Liberty Partnerships Program Proposals
For the Period
January 1, 2018 through August 31, 2022**

Proposals are due by August 10, 2017

**Announcement of Funding Opportunity
Liberty Partnerships Program 2017-2022**

Introduction/Background: Through this RFP, New York State Education Department (NYSED) seeks to identify Institutions of Higher Education (IHE) that will create strong- school and community partnerships to deliver research-based programming to students enrolled in public and non-public schools that are identified as having a high risk of students dropping out of school.

As leaders in the educational community, IHE's are encouraged to collaborate, design and implement programming that creates new strategies that influence the way schools work and the way we treat students as active participants in their own learning.

Legislative Authority: The Liberty Partnerships Program (LPP) was established in 1988 under Section 612, Subdivision 6 of the Education Law to address the significantly elevated, high school dropout rate among New York's youth. The authorizing legislation stated, "the failure of many young New Yorkers to complete their secondary education limited their opportunity for a life of fulfillment, prevents them from advancing into postsecondary education and hinders the State's efforts to provide a well-trained workforce for business and industry in New York."

Purpose/Services: The purpose of the Liberty Partnerships Program is to provide for a continuity of services throughout a student's progression through secondary school for those students who are identified as at-risk of dropping out. Services to be provided under this section may include skills assessment, tutoring, academic and personal counseling, family counseling and home visits, staff development activities for personnel with direct responsibility for such students, and mentoring programs.

Eligible Applicants: EDL § 612; "...awards shall be made on a competitive basis to degree-granting institutions of higher education or consortia of degree-granting higher education institutions in cooperation with school districts and not-for-profit community-based organizations. In addition, in areas of the state where no degree-granting institution or consortium of degree-granting institutions of higher education can provide appropriate services to students, the commissioner may award grants to not-for-profit community-based organizations in cooperation with school districts."

Institutions that have already received an award notice resulting from the first LPP RFP for 2017-2022 are not eligible to apply for this round. Additionally, only not-for-profit applications are eligible to apply for this round. Each proposal must be submitted by at least one New York State eligible degree granting Institution of Higher Education (IHE) acting as the fiscal and project coordinator for a partnership with a Local Education Agency (LEA) and a Community Based Organization (CBO). The partnership may include additional LEAs, and IHEs and CBOs. Although SUNY and CUNY colleges

may use their respective “Research Foundation” as their fiscal agent if they receive a LPP award, the Research Foundation is not a degree-granting institution and therefore cannot be the applicant.

In a designated Regent’s Region of the state in which no IHE applies to provide appropriate services to eligible students, a not-for-profit community-based organization(s) in cooperation with a LEA may apply. The CBO would then apply as the lead agency with an IHE and LEA as identified partners. If such an application is made in a region where an IHE has applied, the CBO application would be deemed ineligible.

Priorities

The priorities shall include

1. Project services and activities that incorporate low student to staff ratios.
2. Projects in partnerships with colleges that demonstrate a high level of commitment to programs in such fields as human services, education, counseling, social work, psychology, sociology, and others which can identifiably foster college and career readiness in the student participant population, and involve faculty members and graduate students from these degree programs in working with LPP projects.
3. The priorities should also include the degree to which the institution proposes to cooperate with school districts and not for profit community based organizations to provide services and ensure continuity of such services until such students graduate from high school or receive a high school equivalency diploma.
4. Projects should provide a process for the inclusion and ongoing meaningful involvement of students, parents, deans, faculty, department chairs, and teachers in the implementation of the LPP project.

Requirements

The requirements shall include:

1. The IHE must have a partnership with at least one LEA that falls within the categories below:
 - 1) Be a school eligible for schoolwide programs under Title 1, Section 1114 of Every Student Succeeds Act, and the families of these students, or
 - 2) Be a school with at least 40 percent of students eligible for free or reduced priced lunch; and the families of these students or
 - 3) Be identified as a focus, struggling, persistently struggling and/or persistently dangerous schools or
 - 4) Be a rural school with students at risk.

