C. Douglas Whelan, Interim Superintendent  
Frontier Central School District  
5120 Orchard Avenue  
Hamburg, New York 14075

Dear Superintendent Whelan:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Betty A. Rosa  
Commissioner

**Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.*

**Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.**

**Student Learning Objectives (SLOs)**

For guidance on SLOs, see NYSED SLO Guidance.

**SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.**

**MEASURES**

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

Annual Professional Performance Review - Education Law §3012-d, amended in 2019

Task 2. TEACHERS: Required Student Performance - Information and Assurances

- **State assessment(s);**or  
Assessment(s) that are selected from the list of State-approved:

**SLO Assurances**

Please check the boxes below.

- Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

*Percentage of Student Performance category to be locally determined if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- **Option (A)** A second SLO, provided that this SLO is different than that used in the required subcomponent;
- **Option (B)** A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- **Option (C)** A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- **Option (D)** A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- **Option (E)** An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

## Annual Professional Performance Review - Education Law §3012-d, amended in 2019

## Task 4. TEACHERS: Observations - Rubric and Scoring

Page Last Modified: 02/04/2021

**Teacher Observation Category**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**Teacher Practice Rubric**

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2011 Revised Edition)	(No Response)

**Rubric Assurances**

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for rating and scoring the selected practice rubric consistent with the Department's regulations.

Your description should provide the complete process, including the following:

- The process for designating observable components (please note: all educators of the same grade/subject must be evaluated based on the same set of observable components);
- The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);
- How the final score and rating for each observable component of the practice rubric is determined for each observer; and
- How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer observer, as applicable) subcomponent of the Observation category is determined based on the final score and rating for each observable component.

Example: All subcomponents of Domains 2-4 of the Danielson rubric have been negotiated as observable. Domains 2 and 3 are weighted as 40% each, and Domain 4 is weighted as 20%. For each observation, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each observation. Scores for each observation are weighted equally and averaged to reach a final score for each observation type. The district will ensure that all subcomponents designated as observable will be observed at least once across the observation cycle.

All sub-components of the Danielson rubric are designated as observable, and all sub-components will be observed at least once during the academic year. Scores for sub-components within each domain will be equally weighted and averaged to come up with an overall score for each observation. In the case of probationary teachers where two announced observations are completed, the two overall scores will be weighted equally and averaged.

**Scoring Assurances**

Annual Professional Performance Review - Education Law §3012-d, amended in 2019

Task 4. TEACHERS: Observations - Rubric and Scoring

Page Last Modified: 02/04/2021

**Please check each of the boxes below.**

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Teacher Observation Scoring Bands**

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

	Overall Observation Category Score and Rating	
	Minimum	Maximum
<b>H</b>	3.5 to 3.75	4.0
<b>E</b>	2.5 to 2.75	3.49 to 3.74
<b>D</b>	1.5 to 1.75	2.49 to 2.74
<b>I</b>	0.00*	1.49 to 1.74

*\* In the event that an educator earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.*

**HEDI Ranges**

Using the dropdown menus below, please indicate the locally-determined rubric scoring ranges based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents for each of the rating categories.

Please select a minimum value between 3.50 and 3.75 and choose 4.00 as the maximum value for the Highly Effective range.

	Minimum Rubric Score	Maximum Rubric Score
Highly Effective:	3.50	4.00

Please select a minimum value between 2.50 and 2.75 and a maximum value between 3.49 and 3.74 for the Effective range.

	Minimum Rubric Score	Maximum Rubric Score
Effective:	2.50	3.49

Please select a minimum value between 1.50 and 1.75 and a maximum value between 2.49 and 2.74 for the Developing range.

**Observation Assurances**

**Please check all of the boxes below.**

- Assure that the following elements will not be used in calculating a teacher's Observation category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of teacher effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that the length of all observations for teachers will be conducted pursuant to the locally-determined durations.
- Assure that at least one of the required observations will be unannounced.

