Entry 10 - Teacher and Administrator Attrition

Completed Aug 1 2022

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

Completed Aug 1 2022

Instructions for submitting School Calendar

Required of ALL Charter Schools

If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2022 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2022**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools *"... unless the school's charter requires more instructional time than is required under the regulations."*

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month. See an example of a calendar showing the requested information. Schools are encouraged to use a calendar template and ensure there is a monthly tally of instructional days.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

KIPP NYC Public Charter Schools

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of KIPP NYC Public Charter Schools (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of KIPP NYC Public Charter Schools as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KIPP NYC Public Charter Schools and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KIPP NYC Public Charter School's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KIPP NYC Public Charter School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KIPP NYC Public Charter School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary schedules, which comprise the schedule of financial position by school, schedule of activities by school, and schedules of functional expenses, and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary schedules and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2022 on our consideration of KIPP NYC Public Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on the effectiveness of KIPP NYC Public Charter Schools' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KIPP NYC Public Charter Schools' internal control over financial reporting and compliance.

KIPP NYC PUBLIC CHARTER SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

KIPP NYC Public Charter Schools (the School) is an education corporation consisting of the consolidation of the former KIPP NYC Washington Heights Academy Charter School (Washington Heights), KIPP STAR College Prep Charter School (STAR), KIPP Infinity Charter School (Infinity), KIPP AMP Academy Charter School (AMP), KIPP Freedom Charter School (Freedom), KIPP Bronx Charter School II, KIPP Bronx Charter School III, KIPP Beyond Charter School.

In fiscal years 2021 and 2022, the School served students in grades kindergarten through twelve.

The major source of revenue and support for the School is from state and local funding on per pupil basis. The New York City Department of Food Services provides free and reduced-price lunches and the New York City Department of Transportation provides transportation vouchers directly to a majority of the School's students. Amounts with respect to these items are not included in these consolidated financial statements.

Consolidated Financial Statement Presentation

The consolidated financial statements of the School have been prepared on the accrual basis of accounting in accordance with established accounting standards for nonprofit entities. Accordingly, net assets and changes therein are classified as follows:

Net Assets with Donor Restrictions – Net assets subject to donor-imposed stipulations will be met either by actions of the School or by the passage of time. Net assets with donor restrictions contain donor-imposed restrictions that permit the school to use or expend the assets as specified.

Net Assets Without Donor Restrictions – Net assets not subject to donor-imposed stipulations.

Revenue is reported as an increase in net assets without donor restrictions, unless its use is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Expirations of restrictions on net assets are reported as net assets released from restrictions.

Principles of Consolidation

The consolidated financial statements include the accounts of the Organization and its eight wholly owned subsidiaries, Washington Heights PCS, LLC, STAR Harlem PCS, LLC, Infinity PCS, LLC, AMP PCS, LLC, Freedom PCS, LLC, Bronx PCS II, Bronx PCS III and KIPP Beyond PCS, LLC. All intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits.

Grants and Contract Receivables

Grants and contract receivables primarily consist of amounts due from the New York Department of Education for federal and state subsidy programs and private grants. Grants and contract receivables are stated at the amount management expects to collect from outstanding balances. As of June 30, 2022 and 2021, an allowance was not warranted.

Prepaid Expenses and Other Assets

Prepaid expenses and other assets include payments to other entities for services applicable to future accounting periods such as tenant contribution deposits, rental payments and insurance premiums. The cost of the prepaid expenses and other assets are recorded as expenditures/expenses when consumed rather than when purchased.

Governmental Funding

Revenue from the state and local governments resulting from the School's charter status is based on the number of students enrolled. The revenue is recorded when services are performed in accordance with the charter agreement. Federal and state funds are recognized by the School when the conditions are met.

Revenue from other government grants to which the School is entitled is recognized mostly on student enrollment. Some grants are provided for specific educational endeavors which are not based on student enrollment and are recorded when conditions are met by the grant agreement and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions.

Federal and state funds received prior to the services provided or the related expenditures being incurred are deferred and recorded as refundable advances in the statement of financial position. The School received cost reimbursable grants of \$794,644 and \$85,799 that have not been recognized at June 30, 2022 and 2021, respectfully, because qualifying expenditures have not yet been incurred.

Contributions

The School reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without restrictions and reported in the consolidated statements of activities as net assets released from restrictions. A contribution is conditional if a right of return or right of release exists as well as a barrier. The conditional contribution is recognized once the conditions have been met.

KIPP NYC PUBLIC CHARTER SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Goods and Services

Donated goods and services are recorded at their fair value when such services are rendered or goods are donated. Contributed services are recognized as contributions if the services: (a) create or enhance nonfinancial assets or (b) required specialized skills and are performed by people with those skills and would otherwise be purchased by the School and (c) are measurable.

A number of volunteers have made a contribution of their time to the School. These in-kind contributions have not been reflected in the consolidated financial statements since they do not meet the criteria for recognition under accounting standards for contributions.

Equipment, Improvements, and Depreciation

Property and equipment is recorded at cost. The School capitalizes purchases of equipment in excess of \$2,500. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. Property and equipment acquired with certain government contract funds are recorded as expenses when the grantor retains title.

Improvements to the facility are amortized over the useful life as there is no set lease term for the school building.

Expense Allocation

The costs of providing services have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Allocation of expenses to program services and supporting services is completed by direct expenses related to each function.

Concentration of Credit Risk

The School maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits.

Income Taxes

The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and applicable income tax regulations of the state of New York. No provision for income taxes has been established, as the School has no unrelated business activity.

Uncertain Tax Positions

The School recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the consolidated financial statements when it is more likely than not that the positions will be sustained upon examination by the taxing authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

As of June 30, 2022, the School had no uncertain tax positions that qualified for either recognition or disclosure in the consolidated financial statements. Additionally, the School had no interest or penalties related to income taxes.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In preparing these consolidated financial statements, the School has evaluated events and transactions for potential recognition or disclosure through October 28, 2022, the date the consolidated financial statements were available to be issued.

NOTE 2 LIQUIDITY

The School regularly monitors liquidity required to meet its operating needs and commitments, while also striving to maximize the investment of available funds. For purposes of analyzing resources available to meet general expenditures over the next year, the School considers all expenditures related to its ongoing school activities of teaching, educating, and other school activities. In addition to financial assets available to meet general expenditures over the next year, the School operates with a balanced budget and anticipates collecting sufficient revenue from state and local per pupil subsidy, federal and state grants and contributions in the next fiscal year to cover general expenditures.

As of June 30, 2022 and 2021, the following financial assets could be readily made available within one year of the statement of financial position date meet general expenditures:

| | <u>2022</u> | <u>2021</u> |
|--|----------------------|----------------------|
| Cash and Cash Equivalents | \$ 14,661,002 | \$ 7,007,553 |

| Total | <u>\$ 22,783,754</u> | <u>\$ 11,225,479</u> |

NOTE 3 KIPP NYC ENTERPRISE

The School is related to KIPP Academy Charter Schools through overlapping governance. Although not formally related to any other organizations, the School's mission is aligned with a set of other tax exempt organizations, all of which support education in New York City. The other mission-aligned tax exempt organizations include KIPP New York, Inc. (KNYI), KIPP Facilities Holdings, Inc., and PCS Properties Foundation, Inc., collectively referred to as the KIPP NYC Enterprise. From time to time, these organizations support each other through access to capital in support of their missions.

Amounts due to and from the KIPP NYC Enterprise represent short-term timing differences of expenses incurred on behalf of the School that have not been paid or received as of the financial statement date and are reflected on the financial statements as amounts Due to KIPP NYC Enterprise. As of June 30, 2022 and 2021, the School owed the KIPP NYC Enterprise a total of \$4,788,079 and \$-0-, respectively. As of June 30, 2022 and 2021, KIPP NYC Enterprise owed the School a total of \$-0- and \$1,753,681, respectively.

In April 2018, KNYI provided a \$2,000,000 interest-free loan to KIPP NYC Public Charter Schools to fund operations for the KIPP Freedom Charter Schools. The loan was paid in full during the year ending June 30, 2021.

NOTE 7 PENSION EXPENSE

The School is part of the KIPP NYC 403(b) Retirement Plan, a multiemployer defined contribution plan, under Section 403(b) of the IRC which employees of the School can elect to contribute. Employees, who choose this plan, can contribute up to the level set by the Internal Revenue Service. The Employer match is a discretionary contribution. The employer contributions to this Plan amounted \$2,127,604 and \$1,901,592 for the years ended June 30, 2022 and 2021, respectively.

**KIPP NYC PUBLIC CHARTER SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 7 PENSION EXPENSE (CONTINUED)

The School also contributes to the Teachers Retirement System of the City of New York, a multiemployer defined benefit pension plan (the Plan), on behalf of eligible teachers. The Plan provides New York City educators with retirement, disability, and death benefit services. The School's participation in the plan constitutes less than 1% of total plan contributions. The funded status of the Plan was 78.4% at June 30, 2019, the date of the most recent actuarial calculation as indicated in the June 30, 2021 plan audit. The amount charged to operations for contributions to this Plan amounted to \$689,375 and \$672,485 for the years ended June 30, 2022 and 2021, respectively.

NOTE 8 CAPITAL LEASE OBLIGATIONS

In September 2018, the School and KIPP Academy Charter School entered into a lease for computer equipment under a capital lease that expires in 2023. As of June 30, 2022 and 2021, the leased equipment are reflected at a cost of \$1,299,870 and related accumulated depreciation of \$1,054,067 and \$808,263, respectively. The lease requires annual payments of principal of \$245,804. The capital lease agreement states the total annual payments are equal to the cost value of the leased equipment and no interest is included in the payments.

Future minimum payments under the capital lease as of June 30, 2022 are as follows:

| <u>Year Ending June 30.</u> | <u>Amount</u> |
|------------------------------|-------------------|
| 2023 | \$ 245,803 |
| Total Capital Lease Payments | <u>\$ 245,803</u> |

NOTE 9 LOAN AGREEMENTS

On June 14, 2019, the Organization entered into a loan agreement for \$300,000 with KIPP Foundation. Interest accrues on the note at 1% per annum. As of June 30, 2022 and 2021, the outstanding principal balance of this note was \$300,000. Interest expense incurred for the years ended June 30, 2022 and 2021, was \$3,000. The loan matures and full payment is due in June 2025.

The School is responsible for any overtime-related costs for services provided beyond regular opening hours in all facilities. Costs for these kinds of services are included in contracted services in the accompanying consolidated statements of functional expenses.

The School occupied 338 East 146th St., Bronx, NY, a private facility, from July 2020 through August 2021. The lease began in July 2020 as a temporary home for KIPP Elements Primary School and was terminated in September 2021. Subsequently, KIPP Elements Primary School moved into the facility located at 501 Gerard Avenue, Bronx, NY (the Gerard Facility).

The School also occupies approximately 132,500 square feet of space at 201 East 144th St. in the South Bronx, where the joint high school for KIPP NYC Public Charter Schools and KIPP Academy Charter School resides. The facility was provided to the School at no cost, but the School must provide for continuing maintenance and operating expenses. The expenses are also included in building costs in the accompanying consolidated statements of functional expenses.

NOTE 11 LEASE AGREEMENT

On March 24, 2021 Gerard 501, LLC (Gerard) and the School entered into a sublease for the Gerard Facility. The sublease was amended and restated on November 30, 2021. The term of the sublease payments started September 1, 2021 and is through June 30, 2042; however the School intends to terminate at its first option on June 30, 2032. The annual base rental payments are due based on the rental payment schedule indicated in the amended lease agreement. The payout required for the termination option is included in the subsequent payment schedule and will be amortized over the life of the lease term. In addition per the agreement, the School shall pay additional rent expenses that include facility maintenance, repairs, utilities, safety and other expenses as stated in the agreement.

Minimum annual base rentals for each year subsequent to June 30, 2022 are as follows:

| <u>Year Ending June 30,</u> | <u>Amount</u> |
|-----------------------------|----------------------|
| 2023 | \$ 4,596,567 |
| 2024 | 4,646,567 |
| 2025 | 4,696,567 |
| 2026 | 4,790,498 |
| 2027 | 4,841,583 |
| Thereafter | <u>26,677,585</u> |
| Total | <u>\$ 50,249,367</u> |

The total rent expense for the years ended June 30, 2022 and 2021 was \$5,811,454 and \$-0-, respectively. Total rent expense also includes short-term leases. The deferred rent as of June 30, 2022 and 2021 was \$1,976,021 and \$-0-, respectively.

NOTE 12 TRADEMARK LICENSE AGREEMENT

The Knowledge is Power Program Foundation (KIPP Foundation) is a national, nonprofit organization that trains school leaders to open and run academically rigorous public schools. The School is a member of KIPP Foundation's KIPP Network of Schools and, as such, is eligible for a range of benefits and fee-based services.

The School has entered into a trademark license agreement with KIPP Foundation subject to a license fee of 1% per pupil operating revenue not to exceed \$30,000 per elementary school, middle school, or high school. The School incurred licensing fees amounting to \$383,102 and \$323,414 for the years ended June 30, 2022 and 2021, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 13 SHARED SERVICES AGREEMENT

The School is party to a fee agreement with KIPP NYC, LLC, a wholly owned disregarded entity of KIPP New York, Inc., for the back-office functions. The management fee is 12% of the revenue as defined in the services agreement. The management fee is 12% of the revenue as defined in the shared services agreement. The School incurred a management fee to LLC in the amount of \$15,538,942 and \$12,614,549 for the years ended June 30, 2022 and 2021, respectively. The amount due to LLC for shared services as of June 30, 2022 and 2021 was \$774,885 and \$577,149, respectively.

NOTE 14 OPERATING EXPENSES

Operating expenses are presented in the statement of functional expenses classified according to the significant program activity related to the purpose for which the school exists or supporting service.

The significant activities are:

Program Services – Regular Education and Special Education

Represents work (time and materials) that is specifically related to or necessary for the programming aspects of the School under the regular education and special education areas. The activities and related costs directly affecting students or parents fall under these program areas.

Support Services

Management and General

Time and materials relating to operating the nonprogrammatic/back-end operational functions of the School are reflected as management and general expenses. These expenses include, but are not limited to, human resources, finance, and technology activities.

NOTE 15 CONTINGENCY

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying consolidated financial statements. Accordingly, no amounts have been provided in the accompanying consolidated financial statements for such potential claims.

NOTE 16 TENANT CONTRIBUTION

As of July 13, 2020, the School entered into a lease anticipation, tenant contribution, pledge and repayment agreement (the Lease Anticipation Agreement) with KIPP Properties, LLC. In accordance with the Lease Anticipation Agreement, the School paid KIPP Properties, LLC a tenant contribution in the amount of \$9,000,000 toward the costs of the new facilities to be leased to the School. As of June 30, 2021, the tenant contribution is included in prepaid expense and other assets in the statement of financial position.

On August 27, 2021 the Lease Anticipation Agreement was terminated and the \$9,000,000 contribution was repaid to the Schools.

On July 30, 2021, a lease agreement was entered into between Canal West 75, LLC and KIPP NYC Public Charter Schools, pursuant to which KIPP NYC Public Charter Schools made a tenant contribution of \$5,453,000 toward the cost of development of a school facility at 75 Canal Street West, Bronx, New York. As of June 30, 2022, the tenant contribution is included in prepaid expense and other assets in the statement of financial position.

**KIPP NYC PUBLIC CHARTER SCHOOLS
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2022**

NOTE 1 GENERAL INFORMATION

The accompanying schedule of expenditures of federal awards presents the activities of the federal financial assistance programs of KIPP NYC Public Charter Schools (the School). Financial awards received directly from federal agencies, as well as financial assistance passed through other governmental agencies or nonprofit organizations, are included in the schedule.

NOTE 2 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the School and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

NOTE 3 RELATIONSHIP TO CONSOLIDATED FINANCIAL STATEMENTS

The schedule of expenditures of federal awards presents only a selected portion of the activities of the School. It is not intended to, nor does it, present either the balance sheet, revenue, expenditures, or changes in net assets. The financial activity for the aforementioned awards is reported in the School's consolidated statements of activities.

NOTE 4 INDIRECT COST RATE

KIPP NYC Public Charter Schools has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
KIPP NYC Public Charter Schools
New York, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of KIPP NYC Public Charter Schools, which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 28, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered KIPP NYC Public Charter Schools' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of KIPP NYC Public Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of KIPP NYC Public Charter Schools' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify a certain deficiency in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs as item 2022-001 that we consider to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether KIPP NYC Public Charter Schools' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
KIPP NYC Public Charter Schools
New York, New York

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited KIPP NYC Public Charter Schools' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of KIPP NYC Public Charter Schools' major federal programs for the year ended June 30, 2022. KIPP NYC Public Charter Schools' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, KIPP NYC Public Charter Schools complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of KIPP NYC Public Charter Schools and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of KIPP NYC Public Charter Schools' compliance with the compliance requirements referred to above.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on KIPP NYC Public Charter Schools' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about KIPP NYC Public Charter Schools' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding KIPP NYC Public Charter Schools' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of KIPP NYC Public Charter Schools' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of KIPP NYC Public Charter Schools' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Section II – Consolidated Financial Statement Findings

2021 – 001

Type of Finding:

- Material Weakness in Internal Control over Financial Reporting

Condition: During the performance of the audit, adjustments for the Gerard Facility operating lease were required to properly record the operating lease rental expense along with its termination option payout on a straight-line basis and record related deferred rent. The impact on the financial statements was an increase in liabilities and change in net assets of \$2,176,021. Timely and accurate account reconciliations are a necessary step in ensuring that financial statements are fairly stated in accordance with U.S. GAAP.

