American Rescue Plan (ARP) Spending Plan Reporting

1. Have you made changes to your approved ARP - ESSER application?

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

1a. Please provide a summary of those changes and the need informing those changes.

Due to the actual enrollments when school began, it was not necessary to reduce certain class sizes, thereby spending funds for two teachers. Instead, the District allocated those funds to pay for temporary cleaners, due to the additional sanitizing procedures performed during the year.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

Following the public discussion at the July 1, 2021 Board meeting of the ARP plan, notice to the public that the plan was posted on the website, and an invitation to the public to submit comments, the District did not receive any responses. However, during the multiple budget public discussions during the year, Board and community members asked how the funds were being used. There were no comments other than requests for information.

3. Please provide a description of program goals and per pupil teacher ratios for priorities supported by ARP - ESSER funding. Click on "Add Row" as needed to include additional program goals.
