Entry 9 Enrollment & Retention

Completed Aug 1 2022

Instructions for submitting Enrollment and Retention Efforts

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2021-2022 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2022-2023.

Entry 9 Enrollment and Retention of Special Populations

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2021-2022	Describe Recruitment Plans in 2022-2023
Economically Disadvantaged	<p>To recruit economically disadvantaged (ED) students, we conduct extensive outreach in high needs neighborhoods in our district as well as the neighborhoods of CSD 5, where many of our students reside. We also send recruitment materials by mail to families who live in zip codes with high rates of economic hardship. We conduct information sessions and distribute materials at numerous community-based organizations, health care clinics, and housing complexes. These include Harlem GEMS, the Adair House, the Abyssinian Development Corporation, and the Goddard Riverside Head Start Center. At these locations, we are able to connect with a high number of families living below the poverty line and share information about the supports we offer for ED students and families. These efforts contribute to our high enrollment of ED students, which averaged 91% during our fourth charter term. This substantially exceeds CSD 3, our district of location, which enrolled an average of 41% ED students between 2018-19 and 2021-22. Our ED enrollment meets that of CSD 5, from which we draw many students. We will continue to implement the recruitment efforts described above to</p>	<p>The percentage of students in all three at-risk subgroups at Harlem Link continues to exceed CSD 3 so we will continue to implement our effective recruiting strategies.</p>

	maintain our strong ED enrollment going forward.	
English Language Learners	<p>For the recruitment of English language learners/multilingual learners (ELL/MLLs), we provide all recruitment and application materials in both Spanish and English. We also send these translated materials to neighborhoods and zip codes with large populations of immigrants. Our website offers translation into numerous different languages, and the student application is available in both Spanish and French in addition to English. We also provide a translator for every school presentation, recruitment fair, and information session that we offer. We host information sessions in day care centers throughout Harlem, including the Dorothy Day Early Childhood Center, and we have developed strong ties to community organizations that serve families of ELL/MLLs, such as the East Harlem Bilingual Head Start Center. We also partner with the NYC Charter School Center to participate in its recruitment efforts aimed at ELL/MLLs. In 2011, we were one of twenty schools to pilot the common online application from the NYC Charter School Center, which we have participated in ever since. These partnerships allow us to reach more students and share information about our extensive ELL/MLL program. Our robust recruitment efforts for ELL/MLLs resulted in increased enrollment</p>	<p>The percentage of students in all three at-risk subgroups at Harlem Link continues to exceed CSD 3 so we will continue to implement our effective recruiting strategies.</p>

	<p>of this subgroup during our fourth charter term, reaching 11% in 2021-22 and exceeding CSD 3 by five percentage points. In 2021-22, enrollment of ELL/MLLs in CSD 5 was 11%, the same as HLCS. Going forward, we are continuing to use the strategies described above to maintain the growth we have demonstrated in enrollment of ELL/MLLs during this charter term.</p>	
Students with Disabilities	<p>We conduct outreach for students with disabilities (SWD) in areas with a high percentage of students receiving services for disabilities. All of our recruitment materials and information sessions include a clear description of our extensive services for SWD, which are described below. We also work with several preschools that serve large populations of SWD, including the Annie. G Newsome Head Start Center and the Union Street Settlement Associate Day Care, to notify families about our program. During the recruitment and orientation process, we do not ask families whether their children have been identified as having a disability; we believe that this question may discourage families from enrolling due to fear of stigmatization. Instead, we use the Special Education Student Information System (SESIS) from the New York City Department of Education to identify whether new enrollees are eligible for</p>	<p>The percentage of students in all three at-risk subgroups at Harlem Link continues to exceed CSD 3 so we will continue to implement our effective recruiting strategies.</p>

	<p>special education services. In all recruitment efforts we emphasize our inclusive model, grounded in collaborative team teaching, which facilitates the integration of SWD and general education students.</p> <p>Our SWD recruitment efforts support our enrollment of this population, which averaged 26% in our fourth charter term. Enrollment for SWD at HLCS exceeded CSD 3 in each year of our fourth charter term, while we approached the SWD enrollment of CSD 5.</p>

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2021-2022	Describe Retention Plans in 2022-2023
	<p>HLCS has enrolled a high percentage of ED students since our school first opened. As such, many elements of our program are designed to meet the needs of these students. Our support for ED students is grounded in the belief that, along with the material needs associated with economic insecurity, students coming from high levels of poverty are more likely to experience childhood trauma; these factors then contribute to the achievement gap. To address this, we strive to provide trauma-informed practices in the classroom; teachers are trained in this approach through our partnership with the Bank Street College of Education's Safe and</p>	

Economically Disadvantaged	<p>Sound School program. Teachers are also trained in emotionally responsive practices and relationships-based learning; these approaches are especially effective for working with students who have experienced trauma. To further support ED students, we partner with the Northside Center for Child Development, which provides an onsite counselor for HLCS students.</p> <p>We support ED families materially by providing free school uniforms to any family who expresses economic hardship. We also offer an after-school program for our students. Finally, HLCS works with ED families to address economic and housing insecurity. These components of our school program have contributed to strong retention for ED students in our fourth charter term.</p>	<p>Going forward, we will continue to implement the strategies described to the left.</p>
	<p>We employ two dedicated ELL/MLL staff members: the English as a new language (ENL) specialist and ENL teacher. These staff members oversee our highly differentiated ELL/MLL program, within which students are provided both stand-alone instruction, which targets listening, speaking, reading, and writing, as well as integrated instruction in core content areas. Our ENL specialist is also responsible for identifying ELL/MLLs and coordinating and administering state exams and internal assessments for</p>	

English Language Learners	<p>ELL/MLLs. The ENL teacher supports the specialist with these responsibilities. All teachers use the RC approach to instruction, which centers students' identities, abilities, and interests. Teachers regularly integrate content that includes language as an aspect of identity to help students celebrate their home language(s). For example, during morning meeting, students practice greetings in different languages. All HLCS teachers are trained to use scaffolds such as graphic organizers, word banks, and explicit vocabulary instruction, to meet the needs of ELL/MLLs in the classroom. During the summer institute, all new and returning teachers receive an overview of our ENL program and learn general best practices for the instruction of this population.</p>	<p>Going forward, we will continue to implement the strategies described to the left.</p>
Students with Disabilities	<p>During their time at HLCS, SWD are supported through our integrated co-teaching (ICT) structure and multi-tiered systems of support (MTSS) approach. ICT classrooms have two full time teachers, one of whom is certified in SPED, and both teachers collaborate to implement their students' IEPs, using learning goals to craft lessons that incorporate specifically designed instruction (SDI). In 2021-22, of 18 total classrooms for kindergarten through Grade 5, 17 were ICT classrooms and one was general education. At the beginning of</p>	<p>Going forward, we will continue to implement the strategies described to the left.</p>

each school year, ICT teaching pairs review their IEP caseloads and develop strategies for addressing specific student needs.

Entry 10 - Teacher and Administrator Attrition

Completed Aug 1 2022

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeeprintoct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).