Criteria: Management is responsible for the accuracy and completeness of all financial records and related information. Internal controls should be in place to provide reasonable assurance that financial statements are prepared in accordance with U.S. GAAP.

Context: Financial statements should be prepared in accordance with U.S. GAAP.

Effect: The potential exists that misstatements of the annual financial statements could occur and not be prevented, or detected and corrected, by the organization’s internal controls.

Cause: During the initial evaluation of the lease, the proper accounting guidance was not applied to properly expense the lease on a straight-line-basis since the payments escalate throughout the term. In addition, the option to terminate the lease at its 10 year anniversary is required to be included in the lease schedule.

Recommendation: We recommend that management evaluate all general ledger account balances to reflect appropriate interim and year-end balances prior to the commencement of the audit. We recommend all new transactions be evaluated for proper recording under U.S. GAAP.

Views of Responsible Officials and Planned Corrective Actions: See accompanying corrective action plan for the year ended June 30, 2022.

**KIPP NYC PUBLIC CHARTER SCHOOLS
CORRECTIVE ACTION PLAN
YEAR ENDED JUNE 30, 2022**

U.S. Department of Education
U.S. Department of Agriculture

KIPP NYC Public Charter Schools respectfully submits the following corrective action plan for the year ended June 30, 2022

Audit period: July 1, 2021 - June 30, 2022

The findings from the schedule of findings and questioned costs are discussed below. The finding is numbered consistently with the number assigned in the schedule.

FINDINGS—FINANCIAL STATEMENT AUDIT

MATERIAL WEAKNESS

2022-001 Material Weakness in Internal Control over Financial Reporting
Recommendation: We recommend that management evaluate all general ledger account balances to reflect appropriate interim and year-end balances prior to the commencement of the audit. We recommend all new transactions be evaluated for proper recording under U.S. Generally Accepted Accounting Principles.

Explanation of disagreement with audit finding: There is no disagreement with the audit finding.

Action taken in response to finding: Current management has reviewed the controls and procedures and believes that certain procedures in place require additional training for adherence. Management is working with staff to conduct trainings throughout staff levels to ensure that all entries are made on a timely basis, and to confirm new standards with accounting consultants prior to recording. Additionally, current management is implementing a new system of review of entries to ensure they are accurate and reflect the appropriate accounting guidance. Management will also conduct additional reviews of financials before providing to auditors for the year-end audit process to prevent client proposed adjustments.

Name(s) of the contact person(s) responsible for corrective action: Diane Flynn, Interim Chief Financial Officer

Planned completion date for corrective action plan: Prior to the start of the 2023 financial audit.

If the U.S. Department of Education or the U.S. Department of Agriculture has questions regarding this plan, please call Diane Flynn, 973-379-3629.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of KIPP NYC Public Charter Schools (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of KIPP NYC Public Charter Schools as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KIPP NYC Public Charter Schools and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KIPP NYC Public Charter School's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KIPP NYC Public Charter School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KIPP NYC Public Charter School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary schedules, which comprise the schedule of financial position by school, schedule of activities by school, and schedules of functional expenses, and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary schedules and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2022 on our consideration of KIPP NYC Public Charter Schools’ internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on the effectiveness of KIPP NYC Public Charter Schools’ internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KIPP NYC Public Charter Schools’ internal control over financial reporting and compliance.

**KIPP NYC PUBLIC CHARTER SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

KIPP NYC Public Charter Schools (the School) is an education corporation consisting of the consolidation of the former KIPP NYC Washington Heights Academy Charter School (Washington Heights), KIPP STAR College Prep Charter School (STAR), KIPP Infinity Charter School (Infinity), KIPP AMP Academy Charter School (AMP), KIPP Freedom Charter School (Freedom), KIPP Bronx Charter School II, KIPP Bronx Charter School III, KIPP Beyond Charter School.

In fiscal years 2021 and 2022, the School served students in grades kindergarten through twelve.

The major source of revenue and support for the School is from state and local funding on per pupil basis. The New York City Department of Food Services provides free and reduced-price lunches and the New York City Department of Transportation provides transportation vouchers directly to a majority of the School's students. Amounts with respect to these items are not included in these consolidated financial statements.

Consolidated Financial Statement Presentation

The consolidated financial statements of the School have been prepared on the accrual basis of accounting in accordance with established accounting standards for nonprofit entities. Accordingly, net assets and changes therein are classified as follows:

Net Assets with Donor Restrictions – Net assets subject to donor-imposed stipulations will be met either by actions of the School or by the passage of time. Net assets with donor restrictions contain donor-imposed restrictions that permit the school to use or expend the assets as specified.

Net Assets Without Donor Restrictions – Net assets not subject to donor-imposed stipulations.

Revenue is reported as an increase in net assets without donor restrictions, unless its use is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Expirations of restrictions on net assets are reported as net assets released from restrictions.

Principles of Consolidation

The consolidated financial statements include the accounts of the Organization and its eight wholly owned subsidiaries, Washington Heights PCS, LLC, STAR Harlem PCS, LLC, Infinity PCS, LLC, AMP PCS, LLC, Freedom PCS, LLC, Bronx PCS II, Bronx PCS III and KIPP Beyond PCS, LLC. All intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**KIPP NYC PUBLIC CHARTER SCHOOLS
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits.

Grants and Contract Receivables

Grants and contract receivables primarily consist of amounts due from the New York Department of Education for federal and state subsidy programs and private grants. Grants and contract receivables are stated at the amount management expects to collect from outstanding balances. As of June 30, 2022 and 2021, an allowance was not warranted.

Prepaid Expenses and Other Assets

Prepaid expenses and other assets include payments to other entities for services applicable to future accounting periods such as tenant contribution deposits, rental payments and insurance premiums. The cost of the prepaid expenses and other assets are recorded as expenditures/expenses when consumed rather than when purchased.

Governmental Funding

Revenue from the state and local governments resulting from the School's charter status is based on the number of students enrolled. The revenue is recorded when services are performed in accordance with the charter agreement. Federal and state funds are recognized by the School when the conditions are met.

Revenue from other government grants to which the School is entitled is recognized mostly on student enrollment. Some grants are provided for specific educational endeavors which are not based on student enrollment and are recorded when conditions are met by the grant agreement and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions.

Federal and state funds received prior to the services provided or the related expenditures being incurred are deferred and recorded as refundable advances in the statement of financial position. The School received cost reimbursable grants of \$794,644 and \$85,799 that have not been recognized at June 30, 2022 and 2021, respectively, because qualifying expenditures have not yet been incurred.

Contributions

The School reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without restrictions and reported in the consolidated statements of activities as net assets released from restrictions. A contribution is conditional if a right of return or right of release exists as well as a barrier. The conditional contribution is recognized once the conditions have been met.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Goods and Services

Donated goods and services are recorded at their fair value when such services are rendered or goods are donated. Contributed services are recognized as contributions if the services: (a) create or enhance nonfinancial assets or (b) required specialized skills and are performed by people with those skills and would otherwise be purchased by the School and (c) are measurable.

A number of volunteers have made a contribution of their time to the School. These in-kind contributions have not been reflected in the consolidated financial statements since they do not meet the criteria for recognition under accounting standards for contributions.

Equipment, Improvements, and Depreciation

Property and equipment is recorded at cost. The School capitalizes purchases of equipment in excess of \$2,500. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. Property and equipment acquired with certain government contract funds are recorded as expenses when the grantor retains title.

Improvements to the facility are amortized over the useful life as there is no set lease term for the school building.

Expense Allocation

The costs of providing services have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Allocation of expenses to program services and supporting services is completed by direct expenses related to each function.

Concentration of Credit Risk

The School maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits.

Income Taxes

The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and applicable income tax regulations of the state of New York. No provision for income taxes has been established, as the School has no unrelated business activity.

Uncertain Tax Positions

The School recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the consolidated financial statements when it is more likely than not that the positions will be sustained upon examination by the taxing authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

As of June 30, 2022, the School had no uncertain tax positions that qualified for either recognition or disclosure in the consolidated financial statements. Additionally, the School had no interest or penalties related to income taxes.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In preparing these consolidated financial statements, the School has evaluated events and transactions for potential recognition or disclosure through October 28, 2022, the date the consolidated financial statements were available to be issued.

NOTE 2 LIQUIDITY

The School regularly monitors liquidity required to meet its operating needs and commitments, while also striving to maximize the investment of available funds. For purposes of analyzing resources available to meet general expenditures over the next year, the School considers all expenditures related to its ongoing school activities of teaching, educating, and other school activities. In addition to financial assets available to meet general expenditures over the next year, the School operates with a balanced budget and anticipates collecting sufficient revenue from state and local per pupil subsidy, federal and state grants and contributions in the next fiscal year to cover general expenditures.

As of June 30, 2022 and 2021, the following financial assets could be readily made available within one year of the statement of financial position date meet general expenditures:

| | <u>2022</u> | <u>2021</u> |
|--|----------------------|----------------------|
| Cash and Cash Equivalents | \$ 14,661,002 | \$ 7,007,553 |

| Total | <u>\$ 22,783,754</u> | <u>\$ 11,225,479</u> |

NOTE 3 KIPP NYC ENTERPRISE

The School is related to KIPP Academy Charter Schools through overlapping governance. Although not formally related to any other organizations, the School's mission is aligned with a set of other tax exempt organizations, all of which support education in New York City. The other mission-aligned tax exempt organizations include KIPP New York, Inc. (KNYI), KIPP Facilities Holdings, Inc., and PCS Properties Foundation, Inc., collectively referred to as the KIPP NYC Enterprise. From time to time, these organizations support each other through access to capital in support of their missions.

Amounts due to and from the KIPP NYC Enterprise represent short-term timing differences of expenses incurred on behalf of the School that have not been paid or received as of the financial statement date and are reflected on the financial statements as amounts Due to KIPP NYC Enterprise. As of June 30, 2022 and 2021, the School owed the KIPP NYC Enterprise a total of \$4,788,079 and \$-0-, respectively. As of June 30, 2022 and 2021, KIPP NYC Enterprise owed the School a total of \$-0- and \$1,753,681, respectively.

In April 2018, KNYI provided a \$2,000,000 interest-free loan to KIPP NYC Public Charter Schools to fund operations for the KIPP Freedom Charter Schools. The loan was paid in full during the year ending June 30, 2021.

NOTE 7 PENSION EXPENSE (CONTINUED)

The School also contributes to the Teachers Retirement System of the City of New York, a multiemployer defined benefit pension plan (the Plan), on behalf of eligible teachers. The Plan provides New York City educators with retirement, disability, and death benefit services. The School's participation in the plan constitutes less than 1% of total plan contributions. The funded status of the Plan was 78.4% at June 30, 2019, the date of the most recent actuarial calculation as indicated in the June 30, 2021 plan audit. The amount charged to operations for contributions to this Plan amounted to \$689,375 and \$672,485 for the years ended June 30, 2022 and 2021, respectively.

NOTE 8 CAPITAL LEASE OBLIGATIONS

In September 2018, the School and KIPP Academy Charter School entered into a lease for computer equipment under a capital lease that expires in 2023. As of June 30, 2022 and 2021, the leased equipment are reflected at a cost of \$1,299,870 and related accumulated depreciation of \$1,054,067 and \$808,263, respectively. The lease requires annual payments of principal of \$245,804. The capital lease agreement states the total annual payments are equal to the cost value of the leased equipment and no interest is included in the payments.

Future minimum payments under the capital lease as of June 30, 2022 are as follows:

| <u>Year Ending June 30,</u> | <u>Amount</u> |
|------------------------------|-------------------|
| 2023 | \$ 245,803 |
| Total Capital Lease Payments | <u>\$ 245,803</u> |

NOTE 9 LOAN AGREEMENTS

On June 14, 2019, the Organization entered into a loan agreement for \$300,000 with KIPP Foundation. Interest accrues on the note at 1% per annum. As of June 30, 2022 and 2021, the outstanding principal balance of this note was \$300,000. Interest expense incurred for the years ended June 30, 2022 and 2021, was \$3,000. The loan matures and full payment is due in June 2025.

Minimum loan payments for each year subsequent to June 30, 2022 are as follows:

| <u>Year Ending June 30,</u> | <u>Amount</u> |
|-----------------------------|-------------------|
| 2023 | \$ 100,000 |
| 2024 | 100,000 |

NOTE 10 SCHOOL FACILITIES

The School occupies several facilities at no cost. The School has an agreement with the New York City Department of Education for the following dedicated and shared space:

- P.S. 125, a New York City public school, located at 433 West 123rd Street, New York City, New York;
- P.S. 115, New York City public school, located at 586 West 177th Street, New York City, New York;
- I.S. 90, a New York City public school, located at 21 Jumel Place, New York City, New York;
- M.S. 390, a New York City public school, located at 1224 Park Place, Brooklyn, New York;
- M.S. 195, a New York City public school, located at 625 West 133rd Street, New York City, New York;
- X859, a New York City public school, located at 2246 Jerome Avenue, Bronx, New York;
- P.S. 44, a New York City public school, located at 1825 Prospect Avenue, Bronx, New York;
- M.S. 45, a New York City public school, located at 2502 Lorillard Place, Bronx, New York.

The School is responsible for any overtime-related costs for services provided beyond regular opening hours in all facilities. Costs for these kinds of services are included in contracted services in the accompanying consolidated statements of functional expenses.

The School occupied 338 East 146th St., Bronx, NY, a private facility, from July 2020 through August 2021. The lease began in July 2020 as a temporary home for KIPP Elements Primary School and was terminated in September 2021. Subsequently, KIPP Elements Primary School moved into the facility located at 501 Gerard Avenue, Bronx, NY (the Gerard Facility).

The School also occupies approximately 132,500 square feet of space at 201 East 144th St. in the South Bronx, where the joint high school for KIPP NYC Public Charter Schools and KIPP Academy Charter School resides. The facility was provided to the School at no cost, but the School must provide for continuing maintenance and operating expenses. The expenses are also included in building costs in the accompanying consolidated statements of functional expenses.

NOTE 11 LEASE AGREEMENT

On March 24, 2021 Gerard 501, LLC (Gerard) and the School entered into a sublease for the Gerard Facility. The sublease was amended and restated on November 30, 2021. The term of the sublease payments started September 1, 2021 and is through June 30, 2042; however the School intends to terminate at its first option on June 30, 2032. The annual base rental payments are due based on the rental payment schedule indicated in the amended lease agreement. The payout required for the termination option is included in the subsequent payment schedule and will be amortized over the life of the lease term. In addition per the agreement, the School shall pay additional rent expenses that include facility maintenance, repairs, utilities, safety and other expenses as stated in the agreement.

Minimum annual base rentals for each year subsequent to June 30, 2022 are as follows:

| <u>Year Ending June 30,</u> | <u>Amount</u> |
|-----------------------------|----------------------|
| 2023 | \$ 4,596,567 |
| 2024 | 4,646,567 |
| 2025 | 4,696,567 |

| 2027 | 4,841,583 |
| Thereafter | <u>26,677,585</u> |
| Total | <u>\$ 50,249,367</u> |

The total rent expense for the years ended June 30, 2022 and 2021 was \$5,811,454 and \$-0-, respectively. Total rent expense also includes short-term leases. The deferred rent as of June 30, 2022 and 2021 was \$1,976,021 and \$-0-, respectively.

NOTE 12 TRADEMARK LICENSE AGREEMENT

The Knowledge is Power Program Foundation (KIPP Foundation) is a national, nonprofit organization that trains school leaders to open and run academically rigorous public schools. The School is a member of KIPP Foundation’s KIPP Network of Schools and, as such, is eligible for a range of benefits and fee-based services.

The School has entered into a trademark license agreement with KIPP Foundation subject to a license fee of 1% per pupil operating revenue not to exceed \$30,000 per elementary school, middle school, or high school. The School incurred licensing fees amounting to \$383,102 and \$323,414 for the years ended June 30, 2022 and 2021, respectively.

NOTE 13 SHARED SERVICES AGREEMENT

The School is party to a fee agreement with KIPP NYC, LLC, a wholly owned disregarded entity of KIPP New York, Inc., for the back-office functions. The management fee is 12% of the revenue as defined in the services agreement. The management fee is 12% of the revenue as defined in the shared services agreement. The School incurred a management fee to LLC in the amount of \$15,538,942 and \$12,614,549 for the years ended June 30, 2022 and 2021, respectively. The amount due to LLC for shared services as of June 30, 2022 and 2021 was \$774,885 and \$577,149, respectively.

NOTE 14 OPERATING EXPENSES

Operating expenses are presented in the statement of functional expenses classified according to the significant program activity related to the purpose for which the school exists or supporting service.

The significant activities are:

Program Services – Regular Education and Special Education

Represents work (time and materials) that is specifically related to or necessary for the programming aspects of the School under the regular education and special education areas. The activities and related costs directly affecting students or parents fall under these program areas.

Support Services

Management and General

Time and materials relating to operating the nonprogrammatic/back-end operational functions of the School are reflected as management and general expenses. These expenses include, but are not limited to, human resources, finance, and technology activities.

NOTE 15 CONTINGENCY

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying consolidated financial statements. Accordingly, no amounts have been provided in the accompanying consolidated financial statements for such potential claims.

**KIPP NYC PUBLIC CHARTER SCHOOLS
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2022**

NOTE 1 GENERAL INFORMATION

The accompanying schedule of expenditures of federal awards presents the activities of the federal financial assistance programs of KIPP NYC Public Charter Schools (the School). Financial awards received directly from federal agencies, as well as financial assistance passed through other governmental agencies or nonprofit organizations, are included in the schedule.

