parents and community members/partners and will distribute the ARP-ESSER Plan in print form using this listserv. Regular social media posts supplement information dissemination and referral to our website information and publication of opportunities to provide input and feedback to our reopening process.

Finally, the Challenge Prep ARP ESSER Plan will be provided in English and Spanish

#### ARP-ESSER LEA Base 90% Allocation - Program Information

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

Other Federal ESSER allocation programs have been invested previously for these prevention and mitigation purposes.

- 1. ESSER I/Cares Act The Coronavirus Aid, Relief, and Economic Security Act, 2020 (CARES Act)
- 2. ESSER II/CRRSA Act The Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act)

Thus \$0 are explicitly identified in this ARP ESSER spending plan for operational or facility related prevention and mitigation strategies. However, as noted elsewhere in these responses, our commitment to dynamic refreshing of our Family Resources webpage and social media posts, along with the use of future Town Halls, and ongoing parent/guardian interactions within our Parent Academy will enable Challenge Prep Charter School to reflect and communicate the most recent CDC guidance and protocol adjustments as needed for continuous and safe operation of its schools for inperson learning.

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

Challenge Prep Charter School will use data derived from ongoing sets of internally administered assessments. Ongoing assessments will be completed both digitally and within classroom instructional units of instruction. Ongoing internal assessments will include:

- · I-Ready Diagnostic Assessments
- · Fountas and Pinnell Running Records (K-5)
- Reading Inventory (6-10)
- Teacher-create Unit Summative Assessments
- · Curriculum based informal assessments embedded within daily instruction

Challenge Prep has procured Performance Matters (PM), a digital tool that will allow teachers to administer and score assessments digitally. The early warning system of PM will also be explored to enhance the work of our Child Study Teams (CSTs). Members of the CST collaborate with families to monitor the effectiveness of interventions.

5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.

#### 1. The Eisenberg Leadership Academy (TELA) - Developing Professional Capacities for College & Career Course Development

Two TELA curriculum developers will collaborate with Challenge's Social Emotional Learning SEL team to develop a Life, College, and Career course for all grade levels. The course will incorporate developing and updating each student's: individual learning/achievement plan, career portfolio, and total talent portfolio. It will incorporate student advisory modules and address strands within the Challenge Prep Charter School SEL curriculum. This school-wide course will embed these components within a whole-child approach to teaching and learning that all scholars will be required to take every year. This will provide consistent articulation of SEL, career and college readiness programming, enable ongoing progress monitoring among scholars and cohorts of scholars, and provide data with which to identify the need for appropriate interventions and supports as needed. A core outcome for this initiative are annual grade level programs within which individual learning plans are developed and through which scholars will be involved in establishing and monitoring personalized learning goals. This initiative will be evaluated using student course passing data, scholar SEL surveys, and teacher/staff program assessment surveys.

Of the list of twenty allowable activity expenses, TELA fees and curriculum development services conform with and are distributed proportionately among categories 8 (Addressing Unique Needs of Children) and 16b (Addressing the impact of lost instructional time with activities that meet the comprehensive needs of students).

7. In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Status Date: 08/27/2021 03:23 PM - Submitted

#### Background

Challenge Prep Charter School provides inclusive and responsive programs that serve a widely diverse community with substantial proportions of low-income families, students of color, English Language Learners, and children with disabilities. Throughout and in response to the coronavirus pandemic, Challenge Prep Charter School successfully ensured continuity of learning for all its scholars by quickly pivoting to remote learning. The unique needs of scholars, teachers and staff were unprecedented and so were our program adjustments. Our remote learning program featured:

- A 1:1 student-to-device program
- · Clear and high expectations for student attendance and participation
- · Innovative scheduling to support small group instruction and professional learning
- · School culture building activities
- · Family outreach (for both student and tech support)
- · Aggressive progress monitoring

These adaptive approaches and solutions notwithstanding, being outside of the traditional "brick-and-mortar" school setting has undoubtedly had some impact on sustaining our principled commitment to individualizing student learning and building comprehensive family support systems. On the other hand, and while we acknowledge that remote learning may not have been ideal for all scholars, we did note tangible evidence that scholars learned and demonstrated new skills in the remote learning environment. Our scholars have become more technology savvy and have learned a variety of ways to demonstrate their learning (by utilizing tech tools such as FlipGrid, Padlet, Google breakout rooms, etc.). Thus, we recognize that the pandemic period was a disruption but also engendered new student skill sets worthy of engaging in our return to in-person learning.

2021-22 Plans and Moving Beyond "Learning Loss"

Challenge Prep Charter School will return to full-time in-person learning for all students in 2021-22. However, rather than embracing a deficit-aligned narrative of learning loss, our planning will be informed by strategies and interventions that focus upon learning recovery and accelerated learning. Our essential professional question will be: What does each scholar need to accelerate his/her learning? In committing to this focus, we are inspired by authors Almarode, Hatttie, Fisher, and Fry in Reinvesting and Rebounding Where the Evidence Points for Accelerating Learning.

"Accelerating student growth and achievement within the context of post-COVID teaching and learning demands that we leverage our expertise as educators to make decisions each day about what content, ideas, and skills we want our students to know, understand, and be able to do. We make decisions about how much time to spend on specific topics and how frequently to engage learners in that topic .... We must design and implement learning experiences that increase the rate of learning. The starting point for this increase cannot be based upon some arbitrary point that is the same for every student in the grade level or class. Instead, this increase must start from where students are in their learning journey and where they are ready to go next." (Corwin/Sage Publications, 2021, p.3)

Going forward, we believe improving and accelerating student learning will involve systematically engaging parents and our community as partners who share in students' academic, social, and emotional well-being. Four foundational approaches will contribute to our success and guide our priorities for additional expenditures under this subsection:

- 1. Engage Parents as Learning Partners: Our student's learning does not begin and end at the school door. Enabling parents to support and extend each student's learning within the home environment is key to our reinforcing and accelerating their learning over time. Thus, parents' access to high quality adult learning opportunities and supports are important as well, including specific provisions for workshops, speakers, information, and resources. Student's social-emotional learning and supports begin within the home. Commencing an ongoing Parent Academy program is a key strategy to initiate and accomplish these outcomes.
- 2. Involve the Community: Attracting community organizations and leveraging both their human and other in-kind resources will enhance both parent and student learning initiatives. The Greater Far Rockaway community is already joining Challenge Prep Charter School in building capacity among its students and families. For example, the Police Benevolent Association has donated individual student backpacks filled with individual supplies as our students return to school for the 2021-22 school year. As noted above, it is our further intention to incorporate ongoing family development programs featuring community resource experts and health professionals as speakers who enable parents to build capacities that support and extend each student's learning within the home.
- 3. <u>Develop Professional Capacities</u>: Increasing the professional capacities of supervisory, instructional, and pupil personnel services personnel will be essential to renewing in-person student learning, assessing individual needs, redesigning curricula, and moving from learning recovery to accelerated learning. Systematic coaching and researched based training will be keys to effective capacity building. The set of proposed professional development

partners and activities were described in detail in question 6 above.

4.Individualize Students' Learning: Every student is an individual learner and as such each student will be best served by having an individualized achievement plan. Systematic acquisition and implementation of technology-based solutions will enable their creation and ongoing adaption of these plans to be responsive to evolving student needs. High dosage tutoring as explained in question 5 above is but one component of individualizing learning and an element with his/her achievement plan as needed.

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

#### ARP-ESSER Return to In-Person Instruction

CHALLENGE PREPARATORY CHARTER SCHOOL

342700860990

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in- person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

Status Date: 08/27/2021 03:23 PM - Submitted

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

In the space provided below, please provide the URL for the website(s) where the district's most current re-1. opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listsery) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

Upon SED's approval of Challenge Prep's ARP submission, Challenge Prep will implement the process for the review, and updating of the school's Plan for In-Person Instruction (the Plan), and the collection of stakeholder input. At the beginning of the process, a meeting of the Leadership Team will be devoted to deconstructing the Plan for the purpose of identifying how various parts of the Plan will be reviewed and by whom. The review process will include the collection of data and will be ongoing. Information about the review of the plan will be shared with various stakeholders, and input will be solicited before significant changes to the plan are implemented particularly to the part of the plan devoted to health and safety. At six-month intervals to at least September 30, 2023, a formal review of the Plan will take place. The six-month review will include a written update of the progress of each part of the Plan. A summary of the six-month written review will be posted on the school's website at the following URL: https://challengecharterschools.org/family-resources

### Elementary and Secondary School Emergency Relief III (ESSER) and American Rescue Plan (ARP)

In an effort to support learning recovery for students across the nation, President Biden enacted the American Rescue Plan on March 11, 2021. The plan allows for schools to apply for significant funding via the ESSER III/ARP grant application. The SDTL developed a Google document, submission protocols, and timelines; for directors and JPS consultants to work collaboratively on CPCS' submission of the ESSER III/ARP application (due late August). Below is our plan rationale, guiding principles, and priorities.

#### Rationale

At Challenge Charter School, we are approaching our planning for the 2021-22 school year by thinking about learning recovery instead of the deficit-aligned narrative of learning loss like Almarode et al, authors of *Reinvesting and Rebounding Where the Evidence Points for Accelerating Learning*. While we acknowledge that remote learning may not have been ideal for all scholars, we saw tangible evidence of scholars who learned and demonstrated *new* skills in the remote learning environment. Our scholars have become more technology savvy and have learned a variety of ways to demonstrate their learning (by utilizing tech tools such as FlipGrid, Padlet, Google breakout rooms, etc.). Thus, when we think about the next school year (and the ones after), we are thinking about, *What does each scholar need in order to accelerate his/her learning?* By thinking about learning recovery and accelerating learning, we ensure that we utilize the federal funds to adopt evidence-based programs, services, and strategies to move every child along their learning journey.

#### **Guiding Principles**

The following principles help us think, prioritize, and make decisions when planning for the upcoming school year:

- The goal is student learning and wellbeing; the rest of schooling responds to and supports that mission
- Social and emotional well-being is central to learning
- We must assess the impact of our decisions on student learning and pivot quickly when needed
- All stakeholders have the ability to impact student learning

#### **Our Six Identified Priorities**

- 1. Health and Safety
- 2. Teaching and Learning
- 3. Social-Emotional Well-Being
- 4. Technology and Digital Equity
- 5. Professional Learning
- 6. Family Engagement and Communications

ESSER III/ARP applications required evidence of stakeholder engagement. The SDTL presented information to families during a town hall held on June 1, 2021. An overview of our plan was shared with staff on June 18, 2021.

#### **Teaching and Learning Partnerships**

The SDTL conducted research and consulted with external school leaders to identify potential partners to support the initiatives outlined in our ESSER III/ARP draft. Below is a summary of partners supporting teaching and learning.

| Organization                       | Contact Name        | Description of Partnership Work                        |

#### 2021-22 Instructional Theme: The Rebound

The senior directors of teaching and learning collaborated to develop this year's themes. Below are the rationale and guiding mantras shared with all instructional staff during preservice week.

#### Rationale

To say that the prior school year was filled with uncertainty and challenge would be a gross understatement. However, despite the health and social challenges we faced individually and as a school community, we maintained our commitment to *boldly challenging obstacles to scholar success*. We did so by maintaining high expectations, ensuring every scholar had access to a learning device, partnering with families, pushing our learning as adults, and responding to scholar needs: one scholar at a time. Our work was simultaneously difficult and rewarding as we watched our scholars and staff engage in distance learning for the entire 2020-21 school year. *So where do we go from here?* We rebound!

The term *rebound* is offered by Fisher et. al in *Rebound* (Corwin, 2021)as an approach to schooling that acknowledges our traumatic experiences during the pandemic while recognizing that we have an **unprecedented opportunity to improve teaching and learning** by reflecting on what worked and what did not work before and during the pandemic. In this context, rebound means coming back stronger and better!

In our K-5 educational program our rebound will be framed in the following pillars: **Care** (social-emotional learning and wellness for staff, scholars, and families), **Clarity** (clear and data-informed learning goals), and **Collaboration** (between professional learning teams, school-family, and school-community). These three pillars will allow us to reject the learning loss narrative that threatens to make educators lower expectations and only offer remediation. We embrace the 2021-22 school year as the year of:

#### **Guiding Mantras**

The following mantras will support our vision and will be referenced as we plan, problem-solve, and make decisions in the upcoming school year in support of our educational program.

- 1. Our work is people work.
- 2. We work together.
- 3. Acceleration, not remediation.
- 4. Reliable data brings clarity.

"Let's not simply go back but rather return to school stronger and better"- Fisher et al. (Corwin, 2021)

K-5: The Rebound: Accelerating Learning through Care, Clarity, and Collaboration 6-10: The Rebound: Managing Change through Adaptability and Experiential Learning

#### **Preservice Week (August 16-20)**

CPCS welcomed back nearly one hundred fifty staff members for preservice week. In preparation, the senior directors of teaching and learning worked with directors to plan a comprehensive and cohesive week of learning for all staff. The schedule is attached to the end of this document.

#### **School Reopening**

Challenge Preparatory Charter School reopened its doors on Wednesday August 25, 2021 (instead of August 23 as planned, due to flooding). The air of excitement, anticipation, and a bit of anxiety was palpable. 710 Hartman welcomed scholars in grades K-3 while our grade 4-5 scholars headed over to 1526 Central, our new intermediate site. School teams will prioritize building relationships with scholars and families as we welcome back over 600 scholars.

### Focus Areas for the First 30 Days of School

### 1. Social-Emotional Well-Being of Students

• Each day we start with a morning meeting. During that time, all teachers use the mood meter to launch the day. Teachers display the mood meter on a slide and scholars respond with an emotion or word.

- •
- Scholars who exhibit or state words that are red flags are immediately directed to the guidance counselor or social worker.
- Scholars who are at risk receive an immediate check-in.
- At this time, Mrs. Anglin will provide SEL( as her schedule allows) while Mrs. Harris is on maternity leave.
- The SEL team created a pacing calendar infused with the character trait of the month.
- The calendar will also align with our ELA Units.

#### 2. Social-Emotional Well-Being of Adults

- Just as the scholars use the MOOD METER, the adults use the mood meter as well during daily team meetings.
- Teachers will utilize the MINDFUL journal provided during preservice to also help with the adjustment of this school year
- Once a month- a Principals TREAT will be provided to staff to help uplift staff and to show appreciation.

#### 3. Attendance

- Staff attendance declined the first two weeks of school. Three teachers had to quarantine and one TA.
- Scholar attendance in Powerschool begins September 14, 2021.

#### VERTICAL DEPARTMENT PLANNING

The June 2021 preparation of "Great Expectations for Grade Level Expectations" helped us begin the 2021-2022 school year with a clear idea of our scholars' data and beginning-of-year needs. This document names the standards that scholars must master at the end of each grade level alongside the checklist of academic skills that support that standard. This will work in tandem with the iReady Standards Mastery feature to ensure that as a PLC we are referring to scholar performance by naming the standards that scholars have mastered or have not mastered yet. i-Ready beginning-of-year diagnostic testing begins on September 21, 2021

#### **INSTRUCTIONAL OBSERVATIONS**

The CCMS-CCHS Admin Team members have been regularly supporting instructional periods
throughout the day to ensure that instruction is taking place and that outreach is performed as
needed. Informal observations have begun in the form of Check-ins. By the first week of
October, we will continue to use TeachBoost for this task, with a target of 2 long observations
and 5 short observations across the board for the school year.

# Challenge Charter School Communications Report - September 2021

#### Kim Messer, Director of Communications

#### Reopening 2021-22

- Through the summer, I supported the work on Reopening plan changes and helped our Leadership Team edit the document for the new school year.
- Final plans have been posted in English.
- Awaiting Spanish translation for posting.

#### **ParentSquare**

I helped in the first phase of implementing this communication tool with staff. This new app was chosen over the summer to serve a variety of school needs:

- Daily Health Questionnaire for both staff and scholars is filled out from here
- One stop place for communication with family members who primarily use mobile devices to get school information
- Ease of use and secure document options (such as report cards) were key selling points
- Use of StudentSquare to communicate in the future with our older scholars

#### **Website Updates**

As previously planned, our websites have been collapsed into one site - **Challenge Charter Schools** - challengecharterschools.org

This necessitated a variety of work over the summer that continues on this fall:

- Rebuilding of a new calendar
- Back to School pages for Elementary, Middle and High school
- Updates to site-specific pages continues

#### Recruitment/Application Season Marketing

- With more empty seats than expected as we ended the school year in June, I worked with our new Enrollment & Recruitment team on targeted print ads, targeted print pieces for outreach, and special social media posts.
- Despite challenges over printing issues and finance approval delays, we provided updated printed applications and school flyers to a number of preschools to help fill Kindergarten seats.
- We gained at least one applicant from the print efforts and many more from our marketing and outreach efforts.
- I'm now turning my attention to the fall recruitment pieces needed as we begin recruiting for SY 2022-23.

#### Social Media

Both Facebook and Instagram pages have grown as the new school year began. The goal for engagement is always 3x the amount of Likes/Follows. Currently we are close to 2x.

#### Other Marketing Updates

- I am working with the Enrollment/Recruitment Team on new ways of advertising our school.
  - We had a video team on the first day of school shoot footage for a school commercial.
  - We are looking into bus stop advertising in close to the school sites.
- We have been waiting for some "Apply Now" banners for the buildings for street traffic.
- General merchandise is needed for Challenge Charter School something we have never had before.
- High School Press Conference/Ribbon Cutting was tabled during the pandemic. I'm hopeful that we will host something soon to garner support and attention.

#### Fall to Spring Communications Plans

- Continue work on the Crisis Communications Plan. This will be a collaborative effort between multiple staff members.
- Begin the Branding Guide and training of staff from administration down. We need to return to issues that were tabled during the pandemic such as defining our essence, defining brand identity distinctions, redesign of logos, and letterhead issues.

#### **Director of Technology Report**

Sep. 2021 - Dale Richardson

\_

#### I: Current Work

A: Information Gathering

 Meetings with principals and directors, in an effort to plan student and state driven technology initiatives.

B: Process improvements.

- Transition to a Ticketing System Facilitates assignable tech support for staff and scholars. Can also be used to generate metrics for end of year reporting.
- New identity management system Facilitates a single sign-on portal for accessing multiple web applications, including Google, Microsoft, and various educational programs for scholars.

C: Completion of our 1:1 Device Distribution.

- Scholar's at 1520 Central and 12-79 Redfern have all been assigned individual Chromebooks, which are taken to and from school.
- Scholar's at 710 Hartman and 1526 Central are assigned Chromebooks which are housed in their classrooms.
- With the exception of staff who have chosen to utilize their own device, all teachers have been assigned a laptop.

#### II: Future Work

A: Prepare for the possibility of returning to remote learning, due to the rising Delta Variant.

- Chromebook Pre-Assignment Will allow for quick distribution of devices at each site.
- Pre-ordering HotSpots A few hotspots should be ordered, in preparation for scholar's without high-speed internet access at home, as supplies are scarce during this season. A survey of new families may be needed.

B: WiFi Upgrades.

• Work has begun at 1526 Central and 710 Hartman, to facilitate WiFi upgrades, which will double our speed and the amount of devices that can be accommodated on our network.

#### **III: Risk Factors or Challenges**

A: Preparing for the possibility of returning to remote learning during the ongoing pandemic of 2021-2022.

- While our staff and families are more prepared after the 20/21 year, experience tells us that this transition will be a heavy lift.
- Cross functional planning and coordination will be required to facilitate a seamless transition.

#### **Director of Technology Report**

Oct. 2021 - Dale Richardson

\_

#### I: Current Work

A: New Building

• Refinement of our new building at 1526 Central Avenue continues.

B: Further preparation for the possibility of returning to remote learning.

- All scholars have been pre-assigned Chromebooks. The rapid distribution of devices during September's emergencies was successful.
- Thirty-six hotspots are currently available for scholars who may be affected by limited or no internet service at home.

#### II: Future Work

A: Information gathering for Independent Cybersecurity Auditing.

- An independent cyber security assessment should be completed by June 2022, in order to satisfy various insurance and state requirements. Ex: https://www.dfs.ny.gov/industry\_guidance/cybersecurity
- We are currently in the process of sourcing a credible organization that is experienced in assisting companies with meeting the mentioned requirements.

B: WiFi Upgrades.

 We are awaiting the delivery of our new wireless access points (ETA December). These devices are the next step in the WiFi upgrades at 710 Hartman and 1526 Central.

#### **III: Risk Factors or Challenges**

#### A: Chromebook shortage

- Scholars are transferring without returning their assigned Chromebook, which is leaving older devices to be assigned to some newly enrolled scholars.
- Advisors of our tech department have stated, "Most years, a 10-15% loss\damage rate can be expected; however, in a year like COVID, it is prudent to plan for a much higher rate. Some schools have planned as if no devices would be returned."
- As a response to this, 100 new devices have been ordered from CDW.

**Financial Statements** 

June 30, 2021 and 2020

#### **Independent Auditors' Report**

#### Board of Trustees Challenge Preparatory Charter School

#### Report on the Financial Statements

We have audited the accompanying financial statements of Challenge Preparatory Charter School (the "School"), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### 1. Organization and Tax Status

Challenge Preparatory Charter School (the "School") is a New York State, not-for-profit educational corporation that was incorporated on February 9, 2010 to operate a Charter School pursuant to Article 56 of the Education Law of the State of New York. The School was granted a provisional charter on February 9, 2010 valid for a term of five years and renewable upon expiration by the Board of Regents of the University of the State of New York. During 2019, the Board of Regents extended the School's charter through June 30, 2024. The School's educational philosophy promotes high levels of academic achievement and tailoring instruction to ensure that academic needs of all students are met. The School's founders believe that good instruction recognizes the interrelation of content knowledge and higher order thinking and that, accordingly, good instruction should reflect a balanced approach to learning. Classes commenced in Far Rockaway, New York in August 2011 and the School provided education to approximately 905 students in kindergarten through ninth grade during the 2020-2021 academic year. The most recent charter renewal allows the School to serve grades 9-12.

The New York City Department of Education provides free lunches and transportation directly to some of the School's students. Such costs are not included in these financial statements. The School covers a portion of the cost of lunches for children not entitled to the free lunches.

Except for taxes that may be due for unrelated business income, the School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from state and local income taxes under comparable laws.

#### 2. Summary of Significant Accounting Policies

#### Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Notes to Financial Statements June 30, 2021 and 2020

#### 2. Summary of Significant Accounting Policies (continued)

#### Net Asset Presentation

Resources for various purposes are classified for accounting and reporting purposes into net asset categories established according to nature and purpose as follows:

Net assets without donor restrictions - consist of resources available for the general support of the School's operations. Net assets without donor restrictions may be used at the discretion of the School's management and/or the Board of Trustees.

Net assets with donor restrictions – represents amounts restricted by donors for specific activities of the School or to be used at a future date. The School records contributions as net assets with donor restrictions if they are received with donor stipulations that limit their use either through purpose or time restrictions. When a donor restriction expires, that is, when a time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. The School had no net assets with donor restrictions as of June 30, 2021 and 2020.

#### Restricted Cash

Under the provisions of its charter, the School established an escrow account to pay for legal and audit expenses that would be associated with a dissolution, should it occur.

The following table provides a reconciliation of cash and restricted cash reported within the statements of financial position to the amounts presented in the statements of cash flows for the years ended June 30:

| 2021            |              | 2020                   |

Notes to Financial Statements June 30, 2021 and 2020

#### 2. Summary of Significant Accounting Policies (continued)

#### Property and Equipment

The School follows the practice of capitalizing all expenditures for property and equipment with costs in excess of \$3,000 and a useful life in excess of one year. Leasehold improvements are amortized over the shorter of the term of the lease, inclusive of all renewal periods, which are reasonably assured, or the estimated useful life of the asset which is up to twenty years. Purchased property and equipment are recorded at cost at the date of acquisition. Maintenance and repairs are expensed as incurred. All property and equipment purchased with government funding is capitalized, unless the government agency retains legal title to such assets, in which case it is expensed as incurred.

Depreciation and amortization is recognized on the straight-line method over the estimated useful lives of such assets as follows:

Computers and equipment 3 to 5 years
Furniture and fixtures 5 years
Software 3 years
Standby generator 15 years
Website development 15 years

Property and equipment are reviewed for impairment if the use of the asset significantly changes or another indicator of possible impairment is identified. If the carrying amount for the asset is not recoverable, the asset is written down to its fair value. There were no asset impairments for the years ended June 30, 2021 and 2020.

#### Refundable Advances

The School records certain government operating revenue as refundable advances until related services ae performed, at which time they are recognized as revenue.

The School is entitled to receive a rent subsidy, that is calculated at the lower of 30 percent of the state and city per pupil amount or actual lease costs as approved by the New York City Department of Education ("NYCDOE"). The school received funds from NYCDOE in excess of the amounts earned. A liability of \$315,546 has been established as of June 30, 2021 and is reflected in the accompanying statements of financial position.

#### Deferred Rent

The School records its rent in accordance with U.S. GAAP whereby all rental payments, including fixed rent increases, are recognized on a straight-line basis as an offset to rent expense. The difference between the straight-line rent expense and the required lease payments is reflected in deferred rent in the accompanying statements of financial position.

Notes to Financial Statements June 30, 2021 and 2020

#### 2. Summary of Significant Accounting Policies (continued)

#### Revenue and Support

Revenue from the state and local governments resulting from the School's charter status and based on the number of students enrolled is recorded when services are performed in accordance with the charter agreement. Federal and other state and local funds are recorded when expenditures are incurred and billable to the government agency.

Contributions are recognized when the donor makes a promise to give to the School that is, in substance, unconditional. Grants and other contributions of cash are reported as net assets with donor restrictions if they are received with donor stipulations. Restricted contributions and grants that are made to support the School's current year activities are recorded as net assets without donor restrictions. Contributions of assets other than cash are recorded at their estimated fair value at the date of donation.

#### Marketing and Recruitment

Marketing and recruitment costs are expenses as incurred. Marketing and recruitment costs for the years ended June 30, 2021 and 2020 amounted to \$90,282 and \$132,926.

#### Functional Expense Allocation

The majority of expenses can generally be directly identified with the program or supporting service to which they relate and are charged accordingly. Other expenses by function have been allocated among program and supporting services classifications on the basis of periodic time and expense studies and other basis as determined by management of the School to be appropriate.

#### Accounting for Uncertainty in Income Taxes

The School recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the School had no uncertain tax positions that would require financial statement recognition or disclosure. The School is no longer subject to examinations by the applicable taxing jurisdictions for years prior to June 30, 2018.

#### Reclassifications

Certain 2020 accounts have been reclassified to conform to the 2021 financial statement presentation.

Notes to Financial Statements June 30, 2021 and 2020

#### 3. Grants and Contracts Receivable

Grants and contracts receivable consist of federal, state, city entitlements and grants, and a private grant. The School expects to collect these receivables within one year and has not provided an allowance for doubtful accounts.

#### 4. Property and Equipment

Property and equipment consisted of the following at June 30:

|   | 2021         | 2020        |
|---|--------------|-------------|
| Computers and equipment                   | \$ 1,110,086 | \$ 554,136  |

| Accumulated depreciation and amortization | (1,409,550)  | (1,151,470) |
|   | \$ 1,366,039 | \$ 893,394  |

Construction in progress at June 30, 2021 and 2020 consists of soft costs associated with the new facilities at 15-20 Central Avenue, Queens, New York (see Note 9).

#### 5. Liquidity and Availability of Financial Assets

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of the statement of financial position date, are comprised of the following at June 30:

| 2021            |              | 2020                    |
|-----------------|--------------|-------------------------|
| \$<br>6,635,874 | \$           | 4,810,225               |
| 365,449         |              | 452,240                 |
| \$<br>7,001,323 | \$           | 5,262,465               |
|                 | \$ 6,635,874 | \$ 6,635,874<br>365,449 |

As part of the School's liquidity management plan, the status of grants and contracts receivable is monitored regularly and any excess cash is held in liquid instruments until it is required for operational use. To help manage unanticipated liquidity needs, the School has a line of credit in the amount of \$50,000, which it could draw upon as further disclosed in Note 10.

#### 6. Employee Benefit Plan

The School maintains a defined pension plan qualified under Internal Revenue Code 403(b), for the benefit of its eligible employees. Under the plan, the School provided matching contributions up to 3% of annual compensation. Employer match for the years ended June 30, 2021 and 2020 amounted to \$176,977 and \$167,140.

Notes to Financial Statements June 30, 2021 and 2020

#### 7. Concentration of Credit Risk

Financial instruments that potentially subject the School to concentrations of credit and market risk consist principally of cash on deposit with financial institutions, which from time to time may exceed the Federal Deposit Insurance Corporation ("FDIC") limit. The School does not believe that a significant risk of loss due to the failure of a financial institution presently exists. As of June 30, 2021 and 2020, approximately \$6,390,000 and \$4,560,000 of cash was maintained with an institution in excess of FDIC limits.

#### 8. Concentration of Revenue and Support

The School receives a substantial portion of its revenue and support from the New York City Department of Education. For the years ended June 30, 2021 and 2020, the School received approximately 96% and 97% of total revenue and support from the New York City Department of Education. If the charter school laws were modified, reducing or eliminating these revenues, the School's finances could be materially adversely affected.

#### 9. Commitments

On December 10, 2010, the School entered into a non-cancelable operating lease for office and classroom space at 710 Hartman Lane, Far Rockaway, New York, expiring on May 31, 2032. The lease includes a yearly rent escalation of 3%, and requires the School to pay for utilities and other office costs. The School moved into this facility on April 16, 2012, and it currently houses grades K-5.

On December 5, 2014, the School entered into an agreement to lease additional property at 15-26 Central Avenue, Queens, New York, expiring on May 31, 2026. The lease commenced on September 19, 2015 and includes a yearly rent escalation of 3%, and requires the School to pay for utilities and other office costs. This location was the home of Challenge Preparatory Middle School from the 2015-2016 through the 2017-2018 academic years and is currently being used as office space.

On September 29, 2015, the School entered into an agreement to lease additional property at 15-20 Central Avenue, Queens, New York, expiring on August 31, 2042. The lease commenced in August 2021 and includes a yearly rent escalation of 3%, and requires the School to pay for utilities and other office costs. This location is being used to house grades 9-12.

On September 1, 2018, the School entered into an agreement to lease additional property at 12-79 Redfern Avenue, Queens, New York, expiring on August 31, 2034. The lease commenced on September 1, 2018 and includes a yearly rent escalation of 3%, and requires the School to pay for utilities and other office costs. This location became the home of Challenge Preparatory Middle School starting with the 2018-2019 academic year.

Notes to Financial Statements June 30, 2021 and 2020

#### 9. Commitments (continued)

The future minimum lease payments for the four facility leases are as follows for years ending June 30:

| 2022       | \$ 4,253,731  |
|------------|---------------|
| 2023       | 4,554,134     |
| 2024       | 4,690,759     |
| 2025       | 4,831,481     |
| 2026       | 4,412,067     |
| Thereafter | 60,059,119    |
|            | \$ 82,801,291 |

The School recognizes rent expense on a straight-line basis over the term of the leases. Rent expense in excess of payments is recorded as deferred rent in the accompanying statements of financial position. Occupancy expense under the leases for the years ended June 30, 2021 and 2020 amounted to \$2,752,203 and \$2,775,125.

#### 10. Line of Credit

On December 6, 2010, the School established a \$50,000 line of credit with a local financial institution. The line of credit is payable on demand and bears interest at prime rate plus 2.75%. The line of credit is secured by substantially all assets of the School. There was no outstanding balance as of June 30, 2021 and 2020.

#### 11. Paycheck Protection Act Loan Payable

On May 4, 2020, the School qualified for and received a loan pursuant to the Paycheck Protection Program ("PPP"), a program implemented by the U.S. Small Business Administration under the Coronavirus Aid, Relief, and Economic Security Act, from a qualified PPP lender, for an aggregate principal amount of \$1,792,512 (the "PPP Loan"). The PPP Loan bears interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred, has a term of two years, and is unsecured and guaranteed by the U.S. Small Business Administration. The principal amount of the PPP Loan is subject to forgiveness under the PPP upon the School's request to the extent that the PPP Loan proceeds are used to pay expenses permitted by the PPP, including payroll costs, covered rent and mortgage obligations, and covered utility payments incurred by the School. The School intends to apply for forgiveness of the PPP Loan with respect to these covered expenses. The School believes that most, if not all, of the PPP Loan is not forgiven, the School will be required to pay interest on the PPP Loan through the date principal is repaid in full or maturity date.

Notes to Financial Statements June 30, 2021 and 2020

#### 12. Contingency

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

#### 13. Risks and Uncertainties

The School's operations and financial performance may be affected by the recent COVID-19 outbreak which has spread globally and is expected to adversely affect economic conditions throughout the world. If the outbreak continues and conditions worsen, the School may experience a disruption in operations as well as a decline in revenue activities. Economic uncertainty is related to the potential reduction and/or delays in state and local per pupil operating revenue, shortfalls and variations in enrollment, and operational and other changes that could increase expenses. The outbreak may adversely affect the School's activities, financial condition, results of operations, and cash flows. Management is closely monitoring the impact of COVID-19 and believes the School is taking appropriate actions to mitigate the negative impact. However, management is unable to estimate the financial impact, if any, related to this matter.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

#### **Independent Auditors' Report**

Board of Trustees Challenge Preparatory Charter School

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Trustees Challenge Preparatory Charter School Page 2

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

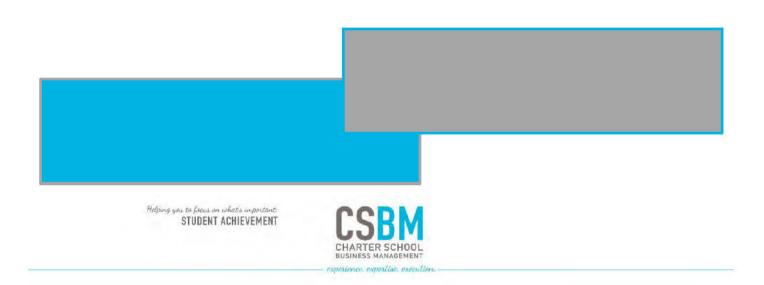

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# **COVID-19 and Staffing**

The coronavirus pandemic has had a profound impact on our educational program. At the beginning of the school year the most difficult challenge was staff absences due to the implementation of our COVID-19 protocols. Agencies who provided substitutes in the past could not provide substitutes thus staff covered for one another. This resulted in consistency for scholars and meant that the school had to wait to roll out planned educational initiatives.

Another area in which we are seeing an impact on staffing is with staff vacancies. As we approach the first third of the school year, the school continues to have key vacancies. Vacancies exist in subject areas where they did not exist in years past (elementary- general education) and have been numerous with hard to fill subjects like special education.

# **Innovations to Staffing**

In an effort to obtain needed staff, CPCS has decided to utilize the fifteen certification exemptions allowed by NYS charter law. The K-5 senior director of teaching and learning completed a certification analysis and proposed ways the exemptions may be used to support staffing school-wide. Ensuring that all staff are actively working on their certification status is critical as we maneuver through this pandemic and teacher shortage. To that end, both senior directors of teaching and learning will be meeting with non-certified staff to discuss their certification pathway after they receive a certification notice. A draft of the notice is made available at the end of this report. The content will be provided by the NYC Charter Center as we have partnered with them for certification support.

