SIRS 302-Tested/Not Tested Confirmation (All Assessments) Report

About the Report

Students are included on the Tested/Not Tested Confirmation Report if their last regular enrollment record during the school year had an ending date between July 1 and June 30 of the school year. If a student was enrolled during the testing window, that student will be included in that district's and school's report (district of enrollment).

For this report, a regular enrollment record is defined as one of the enrollment entry types listed below:

- 0011 Enrollment in building or grade
- 5544 Transferred in under the ESEA Title I "School in Improvement Status" transfer option
- 0022 Foreign exchange student enrollment in building or grade
- 7000 Transferred in under the ESEA "Persistently Dangerous School" transfer option
- 7011 Transferred in under the ESEA "Victim of Serious Violent Incident" transfer option

Information about reporting enrollment records in SIRS is available in the [SIRS Manual](#).

The Tested/Not Tested Confirmation (All Assessments) Reports (T/NT) are available for the following New York State Testing Program (NYSTP) assessments:

- Grades 3-8 English language arts (ELA)
- Grades 3-8 mathematics
- Grades 5 & 8 science (prior to the 2023-24 school year, Grades 4 & 8 science were administered)
- New York State English as a Second Language Achievement Test (NYSESLAT)
- New York State Alternate Assessment (NYSAA)

Rules for determining eligibility for receiving a valid score and associated Standard Achieve Codes can be found in the [SIRS Manual](#).

Filtering

At a minimum, a user must select a School Year, District, and Location to generate the report. By default, the Report Subject Area is set to ALL Subject Areas. Entities displayed in the dropdowns are determined by a user's entitlements in SEDDAS.

The **District** filter displays the district where the student's last regular enrollment (see list above) was in the selected school year. If there are no students in the district participating in the NYSTP assessments for the selected school year, the district will not display in the dropdown.

The **Location** filter displays all locations that administered the NYSTP assessments within the selected School Year and District. The Location BEDS Code corresponds to the school with reporting responsibility for the student(s). There is also an option to generate a District Rollup. The District Rollup will not include Location Name or Location BEDS Code. Please note: "HI – District Name" translates to "Home-Instructed" students and HB – District Name" translates to "Homebound" students.

The **Report Subject Area** filter displays all grade levels for student's that participated in the NYSTP, NYSAA, or NYSESLAT assessments based on their most recent regular enrollment record, within the selected School Year, District, and Location. The default for the Report Subject Area filter is All Subject Areas.