NOTE 2 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the School and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

NOTE 3 RELATIONSHIP TO CONSOLIDATED FINANCIAL STATEMENTS

The schedule of expenditures of federal awards presents only a selected portion of the activities of the School. It is not intended to, nor does it, present either the balance sheet, revenue, expenditures, or changes in net assets. The financial activity for the aforementioned awards is reported in the School's consolidated statements of activities.

NOTE 4 INDIRECT COST RATE

KIPP NYC Public Charter Schools has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
KIPP NYC Public Charter Schools
New York, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of KIPP NYC Public Charter Schools, which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 28, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered KIPP NYC Public Charter Schools' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of KIPP NYC Public Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of KIPP NYC Public Charter Schools' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify a certain deficiency in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs as item 2022-001 that we consider to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether KIPP NYC Public Charter Schools' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
KIPP NYC Public Charter Schools
New York, New York

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited KIPP NYC Public Charter Schools' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of KIPP NYC Public Charter Schools' major federal programs for the year ended June 30, 2022. KIPP NYC Public Charter Schools' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, KIPP NYC Public Charter Schools complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of KIPP NYC Public Charter Schools and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of KIPP NYC Public Charter Schools' compliance with the compliance requirements referred to above.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on KIPP NYC Public Charter Schools' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about KIPP NYC Public Charter Schools' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding KIPP NYC Public Charter Schools' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of KIPP NYC Public Charter Schools' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of KIPP NYC Public Charter Schools' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Section II – Consolidated Financial Statement Findings

2021 – 001

Type of Finding:

- Material Weakness in Internal Control over Financial Reporting

Condition: During the performance of the audit, adjustments for the Gerard Facility operating lease were required to properly record the operating lease rental expense along with its termination option payout on a straight-line basis and record related deferred rent. The impact on the financial statements was an increase in liabilities and change in net assets of \$2,176,021. Timely and accurate account reconciliations are a necessary step in ensuring that financial statements are fairly stated in accordance with U.S. GAAP.

Criteria: Management is responsible for the accuracy and completeness of all financial records and related information. Internal controls should be in place to provide reasonable assurance that financial statements are prepared in accordance with U.S. GAAP.

Context: Financial statements should be prepared in accordance with U.S. GAAP.

Effect: The potential exists that misstatements of the annual financial statements could occur and not be prevented, or detected and corrected, by the organization’s internal controls.

Cause: During the initial evaluation of the lease, the proper accounting guidance was not applied to properly expense the lease on a straight-line-basis since the payments escalate throughout the term. In addition, the option to terminate the lease at its 10 year anniversary is required to be included in the lease schedule.

Recommendation: We recommend that management evaluate all general ledger account balances to reflect appropriate interim and year-end balances prior to the commencement of the audit. We recommend all new transactions be evaluated for proper recording under U.S. GAAP.

Views of Responsible Officials and Planned Corrective Actions: See accompanying corrective action plan for the year ended June 30, 2022.

Board of Directors
KIPP NYC Public Charter Schools
New York, New York

We have audited the consolidated financial statements of KIPP NYC Public Charter Schools as of and for the year ended June 30, 2022, and have issued our report thereon dated October 28, 2022. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), as well as certain information related to the planned scope and timing of our audit in our engagement agreement dated June 1, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings or issues

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by KIPP NYC Public Charter Schools are described in Note 1 to the consolidated financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2022.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the consolidated financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the consolidated financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the consolidated financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the consolidated financial statements were:

- Management's estimate of the due from New York State Education Department is based on amounts anticipated to be received from the state for various federal and state aid entitlements for fiscal 2021-2022. Due to the timing of the review and approval of the reimbursements, the actual reimbursement may differ from the estimate. Management expects any differences between estimated and actual amounts will be insignificant.
- Management's estimate of depreciation is based on the estimated useful lives of the buildings, leasehold improvements, equipment, and furniture. We evaluated the key factors and assumptions used to develop depreciation in determining that it is reasonable in relation to the consolidated financial statements taken as a whole.

- Management's estimate of the functional allocation of expenses shared between programs, management and general, and fundraising is based on a reasonable and consistent basis using factors such as direct payroll allocation, square footage, full time equivalents within each department, and total direct expenses. We evaluated the key factors and assumptions used to develop the allocation in determining that it is reasonable in relation to the consolidated financial statements taken as a whole.

Consolidated Financial statement disclosures

Certain consolidated financial statement disclosures are particularly sensitive because of their significance to consolidate financial statement users. There were no particularly sensitive consolidated financial statement disclosures.

The consolidated financial statement disclosures are neutral, consistent, and clear.

Difficulties encountered in performing the audit

The completion of the audit was delayed for matters with the timing of the finance department's completion of certain reconciliations and audit information.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Corrected misstatements

The following material misstatements detected as a result of audit procedures were corrected by management:

- An audit adjustment was proposed and recorded by management to recognize the operating lease rental expense of the Gerard Facility along with the termination option and its related deferred rent in the current year on a straight-line basis. The net effect on the change in net assets was a decrease of \$2,176,021 for the year ending June 30, 2022.

Disagreements with management

For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the consolidated financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated October 28, 2022.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the entity’s consolidated financial statements or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

Supplementary information in relation to the consolidated financial statements as a whole

With respect to the schedule of expenditures of federal awards (SEFA) accompanying the consolidated financial statements, on which we were engaged to report in relation to the consolidated financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the SEFA to determine that the SEFA complies with the requirements of the Uniform Guidance, the method of preparing it has not changed from the prior period or the reasons for such changes, and the SEFA is appropriate and complete in relation to our audit of the consolidated financial statements. We compared and reconciled the SEFA to the underlying accounting records used to prepare the consolidated financial statements or to the consolidated financial statements themselves. We have issued our report thereon dated October 28, 2022.

With respect to the Supplemental Schedule of Financial Position By School, Schedule of Activities By School, Schedule of Functional Expenses – KIPP Star College Prep Charter School, Schedule of Functional Expenses – KIPP NYC Washington Heights Academy Charter School, Schedule of Functional Expenses – KIPP AMP Academy Charter School, Schedule of Functional Expenses – KIPP Infinity Charter School, Functional Expenses – KIPP Freedom Charter School, Functional Expenses – KIPP Bronx II Carter School, Functional Expenses – KIPP Bronx III Carter School, Functional Expenses – KIPP Beyond Charter School and Functional Expenses – KIPP NYC Public Charter Schools (collectively, the supplementary information) accompanying the consolidated financial statements, on which we were engaged to report in relation to the consolidated financial statements as a whole, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period or the reasons for such changes, and the information is appropriate and complete in relation to our audit of the consolidated financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the consolidated financial statements or to the consolidated financial statements themselves. We have issued our report thereon dated.

Board of Directors and Management
KIPP NYC Public Charter Schools
New York, New York

In planning and performing our audit of the financial statements of KIPP NYC Public Charter Schools as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the entity's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control.

However, during our audit we became aware of one matter that is opportunity to strengthen your internal control and improve the efficiency of your operations. Our comments and suggestions regarding this matter is summarized below. This letter does not affect our report on the financial statements dated October 28, 2022.

Adjustments and Year-End Closing

During the performance of our audit engagement procedures, client proposed adjustments were provided to adjust the initial trial balance that was provided. Proposed adjustments were subsequently provided by management relating to due to/due from accounts, receivables, revenue, other liabilities and expenses. Timely and accurate account reconciliations are a necessary step in ensuring that financial statements are fairly stated.

Management is responsible for the accuracy and completeness of all financial records and related information. Their responsibilities include adjusting the financial statements to correct material misstatements. We recommend that management work to adjust all general ledger account balances to reflect appropriate interim and year-end balances.

Management's Response

Current management has reviewed the controls and procedures and believes that certain procedures in place require additional training for adherence. Management is working with staff to conduct trainings throughout staff levels to ensure that all entries are made on a timely basis, and to confirm new standards with accounting consultants prior to recording. Additionally, current management is implementing a new system of review of entries to ensure they are accurate and reflect the appropriate accounting guidance. Management will also conduct additional reviews of financials before providing to auditors for the year-end audit process to prevent client proposed adjustments.

Management's response

Organization's written response to the material weaknesses and other matter identified in our audit was not subjected to the audit procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

We will review the status of this comment during our next audit engagement. We have already discussed the comment and suggestions with various entity personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

This communication is intended solely for the information and use of management, board of directors, and others within the entity, and is not intended to be, and should not be, used by anyone other than these specified parties.

Conflicts of Interest Policy

KIPP NYC Public Charter Schools & KIPP Academy Charter School

Purpose:

KIPP NYC Public Charter Schools and KIPP Academy Charter School (collectively, “KIPP NYC”) has adopted a Code of Ethics setting forth for the guidance of trustees, officers and employees the standards of conduct expected of them, including standards with respect to disclosure of conflicts of interest regarding any matter brought or required to be brought before their respective Boards. The Conflict of Interest Policy is part of the Codes of Ethics adopted by each of the Corporations. It provides procedures for addressing, disclosing, and documenting conflicts of interest as such term is used in §§ 800 through 806 of the New York State General Municipal Law (hereafter “the Municipal Law”) and in § 715-a of the Not-for-Profit Corporation Law. It also includes procedures for addressing Related Party Transactions, as such term is defined in § 102 (24) of the Not-for-Profit Corporation Law. The Policy supplements, and does not replace any applicable provisions of the General Municipal Law and other state and federal laws governing conflicts of interest. It applies to all Trustees, Officers and Key Employees of each of the Corporations. The Schools will be referred to herein, individually, as “the Corporation.”

Definitions:

“Affiliate” means an entity controlled by, in control of, or under common control with the Corporation.

“Audit Committee” means the Audit Committee of the Corporation, as described in the By-laws of the Corporation. The Audit Committee is comprised of at least three Trustees who are Independent Directors as defined in § 102 (21) of the Not-for-Profit Corporation Law and in this Policy.

“Board” means the Board of Trustees.

“Compensation” means direct or indirect remuneration, as well as gifts or favors. A gift or favor that is valued at \$75 or more is expressly prohibited by the Municipal Law when offered to a Trustee, Officer or Key Employee in connection with official duties, but gifts of lesser value may also be subject to this policy.

“Corporation” refers to each of the KIPP NYC Public Charter Schools which have adopted this policy and which are Education Corporations and, as such, subject to provisions of the Not-for-Profit Corporation Law made applicable to education corporations by § 216-a of the Education Law. Each Corporation, as a chartered entity, is also subject to the Conflict of Interest Provisions of §§ 800 through 806 of the General Municipal Law,

“Financial Interest”: A person has a “Financial Interest” in a transaction if such person would receive an economic benefit, directly or indirectly, from such transaction or compensation agreement.

“Independent Director” means a Trustee who (i) is not, and has not been within the last three years, an employee of the Corporation or an Affiliate and does not have a Relative who is, or has been within the last three years, a Key Employee of the Corporation or of an Affiliate; (ii) has not received, and does not have a Relative who has received, in any of the last three fiscal years, more than \$10,000 in direct compensation from the Corporation or from an Affiliate (other than reimbursement for expenses reasonably incurred as a Trustee, Officer or Key Employee); and (iii) is not a current employee of, or does not have a substantial financial interest in, and does not have a Relative who is a current officer of or who has a substantial financial interest in, any entity that has made payments to, or received payments from the Corporation or from an Affiliate for property or services in an amount which, in any of the last three fiscal years, exceeds the lesser of \$25,000 or 2 % of such entity’s consolidated gross revenues. For these purposes, “payment” does not include charitable contributions.

“Key Employee” includes but is not limited to any person who is in a position to exercise substantial influence over the Corporation, as defined from time to time by the Corporation, or who has or shares authority to control or determine a substantial portion of the operating budgets of the Corporation or the schools or compensation for employees.

“Related Party” means: (1) any Trustee, Officer, or Key Employee of the Corporation or an Affiliate; (2) A Relative of any Trustee, Officer, or Key Employee of the Corporation or an Affiliate or (3) any entity in which any individual described in clause (1) or (2) of this definition has a 35% or greater ownership or beneficial interest, except that in the case of a partnership or professional corporation, a Related Party will include an entity in which any individual described in clause (1) or (2) above has a direct or indirect ownership interest in excess of 5%.

“Related Party Transaction” means any transaction or agreement or other kind of arrangement between the Corporation and a Related Party or an entity in which the Related Party has an interest. Related Party Transactions are subject to special provisions for disclosure, evaluation and documentation. In addition, certain Related Party Transactions are subject to limitations described in the Municipal Law. These special provisions and limitations are summarized in this Policy.

“Relative” means an individual’s spouse or domestic partner, as defined in Public Health Law §2994-a, ancestors, siblings (whether whole or half-blood), children (whether natural or adopted), grandchildren, great grandchildren and spouses or domestic partners of ancestors, siblings, children, grandchildren, and great-grandchildren. Children of siblings and their spouses and partners will also be considered Relatives under this Policy.

“School” any school managed by the Corporation.

“Trustees” and “Officers” are the elected individuals responsible for managing the affairs of the Corporation as described in the By-laws.

What is a Conflict of Interest?

For purposes of this Policy, a “Conflict of Interest” arises when the personal, professional or financial interests of a Trustee, Officer or Key Employee diverge or may potentially diverge from the interests of the Corporation. A conflict of interest will arise when a transaction involving the Corporation could financially harm or benefit a person covered by this Policy, but a conflict of interest does not always involve financial interests. A conflict may also involve the use of the services or facilities of the Corporation or may involve the use of staff assistance for purposes other than carrying out professional or fiduciary duties.

Conflicts may also arise if a Trustee, Officer or Key Employee is asked to communicate on behalf of a person or firm with the Corporation. Accordingly, a Trustee, Officer or Key Employee may not communicate with the Board or a School on behalf of a person or a firm, unless requested to do so by the Corporation, and shall avoid engaging in activities that would appear to be unduly influenced by other persons who have a special interest in matters under consideration by the Trustee of the Corporation or employees of one of the Schools. If a Trustee, Officer or Key Employee inadvertently engages in such activities, he/she shall promptly notify the Board in writing of such activities and shall disclose all known facts prior to participating in a Board discussion of these matters.

Disclosure of Conflicts of Interest:

Written disclosure of all potential Conflicts of Interest is required of Trustees, Officers and Key Employees prior to election or appointment and annually thereafter. However, Conflicts of Interest may arise between annual updates and, accordingly, an individual with a duality of interest shall disclose the potential Conflict (a) prior to voting on or otherwise discharging his or her duties with respect to any matter involving the potential Conflict; (b) prior to entering into any contract or transaction involving the Corporation; and (c) as soon as possible after he or she learns of an actual or potential Conflict of Interest. Disclosure of the material facts surrounding the Conflict of Interest shall be made to the Chairperson of the Board and the Chairperson of the Audit Committee. The interested Trustee or Officer shall thereafter refrain from participating in deliberations and decisions relating to the matter unless he or she is asked for information by the Chairperson of the Board or the Audit Committee.

The existence and resolution (as applicable) of any reported Conflict of Interest shall be documented in the appropriate records of the Corporation, including in the minutes of any meeting at which the Conflict of Interest was discussed and voted upon.

A Key Employee who wishes to use staff assistance, services or facilities for purposes other than carrying out professional responsibilities will disclose the Conflict to the Principal of the School who will exercise discretion in allowing or disallowing the proposed use in accordance with this Policy.

Annual Statements:

Without limiting the general and continuing disclosure obligation set forth in the preceding section, the Chairperson of the Audit Committee shall distribute annually to all Trustees, Officers and Key Employees, a form soliciting the disclosure of all potential Conflicts of Interests, including specific information concerning the terms of any contract or transaction with the Corporation and whether the applicable processes set forth in this Policy were used. Each Trustee, Officer and Key Employee shall also annually sign a statement included with the form distributed by the Corporation which affirms such person:

- a. has received a copy of this Policy;
- b. has read and understands this Policy, and
- c. has agreed to comply with this Policy.

Written disclosures shall be submitted to and reviewed by the Chairperson of the Board and the Chairperson of the Audit Committee.

Related Party Transactions:

A Related Party Transaction is a transaction in which the Corporation is a party and a Related Party (as defined above) has a financial interest or another material interest. All rules and principles related to disclosure of Conflicts of Interest apply to Related Party Transactions, but in addition, the Trustees must initiate a formal Audit Committee review or a review by a quorum of the Board consisting of Independent Trustees.

Any Trustee, Officer or Key Employee with an interest in a Related Party Transaction shall make a good faith disclosure of all material facts related to such interest to the Audit Committee. The Audit Committee shall review all the material facts related to the proposed Related Party Transaction and request any additional information that it deems necessary to complete such review.

The Municipal Law prohibits transactions between Charter Schools and for-profit business entities in which a member of the Board of Trustees or a Key Employee has an interest if such Trustee or Key Employee has certain enumerated responsibilities. Accordingly, the Audit Committee will first determine whether or not the Trustee, Officer or Key Employee who has an interest in any proposed contract with a for-profit entity, has the power or duty, individually or as a member of the Board, to (1) negotiate, prepare, authorize or approve the contract or authorize payment thereunder; (2) audit bills or claims under the contract; or (3) appoint an officer or employee who has any of these powers or duties. If the interested Trustee, Officer or Key Employee does not have any of the enumerated responsibilities or if the proposed contract is with a not-for-profit entity, or is otherwise authorized by § 802 of the Municipal Law, the Committee may continue its review.

If a Related Party Transaction is otherwise authorized and the Related Party has a “substantial” financial interest or other material interest in such transaction, as assessed by the Audit Committee, the Audit Committee shall consider alternative transactions to the proposed transaction and the Chairperson of the Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives. The Committee, after reviewing any such alternatives, shall determine whether the Corporation can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

The Audit Committee shall after considering alternative transactions and/or comparability data, determine whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of its decision.