Below are additional ways CPCS is considering meeting the anticipated staffing challenge for the 2022-23 school year:

- Recruiting international teachers
- Partnering with colleges and universities for the following:
  - Student teachers
  - New classroom teachers
  - Tuition-supported teacher preparation programs
- Revamping the recruitment process to include:
  - Teaching demonstrations
  - Video initial interviews

# **Staffing Updates**

Our elementary site has the following vacancies: two teachers, two teacher assistants, and two instructional coaches. The SDTL actively participates in the recruitment of the instructional coaches as they will be pivotal to supporting teacher practice.

The chief executive officer has approved the hiring of a Dean of Students position for K-5.

### 2021-22 Certification Notice

### Date:

### Dear Challenge Charter Team Member,

New York State teachers, administrators, and pupil personnel service providers (e.g., school counselors, social workers) are required to hold a New York State certificate for employment in the State's public schools. As a NYCDOE Chancellor-authorized charter school, Challenge Charter School is required to adhere to NYS certification requirements and can make use of exemptions offered by amendments made to the NYS Charter Act of 1998. While we are committed to supporting our team members with securing certification, **obtaining and maintaining your required certification is your responsibility as a professional educator.** Comprehensive information about the requirements can be found on NYSED's Office of Teaching Initiatives site.

According to our records, you are currently certified/not certified by definition (notwithstanding your current teaching assignment). Based on your assignment, you are also considered certified/not certified by assignment. If you believe there is an error in the above information, send an email to <a href="https://example.com/HR@challengecharterschools.org">HR@challengecharterschools.org</a> (copy your supervisor) immediately. Clearly state what you believe is the erroneous information and provide the correct information. Submit screenshots, attachments, etc. where applicable.

Moving forward, all employees are required to provide Challenge Charter with a certification status update within 90 days of your certificate expiring. You may do this by completing the Certification/Credential Status Update form. If you need to schedule a time with HR to discuss your certification status, please do so by emailing <a href="https://example.com/HR@challengecharterschools.org">HR@challengecharterschools.org</a> to schedule an appointment. You will be referred to experts at the New York City Charter Center should you have an intricate situation. You may also utilize the Certification/Credential Status Update form to inform us when you have earned a new credential (e.g. master's degree, advanced certificate).

We thank you in advance for your attention to this important matter as we strive to accomplish our mission.

The CPCS mission is to prepare students from the greater Far Rockaway community to excel academically, to demonstrate mastery of the NYS and Common Core Learning Standards and to achieve their career aspirations. To accomplish its mission, Challenge offers a rigorous instructional program in a safe, supportive, technology-infused and data-enriched school environment.

#### I: Current Work

A: Computer Lab at 1520 Central Ave

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We are currently awaiting the delivery of the ordered equipment.

#### II: Future Work

B: NYSED/NYC DOE Digital Equity Questionnaire for ALL Scholars.

- The New York State Education Department (NYSED) requires all school districts, including charter schools, to collect information from families about student access to devices and the internet for the 2021-2022 school year.
- Collection is at an individual OSIS level and will be ongoing throughout the winter.
- The tech team is requesting the assistance of our principals, teachers, communications team, operations team, parent teacher coordinators, and any other staff member(s) willing to assist with contacting parents to encourage the completion of the survey.
- As to avoid the possibility of families filling out this form twice. We are currently awaiting instructions from the DOE.

B: Information gathering for Independent Cybersecurity Auditing continues.

 An independent cyber security assessment should be completed, in order to satisfy insurance and state requirements. Ex: <a href="https://www.dfs.ny.gov/industry\_guidance/cybersecurity">https://www.dfs.ny.gov/industry\_guidance/cybersecurity</a>

 We are currently in the process of sourcing a credible organization that is experienced in meeting the requirements.

#### **III: Risk Factors or Challenges**

#### A: WiFi Upgrades.

- E-rate funding is given based upon enrollment numbers. Due to our projected enrollment numbers from 2019 not matching our current enrollment numbers, E-rate has subtracted \$50,142 from our allocated budget.
- As a result, 66 wireless access points (equipment used to broadcast WiFi) have been removed from our allowance.
- In order to follow through on scheduled upgrades for 710 Hartman Lane and 1526 Central Ave, an additional \$50,142 in alternative funding is needed.
- For Category 2, our E-Rate budget is exhausted until the 2026/2027 funding year, or until our student count increases beyond 999 scholars.
- Once Challenge reaches above 999 scholars during a funding year, E-rate will contribute \$167 per student.
- As reported by Mrs. Vaugn on 11.12.21, 969 scholars are currently enrolled.

### B: Chromebook shortage

- Scholars are transferring without returning their assigned Chromebook, which is leaving older devices to be assigned to some newly enrolled scholars.
- Advisors of our tech department have stated, "Most years, a 10-15% loss\damage rate can be expected; however, in a year like COVID, it is prudent to plan for a much higher rate. Some schools have planned as if no devices would be returned."
- As a response to this, 100 new devices have been ordered from CDW.

#### **Increasing Teacher Effectiveness**

CPCS continues to implement strategies to improve teacher effectiveness as it has a major impact on student learning.

#### Learning Walk #2

The K-5 instructional leadership and grade level leads conducted a second round of learning walks. Grade level leaders commented on how beneficial it was to be able to watch teacher practice and discuss pedagogy with experienced educators. Evidence from the learning walk demonstrated that teachers continued to struggle with developing student learning targets and activities that are aligned with NGLS. The senior director of teaching and learning intervened by meeting with the curriculum consultant, executive coach, and principal to tweak the training strategy to meet this teacher learning need.

#### Unpacking the Next Generation Standards

Learner Centered Initiatives continues to provide training on the curriculum design process. Last week, teachers revisited how to "unpack" the Next Generation standards to ensure clarity when developing student learning targets. The feedback from last week's session was quite positive and demonstrated that teacher knowledge is increasing in this area, evidenced by drafted lesson objectives. The principal and senior director of teaching and learning are engaged in a professional learning series hosted by The Collaborative that reinforces the curriculum design process (Leveling Up Instruction).

#### Observation Feedback

Instructional leadership team members continue to conduct mini-observations and provide teachers with actionable feedback to improve their practice. Walkthroughs of all integrated co-teaching classrooms were also conducted. Feedback was shared with the principal for follow-up.

#### **Self-Assessment for School Improvement**

The SDTL initiated an internal audit of the K-5 teaching and learning program on December 2, 2021. The purpose of this internal audit is to:

- Self-evaluate where we are with meeting NYCDOE Chancellor-authorized requirements as outlined in the Accountability Handbook
- Prepare for the 2021-22 submission of the Annual Comprehensive Review report (due to NYCDOE by January 31, 2022)

The process includes three phases:

- Document Submission (by school personnel)
- Document Review (SDTL)
- Staff Interviews (SDTL)

Listed below are the documents requested and sample interview questions.

#### **Curriculum and Instruction**

#### **ELA Focus**

Teachers are working on aligning the standards and objectives. The area of focus are standards R 1-R3 in grades K-5. As teachers continue to unpack the Next Generation standards, they are also developing questions using the depth of knowledge in foster discussion within the classroom.

#### Math

In efforts to increase student achievement in mathematics, we have implemented Math Tuesday Challenges. MTC is used as a formative assessment. Scholars are given one math problem. They must show their thinking by using one or two math strategies to solve the problem. In addition, they must use math vocabulary to write a sentence about how they solved the problem.

#### **Professional Development**

- Continued PD unpacking the standards- Specifically the reading, speaking and listening and writing standards
- Staff will partake in PD around the areas of assessment cards and questioning and discussion techniques
- Grade Team Leaders meet twice a week with grade teams to work on lesson planning with a focus on the standards and objectives

#### **SOCIAL-EMOTIONAL LEARNING (SEL)**

- Covered in the homeroom (8:00 a.m.-8:25 a.m.) Grades 6-10 continue with the Second Step SEL lessons focusing on Bullying and Harassment. Teachers have been provided with the PD for this Unit.
- The Mood Meter has also been incorporated as part of the classroom SEL support. As well as using the first seven minutes of classes at certain periods of the day to check in and establish scholars' moods. We believe that this support will help us improve our scholar's academic standing as well as we encourage them to speak about their feelings and as we validate their feelings as well–giving way to strategies to help them cope.
- The importance of the social-emotional lessons is to provide a foundation for safe and
  positive learning to provide scholars with the strategies necessary to succeed in school,
  careers, and life. We continue to focus on all 5 of the SEL Competencies throughout the
  school year.

#### **CURRICULUM AND INSTRUCTION**

The Lavania Group continues the Close Reading work with grades 6-10. Consultants coach and observe lessons in the classroom on demand alongside leadership and provide teachers with feedback on the teaching of Close Reading. On January 6, 2022, a Close Reading diagnostic will be conducted to take stock of where our scholars are in preparation for Test Prep.

- Scholars have been grouped to make RTI a more structured instructional work in our school. The 2019 New York State Assessment data and the B.O.Y. Diagnostic data were used to guide this work.
- Enrichment clustered were also arranged using the Renzulli Survey data. At CCMS scholars are matched to a cluster based on their interest from the survey. At CCHS scholars have the choice of two clusters. These clusters occur at CCHS during the lunch period.

#### SPECIAL EDUCATION SERVICES

- Grades 6-8 CLASSROOMS

## **Director of Technology Report**

Dec. 2021 - Dale Richardson

\_

#### I: Current Work

A: Refinement of online security

• Working with vendors, in order to tailor security specific to Challenge's online environment for staff and scholars.

B: Interviews for Independent Cybersecurity Auditing have begun.

- An independent cyber security assessment should be completed, in order to satisfy insurance and state requirements. Ex: <a href="https://www.dfs.ny.gov/industry\_guidance/cybersecurity">https://www.dfs.ny.gov/industry\_guidance/cybersecurity</a>
- We have interviewed one organization with experience in meeting the requirements for both our insurance and state.
- This organization was recommended by one of our Tech consultants.
- Upon initial assessment, the price will range from \$12,000 \$18,000.
- We will seek at least one more company to review, as reviewing too many companies will reveal us to too many agents.
- A final decision will be made, once quotes are reviewed by myself and approved by finance.

#### II: Future Work

A: A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.

- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.
- A single unified number will also be useful for our web presence. Ex: When
  one google's "Challenge Charter School," google currently presents the phone
  number for 710 Hartman Lane. Google should have a single number capable
  of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

## B: Potential Security Cameras

- We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.
- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

## C: NYSED/NYC DOE Digital Equity Questionnaire for ALL Scholars.

- The New York State Education Department (NYSED) requires all school districts, including charter schools, to collect information from families about student access to devices and the internet for the 2021-2022 school year.
- Collection is at an individual OSIS level and will be ongoing throughout the winter.
- The tech team is requesting the assistance of our principals, teachers, communications team, operations team, parent teacher coordinators, and any other staff member(s) willing to assist with contacting parents to encourage the completion of the survey.
- As to avoid the possibility of families filling out this form twice. We are currently awaiting instructions from the DOE.

## D: Computer Lab at 1520 Central Ave

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We are currently awaiting the delivery of the ordered equipment.

## **III: Risk Factors or Challenges**

## A: WiFi Upgrades.

- E-rate funding is given based upon enrollment numbers. Due to our projected enrollment numbers from 2019 not matching our current enrollment numbers, E-rate has subtracted \$50,142 from our allocated budget.
- As a result, 66 wireless access points (equipment used to broadcast WiFi) have been removed from our allowance.
- For Category 2, our E-Rate budget is exhausted until the 2026/2027 funding year, or until our student count increases beyond 999 scholars.
- In order to follow through on scheduled upgrades for 710 Hartman Lane and 1526 Central Ave, an additional \$50,142 in alternative funding is needed.

## B: Chromebook shortage

- Scholars are transferring without returning their assigned Chromebook, which is leaving older devices to be assigned to some newly enrolled scholars.
- Each Chromebook that is not returned is a loss of \$350 (pre depreciation).
- The Operations Team at Middle School have begun tracking discharged scholars' and have retrieved eleven Chromebooks. Saving Challenge \$3,850 (pre depreciation) this month.

#### **Personal Certification Consultations for Teachers**

Teachers with difficult or complicated situations are invited to request a <u>Teacher Personal Consultation</u>. We have developed an on-line version of the evaluation to make it easier for most teachers to get the guidance they need without a trip to our office. Teachers must complete the form in its entirety and upload all documents requested. Missing information prevents the consultants from providing the best recommendation. Upon submission of the Personal Consultation form, teachers can expect the following:

- 1. They will receive an email confirmation to retain for their records.
- 2. Since our consultants are part-time, please allow about 3-4 weeks for an initial review. Expect a preliminary evaluation at the email address provided.
- 3. After reviewing the preliminary evaluation, the teacher can reply directly through the email if they need further clarification or an appointment to talk to one of the consultants. The consultants will set up a time to work with them online or by phone.

#### Complete Your Dignity for All Students Act (DASA) Workshop

Completion of a DASA workshop is required for NYS certification. Workshops are offered virtually and throughout the year. Here is one resource for workshops: <a href="https://www.nassauboces.org/Page/7339">https://www.nassauboces.org/Page/7339</a>

## **Keep Us Updated**

Please submit your certification plan of action to <a href="https://example.com/HR@challengecharterschools.org">HR@challengecharterschools.org</a> and cc your supervisor and SDTL by February 1, 2022 (after meeting with a certification consultant if needed). Include what you have accomplished since your certification meeting and your next steps moving forward (i.e Complete masters degree by June 20, already enrolled).

### \* Please note that these numbers are due to the errors in the enrollment and registration. ATTENDANCE:

- Staff and scholar attendance rates have been negatively affected by the recent uptick in reported COVID-19 cases.
- Remote Learning was the only instructional option offered from Dec 16 January 7,
   2022. There was no missed instructional time with the switch to remote learning, as our systems in place keeps us ready to use either instructional mode at any time.
- Scholars and staff have been vocal about their preference for in-person learning, but the teams did all that was possible to ensure that instruction, attendance, and engagement did not suffer too badly.

#### **STAFFING:**

- CCMS has made gains in staffing. To date only the following vacancies still stand:
  - Grade 7 Science Teacher
  - o Grade 7 SS Teacher
  - Spanish Teacher
  - Grade 6 SWD Teacher In the meantime teachers are scheduled to provide SETTS Services to scholars.
  - Grade 7 SWD Teacher In the meantime teachers are scheduled to provide SETTS Services to scholars.
  - Family Engagement Coordinator (6-10)
- CCHS has made gains in staffing. To date only the following vacancies stand:
  - English 9 Teacher Candidate is scheduled to begin on February 1, 2022.
  - o English 10 Teacher Principal Gordon is covering this class until a teacher is hired.
  - Grade 10 SETSS Teacher In the meantime, a teacher is scheduled to provide SETTS Services to scholars.

### **SOCIAL-EMOTIONAL LEARNING (SEL)**

- Covered in the homeroom (8:00 a.m.-8:25 a.m.) Grades 6-10 continue with the Second Step SEL lessons focusing on Bullying and Harassment. Teachers have been provided with the PD for this Unit.
- The Mood Meter has also been incorporated as part of the classroom SEL support. As well as using the first seven minutes of classes at certain periods of the day to check in and establish scholars' moods. We believe that this support will help us improve our scholar's academic standing as well as we encourage them to speak about their feelings and as we validate their feelings as well–giving way to strategies to help them cope.
- The importance of the social-emotional lessons is to provide a foundation for safe and

positive learning to provide scholars with the strategies necessary to succeed in school, careers, and life. We continue to focus on all 5 of the SEL Competencies throughout the school year.

### **CURRICULUM, INSTRUCTION, AND ASSESSMENT**

- i-Ready MOY Assessments began on January 13, 2022. 25% of our scholars in both CCMS and CCHS have not begun these assessments yet due to attendance. Following best practices, we are not administering the i-Ready assessments to students who are not in a controlled test environment on the premises where they can be monitored. This will ensure that our data is as valid as possible.
- The Lavania Group continues the Close Reading work with grades 6-10.
   Consultants coach and observe lessons in the classroom on demand alongside leadership and provide teachers with feedback on the teaching of Close Reading.
   On January 19, 2022, a Close Reading diagnostic will be conducted to take stock of where our scholars are in preparation for Test Prep.
- Scholars have been grouped to make RTI a more structured instructional work in our school. The 2019 New York State Assessment data and the B.O.Y. Diagnostic data were used to guide this work.
- Enrichment clusters were also arranged using the Renzulli Survey data, however, due to COVID Safety precautions, in-school enrichment clusters have been grouped by homeroom and mixed interest. At CCHS scholars have the choice of two clusters, which are being adjusted to incorporate as little contact as possible. These clusters occur at CCHS during the lunch period.

#### **SPECIAL EDUCATION SERVICES**

- Grades 6-8 CLASSROOMS
  - At Grades 6-8, teachers have been recruited to provide SETSS tutoring during their prep times.
  - Ms. Jasmine Hunter has taken on the additional role of SPED Liaison for Grades
     6-10 while maintaining services to Grade 8 IEP scholars.
- ENL services are provided on a consistent schedule by Ms. Ana Gomez.

#### **DIGITAL PLATFORMS**

 Grades 6-10 scholars are using a combination of digital notebooks and hardcover notebooks for all courses at this time to build writing and engagement stamina. We continue to utilize all our platforms with our eyes on maintaining remote learning strategies and the brick and mortar classroom. A recent shift was implemented to curtail the use of chromebooks to just 9% of the instructional time in an effort to maximize engagement.

### PARENT AND SCHOLAR OUTREACH and ACCESSIBILITY

- Attendance letters and nudge letters were sent out to parents via ParentSquare and hard US Mail at CCMS and CCHS.
- The CCHS Social Scientist Team has been working with scholars to bring about a clearer

understanding of their academic standing with respect to credits earned toward graduation.

• Efforts continue with respect to getting Parents to register in ParentSquare.

  for this task, with a target of 2 long observations and 5 short observations across the board for
  the school year.
- Mid-Year Evaluations have begun, with a goal to complete these meetings by January 26, 2022.

Kim Messer, Director of Communications

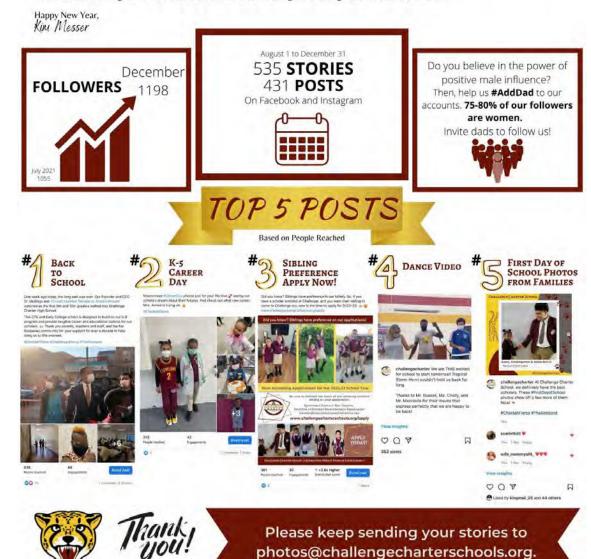

This Mid-Year report was prepared for our staff and will go out the week of 1/17.

### CCS COMMUNICATIONS MID-YEAR REVIEW 2021-22

As we begin 2022, let's take a moment to reflect on all the positive moments and highlights from the first few months of the 2021-22 school year. YOU have been instrumental in sharing our amazing story, and I thank you. Thank you for your submissions and post ideas, for your "likes, comments, and shares", and for your support so far this year. You are helping our families and the greater community see into the daily life of our school at a time when we have to limit visitors in our buildings.

You are doing great things. Our scholars are doing great things. My hope is that this Mid-Year Review reminds you of how important it is to our community to share the good that takes place in our halls and classrooms. As we talked about in August during Professional Development Week, we all have a responsibility in recruiting and promoting because enrollment affects each and every one of us. Your engagement can help us reach full enrollment for 2022-23.

I look forward to seeing all the new stories to come in 2022 featuring our Challenge Charter School Cheetahs.

### Recruitment/Application Mid-year Review:

Expenses related to promotions between July 2021 and the first week of January 2022 total approximately \$20,000 for various print ads, printing brochures, bus shelter ads, and a special summer Vanguard mailing.

381 applications for 2021-22 (post-lottery) and 363 applications so far for 2022-23 have been received for our marketing efforts. **Of note:** 

- Between 12/11-1/10, 24 applications were received AND 24 registered. Also, 135 applications were received for 2022-23.
- This does not include the Vanguard mailing as it had not gone out.
- Bus shelter ads that ran late November to end of December gained 29 applications. It was our only advertising out there at the time.
- We received 6 applications after a special ad that ran the last two weeks of December for families interested in making a mid-year school change.
- Outreach to 11 preschool and other school sites was done in December.
- Because I am doing almost all of the design in-house, we are saving thousands of dollars and and streamlining our marketing efforts.

We hosted our first Virtual Open House of the season to promote our High School on Thursday, January 13. Over 20 were in attendance plus staff and teachers.

Open Houses continue through March.

We invite you to attend!

As of January 3, 2022, enrollment is beginning to increase due to active recruitment and marketing/advertising. Student enrollment was steadily declining for the first half of the school year. The waitlist is exhausted for grades K,1,2,4, and 7. There are two 10th graders on the waitlist. They will enroll at the end of the month to avoid losing full credit for the semester at their current school. Student retention is still an area of concern at the elementary site.

<sup>\*</sup> The waitlist is currently exhausted

### STUDENT RECRUITMENT

- 24 scholars were recruited from **12/11/21-1/10/22** for the 2021-2022 school year. **24 scholars** were newly enrolled at the elementary site.

## On Maternity Leave

### **Director of Technology Report**

Jan. 2022 - Dale Richardson

\_

### I: Current Work

A: eRate information gathering

- Information is currently being gathered to submit our annual eRate application, as we are still eligible for Category 1 funding (internet service).
- The FCC's E-Rate program makes telecommunications and information services more affordable for schools and libraries. With funding from the Universal Service Fund (<u>fcc.gov/general/universal-service-fund</u>), E-Rate provides discounts for telecommunications, Internet access, and internal connections to eligible schools and libraries.
- Discounts range from 20 to 90 percent and are based on the poverty level of the schools. Rural schools and libraries may also receive a higher discount. Recipients must pay some portion of the service costs.
- See the list of eligible services at usac.org/e-rate/applicant-process/before-you-begin/eligible-services-list/.

B: NYSED/NYC DOE Digital Equity Questionnaire for ALL Scholars.

- The DOE created a new website in December, which has streamlined the process and made the collection of data much simpler for our families: <a href="https://nysdigitalequity.osdcp.org/">https://nysdigitalequity.osdcp.org/</a>
- Notifications were sent to families via Parent Square on 12/22/21.
- 287 responses have been entered into the NYCDOE-hosted Digital Equity Family Questionnaire system, as of 1/10/22.
- The New York State Education Department (NYSED) requires all school districts, including charter schools, to collect information from families about student access to devices and the internet for the 2021-2022 school year.
- Collection is at an individual OSIS level and will be ongoing throughout the winter.

- The tech team is requesting the assistance of our principals, teachers, communications team, operations team, parent teacher coordinators, and any other staff member(s) willing to assist with contacting parents to encourage the completion of the survey.
- Challenge's Director of Operations and Parent Engagement Coordinator have assisted thus far.

C: Remote distribution of Chromebooks and HotSpots.

- Our 1:1 assignment of grades k 10 Chromebooks was completed in September of 2021.
- As stated in September's report: Scholar's at 1520 Central and 12-79 Redfern have all been assigned individual Chromebooks, which are taken to and from school.
- As stated in September's report: Scholar's at 710 Hartman and 1526 Central are assigned Chromebooks which are housed in the classrooms.
- Hotspots are distributed as a need arises.
- I suggest the creation of a vetting system, as to mitigate against individuals who seek to take advantage of the HotSpot initiative.

#### II: Future Work

A: A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.
- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.

- A single unified number will also be useful for our web presence. Ex: When
  one google's "Challenge Charter School," google currently presents the phone
  number for 710 Hartman Lane. Google should have a single number capable
  of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

### **B:** Potential Security Cameras

- We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.
- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

### D: Computer Lab at 1520 Central Ave

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We are currently awaiting the delivery of the ordered equipment.

### III: Risk Factors or Challenges

A: eRate information gathering

 \*Please note: In March of 2021, Challenge exhausted all Category 2 funding (Hardware and MIBS - Managed Internet Broadband Services, including our network administrators) for the next five years, while bringing 1520 Central online, as well as upgrading hardware throughout our sites at 710 Hartman and 1520 Central.

- As a result, for Category 2 our E-Rate budget is exhausted until the 2026/2027 funding year, or until our student count increases beyond 999 scholars.
- Challenge may be able to acquire further eRate funding once enrollment reaches over 999 scholars during an application period. 2023 2024 looks to be our next window of opportunity for eRate funding.

### B: Chromebook shortage

- Scholars are transferring without returning their assigned Chromebook, which is leaving older devices to be assigned to some newly enrolled scholars.
- Each Chromebook that is not returned is a loss of \$350 (pre depreciation).
- The Operations Team at Middle School have begun tracking discharged scholars' and have retrieved Chromebooks. This system should be implemented across all sites.

#### Internal Academic Audit

The SDTL reviewed the audit results with the K-5 leadership team. A school improvement planning tool has been drafted (with the content below already embedded) to document the planning process for the 2022-23 SY.

| Document Folder                  | SDTL Feedback  |
|----------------------------------|--|
| 1. Assessments                   | Rating: Acceptable  There is demonstrated understanding of the role assessment plays in student achievement. This work will flow naturally during or after the curriculum design work (based on teacher readiness.   |
| Attendance and Interventions     | Rating: Needs Improvement  Attendance outreach and intervention documentation was minimal, especially for the size of the school. Proceed with attendance committee planning and implement immediately.  |
| 3. Curriculum Maps/Pacing Guides | Rating: Needs Improvement  There is evidence of the shift to Next Generation standards. This work will get fleshed out as part of the curriculum design process. If curriculum maps/guides are not available explain WHY and provide lesson plans.   |
| 4. Discipline Policy             | Rating: Needs Improvement  There is evidence of an intended shift to Restorative Justice practices; however, policies have not been updated to reflect that. Create a plan for 2022-23 implementation.   |
| 5. ELL Program<br>Information    | Rating: Needs Improvement  There is limited evidence that the school is implementing a complete ELL program. Utilize  ENL Units of Study as a guide. Complete this Spring.   |
| 6. Lesson Plans                  | Rating: Needs Improvement  Emphasis on "questioning" demonstrates an understanding of authentic student engagement. There is limited evidence of consistent implementation of DI and SDI. Begin this work this Spring (even with just ONE non-negotiable DI/SDI component that everyone complies with). Create a plan for 2022-23 training and implementation. |
| 7. Master Class<br>Schedule      | Rating: Acceptable  There is demonstrated understanding of NYSED requirements. Consider including the following in the master schedule:  |

|   | Co-teacher planning time, grade level planning time, Child Study Team, professional learning, etc. This would provide evidence of how instructional time is utilized to support student achievement. Consider implementing for 2022-23 and future school years.  |
|---|--|
| 8. Parent/Family<br>Communications                  | Rating: Acceptable  Communication is both school-based and community-based.  |
| Remote Learning     Guidelines and     Expectations | Rating: Acceptable  Document demonstrates high expectations for both scholars and teachers.  |
| 10. Special Education                               | Rating: Needs Improvement  Acceptable submissions- made to these subfolders:   |
| 11. Staff Evaluations                               | Rating: Needs Improvement  There is evidence that teachers are receiving feedback after a classroom visit. There was no evidence of mid-year or end-of-year evaluations. Employ teacher evaluations (or at least "reflection meetings") consistently for all staff. All staff must have an evaluation for the current school year. |
| 12. Staff Handbook                                  | Rating: Needs Improvement  Some sections of the handbook need to be fleshed out. Is there an internal AND an external version? This work can be completed by following updated protocols for handbook development, sent by the Communications department (for the upcoming school year).   |
| 13. Student<br>Performance<br>Data                  | Rating: Acceptable  There is evidence that the school is reviewing student performance at the state, district, school, and classroom levels.   |

#### **Ensuring Continuous Learning**

CPCS will provide all K-5 isolated scholars with a *Learning From Home* package. Packages are updated every two weeks to make sure they match what is happening in the classroom. When scholars are well enough, we encourage families to have their scholars complete the *Learning From Home* package so they can continue to practice their skills and reinforce their learning.

#### CPCS will provide remote instruction for scholars who:

- Continue to test positive [after the initial isolation period] and thus have to remain isolated.
- Have documented medical conditions which does not allow a scholar to physically be present in the school building\*

#### Responsibilities of the remote Instruction Teacher

- NOTE: The start time for this role is 8:00AM
- It is expected that the remote instruction teacher will create a schedule that allows for a minimum of 2 hours of live instruction in ELA/Math daily (this can include frequent but short breaks for scholars).
- The teacher will also be expected to offer reasonable office hours to both families and scholars.
- Live instruction hours can go until 7:00pm if firmly agreed upon by the family.
- Documenting the instruction that takes place during each session in this document

#### **SAMPLE Schedule**

The remote teacher is required to have a Google calendar that captures the entire day and is shared with Elementary Admin (including the SDTL). Admin must ALWAYS have the ability to virtually visit a session (REGARDLESS of the time).

#### **Director of Technology Report**

Feb. 2022 - Dale Richardson

\_

#### I: Current Work

A: Completion of Network upgrades

- 710 Hartman lane has been fully upgraded. WAPS and backbone are functioning well. This brings our install to an end.
- 1526 CEntral Avenue has been fully upgraded. WAPS and backbone are functioning well. This brings our project to an end.
- Additional monitoring and refining will continue.

#### B: Completion of eRate application

- Challenges eRate application has been completed and submitted. Our "Allowable Contract Date" for the 2022/2023 Category application is 2/23/2022. We will not be able to choose a vendor or sign an agreement until after this date.
- Category 1 (internet) Challenge currently has a multi-year contract which
  goes at least through June 30, 2023. As a result, Challenge will not be making
  any changes to this service/agreement for/during the 2022/2023 funding
  year... October of 2023 would be the date our current contract ends. Which
  means we may solicit quotes during the 2023/2034 funding year.
- Category 2 (MIBS and Hardware) For 2022/2023 Challenge will NOT receive any funding for our Category 2 funding, which includes our MIBS (network administration) and hardware. MIBS for 2021 cost \$32,880 total. 2022/2023 will be an out-of-pocket-cost and should be around that number again unless there are adjustments to total equipment counts or inflation.

C: Combatting Chromebook shortage

- The tech team has begun a new project, intended to combat scholars leaving Challenge with Chromebooks; the Tech team is attempting to integrate an asset system into our current SIS (PowerSchool).
- Once the system rolls out, it will be easier for Operations to see the exact asset of the device that needs to be returned, before the scholar leaves the school.
- If too many scholars leave with devices, we may lose funding, which makes this project a high priority.

#### II: Future Work

A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.
- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.
- A single unified number will also be useful for our web presence. Ex: When
  one google's "Challenge Charter School," google currently presents the phone
  number for 710 Hartman Lane. Google should have a single number capable
  of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

#### B: Potential Security Cameras

• We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.

- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

#### C: Computer Lab at 1520 Central Ave

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We are currently awaiting the delivery of the ordered equipment.

#### **III: Risk Factors or Challenges**

#### A: Network stability

- Currently our WiFi network at 1520 Central Ave. is experiencing instabilities.
- The manufacturers of the WAPS and our network administrators are both aware and are working diligently in order to track down the issue.

WHEREAS, the School is presently the subtenant pursuant to that certain Agreement of Sublease dated as of July 24, 2019 (the "Original Sublease"), which was amended by that certain First Amendment to Sublease dated April 16, 2020 (the "April 2020 Amendment"), that certain additional First Amendment to Sublease dated on or about January 4, 2021 (the "First Amendment"), and that certain Second Amendment to Sublease dated as of October 7, 2021 (the "Second Amendment"; along with the Original Sublease, the April 2020 Amendment, the First Amendment and the Second Amendment- the "Sublease") by and between E Squared I LLC ("Sublandlord"), as sublandlord, and the School, as subtenant, pursuant to which Sublandlord leases to the School certain premises (as more particularly described in the Sublease, the "Premises") located at 15-20 Central Avenue, Queens, NY 11691; and

**WHEREAS**, under the Sublease the School is responsible for many operational expenses related to the Premises; namely, the real property tax (the "**Property Tax**") which as of the date hereof is projected to be approximately \$150,000.00 per year; and

WHEREAS, in conjunction with Friends of Challenge Prep, Inc. ("Friends"), and in order to meet the School's long-term real estate needs, for strategic purposes and to enjoy the benefits of exemption from the Property Tax, for which

the School and Friends are eligible, the Board has determined it is in the best interest of the School to assign the Sublease to Friends pursuant to an assignment and assumption agreement (the "Assignment") whereby Friends will assume the School's obligations under the Sublease and sublease the Premises back to the School; and

**WHEREAS**, the School desires to sublease the Premises from Friends pursuant to a sub-sublease (the "**Sub-Sublease**") as more fully set forth in the Sub-Sublease; and

WHEREAS, with Friends assuming the position as direct subtenant under the Sublease with the Sublandlord, a leasehold condominium structure (the "Leasehold Condominium") becomes possible whereby the Premises are converted into condominium units (the "Units") which are thereafter sublet to the School pursuant to the Sub-Sublease, and the Units are eligible for exemption from Property Tax, thereby saving the School the expense of the Property Tax; and

WHEREAS, Friends and Sublandlord desire to enter into, the Sublease whereby Friends is substituted as subtenant for the purposes of creating the Leasehold Condominium (which Sublandlord has approved), the School is designated as the sub-subtenant and an application will be filed with the New York State Attorney General's Office for a "no action" letter to effectuate the creation of the Leasehold Condominium and thereafter an application will be filed with the New York City Department of Finance for an exemption from Property Tax; and

WHEREAS, subject to additional minor additions and changes (the "Minor Modifications") to be made to the Assignment, Guaranty and Sub-Sublease through negotiations between the Sublandlord and Sublandlord's legal counsel and the School's Proper Representatives (defined herein) and the School's and Friends' legal counsel, as applicable, the School wishes to enter into the Assignment, the Sub-Sublease and the Guaranty for the Premises so that Friends can enter into the Sublease for the Premises.

Proper Representatives to work with the School's and Friends' legal counsel to finalize the Assignment, the Sub-Sublease and the Guaranty with Minor Modifications;

#### Responding to the passing of Davina Afokoba

The tragic and unexpected loss of Davina Afokoba (Class 503) was a devastating blow to our school community. The K-5 SDTL led several crisis response meetings to manage the internal response to Davina's passing. In collaboration with the CEO, Principal Griffin, and SDTL Gordon, the following activities were accomplished:

- Established protocol for communicating loss to scholars, staff, and the community
- Assisted FEC in managing communications between the family and the school
- Offered in-person and virtual counseling sessions were made available to scholars, staff, and families. Counselors and social workers from CCMS and CCHS made themselves available to K-5 scholars if/where needed
- Facilitated school-to-family supports during the funeral services
- Drafted a plan for a tentative memorial service

#### **Removal Procedures**

On March 3, 2022 CPCS was notified by our charter authorizer that our current student removal process does not follow due process as a hearing was not held. The K-5 SDTL drafted a hearing protocol and is awaiting feedback/approval from the CEO. The below protocol was drafted after researching the policies of local districts and reviewing the two samples sent to CCS by the NYCDOE.

