Given the demographics of the neighborhood served, by targeting these areas, Excel recruits a large portion of students who qualify for free and reduced lunch (the majority of the school's current student population qualifies for free and reduced lunch).

We've employed the following strategies to recruit families considered economically disadvantaged:

We've worked to build relationships with local Pre-K programs and other Early Childhood Development Centers and engaged their school communities by inviting them to school visits and to learn more about our school community.

We utilized family referral campaigns and partners with local organizations, with the goal being to attract more families in the profile of the families it serves, who may have otherwise not heard about the school.

Excel will also continue to establish community partnerships with organization that support families that may be economically disadvantaged. We also intend on collaborating across all schools in our network to further develop and leverage our brand in 21-22. We will also continue to employ the following strategies:

Establish relationships/partnerships with other local educational programs within the community, Pre-K programs and other Early Childhood Development Centers and engaged their school communities by inviting them to school visits and to learn more about our school community.

Expand the school brand in the community with bus shelter ads and more frequent campaigning with local grocery stores, housing plaza and other community institutions.

Entry 10 - Teacher and Administrator Attrition

Completed Jul 29 2021

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees that must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must simultaneously request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at

<http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf>.