Following its review the Audit Committee may approve the transaction, or may refer the matter to the Board of Trustees for approval by the Board.

Upon receiving a recommendation from the Audit Committee, the Board may accept the recommendation or make an independent determination as to whether the proposed transaction is fair, reasonable and in the best interests of the Corporation. Upon the affirmative vote of not less than a majority of independent Trustees present, the Trustees may authorize the transaction.

At the time of any deliberation or decision by the Audit Committee or the Board concerning the authorization of a proposed Related Party Transaction, the interested Trustee, Officer or Key Employee shall not be present and shall not attempt to improperly influence any deliberations or voting, provided that the Board, or Audit Committee, may request such individual to provide information regarding the Related Party Transaction prior to the commencement of deliberations or voting.

The minutes of the meeting of the Board and the Audit Committee that conducted the initial review shall provide contemporaneous documentation of the basis for approval, including the Board’s consideration of any alternative transactions. The minutes shall also contain the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, and a record of any votes taken in connection with the proceedings.

The Corporation shall not enter into a Related Party Transaction unless it is approved in accordance with this Policy. **Any Related Party Transaction that is approved without complying with the procedure set forth in this section shall be void.**

Periodic Reviews

To ensure that the KIPP NYC Public Charter Schools operate in a manner consistent with charitable purposes and do not engage in activities that could jeopardize tax-exempt status, periodic reviews shall be conducted by the Audit Committee of each Corporation. The Audit

Committee shall report to the Board of Trustees. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are fair and reasonable, based on competent survey information, and in the best interests of the Corporation.
- b. Whether any related party transactions or arrangements with or on behalf of the Corporation are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Violations of the Conflicts of Interest Policy:

If the Board has reasonable cause to believe that a Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall inform the individual of the basis for such belief and afford that person an opportunity to explain the alleged failure to disclose. If, after hearing the response and after making further investigation as warranted by the circumstances, the Board determines that the Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall take appropriate disciplinary and corrective action.

Conflicts of Interest Policy

KIPP NYC Public Charter Schools & KIPP Academy Charter School

Purpose:

KIPP NYC Public Charter Schools and KIPP Academy Charter School (collectively, “KIPP NYC”) has adopted a Code of Ethics setting forth for the guidance of trustees, officers and employees the standards of conduct expected of them, including standards with respect to disclosure of conflicts of interest regarding any matter brought or required to be brought before their respective Boards. The Conflict of Interest Policy is part of the Codes of Ethics adopted by each of the Corporations. It provides procedures for addressing, disclosing, and documenting conflicts of interest as such term is used in §§ 800 through 806 of the New York State General Municipal Law (hereafter “the Municipal Law”) and in § 715-a of the Not-for-Profit Corporation Law. It also includes procedures for addressing Related Party Transactions, as such term is defined in § 102 (24) of the Not-for-Profit Corporation Law. The Policy supplements, and does not replace any applicable provisions of the General Municipal Law and other state and federal laws governing conflicts of interest. It applies to all Trustees, Officers and Key Employees of each of the Corporations. The Schools will be referred to herein, individually, as “the Corporation.”

Definitions:

“Affiliate” means an entity controlled by, in control of, or under common control with the Corporation.

“Audit Committee” means the Audit Committee of the Corporation, as described in the By-laws of the Corporation. The Audit Committee is comprised of at least three Trustees who are Independent Directors as defined in § 102 (21) of the Not-for-Profit Corporation Law and in this Policy.

“Board” means the Board of Trustees.

“Compensation” means direct or indirect remuneration, as well as gifts or favors. A gift or favor that is valued at \$75 or more is expressly prohibited by the Municipal Law when offered to a Trustee, Officer or Key Employee in connection with official duties, but gifts of lesser value may also be subject to this policy.

“Corporation” refers to each of the KIPP NYC Public Charter Schools which have adopted this policy and which are Education Corporations and, as such, subject to provisions of the Not-for-Profit Corporation Law made applicable to education corporations by § 216-a of the Education Law. Each Corporation, as a chartered entity, is also subject to the Conflict of Interest Provisions of §§ 800 through 806 of the General Municipal Law,

“Financial Interest”: A person has a “Financial Interest” in a transaction if such person would receive an economic benefit, directly or indirectly, from such transaction or compensation agreement.

“Independent Director” means a Trustee who (i) is not, and has not been within the last three years, an employee of the Corporation or an Affiliate and does not have a Relative who is, or has been within the last three years, a Key Employee of the Corporation or of an Affiliate; (ii) has not received, and does not have a Relative who has received, in any of the last three fiscal years, more than \$10,000 in direct compensation from the Corporation or from an Affiliate (other than reimbursement for expenses reasonably incurred as a Trustee, Officer or Key Employee); and (iii) is not a current employee of, or does not have a substantial financial interest in, and does not have a Relative who is a current officer of or who has a substantial financial interest in, any entity that has made payments to, or received payments from the Corporation or from an Affiliate for property or services in an amount which, in any of the last three fiscal years, exceeds the lesser of \$25,000 or 2 % of such entity’s consolidated gross revenues. For these purposes, “payment” does not include charitable contributions.

“Key Employee” includes but is not limited to any person who is in a position to exercise substantial influence over the Corporation, as defined from time to time by the Corporation, or who has or shares authority to control or determine a substantial portion of the operating budgets of the Corporation or the schools or compensation for employees.

“Related Party” means: (1) any Trustee, Officer, or Key Employee of the Corporation or an Affiliate; (2) A Relative of any Trustee, Officer, or Key Employee of the Corporation or an Affiliate or (3) any entity in which any individual described in clause (1) or (2) of this definition has a 35% or greater ownership or beneficial interest, except that in the case of a partnership or professional corporation, a Related Party will include an entity in which any individual described in clause (1) or (2) above has a direct or indirect ownership interest in excess of 5%.

“Related Party Transaction” means any transaction or agreement or other kind of arrangement between the Corporation and a Related Party or an entity in which the Related Party has an interest. Related Party Transactions are subject to special provisions for disclosure, evaluation and documentation. In addition, certain Related Party Transactions are subject to limitations described in the Municipal Law. These special provisions and limitations are summarized in this Policy.

“Relative” means an individual’s spouse or domestic partner, as defined in Public Health Law §2994-a, ancestors, siblings (whether whole or half-blood), children (whether natural or adopted), grandchildren, great grandchildren and spouses or domestic partners of ancestors, siblings, children, grandchildren, and great-grandchildren. Children of siblings and their spouses and partners will also be considered Relatives under this Policy.

“School” any school managed by the Corporation.

“Trustees” and “Officers” are the elected individuals responsible for managing the affairs of the Corporation as described in the By-laws.

What is a Conflict of Interest?

For purposes of this Policy, a “Conflict of Interest” arises when the personal, professional or financial interests of a Trustee, Officer or Key Employee diverge or may potentially diverge from the interests of the Corporation. A conflict of interest will arise when a transaction involving the Corporation could financially harm or benefit a person covered by this Policy, but a conflict of interest does not always involve financial interests. A conflict may also involve the use of the services or facilities of the Corporation or may involve the use of staff assistance for purposes other than carrying out professional or fiduciary duties.

Conflicts may also arise if a Trustee, Officer or Key Employee is asked to communicate on behalf of a person or firm with the Corporation. Accordingly, a Trustee, Officer or Key Employee may not communicate with the Board or a School on behalf of a person or a firm, unless requested to do so by the Corporation, and shall avoid engaging in activities that would appear to be unduly influenced by other persons who have a special interest in matters under consideration by the Trustee of the Corporation or employees of one of the Schools. If a Trustee, Officer or Key Employee inadvertently engages in such activities, he/she shall promptly notify the Board in writing of such activities and shall disclose all known facts prior to participating in a Board discussion of these matters.

Disclosure of Conflicts of Interest:

Written disclosure of all potential Conflicts of Interest is required of Trustees, Officers and Key Employees prior to election or appointment and annually thereafter. However, Conflicts of Interest may arise between annual updates and, accordingly, an individual with a duality of interest shall disclose the potential Conflict (a) prior to voting on or otherwise discharging his or her duties with respect to any matter involving the potential Conflict; (b) prior to entering into any contract or transaction involving the Corporation; and (c) as soon as possible after he or she learns of an actual or potential Conflict of Interest. Disclosure of the material facts surrounding the Conflict of Interest shall be made to the Chairperson of the Board and the Chairperson of the Audit Committee. The interested Trustee or Officer shall thereafter refrain from participating in deliberations and decisions relating to the matter unless he or she is asked for information by the Chairperson of the Board or the Audit Committee.

The existence and resolution (as applicable) of any reported Conflict of Interest shall be documented in the appropriate records of the Corporation, including in the minutes of any meeting at which the Conflict of Interest was discussed and voted upon.

A Key Employee who wishes to use staff assistance, services or facilities for purposes other than carrying out professional responsibilities will disclose the Conflict to the Principal of the School who will exercise discretion in allowing or disallowing the proposed use in accordance with this Policy.

Annual Statements:

Without limiting the general and continuing disclosure obligation set forth in the preceding section, the Chairperson of the Audit Committee shall distribute annually to all Trustees, Officers and Key Employees, a form soliciting the disclosure of all potential Conflicts of Interests, including specific information concerning the terms of any contract or transaction with the Corporation and whether the applicable processes set forth in this Policy were used. Each Trustee, Officer and Key Employee shall also annually sign a statement included with the form distributed by the Corporation which affirms such person:

- a. has received a copy of this Policy;
- b. has read and understands this Policy, and
- c. has agreed to comply with this Policy.

Written disclosures shall be submitted to and reviewed by the Chairperson of the Board and the Chairperson of the Audit Committee.

Related Party Transactions:

A Related Party Transaction is a transaction in which the Corporation is a party and a Related Party (as defined above) has a financial interest or another material interest. All rules and principles related to disclosure of Conflicts of Interest apply to Related Party Transactions, but in addition, the Trustees must initiate a formal Audit Committee review or a review by a quorum of the Board consisting of Independent Trustees.

Any Trustee, Officer or Key Employee with an interest in a Related Party Transaction shall make a good faith disclosure of all material facts related to such interest to the Audit Committee. The Audit Committee shall review all the material facts related to the proposed Related Party Transaction and request any additional information that it deems necessary to complete such review.

The Municipal Law prohibits transactions between Charter Schools and for-profit business entities in which a member of the Board of Trustees or a Key Employee has an interest if such Trustee or Key Employee has certain enumerated responsibilities. Accordingly, the Audit Committee will first determine whether or not the Trustee, Officer or Key Employee who has an interest in any proposed contract with a for-profit entity, has the power or duty, individually or as a member of the Board, to (1) negotiate, prepare, authorize or approve the contract or authorize payment thereunder; (2) audit bills or claims under the contract; or (3) appoint an officer or employee who has any of these powers or duties. If the interested Trustee, Officer or Key Employee does not have any of the enumerated responsibilities or if the proposed contract is with a not-for-profit entity, or is otherwise authorized by § 802 of the Municipal Law, the Committee may continue its review.

If a Related Party Transaction is otherwise authorized and the Related Party has a “substantial” financial interest or other material interest in such transaction, as assessed by the Audit Committee, the Audit Committee shall consider alternative transactions to the proposed transaction and the Chairperson of the Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives. The Committee, after reviewing any such alternatives, shall determine whether the Corporation can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

The Audit Committee shall after considering alternative transactions and/or comparability data, determine whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of its decision.

Following its review the Audit Committee may approve the transaction, or may refer the matter to the Board of Trustees for approval by the Board.

Upon receiving a recommendation from the Audit Committee, the Board may accept the recommendation or make an independent determination as to whether the proposed transaction is fair, reasonable and in the best interests of the Corporation. Upon the affirmative vote of not less than a majority of independent Trustees present, the Trustees may authorize the transaction.

At the time of any deliberation or decision by the Audit Committee or the Board concerning the authorization of a proposed Related Party Transaction, the interested Trustee, Officer or Key Employee shall not be present and shall not attempt to improperly influence any deliberations or voting, provided that the Board, or Audit Committee, may request such individual to provide information regarding the Related Party Transaction prior to the commencement of deliberations or voting.

The minutes of the meeting of the Board and the Audit Committee that conducted the initial review shall provide contemporaneous documentation of the basis for approval, including the Board’s consideration of any alternative transactions. The minutes shall also contain the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, and a record of any votes taken in connection with the proceedings.

The Corporation shall not enter into a Related Party Transaction unless it is approved in accordance with this Policy. **Any Related Party Transaction that is approved without complying with the procedure set forth in this section shall be void.**

Periodic Reviews

To ensure that the KIPP NYC Public Charter Schools operate in a manner consistent with charitable purposes and do not engage in activities that could jeopardize tax-exempt status, periodic reviews shall be conducted by the Audit Committee of each Corporation. The Audit

Committee shall report to the Board of Trustees. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are fair and reasonable, based on competent survey information, and in the best interests of the Corporation.
- b. Whether any related party transactions or arrangements with or on behalf of the Corporation are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Violations of the Conflicts of Interest Policy:

If the Board has reasonable cause to believe that a Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall inform the individual of the basis for such belief and afford that person an opportunity to explain the alleged failure to disclose. If, after hearing the response and after making further investigation as warranted by the circumstances, the Board determines that the Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall take appropriate disciplinary and corrective action.

Conflicts of Interest Policy

KIPP NYC Public Charter Schools & KIPP Academy Charter School

Purpose:

KIPP NYC Public Charter Schools and KIPP Academy Charter School (collectively, “KIPP NYC”) has adopted a Code of Ethics setting forth for the guidance of trustees, officers and employees the standards of conduct expected of them, including standards with respect to disclosure of conflicts of interest regarding any matter brought or required to be brought before their respective Boards. The Conflict of Interest Policy is part of the Codes of Ethics adopted by each of the Corporations. It provides procedures for addressing, disclosing, and documenting conflicts of interest as such term is used in §§ 800 through 806 of the New York State General Municipal Law (hereafter “the Municipal Law”) and in § 715-a of the Not-for-Profit Corporation Law. It also includes procedures for addressing Related Party Transactions, as such term is defined in § 102 (24) of the Not-for-Profit Corporation Law. The Policy supplements, and does not replace any applicable provisions of the General Municipal Law and other state and federal laws governing conflicts of interest. It applies to all Trustees, Officers and Key Employees of each of the Corporations. The Schools will be referred to herein, individually, as “the Corporation.”

Definitions:

“Affiliate” means an entity controlled by, in control of, or under common control with the Corporation.

“Audit Committee” means the Audit Committee of the Corporation, as described in the By-laws of the Corporation. The Audit Committee is comprised of at least three Trustees who are Independent Directors as defined in § 102 (21) of the Not-for-Profit Corporation Law and in this Policy.

“Board” means the Board of Trustees.

“Compensation” means direct or indirect remuneration, as well as gifts or favors. A gift or favor that is valued at \$75 or more is expressly prohibited by the Municipal Law when offered to a Trustee, Officer or Key Employee in connection with official duties, but gifts of lesser value may also be subject to this policy.

“Corporation” refers to each of the KIPP NYC Public Charter Schools which have adopted this policy and which are Education Corporations and, as such, subject to provisions of the Not-for-Profit Corporation Law made applicable to education corporations by § 216-a of the Education Law. Each Corporation, as a chartered entity, is also subject to the Conflict of Interest Provisions of §§ 800 through 806 of the General Municipal Law,

“Financial Interest”: A person has a “Financial Interest” in a transaction if such person would receive an economic benefit, directly or indirectly, from such transaction or compensation agreement.

“Independent Director” means a Trustee who (i) is not, and has not been within the last three years, an employee of the Corporation or an Affiliate and does not have a Relative who is, or has been within the last three years, a Key Employee of the Corporation or of an Affiliate; (ii) has not received, and does not have a Relative who has received, in any of the last three fiscal years, more than \$10,000 in direct compensation from the Corporation or from an Affiliate (other than reimbursement for expenses reasonably incurred as a Trustee, Officer or Key Employee); and (iii) is not a current employee of, or does not have a substantial financial interest in, and does not have a Relative who is a current officer of or who has a substantial financial interest in, any entity that has made payments to, or received payments from the Corporation or from an Affiliate for property or services in an amount which, in any of the last three fiscal years, exceeds the lesser of \$25,000 or 2 % of such entity’s consolidated gross revenues. For these purposes, “payment” does not include charitable contributions.

“Key Employee” includes but is not limited to any person who is in a position to exercise substantial influence over the Corporation, as defined from time to time by the Corporation, or who has or shares authority to control or determine a substantial portion of the operating budgets of the Corporation or the schools or compensation for employees.

“Related Party” means: (1) any Trustee, Officer, or Key Employee of the Corporation or an Affiliate; (2) A Relative of any Trustee, Officer, or Key Employee of the Corporation or an Affiliate or (3) any entity in which any individual described in clause (1) or (2) of this definition has a 35% or greater ownership or beneficial interest, except that in the case of a partnership or professional corporation, a Related Party will include an entity in which any individual described in clause (1) or (2) above has a direct or indirect ownership interest in excess of 5%.

“Related Party Transaction” means any transaction or agreement or other kind of arrangement between the Corporation and a Related Party or an entity in which the Related Party has an interest. Related Party Transactions are subject to special provisions for disclosure, evaluation and documentation. In addition, certain Related Party Transactions are subject to limitations described in the Municipal Law. These special provisions and limitations are summarized in this Policy.

