

# Receivership Needs Assessment and Continuation Plan Development Meeting and Support Timeline Spring 2026

## Roles and Responsibilities

Role	Responsibility
<b>Principal</b>	The principal will lead the selection and work of the School Improvement Team during the needs assessment and Continuation Plan development processes. The SBL and School Improvement Team will convene Team Meetings to complete this work and will be supported by the OISR Liaison, SSP, and district leaders throughout these processes.
<b>District Leader</b>	District leaders will support the school building leader and the School Improvement Team to complete all aspects of the needs assessment and the Continuation Plan writing process. As part of this support, they will also participate in all touchpoint meetings with the OISR liaison.
<b>School Improvement Team</b>	Comprised of various school and district staff, the team will work together to complete all needs assessment activities and analyze the results to inform the development of the Continuation Plan.
<b>Office of Innovation and School Reform (OISR) Liaison</b>	All schools in the Receivership support model are supported by a liaison from the OISR. Liaisons will have a minimum of four touchpoints during the Needs Assessment and Continuation Plan development process and then will be the primary contact and support for school and district leaders during plan implementation through the Performance Management and Technical Assistance process.
<b>School Support Partner (SSP)</b>	SSPs are external partners contracted by the New York State Education Department (NYSED) to provide targeted leadership support, coaching, and improvement assistance to schools under Receivership. A dedicated SSP will provide coaching and support to the school building leader throughout the Needs Assessment and Continuation Plan writing processes.

## SBL and School Improvement Team Meeting and Support Timeline

The table below provides a sequence and timeline for School Improvement Teams to complete the Receivership Needs Assessment and Continuation Plan development process between February-June 2025.

A detailed list of Receivership Needs Assessment activities, the Continuation Plan Template and guidance, and other useful resources can be found on the OISR [Receivership Needs Assessment and Continuation Plan](#) webpage.
