Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2021-2022	Describe Recruitment Plans in 2022-2023
Economically Disadvantaged	In 2021-22, 93.1% of our students were economically disadvantaged, as measured by eligibility for Free and Reduced Price Lunch. To recruit these students, MCS focuses its efforts in small, low-tuition Pre-K programs, as well as Head Start Programs, located in CSD1. Outreach sessions for students are publicized using flyers, signage at the school, and contact with community organizations. Families are encouraged to visit the school, talk to instructional, executive, and other staff, visit classes, and meet currently enrolled students, although some of these efforts were done virtually due to COVID-19 protocols.	In 2022-23, MCS will continue to focus its efforts to recruit economically disadvantaged students in small, low-tuition Pre-K programs, as well as Head Start Programs, located in CSD1. Outreach sessions for students will be publicized using flyers, signage at the school, and contact with community organizations. Families will be encouraged to visit the school, talk to instructional, executive, and other staff, visit classes, and meet currently enrolled students. The school allocates a significant budget for recruitment, in order to advertise in paper and online platforms. We do targeted mailings through Vanguard. In addition, we have expanded our social media presence and advertising. We are also a part of Niche, which helps families find us online.
		In 2022-23, Manhattan Charter School will continue to undertake all measures to recruit ELL

<p>English Language Learners</p>	<p>Manhattan Charter School undertakes significant measures to recruit student applicants who are English Language Learners (12% of the total student body in 2021-22) including translated promotional materials and translation services for person-to-person interactions, when needed. The school has a 20% lottery set aside for students who indicate they primarily speak a language other than English on their application in an effort to recruit additional English Language Learners. The paper application is available in English, Mandarin, Spanish, and Tibetan in addition to the Common Charter School application via the NYC Charter Schools Center website, which is available in 10 languages. For any parent that requests assistance in completing the application, the Family Relations and Attendance Coordinator and other multilingual MCS staff will provide help. If translation services are required and multilingual staff is unavailable, we will hire translators during the admission period. <p>Students with Disabilities</p>	<p>Each year, Manhattan Charter School holds tours and information sessions to inform the families of prospective students and community members about its program. Information sessions are held at the school itself, at Pre-Ks and nursery schools, and programs offering music instruction to children and additional community locations. These meetings provide us the opportunity to discuss the many services we have available to families including the support of our academic intervention specialists, our Child Associate, Speech, Occupational Therapist, and our reading teacher who work directly with any students with disabilities. Entry 10 - Teacher and Administrator Attrition

Completed Jul 29 2022

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at http://www.nysed.gov/common/nysed/files/programs/charter-schools/employee_fingerprintoct19.pdf or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospa/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

Required of ALL Charter Schools

If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2022 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2022**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools “... *unless the school’s charter requires more instructional time than is required under the regulations.*”

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month. See an example of a calendar showing the requested information. Schools are encouraged to use a calendar template and ensure there is a monthly tally of instructional days.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.