“Relative” means an individual’s spouse or domestic partner, as defined in Public Health Law §2994-a, ancestors, siblings (whether whole or half-blood), children (whether natural or adopted), grandchildren, great grandchildren and spouses or domestic partners of ancestors, siblings, children, grandchildren, and great-grandchildren. Children of siblings and their spouses and partners will also be considered Relatives under this Policy.

“School” any school managed by the Corporation.

“Trustees” and “Officers” are the elected individuals responsible for managing the affairs of the Corporation as described in the By-laws.

What is a Conflict of Interest?

For purposes of this Policy, a “Conflict of Interest” arises when the personal, professional or financial interests of a Trustee, Officer or Key Employee diverge or may potentially diverge from the interests of the Corporation. A conflict of interest will arise when a transaction involving the Corporation could financially harm or benefit a person covered by this Policy, but a conflict of interest does not always involve financial interests. A conflict may also involve the use of the services or facilities of the Corporation or may involve the use of staff assistance for purposes other than carrying out professional or fiduciary duties.

Conflicts may also arise if a Trustee, Officer or Key Employee is asked to communicate on behalf of a person or firm with the Corporation. Accordingly, a Trustee, Officer or Key Employee may not communicate with the Board or a School on behalf of a person or a firm, unless requested to do so by the Corporation, and shall avoid engaging in activities that would appear to be unduly influenced by other persons who have a special interest in matters under consideration by the Trustee of the Corporation or employees of one of the Schools. If a Trustee, Officer or Key Employee inadvertently engages in such activities, he/she shall promptly notify the Board in writing of such activities and shall disclose all known facts prior to participating in a Board discussion of these matters.

Disclosure of Conflicts of Interest:

Written disclosure of all potential Conflicts of Interest is required of Trustees, Officers and Key Employees prior to election or appointment and annually thereafter. However, Conflicts of Interest may arise between annual updates and, accordingly, an individual with a duality of interest shall disclose the potential Conflict (a) prior to voting on or otherwise discharging his or her duties with respect to any matter involving the potential Conflict; (b) prior to entering into any contract or transaction involving the Corporation; and (c) as soon as possible after he or she learns of an actual or potential Conflict of Interest. Disclosure of the material facts surrounding the Conflict of Interest shall be made to the Chairperson of the Board and the Chairperson of the Audit Committee. The interested Trustee or Officer shall thereafter refrain from participating in deliberations and decisions relating to the matter unless he or she is asked for information by the Chairperson of the Board or the Audit Committee.

The existence and resolution (as applicable) of any reported Conflict of Interest shall be documented in the appropriate records of the Corporation, including in the minutes of any meeting at which the Conflict of Interest was discussed and voted upon.

A Key Employee who wishes to use staff assistance, services or facilities for purposes other than carrying out professional responsibilities will disclose the Conflict to the Principal of the School who will exercise discretion in allowing or disallowing the proposed use in accordance with this Policy.

Annual Statements:

Without limiting the general and continuing disclosure obligation set forth in the preceding section, the Chairperson of the Audit Committee shall distribute annually to all Trustees, Officers and Key Employees, a form soliciting the disclosure of all potential Conflicts of Interests, including specific information concerning the terms of any contract or transaction with the Corporation and whether the applicable processes set forth in this Policy were used. Each Trustee, Officer and Key Employee shall also annually sign a statement included with the form distributed by the Corporation which affirms such person:

- a. has received a copy of this Policy;
- b. has read and understands this Policy, and
- c. has agreed to comply with this Policy.

Written disclosures shall be submitted to and reviewed by the Chairperson of the Board and the Chairperson of the Audit Committee.

Related Party Transactions:

A Related Party Transaction is a transaction in which the Corporation is a party and a Related Party (as defined above) has a financial interest or another material interest. All rules and principles related to disclosure of Conflicts of Interest apply to Related Party Transactions, but in addition, the Trustees must initiate a formal Audit Committee review or a review by a quorum of the Board consisting of Independent Trustees.

Any Trustee, Officer or Key Employee with an interest in a Related Party Transaction shall make a good faith disclosure of all material facts related to such interest to the Audit Committee. The Audit Committee shall review all the material facts related to the proposed Related Party Transaction and request any additional information that it deems necessary to complete such review.

The Municipal Law prohibits transactions between Charter Schools and for-profit business entities in which a member of the Board of Trustees or a Key Employee has an interest if such Trustee or Key Employee has certain enumerated responsibilities. Accordingly, the Audit Committee will first determine whether or not the Trustee, Officer or Key Employee who has an interest in any proposed contract with a for-profit entity, has the power or duty, individually or as a member of the Board, to (1) negotiate, prepare, authorize or approve the contract or authorize payment thereunder; (2) audit bills or claims under the contract; or (3) appoint an officer or employee who has any of these powers or duties. If the interested Trustee, Officer or Key Employee does not have any of the enumerated responsibilities or if the proposed contract is with a not-for-profit entity, or is otherwise authorized by § 802 of the Municipal Law, the Committee may continue its review.

If a Related Party Transaction is otherwise authorized and the Related Party has a “substantial” financial interest or other material interest in such transaction, as assessed by the Audit Committee, the Audit Committee shall consider alternative transactions to the proposed transaction and the Chairperson of the Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives. The Committee, after reviewing any such alternatives, shall determine whether the Corporation can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

The Audit Committee shall after considering alternative transactions and/or comparability data, determine whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of its decision.

Following its review the Audit Committee may approve the transaction, or may refer the matter to the Board of Trustees for approval by the Board.

Upon receiving a recommendation from the Audit Committee, the Board may accept the recommendation or make an independent determination as to whether the proposed transaction is fair, reasonable and in the best interests of the Corporation. Upon the affirmative vote of not less than a majority of independent Trustees present, the Trustees may authorize the transaction.

At the time of any deliberation or decision by the Audit Committee or the Board concerning the authorization of a proposed Related Party Transaction, the interested Trustee, Officer or Key Employee shall not be present and shall not attempt to improperly influence any deliberations or voting, provided that the Board, or Audit Committee, may request such individual to provide information regarding the Related Party Transaction prior to the commencement of deliberations or voting.

The minutes of the meeting of the Board and the Audit Committee that conducted the initial review shall provide contemporaneous documentation of the basis for approval, including the Board’s consideration of any alternative transactions. The minutes shall also contain the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, and a record of any votes taken in connection with the proceedings.

The Corporation shall not enter into a Related Party Transaction unless it is approved in accordance with this Policy. **Any Related Party Transaction that is approved without complying with the procedure set forth in this section shall be void.**

Periodic Reviews

To ensure that the KIPP NYC Public Charter Schools operate in a manner consistent with charitable purposes and do not engage in activities that could jeopardize tax-exempt status, periodic reviews shall be conducted by the Audit Committee of each Corporation. The Audit

Committee shall report to the Board of Trustees. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are fair and reasonable, based on competent survey information, and in the best interests of the Corporation.
- b. Whether any related party transactions or arrangements with or on behalf of the Corporation are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Violations of the Conflicts of Interest Policy:

If the Board has reasonable cause to believe that a Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall inform the individual of the basis for such belief and afford that person an opportunity to explain the alleged failure to disclose. If, after hearing the response and after making further investigation as warranted by the circumstances, the Board determines that the Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall take appropriate disciplinary and corrective action.

“Financial Interest”: A person has a “Financial Interest” in a transaction if such person would receive an economic benefit, directly or indirectly, from such transaction or compensation agreement.

“Independent Director” means a Trustee who (i) is not, and has not been within the last three years, an employee of the Corporation or an Affiliate and does not have a Relative who is, or has been within the last three years, a Key Employee of the Corporation or of an Affiliate; (ii) has not received, and does not have a Relative who has received, in any of the last three fiscal years, more than \$10,000 in direct compensation from the Corporation or from an Affiliate (other than reimbursement for expenses reasonably incurred as a Trustee, Officer or Key Employee); and (iii) is not a current employee of, or does not have a substantial financial interest in, and does not have a Relative who is a current officer of or who has a substantial financial interest in, any entity that has made payments to, or received payments from the Corporation or from an Affiliate for property or services in an amount which, in any of the last three fiscal years, exceeds the lesser of \$25,000 or 2 % of such entity’s consolidated gross revenues. For these purposes, “payment” does not include charitable contributions.

“Key Employee” includes but is not limited to any person who is in a position to exercise substantial influence over the Corporation, as defined from time to time by the Corporation, or who has or shares authority to control or determine a substantial portion of the operating budgets of the Corporation or the schools or compensation for employees.

“Related Party” means: (1) any Trustee, Officer, or Key Employee of the Corporation or an Affiliate; (2) A Relative of any Trustee, Officer, or Key Employee of the Corporation or an Affiliate or (3) any entity in which any individual described in clause (1) or (2) of this definition has a 35% or greater ownership or beneficial interest, except that in the case of a partnership or professional corporation, a Related Party will include an entity in which any individual described in clause (1) or (2) above has a direct or indirect ownership interest in excess of 5%.

“Related Party Transaction” means any transaction or agreement or other kind of arrangement between the Corporation and a Related Party or an entity in which the Related Party has an interest. Related Party Transactions are subject to special provisions for disclosure, evaluation and documentation. In addition, certain Related Party Transactions are subject to limitations described in the Municipal Law. These special provisions and limitations are summarized in this Policy.

“Relative” means an individual’s spouse or domestic partner, as defined in Public Health Law §2994-a, ancestors, siblings (whether whole or half-blood), children (whether natural or adopted), grandchildren, great grandchildren and spouses or domestic partners of ancestors, siblings, children, grandchildren, and great-grandchildren. Children of siblings and their spouses and partners will also be considered Relatives under this Policy.

“School” any school managed by the Corporation.

“Trustees” and “Officers” are the elected individuals responsible for managing the affairs of the Corporation as described in the By-laws.

What is a Conflict of Interest?

For purposes of this Policy, a “Conflict of Interest” arises when the personal, professional or financial interests of a Trustee, Officer or Key Employee diverge or may potentially diverge from the interests of the Corporation. A conflict of interest will arise when a transaction involving the Corporation could financially harm or benefit a person covered by this Policy, but a conflict of interest does not always involve financial interests. A conflict may also involve the use of the services or facilities of the Corporation or may involve the use of staff assistance for purposes other than carrying out professional or fiduciary duties.

Conflicts may also arise if a Trustee, Officer or Key Employee is asked to communicate on behalf of a person or firm with the Corporation. Accordingly, a Trustee, Officer or Key Employee may not communicate with the Board or a School on behalf of a person or a firm, unless requested to do so by the Corporation, and shall avoid engaging in activities that would appear to be unduly influenced by other persons who have a special interest in matters under consideration by the Trustee of the Corporation or employees of one of the Schools. If a Trustee, Officer or Key Employee inadvertently engages in such activities, he/she shall promptly notify the Board in writing of such activities and shall disclose all known facts prior to participating in a Board discussion of these matters.

Disclosure of Conflicts of Interest:

Written disclosure of all potential Conflicts of Interest is required of Trustees, Officers and Key Employees prior to election or appointment and annually thereafter. However, Conflicts of Interest may arise between annual updates and, accordingly, an individual with a duality of interest shall disclose the potential Conflict (a) prior to voting on or otherwise discharging his or her duties with respect to any matter involving the potential Conflict; (b) prior to entering into any contract or transaction involving the Corporation; and (c) as soon as possible after he or she learns of an actual or potential Conflict of Interest. Disclosure of the material facts surrounding the Conflict of Interest shall be made to the Chairperson of the Board and the Chairperson of the Audit Committee. The interested Trustee or Officer shall thereafter refrain from participating in deliberations and decisions relating to the matter unless he or she is asked for information by the Chairperson of the Board or the Audit Committee.

The existence and resolution (as applicable) of any reported Conflict of Interest shall be documented in the appropriate records of the Corporation, including in the minutes of any meeting at which the Conflict of Interest was discussed and voted upon.

A Key Employee who wishes to use staff assistance, services or facilities for purposes other than carrying out professional responsibilities will disclose the Conflict to the Principal of the School who will exercise discretion in allowing or disallowing the proposed use in accordance with this Policy.

Annual Statements:

Without limiting the general and continuing disclosure obligation set forth in the preceding section, the Chairperson of the Audit Committee shall distribute annually to all Trustees, Officers and Key Employees, a form soliciting the disclosure of all potential Conflicts of Interests, including specific information concerning the terms of any contract or transaction with the Corporation and whether the applicable processes set forth in this Policy were used. Each Trustee, Officer and Key Employee shall also annually sign a statement included with the form distributed by the Corporation which affirms such person:

- a. has received a copy of this Policy;
- b. has read and understands this Policy, and
- c. has agreed to comply with this Policy.

Written disclosures shall be submitted to and reviewed by the Chairperson of the Board and the Chairperson of the Audit Committee.

Related Party Transactions:

A Related Party Transaction is a transaction in which the Corporation is a party and a Related Party (as defined above) has a financial interest or another material interest. All rules and principles related to disclosure of Conflicts of Interest apply to Related Party Transactions, but in addition, the Trustees must initiate a formal Audit Committee review or a review by a quorum of the Board consisting of Independent Trustees.

Any Trustee, Officer or Key Employee with an interest in a Related Party Transaction shall make a good faith disclosure of all material facts related to such interest to the Audit Committee. The Audit Committee shall review all the material facts related to the proposed Related Party Transaction and request any additional information that it deems necessary to complete such review.

The Municipal Law prohibits transactions between Charter Schools and for-profit business entities in which a member of the Board of Trustees or a Key Employee has an interest if such Trustee or Key Employee has certain enumerated responsibilities. Accordingly, the Audit Committee will first determine whether or not the Trustee, Officer or Key Employee who has an interest in any proposed contract with a for-profit entity, has the power or duty, individually or as a member of the Board, to (1) negotiate, prepare, authorize or approve the contract or authorize payment thereunder; (2) audit bills or claims under the contract; or (3) appoint an officer or employee who has any of these powers or duties. If the interested Trustee, Officer or Key Employee does not have any of the enumerated responsibilities or if the proposed contract is with a not-for-profit entity, or is otherwise authorized by § 802 of the Municipal Law, the Committee may continue its review.

If a Related Party Transaction is otherwise authorized and the Related Party has a “substantial” financial interest or other material interest in such transaction, as assessed by the Audit Committee, the Audit Committee shall consider alternative transactions to the proposed transaction and the Chairperson of the Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives. The Committee, after reviewing any such alternatives, shall determine whether the Corporation can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

The Audit Committee shall after considering alternative transactions and/or comparability data, determine whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of its decision.

Following its review the Audit Committee may approve the transaction, or may refer the matter to the Board of Trustees for approval by the Board.

Upon receiving a recommendation from the Audit Committee, the Board may accept the recommendation or make an independent determination as to whether the proposed transaction is fair, reasonable and in the best interests of the Corporation. Upon the affirmative vote of not less than a majority of independent Trustees present, the Trustees may authorize the transaction.

At the time of any deliberation or decision by the Audit Committee or the Board concerning the authorization of a proposed Related Party Transaction, the interested Trustee, Officer or Key Employee shall not be present and shall not attempt to improperly influence any deliberations or voting, provided that the Board, or Audit Committee, may request such individual to provide information regarding the Related Party Transaction prior to the commencement of deliberations or voting.

The minutes of the meeting of the Board and the Audit Committee that conducted the initial review shall provide contemporaneous documentation of the basis for approval, including the Board’s consideration of any alternative transactions. The minutes shall also contain the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, and a record of any votes taken in connection with the proceedings.

The Corporation shall not enter into a Related Party Transaction unless it is approved in accordance with this Policy. **Any Related Party Transaction that is approved without complying with the procedure set forth in this section shall be void.**

Periodic Reviews

To ensure that the KIPP NYC Public Charter Schools operate in a manner consistent with charitable purposes and do not engage in activities that could jeopardize tax-exempt status, periodic reviews shall be conducted by the Audit Committee of each Corporation. The Audit

Committee shall report to the Board of Trustees. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are fair and reasonable, based on competent survey information, and in the best interests of the Corporation.
- b. Whether any related party transactions or arrangements with or on behalf of the Corporation are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Violations of the Conflicts of Interest Policy:

If the Board has reasonable cause to believe that a Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall inform the individual of the basis for such belief and afford that person an opportunity to explain the alleged failure to disclose. If, after hearing the response and after making further investigation as warranted by the circumstances, the Board determines that the Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall take appropriate disciplinary and corrective action.

Conflicts of Interest Policy

KIPP NYC Public Charter Schools & KIPP Academy Charter School

Purpose:

KIPP NYC Public Charter Schools and KIPP Academy Charter School (collectively, “KIPP NYC”) has adopted a Code of Ethics setting forth for the guidance of trustees, officers and employees the standards of conduct expected of them, including standards with respect to disclosure of conflicts of interest regarding any matter brought or required to be brought before their respective Boards. The Conflict of Interest Policy is part of the Codes of Ethics adopted by each of the Corporations. It provides procedures for addressing, disclosing, and documenting conflicts of interest as such term is used in §§ 800 through 806 of the New York State General Municipal Law (hereafter “the Municipal Law”) and in § 715-a of the Not-for-Profit Corporation Law. It also includes procedures for addressing Related Party Transactions, as such term is defined in § 102 (24) of the Not-for-Profit Corporation Law. The Policy supplements, and does not replace any applicable provisions of the General Municipal Law and other state and federal laws governing conflicts of interest. It applies to all Trustees, Officers and Key Employees of each of the Corporations. The Schools will be referred to herein, individually, as “the Corporation.”

Definitions:

“Affiliate” means an entity controlled by, in control of, or under common control with the Corporation.

“Audit Committee” means the Audit Committee of the Corporation, as described in the By-laws of the Corporation. The Audit Committee is comprised of at least three Trustees who are Independent Directors as defined in § 102 (21) of the Not-for-Profit Corporation Law and in this Policy.

