American Rescue Plan (ARP) Spending Plan Reporting

1. Have you made changes to your approved ARP - ESSER application?

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

We have spent the bulk of our funding between 2020- June 2022. The only portion of the funding that will extend into the 22-23 school year would be the funding for the 3-day per-week school social worker. (We also had budgeted money for benefits for the one-year hires, who subsequently did not take the benefits - which will go towards the payment of the social worker).

3. Please provide a description of program goals and per pupil teacher ratios for priorities supported by ARP - ESSER funding. Click on "Add Row" as needed to include additional program goals.
