Revised

Aaron Bochniak, Superintendent
Schenectady City School District
108 Education Drive
Schenectady, NY 12303

Dear Superintendent Bochniak:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

Shannon L. Tahoe
Interim Commissioner

Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each local educational agency's (LEA) Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

Task 2. TEACHERS: Required Student Performance - Information and Assurances

Page Last Modified: 02/28/2020

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.***Each teacher shall have a Student Learning Objective (SLO) locally determined, consistent with the goal-setting process determined by the Commissioner.****Student Learning Objectives (SLOs)**

For guidance on SLOs, see NYSED SLO Guidance.

SLOs shall be used for the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.**MEASURES***SLO measures may be either individually attributed or collectively attributed.**Individually attributed measures*

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Teacher and course-specific

- **Teacher and course-specific results:** scores and ratings will be based on the growth of students in the teacher's course in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> School- or program-wide

- **School- or program-wide results:** scores and ratings will be based on the growth of all students in a school or program who take the applicable assessments in the current school year.
- **School- or program-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses in the current school year.
- **School- or program-wide linked results:** scores and ratings will be based on the growth of students enrolled in the teacher's course in the current school year taking assessments in other grades/subjects.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of teachers will be based on the growth of students in the group/team of teachers' courses across buildings/programs in an LEA in the current school year.

ASSESSMENTS*Any of the measures above may be used with one or more of the following assessment types.*

SLO Assurances

Please check the boxes below.

- Assure that the teacher has an SLO as determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- Assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- Assure that if a teacher's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.
- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.

Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

Percentage of Student Performance category to be locally determined if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the LEA and be a locally selected measure of student growth or achievement based on State-created or -administered assessments or State-designed supplemental assessments.

Options for measures and associated assessments include:

- **Option (A)** A second SLO, provided that this SLO is different than that used in the required subcomponent;
- **Option (B)** A growth score based on a statistical growth model, where available, for either State-created or -administered assessments or State-designed supplemental assessments;

- **Option (D)** A performance index based on State-created or -administered assessments or State-designed supplemental assessments;
- **Option (E)** An achievement benchmark on State-created or -administered assessments or State-designed supplemental assessments; or
- Any other collectively bargained measure of student growth or achievement included in the LEA's evaluation plan.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

Task 4. TEACHERS: Observations - Rubric and Scoring

Page Last Modified: 02/28/2020

Teacher Observation Category

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
NYSUT Teacher Practice Rubric (2014 Edition)	(No Response)

Rubric Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the LEA, provided that LEAs may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in the table above.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 1 and 2 will be weighted 30% each and Domains 3 and 4 will be weighted 20% each).

All observable components will be weighted equally and averaged.

Scoring Assurances

Please check each of the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Teacher Observation Scoring Bands

The overall Observation score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

- Assure the LEA has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

Appeals

(1) the substance of the annual professional performance review;which shall include the following:

(i) in the instance of a teacher rated Ineffective on the StudentPerformance category, but rated Highly Effective ontheObservationcategory based on an anomaly, as determined locally;

(2) the LEA'sadherence to the standards and methodologies required for such reviews, pursuant to Education Law§3012-d;

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

Appeals Process - Teachers

A. Teacher Request for Supporting Documents

Within five school days of receipt of the APPR, a teacher may request, in writing, that the administrator issuing the APPR provide to the teacher a copy of any and all documents and written materials upon which the APPR was based. The authoring administrator shall provide all such documents to the teacher and the Director of Human Resources within five school days of the request. Only materials provided in response to this request shall be considered in the deliberations as to the validity of the APPR.

B. Right to Appeal

1.) Only tenured teachers who receive an APPR rating of "ineffective" or "developing" may appeal their APPR through the procedure herein. A teacher may file only one appeal from a single APPR.

2.) A probationary teacher who receives an APPR rating of "ineffective" may appeal their APPR through the procedures herein. A teacher may file only one appeal from a single APPR.

C. Filing of Appeal by Teacher

A teacher may file a written appeal of the APPR within fifteen school days of the receipt of the requested supporting documents. Any appeal shall be filed with the superintendent of schools.

