Entry 9 Enrollment & Retention

Completed Nov 2 2022

[Instructions for submitting Enrollment and Retention Efforts](#)

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2021-2022 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2022-2023.

Entry 9 Enrollment and Retention of Special Populations

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2021-2022	Describe Recruitment Plans in 2022-2023
Economically Disadvantaged	<p>The Director of Student and Family Support leads outreach to elementary schools throughout CSD 2, Staten Island, the Bronx, and Northern Manhattan. CSA also participates in school fairs hosted by elementary schools throughout the city. Our outreach is designed to reach a diverse selection of schools with populations of ED, SWD, and ELLs. Our unique model is one of the primary recruitment tools for families who are ED, as CSA provides an arts-integrated program on par with specialized independent schools that ED families would not typically have access to. Further, our virtual program offers synchronous learning and engagement beyond what is offered by many families' public district school choices. We also offer a lottery weight for SWD, ELLs, and ED students to ensure that students in those groups have access to seats. While recruitment strategies are our primary method for ensuring progress toward our enrollment targets for students in at-risk subgroups, we also offer a lottery weight for SWD, ELLs, and ED students to ensure that students in those groups have access to seats.</p>	<p>The enrollment of economically disadvantaged students at CSA continues to exceed that of CSD 2. Therefore, we will continue using the recruitment efforts described to the left.</p>
	<p>To ensure that families of ELLs students feel welcomed to our school, CSA produces student recruitment materials in Spanish. We use the New York City Charter</p>	

<p>English Language Learners</p>	<p>School Online Common Application, which is offered in 10 languages, to reach the widest possible number of families. Our enrollment team makes families aware of the interpretation service available to NYC charter schools. While recruitment strategies are our primary method for ensuring progress toward our enrollment targets for students in at-risk subgroups, we also offer a lottery weight for SWD, ELLs, and ED students to ensure that students in those groups have access to seats.</p>	<p>Going forward, we will continue to translate relevant materials in order to recruit ELLs. We are confident that these efforts as well as our lottery weight will ensure that ELLs have access to seats and are attracted to the offerings at CSA.</p>
<p>Students with Disabilities</p>	<p>To recruit SWD, we include information about our supports for special education and intervention programs in all promotional materials. All team members who attended information sessions are well versed on the school's supports for students with special needs so that prospective families can ask questions about how their students would be supported. CSA has also conducted outreach to the Committee on Special Education and with elementary schools in our neighborhood that serve high numbers of SWD. While recruitment strategies are our primary method for ensuring progress toward our enrollment targets for students in at-risk subgroups, we also offer a lottery weight for SWD, ELLs, and ED students to ensure that students in those groups have access to seats.</p>	<p>Going forward, we will continue to use the recruitment strategies described to the left. We are confident that these efforts as well as our lottery weight will ensure that SWD have access to seats and are attracted to the offerings at CSA.</p>

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2021-2022	Describe Retention Plans in 2022-2023
Economically Disadvantaged	<p>To retain Economically Disadvantaged students, CSA covers the cost of program fees, such as field trip expenses and uniform fees, for any families who are unable to pay, therefore ensuring that all students are able to fully participate in the school community regardless of their family's economic status. We also partner with Manhattan Youth via the Department of Youth and Community Development to provide after school programming at no cost to families.</p> <p>CSA is committed to providing equitable access to our program. For example, during the COVID-19 pandemic, we ensured that all students had access to technology and purchased laptops and wifi hotspots for students in need.</p>	<p>We are continuing to use the supports listed on the left to promote retention of ED students in the 2022-23 school year.</p>
	<p>The ELL Coordinator leads and administers all aspects of the ELL program. Besides the identification and instruction of ELL students, the ELL Coordinator is responsible for planning and implementing professional learning for instructional staff to expand their understanding of research-based effective instruction. The Coordinator ensures compliance with regulations related to ELLs. To build CSA's ELL program, the Coordinator will also develop and</p>	<p>As CSA has a robust program for supporting ELLs, we will continue</p>

<p>English Language Learners</p>	<p>lead the recruitment program to increase the number of ELLs in the community.</p> <p>All teaching staff, including arts teachers, receive training and support from the ELL Coordinator on implementing differentiated instructional strategies to support ELLs.</p> <p>As with the supports provided for SWD during remote learning, we leveraged technology tools to ensure access for ELLs in our virtual program.</p>	<p>using the supports in place to ensure the success of ELLs at our school.</p>
<p>Students with Disabilities</p>	<p>The Director of Special Education leads our efforts to ensure strong and consistent supports for SWD through teacher observation and coaching and by designing schoolwide initiatives in collaboration with other members of the leadership team. CSA provides instruction to SWD in the least restrictive environment, subject to the requirements included in each students' Individualized Education Plan (IEP). CSA has Integrated Co-Teaching (ICT) classrooms on each grade level, which are staffed with a general education teacher and a teacher certified in special education.</p>	<p>We are continuing to support the retention of SWD at CSA with support from our instructional staff and leadership team.</p>

Entry 10 - Teacher and Administrator Attrition

Completed Nov 2 2022

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).
