

NYSED Informational Session

EANS & EANS II Funded Window and Ventilation Projects

Who We Are

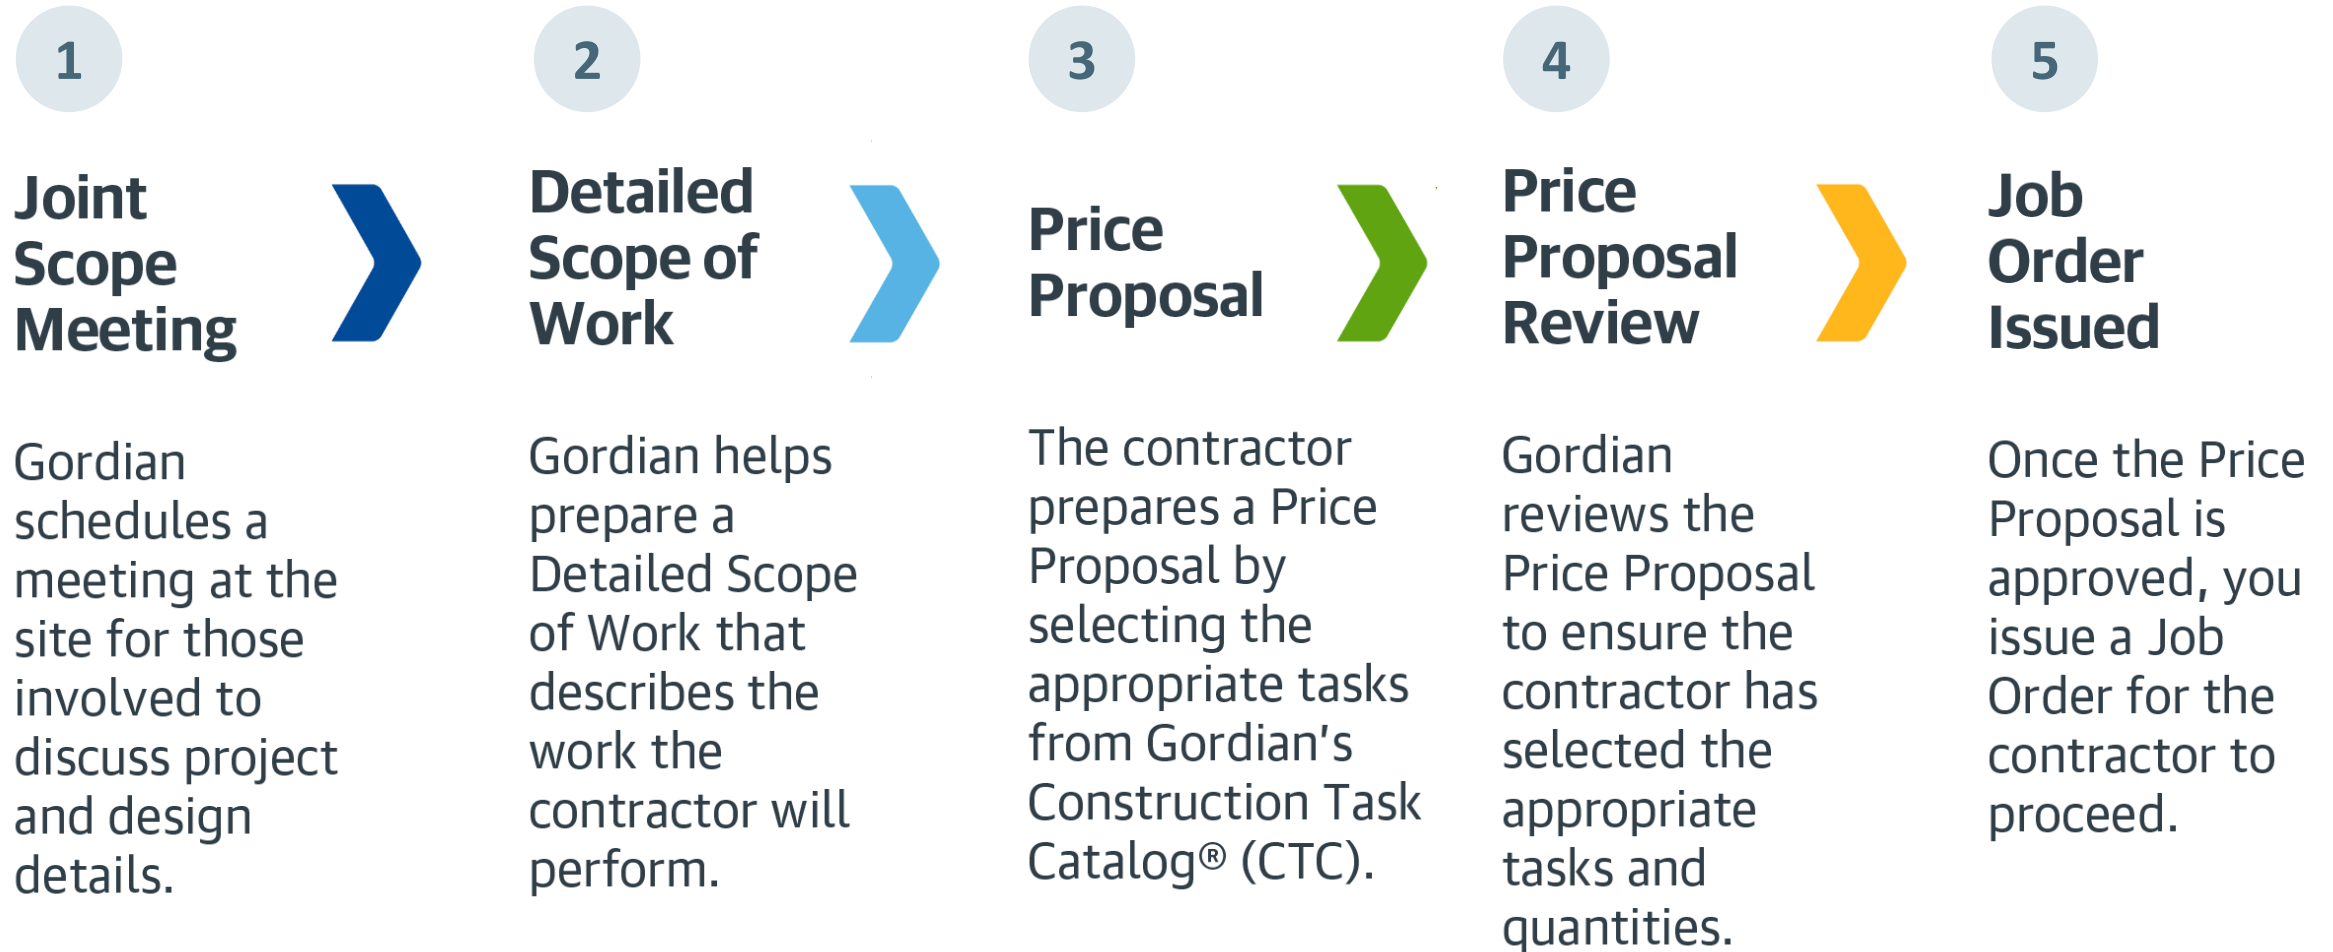

Gordian was founded on innovation. Our industry experts continue to refine our data and software to address real challenges and deliver solutions that bring speed, precision, and efficiency to every phase of the building lifecycle :

- Pioneer of localized construction cost information with **RSMeans data**
- Leader in facilities analysis and benchmarking from **Sightlines, VFA and Kykcloud**
- Creator of the streamlined construction procurement method, **Job Order Contracting**

Emergency Assistance to Nonpublic Schools Program

- NYSED JOC program complies with Federal Guidelines
- Gordian will manage the program from initiation to project closeout
- Project type is HVAC or windows
- NYSED gives final approval for projects

5 Step Job Order Process