**Required Subcomponent 1: Observations by Principal(s) or Other Trained Administrators**

**At least one observation must be conducted by building principal or other trained administrator and at least one of the required observations must be unannounced (across both required subcomponents).**

- LEAs may locally determine whether to use more than one observation by principal or other trained administrator.
- Nothing shall be construed to limit the discretion of management to conduct observations in addition to those required by this section for non-evaluative purposes.

- LEAs may locally determine whether to use more than one observation by impartial independent trained evaluator(s).
- The frequency and duration of observations are locally determined.
- Observations may occur in person or by live or recorded video, as determined locally.

**Student Performance Category**

HEDI ratings must be assigned based on the point distribution below.

**Teacher Observation**

HEDI ratings must be assigned based on locally-determined ranges consistent with the constraints listed below.

Overall Student Performance Category Score and Rating			Overall Observation Category Score and Rating		
	Minimum	Maximum		Minimum	Maximum
<b>H</b>	18	20	<b>H</b>	3.5 to 3.75	4.0
<b>E</b>	15	17	<b>E</b>	2.5 to 2.75	3.49 to 3.74

<b>I</b>	0	12	<b>I</b>	0.00	1.49 to 1.74

**Scoring Matrix for the Overall Rating**

The overall rating for an educator shall be determined according to a methodology described in the matrix below.

**Teacher Improvement Plan Assurances****Please check each of the boxes below.**

- Assure that the LEA will formulate and commence implementation of a Teacher Improvement Plan (TIP) for all teachers who receive an overall rating of Developing or Ineffective by October 1 following the school year for which such teacher's performance is being measured or as soon as practicable thereafter.

Page Last Modified: 01/26/2021

**Appeal Assurance****Please check the box below.**

- Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

**Appeals**

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their LEA:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the teacher improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019****Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 01/26/2021

**Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.****The Appeals Process**

- a) In the event that a teacher wishes to challenge his/her performance review and/or improvement plan (TIP) under the APPR system, the District has developed and established an appeals procedure. This procedure does not diminish the authority of the School Board to terminate probationary teachers during their probationary term.
- b) While the APPR shall be a "significant factor" in tenure and other employment decisions, nothing herein requires an appeal be exhausted before a tenure determination may be made. In addition, appeal procedures shall not cause a teacher to acquire tenure by estoppel (failure to follow established procedures) when an evaluation appeal is pending.
- c) In accordance with the law, for purposes of disciplinary proceedings under Education Law 3020-a and/or 3020-b or any locally negotiated alternate disciplinary procedure, an evaluation that is the subject of an appeal shall not be sought to be offered as evidence or placed in evidence in any proceeding until the appeal process is concluded.
- d) In order to implement the requirements of New York Education Law 3012-d, and notwithstanding any other current bargaining obligation or agreement, the District and the Association hereby agree to the following:

*Appeal Procedures:*

- a) Section 3012-d of the Education Law establishes a comprehensive annual evaluation system for classroom teachers, as well as the issuance and implementation of improvement plans for teachers whose performance is assessed as either developing or ineffective.
- b) To the extent that a teacher wishes to challenge a performance review and/or improvement plan under the evaluation system, the law requires the establishment of an appeals procedure.
- c) This appeal procedure addresses a teacher's due process rights while ensuring that appeals are resolved in an expeditious manner.

*Appeals of Ineffective and Developing Ratings Only*

- a) Appeals of annual professional performance review will be limited to those that rate a teacher as ineffective or developing. A teacher may request a meeting with the principal within 5 days of receiving the evaluation to discuss the substance of the evaluation, provide feedback and obtain additional detail.
- b) Appeal procedures will limit the scope of appeals under Education Law 3012-d to the following subjects:
  1. The substance of the evaluation
  2. The school district's adherence to the standards and methodologies required for such reviews pursuant to Education Law 3012-d.
  3. The adherence to the Commissioner's regulations, as applicable to such reviews.
  4. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans.
  5. The school district's issuance and/or implementation of the terms of a teacher improvement plan under Education Law 3012-d.

