Administrators from Tapestry Charter School met with parents, teachers and the public via zoom prior to allocating funds for the ARP/ESSER funding. After discussion, the public was interested in utilizing funds to help with the following:

1. Facilities
2. Curriculum, Instruction, Assessment PD
3. Community- based supports
4. After School supports
5. SEL interventions

We held a series of zoom meetings during the day to ensure that all stakeholders were represented. This feedback was followed with subsequent meetings by Tapestry administrators who strategized regarding this feedback and next steps. Once a series of district and individual school meetings were held, we applied for the funds.

With these funds we were able to lower class sizes so that students could be pulled into small groups or be taught in classrooms with two teachers. Our teachers on special assignment, and SEL student support teams helped to meet the academic and social emotional needs of students after the pandemic by expanding counseling services and providing resources to more students.	2603059
