Kevin MacDonald, Superintendent  
Genesee Valley BOCES  
80 Munson St.  
LeRoy, NY 14482

Dear Superintendent MacDonald:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia  
Commissioner

**NOTE:**

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

## Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 10/07/2016

**Task 1) Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**1.1) Assurances****Please check all of the boxes below**

- ☒ Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- ☒ Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

**1.2) Submission Status**

**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 10/13/2016

**Task 2) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.*

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**2.1) Assurances**

*Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).*

**Please check the boxes below.**

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- ☒ For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

**2.2) Grades 4-8 ELA and Math: Assessments (Original)****STATE-PROVIDED MEASURES OF STUDENT GROWTH**

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

**2.12) Teachers with More Than One Growth Measure (Original)**

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**2.13) Assurances**

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance:

<https://www.engageny.org/resource/appr-3012-d>.

**Please check the boxes below.**

- ☒ Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**2.14) Use of the Optional Subcomponent and Student Performance Category Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

**Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)***The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.**

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.**

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

**2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)**

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

**3.1) Use of the Optional Subcomponent of the Student Performance Category**

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
NYSUT Teacher Practice Rubric	(No Response)

**4.2) Assurances**

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**4.3) Process for Weighting Rubric Domains/Subcomponents**For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components within each standard will be weighted equally and averaged.

**4.4) Calculating Observation Ratings****Assurances**

Please check the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

**Annual Professional Performance Review - Education Law §3012-d**

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 10/07/2016

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

The following is the appeal procedure negotiated between the Genesee Valley Educational Partnership (a/k/a the Genesee Valley BOCES) and the Teachers' Association:

**PURPOSE OF APPEAL PROCEDURE**

The purpose of the appeal procedure is to afford teachers covered by Educational Law 3012-d with timely, expeditious, independent review of alleged APPR and TIP errors in order that they will not be detrimentally affected by such errors.

**ITEMS THAT MAY BE CHALLENGED IN AN APPEAL**

APPR appeals are limited to those that rate a teacher evaluated under Educational Law 3012-d as Ineffective or Developing. (Teachers rated Effective or Highly Effective may not appeal any aspect of the APPR resulting in that rating.) The aspects of an APPR and TIP that may be appealed shall otherwise exactly mirror the applicable provisions of law, which may be amended or clarified from time to time. With the understanding that the applicable law shall fully define that which is and is not appealable under this plan. The following is provided for reference.

A teacher may challenge one or more of the following in an appeal:

1. The substance of the APPR;
2. The Partnership's adherence to the standards and methodology required for such reviews, pursuant to Education Law 3012-d and Regents Rule's 30-3,
3. Compliance with any applicable locally negotiated procedures, as well as the Partnership's assurance and/or implementation of the terms of the teacher improvement plan.

Appeals may assert multiple errors. A teacher may not file multiple appeals regarding the same APPR or TIP. An APPR appeal does not prohibit a separate TIP appeal, and vice versa.

Though a teacher rated as Effective or Highly Effective may not appeal the APPR that resulted in that rating, such teacher may attach a signed statement to their APPR within 15 school business days following receipt of his or her composite APPR rating.

**APPEAL PROCEDURE**

1. **FIRST APPEAL CONFERENCE:** The appeal process begin with written appeal delivered to the administrator responsible for the APPR or TIP or, at the teacher's option, to the District Superintendent. The appeal must explicitly state that it is an "APPR Appeal" and/or a "TIP Appeal". It must specifically state every alleged basis for the appeal.
2. A teacher who has filed an APPR or TIP appeal may thereafter withdraw the appeal at any point during the process outlined below. Withdrawn appeals may not be re-commenced.
3. The deadlines established below may be extended by written agreement between the Partnership and the Teachers' Association. Appeals will still be resolved in a timely and expeditious manner in compliance with education law section 3012-d in the event any deadlines are extended by written agreement.
4. Teachers may file written APPR appeals within 10 school business days after the teacher has received the overall composite APPR rating and they may file TIP appeals within 10 school business days of receiving a completed TIP. Appeals not commenced by these deadlines are waived and will not be considered.
5. The Partnership will provide the teacher with a response to the appeal within 10 school business days of receipt of the appeal. If the Partnership does not provide timely response, the appeal will advance to the "First Appeal Conference" stage of this appeal process.
6. A conference will be held within 10 school days of the Partnership's response or the expiration of the time frame to provide such a response. The conference participants shall consist of:
  - a. The teacher who filed the appeal,
  - b. A Teachers' Association representative,
  - c. The administrator responsible for the APPR or TIP, and
  - d. A second administrator designated by the Partnership.

