
Scaffold Review Recording Form

Review one scaffold in the Supporting All Students Resource Guides, record your thoughts below, and discuss with your partner.

What scaffold did you review?

Have you used this tool/strategy in your teaching? OR How can you use it in the future?

Think about a learner(s) in your classroom that would benefit from this scaffold. How would you adapt/customize it to meet learning needs?

What additional ways have you used to scaffold instruction to support student learning? What worked? What didn't work?