Priority Schools including Focus, Struggling, Persistently Struggling, and/or Persistently Dangerous Schools:

The Department identified Priority Schools based on the following factors, as defined in the Elementary and Secondary Education Act (ESEA) waiver guidance:

- Schools based on the achievement of all student groups in terms of proficiency on the statewide assessments that are part of the state's differentiated recognition, accountability and support system and are not making progress as defined by New York's progress filters. The school also has shown a lack of progress for the all student groups over a number of years.
- Secondary schools with a Graduation Rate less than 60 percent for a number of years and not making progress, as defined by New York's progress filters.

2. Identifying students who are at risk of dropping out of middle or secondary school.
3. Projects with an overall student enrollment of at least 200 students with at least 40 students enrolled at each partner school and/or LEA.
4. A project that involves volunteers, parents, and current or former LPP students.
5. A project that provides continuity of services throughout a student's progression through middle or secondary school.
6. A project that provides the following services and activities:
 - a. Skills assessment/ Personal Learning Plans (PLPs)
 - b. Social emotional assessment
 - c. Tutoring
 - d. Mentoring
 - e. Academic, Personal, and Family Counseling and home visits
7. A project that provides staff development for personnel with direct responsibility for eligible students.
8. A project which has cooperative relationships with school districts and not for profit community based organizations to ensure continuity of services until students graduate from high school or receive a high school equivalency diploma.
9. A project which provides sufficient space and institutional resources consistent with other academic support programs on the campus for the effective operation of the project. This would include sufficient access to space needed to conduct the following: group meetings/workshops, conferencing, confidential academic and/or financial counseling, program administration, and tutoring services. Should a conflict regarding this provision

arise, LPP- SED shall investigate the situation and issue a written decision regarding the adequacy of the access and space.

Student Risk Factors:

According to EDL § 612; the student risk factors for being eligible for participation in LPP shall include: poor academic performance, poor attendance, discipline problems, teenage pregnancy or parenting, residence in a homeless shelter or temporary living arrangement, substance abuse, child abuse or neglect, limited English proficiency, or other identified factor affecting school performance.

I. INTRODUCTION

Through this RFP, New York State Education Department (NYSED) seeks to identify Institutions of Higher Education (IHE) that will create strong- school and community partnerships to deliver research-based programming to students enrolled in public and non-public schools who are identified as having a high risk of dropping out of school.

II. BACKGROUND & PURPOSE

The Liberty Partnerships Program (LPP) was established in 1988 under Section 612, Subdivision 6 of the Education Law to address the significantly elevated, high school dropout rate among New York's youth. The authorizing legislation stated "the failure of many young New Yorkers to complete their secondary education limited their opportunity for a life of fulfillment, prevents them from advancing into postsecondary education and hinders the State's efforts to provide a well-trained workforce for business and industry in New York. The Liberty Partnerships Program is included in the New York State Education Department's Statewide Plan for Higher Education as part of its strategy to maximize the successful transition of middle and high school students, who are at-risk of dropping out of school, into graduates, fully prepared for the rigors of higher education and the competitive demands of a fluid workplace in a global economy.

This higher education initiative will grant awards on a competitive basis to eligible applicants that agree to deliver comprehensive, evidence based, results-driven programming designed to improve the abilities of at-risk middle and high school students to graduate from high school prepared for a successful transition into postsecondary education or onto a career path.

III. INSTITUTIONAL ELIGIBILITY

In accordance with § 612 of the Education Law, "awards shall be made on a competitive basis to degree-granting institutions of higher education or consortia of degree-granting higher education institutions in cooperation with school districts and not-for-profit community-based organizations." Each proposal must be submitted by at least one New York State eligible degree granting Institution of Higher Education (IHE) acting as the fiscal and project coordinator for a partnership with a Local Education Agency (LEA). In order for any proposal to receive consideration, the applicant for your LPP RFP application must be the degree-granting institution. The Application Cover Page should list the degree-granting institution as the applicant. Although SUNY and CUNY colleges may use their respective "Research Foundation" as their fiscal agent if they receive a LPP award, **the Research Foundation is not a degree-granting institution and therefore cannot be the applicant** or a partner. The partnership must include an IHE, LEA and Community Based Organization (CBO). This item will be reviewed by the Office of Postsecondary Access, Support, and Success to ensure that the applicant meets this criterion prior to a review of the proposal on its merits. Any applicant who fails to meet this criterion will not have their proposal reviewed.