The purposes of the conference shall be to resolve the appeal to the mutual satisfaction of the affected teacher and the administrator responsible for the APPR or TIP, if possible. If the teacher and the administrator responsible for the APPR or TIP agree upon a resolution, the resolution shall be documented and the appeal shall be deemed resolved without the need of a decision from the District Superintendent. Short of that, the first appeal conference will be utilized to collaboratively prepare for an efficient and effective second appeal conference. That preparation will include:

  - a. Coming to a full, mutual understanding of all bases for the appeal, and
  - b. Identifying all information, witnesses and documents pertinent to resolving the appeal.
7. **SECOND APPEAL CONFERENCE:** If the appeal is not resolved at the first appeal conference, a second conference will be scheduled within 10 school business days of the first appeal conference. The second appeal conference participants shall consist of:
  - a. Those who participated in the first conference,
  - b. Witnesses that either party identifies,

**Annual Professional Performance Review - Education Law §3012-d**

c. The District Superintendent, and

d. Any other person that the Superintendent may designate to assist with conducting the hearing.

8. THE DISTRICT SUPERINTENDENT'S WRITTEN DECISION: The District Superintendent's decision on the merits shall be final and binding; it shall state his reasons and factual basis; and it shall be issued in writing within 10 school business days after the second appeal conference concludes. The District Superintendent is under a good faith obligation to not unreasonably delay the rendering of his decision.

If the appeal is sustained in whole or in part, the District Superintendent's decision shall state the remedy to be afforded the teacher. Such remedy may include:

a. If remedying an APPR error:

i. Setting aside the rating if the category/sub component scores is determined to have been affected by substantial error or defect,

ii. Modifying the category/sub component score if it is determined to have been affected by substantial effort or defect,

iii. Directing full or partial re-evaluation of the teacher,

iv. Any other remedy warranted by the effort(s) which the District Superintendent determines to have occurred.

b. If remedying a TIP effort:

i. Modifying the applicable TIP,

ii. Expunging the subject TIP from the teacher's record, and

iii. Any other remedy warranted by the error(s) which the District Superintendent determines to have occurred.

**EXCLUSIVITY OF THIS APPEAL PROCEDURE**

This appeal procedure shall be the exclusive means of initiating, reviewing and resolving any and all challenges and appeals related to a teacher's APPR or TIP. A teacher may not resort to any other means of processes for the resolution of APPR and TIP appeals, including but not limited to contractual grievance procedures.

**6.5) Assurance: Evaluators****Please check the box below.**

- ☒ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Annual Professional Performance Review - Education Law §3012-d**

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 10/07/2016

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

In order to properly train evaluators to include lead evaluators, independent evaluators and peer evaluators in the nine elements identified, all evaluators will complete training through the Genesee Valley Educational Partnership and other neighboring BOCES or leadership training programs approved by the District Superintendent or his designee. Initial training will consist of 2-4 full-day trainings throughout the year. Independent evaluators and peer evaluators will focus on

- (1) the New York State teaching standards and their related elements and performance indicators and the leadership standards and their related functions, as applicable;
- (2) evidence-based observation techniques that are grounded in research; and
- (3) application and use of the State-approved teacher or principal rubric(s) selected by the district for use in evaluations, including training on the effective application of such rubrics to observe a teacher or principal's practice; while lead evaluators training will include all nine components of the required training areas in Regent's rules section 30-3.10.

Ongoing trainings will occur within leadership team meetings and through attendance to leadership conferences. In-district activities and trainings will be ongoing, and documentation of trainings will continue in order for all evaluators to be recertified each year. In addition, collaborative review and analysis of observation-based evidence and other professional evidence within the NYSUT Rubric will take place in order to ensure inter-rater reliability. All evaluators will utilize authentic evidence gathered during actual teacher observations, they will jointly review recorded lessons, and they will discuss and review the nine criteria areas.

All documentation of trainings and development activities will be kept on file. Upon gathering ample documentation that evaluators have been properly trained, the Superintendent will make the recommendation for the Board of Education to certify each evaluator to conduct evaluations. The in-district activities outlined and participation in regional meetings and trainings will be ongoing, and documentation of trainings will continue in order for all evaluators to be recertified each year.

**6.7) Assurances: Teacher Evaluation****Please check all of the boxes below.**

- ☒ Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- ☒ Assure that the evaluation system will be used as a significant factor for employment decisions.
- ☒ Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- ☒ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. **Please check all of the boxes below.**

- ☒ Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- ☒ Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.

