Caledonia-Mumford has not updated the ARP plan since we were granted original approval. The School District held several Board meetings where we discussed the grant and potential uses. We also had our staff and community take part in a thought exchange which came up with ways to spend the money. All feedback has been positive and the District has decided to use this money for Learning Loss and Social Emotional Learning.

The prolonged nature of the pandemic and the isolating effects caused great need amongst students and staff. The District increased both the resources available and the staffing to meet our needs. The District added and maintained a School Social Worker and School Psychologist while adding a Director of Pupil Services to assist with the daily, monthly and yearly reporting to the State as well as supervise newly hired staff.	100:1
