Throughout the development of our plan to spend our ARP ESSER funds, we collected public comment through a variety of different ways. We held public sessions prior to Board meetings where attendees could voice opinions about where the money should be spent. We also sent our surveys to all families and community members so that they could comment on how to use the federal funds. We also had in person meetings with faculty/staff and students so that they could comment on how they felt the funds should be spent.