#### **CCS Disciplinary Hearing Protocol**

#### **Opening and Facilitating the Hearing**

- The Hearing Officer calls the meeting to order and notes the date/time for the record
- The Hearing Officer introduces the parties (and representation where applicable) and advises that the meeting is being recorded
- The charges are introduced into the record by the School Site designee (Principal, AP, Dean, School Counselor, Social Worker)
- The School site presents its case by presenting evidence and witnesses (where applicable)
- The Hearing Officer has the right to accept hearsay and other evidence if he or she deems that the evidence is relevant or material
- The Scholar will be asked to present his/case by presenting evidence or witnesses
- The School Site may guestion any witnesses presented by the Scholar

#### **Communicating Next Steps** - The Hearing Officer informs both parties of the following:

- The Hearing Officer will determine if the Scholar is guilty of the charges
- If the Hearing Officer determines the charges are true, they will make a recommendation for disciplinary action to the CEO
- The Hearing Officer will review the Scholar's past academic and behavioral record before
  making a disciplinary action recommendation to the CEO. Both positive and negative factors
  will be considered
- The CEO will make the final decision about the disciplinary action. Every attempt will be made to do so within 24-48 hours
- The Hearing Officer will notify the School Site Building Leader of the CEO's final decision in writing
- The School Site Building Leader or his/her designee, will notify the Scholar's parent/guardian of the final decision by phone and in writing. The notice will state the reasons on which the decision is based and the disciplinary actions to be imposed. Said decision shall be based on the evidence presented at the hearing.
- A parent can appeal the CEO's decision to the Board of Trustees within ten days by writing to info@challengecharterschools.org
- If the parent is not satisfied with the decision of the Board of Trustees, they can contact the NYCDOE's Charter Office

with the PD for this Unit.

- The Mood Meter has also been incorporated as part of the classroom SEL support. As well as using the first seven minutes of classes at certain periods of the day to check-in and establish scholars' moods. We believe that this support will help us improve our scholar's academic standing as well as encourage them to speak about their feelings and as we validate their feelings as well–giving way to strategies to help them cope.
- The importance of the social-emotional lessons is to provide a foundation for safe and positive learning to provide scholars with the strategies necessary to succeed in school, careers, and life. We continue to focus on all 5 of the SEL Competencies throughout the school year.

#### **CURRICULUM, INSTRUCTION, AND ASSESSMENT**

- Test Prep has begun at CCMS, for ELA and Math. Scholars practice on bubble sheets generated in PerformanceMatters and standards progress is tracked in the same program.
- The Lavania Group continues the Close Reading work with grades 6-10.
   Consultants coach and observe lessons in the classroom on demand alongside leadership and provide teachers with feedback on the teaching of Close Reading.
   The last visit for the CCMS Lavinia Group consultant is on March 3, 2022. The CCHS Lavinia Group consultant will be on the premises on February 28, 2022. He will be helping to produce Regents Prep mock exams for all Regents courses.

- Enrichment clusters were also arranged using the Renzulli Survey data, however, due to COVID Safety precautions, in-school enrichment clusters have been grouped by homeroom and mixed interest. At CCHS scholars have the choice of two clusters, which are being adjusted to incorporate as little contact as possible. These clusters occur at CCHS during the lunch period.

#### **SPECIAL EDUCATION SERVICES**

 Grades 6-10 scholars are using a combination of digital notebooks and hardcover notebooks for all courses at this time to build writing and engagement stamina. We continue to utilize all our platforms with our eyes on maintaining remote learning strategies and the brick and mortar classroom. A recent shift was implemented to curtail

the use of Chromebooks to just 9% of the instructional time in an effort to maximize engagement.

#### PARENT AND SCHOLAR OUTREACH and ACCESSIBILITY

# Director of Operations on Maturity/Family Leave

## **Director of Technology Report**

Mar. 2022 - Dale Richardson

\_

#### I: Current Work

A: Printer Procurement

- Our lease on printers for 710 Hartman Lane, 1526 Central Avenue, and 1279
   Redfern avenue are expiring in June of 2022.
- We are currently working with vendors to source and secure machines.

#### B: Open House @ Challenge

• The tech team is working alongside the Director of Enrolment to ensure presentations are well supported and flaws are minimized.

## C: Auditing equipment functionality

- Some of the high ticket equipment (smart boards, printers, etc.) at 1520
   Central Avenue and 1526 Central Avenue are not functioning exactly as they should. I suspect this to be from the electricity.
- We should look into upgrading to 30 amp breakers, if our current breaker boxes can handle that capacity.
- We should also invest in power surge protectors for high ticket items.

#### II: Future Work

A: Independent Cyber Security Audit.

- An independent cyber security assessment should be completed by June 2022, in order to satisfy various insurance and state requirements. Ex: <a href="https://www.dfs.ny.gov/industry\_guidance/cybersecurity">https://www.dfs.ny.gov/industry\_guidance/cybersecurity</a>
- We have sourced a credible vendor that is willing to access all sites for a total of \$42,327.00.

#### B: A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.
- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.
- A single unified number will also be useful for our web presence. Ex: When
  one google's "Challenge Charter School," google currently presents the phone
  number for 710 Hartman Lane. Google should have a single number capable
  of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

## C: Potential Security Cameras

- We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.
- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

#### **III: Risk Factors or Challenges**

A: Reso A funding

- Challenge Prep Charter School was allocated \$250K in Fiscal Year 2022 (FY22) for a Reso A Technology project by the Council Member.
- We were requested to complete paperwork, notarize, and send in order to ensure a timely delivery. This was completed in January.
- On 3.15.2022 we were told by the Reso A vendor, "We have not yet received the FY22 Tech/procurement certificate to proceed from the office of management and budget, but do anticipate it coming shortly. Once we do, the principal can expect outreach from DOE's DIIT."
- We should be thinking of other funding sources to outfit our high school location @ 1520 Central Ave, as these funds may not be distributed anytime soon, and our school will be expanding in the 2022/2023 school year.

#### B: Computer Lab at 1520 Central Ave (with Reso A)

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We have been updated on 3.15.2022 that Apple Desktops have been discontinued.
- We have been updated on 3.15.2022 that Interactive boards are on backorder, with a current cue of 12 18 months.
- We have been updated on 3.15.2022 that the vendor is unsure of delivery time, as equipment will take "some time" to arrive at their warehouse and will take "some time" after that to arrive at Challenge.

## D: Inventory shortage

- The Lenovos currently being used by teachers are beginning to age and fail.
- New laptops should be purchased via Reso A funding. However, Reso A funding has not been released as yet.

#### RESOLUTIONS OF THE BOARD OF TRUSTEES

#### 15-20 CENTRAL AVENUE REAL ESTATE

"The Board of Trustees (the "**Board**") of Challenge Preparatory Charter School (the "**School**") at a duly constituted meeting of the Board held on March 23, 2022, does hereby (i) approve and adopt the following resolutions and (ii) direct that these resolutions be recorded among the minutes of the proceedings of the School.

WHEREAS, the School is presently the subtenant pursuant to that certain Agreement of Sublease dated as of July 24, 2019 (the "Original Sublease"), which was amended by that certain First Amendment to Sublease dated April 16, 2020 (the "April 2020 Amendment"), that certain additional First Amendment to Sublease dated on or about January 4, 2021 (the "First Amendment"), and that certain Second Amendment to Sublease dated as of October 7, 2021 (the "Second Amendment"; along with the Original Sublease, the April 2020 Amendment, the First Amendment and the Second Amendment- the "Sublease") by and between E Squared I LLC ("Sublandlord"), as sublandlord, and the School, as subtenant, pursuant to which Sublandlord leases to the School certain premises (as more particularly described in the Sublease, the "Premises") located at 15-20 Central Avenue, Queens, NY 11691; and

**WHEREAS**, under the Sublease the School is responsible for many operational expenses related to the Premises; namely, the real property tax (the "**Property Tax**") which as of the date hereof is projected to be approximately \$150,000.00 per year; and

**WHEREAS**, in conjunction with Friends of Challenge Prep, Inc. ("**Friends**"), and in order to meet the School's long-term real estate needs, for strategic purposes and to enjoy the benefits of exemption from the Property Tax, for which

the School and Friends are eligible, the Board has determined it is in the best interest of the School to assign the Sublease to Friends pursuant to an assignment and assumption agreement (the "Assignment") whereby Friends will assume the School's obligations under the Sublease and sublease the Premises back to the School; and

**WHEREAS**, the School desires to sublease the Premises from Friends pursuant to a sub-sublease (the "**Sub-Sublease**") as more fully set forth in the Sub-Sublease; and

WHEREAS, under the terms of the Assignment, as a material inducement to Sublandlord to approve the Assignment and Sub-Sublease, the School is required to guaranty the payment of rent and other expenses set forth in the Sublease, pursuant to a guaranty of lease (the "Guaranty"), and the School desires to issue the Guaranty to satisfy the Sublandlord's requirements; and

WHEREAS, with Friends assuming the position as direct subtenant under the Sublease with the Sublandlord, a leasehold condominium structure (the "Leasehold Condominium") becomes possible whereby the Premises are converted into condominium units (the "Units") which are thereafter sublet to the School pursuant to the Sub-Sublease, and the Units are eligible for exemption from Property Tax, thereby saving the School the expense of the Property Tax; and

WHEREAS, Friends and Sublandlord desire to enter into, the Sublease whereby Friends is substituted as subtenant for the purposes of creating the Leasehold Condominium (which Sublandlord has approved), the School is designated as the sub-subtenant and an application will be filed with the New York State Attorney General's Office for a "no action" letter to effectuate the creation of the Leasehold Condominium and thereafter an application will be filed with the New York City Department of Finance for an exemption from Property Tax; and

WHEREAS, subject to additional minor additions and changes (the "Minor Modifications") to be made to the Assignment, Guaranty and Sub-Sublease through negotiations between the Sublandlord and Sublandlord's legal counsel and the School's Proper Representatives (defined herein) and the School's and Friends' legal counsel, as applicable, the School wishes to enter into the Assignment, the Sub-Sublease and the Guaranty for the Premises so that Friends can enter into the Sublease for the Premises.

**NOW THEREFORE, BE IT RESOLVED,** that the Board hereby approves the Assignment, the Sub-Sublease and the Guaranty, and authorizes the School's

Proper Representatives to work with the School's and Friends' legal counsel to finalize the Assignment, the Sub-Sublease and the Guaranty with Minor Modifications;

**BE IT FURTHER RESOLVED,** that the School is hereby authorized and directed to execute and deliver the Assignment, the Sub-Sublease, the Guaranty and such further agreements, assignments, pledges, instruments, consents and any other documents ancillary to the Assignment, the Sub-Sublease or Guaranty necessary, proper and/or advisable in the determination of any Proper Representative (as defined below) and the payments related thereto as set forth above:

BE IT FURTHER RESOLVED, that any Trustee or officer of the School or the Board's designee or the School's Executive Director (each, a "Proper Representative"), be and hereby is authorized and directed, jointly and severally, to execute and deliver the Assignment, the Sub-Sublease, the Guaranty, and any other documents consistent with the transactions described above and such further agreements, assignments, pledges, instruments, consents and documents ancillary to the Assignment, the Sub-Sublease, the Guaranty or necessary in the determination of any Proper Representative, in the name of and on behalf of the School, and to pay all such expenses and taxes as in their judgment shall be necessary, proper and advisable in order to fully carry out the intent and accomplish the purposes of the foregoing resolutions; and

**BE IT FURTHER RESOLVED**, that all actions heretofore taken by any Proper Representative, for and on behalf of the School in connection with the Assignment, the Sub-Sublease and the Guaranty, including, but not limited to, the execution of the Assignment, the Sub-Sublease and the Guaranty shall be and hereby are ratified and approved, and that the authority given hereunder shall be retroactive and any and all acts hereunder performed prior to the passage of these resolutions are hereby ratified and approved."

The meeting adjourned by common consent.

Respectfully submitted:

#### **ELA and Mathematics State Exams**

ELA examinations were completed at the end of March. Scholars then participated in internal mock math exams in order to be exposed to the math exam's framework and to have practice in persisting through challenging problems. Staff took notes during this time to employ effective care and testing strategies during the exam. Math exams will take place during the last week of April.

#### **Working with Learner-Centered Initiatives (LCI)**

Curriculum writers, grade-level leads, and assistant principals are approaching the development of the final unit for this school year. Assessments (and their role in learning) will be explored by LCI during this unit. The SDTL recommends that CPCS works with LCI again next year to specifically focus on assessments. The school aims to develop pre and post assessments for all units, establish formative assessments, and begin exploring the use of performance assessments.

#### **MOY Principal Effectiveness**

Instructional staff at CPCS evaluated the school principal using the Vanderbilt Assessment of Leadership in Education (VAL-ED) in February 2022. The VAL-ED is a learning-centered and evidence-based tool that assesses principals' behaviors known to directly influence teachers' performance, and in turn students' learning. Leadership behaviors are informed by a leader's knowledge, skills, personal characteristics, values and beliefs. Results were immediately shared with the principal and briefly discussed.

On April 6, 2022, the SDTL conducted a MOY Principal Effectiveness Reflection meeting with the principal. The reflection meeting covered the following topics:

- 1. Opening- Reflect on process, understanding the VAL-ED tool
- 2. Meeting Goal: Stamping the learning so it can be transferred and replicated.
- 3. Identifying new knowledge, skills, dispositions of the school principal
- 4. Understanding Culture of Learning and Professional Behavior
- 5. Paying attention to misaligned results
- 6. Performance Management [Where are we? Where are we going? Staff? Scholars?]

#### Preparing to launch the 2022-23 school year

The human resources (HR) team has procured a new recruitment software called Lever. The SDTLs have finalized the 2022-23 instructional staff hiring process to reflect this new tool, bring back in-person demo lessons, and to streamline the process. CCS anticipated vacancies are posted on LinkedIn and are still in the process of being available on Indeed. The recruitment process is made available below. In addition, we have developed a framework for launching the new school year.

For the next two months, collaboration with the Director of Special Education and the Special Education Liason will take place to ensure we have the following in place:

- Sped related professional development for our ICT staff
- Action plans for at risk-scholars

Currently, the Special Education Liaison meets with the CTT teams to facilitate planning of modified instruction, professional development and or IEP goal setting.

| Current total of scholars who receive SPED related services | 114 |
|---|-----|
| Number of PENDING INITIAL IEP<br>MEETINGS                   | 49  |

As our SPED population increases, the amount of CCT classrooms and SPED certified teachers will also increase. For the 2022-2023, each grade will need TWO ICT sections to ensure our scholars are receiving their correct services. This will also expand the need for continued professional development, specifically for our SPED certified teachers.

Scholars who are in TIER 3- will also use a program specifically to meet their needs. At this tier, a student will receive intensive support for specific skill deficits. Interventions will be more frequent, explicit, intensive, and individualized for longer periods of time. **Based on our data** 106 scholars fall into this category.

#### **Remote Instruction**

Currently, we have three scholars on our roster who receive remote instruction. 2 are for medical reasons, the other is because of a suspension. The two scholars who are out for medical reasons will return on April 26, 2022.

## **Communications Report - April 2022**

Kim Messer, Director of Communications

### **Communications:**

#### Internal/External

- Women's History Month featured some of our own influential women in a series of short articles on SM and the website. The stories had great engagement on our social media channels. See all of their stories at: www.challengecharterschools.org/news
- NYC School Survey notices have been sent out 1-2 times a week via ParentSquare with new graphics and input from our survey team.

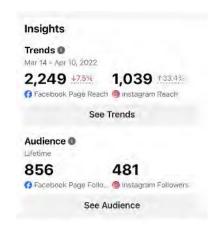

## Budget

- I proposed a social media management company to partner in my Communications plan for this school year. Dr. Mullings had approved the expense, but due to finance delays, we lost the contract. As our school and my workload grows, I am spending a lot of time on social media and graphic development.
- As the only director without support staff, support is needed in Communications, and this should be considered in the budget for 2022-23. A couple of possible solutions:
  - Outsource some of the social media management via a 9-month contract
  - Outsource main graphic designs our school flyer, recruitment ads, and application materials
  - Hire a part-time Communications assistant with experience in social media marketing and graphic design
- Other budget considerations are needed Professional Development as I have not attended an event to increase my knowledge and skills since the fall before COVID.

#### Social Media

- One of my goals for the year was more video content on our channels. We have achieved that through simple reels, longer promotional videos in partnership with E/R team, and in repurposing video content from teachers and staff.
- As I begin to look back at our data from the beginning of the year until now, we have seen growth in followers and engagement. See the side-by-side graphics below:

September 2021

April 2022

## Recruitment/Application Promotion:

- I worked with our E/R team and prepared our presentation for Lottery Night. Every year the goal is to make our brand shine and improve the look we are presenting to new families.
- Still awaiting word on decisions from Dr. Mullings and E/R team on advertising proposals for continued promotion after the Lottery to help fill any remaining seats.
- Short spring and summer campaigns are run to help build our waitlist and fill remaining seats as families transition through the summer.
- The website has been updated now that the Lottery is over.

## **Bigger Projects**

- Development of a Communications Guidebook that gives an overall view of our process and work in communications continues. This document will include our Brand Guidelines, an annual calendar of campaigns across our school, and more.
- Mrs. Richards and I are partnering to work on the Emergency Response Plan for the school
   - this entails the Crisis Response Plan (grief response), Crisis Communications Plan
   (detailed strategic response), Safety Plan (operations) & possibly other documents. We will
   be reaching out to principals and other staff for a committee.

## **Director of Technology Report**

Mar. 2022 - Dale Richardson

\_

#### I: Current Work

A: Supporting during state testing

https://www.schools.nyc.gov/learning/testing/testing-calendar

## B: Auditing equipment functionality

- Some of the high ticket equipment (smart boards, printers, etc.) at 1520
   Central Avenue and 1526 Central Avenue are not functioning exactly as they should. I suspect this to be from the electricity.
- We should look into upgrading to 30 amp breakers, if our current breaker boxes can handle that capacity.
- We should also invest in power surge protectors for high ticket items.

C: Auditing Staff and Student Technology devices.

• In order to prepare replenishment devices for the 2023 - 2024 school year, techs are auditing the following (1) Mobile Hot-Spots (2) Chromebooks (3) Lenovo Laptops.

## II: Future Work (High ticket items are currently on hold. However, the following three projects should be held as a priority).

A: Independent Cyber Security Audit.

- An independent cyber security assessment should be completed by June 2022, in order to satisfy various insurance and state requirements. Ex: <a href="https://www.dfs.ny.gov/industry\_guidance/cybersecurity">https://www.dfs.ny.gov/industry\_guidance/cybersecurity</a>
- We have sourced a credible vendor that is willing to access all sites for a total of \$42,327.00.

## B: A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.
- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.
- A single unified number will also be useful for our web presence. Ex: When
  one google's "Challenge Charter School," google currently presents the phone
  number for 710 Hartman Lane. Google should have a single number capable
  of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

## C: Potential Security Cameras

- We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.
- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

III: Risk Factors or Challenges (Fortunately, no major risks or challenges have risen, since our last report. However, the following should be considered high-priority as we will need to acquire alternate funding for equipment).

## A: Reso A funding

- Challenge Prep Charter School was allocated \$250K in Fiscal Year 2022 (FY22) for a Reso A Technology project by the Council Member.
- We were requested to complete paperwork, notarize, and send in order to ensure a timely delivery. This was completed in January.
- On 3.15.2022 we were told by the Reso A vendor, "We have not yet received the FY22 Tech/procurement certificate to proceed from the office of management and budget, but do anticipate it coming shortly. Once we do, the principal can expect outreach from DOE's DIIT."
- We should be thinking of other funding sources to outfit our high school location @ 1520 Central Ave, as these funds may not be distributed anytime soon, and our school will be expanding in the 2022/2023 school year.

## B: Computer Lab at 1520 Central Ave (with Reso A)

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We have been updated on 3.15.2022 that Apple Desktops have been discontinued.
- We have been updated on 3.15.2022 that Interactive boards are on backorder, with a current cue of 12 18 months.
- We have been updated on 3.15.2022 that the vendor is unsure of delivery time, as equipment will take "some time" to arrive at their warehouse and will take "some time" after that to arrive at Challenge.

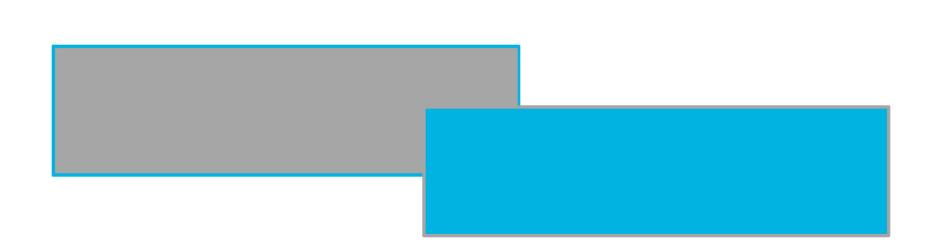

## D: Inventory shortage

- The Lenovos currently being used by teachers are beginning to age and fail.
- New laptops should be purchased via Reso A funding. However, Reso A funding has not been released as yet.

#### ATTENDANCE:

Staff and scholar attendance rates are showing the typical dip we experience near the
end of the school year during in-person programming. Several incentives like dress-down
days, increased club events, and fun social activities have been implemented to combat
attendance issues.

#### **STAFFING:**

- CCMS has made no gains in staffing and has one more vacancy added. To date, the following vacancies stand.
- Grade 7 Science Teacher

- CCHS has made no gains in staffing. To date, the following vacancies stand:
  - o English 9 Teacher Candidate declined the offer due to family issues.
  - o English 10 Teacher Principal Gordon covers this class until a teacher is hired.
  - Grade 10 SETSS Teacher In the meantime, a teacher is scheduled to provide SETTS Services to scholars.

NB: To date, the Principal has reached out to Ms. Luton, who has urgently begun the search and is actively searching for the ELA, Math, and Health/PE teachers and staff to fill the vacancies for the 2022-2023 school year.

#### **SOCIAL-EMOTIONAL LEARNING (SEL)**

- Covered in the homeroom (8:00 a.m.-8:25 a.m.) Grades 6-10 continue with the Second Step SEL lessons focusing on Bullying and Harassment. Teachers have been provided with the PD for this Unit.
- The Mood Meter has also been incorporated into the classroom SEL support. As well as

using the first seven minutes of classes at certain periods of the day to check in and establish scholars' moods. We believe that this support will help us improve our scholar's academic standing and encourage them to speak about their feelings and as we validate their feelings as well–giving way to strategies to help them cope.

- The importance of the social-emotional lessons is to provide a foundation for safe and
  positive learning to provide scholars with the strategies necessary to succeed in school,
  careers, and life. We continue to focus on all 5 of the SEL Competencies throughout the
  school year.
- CCMS and CCHS Have also partnered with Northwell Children's Hospital and Cohen's Children's Hospital to provide support as part of our SEL work. In these sessions, the scholars are presented with guidance on topics that have reared their unwanted presence in this pandemic era—impeding the socialization process for our scholars.

#### **CURRICULUM, INSTRUCTION, AND ASSESSMENT**

- Grade 8 State Science Performance Testing begins on Tuesday, May 24, 2022.
   Grade 8 State Exam Field Tests in Grade 8 ELA will be administered on Thursday,
   May 26, 2022. Scholars enrolled in Regents courses continue to engage in
   Regents Prep work.
- iReady EOY testing begins on Wednesday, May 25, 2022. This will ensure that we gather all required data for required state reporting in June.
- The Lavania Group has begun its training sessions with the Grades 6-8 teachers who have been identified as the humanities teachers for the 2022-2023 school year. Electing a humanities curriculum offers us more flexibility in scheduling and--given the difficulty we have experienced in this school year concerning filling instructional positions--eliminates six instructional positions, as it combines the ELA and the Social Studies teacher for each grade level.
- Scholars have been grouped to make RTI a more structured instructional work in our school. The 2019 New York State Assessment data and the B.O.Y. Diagnostic data guided this work.
- Enrichment clusters were also arranged using the Renzulli Survey data; however, due to COVID Safety precautions, in-school enrichment clusters have been grouped by homeroom and mixed interest. At CCHS, scholars have the choice of two clusters, which are being adjusted to incorporate as little contact as possible. These clusters occur at CCHS during the lunch period.

#### **SPECIAL EDUCATION SERVICES**

- Grades 6-8 CLASSROOMS
  - In Grades 6-8, teachers have been recruited to provide SETSS tutoring during their prep times. We were also fortunate to get Ms. Grimes, a SPED Teacher from Alternative Tutoring, to support Grade 6 and 8
  - Dr. Lyle continues to support SPED work on all grade levels while we continue searching for a Grades 6-10 SPED Liaison.
- Ms. Ana Gomez provides ENL services consistently and has successfully and efficiently completed all NYSESLAT testing at the Grades 6-10 level.

#### **DIGITAL PLATFORMS**

 Grades 6-10 scholars are using a combination of digital notebooks and hardcover notebooks for all courses now to build writing and engagement stamina. We continue to utilize all our platforms with our eyes on maintaining remote learning strategies and the brick and mortar classroom. A recent shift was implemented to curtail the use of Chromebooks to just 9% of the instructional time to maximize engagement.

#### PARENT AND SCHOLAR OUTREACH and ACCESSIBILITY

- Attendance letters and nudge letters are continuously sent out to parents via ParentSquare and hard US Mail at CCMS and CCHS. An Expectations reminder letter was sent to High School families via ParentSquare with information about requirements for uniform and work quality.
- The CCHS Social Scientist Team has been working with scholars to better understand their academic standing concerning credits earned toward graduation.
- Efforts continue with respect to getting Parents to register in ParentSquare.

#### PROFESSIONAL DEVELOPMENT

- CCMS and CCHS have successfully graduated seven staff members in The Inaugural Class of 2022 at Saint Francis College. This will go a long way in closing the certification gap and providing teachers for our scholars in the face of teacher shortage.
- GRADE TEAM PLANNING AND ONGOING PROFESSIONAL DEVELOPMENT
  - Professional development takes place daily:
    - Mon-Thu 11:10 PM to 12:00 PM for Grade 6
    - Mon-Thu 12:50 PM to 1:40 PM for Grades 6-10 core instructors
    - Fridays from 1:30 PM to 4:00 PM

With the resignation of Venessa Lynch effective April 30, 2022, Dr. Mullings that I assume the duties of the Director of Operations on a coverage basis until a new full-time Director could be hired as of May 2, 2022.

As a reminder the Director of Operations oversees matters related to the operational management of Challenge.

#### Assessment

Over the last three weeks I have been doing an assessment of where we stand on an operational front. With Mrs. Lynch being on maternity leave followed by an extended Family

leave the supervision of Operations personnel was shared by several individuals. With my appointment by the CEO to serve as "acting" Director of Operations the supervision of all operations staff returned to the Director of Operations.

I am in the process of meeting with each principal to make sure the operations at each site is being handled appropriately and to begin the process of identifying summer site facility updates for the 2022-23 school year.

The Operations team is a very dedicated group of individuals who are committed to serving the needs of our scholars and staff.

#### **New Operations Manager - High School**

Lisa Luton has been hired with the approval of the CEO to serve as the Operations Manager for the High School. Ms. Luton will continue to cover her role as Talent and Recruitment Manager until her successor is hired.

Respectfully submitted,

Michael R. Estep

Director of Operations (Acting)

### **Director of Technology Report**

May. 2022 - Dale Richardson

#### I: Current Work

A: FCC's Emergency Connectivity Fund

- The FCC's Emergency Connectivity Fund (ECF) is a \$7.17 billion program that will help schools and libraries provide the tools and services their communities need for remote learning during the COVID-19 emergency period: <a href="https://www.fcc.gov/emergency-connectivity-fund">https://www.fcc.gov/emergency-connectivity-fund</a>
- Challenge has applied for 458 Chromebooks, to be purchased on the 1st of 2023. Only 458 were applied for, as the FCC has enacted strict rules, which prohibits any device from being stored - all devices must be distributed to students and can not be held in a cart. Additionally, this is a needs based program and parents/guardians will have to sign a declaration form.
- This fund is subject to approval.

#### **B:** Potential ID machines

- In order to re-active on premises sign in/out a new ID system is being sourced.
- At the moment Instacard looks to offer the best integration with ADP. https://instantcard.net/instantcard-for-adp-workforce-now/

#### C: iPads

- Challenge has received a donation of \$5,000 towards purchasing iPads for our students
- We are currently working with Apple to secure devices.

# II: Future Work (High ticket items are currently on hold. However, the following three projects should be held as a priority).

A: Independent Cyber Security Audit.

- An independent cyber security assessment should be completed by June 2022, in order to satisfy various insurance and state requirements. Ex: <a href="https://www.dfs.ny.gov/industry\_guidance/cybersecurity">https://www.dfs.ny.gov/industry\_guidance/cybersecurity</a>
- We have sourced a credible vendor that is willing to access all sites for a total of \$42,327.00.

#### B: A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.
- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.
- A single unified number will also be useful for our web presence. Ex: When
  one google's "Challenge Charter School," google currently presents the phone
  number for 710 Hartman Lane. Google should have a single number capable
  of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

## C: Potential Security Cameras

• We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.

- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

III: Risk Factors or Challenges (Fortunately, no major risks or challenges have risen, since our last report. However, the following should be considered high-priority as we will need to acquire alternate funding for equipment).

#### A: Reso A funding

- Challenge Prep Charter School was allocated \$250K in Fiscal Year 2022 (FY22) for a Reso A Technology project by the Council Member.
- We were requested to complete paperwork, notarize, and send in order to ensure a timely delivery. This was completed in January.
- On 3.15.2022 we were told by the Reso A vendor, "We have not yet received the FY22 Tech/procurement certificate to proceed from the office of management and budget, but do anticipate it coming shortly. Once we do, the principal can expect outreach from DOE's DIIT."
- We should be thinking of other funding sources to outfit our high school location @ 1520 Central Ave, as these funds may not be distributed anytime soon, and our school will be expanding in the 2022/2023 school year.

## B: Computer Lab at 1520 Central Ave (with Reso A)

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We have been updated on 3.15.2022 that Apple Desktops have been discontinued.

- It has been updated on 3.15.2022 that Interactive boards are backordered, with a current cue of 12 18 months.
- We have been updated on 3.15.2022 that the vendor is unsure of delivery time, as equipment will take "some time" to arrive at their warehouse and will take "some time" after that to arrive at Challenge.

### D: Inventory shortage

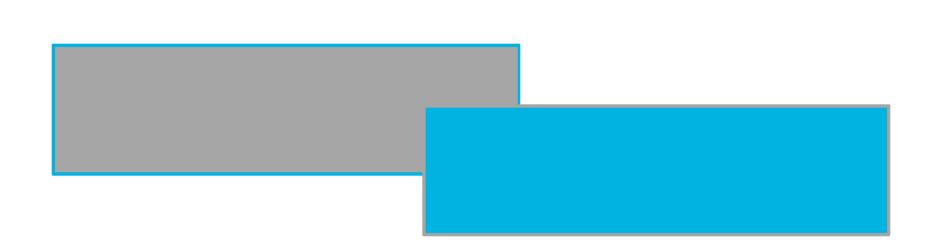

- The Lenovos currently being used by teachers are beginning to age and fail.
- New laptops should be purchased via Reso A funding. However, Reso A funding has not been released yet.

# **Annual Comprehensive Review visit**

On Thursday June 2, 2022, CPCS hosted Ms. Laurie Hazeley from the NYCDOE charter office during an annual comprehensive review visit. The authorizer remarked that all observed scholars were engaged and that while the pandemic has brought obstacles, CPCS continues to service the whole child while providing a community school experience. Below are high-level notes from the visit. The visit schedule is provided at the end of this report.

- Our authorizer enjoyed spending the day with us and remarked about how joyful children were
- Our authorizer indicated that the ELL enrollment efforts we shared will make a strong case for charter renewal. We were reminded to include that narrative in our renewal application (due October 2023)
- Our authorizer recommended that we set-a-side a specified number of seats for our ELL preference
- Our authorizer indicated that our overall enrollment was almost 10% less than the district.
  We were reminded to document where our children are going (and why); and to describe
  how the pandemic has impacted overall enrollment (by comparing our enrollment pre/post
  pandemic). We were also reminded to include the updated enrollment targets due to the
  planning year taken for the HS (as a result of a renewal/expansion vote in May 2019)
- Our authorizer issued a draft letter of deficiency because we failed to provide due process
  during a suspension/removal. CPCS has been asked to develop a Challenge-specific discipline
  policy that does not reference or lean on the NYCDOE policy. CPCS will submit a draft to our
  authorizer for feedback by August 15. We will receive feedback within 30 days. The finalized
  document should be shared with families after we receive legal review and board approval
- Our authorizer recommended that we seek training related to discipline procedures and protocols from the NYC Charter Center

# **NYCDOE Chancellor visit**

On Monday June 6, 2022, CPCS had the privilege to host Chancellor Banks for a visit to our campus. The visit was successful and centered on our CTE and early college offerings at our high school as we continue to vy for the JFK redevelopment grant. The Chancellor was impressed by the holistic and community-focused approach of Challenge Charter School under the vision of our founder, Dr. Mullings.

# **Community Career Fair**

On Thursday June 9, 2022 CPCS hosted a community career fair hosted by Governor Hochul's office. CPCS participated as an employer and was able to meet and interview several candidates for K-5.

# **EarlyBird**

CPCS has applied for a grant from the Heckscher Foundation for Children in partnership with Earlybird. EarlyBird is a dyslexia screener and comprehensive early literacy benchmarking tool. We are excited about the possibility of piloting with our K scholars in the 2022-23 school year. More about EarlyBird.

- Aligned to the Science of Reading; supporting teachers at varying levels of familiarity with the research and its associated practices.
- EarlyBird Workshops are focused on student need and instruction; not product functionality.
- Game-based platform with automatic scoring allows for a broader group of educators to help with administration
- Gamified, doesn't require reading so can assess children earlier

The grant will allow CPCS to administer and receive professional development for an entire school year. We are currently responding to a request for information from EarlyBird as a next step in the process.

### **ATTENDANCE:**

Staff and scholar attendance rates are showing the typical dip we experience near the
end of the school year during in-person programming. Several incentives like dress-down
days, increased club events, and fun social activities have been implemented to combat
attendance issues.

# **STAFFING:**

- Due to the continued staff shortages CCMS had to engage in the Common Branch model. The homeroom teacher remained with the scholars and all subject teachers furnished them with agendas. Homeroom teachers facilitated the scholars learning. If there was a need for a depth of explanation the subject teacher swapped with the homeroom teacher to meet the scholars' needs. For SETTS scholars would go to their teachers except in Grade 6 where we had Ms. Grimes from the Alternative Tutoring services.
- CCMS has made no gains in staffing and has one more vacancy added. To date, the following vacancies stand.
- Grade 7 Science Teacher
  - o Grade 7 SS Teacher
  - Spanish Teacher
  - Grade 6 Math Teacher -Supported by Mr. Vil (Math Coach)
  - Grade 6 Math TA
  - o Grade 6 Science Teacher
  - Grade 6 SWD Teacher Ms. Grimes a SPED provider from Alternative Tutoring is scheduled to provide SETTS Services to scholars in grades 6, 7 and 8 with the support of class teachers due to the large number of scholars who need this support.
  - Family Engagement Coordinator (6-10)
  - Grade 8 Math TA
  - Grades 6-8 Assistant Principal
- CCHS has made no gains in staffing. To date, the following vacancies stand:
  - English 9 Teacher The candidate declined the offer due to family issues.
  - English 10 Teacher Principal Gordon is covering this class until a teacher is hired.
  - Grade 10 SETSS Teacher In the meantime, a teacher is scheduled to provide SETTS Services to scholars.
  - Ms. Reid and Mr. Merrell are covering Algebra I teacher Classes.
  - CCHS Spanish Teacher Class is covered by Mr. Medina

NB: To date, the Principal has reached out to Ms. Luton who has urgently begun the search and is actively searching for the ELA, Math, and Health/PE teachers and staff to fill the vacancies for the 2022-2023 school year.

