

Issuing Diplomas to Eligible Students Placed in a Residential Facility

May 26, 2022

Background and History

Definitions

- Residential facility (the facility)
 - a facility operated or administered by a state department or agency or political subdivision of the state pursuant to [Education Law 112](#) or a correctional facility as defined in [Correction Law 2\(4\)](#) which provides educational programming to youth aged 21 or younger who have not received a high school diploma and who are placed, committed, supervised, detained or confined at the facility
- District of location
 - the school district in which the facility where the youth is placed, committed, supervised, detained or confined is located
- Credit granting school district
 - the school district or local education agency providing an educational program and granting diploma credits to students placed in a residential facility
- Diploma issuing district
 - the school district that is determined to be responsible for the issuance of the diploma

Determination of Diploma Issuing District

Student's educational program is provided by and completed at the residential **facility**

District of location issues the diploma

A **school or district** other than the district of location is providing credit bearing coursework to the student

Credit-granting school district issues the diploma

Residential Facility Responsibility

Once the student meets the diploma requirements, the facility must notify the diploma issuing district to confer the student's diploma. This notification must be in writing and shall include:

Student records
(credits earned and
assessment
requirements met)
from previous
schools

Documentation of
credits attested to
by current or
previous residential
facilities per [8 CRR-
NY 100.5\(d\)\(5\)\(2\)](#)

Summary of all
academic credits
earned and
assessment
requirements met

Credit Attestation

The chief administrator of the residential facility attests the student:

- successfully completed a unit of study; and/or
- met the requirements for the award of:
 - credit by exam; and/or
 - make-up credit; and/or
 - credit for independent study; and/or
 - credit for online and/or blended courses

- was provided instruction by a certified teacher

Diploma Issuing District Responsibility Review and Notify

Upon receipt of written notification and student records:

Conduct a review of the documentation provided

Make a determination of the student's eligibility to receive a diploma

Notify the facility within 10 business days* of:

- Receipt of documentation
- Document review findings
- Determination of student's eligibility to receive a diploma

* Such notification may be submitted after 10 business days where the facility and diploma issuing district mutually agree to extend such timeline.

Diploma Issuing District Responsibility

Clarify the District's Determination

Student **has not** met the diploma requirements

Notification includes a clear description of any requirements not met

Student **has** met the diploma requirements

Notification indicates the diploma will be conferred no later than the next regular diploma issuance date (January, June or August)

Note: Such students are not required to meet local diploma requirements that exceed the NYS diploma requirements. Facilities may provide additional records, if available, to address deficiencies.

Response Templates

Diploma Requirements Have Been Met

Insert school district letterhead.

Date

Re: Request to Issue a Diploma to a Student in a Residential Facility

Dear (Enter chief educational officer's name.),