*Prohibition Against More Than One Appeal*

A teacher may not file multiple appeals regarding the same performance review or improvement plan. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

*Timeframe for Filing an Appeal*

- a) The district will notify each teacher by email at least 10 days prior to the date when the APPR ratings will be available on the teacher's district email account.
- b) All appeals must be delivered to the Superintendent's office no later than 20 days after receiving the final rating. A teacher may file an appeal of a tip issuance within 10 days after issuance of the tip plan. If a teacher wishes to file an appeal upon completion of the tip, they may do so within 10 days of completion. The failure to deliver an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned.
- c) When filing an appeal, the teacher must submit a detailed written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with any appeal. Any information not submitted at the time the appeal is filed shall not be considered.
- d) If the decision maker believes he/she needs clarification or has questions, he/she will schedule a meeting with the teacher who is appealing to get clarification or answers. Said meeting shall be no later than 5 days after the District's response to the appeal has been filed.
- e) "Day" means a day when teachers are required to be in attendance. During the summer recess, "day" may mean any calendar day except a Saturday, Sunday or legal holiday.

*Timeframe for District Response*

- a) Within 10 days of receipt of an appeal, the school district must submit a detailed written response to the appeal.
- b) The response must include any and all additional documents or written materials specific to the point(s) of disagreement that support the District's response and are relevant to the resolution of the appeal. Any such information that is not submitted at the time the response is filed shall not be considered in determination of the appeal.

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019****Task 6. TEACHERS: Additional Requirements - Appeals**

Page Last Modified: 01/26/2021

c) The teacher initiating the appeal shall receive a copy of the response filed by the school district, and any and all additional information submitted with the response at the same time the school district files its response.

*Decision Maker on Appeal*

a) There shall be an appeals committee consisting of five members: Three members and an alternate shall be chosen by the President of the Association, and two members and an alternate shall be chosen by the Superintendent (excluding the administrator involved in the rating). The appeal committee will convene within 5 days of receipt of appeal.

b) The committee shall make a recommendation to the Superintendent to approve or deny the appeal based upon the information submitted. The committee's recommendation shall be confidential and will not be disclosed to any third party, except as required by law without a subpoena or court action.

c) The Superintendent shall consider the committee's recommendation and the Superintendent will issue his/her final determination on the appeal.

*Decision*

a) A written decision on the merits of the appeal shall be rendered no later than thirty (30) days from the date upon which the teacher delivered his/her appeal. If a meeting is necessary for questions or clarification, the parties will agree to an adjustment of the timeframe for the decision. Regardless of any extension, the entire process will be timely and expeditious and in compliance with the requirements of Education Law Section 3012-d. The decision shall be delivered to the teacher within five (5) days of receipt. The appeal shall be based on a written record, comprised of the teacher's appeal, as well as the District's response to the appeal and any documentary evidence submitted with such papers. Such decision shall be final and binding on both parties.

b) The decision shall set forth reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, the decision maker may set aside a rating and order a rescoring of the evaluation if it has been affected by substantial error or defect or if procedures have been violated. A copy of the decision shall be provided to the teacher and the representative of the District.

*Exclusivity of Section 3012-d Appeals Procedure*

The section 3012-d appeals procedure shall constitute the exclusive means for initiating, reviewing, and resolving any and all challenges and appeals related to a teacher performance review and/or improvement plan. A teacher may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan. As an exception to this paragraph, a teacher who takes advantage of the appeals process described herein does not waive his/her right to submit a written rebuttal to the final evaluation. A teacher who elects to submit a written rebuttal to his/her evaluation must do so within ten (10) days upon receipt of the decision.