# **SOCIAL-EMOTIONAL LEARNING (SEL)**

- Covered in the homeroom (8:00 a.m.-8:25 a.m.) Grades 6-10 continue with the Second Step SEL lessons focusing on Bullying and Harassment. Teachers have been provided with the PD for this Unit.
- The Mood Meter has also been incorporated as part of the classroom SEL support. As well as using the first seven minutes of classes at certain periods of the day to check-in and establish scholars' moods. We believe that this support will help us improve our scholar's academic standing as well as we encourage them to speak about their feelings and as we validate their feelings as well–giving way to strategies to help them cope.
- The importance of the social-emotional lessons is to provide a foundation for safe and
  positive learning to provide scholars with the strategies necessary to succeed in school,
  careers, and life. We continue to focus on all 5 of the SEL Competencies throughout the
  school year.
- CCMS and CCHS Have also partnered with Northwell Children's Hospital and Cohen's Children Hospital to provide support as part of our SEL work. In these sessions, the scholars are presented with guidance on topics that have reared their unwanted presence in this pandemic era—impeding the socialization process for our scholars.

# **CURRICULUM, INSTRUCTION, AND ASSESSMENT**

- CCMS will offer the Summer Boost Program this summer, while at CCHS we will engage in the APEX Credit Recovery program.
- iReady EOY testing is complete and we have used the data to conduct our articulation process for class groupings. This will also ensure that we gather all required data for required state reporting in June.
- The Lavania Group has begun its training sessions with the Grades 6-8 teachers who have been identified as the humanities teachers for the 2022-2023 school year. Electing a humanities curriculum offers us more flexibility in scheduling and--given the difficulty we have experienced in this school year with respect to filling instructional positions--eliminates 6 instructional positions, as it combines the ELA and the Social Studies teacher for each grade level.
- Scholars have been grouped to make RTI a more structured instructional work in our school. The 2019 New York State Assessment data and the B.O.Y. Diagnostic data were used to guide this work.
- Enrichment clusters were also arranged using the Renzulli Survey data, however, due to COVID Safety precautions, in-school enrichment clusters have been grouped by homeroom and mixed interest. At CCHS scholars have the choice of two clusters, which are being adjusted to incorporate as little contact as possible. These clusters occur at CCHS during the lunch period.

# **SPECIAL EDUCATION SERVICES**

Grades 6-8 CLASSROOMS

- In Grades 6-8, teachers have been recruited to provide SETSS tutoring during their prep times. We were also fortunate to get Ms. Grimes, a SPED Teacher from Alternative Tutoring to support Grade 6 and 8
- Dr. Lyle continues to support SPED work on all grade levels while we continue the search for a Grades 6-10 SPED Liaison.
- Ms. Ana Gomez provides ENL services on a consistent schedule and has just successfully and quite efficiently completed all NYSESLAT testing at the Grades 6-10 level.

# **DIGITAL PLATFORMS**

 Grades 6-10 scholars are using a combination of digital notebooks and hardcover notebooks for all courses now to build writing and engagement stamina. We continue to utilize all our platforms with our eyes on maintaining remote learning strategies and the brick-and-mortar classroom. A recent shift was implemented to curtail the use of Chromebooks to just 9% of the instructional time in an effort to maximize engagement.

### PARENT AND SCHOLAR OUTREACH and ACCESSIBILITY

- Attendance letters and nudge letters are continuously sent out to parents via ParentSquare and hard US Mail at CCMS and CCHS. An Expectations reminder letter was sent to High School families via ParentSquare with information about requirements for uniform and work quality.
- The CCHS Social Scientist Team has been working with scholars to bring about a clearer understanding of their academic standing with respect to credits earned toward graduation.
- Efforts continue with respect to getting Parents to register in ParentSquare.

# PROFESSIONAL DEVELOPMENT

- CCMS and CCHS has successfully graduated 7 staff members in The Inaugural class of 2022 of Saint Francis College. This will go a long way in closing the certification gap and providing teachers for our scholars in the face of teacher shortage.
- GRADE TEAM PLANNING AND ONGOING PROFESSIONAL DEVELOPMENT
  - Professional development take place daily:
    - Mon-Thu 11:10 PM to 12:00 PM for Grade 6
    - Mon-Thu 12:50 PM to 1:40 PM for Grades 6-10 core instructors
    - Fridays from 1:30 PM to 4:00 PM

- A notice was sent to all parents/guardians regarding the Illuminate Education breach.

#### C: New Chromebooks at Challenge High School

- An order of 200 Chromebooks has been received, in preparation for our 2022 - 2023 school year.
- The new devices will be allocated to High School scholars. While old working devices will be passed down through 4th 8th to fill any gaps.

# II: Future Work (High ticket items are currently on hold. However, the following three projects should be held as a priority).

A: Independent Cyber Security Audit.

- An independent cyber security assessment should be completed by June 2022, in order to satisfy various insurance and state requirements. Ex: <a href="https://www.dfs.ny.gov/industry\_guidance/cybersecurity">https://www.dfs.ny.gov/industry\_guidance/cybersecurity</a>
- We have sourced a credible vendor that is willing to access all sites for a total of \$42,327.00.

#### B: A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.
- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.
- A single unified number will also be useful for our web presence. Ex: When
  one google's "Challenge Charter School," google currently presents the phone
  number for 710 Hartman Lane. Google should have a single number capable
  of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

#### C: Security Cameras

• We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.

- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

III: Risk Factors or Challenges (Fortunately, no major risks or challenges have risen, since our last report. However, the following should be considered high-priority as we will need to acquire alternate funding for equipment).

#### A: Reso A funding

- Challenge Prep Charter School was allocated \$250K in Fiscal Year 2022 (FY22) for a Reso A Technology project by the Council Member.
- We were requested to complete paperwork, notarize, and send in order to ensure a timely delivery. This was completed in January.
- On 3.15.2022 we were told by the Reso A vendor, "We have not yet received the FY22 Tech/procurement certificate to proceed from the office of management and budget, but do anticipate it coming shortly. Once we do, the principal can expect outreach from DOE's DIIT."
- We should be thinking of other funding sources to outfit our high school location @ 1520 Central Ave, as these funds may not be distributed anytime soon, and our school will be expanding in the 2022/2023 school year.

## B: Computer Lab at 1520 Central Ave (with Reso A)

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We have been updated on 3.15.2022 that Apple Desktops have been discontinued.

- It was updated on 3.15.2022 that Interactive boards are backordered, with a current cue of 12 18 months.
- We have been updated on 3.15.2022 that the vendor is unsure of delivery time, as equipment will take "some time" to arrive at their warehouse and will take "some time" after that to arrive at Challenge.

#### D: Inventory shortage

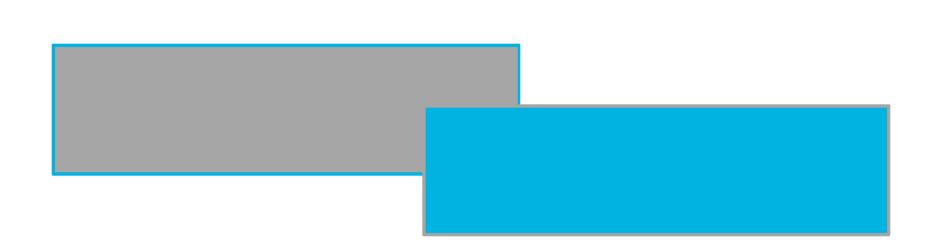

- The Lenovos currently being used by teachers are beginning to age and fail.
- New laptops should be purchased via Reso A funding. However, Reso A funding has not been released yet.

# ABOUT THIS HANDBOOK/DISCLAIMER

We prepared this handbook to help employees find the answers to many questions that they may have regarding their employment with Challenge Preparatory Charter School. Please take the necessary time to read it.

We do not expect this handbook to answer all questions. Supervisors and Human Resources also serve as a major source of information.

Neither this handbook nor any other verbal or written communication by a management representative is, nor should it be considered to be, an agreement, contract of employment, express or implied, or a promise of treatment in any particular manner in any given situation, nor does it confer any contractual rights whatsoever. Challenge Preparatory Charter School adheres to the policy of employment at will, which permits the School or the employee to end the employment relationship at any time, for any reason, with or without cause or notice.

No School representative other than the CEO may modify at-will status and/or provide any special arrangement concerning terms or conditions of employment in an individual case or generally and any such modification must be signed and in writing.

Many matters covered by this handbook, such as benefit plan descriptions, are also described in separate School documents. These School documents are always controlling over any statement made in this handbook or by any member of management.

This handbook states only general School guidelines. The School may, at any time, in its sole discretion, modify or vary from anything stated in this handbook, with or without notice, except for the rights of the parties to end employment at will, which may only be modified by an express written agreement signed by the employee and the CEO.

This handbook supersedes all prior handbooks.

## Section 1 - Governing Principles of Employment

#### 1-1. Introduction

For employees who are commencing employment with Challenge Preparatory Charter School ("Challenge Preparatory Charter School" or the "School"), on behalf of Challenge Preparatory Charter School, let me extend a warm and sincere welcome.

For employees who have been with us, thanks for your past and continued service.

I extend my personal best wishes for success and happiness here at Challenge Preparatory Charter School. We understand that it is our employees who provide the services that our scholars and families rely upon, and who will enable us to create new opportunities in the years to come.

Dr. Les Mullings, CEO

## 1-2. Equal Employment Opportunity

Challenge Preparatory Charter School is an Equal Opportunity Employer that does not discriminate on the basis of actual or perceived race, creed, color, religion, alienage or national origin, ancestry, citizenship status, age, disability or handicap, sex, marital status, veteran status, sexual orientation, genetic information, arrest record, or any other characteristic protected by applicable federal, state or local laws. Our management team is dedicated to this policy with respect to recruitment, hiring, placement, promotion, transfer, training, compensation, benefits, employee activities and general treatment during employment.

The School will endeavor to make a reasonable accommodation to the known physical or mental limitations of qualified employees with disabilities unless the accommodation would impose an undue hardship on the operation of our business. If you need assistance to perform your job duties because of a physical or mental condition, please let Human Resources know. Employees may also contact the ADP MyLife Advisors at (844) 448-0325.

The School will endeavor to accommodate the sincere religious beliefs of its employees to the extent such accommodation does not pose an undue hardship on the School's operations. If you wish to request such an accommodation, please speak to Human Resources. Employees may also contact the ADP MyLife Advisors at (844) 448-0325.

If you feel that you have been subjected to conduct which violates this policy, you should immediately report the matter to your supervisor. If you are unable for any reason to contact this person, or if you have not received a satisfactory response within five (5) business days after reporting any incident of what you perceive to be a violation of this policy, please contact your second level supervisor.

Note: If your supervisor or next level manager is the person toward whom the complaint is directed you should contact any higher level manager in your reporting chain. Employees may also contact the ADP MyLife Advisors at (844) 448-0325 if they are uncomfortable for any reason using the above procedure. The Company will not allow any form of retaliation against individuals who raise issues of equal employment opportunity.

If you feel you have been subjected to any such retaliation, report it in the same manner you would report a perceived violation of this policy. To ensure our workplace is free of artificial barriers, violation of this policy including any improper retaliatory conduct will lead to discipline, up to and including discharge.

## 1-3. New York City Pregnancy Accommodations

Pursuant to the New York City Human Rights Law, the School prohibits unlawful discrimination on the basis of pregnancy or perceived pregnancy and will endeavor to reasonably accommodate the needs of an employee for her pregnancy, childbirth or related medical condition to allow her to perform the essential requisites of the job, provided that such employee's pregnancy, childbirth or related medical condition is known or should have been known by the School, and the proposed accommodation does not impose an undue hardship on the School.

Any employee who needs to request an accommodation due to pregnancy, childbirth or a related medical condition should contact the Director of Finance. If an employee requested an accommodation but has not received an initial response within five (5) business days, she should contact Human Resources.

After receiving a request for an accommodation due to pregnancy, childbirth or a related medical condition, or learning indirectly that an employee requires such an accommodation, the School will engage in a cooperative dialogue with the employee. Even if an employee has not formally requested an accommodation, the School, in compliance with applicable law, may initiate a cooperative dialogue under certain circumstances, such as when the School has knowledge that an employee's performance at work has been negatively affected and also has a reasonable basis to believe that the issue is related to pregnancy, childbirth or related medical condition.

The cooperative dialogue may take place in person, by telephone or by electronic means. As part of the cooperative dialogue, the School will communicate openly and in good faith with the employee in a timely manner in order to determine whether and how the School may be able to provide a reasonable accommodation. To the extent necessary and appropriate based on the request, the School will attempt to explore the existence and feasibility of alternative accommodations as well as alternative positions for the employee. The School is not required to provide the specific accommodation sought by an employee, provided the alternatives are reasonable and either meet the specific needs of the employee or specifically address the employee's limitation.

As part of the cooperative dialogue, the School reserves the right to request medical documentation from an employee under the following circumstances:

- when an employee requests time away from work, including for medical appointments, other than time off requested during the six- (6) to eight- (8) week period following childbirth (for recovery from childbirth); or
- when an employee requests to work from home, either on an intermittent basis or a longerterm basis.

If the School believes that the provided documentation is insufficient, and before denying the request based on insufficient documentation, the School reserves the right to request additional documentation from the employee or, upon the employee's consent, speak with the health care provider who provided the documentation. If applicable, an employee whose time off is covered by the Family Medical Leave Act (FMLA) may also be required to provide medical documentation, depending on the circumstances of the leave request, pursuant to federal law.

At the conclusion of the cooperative dialogue, the School will provide written notice to the employee in a timely manner indicating that the School:

- will be able to offer and provide a reasonable accommodation;
- will not be able to provide a reasonable accommodation to the employee because there is no accommodation available that will not cause an undue hardship on the School's operations; or
- will not be able to provide a reasonable accommodation to the employee because no accommodation exists that will allow the employee to perform the essential requisites of the job.

The School will endeavor to keep confidential communications regarding requests for reasonable accommodations and all circumstances surrounding an employee's pregnancy, childbirth or related medical condition.

Employees with questions regarding this policy should contact the Director of Finance.

## 1-4. New York City Supplemental Gender Discrimination

In accordance with New York City law, the School prohibits unlawful discrimination in employment on the basis of gender. For purposes of this policy, gender is an individual's actual or perceived sex, gender identity and gender expression, including a person's actual or perceived gender-related self-image, appearance, behavior, expression or other gender-related characteristic regardless of the sex assigned to that person at birth.

The School is dedicated to ensuring the fulfillment of this policy as it applies to all terms and conditions of employment, including recruitment, hiring, placement, promotion, transfer, training, compensation, benefits, accommodation requests, access to programs and facilities, employee activities and general treatment during employment.

In furtherance of this policy:

- The School gives employees the option of indicating their preferred gender pronoun. The School's systems allow employees to self-identify their names and genders and do not limit such identifications to male and female only.
- All employees and other individuals have access to single-sex facilities consistent with their gender identity or expression. To the extent possible, the School provides single-occupancy restrooms and provides multi-user facilities for individuals with privacy concerns, but will not require use of a single-occupancy bathroom because an individual is transgender or gender non-conforming.
- The School's dress code and grooming standards are gender neutral, and therefore do not

- differentiate or impose restrictions or requirements based on gender or sex.
- The School evaluates all requests for accommodations (including requests for medical leaves) in a fair and non-discriminatory manner.
- Employees who engage with the public as part of their job duties are required to do so in a
  respectful, non-discriminatory manner by respecting gender diversity and ensuring that
  members of the public are not subject to discrimination (including discrimination with respect
  to single-sex programs and facilities).

Employees with issues or concerns regarding gender discrimination or who feel they have been subjected to such discrimination can contact the CEO. The School prohibits and does not tolerate retaliation against employees who report issues or concerns of gender discrimination pursuant to this policy in good faith.

#### 1-5. Non-Harassment

It is Challenge Preparatory Charter School's policy to prohibit intentional and unintentional harassment of any individual by another person on the basis of any protected classification including, but not limited to, race, color, national origin, disability, religion, marital status, veteran status, sexual orientation or age. The purpose of this policy is not to regulate our employees' personal morality, but to ensure that in the workplace, no one harasses another individual.

If an employee feels that he or she has been subjected to conduct which violates this policy, he or she should immediately report the matter to the CEO. If the employee is unable for any reason to contact this person, or if the employee has not received a satisfactory response within five (5) business days after reporting any incident of what the employee perceives to be harassment, the employee should contact the Director of Finance. If the person toward whom the complaint is directed is one of the individuals indicated above, the employee should contact any higher-level manager in his or her reporting hierarchy. Employees may also contact the ADP MyLife Advisors at (844) 448-0325 if they are uncomfortable for any reason using the above procedure. Every report of perceived harassment will be fully investigated and corrective action will be taken where appropriate. All complaints will be kept confidential to the extent possible, but confidentiality cannot be guaranteed. In addition, the School will not allow any form of retaliation against individuals who report unwelcome conduct to management or who cooperate in the investigations of such reports in accordance with this policy.

If an employee feels he or she has been subjected to any such retaliation, he or she should report it in the same manner in which the employee would report a claim of perceived harassment under this policy. Violation of this policy including any improper retaliatory conduct will result in disciplinary action, up to and including discharge. All employees must cooperate with all investigations.

#### 1-6. Sexual Harassment

It is Challenge Preparatory Charter School's policy to prohibit harassment of any employee by any Supervisor, employee, customer or vendor on the basis of sex or gender. The purpose of this policy is not to regulate personal morality within the Company. It is to ensure that at the Company all employees are free from sexual harassment. While it is not easy to define precisely what types of

conduct could constitute sexual harassment and there is a wide range of behavior that may violate this policy even if such behavior does not violate the law, examples of prohibited behavior include unwelcome sexual advances, requests for sexual favors, obscene gestures, displaying sexually graphic magazines, calendars or posters, sending sexually explicit e-mails, text messages and other verbal or physical conduct of a sexual nature, such as uninvited touching of a sexual nature or sexually related comments. Depending upon the circumstances, improper conduct also can include sexual joking, vulgar or offensive conversation or jokes, commenting about an employee's physical appearance, conversation about your own or someone else's sex life, or teasing or other conduct directed toward a person because of his or her gender which is sufficiently severe or pervasive to create an unprofessional and hostile working environment.

If you feel that you have been subjected to conduct which violates this policy, you should immediately report the matter to your Supervisor. If you are unable for any reason to contact this person, or if you have not received a satisfactory response within five (5) business days after reporting any incident of what you perceive to be harassment, please contact the next level Manager. Note: If your Supervisor or next level Manager is the person toward whom the complaint is directed, you should contact any higher level Manager in your reporting chain. Employees may also contact the ADP MyLife Advisors at (844) 448-0325 if they are uncomfortable for any reason using the above procedure. Every report of perceived harassment will be fully investigated and corrective action will be taken where appropriate. All complaints will be kept confidential to the extent possible, but confidentiality cannot be guaranteed. In addition, the Company will not allow any form of retaliation against individuals who report unwelcome conduct to management or who cooperate in the investigations of such reports in accordance with this policy. If you feel you have been subjected to any such retaliation, report it in the same manner you would report a claim of perceived harassment under this policy. Violation of this policy including any improper retaliatory conduct will result in disciplinary action, up to and including discharge. All employees must cooperate with all investigations.

#### 1-7. Drug-Free and Alcohol-Free Workplace

To help ensure a safe, healthy and productive work environment for our employees and others, to protect School property, and to ensure efficient operations, the School has adopted a policy of maintaining a workplace free of drugs and alcohol. This policy applies to all employees and other individuals who perform work for the School.

The unlawful or unauthorized use, abuse, solicitation, theft, possession, transfer, purchase, sale or distribution of controlled substances, drug paraphernalia or alcohol by an individual anywhere on School premises, while on School business (whether or not on School premises) or while representing the School, is strictly prohibited. Employees and other individuals who work for the School also are prohibited from reporting to work or working while they are using or under the influence of alcohol or any controlled substances, which may impact an employee's ability to perform his or her job or otherwise pose safety concerns, except when the use is pursuant to a licensed medical practitioner's instructions and the licensed medical practitioner authorized the employee or individual to report to work. However, this does not extend any right to report to work under the influence of medical marijuana or to use medical marijuana as a defense to a positive drug test, to the extent an employee is subject to any drug testing requirement, to the extent permitted by and in accordance with applicable law.

Violation of this policy will result in disciplinary action, up to and including discharge.

The School maintains a policy of non-discrimination and will endeavor to make reasonable accommodations to assist individuals recovering from substance and alcohol dependencies, and those who have a medical history which reflects treatment for substance abuse conditions. However, employees may not request an accommodation to avoid discipline for a policy violation. We encourage employees to seek assistance before their substance abuse or alcohol misuse renders them unable to perform the essential functions of their jobs, or jeopardizes the health and safety of any School employee, including themselves.

#### 1-8. Workplace Violence

Challenge Preparatory Charter School is strongly committed to providing a safe workplace. The purpose of this policy is to minimize the risk of personal injury to employees and damage to School and personal property.

We do not expect employees to become experts in psychology or to physically subdue a threatening or violent individual. Indeed, we specifically discourage employees from engaging in any physical confrontation with a violent or potentially violent individual. However, we do expect and encourage employees to exercise reasonable judgment in identifying potentially dangerous situations.

Experts in the mental health profession state that prior to engaging in acts of violence, troubled individuals often exhibit one or more of the following behaviors or signs: over-resentment, anger and hostility; extreme agitation; making ominous threats such as bad things will happen to a particular person, or a catastrophic event will occur; sudden and significant decline in work performance; irresponsible, irrational, intimidating, aggressive or otherwise inappropriate behavior; reacting to questions with an antagonistic or overtly negative attitude; discussing weapons and their use, and/or brandishing weapons in the workplace; overreacting or reacting harshly to changes in School policies and procedures; personality conflicts with co-workers; obsession or preoccupation with a co-worker or Supervisor; attempts to sabotage the work or equipment of a co-worker; blaming others for mistakes and circumstances; or demonstrating a propensity to behave and react irrationally.

#### **Prohibited Conduct**

Threats, threatening language or any other acts of aggression or violence made toward or by any School employee WILL NOT BE TOLERATED. For purposes of this policy, a threat includes any verbal or physical harassment or abuse, any attempt at intimidating or instilling fear in others, menacing gestures, flashing of weapons, stalking or any other hostile, aggressive, injurious or destructive action undertaken for the purpose of domination or intimidation. To the extent permitted by law, employees and visitors are prohibited from carrying weapons onto School premises.

#### Procedures for Reporting a Threat

All potentially dangerous situations, including threats by co-workers, should be reported immediately to any member of management with whom the employee feels comfortable. Employees may also call the ADP MyLife Advisors at (844) 448-0325. Reports of threats may be maintained confidential to the extent maintaining confidentiality does not impede our ability to investigate and respond to the complaints. All threats will be promptly investigated. All employees must cooperate with all investigations. No employee will be subjected to retaliation, intimidation or disciplinary action as a result of reporting a threat in good faith under this policy.

If the School determines, after an appropriate good faith investigation, that someone has violated this policy, the School will take swift and appropriate corrective action.

If an employee is the recipient of a threat made by an outside party, that employee should follow the steps detailed in this section. It is important for us to be aware of any potential danger in our offices. Indeed, we want to take effective measures to protect everyone from the threat of a violent act by an employee or by anyone else.

# **Section 2 - Operational Policies**

# 2-1. Employee Classifications

For purposes of this handbook, all employees fall within one of the classifications below.

**Full-Time Employees** - Employees who regularly work at least 40 hours per week who were not hired on a short-term basis.

**Part-Time Employees** - Employees who regularly work fewer than 40 hours per week who were not hired on a short-term basis.

**Short-Term Employees** - Employees who were hired for a specific short-term project, or on a short-term freelance, per diem or temporary basis. Short-Term Employees generally are not eligible for School benefits, but are eligible to receive statutory benefits.

Employees who regularly work at least 30 or more hours per week who were not hired on a short-term basis are eligible for health insurance benefits.

In addition to the above classifications, employees are categorized as either "exempt" or "non-exempt" for purposes of federal and state wage and hour laws. Employees classified as exempt do not receive overtime pay; they generally receive the same weekly salary regardless of hours worked. Such salary may be paid less frequently than weekly. The employee will be informed of these classifications upon hire and informed of any subsequent changes to the classifications.

#### 2-2. Your Employment Records

In order to obtain their position, employees provided us with personal information, such as address and telephone number. This information is contained in the employee's personnel file.

The employee should keep his or her personnel file up to date by informing the Director of Finance of any changes. The employee also should inform the Director of Finance of any specialized training or skills he or she may acquire in the future, as well as any changes to any required visas. Unreported changes of address, marital status, etc. can affect withholding tax and benefit coverage. Further, an "out of date" emergency contact or an inability to reach the employee in a crisis could cause a severe health or safety risk or other significant problem.

## 2-3. Working Hours and Schedule

Challenge Preparatory Charter School normally is open for business from 7:45 am to 4:30 pm, Monday through Friday. The employee will be assigned a work schedule and will be expected to begin and end work according to the schedule. To accommodate the needs of our business, at some point we may need to change individual work schedules on either a short-term or long-term basis.

Employees will be provided meal and rest periods as required by law. A Supervisor will provide further details.

# 2-4. New York City Temporary Schedule Change

Employees who work 80 or more hours in New York City in a calendar year and have been employed by Challenge Preparatory Charter School for 120 or more days are eligible for two (2) temporary changes to their work schedules each calendar year for certain "personal events."

#### Personal Events

A "personal event" includes the following:

- the need to care for a child under the age of 18 for whom the employee provides direct and ongoing care;
- the need to care for an individual ("care recipient") with a disability who is a family member or who resides in the caregiver's household for whom the employee provides direct and ongoing care to meet the needs of daily living;
- the need to attend a legal proceeding or hearing for public benefits to which the employee, a family member or the employee's minor child or care recipient is a party; or
- any other reason for which the employee may use leave under New York City's Paid Safe and Sick Leave law.

For purposes of this policy a "family member" includes: a child (biological, adopted, or foster child, legal ward, child of an employee standing in loco parentis); a grandchild; a spouse (current or former regardless of whether they reside together); a domestic partner (current or former regardless of whether they reside together); a parent; a grandparent; a child or parent of an employee's spouse or domestic partner; a sibling (including a half-, adopted or step-sibling); any other individual related by blood to the employee; and any individual whose close association with the employee is the equivalent of family.

## **Temporary Schedule Change**

A temporary schedule change may last up to one (1) business day on two (2) separate occasions or up to two (2) business days on one (1) occasion each calendar year. A business day is any 24-hour period during which an employee is required to work any amount of time.

A temporary change means an adjustment to an employee's usual schedule including in the hours, times or locations an employee is expected to work. The change can include:

- using short-term unpaid leave;
- using paid time off;
- working remotely; or
- swapping or shifting working hours with a co-worker.

The School has the option of granting unpaid leave in lieu of the temporary change requested by the employee.

## Request for Schedule Change

Request for a temporary schedule change must be made orally or in writing to the School or to the

employee's direct supervisor as soon as practicable after the employee becomes aware of the need for the change. The request should include:

- the date of the temporary schedule change;
- that the change is due to a personal event; and
- proposed type of temporary schedule change (unless the employee would like to use leave without pay).

The School will respond immediately to such requests. Assuming the employee has not exceeded the number of allowable requests and the request is for a qualifying reason, the School will either approve the proposed type of temporary schedule change or provide leave without pay. The School also may offer employees the ability to use paid time off. Employees will not be required to use leave under New York City's Paid Safe and Sick Leave law for a temporary schedule change.

If the employee requested the schedule change in person or by phone, the employee must submit a written request no later than the second business day after the employee returns to work. The employee should include in the written request the date of the temporary schedule change and that the change was due to a personal event.

The School will provide a written response to any written request for temporary schedule change within 14 days. The response will include:

- if the request was granted or denied;
- how the request was accommodated (if granted) or the reason for denial (if denied);
- number of requests the employee has made for temporary schedule changes; and
- how many days the employee has left in the year for temporary schedule changes.

Employees have the right to temporary schedule changes and may file a complaint for alleged violations of this policy and applicable law with the New York City Department of Consumer Affairs. The School prohibits retaliation or the threat of retaliation against an employee for exercising or attempting to exercise any right provided in this policy and applicable law, or interference with any investigation, proceeding or hearing related to or arising out of employees' rights pursuant to this policy and applicable law.

Employees with questions concerning this policy should contact the Director of Finance.

#### 2-5. Timekeeping Procedures

Employees must record their actual time worked for payroll and benefit purposes. Non-exempt employees must record the time work begins and ends, as well as the beginning and ending time of any departure from work for any non-work-related reason, on forms as prescribed by management.

Altering, falsifying or tampering with time records is prohibited and subjects the employee to discipline, up to and including discharge.

Exempt employees are required to record their daily work attendance and report full days of absence from work for reasons such as leaves of absence, sick leave or personal business.

Non-exempt employees may not start work until their scheduled starting time.

It is the employee's responsibility to sign time records to certify the accuracy of all time recorded. Any errors in the time record should be reported immediately to a Supervisor, who will attempt to correct legitimate errors.

#### 2-6. Overtime

Like most successful companies, we experience periods of extremely high activity. During these busy periods, additional work is required from all of us. Supervisors are responsible for monitoring business activity and requesting overtime work if it is necessary. Effort will be made to provide employees with adequate advance notice in such situations.

Any non-exempt employee who works overtime will be compensated at the rate of one and one-half times (1.5) their normal hourly wage for all time worked in excess of forty (40) hours each week, unless otherwise required by law.

Employees may work overtime only with prior management authorization.

For purposes of calculating overtime for non-exempt employees, the workweek begins at 12 a.m. on Monday and ends 168 hours later at 12 a.m. on the following Monday.

## 2-7. Safe Harbor Policy for Exempt Employees

It is our policy and practice to accurately compensate employees and to do so in compliance with all applicable state and federal laws. To ensure proper payment and that no improper deductions are made, employees must review pay stubs promptly to identify and report all errors.

Employees classified as exempt salaried employees will receive a salary which is intended to compensate them for all hours they may work for Challenge Preparatory Charter School. This salary will be established at the time of hire or classification as an exempt employee. While it may be subject to review and modification from time to time, such as during salary review times, the salary will be a predetermined amount that will not be subject to deductions for variations in the quantity or quality of the work performed.

Under federal and state law, salary is subject to certain deductions. For example, unless state law requires otherwise, salary can be reduced for the following reasons:

- full-day absences for personal reasons;
- full-day absences for sickness or disability;
- full-day disciplinary suspensions for infractions of our written policies and procedures;
- family and Medical Leave absences (either full- or partial-day absences);
- to offset amounts received as payment from the court for jury and witness fees or from the military as military pay;
- the first or last week of employment in the event the employee works less than a full week;
   and
- any full work week in which the employee does not perform any work.

Salary may also be reduced for certain types of deductions such as a portion of health, dental or life insurance premiums; state, federal or local taxes; social security; or voluntary contributions to a 401(k) or pension plan.

In any work week in which the employee performed any work, salary will not be reduced for any of the following reasons:

- partial day absences for personal reasons, sickness or disability;
- an absence because the employer has decided to close a facility on a scheduled work day;
- absences for jury duty, attendance as a witness, or military leave in any week in which the employee performed any work (subject to any offsets as set forth above); and
- any other deductions prohibited by state or federal law.

However, unless state law provides otherwise, deductions may be made to accrued leave for full- or partial-day absences for personal reasons, sickness or disability.

If the employee believes he or she has been subject to any improper deductions, the employee should immediately report the matter to a supervisor. If the supervisor is unavailable or if the employee believes it would be inappropriate to contact that person (or if the employee has not received a prompt and fully acceptable reply), he or she should immediately contact the Director of Finance or any other supervisor in Challenge Preparatory Charter School with whom the employee feels comfortable.

# 2-8. Your Paycheck

The employee will be paid semi-monthly for all the time worked during the past pay period.

Payroll stubs itemize deductions made from gross earnings. By law, the School is required to make deductions for Social Security, federal income tax and any other appropriate taxes. These required deductions also may include any court-ordered garnishments. Payroll stubs also will differentiate between regular pay received and overtime pay received.

If there is an error in an employee's pay, the employee should bring the matter to the attention of the Director of Finance immediately so the School can resolve the matter quickly and amicably.

Paychecks will be given only to the employee, unless he or she requests that they be mailed, or authorize in writing another person to accept the check.

#### 2-9. Direct Deposit

Challenge Preparatory Charter School strongly encourages employees to use direct deposit. Authorization forms are available from the Director of Finance.

## 2-10. Salary Advances

Challenge Preparatory Charter School does not permit advances on paychecks or against accrued paid time off. Advance pay for vacation must be requested in writing at least two weeks prior to the vacation period.

#### 2-11. Performance Review

Depending on the employee's position and classification, Challenge Preparatory Charter School endeavors to review performance every six months. However, a positive performance evaluation does not guarantee an increase in salary, a promotion or continued employment. Compensation increases and the terms and conditions of employment, including job assignments, transfers, promotions, and demotions, are determined by and at the discretion of management.

In addition to these formal performance evaluations, the School encourages employees and supervisors to discuss job performance on a frequent and ongoing basis.

#### 2-12. Record Retention

The School acknowledges its responsibility to preserve information relating to litigation, audits and investigations. Failure on the part of employees to follow this policy can result in possible civil and criminal sanctions against the School and its employees and possible disciplinary action against responsible individuals (up to and including discharge of the employee). Each employee has an obligation to contact the CEO to inform him or her of potential or actual litigation, external audit, investigation or similar proceeding involving the School that may have an impact on record retention protocols.

## 2-13. Job Postings

Challenge Preparatory Charter School is dedicated to assisting employees in managing their careers and reaching their professional goals through promotion and transfer opportunities. This policy outlines the on-line job posting program which is in place for all employees. To be eligible to apply for an open position, employees must meet several requirements:

- Should be a current, regular, full-time or part-time employee
- Been in your current position for at least six months
- Maintain a performance rating of satisfactory or above
- Should not be on an employee conduct/performance-related probation or warning
- Must meet the job qualifications listed on the job posting
- Required to provide the employee's manager with notice prior to applying for the position

If the employee finds a position of interest on the job posting website and meets the eligibility requirements, an on-line job posting application must be completed in order to be considered for the position. Not all positions are guaranteed to be posted. The School reserves the right to seek

applicants solely from outside sources or to post positions internally and externally simultaneously. For more specific information about the program, please contact the Human Resources Department.

## **Section 3 - Benefits**

#### 3-1. Benefits Overview/Disclaimer

In addition to good working conditions and competitive pay, it is Challenge Preparatory Charter School's policy to provide a combination of supplemental benefits to all eligible employees. In keeping with this goal, each benefit program has been carefully devised. These benefits include time-off benefits, such as vacations and holidays, and insurance and other plan benefits. We are constantly studying and evaluating our benefits programs and policies to better meet present and future requirements. These policies have been developed over the years and continue to be refined to keep up with changing times and needs.

