✚ Only Public School Districts have a Superintendent (**SUPERDA: CEO**), they can create accounts and assign the roles of **DA, EA, or DA/EA** for one or more persons working at the district.

The steps to follow when providing access to the survey:

1) The Superintendent as the Super Delegated Administrator (**SUPERDA: CEO**), or **DA/EA** will create a user account if the person who will enter the plan into the portal does not already have a SEDDAS account.

Complete instructions on creating User Accounts can be found in the SEDDAS User Guide located at: <http://www.p12.nysed.gov/seddas/seddas-complete-user-guide.pdf>.

2) The Superintendent (**SUPERDA: CEO**) or assigned **DA/EA** will entitle the new user account or an existing account.

✚ Important note: For the user to be able to access the **Ed Tech** survey the user account must be created under the district level BEDS code, not school building level BEDS code.
