Robert R. Ike, Superintendent  
Palmyra-Macedon Central School District  
151 Hyde Parkway  
Palmyra, NY 14522

Dear Superintendent Ike:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

*Shannon L. Tahoe*

Shannon L. Tahoe  
Interim Commissioner

**Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.*

**Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.**

**Student Learning Objectives (SLOs)**

For guidance on SLOs, see NYSED SLO Guidance.

**SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.**

**MEASURES**

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019****Task 2. TEACHERS: Required Student Performance - Information and Assurances**

**SLO Assurances****Please check the boxes below.**

- ☒ Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs.
- ☒ Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, beginning in the 2020-21 academic year the SLO will utilize only the remaining assessments.

**Annual Professional Performance Review - Education Law & §3012-d, amended in 2019****Task 3. TEACHERS: Optional Student Performance - Use of the Optional Subcomponent**

---

Page Last Modified: 12/23/2019

**Optional Student Performance Subcomponent**

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

*Percentage of Student Performance category to be locally determined if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- Option (A) A second SLO, provided that this SLO is different than that used in the required subcomponent;
- Option (B) A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;
- Option (C) A measure of student growth, other than an SLO, based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (D) A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- Option (E) An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

**Annual Professional Performance Review - Education Law §3012-d, amended in 2019****Task 4. TEACHERS: Observations - Rubric and Scoring**

Page Last Modified: 12/23/2019

**Teacher Observation Category**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**Teacher Practice Rubric**

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

**Rubric Assurances**

Please check all of the boxes below.

- ☒ Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- ☒ Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 1 and 2 will be weighted 30% each and Domains 3 and 4 will be weighted 20% each).

All observable components will be weighted equally and averaged.

**Scoring Assurances**

Please check each of the boxes below.

- ☒ Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Teacher Observation Scoring Bands**

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.****APPEALS PROCEDURES**

A teacher may challenge their annual professional performance review pursuant to section 3012-d of the Education Law.

(1) A non-tenured teacher who receives an overall rating of “ineffective” may appeal his or her performance review. A tenured teacher who receives an overall rating of “ineffective” or “developing” may appeal his or her performance review. Ratings of “highly effective” or “effective” cannot be appealed.

(2) A teacher cannot trigger the appeal process prior to the receipt of their overall effectiveness rating from the district.

(3) A teacher may appeal only the substance of his or her performance review, the school district’s adherence to standards and methodologies required

for such reviews, adherence to applicable regulations of the commissioner of education, and compliance with the procedures for the conduct of performance reviews set forth in the annual professional performance review plan. Any issues regarding an administrator’s failure to adhere to the timelines noted in this Annual Professional Performance Review Plan shall be brought to the attention of the unit president for submission to the Superintendent in writing.

(4) A teacher may not file multiple appeals regarding the same performance review. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

(5) Appeals concerning a teacher’s performance review must be received in the office of the Superintendent of Schools no later than fifteen (15) calendar days after the date when the teacher/principal receives his/her performance review. The written appeal will be date stamped by a District Office secretary upon receipt. A District Office secretary will send an email to the teacher confirming the date of receipt. The failure to submit an appeal to the Superintendent of Schools within this time frame shall result in a waiver of the teacher’s right to appeal that performance review.

(6) A teacher wishing to initiate an appeal must submit, in writing (e-mail or other electronic submissions are not permitted), to the Superintendent or his/her designee, with a copy to the lead evaluator whose performance review is being appealed, a detailed description of the precise point(s) of disagreement over his or her performance review, along with any and all additional documents or written materials that he or she believes are relevant to the resolution of the appeal. Any such additional information not submitted at the time the appeal is filed shall not be considered in the deliberations

related to the resolution of the appeal.

(7) Within ten (10) calendar days of the Superintendent’s or his/her designee receipt of an appeal, the lead evaluator responsible for the performance review being appealed shall submit to the Superintendent or his/her designee a detailed response to the appeal, including copies of any and all documents or information used to develop the performance review being appealed.

(8) Under this appeals process the teacher has the burden of proving a clear legal right to the relief requested and the burden of establishing the facts upon which he/she seeks relief. The burden of proof shall be by the preponderance of the credible evidence.