**Training Assurance****Please check the box below.**

- The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.****Training of all Evaluators:**

All evaluators including lead evaluators, evaluators, and independent observers, will be trained and certified / re-certified by the Board of Education under the nine requirements prescribed in 30-3.10 of the Rules of the Board of Regents. Training for all evaluators will be conducted within the District by Erie-1-BOCES and will consist of approximately five (5) school days throughout the school year. Inter-rater reliability will be maintained over time through various activities including data analysis to detect disparities on the part of one or more evaluators, periodic comparisons of assessments, and annual sessions throughout the school year. Certified school administrators serving as lead evaluators will not be prohibited from conducting classroom observations or school visits as part of the APPR prior to completion of the training required by 30-3.10 provided such training is successfully completed prior to the completion of the evaluation. All evaluators will be initially certified or re-certified by the Board of Education annually. All evaluators will receive approximately six hours of retraining annually provided by Erie-1-BOCES.

For guidance on SLOs, see NYSED SLO Guidance.

*SLO measures may be either individually attributed or collectively attributed.**Individually attributed measures*

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program directly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.

- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- Assure that processes are in place for the superintendent to monitor SLOs and input models.

**Task 9. PRINCIPALS: School Visits - Rubric and Scoring**

Page Last Modified: 02/04/2021

**Principal School Visit Category**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals’ professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

**Principal Practice Rubric**

Rubric Name	<b>If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.</b>

**Rubric Assurances**

**Please check all of the boxes below.**

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

## Task 9. PRINCIPALS: School Visits - Rubric and Scoring

Page Last Modified: 02/04/2021

Please describe the process for rating and scoring the selected practice rubric consistent with the Department's regulations.

Your description should provide the complete process, including the following:

- The process for designating observable components (please note: all principals of the same building configuration/program must be evaluated based on the same set of observable components);
- The level at which components of the chosen rubric are rated (i.e., domain, subdomain, indicator, etc.);
- How the final score and rating for each observable component of the practice rubric is determined for each observer; and
- How the final score for the required (i.e., lead evaluator/evaluator; independent evaluator) and/or optional (peer principal, as applicable) subcomponent of the School Visit category is determined based on the final score and rating for each observable component.

**Example:** All subcomponents of Domains 1-4 of the MPPR rubric have been negotiated as observable. Domains 1, 2 and 3 are weighted as 30% each, and Domain 4 is weighted as 10%. For each school visit, all observed subcomponents in a domain are weighted equally and averaged to create a domain score, which is then weighted as above and averaged to reach a final score for each school visit. Scores for each school visit are weighted equally and averaged to reach a final score for each school visit type. The district will ensure that all subcomponents designated as observable will be observed at least once across the school visit cycle.

All components of the rubric are designated as observable and will be observed at least once across the school year. All components within each domain are weighted equally and averaged for the score of that domain. Domain scores will then be weighted as follows to reach a final score for each school visit.

Domain 1: Shared Vision of Learning	14%
Domain 2: School Culture & Instructional Program:	28%
Domain 3: Safe, Efficient, Effective Learning Environment	28%
Domain 4: Community	14%
Domain 5: Integrity, Fairness & Ethics	8%
Domain 6: Political, Social, Economic, Legal & Cultural Context	8%
	100%

The overall score for the announced school visits for probationary principals will be weighted equally and averaged.

**Scoring Assurances**

Please check each of the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

**Principal School Visit Scoring Bands**

The overall School Visit score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

(i) in the instance of a principal rated Ineffective on the student performance category, but rated Highly Effective on the school visit category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

(4) the LEA's issuance and/or implementation of the terms of the principal improvement plan, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

Page Last Modified: 01/26/2021

**Describe the procedure for ensuring that appeals of annual performance evaluations will be resolved in a timely and expeditious manner.****Challenges in an Appeal:**

Appeals are limited to those identified by Education Law, as follows:

*The substance of the annual professional performance review, which shall include the following:*