The next few pages contain a brief outline of the benefits programs Challenge Preparatory Charter School provides employees and their families. Of course, the information presented here is intended to serve only as guidelines.

The descriptions of the insurance and other plan benefits merely highlight certain aspects of the applicable plans for general information only. The details of those plans are spelled out in the official plan documents, which are available for review upon request from the Director of Finance. Additionally, the provisions of the plans, including eligibility and benefits provisions, are summarized in the summary plan descriptions ("SPDs") for the plans (which may be revised from time to time). In the determination of benefits and all other matters under each plan, the terms of the official plan documents shall govern over the language of any descriptions of the plans, including the SPDs and this handbook.

Further, Challenge Preparatory Charter School (including the officers and administrators who are responsible for administering the plans) retains full discretionary authority to interpret the terms of the plans, as well as full discretionary authority with regard to administrative matters arising in connection with the plans and all issues concerning benefit terms, eligibility and entitlement.

While the School intends to maintain these employee benefits, it reserves the absolute right to modify, amend or terminate these benefits at any time and for any reason.

If employees have any questions regarding benefits, they should contact the Director of Finance.

## 3-2. Paid Holidays

All employees will be paid for the following holidays:

Eid al-Fitr

Lunar New Year

Martin Luther King, Jr. Day

Memorial Day

Juneteenth

New Year's Day

New Year's Eve

President's Day

Thanksgiving Day

Veterans' Day

Good Friday

Independence Day

Labor Day

**Christmas Day** 

Christmas Eve

Columbus Day

Day after Thanksgiving

When holidays fall or are celebrated on a regular work day, eligible employees will receive one (1) day's pay at their regular straight-time rate. Eligible employees who are called in to work on a holiday will receive one (1) day's pay at their regular straight-time rate, and an additional payment of straight-time for the actual time they work that day.

If a holiday falls within an eligible employee's approved vacation period, the eligible employee will be paid for the holiday (at the regular straight-time rate) in addition to the vacation day, or the eligible employee will receive an additional vacation day at the option of the School.

If a holiday falls within a jury duty or bereavement leave, the eligible employee will be paid for the holiday (at the regular straight-time rate) in addition to the leave day, or the eligible employee will receive an additional day off at the option of the School.

#### 3-3. Paid Vacations

We know how hard employees work and recognize the importance of providing time for rest and relaxation. We fully encourage employees to get this rest by taking your vacation time. Full-time employees accrue paid vacation time as follows:

Full-time employees are granted ten (10) days of vacation per year. Vacation is granted on a pro-rata basis throughout the year, depending on date of hire.

The maximum vacation entitlement for part-time employees is pro-rated based on hours worked.

Vacations should be taken during the year accrued, unless otherwise required by law. Accrued, unused vacation time can be carried over to the following calendar year only if approved by the Director of Finance.

Every effort will be made to grant the employee's vacation preference, consistent with our operating schedule. However, if too many people request the same period of time off, the School reserves the right to choose who may take vacation during that period. Employees with the longest length of service generally will be given preference. Vacation requests must be submitted to an employee's manager at least two (2) weeks in advance of their requested vacation dates.

Vacation may be used only in full-day increments.

Accrued, unused vacation is paid out upon separation.

Advanced but unaccrued vacation will be deducted from your final paycheck, to the extent permitted by law.

# 3-4. Paid Personal Days

Full-time employees are eligible to accrue up to four (4) paid personal days per calendar year on a pro-rata basis. However, during the calendar year in which a full-time employee is first hired, those full-time employees hired after June 30 will be eligible to accrue personal days on a pro-rata basis and to use up to two (2) paid personal days. Any additional personal time that must be taken by eligible employees generally will be unpaid.

Part-time employees accrue personal days in a similar manner, except on a pro-rated basis depending upon the number of hours they work.

Accrued, unused personal days are forfeited at the end of the calendar year and are not paid out at separation unless otherwise required by law.

Personal days must be used in at least half-day increments.

Personal days must be scheduled at least two weeks in advance. Management reserves the right in its sole discretion to deny any requests.

Advanced but unaccrued personal days will be deducted from your final paycheck, to the extent permitted by law.

# 3-5. Sick Days

Full-time employees are eligible to receive up to six (10) paid sick days each year. If an employee will be out of work due to illness, he or she must call in and notify his or her supervisor as early as possible, but at least by the start of the workday. If the employee calls in sick for three (3) or more consecutive days, he or she may be required to provide their supervisor with a doctor's note on the day he or she returns to work.

Sick days must be taken during the year they are received.

Sick days must be used in at least half-day increments.

While sick days are intended to cover only an employee's own illnesses, if required by applicable state or local law, sick days may be used to care for a family member's (including civil union

partners') illness or for any other reason required by applicable state or local law.

Advanced but unaccrued sick days will be deducted from the final paycheck, to the extent permitted by state law.

## 3-6. New York City Earned Safe and Sick Time

## Eligibility

The School provides paid safe/sick time to employees who work more than 80 hours in New York City in a calendar year. For employees who work in New York City who are eligible for sick days under the general Sick Days policy and/or any other applicable sick time/leave law or ordinance, this policy applies solely to the extent it provides greater benefits/rights on any specific issue or issues than the general Sick Days policy and/or any other applicable sick time/leave law or ordinance.

#### Grant

Employees receive a grant of 40 hours of earned safe/sick time at the start of employment. Thereafter, at the start of each calendar year, employees receive a grant of 40 hours of earned safe/sick time for the year. For purposes of this policy, the calendar year is July 1 through June 30.

Exempt employees are assumed to work 40 hours in each workweek unless their normal workweek is less than 40 hours, in which case earned sick time accrues based upon that normal workweek.

## Usage

Employees may begin using accrued time after the 120th calendar day of employment. Safe/sick time may be used in a minimum increment of four (4) hours, provided this is reasonable under the circumstances. For uses beyond four (4) hours, earned safe/sick time may be used in 30-minute increments (i.e., 4.5 hours, 5 hours, 5.5 hours etc.).

An employee may not use more than 40 hours of accrued safe/sick time in any calendar year.

Employees may use accrued safe/sick time for absences due to:

- the employee's mental or physical illness, injury or health condition or need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition or need for preventative medical care;
- the care of the employee's family member who needs medical diagnosis, care or treatment of a mental or physical illness, illness, injury or health condition or who needs preventative medical care;
- closure of the employee's place of business by order of a public official due to a public health emergency or such employee's need to care for a child whose school or childcare provider has been closed by order of a public official due to a public health emergency; or
- 4. the need for safe leave if the employee or a family member is the victim of family offense matters, sexual offenses, stalking or human trafficking:
  - to obtain services from a domestic violence shelter, rape crisis center or other shelter or services program for relief from a family offense matter, sexual offense, stalking or human trafficking;
  - to participate in safety planning, temporarily relocate or take other actions to increase

the safety of the employee or employee's family members from future family offense matters, sexual offenses, stalking or human trafficking;

- to meet with a civil attorney or other social service provider to obtain information and advice on, and prepare for or participate in any criminal or civil proceeding, including but not limited to matters related to a family offense matter, sexual offense, stalking, human trafficking, custody, visitation, matrimonial issues, orders of protection, immigration, housing, discrimination in employment, housing or consumer credit;
- to file a complaint or domestic incident report with law enforcement;
- to meet with a district attorney's office;
- to enroll children in a new school; or
- to take other actions necessary to maintain, improve or restore the physical, psychological, or economic health or safety of the employee or employee's family member or to protect those who associate or work with the employee.

For purposes of this policy, family member means a child, spouse, domestic partner, parent, sibling (including half-siblings, step-siblings or siblings related through adoption), grandchild, grandparent, the child or parent of the employee's spouse or domestic partner; any other individual related by blood to the employee, and any other individual whose close association with the employee is the equivalent of a family relationship.

Unless the employee advises the Employee's Supervisor otherwise, the School will assume employees want to use available paid leave for absences for reasons set forth above and employees will be paid for such absences to the extent they have paid leave available.

#### Notice and Documentation

Employees must provide seven (7)-days' notice of the need to use accrued safe/sick time to their manager if the need is foreseeable. Where the need is not foreseeable, employees should provide notice as early as practicable.

The School will require supporting documentation if the employee uses accrued safe/sick time for more than three (3) consecutive days. For safe/sick time used for reasons #1 or #2 above. documentation signed by a licensed health care provider indicating the need for the amount of safe/sick time taken and that earned safe/sick time was used for an authorized purpose under the law will be considered reasonable documentation and such documentation need not specify the nature of the employee's or the employee's family member's injury, illness or condition, except as required by law. For safe/sick time used for reason #4 above, documentation signed by an employee, agent or volunteer of a victim services organization, an attorney, a member of the clergy or a medical or other professional service provider from whom the employee or that employee's family member has sought assistance in addressing family offense matters, sex offenses, stalking or human trafficking and their effects; a police or court record; or a notarized letter from the employee explaining the need for such time will be considered reasonable documentation, and such documentation need not specify the details of the family offense matter, sexual offense, stalking or human trafficking. Failure to provide requested medical documentation for paid safe/sick time taken under this policy within seven (7) days of returning to work may result in disciplinary action, up to and including termination.

Additionally, the School may require an employee to provide written confirmation that an employee used sick time in accordance with this policy. A copy of the required form will be provided by the

Employee's Supervisor or otherwise is available here:

http://www1.nyc.gov/assets/dca/downloads/pdf/about/PaidSickLeave-

EmployeeVerificationRegardingAuthorizedUseofEarnedSickLeave.pdf

An employee's use of safe/sick time will not be conditioned upon searching for or finding a replacement worker.

The School may take disciplinary action, up to and including termination, against an employee who uses safe/sick time provided under this policy for purposes other than those described above. Indications of abuse of safe/sick time may include, but are not limited to, a pattern of: use of unscheduled safe/sick time on or adjacent to weekends, regularly scheduled days off, holidays, vacation or pay day; taking scheduled sick time on days when other leave has been denied; or taking safe/sick time on days when the employee is scheduled to work a shift or perform duties perceived as undesirable.

#### **Payment**

Safe/sick time will be paid at the same rate as the employee earns from the employee's employment at the time the employee uses such time, but no less than the applicable minimum wage. Use of safe/sick time is not considered hours worked for purposes of calculating overtime.

#### Carryover and Payout

Unused safe/sick time will not carryover to the next calendar year. Accrued but unused paid safe/sick time under this policy will not be paid at separation.

#### **Enforcement and Retaliation**

Employees have the right to request and use safe/sick time and may file a complaint for alleged violations of this policy with the New York City Department of Consumer Affairs. The School prohibits retaliation or the threat of retaliation against an employee for exercising or attempting to exercise any right provided in this policy or interference with any investigation, proceeding or hearing related to or arising out of employee's rights pursuant to this policy and applicable law.

Employees with questions regarding this policy can contact the Director of Finance.

#### 3-7. Paid Maternity Benefits

Paid maternity benefits can be claimed by full-time employees who have worked at the School for at least 12 consecutive months, following the birth of a child. Generally, six consecutive weeks of paid maternity benefits will be granted to eligible employees. This benefit is calculated (based on the following chart) including any short-term disability benefits.

If the employee has:

Less than one year of continuous full-time service: Payment per week is \$0.

One to two years of continuous full-time service: Payment per week is \$0.

Over two years of continuous full-time service: Payment per week is \$0.

This is solely a monetary benefit and not a leave of absence. Employees who will be out of work

must also request a formal leave of absence. See the "Leaves of Absence" section of this handbook for more information.

# 3-8. Lactation Breaks

Employees who are nursing are provided with break time to express breast milk for up to three years after the birth of a child. Employees will not be discriminated against or retaliated against for exercising their rights under this policy and reasonable efforts will be made to provide a private room or location in close proximity to the work area for this purpose.

#### 3-9. Workers' Compensation

On-the-job injuries are covered by our Workers' Compensation Insurance Policy, which is provided at no cost. If employees are injured on the job, no matter how slightly, they should report the incident immediately to their Supervisor. Failure to follow School procedures may affect the ability of the employee to receive Workers Compensation benefits.

This is solely a monetary benefit and not a leave of absence entitlement. Employees who need to miss work due to a workplace injury must also request a formal leave of absence. See the Leave of Absence sections of this handbook for more information.

#### 3-10. Jury Duty Leave

Challenge Preparatory Charter School realizes that it is the obligation of all U.S. citizens to serve on a jury when summoned to do so. All employees will be allowed time off to perform such civic service as required by law. Employees are expected, however, to provide proper notice of a request to perform jury duty and verification of their service, including fees received for jury duty service.

Employees also are expected to keep management informed of the expected length of jury duty service and to report to work for the major portion of the day if excused by the court. If the required absence presents a serious conflict for management, employees may be asked to try to postpone jury duty.

The School will compensate the juror with a fee of \$40 or the juror's regular wage (whichever is lower) for the first three (3) days of jury service. Exempt employees will be paid their full salary less jury duty fees for any week in which they performed work for the School and missed work due to jury service.

## 3-11. Witness Leave

An employee called to serve as a witness in a judicial proceeding must notify his/her supervisor as soon as possible.

Employees will not be compensated for time away from work to participate in a court case, but may use available vacation and personal time to cover the period of absence.

Employees that appear in court to testify as a witness or victim, or to consult with a district attorney

or obtain an order of protection, will not be disciplined or discharged for their absence.

#### 3-12. Bereavement Leave

We know the death of a family member is a time when employees wish to be with their families. If the employee is a full-time employee and loses a close relative, he or she will be allowed paid time off of up to three (3) days to assist in attending to his or her obligations and commitments. For the purposes of this policy, a close relative includes a spouse, civil union partner, child, parent, sibling or any other relation required by applicable law. Paid leave days only may be taken on regularly scheduled, consecutive workdays following the day of death. An employee must inform his or her supervisor prior to commencing bereavement leave. In administering this policy, the School may require verification of death.

## 3-13. Voting Leave

Employees who are eligible to vote in an election may request up to two hours with pay to vote, unless "sufficient time" exists outside of working hours, i.e. four consecutive nonworking hours while polls are open.

Employees must notify the School of their intention to vote at least 2 but not more than 10 working days prior to Election Day.

## 3-14. Insurance Programs

Full-time employees may participate in the School's insurance programs. Under these plans, eligible employees will receive comprehensive health and other insurance coverage for themselves and their families, as well as other benefits.

Upon becoming eligible to participate in these plans, you will receive summary plan descriptions (SPDs) describing the benefits in greater detail. Please refer to the SPDs for detailed plan information. Of course, feel free to speak to Human Resources if you have any further questions.

# 3-15. Statutory Short-Term Disability Benefits

Challenge Preparatory Charter School also provides statutory short-term disability insurance.

This is solely a monetary benefit and not a leave of absence. Employees who will be out of work must also request a formal leave of absence. See the Leave of Absence sections of this handbook for more information.

#### 3-16. Long-Term Disability Benefits

Full-time employees are eligible to participate in the Long-Term Disability plan, subject to all terms and conditions of the agreement between the School and the insurance carrier.

This is solely a monetary benefit and not a leave of absence. Employees who will be out of work

must also request a formal leave of absence. See the Leave of Absence sections of this handbook for more information.

# 3-17. Salary Continuation

Challenge Preparatory Charter School provides enhanced monetary short-term disability benefits to full-time employees. These enhanced monetary benefits are inclusive of any monetary workers' compensation or statutory short-term disability benefits.

This is not a leave of absence provision. Employees who will be out of work must request a leave of absence. See the Leave of Absence sections of this handbook for more information. Employees will be required to submit medical certification as requested by Challenge Preparatory Charter School. Required medical certification under this policy may differ from the medical certification required for any leave of absence requested.

#### 3-18. Employee Assistance Program

Challenge Preparatory Charter School provides an employee assistance program for employees. This program offers qualified counselors to help you cope with personal problems you may be facing. Further details can be obtained by contacting an EAP counselor at (866) 574-7256.

#### 3-19. Transportation Reimbursement Program

The School provides a Transportation Reimbursement Program which allows all employees to pay for eligible transportation expenses with pre-tax income. Employees may participate on the first of the month after one month of employment. The program works similarly to a Flexible Benefits Program, in which employees elect to have a portion of pre-tax income transferred to an account for future reimbursement for transportation expenses. The amount of contributions is subject to IRS limits which generally change every year. Upon becoming eligible to participate in this plan, employees will receive a Summary Plan Document (SPD) describing the benefit in greater detail. Employees should refer to the SPD for detailed plan information. Of course, employees also should feel free to speak to the Human Resources Department if they have any further questions.

#### 3-20. Retirement Plan

Eligible employees are able to participate in the School's retirement plan. Plan participants may make pre-tax contributions to a retirement account.

Upon becoming eligible to participate in this plan, the employee will receive an SPD describing the plan in greater detail. Please refer to the SPD for detailed plan information. Of course, feel free to speak to the Director of Finance if there are any further questions.

#### Section 4 - Leaves of Absence

## 4-1. Military Leave

If employees are called into active military service or enlist in the uniformed services, they will be eligible to receive an unpaid military leave of absence. To be eligible for military leave, employees must provide management with advance notice of service obligations unless they are prevented from providing such notice by military necessity or it is otherwise impossible or unreasonable to provide such notice. Provided the absence does not exceed applicable statutory limitations, employees will retain reemployment rights and accrue seniority and benefits in accordance with applicable federal and state laws. Employees should ask management for further information about eligibility for Military Leave.

If employees are required to attend yearly Reserves or National Guard duty, they can apply for an unpaid temporary military leave of absence not to exceed the number of days allowed by law (including travel). They should give management as much advance notice of their need for military leave as possible so that we can maintain proper coverage while employees are away.

## 4-2. Family Military Leave

Employees who work an average of at least 20 hours per week and are spouses of military members generally are entitled to up to 10 days of unpaid leave during any period when the spouse in the military is on leave from active duty. Prior notice is requested for staffing reasons. Employees will not be retaliated against for exercising their rights under this policy.

Leave runs concurrently with FMLA Qualifying Exigency leave to the extent both are applicable.

#### 4-3. Family and Medical Leave

#### The Leave Policy

Employees may be entitled to a leave of absence under the Family and Medical Leave Act (FMLA). This policy provides employees information concerning FMLA entitlements and obligations employees may have during such leaves. If employees have any questions concerning FMLA leave, they should contact the Director of Finance or ADP TotalSource.

#### I. Eligibility

FMLA leave is available to "eligible employees." To be an "eligible employee," an employee must: 1) have been employed by a covered Company\* for at least 12 months (which need not be consecutive); 2) have been employed by the Company for at least 1,250 hours of service during the 12-month period immediately preceding the commencement of the leave; and 3) be employed at a worksite where 50 or more employees are located within 75 miles of the worksite.

\*Note a covered Company is one which has employed 50 or more employees for at least 20 workweeks in the current or preceding calendar year.

#### II. Entitlements

The FMLA provides eligible employees with a right to leave, applicable health insurance benefits and, with some limited exceptions, job restoration. The FMLA also entitles employees to certain written notices concerning their potential eligibility for and designation of FMLA leave.

#### A. Basic FMLA Leave Entitlement:

The FMLA provides eligible employees up to 12 workweeks of unpaid leave for certain family and medical reasons during a 12-month period. The 12-month period is determined based on a rolling 12-month period measured backward from the date an employee uses his/her FMLA leave. Leave may be taken for any one, or for a combination, of the following reasons:

- To care for the employee's child after birth or placement for adoption or foster care;
- To care for the employee's spouse, son, daughter or parent (but not in-law) who has a serious health condition;
- For the employee's own serious health condition (including any period of incapacity due to pregnancy, prenatal medical care or childbirth) that makes the employee unable to perform one or more of the essential functions of the employee's job; and/or
- Because of any qualifying exigency arising out of the fact that an employee's spouse, son, daughter or parent is a covered military member on covered active duty or called to covered active duty status (or has been notified of an impending call or order to covered active duty) in the Reserves component of the Armed Forces in support of contingency operations or Regular Armed Forces for deployment to a foreign country. This leave also is available for family members of active duty service members.

A **serious health condition** is an illness, injury, impairment or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Due to the fluid nature of D-1 and e ol ing guidance from the D , states and localities, the D-1 policies are maintained and updated hene er necessary.

**Qualifying exigencies** may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, caring for the parents of the military member on covered active duty and attending post-deployment reintegration briefings.

## B. Additional Military Family Leave Entitlement (Injured Servicemember Leave)

In addition to the basic FMLA leave entitlement discussed above, an eligible employee who is the spouse, son, daughter, parent or next of kin of a **covered servicemember** is entitled to take up 26 weeks of leave during a single 12-month period to care for the servicemember with a serious injury or illness. Leave to care for a servicemember shall only be available during a single-12 month period and, when combined with other FMLA-qualifying leave, may not exceed 26 weeks during the single 12-month period begins on the first day an eligible employeen takes

leave to care for the injured servicemember.

A "covered servicemember" is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status or is on the temporary retired list, for a serious injury or illness. These individuals are referred to in this policy as "current members of the Armed Forces."

**Covered servicemembers** also include a veteran who is discharged or released from military services under condition other than dishonorable at any time during the five years preceding the date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation or therapy for a serious injury or illness. These individuals are referred to in this policy as "covered veterans."

The FMLA definitions of a "serious injury or illness" for current Armed Forces members and covered veterans are distinct from the FMLA definition of "serious health condition" applicable to FMLA leave to care for a covered family member.

#### C. Intermittent Leave and Reduced Leave Schedules

FMLA leave usually will be taken for a period of consecutive days, weeks or months. However, employees also are entitled to take FMLA leave intermittently or on a reduced leave schedule when medically necessary due to a serious health condition of the employee or covered family member or the serious injury or illness of a covered servicemember.

#### D. No Work While on Leave

The taking of another job while on family/medical leave or any other authorized leave of absence is grounds for immediate termination, to the extent permitted by law.

#### E. Protection of Group Health Insurance Benefits

During FMLA leave, eligible employees are entitled to receive group health plan coverage (if applicable) on the same terms and conditions as if they had continued to work.

## F. Restoration of Employment and Benefits

At the end of FMLA leave, subject to some exceptions including situations where job restoration of "key employees" will cause the Company substantial and grievous economic injury, employees generally have a right to return to the same or equivalent positions with equivalent pay, benefits and other employment terms. The Company will notify employees if they qualify as "key employees," if it intends to deny reinstatement, and of their rights in such instances. Use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of an eligible employee's FMLA leave.

#### G. Notice of Eligibility for, and Designation of, FMLA Leave

Employees requesting FMLA leave are entitled to receive written notice from the Company telling them whether they are eligible for FMLA leave and, if not eligible, the reasons why they are not eligible. When eligible for FMLA leave, employees are entitled to receive written notice of: 1) their rights and responsibilities in connection with such leave; 2) the Company's designation of leave as FMLA-qualifying or non-qualifying, and if not FMLA-qualifying, the reasons why; and 3) the amount of leave, if known, that will be counted against the employee's leave entitlement.

The Company may retroactively designate leave as FMLA leave with appropriate written notice to employees provided the Company's failure to designate leave as FMLA-qualifying at an earlier date did not cause harm or injury to the employee. In all cases where leaves qualify for FMLA protection, the Company and employee can mutually agree that leave be retroactively designated as FMLA leave.

## III. Employee FMLA Leave Obligations

#### A. Provide Notice of the Need for Leave

Employees who take FMLA leave must timely notify the Company of their need for FMLA leave. The following describes the content and timing of such employee notices.

## 1. Content of Employee Notice

To trigger FMLA leave protections, employees must inform their supervisor, the Director of Finance, and ADP TotalSource (866-400-6011), Option 2 or email: Totalsource.FMLA@adp.com) of the need for FMLA-qualifying leave and the anticipated timing and duration of the leave, if known. Employees may do this by either requesting FMLA leave specifically, or explaining the reasons for leave so as to allow the Company to determine that the leave is FMLA-qualifying. For example, employees might explain that:

- a medical condition renders them unable to perform the functions of their job;
- they are pregnant or have been hospitalized overnight;
- they or a covered family member are under the continuing care of a health care provider;
- the leave is due to a qualifying exigency cause by a covered military member being on active duty or called to active duty status; or
- if the leave is for a family member, that the condition renders the family member unable to perform daily activities or that the family member is a covered servicemember with a serious injury or illness.

Calling in "sick," without providing the reasons for the needed leave, will not be considered sufficient notice for FMLA leave under this policy. Employees must respond to the Company's questions to determine if absences are potentially FMLA-qualifying.

If employees fail to explain the reasons for FMLA leave, the leave may be denied. When employees seek leave due to FMLA-qualifying reasons for which the Company has previously provided FMLA-protected leave, they must specifically reference the qualifying reason for the leave or the need for FMLA leave.

# 2. Timing of Employee Notice

Employees must provide 30 days' advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, or the approximate timing of the need for leave is not foreseeable, employees must provide the Company and/or ADP TotalSource notice of the need for leave as soon as practicable under the facts and circumstances of the particular case. Employees, who fail to give 30 days' notice for foreseeable leave without a reasonable excuse for the delay, or otherwise fail to satisfy FMLA notice obligations, may have FMLA leave delayed or denied.

# B. Cooperate in the Scheduling of Planned Medical Treatment (Including Accepting Transfers to Alternative Positions) and Intermittent Leave or Reduced Leave Schedules

When planning medical treatment, employees must consult with the Company and make a reasonable effort to schedule treatment so as not to unduly disrupt the Company's operations, subject to the approval of an employee's health care provider. Employees must consult with the Company prior to the scheduling of treatment to work out a treatment schedule that best suits the needs of both the Company and the employees, subject to the approval of an employee's health care provider. If employees providing notice of the need to take FMLA leave on an intermittent basis for planned medical treatment neglect to fulfill this obligation, the Company may require employees to attempt to make such arrangements, subject to the approval of the employee's health care provider.

When employees take intermittent or reduced work schedule leave for foreseeable planned medical treatment for the employee or a family member, including during a period of recovery from a serious health condition or to care for a covered servicemember, the Company may temporarily transfer employees, during the period that the intermittent or reduced leave schedules are required, to alternative positions with equivalent pay and benefits for which the employees are qualified and which better accommodate recurring periods of leave.

When employees seek intermittent leave or a reduced leave schedule for reasons unrelated to the planning of medical treatment, upon request, employees must advise the Company of the reason why such leave is medically necessary. In such instances, the Company and employee shall attempt to work out a leave schedule that meets the employee's needs without unduly disrupting the Company's operations, subject to the approval of the employee's health care provider.

# C. Submit Medical Certifications Supporting Need for FMLA Leave (Unrelated to Requests for Military Family Leave)

Depending on the nature of FMLA leave sought, employees may be required to submit medical certifications supporting their need for FMLA-qualifying leave. As described below, there generally are three types of FMLA medical certifications: an **initial certification**, a **recertification** and a **return to work/fitness for duty certification**.

It is the employee's responsibility to provide the Company with timely, complete and sufficient medical certifications. Whenever the Company requests employees to provide FMLA medical certifications, employees must provide the requested certifications within 15 calendar days after the Company's request, unless it is not practicable to do so despite an employee's diligent, good faith efforts. The Company shall inform employees if submitted medical certifications are incomplete or insufficient and provide employees at least seven calendar days to cure deficiencies. The Company will deny FMLA leave to employees who fail to timely cure deficiencies or otherwise fail to timely submit requested medical certifications.

With the employee's permission, the Company (through individuals other than an employee's direct supervisor) may contact the employee's health care provider to authenticate or clarify completed and sufficient medical certifications. If employees choose not to provide the Company with authorization allowing it to clarify or authenticate certifications with health care providers, the Company may deny FMLA leave if certifications are unclear.

Whenever the Company deems it appropriate to do so, it may waive its right to receive timely, complete and/or sufficient FMLA medical certifications.

#### 1. Initial Medical Certifications

Employees requesting leave because of their own, or a covered relation's, serious health condition, or to care for a covered servicemember, must supply medical certification supporting the need for such leave from their health care provider or, if applicable, the health care provider of their covered family or service member. If employees provide at least 30 days' notice of medical leave, they should submit the medical certification before leave begins. A new initial medical certification will be required on an annual basis for serious medical conditions lasting beyond a single leave year.

If the Company has reason to doubt initial medical certifications, it may require employees to obtain a second opinion at the Company's expense. If the opinions of the initial and second health care providers differ, the Company may, at its expense, require employees to obtain a third, final and binding certification from a health care provider designated or approved jointly by the Company and the employee.

#### 2. Medical Recertifications

Depending on the circumstances and duration of FMLA leave, the Company may require employees to provide recertification of medical conditions giving rise to the need for leave. The Company will notify employees if recertification is required and will give employees at least 15 calendar days to provide medical recertification.

#### 3. Return to Work/Fitness for Duty Medical Certifications

Unless notified that providing such certifications is not necessary, employees returning to work from FMLA leaves that were taken because of their own serious health conditions that made them unable to perform their jobs must provide the Company medical certification confirming they are able to return to work and the employees' ability to perform the essential functions of the employees' position, with or without reasonable accommodation. The Company may delay and/or deny job restoration until employees provide return to work/fitness for duty certifications.

#### D. Submit Certifications Supporting Need for Military Family Leave

Upon request, the first time employees seek leave due to qualifying exigencies arising out of the active duty or call to active duty status of a covered military member, the Company may require employees to provide: 1) a copy of the covered military member's active duty orders or other documentation issued by the military indicating the covered military member is on active duty or call to active duty status and the dates of the covered military member's active duty service; and 2) a certification from the employee setting forth information concerning the nature of the qualifying exigency for which leave is requested. Employees shall provide a copy of new active duty orders or other documentation issued by the military for leaves arising out of qualifying exigencies arising out of a different active duty or call to active duty status of the same or a different covered military member.

When leave is taken to care for a covered servicemember with a serious injury or illness, the Company may require employees to obtain certifications completed by an authorized health care provider of the covered servicemember. In addition, and in accordance with the FMLA regulations, the Company may request that the certification submitted by employees set forth additional information provided by the employee and/or the covered servicemember confirming entitlement to such leave.

# E. Reporting Changes to Anticipated Return Date & Periodically Concerning Intent to Return to Work

Employees must contact ADP TotalSource at 866-400-6011, Option 2 periodically in accordance with the instructions noted on the Eligibility Notice regarding their status and intention to return to work at the end of the FMLA leave period. If an employee's anticipated return to work date changes and it becomes necessary for the employee to take more or less leave than originally anticipated, the employee must provide the Company or ADP TotalSource with reasonable notice (i.e., within two business days) of the employee's changed circumstances and new return to work date. If employees give the Company unequivocal notice of their intent not to return to work, they will be considered to have voluntarily resigned and the Company's obligation to maintain applicable health benefits (subject to COBRA requirements) and to restore their positions will cease.

#### F. Substitute Paid Leave for Unpaid FMLA Leave

Employees must (unless the Company specifically informs employees otherwise) use any accrued paid time off while taking unpaid FMLA leave. The substitution of paid time for unpaid FMLA leave time does not extend the length of FMLA leaves and the paid time will run concurrently with an employee's FMLA entitlement.

Leaves of absence taken in connection with a disability leave plan or workers' compensation injury/illness shall run concurrently with any FMLA leave entitlement. Upon written request, the Company will allow employees to use accrued paid time off to supplement any paid disability benefits.

#### G. Pay Employee's Share of Health Insurance Premiums

During FMLA leave, employees are entitled to continued group health plan coverage (if applicable) under the same conditions as if they had continued to work. Unless the Company notifies employees of other arrangements, whenever employees are receiving pay from the Company during FMLA leave, the Company will deduct the employee portion of the group health plan premium from the employee's paycheck in the same manner as if the employee was actively working.

If FMLA leave is unpaid, employees must pay their portion of the group health premium through a "pay-as-you-go" method. Employees should contact their immediate supervisor to make these arrangements.

The Company's obligation to maintain health care coverage ceases if an employee's premium payment is more than 30 days late. If an employee's payment is more than 15 days late, the Company will send a letter notifying the employee that coverage will be dropped on a specified date unless the co-payment is received before that date. If employees do not return to work within 30 calendar days at the end of the leave period (unless employees cannot return to work because of a serious health condition or other circumstances beyond their control), they will be required to reimburse the Company for the cost of the premiums the Company paid for maintaining coverage during their unpaid FMLA leave.

# IV. Exemption for Highly Compensated Employees

The Company may choose not to return highly compensated employees (highest paid 10% of employees at a worksite or within 75 miles of that worksite) to their former or equivalent positions following a leave if restoration of employment will cause substantial economic injury to the Company. (This fact-specific determination will be made by the Company on a case-by-case basis.) The Company will notify you if you qualify as a "highly compensated" employee, if the Company intends to deny reinstatement, and of your rights in such instances.

## V. Questions and/or Complaints about FMLA Leave

If you have questions regarding this FMLA policy, please contact your supervisor or ADP TotalSource (844) 448-0325, Option 2 or email: <a href="mailto:Totalsource.FMLA@adp.com">Totalsource.FMLA@adp.com</a>). The Company is committed to complying with the FMLA and, whenever necessary, shall interpret and apply this policy in a manner consistent with the FMLA.

The FMLA makes it unlawful for employers to: 1) interfere with, restrain or deny the exercise of any right provided under FMLA; or 2) discharge or discriminate against any person for opposing any practice made unlawful by FMLA or involvement in any proceeding under or relating to FMLA. If employees believe their FMLA rights have been violated, they should contact ADP TotalSource immediately. The Company will investigate any FMLA complaints and take prompt and appropriate remedial action to address and/or remedy any FMLA violation. Employees also may file FMLA complaints with the United States Department of Labor or may bring private lawsuits alleging FMLA violations.

#### VI. Coordination of FMLA Leave with Other Leave Policies

The FMLA does not affect any federal, state or local law prohibiting discrimination, or supersede any State or local law that provides greater family or medical leave rights. For additional information concerning leave entitlements and obligations that might arise when FMLA leave is either not available or exhausted, please consult the Company's other leave policies in your Company handbook as applicable or contact your supervisor or ADP TotalSource.

## 4-4. State Paid Family Leave

## **Eligibility Requirements**

Employees who have a regular work schedule of 20 or more hours per week and have been employed at least 26 consecutive weeks prior to the date Paid Family Leave (PFL) begins (or who have a regular work schedule of less than 20 hours per week and have worked at least 175 days to the date PFL begins) are eligible for PFL. An employee has the option to file a waiver of PFL and therefore not be subject to deductions when his or her regular employment is:

- 20 or more hours per week but the employee will not work 26 consecutive weeks; or
- fewer than 20 hours per week and the employee will not work 175 days in a 52 consecutive week period

#### Entitlement

PFL is available to eligible employees for up to eight (12) weeks within any 52 consecutive week period. PFL is available for any of the following reasons:

- to participate in providing care, including physical or psychological care, for the employee's family member (child, spouse, domestic partner, parent, parent-in-law, grandchild or grandparent) with a serious health condition; or
- to bond with the employee's child during the first 12 months after the child's birth, adoption or foster care placement; or

for qualifying exigencies, as interpreted by the Family and Medical Leave Act (FMLA), arising
out of the fact that the employee's spouse, domestic partner, child or parent is on active duty
(or has been notified of an impending call or order to active duty) in the armed forces of the
United States.

The 52 consecutive week period is determined retroactively with respect to each day for which PFL benefits are currently being claimed.

## PFL benefits are financed solely through employee contributions via payroll deductions.

The weekly monetary benefit will be 67% of the employee's average weekly wage or 67% of the state average weekly wage, whichever is less.

The School and an employee may agree to allow the employee to supplement PFL benefits up to their full salary with paid time off, to the maximum extent permitted by applicable law.