(9) The Superintendent or his/her designee shall issue a written decision on the merits of the appeal no later than thirty (30) calendar days from the date when the teacher filed his or her appeal.

(10) The decision of the Superintendent or his/her designee shall be final and an appeal shall be deemed completed upon the issuance of that decision. The decision of the Superintendent or the Superintendent’s designee shall not be subject to any further appeal.

(11) If the appeal is sustained, the original performance review shall be expunged and replaced with the performance review drafted by the Superintendent or the Superintendent’s designee. This performance review may not be reviewed or appealed under this procedure.

(12) The teacher’s failure to comply with the requirements of this procedure shall result in a waiver to the right of an appeal and/or denial of the appeal.

(13) The district reserves the right to deny tenure or terminate a probationary teacher during the pendency of an appeal for statutorily and constitutionally permissible reasons including performance. The pendency of an appeal will not preclude the District from making a determination not to award tenure.

(14) The parties further agree to add a new Section to the Grievance Procedure of the Collective Bargaining Agreement stating as follows: “Nothing regarding the APPR language or APPR Appeal Procedure shall be grievable under this Article. The Association and District intend and agree that any and all matters pertaining to the APPR process shall not be subject to the contractual grievance/arbitration procedure.”

**Training Assurance****Please check the box below.**

- ☒ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

All evaluators, including lead evaluators, evaluators, and independent evaluators, will be trained and will pass the Teachscape Framework for Teaching Proficiency Exam (Danielson).

This certification will be a 30-hour program. Once the program is completed, all evaluators will be certified by the Board of Education. All evaluators will engage in on-going inter-rater reliability exercises, walkthrough and observation simulations.

All evaluators will complete training in evidence-based observation using the Teachscape Focus program, or other comparable program.

All evaluators responsible for observing and evaluating teachers will be re-certified annually by the Board of Education.

Initial training and re-training of all evaluators will include the nine required elements outline in Section 30-3.10 of the Commissioner's Regulations. Retraining of all evaluators are done annually by District staff. Re-training is approximately two hours in length.

**Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.*

**Required Student Performance Measures**

**Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.**

**STUDENT LEARNING OBJECTIVES**

For guidance on SLOs, see NYSED SLO Guidance.

*SLO measures may be either individually attributed or collectively attributed.*

*Individually attributed measures*

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

*Collectively attributed measures*

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program indirectly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

**ASSESSMENTS**

*Any of the measures above may be used with one or more of the following assessment types.*

- **State assessment(s);** or  
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

**INPUT MODEL**

*Selection of the Input Model will require:*

- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and
- a description of how the district will use the evidence to differentiate effectiveness resulting in a score from 0 to 20 and ratings of Highly Effective, Effective, Developing, or Ineffective.

**Assurances****Please check all of the boxes below.**

- ☒ Assure that for any SLO based, in part, on the New York State grade four science assessment, beginning in the 2020-21 academic year the SLO will utilize only the remaining assessments.
- ☒ For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- ☒ For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- ☒ For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- ☒ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☒ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☒ Assure that processes are in place for the superintendent to monitor SLOs and input models.
- ☒ Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**Principal School Visit Category**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals' professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

**Principal Practice Rubric**

**Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.**

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.

**Rubric Assurances**

**Please check all of the boxes below.**

- ☒ Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- ☒ Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- ☒ Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- ☒ Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

**Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

**Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 2 and 3 will be weighted 30% each and Domains 1, 4, 5 and 6 will be weighted 10% each).**

All observable components will be weighted equally and averaged.

**Scoring Assurances**

**Please check each of the boxes below.**

- ☒ Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- ☒ Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

**Principal School Visit Scoring Bands**

(i) in the instance of a principal rated Ineffective on the student performance category, but rated Highly Effective on the school visit category based on an anomaly, as determined locally;

(2) the LEA's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

---

Page Last Modified: 03/03/2020

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.**

Only a principal may challenge their annual professional performance review pursuant to section 3012-d of the Education Law.