An appeal of an APPR must be based upon one or more the following grounds:

- a. The substance of the APPR; which shall include the instance of a teacher rated ineffective on the student performance category but rated highly effective on the observation category based on an anomaly as determined locally;
- b. The District's failure to adhere to the standards and methodologies required for the APPR that are set forth in Education Law §3012-d and subpart 30-3 of Commissioner's regulations;
- c. The District's failure to adhere to the Commissioner's regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d; and

The written appeal document must clearly identify the grounds for appeal, and shall explain, in detail, why the appealing teacher believes the APPR should be modified.

D. Review by APPR Appeals Committee

Appeals shall be referred for consideration by the APPR Appeals Committee, a standing committee made up of two tenured administrators from within the District appointed by the superintendent of schools, and two tenured teachers from within the District appointed by the president of the SFT. All members of the committee shall be appointed for a term of three years, and all members shall be required to complete the training required of lead evaluators under the APPR regulations. The parties agree that in the event the work of the committee would require a member of the committee to consider an appeal from an APPR that the committee member authored, or if a member of the committee wishes to be excused from consideration of any appeal, the appealing teacher shall have the option of either having the appeal considered by a subcommittee of one administrator and one teacher, or having the appeal considered by the remaining members of the committee and a substitute member selected, for that appeal only, by the superintendent of schools, in the event an administrator is excused, or by the president of the SFT, in the event a teacher is excused. While substituting administrators must have completed the training required of lead evaluators under the APPR regulations, such training shall not be required of substituting teachers. The APPR Appeals Committee shall convene to consider the appeal within ten (10) school days of the filing of the appeal. The committee shall determine its own rules and procedures, which may be altered as the Committee sees fit as it performs its duties. The committee shall determine whether to invite either the appealing teacher or the authoring administrator, or both, to address or be questioned by the committee.

It shall be the duty of the committee to answer the question, "Has the teacher demonstrated that the APPR should be modified?" In the course of answering this question, the committee may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to modify the APPR.

E. Determination of Appeal

Upon the conclusion of its consideration of an appeal, each member of the committee shall vote to either to uphold the APPR or modify the APPR. If the committee unanimously agrees on one of these choices, the committee shall give written notice of its decision to the appealing teacher, the president of the SFT and the superintendent of schools, and the decision of the committee shall be final and binding.

In the event the committee is not unanimous in its decision on an appeal, each member of the committee shall write a brief statement setting forth and explaining his or her recommendation for disposition of the appeal. The committee members' written statements, together with the full record of the appeal, shall then be forwarded to three educators, each of whom shall be jointly selected and jointly appointed by the superintendent of schools and the president of the SFT. The decision of these three educators shall be in writing and will have as attachments all of the committee members' written statements attached thereto. This decision shall be final and there shall be no further appeal available.

A written decision on the merits of the appeal shall be rendered no later than thirty (30) calendar days from the date upon which the APPR Appeals Committee convenes to consider the appeal. If the decision of the APPR Appeals Committee is not unanimous, the three educators who will make the

final decision on the merits of the appeal shall render a written decision no later than fifteen (15) school days from the date upon which the full record of the appeal is forwarded to them.

F. Exclusivity of Appeal Process

The APPR appeals process set forth herein shall be the sole method of appealing either an APPR or claimed violations of the procedural or substantive requirements of the APPR process. There shall be no appeal allowed through the contractual grievance procedure or to any administrative or judicial tribunal.

Training Assurance

Please check the box below.

- The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

TRAINING OF EVALUATORS

The Schenectady City School District will comply with all requirements for the training and certification of all evaluators, including lead evaluators, evaluators, and independent observers. This commitment is to the initial training of all evaluators on the nine elements listed in Section 30-3.10 of the Rules of the Board of Regents and the ongoing training and support essential to maintain the needed level of inter-rater reliability.

- All evaluators in the Schenectady City School District, who will conduct observations, have been trained and will be trained as lead evaluators for APPR.
 - After completion of required components all evaluators are certified/re-certified by the Superintendent of Schools. All evaluators are re-certified bi-annually.
 - Initial and recertification training for all evaluators will consist of a total of three days and will cover the nine required elements outlined in section 30-3 of the Rules of the Board of Regents.
 - Central Office Administrators will provide support to building principals and administrators by conducting walkthroughs and learning walks.
- Training of evaluators will be contracted through the Board of Cooperative Education Services (BOCES)

Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or locally determined if the Optional subcomponent is selected.***Required Student Performance Measures****Student performance for principals may be measured by either a student learning objectives (SLO) or an Input Model where the principal's overall rating shall be determined based on evidence of principal practice that promotes student growth related to the Leadership Standards.****STUDENT LEARNING OBJECTIVES**

For guidance on SLOs, see NYSED SLO Guidance.