An employee who is eligible for both statutory short-term disability benefits and PFL during the same period of 52 consecutive calendar weeks may not receive more than 26 total weeks of disability and PFL benefits during that period of time. Statutory short-term disability benefits and PFL benefits may not be used concurrently.

#### **Definition of a Serious Health Condition**

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice or residential health care facility; or continuing treatment or continuing supervision by a health care provider. Subject to certain conditions, the continuing treatment or continuing supervision requirement may be met by a period of incapacity of more than three (3) consecutive full days during which a family member is unable to work, attend school, perform regular daily activities or is otherwise incapacitated due to illness, injury, impairment or physical or mental conditions, and any subsequent treatment or period of incapacity relating to the same condition, that also involves treatment two (2) or more times by a health care provider; or treatment on at least one (1) occasion by a health care provider, which results in a regimen of continuing treatment under the supervision of the health care provider. The continuing treatment or continuing supervision requirement also may be met by any period during which a family member is unable to work, attend school, perform regular daily activities or is otherwise incapacitated due to a chronic serious health condition or an illness, injury, impairment, or physical or mental condition for which treatment may not be effective. A chronic serious health condition is one which requires periodic visits for treatment by a health care provider; continues over an extended period of time (including recurring episodes of a single underlying condition); and may cause episodic rather than a continuing period of incapacity. Examples of such episodic incapacity include but are not limited to asthma, diabetes and epilepsy. Other conditions may meet the definition of continuing treatment.

#### Use of Leave

An employee does not need to use this leave entitlement in one (1) block. Leave can be taken intermittently in increments of at least one (1) full day or on a reduced leave schedule, except that an employee may only take intermittent or reduced leave to care for a family member with a serious health condition where it is shown to be medically necessary. Employees must make reasonable efforts to schedule intermittent or reduced leave so as not to unduly disrupt the School's operations.

Leave taken on an intermittent or reduced leave schedule will not result in a reduction of the total amount of leave to which an employee is entitled beyond the amount of leave actually taken.

#### **Employee Responsibilities**

An employee must provide 30 days' advance notice before the date leave is to begin if the qualifying event is foreseeable. When 30 days' notice is not practicable for reasons such as lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, the employee must provide notice as soon as practicable and generally must comply with the School's normal call-in procedures. Failure by the employee to give 30 days' advance notice of a foreseeable event may result in partial denial of the employee's benefits for a period of up to 30 days from the date notice is provided.

Employees must provide sufficient information to make the School aware of the qualifying event and the anticipated timing and duration of the leave. Employees must specifically identify the type of family leave requested. Employees also must provide medical certifications and periodic recertification or other supporting documentation or certifications supporting the need for leave. An employee requesting PFL must submit a completed Request for Paid Family Leave or PFL-1 form and additional certification form(s) as follows to the Company's insurance carrier: 1) Bonding Certification: PFL-2 Form plus documentation; 2) Health Care Provider Certification: PFL-4 Form plus Personal Health Information (PHI) Release (PFL-3 Form); or 3) Military Qualifying Event: PFL-5 Form plus documentation. These documents are available from Aetna Customer Care Center at (888)-200-6790. The office is open Monday-Friday from 8:00AM to 8:00PM (EST).

To submit a request for PFL, employees must complete the employee's portion of the insurance carrier's PFL-1 Form, and submit it to Aetna Customer Care Center at (888)-200-6790. Depending on the type of PFL leave employees are seeking, employees will be required to complete additional PFL forms as described in the communication that employees will receive from the insurance carrier. Employees must submit the completed PFL forms before or within 30 days after the start of their leave. The insurance carrier must pay or deny leave requests within 18 calendar days of receiving an employee's completed forms.

#### **Job Benefits and Protection**

During any PFL taken pursuant to this policy, the School will maintain coverage under any existing group health insurance benefits plan as if the employee had continued to work. The employee must make arrangements with Payroll prior to taking leave to pay their portion of any applicable health insurance premiums each month.

The School's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late. If an employee's payment is more than 15 days late, the School will send a letter notifying the employee that coverage will be dropped on a specified date unless the co-payment is received before that date.

Any employee who exercises his or her right to PFL will, upon the expiration of that leave, be entitled to be restored to the position held by the employee when the leave commenced, or to a comparable position with comparable benefits, pay and other terms and conditions of employment. The taking of leave covered by PFL will not result in the loss of any employment benefit accrued prior to the date on which the leave commenced.

#### Leave Concurrent with FMLA

The School will require an employee who is entitled to leave under both the Family & Medical Leave Act (FMLA) and PFL, to take PFL concurrently with any leave taken pursuant to the FMLA. When the total hours taken for FMLA in less than full-day increments reaches the number of hours in an employee's usual workday, the School may deduct one (1) day of PFL from an employee's annual available PFL.

If employees have any questions regarding this policy, they should contact the Director of Finance.

#### 4-5. Blood Donation Leave

Employees who work an average of at least 20 hours per week are eligible for up to three hours of unpaid leave in any 12-month period for donating blood. Employees must provide advance notice of at least three working days of their intention to avail themselves of this leave, except in emergency situations. Employees may use accrued paid time off for this purpose.

#### 4-6. Bone Marrow Donation Leave

Employees who work 20 or more hours per week are entitled to up to 24 hours of unpaid leave for the purposes of donating bone marrow. Verification of donation and the length of necessary leave may be required by the School. Reasonable notice of leave must be provided. Employees may use accrued paid time off for this purpose.

#### 4-7. Medical Leave and Family Care (MLFC)

The Company provides leaves of absence without pay to eligible employees for any of the following reasons: (1) the birth of a son or daughter and to care for such son or daughter; (2) the placement of a son or daughter with you for adoption or foster care and to care for the newly placed son or daughter; (3) to care for a spouse, son, daughter or parent ("covered family member") with a serious health condition; or (4) because of your own serious health condition which renders you unable to perform an essential function of your position. Leave because of reasons (1) or (2) must be completed within the 12 month period beginning on the date of birth or placement.

For purposes of this policy, serious health conditions or disabilities include inpatient care in a hospital, hospice, or residential medical care facility; continuing treatment by a health care provider; and temporary disabilities associated with pregnancy, childbirth, and related medical conditions. In the event that state or federal law provides for greater rights than provided by this policy, it is the Company's policy to govern its actions in accordance with those laws.

#### **How to Request Leave**

Employees may request leave only after having been employed for one year. Exceptions to the service requirement will be considered to accommodate protected disabilities. Eligible employees should make requests for leave to their supervisors at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events.

#### Certification Requirements

Employees must provide written documentation from their health care provider supporting the need for leave including a detailed explanation of the medical reason why the employee requires a leave of absence, any accommodations that might enable the employee to return to work, and the health care provider's opinion (supported by medical reasoning) as to the likely date the employee will return to work, if known. In the case of leave to care for a covered family member, the employee must also provide documentation substantiating the need for leave. This would include, for example, a statement from the family member's healthcare provider indicating that the family member is unable to care for his or her own basic medical, hygienic, or nutritional needs or safety.

Any changes in this information should be promptly reported to The Company.

#### **Company Communications with Medical Professionals**

We seek to work cooperatively with medical professionals to make informed individualized assessments about our employees' ability to work and/or be at work. To accomplish this goal, from time to time, and as permissible by law, we may need to obtain additional medical information from your treating physician or other medical professionals we might retain to offer an opinion on your ability to work or be at work. While we expect you to comply with these requests, if you have any concerns about providing such information, you should contact [appropriate Client Representative (e.g. onsite HR rep)] so we can attempt to address them. While we will assist you in whatever ways we can, it is your responsibility to see that your treating physician provides the information we request.

#### **Amount of Leave Available**

Eligible employees are normally granted leave up to a maximum of 12 weeks within a 12 month rolling period measured backward from the date of any leave usage. For purposes of this policy, leave usage includes leave previously granted under state or federal leave laws (i.e. FMLA) for the same reasons provided by this policy or leave previously provided pursuant to this policy.

Leave must be used in one-week increments. Exceptions to this minimum increment requirement will be considered to accommodate protected disabilities. Employees will also be required to exhaust any accrued paid leave time while taking unpaid leave.

If the initial period of approved absence proves insufficient, consideration will be given to a request for an extension. Extensions will be provided based on operational requirements and business needs. However, benefits will only be provided for the initial maximum of 12 weeks after which time the employee may apply for benefits continuation under COBRA.

#### Continuation of Health Insurance Benefits while on Leave

Health insurance benefits will be provided by The Company for a maximum of 12 weeks under the same terms that would have applied had the employee not taken leave. Employees remain responsible for payment of the employee contribution while on leave. Payment must be received by the **1st** of each month. Failure to make timely payments may result in a termination of health insurance benefits.

Employees who exceed the 12-week maximum period of leave will become responsible for the full costs of these benefits and may apply for benefits continuation under COBRA. When the employee returns from leave, benefits will again be reinstated on the first of the month following the employee's return to work.

#### **Returning from Leave / Job Restoration**

An employee on leave is requested to provide The Company with at least two weeks advance notice of the date the employee intends to return to work so that an employee's return to work can be properly scheduled.

Employees returning from leave for the employee's own serious health condition must submit a health care provider's verification of their fitness to return to work.

Job restoration is not guaranteed. However, when a leave ends, The Company will make reasonable efforts to reinstate the employee to the same position previously held by the employee if it is available. If it is not available, The Company, will make reasonable efforts to reinstate the employee to an equivalent position for which the employee is qualified and if an equivalent position is not available, then to a lower level position.

If an employee fails to return to work on the agreed upon return date, The Company may assume that the employee has resigned.

#### Section 5 - General Standards of Conduct

#### 5-1. Workplace Conduct

Challenge Preparatory Charter School endeavors to maintain a positive work environment. Each employee plays a role in fostering this environment. Accordingly, we all must abide by certain rules of conduct, based on honesty, common sense and fair play.

Because everyone may not have the same idea about proper workplace conduct, it is helpful to adopt and enforce rules all can follow. Unacceptable conduct may subject the offender to disciplinary action, up to and including discharge, in the School's sole discretion. The following are examples of some, but not all, conduct which can be considered unacceptable:

- 1. Obtaining employment on the basis of false or misleading information.
- 2. Stealing, removing or defacing Challenge Preparatory Charter School property or a coworker's property, and/or disclosure of confidential information.
- Completing another employee's time records.
- 4. Violation of safety rules and policies.
- 5. Violation of Challenge Preparatory Charter School's Drug and Alcohol-Free Workplace Policy.
- 6. Fighting, threatening or disrupting the work of others or other violations of Challenge Preparatory Charter School's Workplace Violence Policy.
- 7. Failure to follow lawful instructions of a supervisor.
- 8. Failure to perform assigned job duties.
- 9. Violation of the Punctuality and Attendance Policy, including but not limited to irregular attendance, habitual lateness or unexcused absences.
- Gambling on School property.
- 11. Willful or careless destruction or damage to School assets or to the equipment or possessions of another employee.
- Wasting work materials.
- 13. Performing work of a personal nature during working time.
- 14. Violation of the Solicitation and Distribution Policy.
- 15. Violation of Challenge Preparatory Charter School's Harassment or Equal Employment Opportunity Policies.
- 16. Violation of the Communication and Computer Systems Policy.
- Unsatisfactory job performance.
- 18. Any other violation of Company policy.

Obviously, not every type of misconduct can be listed. Note that all employees are employed at-will, and Challenge Preparatory Charter School reserves the right to impose whatever discipline it chooses, or none at all, in a particular instance. The School will deal with each situation individually and nothing in this handbook should be construed as a promise of specific treatment in a given situation.

The observance of these rules will help to ensure that our workplace remains a safe and desirable place to work.

#### 5-2. Punctuality and Attendance

Employees are hired to perform important functions at Challenge Preparatory Charter School. As with any group effort, operating effectively takes cooperation and commitment from everyone. Therefore, attendance and punctuality are very important. Unnecessary absences and lateness are expensive, disruptive and place an unfair burden on fellow employees and Supervisors. We expect excellent attendance from all employees. Excessive absenteeism or tardiness will result in disciplinary action up to and including discharge.

We do recognize, however, there are times when absences and tardiness cannot be avoided. In such cases, employees are expected to notify Supervisors as early as possible, but no later than the start of the work day. Asking another employee, friend or relative to give this notice is improper and constitutes grounds for disciplinary action. Employees should call, stating the nature of the illness and its expected duration, for every day of absenteeism.

Unreported absences of three (3) consecutive work days generally will be considered a voluntary resignation of employment with the School.

#### 5-3. Use of Communications and Computer Systems

Challenge Preparatory Charter School's communication and computer systems are intended primarily for business purposes; however limited personal usage is permitted if it does not hinder performance of job duties or violate any other School policy. This includes the voice mail, e-mail and Internet systems. Users have no legitimate expectation of privacy in regard to their use of the Challenge Preparatory Charter School systems.

Challenge Preparatory Charter School may access the voice mail and e-mail systems and obtain the communications within the systems, including past voice mail and e-mail messages, without notice to users of the system, in the ordinary course of business when the School deems it appropriate to do so. The reasons for which the School may obtain such access include, but are not limited to: maintaining the system; preventing or investigating allegations of system abuse or misuse; assuring compliance with software copyright laws; complying with legal and regulatory requests for information; and ensuring that School operations continue appropriately during an employee's absence.

Further, Challenge Preparatory Charter School may review Internet usage to ensure that such use with School property, or communications sent via the Internet with School property, are appropriate. The reasons for which the School may review employees' use of the Internet with School property include, but are not limited to: maintaining the system; preventing or investigating allegations of system abuse or misuse; assuring compliance with software copyright laws; complying with legal and regulatory requests for information; and ensuring that School operations continue appropriately during an employee's absence.

The School may store electronic communications for a period of time after the communication is created. From time to time, copies of communications may be deleted.

The School's policies prohibiting harassment, in their entirety, apply to the use of School's communication and computer systems. No one may use any communication or computer system in

a manner that may be construed by others as harassing or offensive based on race, national origin, sex, sexual orientation, age, disability, religious beliefs or any other characteristic protected by federal, state or local law.

Further, since the School's communication and computer systems are intended for business use, all employees, upon request, must inform management of any private access codes or passwords.

Unauthorized duplication of copyrighted computer software violates the law and is strictly prohibited.

No employee may access, or attempt to obtain access to, another employee's computer systems without appropriate authorization.

Violators of this policy may be subject to disciplinary action, up to and including discharge.

#### 5-4. Use of Social Media

Challenge Preparatory Charter School respects the right of any employee to maintain a blog or web page or to participate in a social networking, Twitter or similar site, including but not limited to Facebook and LinkedIn. However, to protect School interests and ensure employees focus on their job duties, employees must adhere to the following rules:

All rules regarding confidential and proprietary business information apply in full to blogs, web pages and social networking platforms, such as Twitter, Facebook, LinkedIn or similar sites. Any information that cannot be disclosed through a conversation, a note or an e-mail also cannot be disclosed in a blog, web page or social networking site.

Whether an employee is posting something on his or her own blog, web page, social networking, Twitter or similar site or on someone else's, if the employee mentions the School and also expresses either a political opinion or an opinion regarding the School's actions that could pose an actual or potential conflict of interest with the School, the poster must include a disclaimer. The poster should specifically state that the opinion expressed is his/her personal opinion and not the School's position. This is necessary to preserve the School's good will in the marketplace.

Any conduct that is impermissible under the law if expressed in any other form or forum is impermissible if expressed through a blog, web page, social networking, Twitter or similar site. For example, posted material that is discriminatory, obscene, defamatory, libelous or violent is forbidden. School policies apply equally to employee social media usage.

Challenge Preparatory Charter School encourages all employees to keep in mind the speed and manner in which information posted on a blog, web page, and/or social networking site is received and often misunderstood by readers. Employees must use their best judgment. Employees with any questions should review the guidelines above and/or consult with their manager. Failure to follow these guidelines may result in discipline, up to and including discharge.

#### 5-5. Personal and Company-Provided Portable Communication Devices

School-provided portable communication devices (PCDs), including cell phones and personal digital assistants, should be used primarily for business purposes. Employees have no reasonable expectation of privacy in regard to the use of such devices, and all use is subject to monitoring, to

the maximum extent permitted by applicable law. This includes as permitted the right to monitor personal communications as necessary.

Some employees may be authorized to use their own PCD for business purposes. These employees should work with the IT department to configure their PCD for business use. Communications sent via a personal PCD also may subject to monitoring if sent through the School's networks and the PCD must be provided for inspection and review upon request.

All conversations, text messages and e-mails must be professional. When sending a text message or using a PCD for business purposes, whether it is a School-provided or personal device, employees must comply with applicable School guidelines, including policies on sexual harassment, discrimination, conduct, confidentiality, equipment use and operation of vehicles. Using a School-issued PCD to send or receive personal text messages is prohibited at all times and personal use during working hours should be limited to emergency situations.

If an employee who uses a personal PCD for business resigns or is discharged, the employee will be required to submit the device to the IT department for resetting on or before his or her last day of work. At that time, the IT department will reset and remove all information from the device, including but not limited to, School information and personal data (such as contacts, e-mails and photographs). The IT department will make efforts to provide employees with the personal data in another form (e.g., on a disk) to the extent practicable; however, the employee may lose some or all personal data saved on the device.

Employees may not use their personal PCD for business unless they agree to submit the device to the IT department on or before their last day of work for resetting and removal of School information. This is the only way currently possible to ensure that all School information is removed from the device at the time of termination. The removal of School information is crucial to ensure compliance with the School's confidentiality and proprietary information policies and objectives.

Please note that whether employees use their personal PCD or a School-issued device, the School's electronic communications policies, including but not limited to, proper use of communications and computer systems, remain in effect.

#### **Portable Communication Device Use While Driving**

Employees who drive on School business must abide by all state or local laws prohibiting or limiting PCD (cell phone or personal digital assistant) use while driving. Further, even if usage is permitted, employees may choose to refrain from using any PCD while driving. "Use" includes, but is not limited to, talking or listening to another person or sending an electronic or text message via the PCD.

Regardless of the circumstances, including slow or stopped traffic, if any use is permitted while driving, employees should proceed to a safe location off the road and safely stop the vehicle before placing or accepting a call. If acceptance of a call is absolutely necessary while the employee is driving, and permitted by law, the employee must use a hands-free option and advise the caller that he/she is unable to speak at that time and will return the call shortly.

Under no circumstances should employees feel that they need to place themselves at risk to fulfill business needs.

Since this policy does not require any employee to use a cell phone while driving, employees who are charged with traffic violations resulting from the use of their PCDs while driving will be solely responsible for all liabilities that result from such actions.

Texting and e-mailing while driving is prohibited in all circumstances.

#### 5-6. Inspections

Challenge Preparatory Charter School reserves the right to require employees while on School property, or on client property, to agree to the inspection of their persons, personal possessions and property, personal vehicles parked on School or client property, and work areas. This includes lockers, vehicles, desks, cabinets, work stations, packages, handbags, briefcases and other personal possessions or places of concealment, as well as personal mail sent to the School or to its clients. Employees are expected to cooperate in the conduct of any search or inspection.

#### 5-7. Smoking

Smoking, including the use of e-cigarettes, is prohibited on School premises and in all School vehicles.

#### 5-8. Personal Visits and Telephone Calls

Disruptions during work time can lead to errors and delays. Therefore, we ask that personal telephone calls be kept to a minimum, and only be made or received after working time, or during lunch or break time.

For safety and security reasons, employees are prohibited from having personal guests visit or accompany them anywhere in our facilities other than the reception areas.

#### 5-9. Solicitation and Distribution

To avoid distractions, solicitation by an employee of another employee is prohibited while either employee is on work time. "Work time" is defined as the time an employee is engaged, or should be engaged, in performing his/her work tasks for Challenge Preparatory Charter School. Solicitation of any kind by non-employees on School premises is prohibited at all times.

Distribution of advertising material, handbills, printed or written literature of any kind in working areas of the School is prohibited at all times. Distribution of literature by non-employees on School premises is prohibited at all times.

#### 5-10. Bulletin Boards

Important notices and items of general interest are continually posted on our bulletin board. Employees should make it a practice to review it frequently. This will assist employees in keeping up with what is current at Challenge Preparatory Charter School. To avoid confusion, employees should not post or remove any material from the bulletin board.

#### 5-11. Confidential Company Information

During the course of work, an employee may become aware of confidential information about Challenge Preparatory Charter School's business, including but not limited to information regarding School finances, pricing, products and new product development, software and computer programs, marketing strategies, suppliers and customers and potential customers. An employee also may become aware of similar confidential information belonging to the School's clients. It is extremely important that all such information remain confidential, and particularly not be disclosed to our competitors. Any employee who improperly copies, removes (whether physically or electronically), uses or discloses confidential information to anyone outside of the School may be subject to disciplinary action up to and including termination. Employees may be required to sign an agreement reiterating these obligations.

#### 5-12. Conflict of Interest and Business Ethics

It is Challenge Preparatory Charter School's policy that all employees avoid any conflict between their personal interests and those of the School. The purpose of this policy is to ensure that the School's honesty and integrity, and therefore its reputation, are not compromised. The fundamental principle guiding this policy is that no employee should have, or appear to have, personal interests or relationships that actually or potentially conflict with the best interests of the School.

It is not possible to give an exhaustive list of situations that might involve violations of this policy. However, the situations that would constitute a conflict in most cases include but are not limited to:

- holding an interest in or accepting free or discounted goods from any organization that does, or is seeking to do, business with the School, by any employee who is in a position to directly or indirectly influence either the School's decision to do business, or the terms upon which business would be done with such organization;
- holding any interest in an organization that competes with the School;
- being employed by (including as a consultant) or serving on the board of any organization which does, or is seeking to do, business with the School or which competes with the School; and/or
- profiting personally, e.g., through commissions, loans, expense reimbursements or other payments, from any organization seeking to do business with the School.

A conflict of interest would also exist when a member of an employee's immediate family is involved in situations such as those above.

This policy is not intended to prohibit the acceptance of modest courtesies, openly given and accepted as part of the usual business amenities, for example, occasional business-related meals or promotional items of nominal or minor value.

It is your responsibility to report any actual or potential conflict that may exist between you (and your immediate family) and the School.

#### 5-13. Use of Facilities, Equipment and Property, Including Intellectual Property

Equipment essential in accomplishing job duties is often expensive and may be difficult to replace. When using property, employees are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards and guidelines.

Employees should notify their Supervisor if any equipment, machines, or tools appear to be damaged, defective, or in need of repair. Prompt reporting of loss, damages, defects, and the need for repairs could prevent deterioration of equipment and possible injury to employees or others. The Supervisor can answer any questions about an employee's responsibility for maintenance and care of equipment used on the job.

Employees also are prohibited from any unauthorized use of the School's intellectual property, such as audio and video tapes, print materials and software.

Improper, careless, negligent, destructive, or unsafe use or operation of equipment can result in discipline, up to and including discharge.

Further, the School is not responsible for any damage to employees' personal belongings unless the employee's Supervisor provided advance approval for the employee to bring the personal property to work.

#### 5-14. Health and Safety

The health and safety of employees and others on School property are of critical concern to Challenge Preparatory Charter School. The School intends to comply with all health and safety laws applicable to our business. To this end, we must rely upon employees to ensure that work areas are kept safe and free of hazardous conditions. Employees are required to be conscientious about workplace safety, including proper operating methods, and recognize dangerous conditions or hazards. Any unsafe conditions or potential hazards should be reported to management immediately, even if the problem appears to be corrected. Any suspicion of a concealed danger present on the School's premises, or in a product, facility, piece of equipment, process or business practice for which the School is responsible should be brought to the attention of management immediately.

Periodically, the School may issue rules and guidelines governing workplace safety and health. The School may also issue rules and guidelines regarding the handling and disposal of hazardous substances and waste. All employees should familiarize themselves with these rules and guidelines, as strict compliance will be expected.

Any workplace injury, accident, or illness must be reported to the employee's Supervisor as soon as possible, regardless of the severity of the injury or accident.

#### 5-15. Hiring Relatives/Employee Relationships

A familial relationship among employees can create an actual or at least a potential conflict of interest in the employment setting, especially where one relative supervises another relative. To avoid this problem, Challenge Preparatory Charter School may refuse to hire or place a relative in a position where the potential for favoritism or conflict exists.

In other cases, such as personal relationships where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or discharged from employment, at the discretion of the School. Accordingly, all parties to any type of intimate personal relationship must inform management.

If two employees marry, become related, or enter into an intimate relationship, they may not remain in a reporting relationship or in positions where one individual may affect the compensation or other terms or conditions of employment of the other individual. The School generally will attempt to identify other available positions, but if no alternate position is available, the School retains the right to decide which employee will remain with the School.

For the purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

#### 5-16. Employee Dress and Personal Appearance

You are expected to report to work well groomed, clean, and dressed according to the requirements of your position. Some employees may be required to wear uniforms or safety equipment/clothing. Please contact your Supervisor for specific information regarding acceptable attire for your position. If you report to work dressed or groomed inappropriately, you may be prevented from working until you return to work well groomed and wearing the proper attire.

#### 5-17. Publicity/Statements to the Media

All media inquiries regarding the position of the School as to any issues must be referred to CEO. Only CEO is authorized to make or approve public statements on behalf of the School. No employees, unless specifically designated by CEO, are authorized to make those statements on behalf of School. Any employee wishing to write and/or publish an article, paper, or other publication on behalf of the School must first obtain approval from CEO.

#### 5-18. Operation of Vehicles

All employees authorized to drive School-owned or leased vehicles or personal vehicles in conducting School business must possess a current, valid driver's license and an acceptable driving record. Any change in license status or driving record must be reported to management immediately.

An employee must have a valid driver's license in his or her possession while operating a vehicle off or on School property. It is the responsibility of every employee to drive safely and obey all traffic,

vehicle safety, and parking laws or regulations. Drivers must demonstrate safe driving habits at all times.

School-owned or leased vehicles may be used only as authorized by management.

#### Portable Communication Device Use While Driving

Employees who drive on School business must abide by all state or local laws prohibiting or limiting portable communication device (PCD) use, including cell phones or personal digital assistants, while driving. Further, even if use is permitted, employees may choose to refrain from using any PCD while driving. "Use" includes, but is not limited to, talking or listening to another person or sending an electronic or text message via the PCD.

Regardless of the circumstances, including slow or stopped traffic, if any use is permitted while driving, employees should proceed to a safe location off the road and safely stop the vehicle before placing or accepting a call. If acceptance of a call is absolutely necessary while the employee is driving, and permitted by law, the employee must use a hands-free option and advise the caller that he/she is unable to speak at that time and will return the call shortly.

Under no circumstances should employees feel that they need to place themselves at risk to fulfill business needs.

Since this policy does not require any employee to use a PCD while driving, employees who are charged with traffic violations resulting from the use of their PCDs while driving will be solely responsible for all liabilities that result from such actions.

Texting and e-mailing while driving is prohibited in all circumstances.

#### 5-19. Business Expense Reimbursement

Employees will be reimbursed for reasonable approved expenses incurred in the course of business. These expenses must be approved by the employee's Supervisor, and may include air travel, hotels, motels, meals, cab fare, rental vehicles, or gas and car mileage for personal vehicles. All expenses incurred should be submitted to the Director of Finance along with the receipts in a timely manner.

Employees are expected to exercise restraint and good judgment when incurring expenses. Employees should contact their Supervisor in advance if they have any questions about whether an expense will be reimbursed.

#### 5-20. References

Challenge Preparatory Charter School will respond to reference requests through the Human Resources Department. The School will provide general information concerning the employee such as date of hire, date of discharge, and positions held. Requests for reference information must be in writing, and responses will be in writing. Please refer all requests for references to the Human Resources Department.

Only the Human Resources Department may provide references.

#### 5-21. If You Must Leave Us

Should an employee decide to leave the School, we ask that he or she provide a Supervisor with at least two (2) weeks advance notice of departure. Thoughtfulness will be appreciated. All School, property including, but not limited to, keys, security cards, parking passes, laptop computers, fax machines, uniforms, etc., must be returned at separation. Employees also must return all of the School's Confidential Information upon separation. To the extent permitted by law, employees will be required to repay the School, (through payroll deduction, if lawful) for any lost or damaged School, property. As noted previously, all employees are employed at-will and nothing in this handbook changes that status.

#### 5-22. Exit Interviews

Employees who resign are requested to participate in an exit interview with Human Resources, if possible.

The purpose of this policy is not to regulate personal morality within the Company. It is to ensure that at the Company all employees are free from sexual harassment. While it is not easy to define precisely what types of conduct could constitute sexual harassment and there is a wide range of behavior that may violate this policy even if such behavior does not violate the law, examples of prohibited behavior include unwelcome sexual advances, requests for sexual favors, obscene gestures, displaying sexually graphic magazines, calendars or posters, sending sexually explicit e-mails, text messages and other verbal or physical conduct of a sexual nature, such as uninvited touching of a sexual nature or sexually related comments. Depending upon the circumstances, improper conduct also can include sexual joking, vulgar or offensive conversation or jokes, commenting about an employee's physical appearance, conversation about your own or someone else's sex life, or teasing or other conduct directed toward a person because of his or her gender which is sufficiently severe or pervasive to create an unprofessional and hostile working environment.

If you feel that you have been subjected to conduct which violates this policy, you should immediately report the matter to your Supervisor. If you are unable for any reason to contact this person, or if you have not received a satisfactory response within five (5) business days after reporting any incident of what you perceive to be harassment, please contact the next level Manager. Employees may also contact the ADP MyLife Advisors at (844) 448-0325 if they are uncomfortable for any reason using the above procedure. Every report of perceived harassment will be fully investigated and corrective action will be taken where appropriate. In addition, the Company will not allow any form of retaliation against individuals who report unwelcome conduct to management or who cooperate in the investigations of such reports in accordance with this policy. If you feel you have been subjected to any such retaliation, report it in the same manner you would report a claim of perceived harassment under this policy. Violation of this policy including any improper retaliatory conduct will result in disciplinary action, up to and including discharge. All employees must cooperate with all investigations.

The Board of Trustees establishes a Finance Committee annually at the Annual meeting of the Board. This committee is responsible for selecting an audit firm on an annual basis, reviewing the Financial Policies and Procedures manual on an annual basis, and working with the school's finance team to review the monthly financial statements.

#### Fiscal Year

The fiscal year of CCS is from July 1st to June 30th.

# INTERNAL CONTROL STRUCTURE

# **Background**

This manual establishes and describes the fiscal policies and procedures of CCS that have been established to achieve CCS's objectives. The control structure represents policies and procedures that affect CCS's ability to process, record, summarize and report financial information. This structure is established and maintained to reduce the potential unauthorized use of CCS's assets or misstatement of account balances. The contents of this chapter will demonstrate the internal controls that will be implemented to provide reasonable assurance regarding the achievement of objectives in the following categories; (1) Effectiveness and efficiency of operations; (2) Reliability of financial reporting; and (3) Compliance with applicable laws and regulations

The following four essential elements make up the internal control structure.

#### 1. Internal Control Environment

By implementing internal controls CCS establishes the importance of enforcing and maintaining accountability, transparency and accuracy in their day-to-day financial transactions. Factors that impact the internal control environment can include management and Board philosophy;

organizational structure; ways of assigning authority and responsibility; methods of management and control; personnel policies and practices; and external influences such as significant donor expectations.

#### 2. Accounting System

CCS has implemented an accounting system consisting of processes and documentation used to identify, compile, classify, record and report accounting transactions. These processes were established to: (1) identify and record all of the organization's fiscal transactions; (2) describe the transactions adequately in order to allow proper classification for financial reporting, and (3) specify the time period in which transactions occurred in order to record them in the proper accounting period.

#### 3. Internal Control Procedures

CCS has adopted a number of internal financial controls. These procedures are set up to strengthen CCS's internal control structure in order to safeguard the organization's assets. The internal financial controls consist of the following:

**Segregation of Duties:** A hierarchical structure of authority and responsibility has been developed at CCS. Tasks are divided and allocated to guard against one individual having the ability to make an accounting error (either knowingly or unknowingly). This protects the school from any potential fraud or misappropriation of funds. In situations where there are an insufficient number of employees to achieve this because of budget constraints, a compensating control has been created at the school.

**Restricted Access:** Physical access to valuable and moveable assets is restricted to authorized personnel.

**Document Control**: In order to ensure that all documents are captured by the accounting system, all documents must be initialed and dated when recorded and then filed appropriately.

**Records Retention:** Records will be maintained for the periods sufficient to satisfy IRS regulations, federal grant requirements, OMB A133 audit requirements, if applicable, and other legal needs as may be determined. Record retention requirements are reviewed annually with legal counsel and independent auditors to determine any necessary changes.

**Processing Controls**: These are designed to identify any errors before they are posted to the

general ledger. Common processing controls are the following: (1) Source document matching; (2) Clerical accuracy of documents; and (3) General ledger account code checking.

**Reconciliation Controls**: These are designed to identify any errors *after* transactions have been posted and the general ledger has been run. The process involves reconciling selected general ledger control accounts to subsidiary ledgers. Reconciliation is completed by the Financial Consultant and approved by the CEO.

Annual Independent Audit: CCS's financial statements are audited annually by an independent audit firm selected by the Board of Trustees on the recommendation of the Finance Committee.

**Security of Financial Data**: The school's accounting software is accessible only to the CEO, Director of Finance, Staff Accountant, and Financial Consultants. Individual usernames and passwords will be issued for every user and their access will be limited according to their functionality and role within the school. All other hard copies of financial data, when not in use, will be secured in a designated area at the school.

**Risk Assessment**: This is designed to identify, analyze, and manage risk relevant to the preparation of accurate financial statements. It includes mitigating risks involving internal and/or external factors that might adversely affect the school's ability to properly record, process, summarize and report financial data.

# 4. Accounting Cycle

The accounting cycle is designed to accurately process, record, summarize, and report transactions of CCS. CCS will maintain their accounting records and related financial reports on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when obligations are incurred (goods transferred or services rendered).

The component bookkeeping cycles fall into one of five primary functions:

# 1. Revenue, Accounts Receivable and Cash Receipts

Key tasks in this area include:

- Processing cash receipts
- Making deposits
- Recording cash receipts in the general ledger and subsidiary records

- Performing month-end reconciliation procedures
- Processing general ledger integration for private donations/revenue
- Processing wire transfers into school accounts

#### 2. Purchases, Accounts Payable and Cash Disbursements

Key tasks in this area include:

- Authorizing the procurement of goods and/or services
- Processing purchases (credit/debit cards, check, reimbursement)
- Processing invoices
- Issuing checks
- Recording checks in the general ledger and in cash disbursement journals
- Performing month-end reconciliation procedures
- Year-end reporting: Preparing 1099 forms
- Processing wire transfers out of school accounts

#### 3. Payroll

ADP TotalSource, an outside service provider, will perform the payroll process. Their responsibilities include calculating appropriate amounts for employee and employer deductions related to taxes remitted to the Federal, State and City government agencies and voluntary and/or statutory deductions that may or may not require remittance to retirement plan trustees and garnishees, etc.