1. In the instance of a principal rated ineffective on the Student Performance Category but rated Highly Effective on the Observations/School Visit Category, based on an anomaly, as determined locally (Subpart 30-3.12 (a) (1) of the Rules of the Board of Regents)
2. The school district's or board of cooperative educational services' adherence to the standards and methodologies required for such reviews
3. The adherence to the Commissioner's Regulations, as applicable to such reviews
4. Compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and
5. The school district's or board of cooperative educational services' issuance and/or implementation of the terms of the principal improvement plan

*Ratings that May be Appealed*

Appeals of annual professional performance review may be initiated by any principal for ineffective and developing ratings or any rating tied to compensation. An appeal may only be initiated once a principal receives the overall rating.

*Prohibition Against More Than One Appeal*

A principal may not file multiple appeals regarding the same performance review. The issuance of an improvement plan may prompt an appeal independent of the performance review. The implementation of an improvement plan may be appealed upon each alleged breach thereof. All grounds for appeal must be raised specifically within such appeal. Any grounds not raised shall be deemed waived.

*Timeframe for Filing an Appeal*

All appeals will be filed in writing. The act of mailing the appeal shall constitute filing.

1. An appeal of a performance review must be filed no later than fifteen (15) business days of the date when the principal receives their final and complete annual professional performance review. If a principal is challenging the issuance of a principal improvement plan, appeals must be filed within fifteen (15) business days of issuance of such plan. An appeal of the implementation of an improvement plan shall be within fifteen (15) business days of the failure of the district to implement any component of the plan.
2. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. An extension of the time in which to appeal may be granted by the Superintendent upon written request. Regardless of any extension of timeline, the entire process will remain timely and expeditious in compliance of Education Law section 3012D
3. When filing an appeal, the principal must submit a written description of the specific areas of disagreement over his/her performance review, or the issuance and/or implementation of the terms of his/her improvement plan. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the district upon written request for the same. The performance review and/or improvement plan being challenged must also be submitted with the appeal.

*Time Frame for District Response*

Within ten (10) business days of receipt of an appeal, the district must submit a detailed written response to the appeal. The response must include all additional documents or written materials relevant to the point(s) of disagreement that support the district's response. Any such information that is not submitted at the time the response is filed shall not be considered on behalf of the district in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the school district. Additional material supporting the challenges may be submitted by the principal up to the date of the hearing.

*Decision Process for Appeal*

Within five (5) business days of the district's response, a single individual hearing officer shall be chosen from the list of hearing officers approved mutually by the district and bargaining unit representing the principals. The parties agree that:

1. The hearing officer shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) business days after the hearing officer is selected.
2. The hearing shall be conducted in no more than one business day unless extenuating circumstances are present and the hearing officer agrees to a second day.
3. The parties shall have the ability to be represented by either legal counsel, union representation, or appear pro se.
4. The parties shall exchange an anticipated witness list no less than two (2) business days before the scheduled hearing date.
5. The principal shall have the prerogative to determine whether the appeal shall be open to the public or not.
6. The district shall have the opportunity to present its case supporting the rating or improvement plan and then the principal may refute the presentation. These may include the presentation of material, witnesses and/or affidavits in lieu of testimony.

*Decision*

A written decision on the merits of the appeal shall be rendered no later than ten (10) business days from the close of the hearing. Such decision shall be a final administrative decision. The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The reviewer must either affirm, set aside, or modify a district's rating or improvement plan. A copy of the decision shall be provided

2. Appeals shall be assigned to hearing officers on a rotational basis, alphabetically by last name.
3. The cost of the hearing officer shall be the responsibility of the district.
4. In addition to any further limitations agreed to within the APPR agreement, an evaluation shall not be placed in a principal's personnel file until either the expiration of the fifteen (15) business day period in which to file a notice of appeal without action being taken by the principal or the conclusion of the appeal process described herein, whichever is later.
5. A principal who takes advantage of the appeals process described herein does not waive his/her right to submit a written rebuttal to the final evaluation.
