McKinley High School   2019-20 SY Data Analysis

5 weeks (9/6/19-10/4/19)   **Teacher Name:**   **MHS Course Passing Goal: 95%**   **Current Course UTA Passing:**

For each class period, tally the number of students that earned averages in the following ranges and provide the names of students that have scored below 65%.

Period	Total Number of Students	0-54 *(Provide student names)*	55-64 *(Provide student names)*	65-74	75-84	85-94	95-100
1/2	15						
3	18						

5-week Analysis and Reflection:

1. What are attainable goals for the next 5 weeks? Please explain. (See example below)
   a. What actions will you take to ensure your goals are met by the next 5 weeks?
   b. What support is needed to ensure your goals are met?

GOAL	ACTION STEPS	SUPPORT
COURSEWORK: ALL students will have an average of 65% or above.	• By October 19, 2019, all parents of failing students will be sent a list of missing work to be returned with a parent signature. • By October 26, 2019, all struggling students will have been referred to SST for academic intervention: ○ Tutoring: ATS, 21st Century or with a teacher. ○ Weekly Check-In/Check-Out ○ Extended Day: 3:30-5:30pm, as needed.	In order to meet this goal, I will need: • A list of referrals for additional services: attendance, behavior or coursework referrals. • Parent input for individual student action plans.
ATTENDANCE: 85%	Calls, meetings 1 on 1, incentives for points and gifts.	None
BEHAVIOR: No reports or follow ups	Build relationships, visits outside of school, positive calls.	Teacher feedback
COURSEWORK: 100% handed in	100% feedback non-stop make-up time.	Parents, teachers to share missing info.
