Instructions for submitting Enrollment and Retention Efforts

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2021-2022 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2022-2023.

Economically Disadvantaged	<p>Democracy Prep Charter School is open to any child who is eligible under the laws of the State of New York for admission to a public school, and the school ensures compliance with all applicable anti discrimination laws governing public schools, including Title VI of the Civil Rights Act and § 2854(2) of the New York Education Law, governing admission to a charter school. HPCS used various outreach efforts in 2021-22 to attract and retain students who are at risk of academic failure and will continue to adopt and implement new measures designed to retain such students in 2022-23 and beyond. Specifically, we contact guidance counselors in elementary, middle and high schools in Community School District 5 in order to identify high needs students who could naturally feed into Democracy Prep Charter School. We also depend on analytical tools to inform recruitment decisions. With support from network resources, Democracy Prep is informed on the neighborhood demographic trends, application to acceptance conversion rates, and previous year’s retention rates. This equips canvassers with more targeted walk lists and recruitment strategies.</p>	<p>Democracy Prep Charter School will begin to advertise open registration in October each year, and conducts Open Houses beginning in January. Interested families will meet with staff and review the expectations of the school. Canvassing staff will visit, with permission, local elementary schools, after school programs, and youth centers, organize numerous open houses, attend school enrollment fairs, canvass neighborhoods door to door to further reach interested families, mail applications to every eligible family in CSD 5, and post flyers and notices in local newspapers, supermarkets, and community centers. 2022-23 in-person canvassing plans and school building-based recruitment events may be revised based on Department of Health guidelines related to COVID-19.</p>

Economically Disadvantaged	<p>Learning Support for DPCS scholars comes through multiple means, including: clear, engaging, high quality lessons in the classroom with low student to teacher ratios; increased learning time relative to schools in the surrounding district; pull out and push in instruction by DPCS’s Academic Collaboration Team (ACT) members and related services such as counseling, speech, and occupational and physical therapy for students who require it; and after school and Saturday program tutoring for students who require additional individual and small group attention, as determined by assessment data regardless of Special Education or Multilingual learner classification.</p>	<p>DPCS’s instructional model will continue to incorporate supports for all students struggling academically. All students falling substantially below grade level in reading and math regardless of classification will receive increased attention through small group instruction, individual tutoring, and other intensive academic supports designed to accelerate their academic growth. DPCS also will provide appropriate accommodations to all students progressing through the initial evaluation process prior to confirmation that the student is eligible for special education and related services.</p>

Entry 10 - Teacher and Administrator Attrition

Completed Aug 1 2022

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).