*SLO measures may be either individually attributed or collectively attributed.**Individually attributed measures*

An individually attributed SLO is based on the learning outcomes of a student population within the principal's building or program.

> Principal and building/program-specific

- **Principal and building/program-specific results:** scores and ratings will be based on the growth of students in the principal's building/program in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple buildings/programs of similar grade configuration or across multiple building/programs where the learning activities of one building/program directly contribute to student learning outcomes in another building/program. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where there is an opportunity for a collective impact on student learning;
- identifying which assessments could be used to help foster and support an LEA's focus on a specific priority area(s);
- the impact on the LEA's ability to make strong and equitable inferences regarding an individual educator's effectiveness; and
- when using multiple measures, the appropriate weight of each measure that reflects individually and collectively attributed results.

> District- or BOCES-wide

- **District- or BOCES-wide results:** scores and ratings will be based on the growth of all students across buildings/programs in an LEA who take the applicable assessments in the current school year.
- **District- or BOCES-wide group or team results:** scores and ratings for a group or team of principals will be based on the growth of students in the group/team of principals' buildings/programs in an LEA in the current school year.

ASSESSMENTS*Any of the measures above may be used with one or more of the following assessment types.*

- **State assessment(s);** or
Assessment(s) that are selected from the list of State-approved:
- **third party assessments;** or
- **locally-developed assessments** (district-, BOCES- or regionally-developed).

INPUT MODEL*Selection of the Input Model will require:*

Task 7. PRINCIPALS: Required Student Performance - Information and Assurances

Page Last Modified: 02/28/2020

- a description of the areas of principal practice that will be evaluated;
- a description of how the selected areas of principal practice promote student growth;
- a description of the evidence of student growth and principal practice that will be collected; and
- a description of how the district will use the evidence to differentiate effectiveness resulting in a score from 0 to 20 and ratings of Highly Effective, Effective, Developing, or Ineffective.

Assurances

Please check all of the boxes below.

- Assure that for any SLO based, in part, on the New York State grade four science assessment, once the assessment is no longer administered the SLO will utilize only the remaining assessments.
- For principals evaluated using an SLO, assure that such SLO is determined locally in a manner consistent with the goal-setting process determined by the Commissioner.
- For principals evaluated using an SLO, assure that all student growth targets represent a minimum of one year of expected growth, as determined locally in a manner consistent with the Commissioner's goal-setting process. Such targets may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- For principals evaluated using an SLO, assure that all student growth targets shall measure the change in a student's performance between the baseline and the end of the course.
- For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- Assure that processes are in place for the superintendent to monitor SLOs and input models.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

Task 9. PRINCIPALS: School Visits - Rubric and Scoring

Page Last Modified: 02/28/2020

Principal School Visit Category

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Principals’ professional performance shall be evaluated based on a State-approved rubric using multiple sources of evidence collected and incorporated into the school visit protocol. Where appropriate, such evidence may be aligned to building or district goals; provided, however, that professional goal-setting may not be used as evidence of teacher or principal effectiveness. Such evidence shall reflect school leadership practice aligned to the Leadership Standards and selected practice rubric.

Principal Practice Rubric

Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	(No Response)

Rubric Assurances

Please check all of the boxes below.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the LEA, provided that LEAs may locally determine whether to use different rubrics for a principal assigned to different programs or grade configurations as indicated in the table above.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., Domains 2 and 3 will be weighted 30% each and Domains 1, 4, 5 and 6 will be weighted 10% each).

All observable components will be weighted equally and averaged.

Scoring Assurances

Please check each of the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all school visits, a score of 0 will be assigned.

Principal School Visit Scoring Bands

The overall School Visit score will be converted into a HEDI rating based on locally determined ratings consistent with the ranges listed.

At least one school visit must be conducted by supervisor or other trained administrator and at least one of the required school visits must be unannounced (across both required subcomponents).