1. Institutions that have already received an award notice resulting from the first LPP RFP for 2017-2022 are not eligible to apply for this round. Additionally, only not-for-profit applications are eligible to apply for this round.
2. In a region of the state in which no IHE applies to provide appropriate services to eligible students, a not-for-profit community-based organization(s) in cooperation with a LEA may apply. The not-for-profit CBO may apply; however, their application would only be considered if no Institution of Higher Education applies in that region.
3. Applicants must partner with the LEA (s) where participants are enrolled. A partnership signifies meaningful involvement in planning, as well as specific individual or joint responsibilities for program implementation. The application must contain signed Partnership Agreements with each partnering agency that describes their significant involvement in planning and program implementation. A sample Partnership Agreement is provided in Appendix 3 that may be used as a guide to develop customized agreements. The applicant is responsible for the performance of any service provided by the partners.

An individual, agency, organization or other entity that only provides services described in the proposed program and is not involved in planning, is considered a sub-contractor, not a partner. Therefore, a Partnership Agreement is not required.

Please also see **Section VI**, entitled “Partnership Arrangements for Liberty Partnership Applications.”

4. Letters of support from non-partner organizations or individuals will not be reviewed as part of the evaluation of the application.

IV. STUDENT PARTICIPANT ELIGIBILITY

Eligible students will be:

1. New York State residents;
2. Enrolled in grades 5 through 12; or under 20 years old and enrolled in a state-recognized GED preparation program;
3. Attending public, non-public, or home schools, or enrolled in a state-recognized GED preparation program in New York State; and
4. Each participant must be identified as being at risk of dropping out of school as measured by one or more of the following factors:
 - a. Unsatisfactory academic performance;
 - b. Inconsistent school attendance or truancy;
 - c. History of Behavior/discipline problems;
 - d. History of family/peers dropping out of school;
 - e. Negative change in family circumstances;
 - f. History of child abuse or neglect;
 - g. Homeless/resident in a shelter or foster care;

- h. History of substance abuse;
- i. Limited-English proficiency;
- j. Teenage pregnancy and/or parenting;
- k. Negative peer pressure; or
- l. Other specific documented factors- (should not account for more than 10% of student enrollment)

V. PROPOSAL FOCUS AND PROGRAM SERVICE REQUIREMENTS

Successful proposals will provide for the implementation of a five-year project plan, with a Start Date of **January 1, 2017**, and an End Date of **August 31, 2022**, that delivers 12 months of structured programming of support services and counseling activities facilitating the following outcomes to benefit eligible students:

1. A program model that is either:

- a. A School based model
- b. An afterschool model
- c. A model which is a combination of the two

2. Required services include skills assessment, tutoring, academic and personal counseling, family counseling and home visits, staff development activities for personnel with direct responsibility for such students, and mentoring programs.

3. Projects must offer at least a four-week summer component in each year of the cycle. Each LPP participant must be offered a summer program opportunity at least once during the funding cycle. The summer component must have an enrollment of at least 40 students.

4. Ensure that participants have increased persistence to complete high school with sustained high academic achievement.

5. Ensure that participants are prepared for successful transition into postsecondary education and the workforce.

6. Projects must be in coordination and partnership with at least one LEA and at least one Community Based Organization.

7. Be in accordance with the IHE's mission and/or Master Plan.

VI. PARTNERSHIP ARRANGEMENTS FOR LIBERTY PARTNERSHIP APPLICATIONS

Eligible applicants will form a partnership with a local educational agency. In addition to a local educational agency, the eligible applicant must also include a not-for-profit community based organizations (CBO) in the partnership. In order to be a qualifying partnership, the partnership must meet the following requirements:

1. Consist of an eligible lead applicant (IHE*), a local educational agency (LEA), and a not-for-profit CBO.
2. The partnership must be evidenced by a signed partnership agreement signed by all parties to the agreement.
The completed and signed Partnership Agreement must be submitted with the application. If an agreement is not submitted, the application will be disqualified. If a partnership agreement is not signed by all parties to the agreement, it will not be evaluated for scoring purposes and the application will be disqualified.
3. Contract awards granted to applicants will be prepared in the name of the applicant. The applicant will act as the fiscal agent. Although SUNY and CUNY colleges may use their respective “Research Foundation” as their fiscal agent if they receive a LPP award, the Research Foundation is not a degree-granting institution and therefore cannot itself be the applicant. In the event a SUNY or CUNY College wins an award and that college has chosen to use the Research Foundation as their fiscal agent, the standard process is that a grant contract is written for ‘RF <SUNY/CUNY> on behalf of <specific SUNY/CUNY College>.’ Ultimately, the College bears responsibility for program operations, for fiscal decisions, and fiscal and performance reports. The applicant must be the principal communicant with NYSED regarding the LPP project;
4. A sample partnership agreement is attached as Appendix 3. The purpose of the sample is to assist applicants in the development of their partner agreements. However, it must be adapted to the applicant’s particular program. Otherwise, it may be an indicator of a weak partnership agreement. Specific requirements regarding student data sharing must be included in the partnership agreement with the provision that each partner adheres to required confidentiality restrictions regarding the public disclosure of any protected information.
5. The partnership agreement must contain the following elements:
 - (a) Designate the lead IHE to serve as the applicant and fiscal agent for the grant.
 - (b) Specify all of the services each of the partners is required to provide and when they are expected to do it.
 - (c) Require the sharing of sufficient student and operational data to ensure that appropriate services are provided to eligible students, and that such services can be evaluated as to their educational impact.
 - (d) **Is signed by all of the parties to the agreement when the application is submitted.**

6. The applicant must receive and administer the grant funds and submit the required reports to account for the use of grant funds;
7. The applicant must be an active member of the partnership.
8. The applicant/fiscal agent cannot act as a flow-through for grant funds to pass to other partners and third parties. The applicant should provide a minimum of 55% of direct cost services to the program, meaning at least 55% of the annual budget should be allocated to line items other than Purchased Services, including BOCES Purchased Services.
9. The applicant is PROHIBITED from sub-granting funds to other recipients. A sub-grant occurs when the applicant delegates programmatic decision making or responsibility for achieving program goals to a third party. The applicant is fully responsible for compliance with program requirements and achievement of program objectives.
10. The applicant is permitted to sub-contract for services with other partners or consultants to provide services that the applicant cannot provide itself but are part of the program objective.
11. The applicant shall take full responsibility for the acts and omissions of its partners and subcontractors. Nothing in the partnership agreement or subcontract shall impair the rights of NYSED under its agreement with the applicant. No contractual relationship shall be deemed to exist between the partner/subcontractor and NYSED.
12. The applicant is responsible for the performance of any service provided by the partners, consultants, or other organizations and must coordinate how each entity plans to participate.

VII. PUBLIC RELATIONS/ATTRIBUTIONS OF FUNDING

In order to ensure the continued support and the commitment of resources to State-funded Liberty Partnerships Program projects, there must be public awareness of the program's positive impact on the lives of project participants and their families, schools, and communities. Positive publicity and community awareness also help to ensure that those who are eligible and who could benefit from participation are informed of the project's existence.

To facilitate public awareness, all funded Liberty Partnerships Program projects are required to ensure that all public relations materials, websites, and program related activities acknowledge that the project and its activities are supported, in whole or in part, by a grant from the New York State Education Department. In addition, when local, statewide, or national media report on the project's success or on honors received by students or staff, New York State Education Department funding must be acknowledged.

In addition, the project director should submit copies of all local, statewide, or national media stories about the project and/or the project participants and staff to the State Education Department at the following address:

NYSED reserves the right to:

1. Reject any or all proposals received in response to the RFP;
2. Withdraw the RFP at any time, at the agency's sole discretion;
3. Make an award under the RFP in whole or in part;
4. Disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP;

13. Utilize any and all ideas submitted in the proposals received;
14. Unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening;

15. Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offerer's proposal and/or to determine an offerer's compliance with the requirements of the solicitation;
16. To request best and final offers.

IX. VENDOR RESPONSIBILITY, M/WBE, AND ADDITIONAL REQUIREMENTS

Vendor Responsibility

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, NYSED must make an affirmative responsibility determination. The factors to be considered include: legal authority to do business in New York State; integrity; capacity- both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a Vendor Responsibility Questionnaire. School districts, Charter Schools, BOCES, public colleges and universities, public libraries, and the Research Foundation for SUNY and CUNY are some of the exempt entities. For a complete list, see: http://www.osc.state.ny.us/vendrep/resources_docreq_agency.htm.