- (1) A principal cannot trigger the appeal process prior to the receipt of their overall effectiveness rating from the district.
- (2) A principal may appeal only the following with respect to his or her annual professional performance review: a) substance of his or her performance review where the principal was rated Ineffective on the Student Performance Category, but was rated Highly Effective on the School Visit Category based on anomaly; b) the school district's adherence to standards and methodologies required for such reviews, pursuant to Education Law section 3012-d and to the applicable Regulations of the Commissioner of Education; c) compliance with any locally negotiated procedures, as required by Education Law section 3012-d and the applicable Regulations of the Commissioner of Education; and d) the District's issuance and/or implementation of the terms of a Principal Improvement Plan under Education Law section 3012-d and the applicable Regulations of the Commissioner of Education.
- (3) A principal may not file multiple appeals regarding the same performance review. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.
- (4) Appeals concerning a principal's performance review must be received in the office of the Superintendent of Schools no later than ten (10) calendar days after the date when the principal receives his/her performance review. The date of receipt of the performance review will be documented by the date of the principal and lead evaluator conference. The written appeal will be date stamped by the District Office secretary upon receipt. The District Office secretary will send an email to the principal confirming the date of receipt. The failure to submit an appeal to the Superintendent of Schools within this time frame shall result in a waiver of the principal's right to appeal that performance review.
- (5) A principal wishing to initiate an appeal must submit, in writing (e-mail or other electronic submissions are not permitted), to the Superintendent a detailed description of the precise point(s) of disagreement over his or her performance review, along with any and all additional documents or written materials that he or she believes are relevant to the resolution of the appeal. Any such additional information not submitted at the time the appeal is filed shall not be considered in the deliberations related to the resolution of the appeal. The Superintendent may submit such written response and other evidence to the appeal as he/she deems appropriate within ten (10) calendar days of receipt of the written appeal.
- (6) Within ten (10) calendar days of the receipt of the written appeal, the Superintendent shall appoint a reviewer to evaluate the appeal, who may be an employee of the District. Any cost associated with the appointment of a reviewer will be equally shared between the District and PMAA.
  1. The reviewer shall perform any investigation he/she deems necessary, consider the evidence and issue a written decision to the Superintendent and the Principal on the merits of the appeal no later than thirty (30) calendar days from the date when the principal filed his or her appeal.
  2. The decision of the reviewer shall be final and an appeal shall be deemed completed upon the issuance of that decision. The decision of the reviewer shall not be subject to any further appeal.
  3. If the appeal is sustained, the original performance review shall be expunged and replaced with the performance review drafted by the reviewer. This performance review may not be reviewed or appealed under this procedure.
- (7) Under this appeals process the principal has the burden of proving a clear legal right to the relief requested and the burden of establishing the facts upon which he/she seeks relief. The burden of proof shall be by the preponderance of the credible evidence.
- (8) The principal's failure to comply with the requirements of this procedure shall result in a waiver to the right to appeal and/or denial of the appeal.
- (9) The district reserves the right to deny tenure or terminate a probationary principal during the pendency of an appeal for statutorily and constitutionally permissible reasons, including the principal's performance that is the subject of the appeal. The pendency of an appeal will not preclude the District from making a determination not to award tenure.
- (10) The parties further agree to add a new Section to the Grievance Procedure of the Collective Bargaining Agreement stating as follows: "Nothing regarding the APPR language or APPR Appeal Procedure shall be grievable under this Article. The Association and District intend and agree that any and all matters pertaining to the APPR process shall not be subject to the contractual grievance/arbitration procedure."

**Purpose:** The goal of a Teacher Improvement Plan is to improve performance and professional growth. A TIP is not a disciplinary action. The NYS Commissioner's Regulation (30-3) requires that any teacher with an overall annual professional performance review rated as Developing or Ineffective shall receive a Teacher Improvement Plan. A TIP shall be developed in consultation with the teacher, and union representation shall be afforded at the teacher's request. Opportunities throughout a mutually agreed upon timeline will be provided for the teacher, administrator and mentor (if one has been assigned), and a union representative (if requested by the teacher) to meet to assess the teacher's growth toward achieving the goals set forth in the TIP. At the completion of the timeline, a final meeting will occur during which an overall assessment of the teacher's growth and performance will be discussed, and it will be determined whether the TIP will continue, a summary document will be provided to bring the TIP to a close, or other action will be taken.