- LEAs may locally determine whether to use more than one school visit by superintendent or other trained administrator.
- Nothing shall be construed to limit the discretion of a board of education or superintendent of schools from conducting additional school visits for non-evaluative purposes.
- The frequency and duration of school visits are locally determined.
- School visits may not occur by live or recorded video.

Indicate the minimum number of unannounced and announced school visits by supervisor(s) or other trained administrators in the table below.

- Impartial independent trained evaluators are trained and selected by the LEA.
- They may be employed within the LEA but may not be assigned to the same school building as the principal being evaluated. This could include other administrators, department chairs/directors, or peers, so long as they are not from the same building (defined as same BEDS code) as the principal being evaluated.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious manner.

Annual Professional Performance Review (APPR) Appeal Procedure

- a. Appeals shall be available for all principals, whether probationary or tenured. Evaluations which have resulted in a rating of Ineffective or Developing may be appealed. Principals may submit written rebuttals of determinations of "Effective" and "Highly Effective" but may not appeal such ratings.
- b. Within fifteen (15) school days of the receipt of the final annual evaluation providing a rating as set forth in Subparagraph (a) above, a principal may appeal the annual evaluation to the First Level Reviewer as defined below. If a principal is on vacation or other paid leave when the final evaluation is issued, the fifteen (15) school days for appeal provided herein shall not commence until the principal returns from such leave. The appeal shall be in writing and shall articulate in detail the basis of the appeal. Appeals shall be limited to:
1. the substance and rating of the annual professional performance review which shall include the instance of a principal rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally;
 2. the school district's adherence to the standards and methodologies required for such reviews pursuant to Section 3012(d) of the Education Law; and
 3. the school district's adherence to the Regulations of the Commissioner and compliance with any applicable locally negotiated evaluation procedures
- c. Within thirty (30) school days of receipt of the appeal, the First Level Review Committee shall deliver a written determination of the appeal to the principal. It shall be the duty of the First Level Review Committee to answer the question, "Has the principal demonstrated that the APPR should be modified?" In the course of answering this question, the committee may consider claims of procedural violations and shall determine whether the claimed violations are significant enough to modify the APPR.
- d. For Purposes of this Section, the term "First Level Review Committee" shall consist of a JOINT REVIEW BOARD. The Joint Review Board shall consist of one representatives appointed by the Association and one representative appointed by the Superintendent. The Joint Review Board shall have thirty (30) calendar days to issue a written decision. The Joint Review Board shall have the power to discuss an appeal with the evaluator, the appealing principal, or with both at the same time, if it believes such a discussion will be helpful. The Joint Review Board cannot act except when all of its members are present. The Joint Review Board's decisions will be explained in a writing that sets forth the reasoning of each panel member. If the Joint Review Board's decision is 2-0 in favor of the unit member, then the decision will be final, binding, and non-reviewable. In the event that the Joint Review Board decision is 2-0 or 1-1 against the unit member, then the unit member may appeal the decision to an independent reviewer which will be mutually agreed upon by both parties.
- e. The following additional level of appeal shall apply to any principal who: (i) has received two or more consecutive Ineffective ratings; (ii) is probationary and has received a second rating of Ineffective or Developing; overall APPR rating for a second time during his/her probationary term, or (iii) is probationary and has received a rating of Ineffective or Developing in his/her last probationary year (whether such year is a fourth year or a Juul year). The principal may, at his/her option, bring the appeal within ten (10) school days from receipt of the initial appeal determination, to a mutually agreed upon independent reviewer. In the event the parties are unable to agree within ten (10) school days of the filing of the appeal then the organization will request a list of qualified reviewers from CASDA. The cost associated with the retired administrator/independent reviewer shall be borne by the District. . The independent reviewer shall issue a written determination within thirty (30) school days from the conclusion of the review. The independent reviewer's decision shall be final and binding on all parties.
- f. The evaluated principal may be represented at all stages by a union representative of his/her choosing. The evaluated principal may submit a rebuttal to the APPR evaluation either before or after his/her appeal without jeopardizing their rights to file or pursue an appeal.
- g. The APPR appeals process set forth herein shall be the sole method of appealing either an APPR or claimed violations of the procedural or substantive requirements of the APPR process. There shall be no appeal allowed through the contractual grievance procedure or to any administrative or judicial tribunal.
- h. The foregoing shall not affect the ability of a principal to challenge any aspect of his/her evaluation in a 3020-a/3020-b proceeding.