- ☒ Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

**6.9) Assurances: Data****Please check all of the boxes below.**

**Task 7) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

**(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

**7.1) State-Provided Measures of Student Growth (Original)**

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

**Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.**

**For each grade configuration indicate the following:**

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

**7.1) Assurances**

Please check the boxes below.

- ☒ Assure that the growth score provided by NYSED will be used, where required.
- ☒ Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

Page Last Modified: 10/07/2016

**7.2) Student Learning Objectives (Original)**For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rd party assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**7.5) Assurances****Please check all of the boxes below.**

- ☒ Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- ☒ Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- ☒ Assure that all growth targets are approved by the superintendent or another trained administrator.
- ☒ Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- ☒ Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.**

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.

Please check the boxes below.

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- ☒ Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.
- ☒ Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 9 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. ## Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 10/07/2016

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

**PRINCIPAL APPEALS PROCEDURE****PURPOSE OF APPEAL PROCEDURE**

The purpose of this appeal procedure is to afford principals covered by Education Law §3012-d with timely, expeditious, independent review of alleged APPR and PIP errors in order that they will not be detrimentally affected by such errors.

**ITEMS THAT MAY BE CHALLENGED IN AN APPEAL**

APPR appeals are limited to those that rate a principal evaluated under Education Law §3012-d as Ineffective or Developing. (Principals rated Effective or Highly Effective may not appeal any aspect of the APPR resulting in that rating.) The aspects of an APPR and PIP that may be appealed shall otherwise exactly mirror the applicable provisions of law, which law may be amended or clarified from time to time. With the understanding that the applicable law shall fully define that which is and is not appealable under this plan, the following is provided for reference:

A principal may challenge one or more of the following in an appeal:

(a) An annual professional performance review plan under this Subpart shall describe the appeals procedure utilized by a district through which an evaluated principal may challenge their annual professional performance review. Pursuant to Education Law section 3012-d, a principal may only challenge the following in an appeal:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a principal rated Ineffective on the student performance category but rated highly effective on the observation/school visit category based on an anomaly, as determined locally.

(2) The Partnership's adherence to the standards and methodologies required for such reviews, pursuant to Education Law section 3012-d and this Subpart;

(3) the adherence to the regulations of the commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law section 3012-d and this Subpart; and

(4) The Partnership's issuance and/or implementation of the terms of the principal improvement plan under Education Law section 3012-d and this Subpart.

Appeals may assert multiple errors. A principal may not file multiple appeals regarding the same APPR or PIP. An APPR appeal does not prohibit a separate PIP appeal, and vice versa.

Though a principal rated as Effective or Highly Effective may not appeal the APPR that resulted in that rating, such principal may attach a signed statement to their APPR within 15 school business days following receipt of his or her overall composite APPR rating.

**APPEAL PROCEDURE**

1. **APPEALS ARE COMMENCED BY CLEARLY IDENTIFIED WRITTEN DOCUMENT:** The appeal process begins with a written appeal delivered to the administrator responsible for the APPR or PIP or, at the principal's option, to the District Superintendent. The appeal must explicitly state that it is an "APPR Appeal" and/or a "PIP Appeal," and it must specifically state every alleged basis for the appeal.

2. **WITHDRAWING AN APPR OR PIP APPEAL:** A principal who has filed an APPR or a PIP appeal may thereafter withdraw the appeal at any point during the process outlined below. Withdrawn appeals may not be re-commenced.

3. **DEADLINE EXTENSIONS:** The deadlines established below may be extended by written agreement between the Partnership and the principal involved. Deadlines will be extended only when absolutely necessary, and will never prevent the full appeal process from concluding in a timely and expeditious manner in compliance with Education Law Section 3012-d.

4. **DEADLINE FOR FILING AN APPEAL:** Principals may file written APPR appeals within 10 school business days after the principal has received the composite APPR rating and they may file PIP appeals within 10 school business days of receiving a completed PIP. Appeals not commenced by these deadlines are waived and will not be considered.

5. **RESPONDING TO AN APPEAL:** The Partnership will provide the principal with a response to the appeal within 10 school business days of receipt of the appeal. If the Partnership does not provide timely response, the appeal will advance to the "First Appeal Conference" stage of this appeal process.

6. **FIRST APPEAL CONFERENCE:** A conference will be held within 10 school business days of the Partnership's response. If the First Appeal Conference is not held on time, the appeal will advance to the "Final Appeal Conference" stage of this appeal process.

