### SIRS 303-Annual Secondary Assessment Summary

#### About the Report

The SIRS-303 report displays, by school year, the counts of secondary assessments reported by the LEA that are not included in any other verification report. This report is available to public school districts, charter schools and participating religious/independent schools that reported any of the following Test Groups: \*ADV, ALTREG, CCR, LOTE, SEQ, and CDOS.

\*Note: Beginning with the 2023-24 school year the Test Group ADV will replace the ALTREG and CCR Test Groups. Students are included on the Annual Secondary Assessment Summary report if they were enrolled in the reporting entity during the selected school year and one of the types of assessments listed above were reported. Information about reporting enrollment records in SIRS is available in the [SIRS Manual](#).
