Housekeeping

- All attendees were muted upon entry. Only panelists and other presenters will be unmuted during the conference.
- We do not anticipate having time for panelists to take questions from the audience. Questions posed in the chat will be addressed in an email to all attendees after the conference.
- You may also address questions directly to specific panelists by visiting NYSED's LTG [home page](#) to obtain contact information.

Housekeeping

- Both sessions of the conference will be recorded and posted to the NYSED LTG conference [web page](#). A link to the page has been posted in the chat.

Learning Technology Grant Program

Public school districts and consortia of districts or district(s) and BOCES were eligible to apply. Applicants must give Religious and Independent Schools within their boundaries the opportunity to participate and allow them to have meaningful and substantial involvement in the development of the proposal.

Learning Technology Grant Program

Learning Technology Grant program participants are expected to develop, implement, and share programs, activities, and materials designed to:

- facilitate the delivery of quality instruction,
- increase equitable access to high-quality learning experiences, and
- promote culturally- and linguistically-responsive learning environments for all students through using educational technology.

Learning Technology Grant Program

Programs must address one (or a combination) of the following Focus Areas:

- Personalized Learning
- Online, Blended, and/or Distance Learning
- Professional Development on Topics Related to Educational Technology

Learning Technology Grant Program

- As required by CRR Section 144.8, NYSED must sponsor a meeting at which all grant recipients share what they have learned and the programs they have developed during this grant period, with grant funds.
- As part of this requirement, each of the 2018 LTG recipients will participate in one of the panel discussions. Panelists have been grouped based upon the focus of their LTG program.