The conference participants shall consist of:

a. The principal who filed the appeal,

b. The administrator responsible for the APPR or PIP

c. The District Superintendent has the right to attend or may await the final conference to assert his/her participation in the appeal procedure.

The purposes of the conference shall be to resolve the appeal to the mutual satisfaction of the affected principal and the administrator responsible for the APPR or PIP, if possible. If the principal and the administrator responsible for the APPR or PIP agree upon a resolution, the resolution shall be documented and the appeal shall be deemed resolved. Short of that, the first appeal conference will be utilized to collaboratively prepare for an

efficient and effective final appeal conference.

7. FINAL APPEAL CONFERENCE- The District Superintendent shall conduct the conference within 10 days of the first appeal conference, including the presentation of proof, in such a manner which in his/her discretion will fairly and expeditiously resolve all matters pertinent to the appeal.

8. THE DISTRICT SUPERINTENDENT'S WRITTEN DECISION: The District Superintendent's decision on the merits shall be final and binding; it shall state his reasons and factual basis; and it shall be issued in writing within 10 school business days after the Final Appeal Conference concludes. The District Superintendent is under a good faith obligation to not unreasonably delay the rendering of his/her decision.

If the appeal is sustained in whole or in part, the District Superintendent's decision shall state the remedy to be afforded the principal. Such remedy may include:

a. If remedying an APPR error:

- i. Setting aside the rating if the rating is determined to have been affected by substantial error or defect,
- ii. Modifying the rating if it is determined to have been affected by substantial error or defect,
- iii. Directing full or partial re-evaluation of the principal,
- iv. Any other remedy warranted by the error(s) which the District Superintendent determines to have occurred.

b. If remedying a PIP error:

- i. Modifying the applicable PIP,
- ii. Expunging the subject PIP from the principal's record, and
- iii. Any other remedy warranted by the error(s) which the District Superintendent determines to have occurred.

**EXCLUSIVITY OF THIS APPEAL PROCEDURE**

This appeal procedure shall be the exclusive means of initiating, reviewing and resolving any and all challenges and appeals related to a principal's APPR or PIP. A principal may not resort to any other means or processes for the resolution of APPR or PIP appeals.

**11.5) Assurance: Evaluators**

**Please check the box below.**

- ☒ The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Annual Professional Performance Review - Education Law §3012-d****Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9**

Page Last Modified: 10/07/2016

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

In order to properly train evaluators to include lead evaluators, independent evaluators and peer evaluators in the nine elements identified, all evaluators will complete training through the Genesee Valley Educational Partnership and other neighboring BOCES or leadership training programs approved by the District Superintendent or his designee. Initial training will consist of 2-4 full-day trainings throughout the year. Independent evaluators and peer evaluators will focus on

- (1) the New York State teaching standards and their related elements and performance indicators and the leadership standards and their related functions, as applicable;
- (2) evidence-based observation techniques that are grounded in research; and
- (3) application and use of the State-approved teacher or principal rubric(s) selected by the district for use in evaluations, including training on the effective application of such rubrics to observe a teacher or principal's practice; while lead evaluators training will include all nine components of the required training areas found in Regent's Rules section 30-3.10.

Ongoing trainings will occur within leadership team meetings and through attendance to leadership conferences. In-district activities and trainings will be ongoing, and documentation of trainings will continue in order for all evaluators to be recertified each year. In addition, collaborative review and analysis of observation-based evidence and other professional evidence within the Multidimensional Principal's Rubric will take place in order to ensure inter-rater reliability. All evaluators will utilize authentic evidence gathered during school visits, they will jointly review evidence, and they will discuss and review the nine criteria areas.

All documentation of trainings and development activities will be kept on file. Upon gathering ample documentation that evaluators have been properly trained, the Superintendent will make the recommendation for the Board of Education to certify each evaluator to conduct evaluations. The in-district activities outlined and participation in regional meetings and trainings will be ongoing, and documentation of trainings will continue in order for all evaluators to be recertified each year.

**11.7) Assurances: Principal Evaluation****Please check all of the boxes below.**

- ☒ Assure that principals will receive timely and constructive feedback as part of the evaluation process.
- ☒ Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any principal's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of principal practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of principal effectiveness; any district or regionally-developed assessment that has not been approved by the department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide principals whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the principal's performance is being measured.
- ☒ Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such principals with their original composite rating by September 1 of the school year next following the school year for which the principal's performance is being measured, or as soon as practicable thereafter.