“Board” means the Board of Trustees.

“Compensation” means direct or indirect remuneration, as well as gifts or favors. A gift or favor that is valued at \$75 or more is expressly prohibited by the Municipal Law when offered to a Trustee, Officer or Key Employee in connection with official duties, but gifts of lesser value may also be subject to this policy.

“Corporation” refers to each of the KIPP NYC Public Charter Schools which have adopted this policy and which are Education Corporations and, as such, subject to provisions of the Not-for-Profit Corporation Law made applicable to education corporations by § 216-a of the Education Law. Each Corporation, as a chartered entity, is also subject to the Conflict of Interest Provisions of §§ 800 through 806 of the General Municipal Law,

“Financial Interest”: A person has a “Financial Interest” in a transaction if such person would receive an economic benefit, directly or indirectly, from such transaction or compensation agreement.

“Independent Director” means a Trustee who (i) is not, and has not been within the last three years, an employee of the Corporation or an Affiliate and does not have a Relative who is, or has been within the last three years, a Key Employee of the Corporation or of an Affiliate; (ii) has not received, and does not have a Relative who has received, in any of the last three fiscal years, more than \$10,000 in direct compensation from the Corporation or from an Affiliate (other than reimbursement for expenses reasonably incurred as a Trustee, Officer or Key Employee); and (iii) is not a current employee of, or does not have a substantial financial interest in, and does not have a Relative who is a current officer of or who has a substantial financial interest in, any entity that has made payments to, or received payments from the Corporation or from an Affiliate for property or services in an amount which, in any of the last three fiscal years, exceeds the lesser of \$25,000 or 2 % of such entity’s consolidated gross revenues. For these purposes, “payment” does not include charitable contributions.

“Key Employee” includes but is not limited to any person who is in a position to exercise substantial influence over the Corporation, as defined from time to time by the Corporation, or who has or shares authority to control or determine a substantial portion of the operating budgets of the Corporation or the schools or compensation for employees.

“Related Party” means: (1) any Trustee, Officer, or Key Employee of the Corporation or an Affiliate; (2) A Relative of any Trustee, Officer, or Key Employee of the Corporation or an Affiliate or (3) any entity in which any individual described in clause (1) or (2) of this definition has a 35% or greater ownership or beneficial interest, except that in the case of a partnership or professional corporation, a Related Party will include an entity in which any individual described in clause (1) or (2) above has a direct or indirect ownership interest in excess of 5%.

“Related Party Transaction” means any transaction or agreement or other kind of arrangement between the Corporation and a Related Party or an entity in which the Related Party has an interest. Related Party Transactions are subject to special provisions for disclosure, evaluation and documentation. In addition, certain Related Party Transactions are subject to limitations described in the Municipal Law. These special provisions and limitations are summarized in this Policy.

“Relative” means an individual’s spouse or domestic partner, as defined in Public Health Law §2994-a, ancestors, siblings (whether whole or half-blood), children (whether natural or adopted), grandchildren, great grandchildren and spouses or domestic partners of ancestors, siblings, children, grandchildren, and great-grandchildren. Children of siblings and their spouses and partners will also be considered Relatives under this Policy.

“School” any school managed by the Corporation.

“Trustees” and “Officers” are the elected individuals responsible for managing the affairs of the Corporation as described in the By-laws.

What is a Conflict of Interest?

For purposes of this Policy, a “Conflict of Interest” arises when the personal, professional or financial interests of a Trustee, Officer or Key Employee diverge or may potentially diverge from the interests of the Corporation. A conflict of interest will arise when a transaction involving the Corporation could financially harm or benefit a person covered by this Policy, but a conflict of interest does not always involve financial interests. A conflict may also involve the use of the services or facilities of the Corporation or may involve the use of staff assistance for purposes other than carrying out professional or fiduciary duties.

Conflicts may also arise if a Trustee, Officer or Key Employee is asked to communicate on behalf of a person or firm with the Corporation. Accordingly, a Trustee, Officer or Key Employee may not communicate with the Board or a School on behalf of a person or a firm, unless requested to do so by the Corporation, and shall avoid engaging in activities that would appear to be unduly influenced by other persons who have a special interest in matters under consideration by the Trustee of the Corporation or employees of one of the Schools. If a Trustee, Officer or Key Employee inadvertently engages in such activities, he/she shall promptly notify the Board in writing of such activities and shall disclose all known facts prior to participating in a Board discussion of these matters.

Disclosure of Conflicts of Interest:

Written disclosure of all potential Conflicts of Interest is required of Trustees, Officers and Key Employees prior to election or appointment and annually thereafter. However, Conflicts of Interest may arise between annual updates and, accordingly, an individual with a duality of interest shall disclose the potential Conflict (a) prior to voting on or otherwise discharging his or her duties with respect to any matter involving the potential Conflict; (b) prior to entering into any contract or transaction involving the Corporation; and (c) as soon as possible after he or she learns of an actual or potential Conflict of Interest. Disclosure of the material facts surrounding the Conflict of Interest shall be made to the Chairperson of the Board and the Chairperson of the Audit Committee. The interested Trustee or Officer shall thereafter refrain from participating in deliberations and decisions relating to the matter unless he or she is asked for information by the Chairperson of the Board or the Audit Committee.

The existence and resolution (as applicable) of any reported Conflict of Interest shall be documented in the appropriate records of the Corporation, including in the minutes of any meeting at which the Conflict of Interest was discussed and voted upon.

A Key Employee who wishes to use staff assistance, services or facilities for purposes other than carrying out professional responsibilities will disclose the Conflict to the Principal of the School who will exercise discretion in allowing or disallowing the proposed use in accordance with this Policy.

Annual Statements:

Without limiting the general and continuing disclosure obligation set forth in the preceding section, the Chairperson of the Audit Committee shall distribute annually to all Trustees, Officers and Key Employees, a form soliciting the disclosure of all potential Conflicts of Interests, including specific information concerning the terms of any contract or transaction with the Corporation and whether the applicable processes set forth in this Policy were used. Each Trustee, Officer and Key Employee shall also annually sign a statement included with the form distributed by the Corporation which affirms such person:

- a. has received a copy of this Policy;
- b. has read and understands this Policy, and
- c. has agreed to comply with this Policy.

Written disclosures shall be submitted to and reviewed by the Chairperson of the Board and the Chairperson of the Audit Committee.

Related Party Transactions:

A Related Party Transaction is a transaction in which the Corporation is a party and a Related Party (as defined above) has a financial interest or another material interest. All rules and principles related to disclosure of Conflicts of Interest apply to Related Party Transactions, but in addition, the Trustees must initiate a formal Audit Committee review or a review by a quorum of the Board consisting of Independent Trustees.

Any Trustee, Officer or Key Employee with an interest in a Related Party Transaction shall make a good faith disclosure of all material facts related to such interest to the Audit Committee. The Audit Committee shall review all the material facts related to the proposed Related Party Transaction and request any additional information that it deems necessary to complete such review.

The Municipal Law prohibits transactions between Charter Schools and for-profit business entities in which a member of the Board of Trustees or a Key Employee has an interest if such Trustee or Key Employee has certain enumerated responsibilities. Accordingly, the Audit Committee will first determine whether or not the Trustee, Officer or Key Employee who has an interest in any proposed contract with a for-profit entity, has the power or duty, individually or as a member of the Board, to (1) negotiate, prepare, authorize or approve the contract or authorize payment thereunder; (2) audit bills or claims under the contract; or (3) appoint an officer or employee who has any of these powers or duties. If the interested Trustee, Officer or Key Employee does not have any of the enumerated responsibilities or if the proposed contract is with a not-for-profit entity, or is otherwise authorized by § 802 of the Municipal Law, the Committee may continue its review.

If a Related Party Transaction is otherwise authorized and the Related Party has a “substantial” financial interest or other material interest in such transaction, as assessed by the Audit Committee, the Audit Committee shall consider alternative transactions to the proposed transaction and the Chairperson of the Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives. The Committee, after reviewing any such alternatives, shall determine whether the Corporation can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

The Audit Committee shall after considering alternative transactions and/or comparability data, determine whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of its decision.

Following its review the Audit Committee may approve the transaction, or may refer the matter to the Board of Trustees for approval by the Board.

Upon receiving a recommendation from the Audit Committee, the Board may accept the recommendation or make an independent determination as to whether the proposed transaction is fair, reasonable and in the best interests of the Corporation. Upon the affirmative vote of not less than a majority of independent Trustees present, the Trustees may authorize the transaction.

At the time of any deliberation or decision by the Audit Committee or the Board concerning the authorization of a proposed Related Party Transaction, the interested Trustee, Officer or Key Employee shall not be present and shall not attempt to improperly influence any deliberations or voting, provided that the Board, or Audit Committee, may request such individual to provide information regarding the Related Party Transaction prior to the commencement of deliberations or voting.

The minutes of the meeting of the Board and the Audit Committee that conducted the initial review shall provide contemporaneous documentation of the basis for approval, including the Board’s consideration of any alternative transactions. The minutes shall also contain the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, and a record of any votes taken in connection with the proceedings.

The Corporation shall not enter into a Related Party Transaction unless it is approved in accordance with this Policy. **Any Related Party Transaction that is approved without complying with the procedure set forth in this section shall be void.**

Periodic Reviews

To ensure that the KIPP NYC Public Charter Schools operate in a manner consistent with charitable purposes and do not engage in activities that could jeopardize tax-exempt status, periodic reviews shall be conducted by the Audit Committee of each Corporation. The Audit

Committee shall report to the Board of Trustees. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are fair and reasonable, based on competent survey information, and in the best interests of the Corporation.
- b. Whether any related party transactions or arrangements with or on behalf of the Corporation are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Violations of the Conflicts of Interest Policy:

If the Board has reasonable cause to believe that a Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall inform the individual of the basis for such belief and afford that person an opportunity to explain the alleged failure to disclose. If, after hearing the response and after making further investigation as warranted by the circumstances, the Board determines that the Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall take appropriate disciplinary and corrective action.

SCHOOL OVERVIEW

Mission. As part of the national KIPP network of schools, our mission states that “Together with families and communities, we create joyful, academically excellent schools that prepare students with the skills and confidence to pursue the paths they choose—college, career, and beyond—so they can lead fulfilling lives and build a more just world.”

Strategic vision. In New York City, the KIPP network is comprised of 18 schools educating children in grades K-12 (8 elementary, 9 middle and our college preparatory high school). Together with our alumni support program, KIPP Forward (Formerly known as KIPP Through College), we impact the lives of over 6,000 children each year. We believe that great teachers and school leaders, a supportive learning environment, excellent academics, strong socio-emotional support and an equitable learning environment are the foundation for student success. We strive to provide these for every child.

Desired impact. In the United States today, only 10% of students from low-income families ultimately earn a college degree. These students are from the communities where KIPP NYC schools are located and where current and potential KIPP students reside. A degree affords young people the ability to compete in the global economy and achieve self-sufficiency. Yet how do they get a degree if less than a quarter of them are college ready? We are deeply committed to addressing this problem and reversing these dismal statistics. Starting in Kindergarten, we make a 19-year promise of support to each and every child all the way through college and career.

We focus on results – academic gains, socio-emotional development, career preparation skills, and the outcomes that ultimately matter most for our children: graduating from high school and college, embarking on a career, and becoming self-sufficient and happy. We work to dramatically increase the percentage of our alumni graduating from college with a B.A. degree (within six years). Our goal is to match the rate at which students in the highest income quartile complete college. We are one of the only charter school networks across the country committed to this long-term view. We have set the following additional goals for our students:

- 95% graduate from high school
- 85% matriculate to college
- 75% graduate from a four-year college within six years
- 70% of our KIPP alumni are employed

We made the decision for the 21-22 school year to start our schools in person for everyone and ran a regional KIPP NYC remote school for students with medical exemptions. In the end, the

remote school had about 30 students grades K-8, which meant 99% of our student body returned in person. The health and safety of our students, staff, and families were a top priority. We made some adjustments to teaching and learning to reflect the social distancing requirements in school. Additionally, coping with the pandemic and being remote has had an adverse impact on many students both academically and socio-emotionally. We started the year with a clear strategy to address both. Most notably, we started an optional summer school to help reacclimate students to the routines of attending school. We then did a round of diagnostic testing in both reading and math prior to our summer PD days so that we could spend PD time analyzing data and identifying how to address the diverse academic needs of our students. This strategy ensured we were still teaching grade level content, increased the number of flex days within each unit, and identified high priority standards and lessons within our curriculum to make space for necessary intervention.

Inclusive of our commitment to learning continuity for our students, the health and safety of our students, staff and families is our highest priority. Our reopening plan outlined our comprehensive approach for how we intended to ensure the physical safety of our school community as well as attend to their emotional and mental health.

We have and will continue to actively use an equity focused lens to evaluate all of our reopening and operational plans and decision-making moving forward. This commitment to equity and anti-racism is reflected in our communication with families, how we are incorporating the voices of staff and families, our attention to trauma, and designing programming with the success of our student population at the forefront of our minds.

In creating our plans for the 21-22 school year, we solicited direct feedback from our staff, students and families to ensure that we meet the needs of our entire community. As we continue to revise our plans amidst the ever changing landscape, we will continue to use science, data, health experts and the voices of our community to inform our decisions.

Whether KIPP NYC students are learning remotely or in person, we remain committed to delivering engaging and impactful instruction that fosters a love of learning and a strong sense of self for our students, staff and families.

GOAL 1: ENGLISH LANGUAGE ARTS

Goal 1: English Language Arts

Elementary ELA

SY 21-22 goal: Students will make 3 STEP levels of growth based on their beginning of year STEP level. This goal is a stepping stone toward our "moonshot" goal: 100% of 3rd graders reach STEP 12 by spring 2023. Students starting below grade level will make 4 STEP levels of growth based on their beginning of year STEP level.

MS ELA

SY 21-22 goal: Students will make 20% growth, on average, on their End of Year ELA Assessment. We also set individual NYS test proficiency goals for each school/grade based on student reading level data and prior years' proficiency.

BACKGROUND

K-8 ELA Program

- Based on assessment data, as well as feedback from students, teachers, and leaders, the K-8 ELA team developed four long-term curricular goals. These goals will shape the SY21-22, SY 22-23, and SY 23-24 curriculum revisions. The goals are: (1) Durability: K-8 Literacy Curriculum will be a durable curriculum that minimizes the need for duplicative work across the organization and over time. (This goal includes work on tightening vertical alignment K-8.) (2) Culturally Responsive-Sustaining Education: K-8 Literacy Curriculum will affirm and center our students' identities by honoring the varied experiences, histories, and perspectives of our students and

providing opportunities to connect across differences. (3) Supportiveness: K-8 Literacy Curriculum will support all teachers, regardless of their level of expertise or experience, and push them to the top of their practice. (4) Collaboration: K-8 Literacy Curriculum will evolve through deliberate, ongoing collaboration between curriculum designers, teachers, leaders, students, and families.

- SY22 curricular revisions: In summer 2022, Curriculum Fellows are using curriculum revisioning plan and the results of the text selection audit to make revisions to existing ES and MS ELA curricular materials.

- Text Selection: In fall 2020, nine K-8 teachers and leaders opted into a text selection working group to develop a clear criteria for the selection and incorporation of shared texts into our curriculum. In spring 2021, we used this framework to audit our existing curriculum, identifying texts that needed to be removed and potential places for the addition of new texts. In SY 22, we will continue to update texts using the text selection criteria and in ES to ensure more alignment between reading and writing including mentor texts that better bridge the two curricula together.

Elementary School ELA Elementary Schools have focused on better aligning our existing KIPP NYC Wheatley curriculum using the KIPP Foundation Wheatley curriculum as a baseline. For the 2022-2023 school year, elementary schools will have a more robust and aligned curriculum based on the revisions on the KIPP NYC Wheatley curriculum. Furthermore, we aligned KIPP NYC Wheatley thematically or genre-based with our Writer's Workshop curriculum to create a more aligned ELA block. In addition, we are continuing our focus on Success for All for our foundation literacy and using our STEP data and SFA progress monitoring data to better tailor our guided reading program.

Middle School ELA

We use a custom KIPP NYC Wheatley curriculum (not to be confused with the KIPP Foundation's Wheatley curriculum). The curriculum underwent an overhaul in SYs 2017 and 2018, and in SY 2019 the curriculum was expanded to include several text options for teachers so that, in some units, teachers can choose from between two texts to teach for the Wheatley unit (the texts are different but the overall goals of the unit are aligned). Additionally, in SY19 these new units were created with two additional enhancements, one promoting differentiation and scaffolding opportunities, the other promoting culturally responsive and sustaining pedagogical practices.

- A writing curriculum (Baldwin) was developed custom in SY 2017. Regional professional development has been provided over SY 2018 and SY 2019 to support teachers in teaching both the writing process and the features and techniques of the genres kids write in the curriculum.
- New assessments were developed for the Wheatley units in SY 2019, and were used again with some modifications in SY 2020. These are called CPAs (Common Performance Assessments) and include an extended response to the anchor text of the unit as well as a cold read of a new text with authentic prompts.
- To support the experience of students with specialized learning needs, we used an online learning platform called Learning Ally to ensure every student had access to the audio version of their core unit novels.
- Professional Development: Teachers received professional development regarding the incorporation of discussion into the classroom and cultural responsiveness.

ELEMENTARY AND MIDDLE ENGLISH LANGUAGE ARTS

Goal 1: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State English language arts examination for grades 3-8.