NYSED recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/info_vrsystem.htm or go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ciohelpdesk@osc.state.ny.us.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact NYSED or the Office of the State Comptroller's Help Desk for a copy of the paper form.

Subcontractors:

For vendors using subcontractors, a Vendor Responsibility Questionnaire and a NYSED vendor responsibility review are required for a subcontractor where:

- the subcontractor is known at the time of the contract award;

- the subcontractor is not an entity that is exempt from reporting by OSC; and
- the subcontract will equal or exceed \$100,000 over the life of the contract

MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISE (M/WBE)

Participation Goals Pursuant to Article 15-A of the New York State Executive Law

The following M/WBE requirements apply when an applicant submits an application for grant funding that exceeds \$25,000 for the full grant period.

All forms referenced here can be found in the M/WBE Documents section at the end of this RFP.

All applicants are required to comply with NYSED's Minority and Women-Owned Business Enterprises (M/WBE) policy. Compliance can be achieved by one of the three methods described below. Full participation by meeting or exceeding the M/WBE participation goal for this grant is the preferred method.

M/WBE participation includes services, materials, or supplies purchased from minority and women-owned firms certified with the NYS Division of Minority and Women Business Development. Not-for-profit agencies are not eligible for this certification. For additional information and a listing of currently certified M/WBEs, see <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=4687>

The M/WBE participation goal for this grant is 30% of each applicant's total discretionary non-personal service budget each year of the grant. Discretionary non-personal service budget is defined as total budget, excluding the sum of funds budgeted for:

1. Direct personal services (i.e., professional and support salaries) and fringe benefits; and
2. Rent, lease, utilities and indirect costs, if these items are allowable expenditures.

The M/WBE Goal Calculation Worksheet is provided for use in calculating the dollar amount of the M/WBE goal for this grant application.

All requested information and documentation should be provided at the time of submission. If this cannot be done, the applicant will have thirty days from the date of notice of award to submit the necessary documents and respond satisfactorily to any follow-up questions from the Department. Failure to do so may result in loss of funding.

METHODS TO COMPLY

An applicant can comply with NYSED's M/WBE policy by one of three methods:

1. Full Participation - This is the preferred method of compliance. Full participation is achieved when an applicant meets or exceeds the participation goals for this grant.

COMPLETE FORMS:

M/WBE Goal Calculation Worksheet

M/WBE Cover Letter

M/WBE 100 Utilization Plan

M/WBE 102 Notice of Intent to Participate

2. Partial Participation - Partial Request for Waiver - This is acceptable only if good faith efforts to achieve full participation are made and documented, but full participation is not possible.

COMPLETE FORMS:

M/WBE 100 Utilization Plan

M/WBE 101 Request for Waiver

M/WBE 102 Notice of Intent to Participate

M/WBE 105 Contractor's Good Faith Efforts

3. No Participation - Request for Complete Waiver - This is acceptable only if good faith efforts to achieve full or partial participation are made and documented, but do not result in any participation by M/WBE firm(s).

COMPLETE FORMS:

M/WBE Goal Calculation Worksheet

M/WBE Cover Letter

M/WBE 101 Request for Waiver

M/WBE 105 Contractor's Good Faith Efforts

GOOD FAITH EFFORTS

Applicants must make a good faith effort to solicit NYS certified M/WBE firms as subcontractors and/or suppliers to achieve the goals for this grant. Solicitations may include, but are not limited to: advertisements in minority and women-centered publications; solicitation of vendors found in the NYS Directory of Certified Minority and Women-Owned Business Enterprises (see <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=4687>); and the solicitation of minority and women-oriented trade and labor organizations.

Good faith efforts include actions such as setting up meetings or announcements to make M/WBEs aware of supplier and subcontracting opportunities, identifying logical areas of the grant project that could be subcontracted to M/WBE firms, and utilizing all current lists of M/WBEs who are available for and may be interested in subcontracting or supplying goods for the project.

