

IFB 98 – Question & Answer Summary
Tuscarora Nation Transportation to and from Niagara-Wheatfield Central School District

Question: Please provide the current invoicing for these trips in the Q&A to be released on 5/9/2025.

Answer: For the first six months of the 24-25 school year, invoicing totaled \$469,870.00. Spending fluctuates depending on actual student needs. During the current school year, eight buses are required, and an additional three late buses per day. This is expected to fluctuate based on student needs. Bidders will still propose rates for the number of buses and aides provided on the cost proposal form.
