**Background and Instructions****Background**

Section 9-a of part A of chapter 56 of the laws of 2021, as amended by §5-a of part A of chapter 56 of the laws of 2022 requires, on or before July 1, 2022, every local educational agency (LEA) receiving funding from the Elementary and Secondary School Emergency Relief (ESSER) funding from the American Rescue Plan (ARP) act of 2021 to post on its website and submit to the New York State Education Department (NYSED) an updated plan of how such funds will be expended and how the LEA will prioritize spending on non-recurring expenses as defined in section 9-a(1) of part A of chapter 56 of the laws of 2021. This updated plan must include:

- An analysis of public comment;
- Goals and ratios for pupil support;
- Detailed summaries of Investments in current year activities; and
- Balance of funds spent in priority areas.

**Instructions**

The *State Budget Reporting Survey* is due by July 1, 2022.

LEAs must complete all sections and are required to answer questions marked with a red asterisk. If a required question has not been completed, the business portal will highlight it in red and the section of the application will be flagged. The applicant will be unable to submit the application to NYSED for final review if a required question remains unresolved.

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs) or the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs), are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs are NOT REQUIRED to send hard copies of survey materials to the Department.

**American Rescue Plan (ARP) Spending Plan Reporting**

**1. Have you made changes to your approved ARP - ESSER application?**

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

**2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.**

The district has not made any changes to the ARP plan. We have given updates in our Board of Education meetings. We have allowed for public comments during that time. The district has done recaps of the different spending that has taken place. We have had student feedback at the meetings as well as comments on social media of the new clubs and enrichment that our students have been able to participate in. The public has overall been pleased with the ARP plan and spending from any feedback delivered directly to the District Office.

**3. Please provide a description of program goals and per pupil teacher ratios for priorities supported by ARP - ESSER funding. Click on "Add Row" as needed to include additional program goals.**

Program Goals	Per Pupil Teacher Ratios (# : #)
The district program goals are as follows: Safely returning students to in-person instruction; Maximizing in-person instruction time; Operating schools and meeting the needs of students; Purchasing educational technology; Addressing the impacts of the COVID-19 pandemic on students, including the impacts of interrupted instruction and learning loss and the impacts on low-income students, children with disabilities, English language learners, and students experiencing homelessness; Implementing evidence-based strategies to meet students' social, emotional, mental health, and academic needs; Offering evidence-based summer, afterschool, and other extended learning and enrichment programs; and Supporting early childhood education. The district is still focusing on one-time enhancements to the district that will benefit the students, faculty, and staff. The ratio during the school year which is possible due to the ESSER funding is 1:15.	1:15
The district is focused on providing the students of Cincinnati CSD with learning opportunities during the summer. These summer camps are incorporating exciting opportunities for the students to learn outside the traditional classroom. The ratio during the summer learning is 1:7	1:7
The after school enrichment is a focus for the district to allow the students to learn while enjoying a hobby. There have been some very elaborate enrichment that has taken place at the district during the 21-22 school year. The focus is to encourage continued day learning and make it fun and exciting for the students. The ratio has been 2:10	2:10

**4. Please provide detailed summaries of investments in current year activities for ARP - ESSER funding. Click on "Add Row" as needed to include programs.**

Summary of New Programs or Expansion of Existing Programs in Current Year	Investment (\$)
The district has successfully implemented a summer learning in the summer of 2021. We have run an after school enrichment program 3 days a week- where the kids have dabbled in all types of extra curricular activities while tying the fun back to the curriculum! The district has updated our interior to be more inviting and conducive for learning. The district has kept the class sizes smaller and allowed for smaller ratio of teacher to student. Drastically increased the materials and supplies in the classrooms through purchases determined by the teachers. The district started a 3 year old program for community engagement and implemented a new reading module for the district to use from Pre-K to 6. The district is also in the process of implementing the drivers education program this summer.	581347