Applicants should document their efforts to comply with the stated M/WBE goals and submit this with their applications as evidence. Examples of acceptable documentation can be found in form M/WBE 105, Contractor's Good Faith Efforts. NYSED reserves the right to reject any application for failure to document "good faith efforts."

REQUEST FOR WAIVER

When full participation cannot be achieved, applicants must submit a Request for Waiver (M/WBE 101). Requests for Waivers must be accompanied by documentation explaining the good faith efforts made and reasons they were unsuccessful in obtaining M/WBE participation.

NYSED reserves the right to approve the addition or deletion of subcontractors or suppliers to enable applicants to comply with the M/WBE goals, provided such addition or deletion does not impact the technical proposal and/or increase the total budget.

All payments to Minority and Women-Owned Business Enterprise subcontractor(s) should be reported to the NYSED M/WBE Program Unit using the M/WBE 103 Quarterly M/WBE Compliance Report. This report should be submitted on a quarterly basis and can be found at www.oms.nysed.gov/fiscal/MWBE/forms.html.

NYSED's M/WBE Coordinator is available to assist applicants in meeting the M/WBE goals. The Coordinator can be reached at MWBE@mail.nysed.gov.

Equal Employment Opportunity Reporting (EEO) Pursuant to Article 15-A of the New York State Executive Law

Applicants must complete and submit form EEO 100: Staffing Plan.

Workers' Compensation Coverage and Debarment

1. New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors

that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage prior to issuing any permits or licenses, or prior to entering into contracts.

2. Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL. Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

3. **Proof of Coverage Requirements**

- a. The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.

4. **Proof of Workers' Compensation Coverage**

- a. To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:
- b. Form C-105.2 – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or Form U-26.3 issued by the State Insurance Fund; or
- c. Form SI-12– Certificate of Workers' Compensation Self-Insurance; or Form GSI-105.2 Certificate of Participation in Workers' Compensation Group Self-Insurance; or
- d. CE-200– Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage.

5. **Proof of Disability Benefits Coverage**

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- a. Form DB-120.1 - Certificate of Disability Benefits Insurance; or
- b. Form DB-155- Certificate of Disability Benefits Self-Insurance; or
- c. CE-200— Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage.

For additional information regarding workers' compensation and disability benefits requirements, please refer to the New York State Workers' Compensation Board website at:

<http://www.wcb.ny.gov/content/main/Employers/busPermits.jsp>

Alternatively, questions relating to either workers' compensation or disability benefits coverage should be directed to the NYS Workers' Compensation Board, Bureau of Compliance at (518) 486-6307.

X. NOT-FOR-PROFIT (NFP) PROMPT CONTRACTING

Chapter 166 of the Laws of 1991 added Article XI-B (The Prompt Contracting Law) to the State Finance Law promoting prompt contracting with NFP organizations.

More specifically, the Prompt Contracting Law sets time frames for processing contracts and related documents; provides for written directives, waivers of interest, and advances/loans to Not-for-Profits (NFPs) when those time frames cannot be met; and requires interest payments to NFPs when contract payments are late due to untimely processing of contracts and no advance or loan was provided. For information on loans for NFPs from the Short-Term Revolving Loan Fund, refer to Bulletin A-268. This bulletin explains the procedure to follow when contracting with NFPs.

Chapter 648 of the Laws of 1992 made several changes to Article XI-B. The 1992 revisions provided more reasonable time frames for processing local grant awards and federally funded contracts; allowed for State agencies and NFPs to waive interest payments under certain circumstances; eliminated interest penalties for contracts executed and funded in whole or in part for services rendered in a prior fiscal year; and limited the amount of time a State agency may suspend time frames to four and one-half months.

Chapter 292 of the Laws of 2007 added further amendments to Article XI-B. The 2007 amendments prohibit State agencies from requiring NFPs, as a prerequisite of the execution of a contract, to waive claims for interest that would otherwise be due; provide that a contract is deemed to continue, and the contract remains in effect when a State agency does not timely notify an NFP of an intent to terminate the contract; require that any waivers of interest be subject to the Office of the State Comptroller's (OSC's) approval and provide for the calculation and payment of interest to NFPs when OSC non-approves a waiver of interest; require State agencies to report prompt contracting information to OSC for inclusion in annual reports; and expand the NFP contracting advisory committee to sixteen members, require meetings at least quarterly, and expand the scope of the committee's responsibility.