Key tasks in this area include:

- Obtaining and gathering payroll information
- Submitting information to ADP for processing
- Preparing payroll checks and depositing payroll taxes
- Performing quarterly and year end reconciliations
- Preparing quarterly payroll tax returns
- Preparing W-2s, 1095s, and other annual payroll tax returns

# 4. General Ledger and Financial Statements

Key tasks in this area include:

- Preparing monthly journal entries
- Reconciling bank accounts and other general ledger accounts
- Reviewing general ledger activity and posting adjusted journal entries
- Producing the financial statements
- Producing the annual budget

The general ledger process consists of posting the period's transactions to QuickBooks (the accounting software), which produces the financial statements. The CSBM Financial Consultants will reconcile the bank accounts, review the general ledger, prepare for the annual audit in conjunction with the CCS team, and prepare monthly financial statements which will be presented to the Board's Finance Committee. The statements to be included are discussed in detail in Section 5 below.

# 5. Budgets and Financial Reporting

The CEO, CSBM Financial Consultants, and the Director of Finance are responsible for creating and updating 5-year budget projections for the school as well as the school's annual operating budget of income and expenses. The operating budget is reviewed and approved annually, first by the CEO, then by the Finance Committee and finally by the school's Board of Trustees and modified as necessary, with approval by the last day of the closing fiscal year. The 5-year projection is completed, reviewed and approved upon request.

The budgets are created and updated per program annually based on actual expenditures and programmatic changes that occur during the fiscal year. Creation of the annual operating budget is an interactive process led by the CEO and Director of Finance with input from the CSBM Senior Financial Consultant. This input is necessary to ensure enrollment is accurately represented per the charter agreement, and to make certain the staff can properly support the proposed number of enrolled students. Critical school program expenses should be represented in the budget to ensure reality is properly reflected. Historical information is used when available and applicable. The iterative process is repeated until the overall budget fairly represents the educational programs, revenues and expenses for the operating budget.

Once complete, the CEO and the Director of Finance presents the overall budget to the Finance Committee for review. The Committee will review and present the budget to the entire Board for approval. The budget must be approved and passed by June 30<sup>th</sup> before the start of the new fiscal year. Once approved, the implementation of, and accountability for, the budget is the responsibility of the CEO, and the Director of Finance.

After approval, the Director Finance uploads the budget into the accounting system. This budget is then used to run several monthly budget analysis reports. The following budget analysis reports are compiled by CSBM and submitted to the Director of Finance for the Board by the third Friday of each month; 1) Budget vs. Actual

Report and, 2) Budget vs. Forecast Report on a monthly basis. Budget vs. Actual variances of \$5,000.00 or more are described in the notes section of the report. The Director of Finance is responsible for making sure that significant differences are thoroughly researched and ultimately identified as either permanent or temporary. In the event that the variance significantly impacts the budget; the Director of Finance will ensure that a contingency budget is prepared. From a day-to-day operational standpoint, the CEO and Director of Finance may work with the Treasurer or the Chairperson of the Board of Trustees to resolve questions or issues related to the budget.

Financial Reporting One week before each Board meeting, the following will be sent to the Finance Committee for review: (1) the budget vs. actual report for the operating budget; (2) the budget vs. forecast report for the operating budget; (3) the budget vs. actual report for the capital budget; (4) the budget vs. forecast report for the capital budget (5) balance sheet; (6) federal grant reports, as needed. The CEO and Director of Finance present these reports to the entire Board at each meeting. The Director of Finance, under the guidance of the CEO, will also interface with the Finance Committee of the Board. The Finance Committee may also request cash flow projections through the end of the fiscal year to identify the months that cash flow may run negative.

At the end of the year, the following key financial statements are produced:

- 1. Balance Sheet
- 2 Income Statement
- 3. Statement of Cash Flow
- 4. Statement of Functional Expenses

# PROCESSING CASH RECEIPTS AND REVENUE

# **Background**

CCS receives revenues from the following primary sources:

- Federal, State and City Government
- Corporations
- Foundations
- Individuals
- Fundraising

If total federal expenditures for the fiscal year should exceed \$750,000 (or current federal guidelines), an additional audit under the guidance of OMB Circular A-1331 will be also conducted by the independent audit firm.

# **Processing and Recording Cash Receipts**

The Staff Accountant is responsible for recording cash receipts, EFT's and for generating checks in the accounting system and assigning them to the correct GL accounts. The Director of Finance will audit and review all transactions for accuracy and proper supporting documentation.

The Office Manager/Operations Manager/s sorts and delivers all the mail. Any mail addressed to a specific staff member is transferred, unopened, to the addressee. Any mail addressed generally to the school that is not a vendor statement, city/ state/federal agency, a credit/debit card statement or bank statement will be opened by the Operations Manager/s and reviewed in order to transfer it to the appropriate staff member or office. Magazines and catalogs addressed generally to the school should be transferred to the appropriate individual.

Once electronic bank statements are available, they are forwarded to the C S B M Finance Consultants for reconciling. Once the statement is reconciled, the reconciliation and the statement will be left for the CEO to review and sign it.

Mail that appears to contain a check should be left unopened and stamped as received and dated by the Operations Manager/s. The envelope should then be transferred immediately to the Director of Finance/Staff Accountant or held in a locked, secure location. Once opened by the Director of Finance/Staff Accountant, all checks must be stamped immediately in the designated endorsement area with "For Deposit Only", the appropriate bank account number and the name of the school. The Director of Finance/Staff Accountant will make a copy of the check, count any cash received and record it in the accounting system. Photocopies of all checks and correspondence will be made and the consultant will make the deposit the same day. If a deposit cannot be made, the checks and/or cash will be locked in the safe and deposited as soon as possible.

If the money received is not yet earned, it will be applied against the deferred revenues/unearned income general ledger account.

The Staff Accountant produces a Cash Receipts Journal to show the transaction as posted in the

accounting system. This is scanned with the copy of the check, copy of deposit slip, deposit receipt with bank-endorsed proof of deposit, and any correspondence that arrived with the check. Together, these documents comprise the Cash Receipts Packet for the respective transaction. All cash receipts and authorized transfers between accounts will be maintained in each fiscal year's Cash Receipts and Transfers electronic folder.

**Processing and Recording Revenue** Typically, grants received will be accompanied by specific agreements that explicitly or implicitly restrict their use and which impose unique reporting requirements – financial as well as performance. CCS's accounting and documentation system must be such that it is capable of meeting the individual requirements imposed by such grant agreements. Job codes and/or class codes will be attached to applicable expenses and assets so that associated grant revenues may be earned on an accrual basis. Inasmuch as the quality of grant agreements impacts its financial strength, CCS is committed to absolute adherence to this requirement in its reporting system. See OMNI Addendum for additional policies related to Federal funding.

**Processing Wire Transfers into School Accounts** Government contracts which execute payments via wire transfer remit a wire transfer advice indicating the date and amount of the funds to be deposited in CCS's account. This wire transfer advice is processed in the same fashion as a deposit to the bank. All relevant documentation (wire transfer advice, wire transfer confirmation, etc.) should be retained and filed in the Cash Receipts and Transfers electronic folder under the proper bank account, in date order.

*Processing and Recording Transfers within School Accounts* In order to maximize interest income, cash will be maintained in the savings account and transferred to the operating account for vendor payment and or payroll account for employee compensation. Transfers between CCS bank accounts shall be made only when properly authorized. The CEO approves the bank transfers. The Director of Finance processes bank transfers under \$500,000.00. Transfers above \$500,000.00 will be submitted to the CEO and the Board Treasurer for approval. In the event the CEO or Treasurer of the Board is not available for a signature, the Chairperson of The Board of Trustees will be able to approve transfers in place of one of those individuals.

Additionally, in the event that one of these individuals is not available for an in-person signature, the signatory may send an email stating his or her name and granting permission to execute the transfer, with the promise to sign the Transfer Authorization form in person at the first opportunity. The transfer may then be executed. As soon as the signatory is back on site, the original Transfer Authorization form will be signed in person and attached to the email granting permission. Any and all such correspondence must be retained and filed with the corresponding

transfer documents.

Once the transfer is authorized by the proper individual(s) and executed, the Transfer Authorization form and Transfer Confirmation Statements will be filed in the Cash Receipts and Transfers electronic folder in date order, under the bank account receiving funds by the Staff Accountant.

#### Revenue Recognition for Grants

In instances where grant funds are received in advance of CCS expending money applicable to the grant, the grant funds are recorded in the accounting system as deferred revenue or a liability until the applicable expenses have been incurred. If the grant funds are received after the school has already expended money on goods or services that are covered under the grant, the grant funds can be recorded as revenue at the time of receipt. If the school has expended part of the grant before receiving the actual funds, the only funds that may be recorded as revenues are those that have already been spent. A corresponding receivable must also be booked to reflect the grant funds owed the school for the corresponding amount of funds expended. Any remaining grant money must be recorded as deferred revenue or a liability until the time the funds are actually expended by the school.

#### Pledges or Grants Receivable

When revenues are earned yet the cash has not been received for all or a portion of the grant/pledge, a receivable is recorded in the accounting system. When CCS receives an unconditional pledge, it will be acknowledged in a contribution /acknowledgement letter drafted by the Director of Finance, signed by the CEO, and sent to the donor. The CSBM Finance Consultants will enter the amount of the pledge into the general ledger, discounting to their present value any pledges that go beyond a year. The school will only recognize the pledge as revenue when an unconditional promise is made in writing. The CEO, Director of Finance and CSBM Financial Consultants will evaluate all pledges quarterly to verify that each item is still collectible and has been recorded properly in the accounting system.

#### Revenue Recognition for Per-Pupil Funding

Per-pupil funding is received by CCS on a bi-monthly basis, but recognized as revenues on a monthly basis.

#### Government Cost-Reimbursement Contracts

When an expense is incurred that is eligible for reimbursement through a government contract, the CSBM Finance Consultant, with input from the Director of Finance, attaches the

appropriate Job/Class Code to the expense. The CSBM Financial Consultant compiles a monthly report of expenses with Job/Class Codes so that revenue can be recognized accordingly in that month.

#### **Donated Goods and Services**

Donated goods and services can include office space, professional services such as outside counsel's legal advice, food, clothing, furniture and equipment, or bargain purchases of materials at prices less than market value. In addition, volunteers can provide free services, including administrative services, participation in fundraising events, and program services that are not accounted for. The Director of Finance records donated services at fair value or avoided cost, as determined by the donor and documented in writing. General Ledger entries are recorded to recognize the in-kind revenues and in-kind expenses by the Staff Accountant and reviewed by the CSBM Financial Consultants.

**Donated Materials and Supplies** Donated materials are recorded as contributions to inventory or expenses in the period received and are recorded at their fair market value at the date of receipt. If materials are donated for a specific use, they are considered to be temporarily restricted contributions. The Director of Finance records donated materials and supplies at fair value or avoided cost, as determined by the donor and documented in writing. General Ledger entries are recorded to recognize the in-kind revenues and in-kind expenses by the Staff Accountant and reviewed by the CSBM Financial Consultants.

**Donated Property and Equipment** Property donations received without donor-imposed stipulations are recorded as unrestricted contributions, as determined by the donor and documented in writing. General Ledger entries are recorded to recognize the in-kind revenues and in-kind expenses by the Staff Accountant and reviewed by the CSBM Financial Consultants.

**Donated Stocks** In the event that the school receives donated stocks from a donor, the CSBM Financial Consultant records the value of these stocks in the accounting system at the time of receipt. General Ledger entries are recorded to recognize transactions related to the donation of stocks. At the end of each quarter the Director of Finance will attain the current market value (CMV) of the stocks and advise the CSBM Financial Consultants who will book an entry to record the unrealized loss or gain of the stock. This entry will be reviewed monthly by the CSBM Financial Consultants.

*Contributions Acknowledgment Letter* When a school receives a donation a contribution /acknowledgement letter stating the value of the donation is drafted by the Director of

Finance, signed by the CEO and sent to the donor. A copy of this letter is attached to the check once received and filed in the Cash Receipts or Transfers electronic folder under the proper bank account, in date order.

**Accounts Receivable Aging** Accounts receivables outstanding are aged on a thirty, sixty, ninety, and over-ninety day basis. The Director of Finance should review the accounts receivable aging monthly, determine which invoices are collectible, and follow the necessary requirements based on the type of funding, in order to collect. For accounts receivable deemed uncollectible, the Director of Finance will confirm that the CEO is in agreement, then credit and debit the appropriate revenue and accounts receivable general ledger codes.

#### PROCESSING PURCHASES AND ACCOUNTS PAYABLE

**Background** CCS procures only those items and services that are required to fulfill the mission and/or fill a bona fide need. Procurements are made using best value contracting, which entails assessing the best value considering quality, performance and price. This is achieved by the Director of Finance, who has the annual responsibility of reviewing the newly approved budget to uncover trends of orders and opportunities for clustering orders to achieve volume discounts.

*Required Signatures* The CEO, Director of Finance, and/or Director of Operations approves all purchase requests.

CCS adheres to the following objectives:

- 1. Procurements will be completely impartial based strictly on the merits of supplier and contractor proposals and applicable related considerations such as delivery, quantity, quality, etc.
- 2. The school will make all purchases in the best interests of the school and its funding sources and in accordance with any grant restrictions as applicable.
- 3. The school will obtain quality supplies/services needed for delivery at the time and place required.
- 4. The school will buy from reliable sources of supply.
- 5. The school will obtain maximum value for all expenditures.
- 6. The school will deal fairly and impartially with all vendors.
- 7. The School will not contract with vendors who have been suspended or debarred. 8. The school will be above suspicion of unethical behavior at all times; avoid any conflict of interest, related parties or even the appearance of a conflict of interest in CCS supplier

relationships. The school's conflict of interest policies are described in its bylaws.

In all purchasing situations, CCS utilizes the following procurement guidelines:

- If the vendor has a contract with New York City and/or New York State then they are called "preferred vendors" and no bidding is required.
- If the vendor's price is lower than the New York City and/or New York State approved vendor pricing for comparable products/services then no bidding is required. If the vendor is providing a unique service or product that is not offered by other vendors then they are called "sole vendors" and no bidding is required. However, it does require a letter describing the unique service.
- If the vendor is not a "preferred vendor" or a "sole vendor" then a competitive bidding procedure is put into effect. This only applies to purchase orders with a total exceeding \$20,000.00. A description of the competitive bidding procedure follows.
- Proposals for Financial, Audit, Academic and Specialized Management services will be invited periodically.

#### Competitive Bidding Procedure

- *Contracts and/or purchases under \$20,000.00* The school uses sound business practices when procuring goods and services for amounts less than \$20,000.00.
- Contracts and/or purchases greater \$20,000.00 The school seeks price quotes from at least three vendors and awards the contract to the qualified vendor offering the supply or service needed for the lowest price. Challenge Charter Schools uses a Request for Proposals (RFP) to solicit proposals for specific services. CPCS may hold more than one round seeking proposals for each RFP. The selected proposal is based on a number of criteria, including the amount of qualified proposals submitted. CPCS aims to have at least 3 proposals submitted and commits to providing ample opportunity for such a request. However, in the event less than 3 proposals are submitted, CPCS chooses amongst the number of qualified proposals submitted. The Director of Operations is responsible for soliciting and documenting these quotes and the CEO must provide final approval. Awards may be made to a vendor other than the low bidder in circumstances where the higher bid demonstrates best value contracting procedures to the school. In such situations, the Director of Operations shall prepare a justification statement for such awards, furnishing a brief explanation of the factors leading to such a decision. The CEO must approve the final bid.

**Purchases Funded with Federal Awards** Competitive quotes are required for goods and services over \$3,000 (up to schools bidding requirements stated above.)

#### Approval

Approval to fulfill a purchase order is garnered by first submitting a request via the purchase order system - Procurify.

A Purchase Request can be solicited and submitted by any qualified CCS employee who has access to the purchase order system. Requests are forwarded to the CEO, Director of Finance, and/or the Director of Operations for review and approval. All Purchase Requests require two approvals, one of which must be the CEO. In the event that any one of the previously mentioned authorized approvers are not available, the Chairperson of the Board of Trustees will be able to approve the purchase request in place of one of those individuals. The approved Purchase Request is reviewed and transferred to the Director of Operations/Operations Manager/Coordinator to complete procurement as detailed below.

# **Issuance and Monitoring of Purchase Orders**

The Director of Finance works closely with the CSBM Financial Consultants to ensure that all necessary instructional and administrative purchases are made in a timely and cost-effective manner and, when applicable, in accordance with grant restrictions. It is imperative that for all products and non-recurring services a Purchase Request be submitted and approved as outlined above. The approved Purchase Request is submitted to the Director of Operations/Operations Manager/Coordinator for processing. He/she is responsible for ensuring adherence to the school's procurement guidelines and determining whether the order exceeds the thresholds requiring competitive bidding. All purchasing thresholds apply to the entire order, not single items. The Director of Operations is responsible for conducting all competitive bidding procedures, when required. In these cases, all documentation of applicable bids and/or quotes obtained will be retained and filed in the Competitive Bidding electronic folder, organized by the check number that ultimately paid for the item(s) in the order.

After approval of the purchase request, the information is then submitted to the Operations Manager/Coordinator to create a Purchase Order (PO) which is sent to the vendor, accompanied by any required documentation.

# **Receipt of Goods**

All goods purchased by the school are delivered directly to the school. It is the responsibility of the Operations Manager/Coordinator. The Operations Manager/Coordinator is responsible for opening the box(es) and obtaining the packing slip(s). The packing slip will be reviewed for accuracy, stamped as received, signed and uploaded to the purchase request system. The Operations Manager/Coordinator will check the packing slip against the original PO. In instances where there is no packing slip, a Receipt Acknowledgement Form is to be filled out. If everything is correct and the contents of the entire purchase were received and documented on the packing slip, the packing slip will be uploaded into the system.

If everything is not correct with the order, the Director of Operations will contact the vendor for a return/credit to the account. When discrepancies occur, they are investigated and resolved by the Director of Operations.

#### **Exemption from Sales Tax**

CCS is exempt from state and federal tax. As such, the school is exempt from sales taxes on goods purchased for their own internal use and services. It is the responsibility of the Director of Operations to ensure that all vendors have a copy of the sales tax exemption letter allowing the organization to be exempt from sales taxes. In the event that sales tax was charged, it is the duty of the Director of Operations to pursue a full refund.

# **Reimbursable Expenses**

In situations where an emergency purchase is required in short order and the total of the purchase is under \$50.00, staff may make the purchase with their own funds and apply for reimbursement (if approval is given prior to purchase). Reimbursable expenses will require pre-approval by the CEO or Director of Finance via the Expense Reimbursement form. Expenses that have not been pre-approved will not be reimbursed. In the event that the Director of Operations requires reimbursement, the CEO must approve his/her expenses. It is the employee's responsibility to seek approval prior to incurring costs.

Receipts are required for all expenditures requiring reimbursement. Once expenses have been

incurred, requests for reimbursement should be made within 30 days of expense via an Expense Reimbursement form. All receipts should be legible and itemized. These documents are submitted to the employees supervisor for review and approval. Upon approval, they are forwarded to the Director of Finance for processing. Reimbursements are processed via payroll.

Employees should note that the school is tax exempt and therefore does not reimburse employees for tax. A copy of the Tax Exempt Certificate may be obtained from the Finance department.

# **Travel Expenses**

Travel arrangements will be purchased using the school debit card. In situations where expenses are incurred during the course of business travel, staff may apply for expense reimbursement. Expectations for daily expenses or per diem allowances will be determined prior to the employee

trip. Employees should file for reimbursement in the manner described in the above section. Receipts are required for all expenditures requiring reimbursement, and requests for reimbursement must be made within 30 days of expense. The reimbursement request must be pre-approved by the Director of Finance. In the event that a Principal requires travel reimbursement, the CEO, Treasurer or Chair of the Board must approve his/her expenses.

# Mileage Reimbursement

All employees are reimbursed at the standard mileage rate per mile as determined by the Internal Revenue Service for use of their own vehicle for business-related travel. Parking fees and tolls paid are reimbursable if supported by receipts.

All employees requesting such mileage reimbursement are required to furnish a Travel Report containing the destination of each trip, its purpose and the miles driven, parking fees and tolls. All corresponding receipts must be legible and submitted. The documentation must be submitted to the Director of Finance for approval within 30 days of the travel date in order for the employee to receive reimbursement.

#### **Debit Cards**

CCS holds 3 debit cards in the names of the CEO, Director of Finance, and the Director of Operations. The Debit card may be used for expenditures as outlined in prior pages of this policy manual. In addition all approval and budgetary restrictions shall apply.

The debit card as a payment option still requires a purchase request with approvals. Once the process is complete, the appropriate cardholder may execute the purchase, making sure to retain all receipts.

Debit Card purchases made by the CEO will be approved by the Board Treasurer or Chairperson.

The approved Debit Card Purchase Requests and receipt(s) are submitted to the Director of Finance for processing. This includes the coding of each expense for the month, so that each can be properly recorded. The charges are entered in QuickBooks by the Staff Accountant.

#### PROCESSING CASH DISBURSEMENTS

#### **Processing Invoices**

All invoices are mailed or emailed to CCS directly. The Staff Accountant is responsible for assigning the proper accounting codes per the Chart of Accounts. He/she is responsible for collecting accounts payable documentation required for processing invoices. The Operations Manager/Coordinator will assist in ensuring the PO, payment details, and packing slip are all consistent with the invoice

If an invoice is received prior to receipt of goods, the Staff Account will hold until the above documentation is ready.

Once the goods have been received (or in the case that the shipment had already been received at the time of invoice arrival), the Operations Manager/Coordinator submits the invoice with the corresponding documentation to the Finance Department. A complete Cash Disbursement packet includes an invoice/packing slip/purchase order.

Invoices shall be processed weekly by the Staff Accountant. He/she establishes the vendor file in the accounting system and reviews the invoice for any purchase discount dates and properly captures the discount period in the system. The Staff Accountant posts invoices to the accounting system with the correct general ledger codes and then has the Director of Finance review the bills to be paid.

# **Cutting Checks**

Blank checks are maintained in a safe, in a secure location. All checks are prenumbered, voucher style, containing one stub for the vendor (attached to all outgoing checks) and one to be scanned with all supporting disbursement documents.

Checks are run on a weekly basis or as needed by the Staff Accountant and vendors are paid based on terms of the invoices, as recorded within the system. Check preparation and signatures are prepared not later than the due date, consistent with available discounts if available. The Director of Finance, Director of Operations and the CEO are signatories on the checking account. All checks require dual signatures, one of which must be the CEO.

The Staff Accountant processes payment for the invoice and creates a check. The check is submitted to the required signatories (see above) for signature(s), along with the corresponding Cash Disbursement packet (invoice/packing slip/ purchase order). At the time the check is signed, any required signatories should review the supporting documentation to ensure they are signing a check for the correct amount and to the correct payee. Signed checks are scanned and kept in an electronic folder for audit purposes by check number order. The Staff Accountant mails the check to the vendor awaiting payment. Electronic fund transfers may also be used, where the same authorizations as checks will be obtained using an Electronic Payment Authorization form. See below for details.

In no event shall an authorized signatory approve an invoice, execute a check, or authorize a disbursement of any kind, payable to him/herself.

Any and all voided checks should be stamped "VOID" with the date and filed in check number order.

# Online/Phone/Fax/EFT Payments

Payments made online or by phone, fax, or electronic funds transfer (EFT) may be processed by the Director of Finance only after an Electronic Payment Authorization form is approved by the proper signatories (detailed above). The Electronic Payment Authorization form will take the place of a traditional check. Any such payment is documented and filed with the invoice. QuickBooks creates journal entries based on the vendor as cash is credited and the appropriate

expense type is debited. Electronic payments will be recognized in QuickBooks just as if it were a check, by entering a unique transaction number in place of the check number. The Electronic Cash Disbursement packet, composed of Electronic Payment Authorization form, confirmation page, and any other supporting documentation, is scanned and filed in date order.

# **Recurring Expenses**

Recurring expenses do not require any sort of special treatment. Payments for goods and services that are required on a regular basis (e.g. equipment lease, insurance payments, rent) are handled in the same manner as non-recurring expenses, as described above. Check request and purchase order forms are not necessary for these types of expenses such as insurance payments and lease payments.

# **Accounts Payable Aging**

Accounts payables outstanding are aged on a thirty, sixty, ninety, and over-ninety day basis. The Director of Finance will review the accounts payable aging monthly, determine the available cash balances while taking into consideration other cash requirements in the near future, and communicate approval of bills to be paid to the Staff Accountant.

# **Outstanding Checks**

In the event that a check has been disbursed to a vendor for a product or service and the check has not been deposited over a period of at least three months, the Staff Accountant will contact the vendor to confirm whether it is still in-hand, or whether another check should be reissued. If the check is still in hand, the Staff Accountant will encourage the vendor to deposit the check within one week. In the event that a vendor requests for a check to be reissued, the Staff Accountant will inform the Director of Finance of the request and void the original check in the accounting system. The Staff Accountant will photocopy the backup documentation that was attached to the original payment, obtain approval according to the check approval policies, confirm all vendor information, and send the check to the vendor. In the event the vendor cannot be contacted by phone, letter, or email, the Staff Accountant will confirm that the Director of Finance is in agreement to write the check off, then make the appropriate entries in the accounting system.

In the event that a check is from the previous fiscal year is not cashed, the check will be voided as a journal entry to the appropriate cash and expense general ledger codes in the

current fiscal year, so as to not alter the ending balances for the prior fiscal year. In the event the vendor confirms payment was already made via an alternative method not recorded in the accounting system, an investigation will be conducted to understand how the original payment was made and then make the appropriate entries in the accounting system. In the event the outstanding check exceeds \$250.00, the Staff Accountant in consultation with the Director of Finance will work with the bank to issue a stop payment on the check to ensure that it is not cashed.

#### **Insurance Coverage**

Insurance coverage is maintained pursuant to applicable law.

Currently, CCS maintains insurance policies, including: Commercial Umbrella Liability, Commercial General Liability, Workers' Compensation, Student Accident Excess Liability, Directors' Errors and Omissions, and Directors and Officers, and NY State Disability and Property Insurance. See Annex 3

The Board of Trustees, CEO, the Director of Finance will conduct a semiannual review of coverage amounts. The purpose of this review will be to ensure there are adequate means by which to preserve the school's assets and lower the risk of being under-insured. Any proposed changes must be approved by the Board of Trustees and recorded in board meeting minutes. New coverage will be executed by the Director of Finance. The Director of Finance is responsible for procuring annual renewals with the school's insurance broker. Quotes for renewal will be procured at least one month in advance of a policy's expiration, and presented to the Board of Trustees for review and approval. The Treasurer of the Board participates in this review.

The Director of Finance maintains original copies of all insurance policies at the school, filed in the Insurance Binder by type of insurance. A new binder is created for each fiscal year. When possible, copies of all current insurance policies are saved electronically on a server where the leadership team can view and access the information. CCS requires proof of adequate insurance coverage from all prospective contractors, as deemed applicable by the Board of Trustees.

#### **Political Contributions**

No funds or assets of CCS may be contributed to any political party or organization or to any individual who either holds public office or is a candidate for public office. CCS also cannot be involved with any committee or other organization that raises funds for political purposes. Examples of prohibited activities are:

- Political contributions by an employee that are reimbursed by the school organization.
- Purchased by the organization of tickets for political fundraising events.
- Contributions in kind, such as lending employees to political parties or using school assets in political campaigns.

# MANAGEMENT OF CASH

#### Accounts

CCS has the following bank accounts with HSBC, NA; 1) Checking Account (Operating Account), 2) Debit, 3) Escrow and 4) Savings account to earn interest. In all instances, the school is utilizing its accounts in a way that safely maximizes its overall interest income. The school has 3 authorized signatories on the primary operating account; the CEO, the Director of Finance, and the Director of Operations. Bank statements are available at the end of the month, and forwarded to the CSBM Financial Consultants for reconciliation.

In the event that the organization wishes to open a new bank account, board approval is required. As part of the approval, the Board must describe the purpose of the account, signatories, and signatories' authority. The vote to approve and all associated determinations must be recorded in the board minutes. Should the school wish to close a bank account, Board approval is also required and will be documented in board minutes.

CCS recognizes that federal insurance on deposits with any bank is limited to a total of \$250,000.00<sup>2</sup>, regardless of the number of accounts held. In the event the balance in a school account is anticipated to be in excess of the insurance coverage, a "re-positioning" agreement is to be negotiated with the financial institution in order to secure such deposits in excess of federal coverage.

#### **Bank Statements**

The procedures to follow when processing the receipt of Bank Statements are stated in "Chapter 2: Processing & Recording Cash Receipts".

#### **Bank Reconciliation**

Monthly bank account reconciliations are processed using the QuickBooks Bank Reconciliation

module. This preparation is accomplished by the CSBM Financial Consultants, who identifies reconciling items to ensure that cash is being accounted for properly. Any irregularities shall immediately be reported to the CEO, Director of Finance, and the Treasurer of the Board. A reconciled Bank Reconciliation report from QuickBooks is printed and attached to the bank statement. The completed report is submitted to the CEO & Director of Finance for review, initialed by each, scanned and filed for audit purposes.

#### **PAYROLL**

# Hiring

CCS's philosophy is that success depends on hiring highly qualified professionals who are dedicated to ensuring that the services rendered to the students are of high standards. Under the direction of the CEO, with consultation and consent of the Board, will recruit highly qualified candidates to fill positions and meet its mission.

Requests for new employees are approved by the CEO and compared with the approved annual personnel budget. Potential employees will be recruited through a comprehensive process that includes advertisements in national newspapers and educational journals, extensive networking and/or use of regional and national educational search firms. Any new hire will be subject to a full investigation, including a background check, fingerprinting, and references from former employers. Once the new employee is approved to be hired, a contract with the established salary is issued by the Director of Finance. The Director of Finance will collect all necessary payroll data for entry into the ADP TotalSource employment portal. If a situation arises where an employee must begin service before fingerprint clearance is obtained, the employee must receive an Emergency Conditional Appointment that has been approved by CCS's Board of Trustees. Under a conditional appointment, the staff person will be supervised on a regular basis to ensure the safety of students. Employees who have never been fingerprinted for the New York State Education Department or the New York City Board of Education must be fingerprinted at the New York City Center for Charter School Excellence, New York City Board of Education Office in Brooklyn, any police precinct, or another entity arranged or approved by CCS.

# **Salary Determination**

CCS has established a method for determining compensation for all instructional and

non-instructional staff positions. DOE salary guidelines are used as a guide to create a competitive wage structure aimed to attract potential staff members with wages superior to DOE. Each year, the CEO will review and refine the schedule to ensure that the percentage increase above DOE will be attractive to new hires as well as retaining current staff members. The schedule is presented to the Board for final approval as part of the budget approval and recruitment process. Non instructional staff schedules are established by the CEO and Director of Finance and approved by the Board as part of the budget and hiring process. The Board of Trustees determines the salaries for the CEO and upon recommendation by the CEO the salaries for key employees (Principals, Assistant Principals, and other designated school leaders). Any such decisions will be captured in the Board meeting minutes as a part of the annual budget approval. Any changes to a staff member's salary will be approved by the CEO in writing or electronically and documented via an updated employee contract. A copy of the contract will be maintained in the employee file.

#### **Bonus Policy**

Bonus calculations, requirements, and eligibility are determined by the Board of Trustees, outlined explicitly, and recorded in the meeting minutes. A schedule is devised by the CEO which would then be submitted to the Board for their approval.

# **Compensation Accrual**

Although each fiscal year starts on July 1st and ends on June 30th, not every staff member's service start and end dates will mirror the fiscal year. In order to accurately record these expenses according to GAAP wages may be accrued. For example, if a teacher works from August 16th through June 30th, yet is paid from August 16th through August 15th, 1.5 months of wages will be accrued to the prior fiscal year for the period of July 1st to August 15th. Wages will be accrued according to the start and end dates of pay in order to recognize expenses in the correct fiscal year.

# **Employees vs. Independent Contractors**

When CCS makes the choice to utilize an independent contractor, it first ensures that the individual does qualify as an independent contractor and should not be categorized as a regular employee. A bona fide independent contractor does not have taxes withheld and typically invoices the school to receive payment. Before the school engages an independent contractor, it sets up the relationship in such a way as to ensure that the status is in accordance with

employment and tax law. Generally, if a worker is being managed closely on a day-to-day basis, he or she must be paid as an employee and have statutory deductions taken from his/her paycheck. In analyzing whether or not a worker qualifies as an independent contractor, the school

should review each of the questions below.

# The following questions are designed as a guide to help delineate between employees and contractors:

- How much control does the employer exercise over the worker?
- Who sets the hours and schedule for the worker?
- How much control does the worker have over the manner in which they go about their work
- -i.e. does the employer dictate how the job is done or simply expect the job to be finished?
- Does the worker use his or her own tools or equipment?
- Is the worker located on the employer's premises or does s/he work out of his or her own space?
- Is the worker exclusively employed by the employer or free to contract with others to provide the same or a similar service?
- Do the contract terms pay the worker a fixed sum, with the obligation to pay expenses, payroll taxes, and any relevant benefits resting with the worker?
- Does the worker use company letterhead?
- Who pays for the worker's expenses?

# **Utilization of Independent Contractors/Consultants**

Once the determination has been made that a worker is an independent contractor, the school creates a written contract directly identifying the individual's status as an independent contractor and detailing why the relationship is as such. Part of the contract should enumerate the rights and responsibilities on both sides of the independent contractor agreement. This includes clearly identifying the worker's responsibility to pay estimated tax, self-employment tax, and so on. The utilization of all consultants and contract personnel are sufficiently evidenced by:

- a. Details of all agreements (e.g., work requirements, rate of compensation, and nature and amount of other expenses, if any) with the individuals or organizations providing the services and details of actual services performed.
- b. Invoices or billings submitted by consultants, including sufficient detail as to the time expended and nature of the actual services performed.

c. The use of a management contract for educational and administrative services will clearly identify the contractor's performance requirements, including students' academic achievement, contractor's compensation and ACLS's rights to educational curricula and intellectual property developed (if applicable).

In processing payment for any independent contractor, a W-9 form must be filled out prior to issuance of the first payment for services provided. In all cases where compensation exceeded the \$600.00, a 1099-Misc will be issued, as required by law.

# **Obtaining Payroll Information**

The Director of Finance is responsible for the following:

Establishing a Personnel File for Each Employee The personnel file serves as a chronological performance record throughout the employee's tenure with the organization and, as such, is kept secure and confidential. Personnel records are kept for a minimum of ten years. All personnel files must be kept in a locked file cabinet. Access to such personnel files is limited to the CEO, Principals, Director of Finance, and CSBM Financial Consultants. Employee files are the sole property of CCS. No employee can review or access his or her own personnel file without the written permission of the CEO. The employee will be provided with the opportunity to rebut and respond to any document contained in the personnel file in writing. All materials associated with the rebuttal and response shall stay in the personnel file. Any employee may examine his or her personnel file in the presence of the Principals or Director of Finance. The employee may take written notes concerning the contents of the personnel file, and may add comments for inclusion in the file. No personnel file is to be copied or removed from the office where it is kept unless expressly permitted in writing by the CEO.

A separate binder in a locked location is maintained for I-9s, (including copies of Driver's Licenses/State IDs and Social Security Cards or Passports), as required by the U.S. Department of Homeland Security. Each I-9 form is filled out entirely in the same color ink. All information entered on the I-9 is verified by the Director of Finance who signs off on the form after seeing original copies of all required documentation (copies are only made for the file, and are not acceptable forms of initial verification).

CCS complies with the laws and general principles of employee confidentiality as set forth in the Health Insurance Portability and Accountability Act (HIPAA)<sup>4</sup> with regard to the dissemination of private health information (PHI) of school employees. In order to comply with all rules and regulations, including the Americans with Disabilities Act (ADA)<sup>5</sup>, CCS will keep all medical records and all other related documents separate from the personnel file. Employees should

consult with the Director of Finance for further information concerning the school's privacy practices.