METHOD

The school administered the New York State Testing Program English language arts (“ELA”) assessment to students in 3 through 8 grades in spring 2022. Each student’s raw score has been converted to a grade-specific scaled score and a performance level.

The table below summarizes participation information for this year’s test administration. The table indicates total enrollment and total number of students tested. It also provides a detailed breakdown of those students excluded from the exam. Note that this table includes all students according to grade level, even if they have not enrolled in at least their second year (defined as enrolled by BEDS day of the previous school year).

RESULTS AND EVALUATION

Elementary ELA

At the end of the 2021-2022 school year, 40% of students were at grade level on reading according to STEP and F&P. 65% of students grew at least one year (3 STEP levels) this past year, which has been one of our best results to date. While only 14% of students with IEPs are on grade level at the end of the 21-22 school year, 57% of students with IEPs made a year's worth of growth indicating that SpEd students are growing at similar rates as their general education peers.

¹ Students exempted from this exam according to their Individualized Education Program (IEP), because of English Language Learners (ELL) status, or absence for at least some part of the exam.

Middle School ELA

We administered several common assessments across our ELA program. At the end of every unit, we administer a common performance assessment (CPA) that requires students to apply the skills they learned in their most recent reading unit to a new, on-grade-level text. Our results for both Unit 1 (fiction) and Unit 2 (nonfiction) suggest we outperformed our pre-pandemic (19-20) levels of mastery. Similarly, in Writing, we use common rubrics to assess student writing in various genres. Data showed that our students are largely proficient in their clarity, but need further instruction in the development of their ideas. This will be a large focus in the coming school year. Finally, we again administered our End-of-Year ELA assessment, an assessment designed with input from the community and intentionally crafted as an authentic assessment. We used data from its first year of administration (20-21) to set an ambitious growth goal of 20% growth overall; we exceeded that goal, with students making an average of 27% growth YOY.

ADDITIONAL EVIDENCE

Elementary ELA

All students are expected to take all of the common assessments and our reading data is inclusive of all of our elementary students. Because STEP is a nationally normed assessment, we believe the results to be valid

Middle School ELA

While we have common shared assessments, rubrics, and robust scoring guides with exemplars, we did not prioritize scoring norming or scoring alignment. In the 22-23 school year, we hope to use more of our common planning time to intentionally align on scoring, so we have more valid and reliable results across our schools

Goal 1: Comparative Measure

Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state English language arts exam will be greater than that of all students in the same tested grades in the school district of comparison.

METHOD

A school compares tested students enrolled in at least their second year to all tested students in the public school district of comparison. Comparisons are between the results for each grade in which the school had tested students in at least their second year at the school and the total result for all students at the corresponding grades in the school district.²

SUMMARY OF THE ENGLISH LANGUAGE ARTS GOAL

Elementary ELA

Elementary schools use the STEP Assessment and the Fountas and Pinnell assessment to measure progress in reading. Our goal is that every student will make three STEP levels of reading growth. Additionally, our 3rd and 4th grade students take the authentic End of Year ELA Assessment, which is our capstone assessment for the school year, assessing students on the major reading and writing skills and habits they should be developing over the course of the year. We will be also piloting DIBELS 8 as our reading assessment in a few grades within a few of our schools.

Middle School ELA

Our authentic End of Year ELA Assessment is our capstone assessment for the school year, assessing students on the major reading and writing skills and habits they should be developing over the course of the year. To get to this larger assessment, we progress monitor through our end of unit assessments (CPAs and writing process pieces) and our formative assessments (exit tickets on essential, or prioritized, lessons). Additionally, we administer interim assessments meant to approximate the NYS exam.

| Type | Measure | Outcome |
|-------------|--|---|
| Absolute | Each year, 75 percent of all tested students who are enrolled in at least their second year will perform at proficiency on the New York State English language arts exam for grades 3-8. | 60% of students enrolled in at least their second year performed at proficiency on the ELA exam |
| Absolute | Each year, the school's aggregate PI on the state's English language arts exam will meet that year's state MIP as set forth in the state's ESSA accountability system. | N/A |
| Comparative | Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state English language arts exam will be greater than that of students in the same tested grades in the school district of comparison. | |
| Comparative | Each year, the school will exceed its predicted level of performance on the state English language arts exam by an effect size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State. | N/A |
| Growth | Each year, under the state's Growth Model the school's mean unadjusted growth percentile in English language arts for all tested students in grades 4-8 will be above the target of 50. | N/A |

ACTION PLAN

The following strategies will help us progress toward our reading and writing goals:

1. Implementing KIPP Foundation's Wheatley curriculum at the elementary level

2. Implementing the homegrown KIPP NYC Wheatley and Baldwin curricula, designed by Curriculum Fellows in collaboration with the broader community, at the middle school level
3. Committing time each day to both grade-level reading through the Wheatley curricula and instructional-level reading through guided and independent reading structures
4. Running a phonics block in K-2 using Success For All phonics curriculum
5. Administering a suite of literacy assessments and regionally leading analysis of assessment data. The suite of assessments includes: Reading Inventory, Fountas & Pinnell, curricular performance assessments, authentic writing tasks, and interim assessments that mirror the state test
6. Designing and facilitating a series of professional development experiences focused on literacy across the school day and integrating the strands of literacy
7. Engaging with school-based leaders in their ongoing Looking At Student Work practices and Observation-Feedback cycles

GOAL 2: MATHEMATICS

Goal 2: Mathematics

For the 2021-2022 school year, our K-8 Math program had a variety of goals:

1. Assessment Goals

- i-Ready, an adaptive online assessment, was used for grades 3-8 to diagnose student learning needs entering each grade. The i-Ready mid-year and end of year assessments became our primary measure for growth. In our first year of using the i-Ready assessments, we did not set specific goals for each school and grade-level, but set the expectation regionally that all students should be able to achieve their typical growth goals, which meant the equivalent of growing a full year in Math on their i-Ready grade-level placement, and shared the expectation, based on comparative KIPP network data and national data, that 20-30% of students would achieve their stretch growth goals set by i-Ready at the end of the year, indicating that 20-30% of students would achieve growth of 1.5-2 years of Math content by the end of the year.

- We created NYS test Math goals for grades 3-8 based off of our fall i-Ready diagnostic data, which provided us with information on where students were in their Math placement entering the school year and returning from the 1.5 years of mostly remote instruction. Historically, we have used our prior year's state test data to predict state test proficiency rates for the following year, but since students did not sit for the state test in 2020 or 2021, the i-Ready diagnostic data became our primary means for making these state test predictions. The proficiency goals were: 91% 3rd, 71% 4th, 68% 5th, 72% 6th, 68% 7th, and 65% 8th.

- We continued to make progress towards our moonshot Algebra participation rate goals of having 90% of 8th graders sit for the Algebra I Regents exam, with 90% of these students passing with a score of 80+.

2. Instructional Priorities

In order to attain the assessment goals above, our regional and school-based leaders aligned on the following priorities for instruction:

-Improving our Tier 1 instruction - we believe that high-quality tier 1 instruction is one of the key factors to student outcomes. One of the levers for improving tier 1 instruction was our focus on being particularly responsive to data captured via active monitoring during class along with teachers' in-the-moment instructional responses to address misconceptions.

-Formative Assessment - we believe that assessments that make a difference exist most at the formative and summative level within Tier 1. We set a goal of having 100% of schools participate in these formative assessments, which were new this year for ES Math and revised for MS Math.

Intentional intervention - we believe that in order to address gaps from unfinished learning, we must strategically use our intervention blocks with students to support in providing access to Tier 1 instruction. For ES Math, we aimed to have students complete at least 4 Zearn lessons per week and for MS Math, we aimed to have students complete and pass at least 2 i-Ready lessons per week.

BACKGROUND

Elementary School Math

The curriculum we use for our K-4 Math instruction is the Eureka Math curriculum, with some adaptations to the scope and sequence to fit our school calendar. We supplement this curriculum with daily CGI instruction, which pushes student problem solving skills through student-led discussions on open-ended, real-world problem prompts. In addition, we use Math routines, such as counting jar and money jar, as well as automaticity assessments, which are used to practice and assess student fluency with core skills.

Middle School Math

Our MS Math instruction is based on an in-house curriculum that has been refined over the course of the last 7+ years and is mostly aligned to the sequence of units covered in Eureka Math, but the daily objectives and content covered is different. Within each Math lesson, students typically activate prior knowledge in a Do Now activity, complete a fluency drill, engage in a discussion following a launch/explore/hook activity, learn new content and vocabulary, then follow a model problem in guided practice, and spend at least 20 minutes completing independent practice aligned to the daily objective. Students are assessed daily through formative checks for understanding and oftentimes an exit ticket.

Our Algebra 8th grade students follow a unique pacing calendar that integrates nearly two years of content into one school calendar, with the 8th grade and Algebra I common core standards integrated into the same curriculum. Unlike the 8th grade Eureka Math curriculum, which follows a sequence that prepares students for the 8th grade NYS test, our Integrated Algebra curriculum consolidates the units from 8th grade Math with the Algebra units and helps prepare students for success on both the 8th grade Math exam and the Algebra Regents exam.

To supplement our core curriculum in 2021-22, a team of summer curriculum fellows built out comprehensive unit summary plans that provide teachers with both the specificity of the core skills and concepts, common misconceptions, and aligned assessment questions covered in each unit, along with a thematic overview, list of essential questions, and major standards covered that facilitated the lesson internalization work led by our instructional leaders at schools.

In terms of assessment, this year was the launch year for our K-4 Math formative assessments, and the 4th year of our MS Math formative assessments, whereby students regionally complete short, 30 minute quizzes every few weeks that assess recently taught content. At the end of each of these weeks, grades are submitted to Illuminate and our regional content team analyzes the results in an analysis email/template that provides teachers with an overview, a suggested reteach topic and strategies for reteach, and previews the next few weeks along with the following assessment. The reteach topic is then assessed on the following formative assessment so that students and teachers can get immediate data on the effectiveness of their reteach lesson. These formative assessments are occasionally replaced by our lengthier end of module summative assessments as well as interim assessments for K-4. All assessments were adapted from those administered remotely during the 2020-21 school year, to account for the prerequisite skills taught to address unfinished learning, along with the greater amount of content covered this school year.

Professional development in 2021-2022 for K-8 Math focused primarily on supporting teachers with our regional priorities, specifically:

- How to address unfinished learning through the use of diagnostic and pre-unit assessments, pre-teach lessons, and intentional intervention instruction.
- The power of ICT instruction and effective co-teaching models
- Active monitoring and strategies for collecting and responding to data captured during instruction
- Building teacher content knowledge by collaborating with teachers and instructional leaders on lesson internalization

To supplement instruction, students were assigned additional work in i-Ready, Zearn, and Khan Academy for more targeted practice, and these supplemental platforms were also used as tools for small group intervention.

To account for potential unfinished learning, the 2021-22 pacing calendars were designed with more weekly time allocated for reteach and remediation - typically a flex lesson occurred in the pacing calendars each Wednesday - as well as embedded lessons prior to each unit for teachers to pre-teach upcoming content by reviewing pre-requisite skills from years past. We also partnered with i-Ready to allow for new diagnostic assessments in the fall of 2021 to better gauge any unfinished learning and supported teachers in 2021-22 with new reteach resources.

ELEMENTARY AND MIDDLE MATHEMATICS

Goal 2: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State Mathematics examination for grades 3-8.

METHOD

Assessment tools for measuring student proficiency and growth included:

- Daily checks for understanding, including high priority exit tickets (2-3 times per week) - formative assessments that capture data on a daily objective that are typically 3-5 minutes and 1-4 questions in length
- Bi-weekly quizzes and formative assessments - approximately 30 minute assessments that are 5-8 questions in length assessing content learned primarily from the week prior including a few reassessment questions
- End of module assessments - summative 60-90 minute assessments at the end of specified modules that cumulatively assess the content learned from that unit
- 2-3 interim assessments - exams that cumulatively assess content covered throughout the year and provide the best predictors of student success towards our NYS exam goals
- PT Simulation and Regents Simulation - exams that mimic the format of the NYS exam and Algebra Regents exam to cumulatively assess content and determine topics for remediation
- i-Ready diagnostic and standards mastery assessments - adaptive assessments administered at the beginning of the year, middle of the year, and end of the year, primarily used to measure growth, determine grade-level placement by domain, and identify students in greatest need for intervention.

Assessments given in June to primarily assess the core skills and concepts learned that year and provide data to next year's teachers for the purposes of remediation (3rd interim assessment / EOY diagnostic)

The school administered the New York State Testing Program Mathematics assessment to students in 3 through 8 grades in spring 2022. Each student's raw score has been converted to a grade-specific scaled score and a performance level.

It also provides a detailed breakdown of those students excluded from the exam. Note that this table includes all students according to grade level, even if they have not enrolled in at least their second year (defined as enrolled by BEDS day of the previous school year).

RESULTS AND EVALUATION

On the Algebra I Regents exam, 79% of students passed with a score of 65 or higher and 57% of students passed with a score of 75 or higher. 3 of 7 schools had more than 50% of their 8th graders sit for the Algebra Regents, and 4 of 7 schools had 90% or more of students who sat for the Regents pass with a 65 or higher. For some schools, we met our participation rate goals of having 70% or more students take the Algebra Regents, but for the most part, we fell short of this participation rate goal coming back from remote learning, as our students' fall diagnostic placement indicated that a much larger cohort of students was at least 2 grade-levels behind entering 8th grade, making the accelerated 2-year program even more challenging. Of the schools that had high participation rates, the pass rates were unexpectedly strong, though lower than our historic pre-pandemic pass rates.

Our i-Ready growth results indicated that our median student across grades made 137% progress towards their typical growth goal, meaning half of our students made more than 137% growth and half made less. 65% of students regionally met their typical growth goals and 34% met their stretch growth goals, which means that we fell short of our expectation that all students make typical growth, but exceeded expectations with regards to the number of students making stretch growth. 5 of 6 elementary schools and 6 of 9 middle schools exceeded the goal of 20-30% of students making stretch growth, and all but 1 elementary school and 2 middle schools had 60% or more students meet their typical growth goals.

³ Students exempted from this exam according to their Individualized Education Program (IEP), because of English Language Learners (ELL) status, or absence for at least some part of the exam.

ADDITIONAL EVIDENCE

Two additional notes about our assessment data - our 8th grade Algebra students did not sit for the NYS exam this year, with the exception of KIPP Infinity 8th grade Algebra students. The 8th grade Algebra curriculum focused on 8th grade prerequisite standards in preparation for topics in Algebra, and the unit on Geometry was cut from the curriculum this year and last year due to remote learning. As a result, students would not have covered all of the Geometry content necessary to succeed on the 8th grade state test, so only the non-Algebra 8th grade Math students took this exam. This is worth noting as it means our 8th grade state test data will account for far fewer students than in years past, when students took both the 8th grade state test and the Algebra Regents exam. We also expect that this decision will mean our 8th grade state test results will be lower in comparison to other grades and prior years, since our most advanced 8th graders were placed into Algebra and thus not taking the 8th grade state test. On a related note, our 8th grade Algebra students did not sit for the end of year i-Ready assessment, so that more instructional time in June could be devoted to preparing for the Regents. This decision means that our 8th grade i-Ready growth data does not account for all students, and could also skew the results in a lower direction in comparison to the other grades.

One additional note - KIPP Freedom ES student data is not included in our i-Ready results, as this school did not administer the i-Ready assessments to its founding cohort of 3rd graders, but is planning to administer the assessments in the 22-23 school year.

Goal 2: Comparative Measure

Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state mathematics exam will be greater than that of all students in the same tested grades in the school district of comparison.

METHOD

A school compares tested students enrolled in at least their second year to all tested students in the public school district of comparison. Comparisons are between the results

for each grade in which the school had tested students in at least their second year at the school and the total result for all students at the corresponding grades in the school district.⁴

SUMMARY OF THE ELEMENTARY/MIDDLE MATHEMATICS GOAL

Our return to in-person instruction this year brought an ambitious set of goals around recovering unfinished learning as a result of 1.5 years of remote learning. Some of these ambitious goals were met this school year - the % of students meeting their i-Ready stretch growth goals indicates that a high percentage of students grew 1.5-2 grade-level equivalents in Math over the course of the year. But the results of where students placed at the end of the school year indicate that there is much more room for growth and still lots of unfinished learning to account for. While we don't yet have state test data to determine whether these goals were met, we fell short of our goal in having all students meet typical growth measured by the i-Ready EOY assessment, and fell short on our Algebra participation and pass rate goals.

