Throughout the pandemic Icahn 2 Charter School leaders have engaged, and currently learn from teachers, paraprofessionals, parents, and other community members to support student learning. Engagement takes the forms of Zoom meetings, Opinion Surveys, and personal contacts via email and telephone. Topics analyzed in the dialogue with stakeholders include:

1. Data on Icahn 2's mode of instruction (remote, hybrid, in-person) and student attendance in each modality; the manner in which funds are allocated to meet student's social, emotional, and academic needs through evidence-based interventions, how they advance equity for underserved students and how they sustain and support access to early childhood education programs;
2. Student data, disaggregated by student subgroup, related to how the COVID-19 pandemic has affected instruction and learning;
3. Guidance from the CDC, NYSDOH, and NYSED; and
4. Decisions detailing school operations. Information gathered on these and other topics has been used in planning, including the current Reopening Plan which is/will be posted on the Icahn 2 Charter School Internet Site.