Annex 4 contains a list of documents to be completed upon employment and filed according to Federal, State and Local regulations and Human Resources best policies and practices.

*Employee Information* In order to prepare a payroll, the Director of Finance obtains and maintains the following information for each employee:

| Information                  | Source of Data                         |
|------------------------------|--|
| Name and Address             | W-4                                    |
| Social Security Number (SSN) | W-4                                    |

## Analyzing Job Information

The Fair Labor Standards Act (FLSA)<sup>6</sup> sets employee minimum wage and overtime requirements. Job positions are classified as either exempt or non-exempt from the requirements. These requirements are summarized below and are adhered to by the school.

| Attribute      | Exempt  | Non-exempt  |
|----------------|---|---|
| Payment Amount | The employer pays an exempt employee a fixed salary for any and all work performed during a work week. Minimum wage and overtime pay requirements do not apply. | The employer may pay a non-exempt employee using an hourly, salary, commission, or any other method. Total compensation must be at least the minimum wage for all hours plus overtime pay for hours over the maximum. |
| Pay deductions | Generally, deductions for time not worked may not be made from salary.  | The employer pays a non-exempt employee only for the hours worked. Therefore, wage deductions may be made for tardiness, full- or partial-day absences, and any time the employee does not work.                      |

**NON-EXEMPT employees** are entitled to overtime pay for all hours worked over 40 hours in a workweek under the Fair Labor Standards Act. Non-exempt employees do not receive compensation for their lunchtime and they may not work during lunchtime.

**EXEMPT employees** are not entitled to overtime pay under the Fair Labor Standards Act.

In addition to the above categories, each employee will belong to one other employment category:

- **REGULAR FULL-TIME employees** are those who are not in a temporary status and who are regularly scheduled to work CCS's full-time schedule. A regular full- time employee is one who works forty (40) or more hours per week.
- PART-TIME employees are those who are not in a temporary status and who work continuously for a specified number of hours per week, which is at least twenty (20) hours per week and less than a regular schedule of forty (40) or more hours per week. Part-time employees receive all legally mandated benefits (such as Social Security and workers' compensation insurance).
- **TEMPORARY employees** are those that are hired for short-term periods, usually no longer than 6 months. They will receive all legally mandated benefits but are not eligible for CCS's discretionary benefits.

Additionally, employees may be hired as ten- or twelve-month employees. Ten-month employees include, but are not limited to teachers and program staff. Twelve-month employees include most administrative employees. This determination is made at the time of hire and is indicated in the employee's hire letter or employment contract, if applicable.

#### Withholding Status

The completed W-4 and IT-2104 forms serve as a basis for employee withholding. If an employee needs to change withholding allowances, the employee must file amended W- 4 and IT-2104 forms within 10 days of an event that *increases or decreases* the number of withholding allowances. An employee may amend his/her W-4 and IT-2104 forms to increase the number of withholding allowances at any time. In addition, employees are required to notify the Director of Finance of any change in name, family status, address, telephone number, emergency contact or other information concerning personnel data held or used by CCS within two (2) weeks of any

<sup>&</sup>lt;sup>6</sup> Fair Labor Standards Act (FLSA); http://www.dol.gov/whd/flsa/index.htm; access on 07/2010

change. Any employee who fails to notify the Director of Finance of any change in the above information within the two-week reporting period may be subject to disciplinary action, including termination of employment.

When W-4 and IT-2104 forms are received, the school's finance team will comply with the new withholding instructions by the next payroll period. The withholding instructions will usually continue to apply unless and until the employee amends the W-4 and IT-2104 forms.

Although not obligated to evaluate an employee's number of exemptions, the school has three duties relating to the contents of the W-4 and IT-2104 forms:

- 1. Disregard invalid W-4 and IT-2104 forms. A form is rendered invalid if the employee changes or adds language to the form.
- 2. Report excessive allowances. The organization is required to send copies of all W- 4 and IT-2104 forms claiming more than 10 withholding allowances along with the organization Form 941 to the IRS.
- 3. Report full exemptions. The organization is required to send the IRS all claims for full exemptions from withholdings by employees with normal weekly wages of more than \$200.00.

Because of their importance to both the IRS and to employees, the school retains signed originals of the W-4 and IT-2104 forms (no copies) for four years after the annual employment tax returns are filed.

# **Time Reporting Procedures**

Employees are instructed on the proper charging of time to assure the accuracy of recorded time to cost objectives.

The Director of Finance will keep track of all sick days, personal days, vacation days, professional development days, holidays, bereavement or any other days that exempt employees are not at work in the ADP TotalSource system. This is reviewed and approved by the CEO on a monthly basis.

All employees are responsible for recording the actual time they have worked by swiping in and out with an employer issued ID card. Federal and state laws require CCS to keep an accurate

record of time worked in order to calculate pay and benefits. CCS complies with applicable federal, state and local wage and hour laws. If an employee suspects that an error in pay has been made, the employee must immediately bring the issue to his or her supervisor's attention for prompt investigation and any necessary correction will be made. CCS will not tolerate any form of retaliation against an employee who reports a violation, files a complaint, or cooperates in an investigation concerning payment of wages. Violators of this policy will be subject to disciplinary action, up to and including termination of employment.

Time worked is solely the time actually spent on the job performing assigned duties and should not include any time that is spent not working or any time off that is taken during the workday. All employees must accurately record the time they begin and end work, the time they begin and end each meal period, and the beginning and ending time of any split shift or departure from work for personal reasons. All overtime work must be approved by the supervisor before it is performed. Violators of this policy will be subject

to disciplinary action, up to and including termination of employment.

Altering, falsifying, or tampering with time records or recording time on another employee's time record will result in disciplinary action, up to and including termination.

Salaried, exempt employees are paid their entire salary for every day in which they perform any work. Deductions from an exempt employee's pre-determined salary or charge against an exempt employee's accrued leave may be taken under one of the following circumstances, unless otherwise prohibited by law:

- 1. the employee is absent from work for one or more full days for personal reasons (other than sickness or disability);
- 2. the employee is absent for one or more full days due to sickness or disability and has exhausted or has not yet accrued enough leave time;
- 3. the deduction is made to offset any amounts received as payment for jury fees, witness fees, or military pay;
- 4. the employee is on an unpaid disciplinary suspension imposed in good faith for violating published workplace conduct rules (e.g., rules against workplace harassment or safety rules of major significance);
- 5. it is the employee's first or last week of employment and he/she is paid a proportionate part of his/her full salary.
- 6. the employee has exhausted or has not yet accrued enough leave time to offset one full day absence from work or lateness.

CCS makes a good faith effort to comply with this salary policy. If, however, an employee

believes an improper deduction has been taken from his/her salary, the employee should contact the Director of Finance who will investigate the deduction and any discrepancies and advise the employee of his/her findings. If the Director of Finance determines that a deduction was incorrectly made, CCS will reimburse the employee for that deduction in the subsequent payroll once that adjustment is approved by the CEO.

Overtime pay applies only to non-exempt employees. When operating requirements or other organizational needs cannot be met during regular working hours, employees may be required to work overtime. Whenever possible, employees will be given the opportunity to volunteer for overtime work assignments, and every effort will be made to distribute overtime opportunities as equitably as possible to all employees qualified to perform the required work. Overtime pay is provided to non-exempt employees in accordance with federal and state wage and hour laws that generally require time-and- one-half the employee's regular rate of pay for any hours worked beyond 40 hours in a workweek. Overtime pay is based on actual hours worked.

- If federal funds are used for salaries, then time distribution records are required and must accurately reflect the work performed for each award.
  - Employees working under one federal grant are required to prepare and sign semi-annual time certification.
  - Employees working under multiple federal grants are required to prepare and sign a monthly Personnel Activity Report.

Time off for no-fault days, leaves of absence, and unpaid lunch hours will not be considered hours worked for purposes of calculating overtime pay. All overtime work must have the supervisor's prior authorization. Employees who work overtime without prior authorization will be subject to disciplinary action, up to and including termination of employment.

# **Processing Payroll**

The Director of Finance will develop a spreadsheet containing the organization's entire payroll which he/she will maintain and update each payroll period. The Director of Finance will input the approved payroll data into the ADP TotalSource system, creating an official Payroll Register Preview. The ADP Payroll Register Preview is reconciled to the spreadsheet maintained by the Director of Finance who reviews and forwards both documents to the CEO for approval. Once approved, the Director of Finance will submit the payroll to ADP TotalSource for final processing. The ADP Payroll Register Preview as well as the other generated payroll reports are

filed electronically. This process is repeated every pay period, with any and all changes to payroll recipients or amounts reflected in the spreadsheet.

Payroll Processing is comprised of the following:

| Responsibility                               | Performed By        |
|--|---------------------|
| Obtaining/Processing Payroll Information     | Director of Finance |
| Computing Wages                              | ADP TotalSource     |
| Performing Pay Period Activities             | ADP TotalSource     |
| Preparing various annual payroll tax returns | ADP TotalSource     |
| Preparing 1099's*                            | Director of Finance |

<sup>\*</sup>for independent contractors, LLPs and LLCs only

Pay periods are semi-monthly; the first pay period is on the 15<sup>th</sup> day of the month and the second pay period of the month is on the last day of the month. The bi-monthly pay schedule is made up of twenty-four (24) pay periods per year. 10-month salaried employees' (i.e. Administrators, Managers, Secretaries and clerks) pay is spread out over these 24 pay periods to cover the summer months. 12-month employees will follow the same pay schedule as the 10-month salaried employees. Part-time hourly employees are only paid for time worked. Changes will be made and announced in advance whenever CCS holidays or closings interfere with the normal pay schedule.

Once payroll documents are received from the payroll vendor (e.g., calculations, payrolls and payroll summaries), they are compared with timecards, pay rates, payroll deductions, compensated absences etc. by the Director of Finance.

If an employee is given a paper paycheck and loses that check, he or she must submit a written request for a new check to be issued to the Director of Finance. The request must indicate the date on the check, the pay period it covered, and the amount. The employee must also certify that he or she believes the check to be lost and that if the employee finds the check, he or she will return it to CCS's Director of Finance. A new paycheck will be issued to the employee as soon as practicable after the request is submitted.

#### **Payroll Tax Compliance**

The payroll vendor is responsible for the preparation of the periodic payroll tax filings. The

CSBM Financial Consultants are responsible for reviewing all payroll tax documents and supporting schedules for accuracy and completeness and submitting them to the Director of Finance for approval.

CCS maintains a schedule of required filing due dates for:

- a. IRS Form W-2 Wage and Tax Statement.
- b. IRS Form W-3 Transmittal of Income and Tax Statements.
- c. IRS Form 940 Employer's Federal Unemployment (FUTA) Tax Return. d. IRS Form 941 Employer's Quarterly Federal Tax Return for Federal Income Tax Withheld from Wages and FICA Taxes.
- e. IRS Form 1099 MISC (also 1099-DIV, 1099-INT, 1099-OID) U.S. Annual Information Return for Recipients of Miscellaneous Income.
- f. Quarterly and annual state(s) unemployment tax return(s).

# **Periodic Payroll Reconciliations**

#### Reconciling Employee Payroll Deductions

On a monthly basis, the Director of Finance reconciles deductions made from employees to the payments made to insurers, benefit plan providers, and other payees.

# Quarterly Reconciliation of Payroll to Accounting Records

The Payroll Register, the Payroll Register Preview, time sheets for additional work by staff members and expense reimbursements (if any) are uploaded to electronic files, according to each pay date by fiscal year. On a quarterly basis, the CSBM Financial Consultants performs a reconciliation of all salary accounts in the general ledger, as compared to the salary reported by the payroll processing company on the Form 941 and/or other Quarterly Payroll Return. Any variances are researched and cleared within the month following quarter end.

#### Annual Reconciliation of Payroll to Accounting Records

On an annual calendar basis, the CSBM Senior Financial Consultant performs a reconciliation of the following:

- Gross salaries per all Forms 941
- Gross salaries per W-2 forms
- Gross salaries per General Ledger
- Variances are researched and cleared by January 31 of the following year

### **Protecting Payroll Information**

Salary information constitutes sensitive information. It is the responsibility of the Director of Finance to ensure that all payroll information is kept secure and confidential. The security of personnel files is described above. In addition, the Director of Finance will maintain, in a locked cabinet, vouchers and live checks for those that are not enrolled in the direct deposit program.

## **Changes to Payroll Information**

Changes to personnel data are initiated with a Personnel Action form. This is used when making any changes that affect payroll—new hires, terminations, pay rate changes, or payroll deductions. The CEO authorizes any changes to payroll data. The payroll vendor processes authorized changes to the payroll data and a copy of the Personnel Action Form is retained in the employee's personnel file.

### **Terminations and Resignations**

The Director of Finance ensures that any departing employee, whether terminated or resigned, is removed from the payroll immediately after his or her last payment is made.

CCS will generally schedule exit interviews at the time of employment termination. The exit interview will afford an opportunity to discuss such issues as employee benefits, conversion privileges, repayment of outstanding debts to CCS, or return of CCS-owned property. Suggestions, complaints, and questions can also be voiced.

Since employment with CCS is based on mutual consent, both the employee and CCS have the right to terminate employment at will, with or without cause, at any time.

Employee benefits will be affected by employment termination in the following manner. All accrued, vested benefits that are due and payable at termination will be paid. Some benefits may be continued at the employee's expense if the employee so chooses. The employee will be notified in writing of the benefits that may be continued and of the terms, conditions, and limitations of such continuance.

Upon termination or effective resignation date, all employee belongings are removed immediately, and all employer belongings are returned immediately. The Personnel Action form

is filed in the employee's personnel file.

In the event that a key staff member in finance or operations is incapacitated or terminated, CCS will hire a financial consultant to fill in until a permanent replacement is hired. When a replacement is identified, the financial consultant will professionally train the new hire to ensure a sound transition. In addition, CCS will continue to develop written desktop procedures for each of these key finance and operations staff positions so that they are not completely reliant on outside consultants

#### **Unused Vacation and Sick/Personal Days Unused Vacation Benefits**

Vacation time off is paid at the employee's base pay rate at the time of vacation for the amount of hours absent. It does not include overtime or any special forms of compensation such as incentives, commissions, bonuses, or shift differentials.

Upon termination of employment, employees will not be paid for unused vacation time.

#### Unused Sick/Personal Day Benefits

Sick/personal leave benefits will be calculated based on the employee's base pay rate at the time of absence and will not include any special forms of compensation, such as incentives, commissions, bonuses, or shift differentials.

Sick/personal leave benefits are intended solely to provide income protection in the event of illness or injury, and may not be used for any other absence. Unused sick/personal leave benefits will not be paid out to employees while they are employed or upon termination of employment except as part of the retirement package.

## PROPERTY AND EQUIPMENT

### **Background**

The Principals & Director of Operations are responsible for ensuring that accurate inventories are maintained so that all assets are safeguarded.

The school's Director of Operations is responsible for maintaining the equipment and all necessary asset inventories. All assets must be recorded both in the accounting system's general ledger if applicable under the fixed asset category by the Director of Finance and/or C S B M

Financial Consultants and in a separate fixed asset subsidiary ledger by the Director of Finance. The general ledger and the inventory subledger are regularly reconciled. All property and equipment subject to the school's Capitalization Policy must be tagged in the manner described below and depreciated according to the school's Depreciation Policy. Upon receiving any property that qualifies as a fixed asset, the Operations Manager/Coordinator is responsible for recording the following:

- Inventory number as designated by CCS (use sequential numbers, no lettering) Asset name and description
- Classification (i.e. land, building, equipment, betterment, leasehold improvements, furniture, computer hardware and software)
- Serial number, model number, or other identification
- Whether title vests with CCS or a governmental agency
- Vendor name and acquisition date
- Location of the equipment
- Purchase Date
- Purchase Value
- Disposal Date
- Disposal Reason

In addition, the Director of Finance and/or the CSBM Financial Consultants will enter the following data into the accounting system's general ledger under the fixed asset category:

- Asset name/Description
- Vendor name
- Purchase date
- Cost (including shipping and installation)

Each item is also physically tagged in a visible area on the item and with the following information linking it directly to the fixed asset sub-ledger. The tag will also indicate the item is property of CCS and/or as mandated.

## **Asset Tracking Process**

Upon receiving any property that qualifies as a fixed asset, the Operations Manager/Coordinator are responsible for recording the following into the Fixed Asset Tracking Lists:

- Asset tracking number as designated by the School
- Asset name, use, condition and description

- Classification (i.e. land, building, equipment, betterment, leasehold improvements, furniture, computer hardware and software)
- Serial number, model number, or other identification
- Indicate if the title vests with the governmental agency, if required
- Vendor name and acquisition date or date placed in service
- Location of the equipment
- Purchase Value
- Disposal Date and Reason
- Specify dollar amount of any asset purchased with grant fund

All government-furnished property and equipment is also recorded with identification information indicating it has been acquired through a government contract. For example, when assets are purchased using funds from the Department of Youth and Community Development (DYCD), that item is tracked and physically tagged as property of DYCD. Because DYCD owns the item, it is recognized as an expense (not an asset) on the balance sheet. In the event of charter revocation, the item is returned as property of DYCD.

No employee may use any of the school property, equipment, material or supplies for personal use without the prior approval of the Director of Operations.

No item of property or equipment shall be removed from the premises without prior approval from the Director of Operations.

All lease agreements on real property will be evidenced by a lease or sublease agreement approved by the Board of Trustees and signed by the CEO. The agreement will identify all the terms and conditions of the lease. Any real estate agreement to rent or sell will require a beneficial interest disclosure

## **Capitalization Policy**

The cost threshold for items purchased by CCS to capitalize is \$3,000.00. This allows items over this cost threshold to carry value over time, and not simply be expensed in year one. Items with an acquisition cost of less than \$3,000.00 or a useful life of less than one year are expensed in the year purchased. Items with an acquisition cost of more than \$3,000.00 are subject to the school's depreciation policy, outlined below. For purchases with federal award the capitalization cost is \$5,000 per unit or more useful life greater than one year.

In instances where a large quantity of one single item is purchased, if the total value exceeds the

\$3,000.00 threshold, the items may be capitalized. For example, if a school buys 100 desks at \$250.00 per desk, each single item would not meet the threshold. Together, however, these 100 desks have a combined value of \$25,000.00, which should be capitalized over a 7-year period, as outlined in the Depreciation Policy table below.

The Director of Operations performs annual inventory audits, verifying and updating the data contained in the Excel fixed asset inventory spreadsheet. Once complete, the Director of Operations and Director of Finance compare this inventory to the fixed assets listed in the general ledger to ensure the value of the assets per the accounting system matches the value of the assets per the spreadsheet. Differences are investigated, reconciled and recorded by both the Director of Finance and Director of Operations as appropriate. These are reviewed by the CSBM Financial Consultants.

### **Depreciation Policy**

Any items subject to the Capitalization Policy described above are subject to depreciation. The CSBM Financial Consultants will account for depreciation based on the school's inventories. Depreciation associated with the fixed assets will be calculated based on its useful life and straight-line depreciation method. Depreciation is based on the month the item was actually purchased. For instance, if the school purchased a computer in July, it would be depreciated for a full fiscal year (12 months out of 12), and recorded as such. But if the school purchased the computer in April, then it would be depreciated for just one-fourth of the fiscal year (3 months out of 12) because it would only be in service for April, May and June.

Any item that is damaged beyond use will be taken out of service and fully depreciated off the accounting records. For assets purchased with federal funds for over \$5,000 the School must request disposition instructions from the federal awarding agency.

| Depreciation Policy        |                           |
|----------------------------|---------------------------|
| Computers                  | 3 years                   |
| Servers                    | 5 years                   |
| Office/Classroom equipment | 5 years                   |
| Office/Classroom furniture | 7 years                   |
| Leasehold improvements     | Life of lease or 15 years |
| Musical instruments        | 3 years                   |
| Software                   | 3 years                   |

#### **Disposal of Property and Equipment Policy**

CCS has adopted standard disposition procedures for staff to follow. The requester fills out and signs the Asset Disposal Form, which identifies the asset and the reason for disposition. This form is submitted to the Director of Operations, who takes photos of the asset, determines the asset's book value and documents the condition of the asset. Disposal of any asset requires the approval of both the CEO and Director of Finance.

Once approved for disposal, the dollar value of the disposed asset is recorded as a reduction in the general ledger. The disposed asset is also recorded as disposed of in the fixed asset inventory system. The treatment of any proceeds from the disposition, and the recognition of any gain or loss on sale of the disposed asset is also recorded in the general ledger by the CSBM Financial Consultants.

### RECORDS RETENTION

### **Records Retention Policy**

All confidential paper records shall be maintained in locked facilities on school premises.

The accounting system files are saved on the school's server, which is backed up on a daily basis to ensure the retrieval of financial information in case of hardware failure. Back-up data and program files shall be stored off-site in a fire-safe area and shall always remain the confidential and sole ownership property of CCS. In the event of a major system malfunction, the latest backup would be restored on the server and any transactions since that backup would be reentered based on the cash disbursement records and cash receipts records. CCS has an onsite drive backup system and also an offsite server backup system. All applications and data can be restored remotely to the CCS server in one business day.

CCS has an established Disaster Recovery Policy. Please reference the School Safety Plan for details

Annex 5, contains a table which provides the minimum requirements for records retention, as recommended by the Non-Profit Coordinating Committee of New York, www.npccny.org:

Originals of the following corporate documents are maintained on-site and/or electronically and the Director of Finance verifies their presence on a periodic basis:

- a. Charter and all related amendments
- b. Minutes of the Board of Trustees and subcommittees
- c. Banking agreements
- d. Leases
- e. Insurance policies
- f Vendor invoices
- g. Grant and contract agreements
- h. Fixed asset inventory list

### **Records Access Policy**

The Director of Finance will provide access to the organization's records and provide supporting records, as requested by government auditors to facilitate the completion of such audits or reviews, in a timely manner.

### **Records Destruction Policy**

The destruction of confidential school records will be authorized by the CEO. Should the CEO be unable to provide authorization, destruction will be delayed pending review and final determination.

If any litigation, claim, or audit is started before the expiration of the designated retention period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

Once school records have reached the conclusion of their retention period according to the Records Retention Policy the office of origin will request authorization from the CEO for their destruction

The school will arrange for the safe and secure destruction of confidential records. Destruction methods will not permit recovery, reconstruction and/or future use of confidential information. An overview of these methods follows

Paper records containing sensitive confidential information **must** be shredded and not disposed of with other waste

Electronic or digital data containing sensitive confidential information must be purged from the computer systems in the following manner; 1) Deletion of the contents of digital files and emptying of the desktop "trash" or "waste basket". Keep in mind however, that reconstruction and restoration of "deleted" files are quite possible in the hands of computer technicians. 2) For records stored on a "hard drive" it is recommended that commercially available software applications be utilized to remove all data from the storage device. When properly applied, these tools prevent the reconstruction of any data formerly stored on the hard drive. A destruction record exists to track the destruction of any and all documents. This inventory describes and documents the records, and file formats, authorized for destruction, as well as the date, agent, and method of destruction. The destruction record itself shall not contain confidential information. The destruction record may be retained in paper, electronic, or other formats. It is recommended that sensitive confidential data stored in digital devices, floppy disks and back-up tapes be physically destroyed.

#### SUMMARY OF ACCOUNT STRUCTURE

#### Assets

#### Types of Equity

In non-profit organizations, assets must be classified by nature and segregated between:

- 1. Unrestricted Net Assets
- 2. Temporarily Restricted Net Assets
- 3. Permanently Restricted Net Assets

The school's assets are classified as unrestricted, temporarily restricted, or permanently restricted

#### Cash and Cash Equivalents

All cash and cash equivalents of the school consist of cash in the school's bank account/s.

#### Grants Receivable

Grants receivable include money that the school expects to receive from government or private sources. Donation letters or pledges are also considered grants receivable.

#### Property and Equipment

Property and equipment includes the assets used by the school for activities and programs that have an estimated useful life longer than one year. For the school, fixed assets primarily consist of musical instruments, classroom equipment, furniture, computers and computer software.

Purchased property and equipment is recorded at cost. Donated property and equipment are recorded at fair market value at the date of donation. Acquisition costs include all costs necessary to bring the asset to its location in working condition, including:

- Sales tax, if any
- Freight
- Installation costs
- Direct and indirect costs, including interest, incurred in construction

#### Liabilities

#### Accounts Payable

Accounts payable include costs and expenses that are billed through a vendor invoice, and are recorded at the invoice amount. Vendors and suppliers are paid as their payment terms require, taking advantage of any discounts offered. If cash flow problems exist, payments are made on a greatest dependency/greatest need basis.

#### Capital Lease Obligation

The school may lease office equipment under a capital lease. Payments of both principal and interest are made monthly.

#### Accrued Liabilities

Salaries, wages earned and payroll taxes, along with professional fees, rent and insurance costs incurred, but unpaid, are reflected as a liability when entitlement to payment occurs.

#### Debt

When applicable, short-term debt consists of financing expected to be paid within one year of the date of the annual audited financial statements. Long-term debt consists of financing that is not expected to be repaid within one year and is recorded on the balance sheet as a long-term liability. All short-term and long-term debt is approved by the Board of Trustees and may not exceed the duration of the charter, without consent of the Board of Education. Loan agreements approved by the Board of Trustees should be in writing and should specify all applicable terms, including the purpose of the loan, the interest rate, and the repayment schedule.

#### Revenue

#### Private Contributions

The school receives contributions from individuals, foundations, and corporations in the following forms:

- 1. *Unrestricted Contributions:* No donor-imposed restrictions.
- 2. *Temporarily Restricted Contributions:* Donor-imposed restrictions such as passage of time, or specific use.
- 3. *Permanently Restricted Contributions:* Donor has placed permanent restrictions on the timing of use of funds, purpose of use of funds and/or the use of earnings and appreciation.

Upon receipt of donation, donations are classified as unrestricted, temporarily restricted or permanently restricted.

For further information on the processing of donations, please see chapter 2.

#### **Expenses**

#### Types of Expenses

Expenses are classified by functional classification and are matched with any donor imposed restrictions.

#### **Functional Classifications:**

- a. *Program Service Expense*: the direct and indirect costs related to providing education and other services consistent with the school's mission.
- b. *Management & General Expenses:* expenses for other activities related to the purpose for which the organization exists. These relate to the overall direction of the organization and include expenses for the activities of the governing board, business management, general record keeping, and budgeting.
- **c.** *Fundraising Expenses*: costs of all activities that constitute appeal for financial support and include costs of personnel, professional consultants, rent, printing, postage, telephone, etc.

The cost of providing the various programs and other activities of CCS will be summarized on a functional basis as part of the school's annual budget process. Accordingly, certain costs will be allocated among the following categories: general education program, special education program, management and general, and fundraising. Allocations are amended as necessary and the rationale documented. The CEO, Director of Finance, and CSBM Financial Consultants are involved in this process.

### FRAUD AND MISAPPROPRIATION

CCS will not tolerate any fraud or suspected fraud involving employees, officers or trustees, as well as members, vendors, consultants, contractors, funding sources and/or any other parties with a business relationship with the school. Any investigative activity required will be conducted without regard to the suspected violator's length of service, position/title, or relationship with the school.

The CEO and Board of Trustees are responsible for the detection and prevention of fraud, misappropriations, and other irregularities. Fraud is defined as the intentional, false representation or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. The CEO and each board member will be familiar with the types of indiscretions that might occur within his or her area of responsibility, and be alert for any indication of irregularity.

Any fraud that is detected or suspected must be reported immediately to the Board of Trustees and they will take the necessary actions.

*Actions Constituting Fraud* The term fraud, defalcation, misappropriation, and other fiscal irregularities refer to, but are not limited to:

- Any dishonest or fraudulent act
- Forgery or alteration of any document or account belonging to the school Forgery or alteration of a check, bank draft, or any other financial document Misappropriation of funds, supplies, equipment, or other assets of the school Impropriety in the handling or reporting of money or financial transactions Disclosing confidential and proprietary information to outside parties
- Accepting or seeking anything of material value from contractors, vendors, or persons providing goods or services the school
- Destruction, removal or inappropriate use of records, furniture, fixtures, and equipment Any similar or related irregularity

#### Investigation Responsibilities

The Board Chairperson has the primary responsibility for the investigation of all suspected fraudulent acts as defined in the policy. The Board of Trustees may utilize whatever internal and/or external resources it considers necessary in conducting an investigation. If an investigation substantiates that fraudulent activities have occurred, the Board of Trustees will issue reports to appropriate designated personnel.

Decisions to prosecute or refer the examination results to the appropriate law enforcement and/or regulatory agencies for independent investigation will be made in conjunction with legal counsel and senior management, as will final dispositions of the case.

#### **Confidentiality**

The Board of Trustees will treat all information received confidentially. Any employee who suspects dishonest or fraudulent activity will notify the Board Chairperson immediately, and should not attempt to personally conduct investigations or interviews/interrogations related to any suspected fraudulent act.

The outcome of an investigation will not be disclosed or discussed with anyone other than those who have a legitimate need to know. This is important in order to avoid damaging the reputations of persons suspected but subsequently found innocent of wrongful conduct and to protect the school from potential civil liability.

#### Authority for Investigation of Suspected Fraud

Members of the Board of Trustees will have:

1. Free and unrestricted access to all the school's records and premises; and 2. The authority to examine, copy, and/or remove all or any portion of the contents of files, desks, cabinets, and other storage facilities on the premises without prior knowledge or consent of any individual who may use or have custody of any such items or facilities when it is within the scope of their investigations.

#### Reporting Procedures

An employee who discovers or suspects fraudulent activity will contact the Chairperson of the Board of Trustees immediately. The employee or other complainant may remain anonymous. All inquiries concerning the activity under investigation from the suspected individual(s), his or her attorney or representative(s), or any other inquirer should be directed to the Finance Committee or legal counsel. No information concerning the status of an investigation will be given out. The proper response to any inquiry is, "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

The reporting individual should be informed of the following:

- 1. Do not contact the suspected individual in an effort to determine facts or demand restitution.
- 2. Do not discuss the case, facts, suspicions, or allegations with anyone unless specifically asked to do so by the appointed legal counsel or the Board of Trustees.

### WHISTLEBLOWER POLICY

CCS requires employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. Employees and representatives of the school are expected to practice honesty and integrity in fulfilling their responsibilities and are expected to comply with all applicable laws and regulations.

It is the responsibility of all employees to report violations of ethics or conduct or suspected violations in accordance with this Whistleblower Policy.

No employee who in good faith reports a violation shall suffer harassment, retaliation or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within the school prior to seeking resolution outside the school.

Anyone filing a complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

The CEO will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

#### **ETHICS**

#### Conflicts of Interest

Under no circumstance will an employee of CCS initiate, participate or benefit in any way from negotiating a contract or purchase of goods or services in which he/she, relative, or an associate has financial interest.

If an actual or potential conflict of interest is discovered, the employee must immediately withdraw from further participation in the involved transaction and report the transaction to the CEO.

#### **Gratuities and Kickbacks**

No employee (or anyone under their direction supervision) may solicit, demand, accept or agree to a gratuity, kickback or an offer of employment in connection with a business transaction. Such transactions include, but are not limited to, approvals on purchase requests, influencing the

content of any procurement standard, auditing, or rendering of advice.

#### Use of Confidential Information

In accordance with the Confidentiality Agreement that appears in this manual an employee must not knowingly use Confidential Information for actual or anticipated personal gain, or for the actual or anticipated personal gain of any other person.

#### Reprimands and Penalties

A breach of ethical standards from an employee of CCS will warrant a written warning from either the CEO or Chairperson of the Board. The repercussion of this unacceptable behavior may lead to a suspension with or without pay for a specified period of time, and/or termination of employment.

#### **CONFLICT OF INTEREST**

#### Interested Person

The General Municipal Law defines prohibited conflicts of interest for school trustees, officers and employees.

Under the General Municipal Law, no school officer or employee may have an interest, direct or indirect, in any contract with the School, when such officer, trustee, or employee, individually or as a member of the Board, has the power or duty to (a) negotiate, prepare, authorize or approve the contract, or authorize or approve payment under the contract; (b) audit bills or claims under the contract; or (c) appoint an officer or employee who has any of the powers or duties set forth above.

*Financial Interest* A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- · An ownership or investment interest, other than de minimis, in any entity with which the School has a transaction or arrangement,
- · A compensation arrangement with the School or with any entity or individual with which the School has a transaction or arrangement, or
- · A potential ownership or investment interest, other than de minimis, in, or compensation arrangement with, any entity or individual with which the School is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors having a value of \$100.00 or more whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to or could reasonably be expected to influence the performance of a trustee, official or employee in his/her official

duties, or was intended as a reward for any official action.

#### Duty to Disclose

Any trustee, officer or employee who has, will have, or later acquires an interest in any actual or proposed contract with the Board must publicly disclose the nature and extent of such interest in writing to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

#### Determining Whether a Conflict of Interest Exists

A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

Notwithstanding anything herein, the following contracts are exempt from this policy, including but not limited to, employment contracts between the school and a board member or employee's spouse, minor children or dependents; a contract between the school and a corporation of which the board member or employee is neither a director nor owns more than five percent of outstanding stock; a contract between the school and a board member or employee entered into preceding the election of the board member but not the renewal/renegotiation of that contract; a contract between the school and a board member or employee in which the total paid does not exceed \$750.00 during the fiscal year when added to the aggregate amount of consideration payable under all contracts pertaining to that individual; a contract between the school and a company that employs a board member or employee where the individual's compensation is not directly affected as a result of the contract and the duties of the individual's employment do not directly involve the procurement, preparation or performance of such a contract; and purchases, in the aggregate amount of Five Thousand Dollars (\$5,000) or less in any single calendar year. No review or action by any governing board or committee shall be necessary if an exception applies.

#### Procedures for Addressing a Conflict of Interest

An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested

person or committee to investigate alternatives to the proposed transaction or arrangement.

After exercising due diligence, the governing board or committee shall determine whether the School can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the School's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

#### Violations of the Conflicts of Interest Policy

If the governing board or committee has reasonable cause to believe a trustee, officer or employee has failed to disclose actual or possible conflicts of interest, it shall inform the trustee, officer or employee of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

If, after hearing the trustee, officer or employee's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the trustee, officer or employee has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Any contract entered into with a prohibited interest is null, void and unenforceable. Further any trustee, officer, or employee who willfully and knowingly violates this policy shall be guilty of a misdemeanor.

#### Records of Proceedings

The minutes of the governing board and all committees with board delegated powers shall contain:

- · The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing Board's or committee's decision as to whether a conflict of interest in fact existed.
- · The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the

proceedings.

#### **Compensation**

A voting member of the governing board who receives compensation, directly or indirectly, from the School for services is precluded from voting on matters pertaining to that member's compensation.

A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the School for services is precluded from voting on matters pertaining to that member's compensation.

A voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the School, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

#### Annual Statements

Each trustee, officer, and employee shall annually sign a statement which affirms such person:

- · Has received a copy of the Code of Ethics and Policy on Conflicts of Interest, · Has read and understands the Code of Ethics and Policy,
- · Has agreed to comply with the Code of Ethics and Policy, and
- · Understands the School is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax---exempt purposes.

#### Periodic Reviews

To ensure the School operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax---exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- · Whether compensation arrangements and benefits are reasonable, based on competent survey information and the result of arm's length bargaining.
- · Whether partnerships, joint ventures, and arrangements with management organizations conform to the School's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.