ACTION PLAN

The following strategies are being implemented to push schools towards achieving our Math goals in 2022-23:

- New resources to support teachers with lesson internalization - building off of the unit launch plans designed in the summer of 2021, we have a team of middle school Math veteran teachers and leaders designing lesson plans for every lesson in our in-house 5-8 and Algebra curricular, which will support teachers and leaders in lesson internalization and becoming masters of the content they’re teaching daily.
- New pacing calendars with strategically timed flex lessons - with our new school schedule allowing for the same class lengths Monday to Friday, this allowed for more strategic placement of flex lessons over the course of the year that will encourage teachers to more intentionally spiral topics in reviewing for upcoming assessments. Our regional pacing calendars will continue to reduce the breadth of content covered and instead prioritize the in-depth study of core skills and concepts.
- Emphasizing responsive instruction - supplementing our suite of Math formative, summative, and interim assessments, we have expanded our assessment suite by including new summative assessments for grades K-2, new interim assessments brought back for grades 5-8 and Algebra at the request of teachers and leaders, and for some lessons, new priority exit tickets. These frequent formative assessments embedded throughout the year, will provide teachers with more opportunities to analyze student data on an ongoing basis and plan responsive instruction based on student needs.
- Aligning to the Next Generation Learning Standards - Establishing greater coherence in the K-8 Math curriculum by eliminating overlap of content taught in 4th and 5th grades, continuing to narrow the focus of content taught in each grade-level, and shifting more of the Geometry standards from 8th grade to 7th grade to open up more time in the pacing calendar and facilitate the instruction of 8th grade Algebra curriculum in preparation for the Regents exam
- Providing more intentional support regionally for Tier 2 intervention instruction, by creating regionally designed pre-teach lessons for each grade-level every week, training teachers to use i-Ready Math as a supplemental tool for intervention, and introducing more opportunities for collaboration among learning specialists during regional professional development days
- Engaging teachers and instructional leaders in continued professional development that focuses on lesson internalization, particularly unit launches with the arrival of a new set of unit launch plans created by summer curriculum fellows, as well as increasing student cognitive engagement, and improving our summary checks for understanding
- Aligning regionally on our regional in-house designed 8th grade non-Algebra curriculum to allow schools to more easily differentiate instruction for our 8th graders and receive regional support and collaboration
- Continuing to adapt our curriculum and prepare teachers for next year’s planned shift in standards when NYS implements the new Next Generation Learning Standards for Math

BACKGROUND

Director of Elementary Science, Technology and Engineering worked with the 9 Elementary schools to maintain year 4 of Amplify curriculum and expansion of the Computational Thinking Units to all schools.

- Each elementary school had one K-2 science teacher and one 3-4 science teacher. There is a cohort of Elementary Science leaders being developed who work with the Director of Elementary Science, Technology & Engineering to continue implementation of Amplify by coaching and developing teachers. There is at least one leader per school.
- This is the second year of Amplify Science implementation for the 9 Middle Schools adopted Amplify science All schools implemented curricula and completed the 6 core units along with the appropriate assessments based on the districts pacing calendar.
- Assessments were a focus for the 2021-2022 school year by using the Amplify Data Base & illuminate to track student data. The main assessments for each band is below
 - ES (K-4): CFT & EOU assessments
 - MS (5-8): CFT, CJA & EOU assessments
- Schools opted in to participate in FIRST Robotics due to the hybrid nature of the competition. There were a total of 18 teams, about one from each K-8 school, that participated in the robotics season. KIPP Infinity Middle School participated in the regional FIRST robotics competition based on being a top team

in the regional qualifier. KIPP Academy ES and KIPP WHES embedded robotics as part of their curriculum for grades 3-4 and K-2 respectively. These schools hosted EOY fairs for parents & students to showcase their work from the season.

- The second year of curriculum Fellows Board for STE (Science and CT) with teacher leaders to create modifications to the curricula. This year the work is focused on authentic learning experiences for students through presentation. For example, Middle School Science will add on a science fair unit with students participating in a school science fair. The top students from the school science fair will advance to KIPP NYCs first regional science fair. This will take place in June 2023. The elementary school additions will focus on project based learning.

ELEMENTARY AND MIDDLE SCIENCE

Goal 3: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State science examination.

METHOD

The school administered the New York State Testing Program science assessment to students in 4th and 8th grade in spring 2022. The school converted each student’s raw score to a performance level and a grade-specific scaled score. The criterion for success on this measure requires students enrolled in at least their second year to score at proficiency.

| 8 | 2018-19 | NA | NA | NA |
| 8 | 2021-22 | NA | NA | NA |

ADDITIONAL CONTEXT AND EVIDENCE

Very few students opted to take the test this year and tests did not include a practical lab component. Virtual administration of Checkpoint formative assessments and End of Module assessment led to less validity on internal assessments. Currently thinking through how to collect on-going diagnostic data throughout the year to best assess current levels of student understanding given the effects of the pandemic. Due to the incongruent implementation of science across science by school, the scope/sequence and time teaching science did not lend itself to standardized internal assessments.

SUMMARY OF THE ELEMENTARY/MIDDLE SCIENCE GOAL

All elementary schools are implementing Amplify science meeting the specified time minimums (K-2 at least 2 days a week for 45 minutes each; 3-4 at least 4 days a week for 45 minutes each). One of our goals is that at least 75% of students meet standards on the end of unit assessment using progress build formative assessments to progress monitor each unit. We will be adjusting our scope and sequences in science next year to pare down to essential understandings and skills of the unit in order to create one responsive day a week for spiral review and reteach. Students will continue with grade level curricula and will embed essential lessons from previous grades that may help with access to grade level content. Our assessment goals will be the same as years past in which 75% of students meet standards on our formative assessments. We will work to standardize all of our internal assessments so that teachers across all schools implement all formative assessments in the given windows.

ACTION PLAN

- Aligned K-8 curriculum: starting in the 2020-2021 school year, middle school science will implement Amplify science as its core curriculum allowing for alignment within the region and network including implementation of progress build formative assessments and end of module assessments.
- Schools adhering to the time minimums for science
- Training and Development of teachers and leaders on curriculum
- Continuation of STE programming (robotics, computational thinking, data science etc, environmental literacy)
- State test is phasing out for 4th grade this year and in the 2022-2023 school year it will be 5th and 8th grade testing. Currently we are making sure the shift to amplify will prepare our students for the shift in testing.

GOAL 4: ESSA

Due to COVID-19 and the subsequent changes to the state's testing, accountability, and federal reporting requirements, the 2021-22 school accountability statuses are the same as those assigned for the 2020-21 school year. Assigned accountability designations and further context can be found [here](#).

Goal 4: Absolute Measure

Under the state's ESSA accountability system, the school is in good standing: the state has not identified the school for comprehensive or targeted improvement.

METHOD

Because *all* students are expected to meet the state's performance standards, the federal statute stipulates that various sub-populations and demographic categories of students among all tested students must meet the state standard in and of themselves aside from the overall school results. As New York State, like all states, is required to establish a specific system for making these determinations for its public schools, charter schools do not have latitude in establishing their own performance levels or criteria of success for meeting the ESSA accountability requirements. Each year, the state issues School Report Cards that indicate a school's status under the state accountability system.

RESULTS AND EVALUATION

KIPP STAR is currently in good standing, and has been so for the accountability period.

ADDITIONAL EVIDENCE

KIPP STAR has been in good standing for each year during the accountability period.

Accountability Status by Year

| Year | Status |

| 2019-20 | Good Standing |
| 2020-21 | Good Standing |

Conflicts of Interest Policy

KIPP NYC Public Charter Schools & KIPP Academy Charter School

Purpose:

KIPP NYC Public Charter Schools and KIPP Academy Charter School (collectively, “KIPP NYC”) has adopted a Code of Ethics setting forth for the guidance of trustees, officers and employees the standards of conduct expected of them, including standards with respect to disclosure of conflicts of interest regarding any matter brought or required to be brought before their respective Boards. The Conflict of Interest Policy is part of the Codes of Ethics adopted by each of the Corporations. It provides procedures for addressing, disclosing, and documenting conflicts of interest as such term is used in §§ 800 through 806 of the New York State General Municipal Law (hereafter “the Municipal Law”) and in § 715-a of the Not-for-Profit Corporation Law. It also includes procedures for addressing Related Party Transactions, as such term is defined in § 102 (24) of the Not-for-Profit Corporation Law. The Policy supplements, and does not replace any applicable provisions of the General Municipal Law and other state and federal laws governing conflicts of interest. It applies to all Trustees, Officers and Key Employees of each of the Corporations. The Schools will be referred to herein, individually, as “the Corporation.”

Definitions:

“Affiliate” means an entity controlled by, in control of, or under common control with the Corporation.

“Audit Committee” means the Audit Committee of the Corporation, as described in the By-laws of the Corporation. The Audit Committee is comprised of at least three Trustees who are Independent Directors as defined in § 102 (21) of the Not-for-Profit Corporation Law and in this Policy.

“Board” means the Board of Trustees.

“Compensation” means direct or indirect remuneration, as well as gifts or favors. A gift or favor that is valued at \$75 or more is expressly prohibited by the Municipal Law when offered to a Trustee, Officer or Key Employee in connection with official duties, but gifts of lesser value may also be subject to this policy.

“Corporation” refers to each of the KIPP NYC Public Charter Schools which have adopted this policy and which are Education Corporations and, as such, subject to provisions of the Not-for-Profit Corporation Law made applicable to education corporations by § 216-a of the Education Law. Each Corporation, as a chartered entity, is also subject to the Conflict of Interest Provisions of §§ 800 through 806 of the General Municipal Law,

“Financial Interest”: A person has a “Financial Interest” in a transaction if such person would receive an economic benefit, directly or indirectly, from such transaction or compensation agreement.

“Independent Director” means a Trustee who (i) is not, and has not been within the last three years, an employee of the Corporation or an Affiliate and does not have a Relative who is, or has been within the last three years, a Key Employee of the Corporation or of an Affiliate; (ii) has not received, and does not have a Relative who has received, in any of the last three fiscal years, more than \$10,000 in direct compensation from the Corporation or from an Affiliate (other than reimbursement for expenses reasonably incurred as a Trustee, Officer or Key Employee); and (iii) is not a current employee of, or does not have a substantial financial interest in, and does not have a Relative who is a current officer of or who has a substantial financial interest in, any entity that has made payments to, or received payments from the Corporation or from an Affiliate for property or services in an amount which, in any of the last three fiscal years, exceeds the lesser of \$25,000 or 2 % of such entity’s consolidated gross revenues. For these purposes, “payment” does not include charitable contributions.

“Key Employee” includes but is not limited to any person who is in a position to exercise substantial influence over the Corporation, as defined from time to time by the Corporation, or who has or shares authority to control or determine a substantial portion of the operating budgets of the Corporation or the schools or compensation for employees.

“Related Party” means: (1) any Trustee, Officer, or Key Employee of the Corporation or an Affiliate; (2) A Relative of any Trustee, Officer, or Key Employee of the Corporation or an Affiliate or (3) any entity in which any individual described in clause (1) or (2) of this definition has a 35% or greater ownership or beneficial interest, except that in the case of a partnership or professional corporation, a Related Party will include an entity in which any individual described in clause (1) or (2) above has a direct or indirect ownership interest in excess of 5%.

“Related Party Transaction” means any transaction or agreement or other kind of arrangement between the Corporation and a Related Party or an entity in which the Related Party has an interest. Related Party Transactions are subject to special provisions for disclosure, evaluation and documentation. In addition, certain Related Party Transactions are subject to limitations described in the Municipal Law. These special provisions and limitations are summarized in this Policy.

“Relative” means an individual’s spouse or domestic partner, as defined in Public Health Law §2994-a, ancestors, siblings (whether whole or half-blood), children (whether natural or adopted), grandchildren, great grandchildren and spouses or domestic partners of ancestors, siblings, children, grandchildren, and great-grandchildren. Children of siblings and their spouses and partners will also be considered Relatives under this Policy.

“School” any school managed by the Corporation.

“Trustees” and “Officers” are the elected individuals responsible for managing the affairs of the Corporation as described in the By-laws.

What is a Conflict of Interest?

For purposes of this Policy, a “Conflict of Interest” arises when the personal, professional or financial interests of a Trustee, Officer or Key Employee diverge or may potentially diverge from the interests of the Corporation. A conflict of interest will arise when a transaction involving the Corporation could financially harm or benefit a person covered by this Policy, but a conflict of interest does not always involve financial interests. A conflict may also involve the use of the services or facilities of the Corporation or may involve the use of staff assistance for purposes other than carrying out professional or fiduciary duties.

Conflicts may also arise if a Trustee, Officer or Key Employee is asked to communicate on behalf of a person or firm with the Corporation. Accordingly, a Trustee, Officer or Key Employee may not communicate with the Board or a School on behalf of a person or a firm, unless requested to do so by the Corporation, and shall avoid engaging in activities that would appear to be unduly influenced by other persons who have a special interest in matters under consideration by the Trustee of the Corporation or employees of one of the Schools. If a Trustee, Officer or Key Employee inadvertently engages in such activities, he/she shall promptly notify the Board in writing of such activities and shall disclose all known facts prior to participating in a Board discussion of these matters.

Disclosure of Conflicts of Interest:

Written disclosure of all potential Conflicts of Interest is required of Trustees, Officers and Key Employees prior to election or appointment and annually thereafter. However, Conflicts of Interest may arise between annual updates and, accordingly, an individual with a duality of interest shall disclose the potential Conflict (a) prior to voting on or otherwise discharging his or her duties with respect to any matter involving the potential Conflict; (b) prior to entering into any contract or transaction involving the Corporation; and (c) as soon as possible after he or she learns of an actual or potential Conflict of Interest. Disclosure of the material facts surrounding the Conflict of Interest shall be made to the Chairperson of the Board and the Chairperson of the Audit Committee. The interested Trustee or Officer shall thereafter refrain from participating in deliberations and decisions relating to the matter unless he or she is asked for information by the Chairperson of the Board or the Audit Committee.

The existence and resolution (as applicable) of any reported Conflict of Interest shall be documented in the appropriate records of the Corporation, including in the minutes of any meeting at which the Conflict of Interest was discussed and voted upon.

A Key Employee who wishes to use staff assistance, services or facilities for purposes other than carrying out professional responsibilities will disclose the Conflict to the Principal of the School who will exercise discretion in allowing or disallowing the proposed use in accordance with this Policy.

Annual Statements:

Without limiting the general and continuing disclosure obligation set forth in the preceding section, the Chairperson of the Audit Committee shall distribute annually to all Trustees, Officers and Key Employees, a form soliciting the disclosure of all potential Conflicts of Interests, including specific information concerning the terms of any contract or transaction with the Corporation and whether the applicable processes set forth in this Policy were used. Each Trustee, Officer and Key Employee shall also annually sign a statement included with the form distributed by the Corporation which affirms such person:

- a. has received a copy of this Policy;
- b. has read and understands this Policy, and
- c. has agreed to comply with this Policy.

Written disclosures shall be submitted to and reviewed by the Chairperson of the Board and the Chairperson of the Audit Committee.

Related Party Transactions:

A Related Party Transaction is a transaction in which the Corporation is a party and a Related Party (as defined above) has a financial interest or another material interest. All rules and principles related to disclosure of Conflicts of Interest apply to Related Party Transactions, but in addition, the Trustees must initiate a formal Audit Committee review or a review by a quorum of the Board consisting of Independent Trustees.

Any Trustee, Officer or Key Employee with an interest in a Related Party Transaction shall make a good faith disclosure of all material facts related to such interest to the Audit Committee. The Audit Committee shall review all the material facts related to the proposed Related Party Transaction and request any additional information that it deems necessary to complete such review.

The Municipal Law prohibits transactions between Charter Schools and for-profit business entities in which a member of the Board of Trustees or a Key Employee has an interest if such Trustee or Key Employee has certain enumerated responsibilities. Accordingly, the Audit Committee will first determine whether or not the Trustee, Officer or Key Employee who has an interest in any proposed contract with a for-profit entity, has the power or duty, individually or as a member of the Board, to (1) negotiate, prepare, authorize or approve the contract or authorize payment thereunder; (2) audit bills or claims under the contract; or (3) appoint an officer or employee who has any of these powers or duties. If the interested Trustee, Officer or Key Employee does not have any of the enumerated responsibilities or if the proposed contract is with a not-for-profit entity, or is otherwise authorized by § 802 of the Municipal Law, the Committee may continue its review.

If a Related Party Transaction is otherwise authorized and the Related Party has a “substantial” financial interest or other material interest in such transaction, as assessed by the Audit Committee, the Audit Committee shall consider alternative transactions to the proposed transaction and the Chairperson of the Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives. The Committee, after reviewing any such alternatives, shall determine whether the Corporation can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

The Audit Committee shall after considering alternative transactions and/or comparability data, determine whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of its decision.

Following its review the Audit Committee may approve the transaction, or may refer the matter to the Board of Trustees for approval by the Board.

Upon receiving a recommendation from the Audit Committee, the Board may accept the recommendation or make an independent determination as to whether the proposed transaction is fair, reasonable and in the best interests of the Corporation. Upon the affirmative vote of not less than a majority of independent Trustees present, the Trustees may authorize the transaction.

At the time of any deliberation or decision by the Audit Committee or the Board concerning the authorization of a proposed Related Party Transaction, the interested Trustee, Officer or Key Employee shall not be present and shall not attempt to improperly influence any deliberations or voting, provided that the Board, or Audit Committee, may request such individual to provide information regarding the Related Party Transaction prior to the commencement of deliberations or voting.

The minutes of the meeting of the Board and the Audit Committee that conducted the initial review shall provide contemporaneous documentation of the basis for approval, including the Board’s consideration of any alternative transactions. The minutes shall also contain the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, and a record of any votes taken in connection with the proceedings.

The Corporation shall not enter into a Related Party Transaction unless it is approved in accordance with this Policy. **Any Related Party Transaction that is approved without complying with the procedure set forth in this section shall be void.**

Periodic Reviews

To ensure that the KIPP NYC Public Charter Schools operate in a manner consistent with charitable purposes and do not engage in activities that could jeopardize tax-exempt status, periodic reviews shall be conducted by the Audit Committee of each Corporation. The Audit

Committee shall report to the Board of Trustees. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are fair and reasonable, based on competent survey information, and in the best interests of the Corporation.
- b. Whether any related party transactions or arrangements with or on behalf of the Corporation are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Violations of the Conflicts of Interest Policy:

If the Board has reasonable cause to believe that a Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall inform the individual of the basis for such belief and afford that person an opportunity to explain the alleged failure to disclose. If, after hearing the response and after making further investigation as warranted by the circumstances, the Board determines that the Trustee, Officer or Key Employee has failed to disclose an actual or possible Conflict of Interest, it shall take appropriate disciplinary and corrective action.