A key objective of the Prompt Contracting Law is to expedite the contract process, and corresponding payments with NFPs to avoid service interruptions and financial hardships for these organizations. OSC advises that State agencies take measures to ensure compliance with the requirements of the Prompt Contracting Law. To this end, State agencies should maximize their use of the standard contract boilerplate, including simplified renewal documents, written directives, and valid waivers of interest when contracting with NFPs.

State agencies utilizing waivers of interest should ensure that the waiver is signed and dated by the NFP, includes an explanation for the retroactive contract start date, and satisfies required time frames set by the law.

Note: The Prompt Contracting Law requirements pertain to all grant contracts with NFPs, including those that fall below the \$50,000 threshold for the Comptroller's prior approval.

XI. FUNDING LIMITATIONS

The specific amount of awards depends upon the legislative appropriation and the review and approval of an institution's application for funding by the State Education Department. While these guidelines call for a five-year narrative proposal, applicants are required to submit a one year budget for the period January 1, 2018 - August 31, 2018 using [Form FS-10](#).

Funding in years two through five is dependent on satisfactory performance, legislative appropriation, and the submission of an updated proposed project budget approved by SED.

According to State Education Law § 612 “A grant to a recipient of an award under this section shall not exceed the amount of three hundred thousand dollars for any grant year, provided that a recipient may receive a grant in excess of such amount at the rate of twelve hundred fifty dollars for each student, in excess of two hundred forty students, who is provided compensatory and support services by the recipient during such grant year...” To comply with Education Law § 612 (4) (b), grants in excess of \$300,000 are subject to additional limitations. First, the maximum per student budget submission is \$1,250. Second, there will be an automatic statutory budget adjustment to these grants in the event the grantee does not maintain sufficient enrollment to maintain a \$1,250 cap per student for budgeted amounts in excess of \$300,000 in any grant year.

For the period January 1, 2018 through August 31, 2018, the maximum award will be \$350,000 for projects that propose to serve at least 280 students at a rate of \$1,250 per participant. The minimum award amount will be \$81,617 to serve at least 65 students.

The entire project budget is subject to adjustment on a proportional basis if the project does not attain enrollment goals by the interim report. For example, if the actual roster is 94% of the projected number, the grantees’ budget may be reduced by 6% in the year of the deficiency.

Each funded project is expected to meet its budgeted enrollment figure. If actual enrollment is less than 95% of the budgeted enrollment, the project will be placed on probation in the next project year. Projects may have their grant withdrawn if they fail to maintain satisfactory progress to maintain their budgeted enrollment figure. See “Probation/ Grant Suspension” section of the RFP.

Note: Grant funds must be expended on allowable activities in accordance with the approved budget and in accordance with the applicable cost principles. Further, Budget allocations in future years are subject to review.

All funding requests meeting the eligibility criteria will be reviewed at the time of submission of an application. If specific costs are deemed unreasonable or unnecessary for an LPP program, NYSED in collaboration with the proposed LPP Project Director will modify the proposed budget to include only allowable expenses.

Additional Funding for the Program

For an increase in available funding:

A. If new or additional funding becomes available in years 1 or 2, and NYSED chooses to distribute this funding to applicants of this current RFP, NYSED will allocate the funds in this order by:

- i. Making whole any funded programs that have received a partial award;

ii. Approving awards, in rank order, for eligible applicants who received passing scores, but who did not rank high enough to receive the initial funding. If there are funds remaining that will not fully support the next highest-ranking application, that applicant will be given the opportunity to receive a partial award so long as the award is not less than \$81,617.

iii. Allocating funds among already awarded programs to serve additional students. NYSED will offer awarded programs the opportunity to serve additional students based on the per student maximum request amounts outlined in this Funding Limitations section of the RFP. This opportunity will be offered to all awarded programs that have not fallen below 95% of their enrollment goal, according to the most recently submitted rosters of students (see the Shortfalls in Enrollment Goals section below). Maximum request amounts will be established by distributing funding proportionally (based on total annual budget) to those institutions that accept the opportunity to serve additional students.

Such plan will be subject to review and approval by the Office of the State Comptroller.

B. In the event there are remaining funds in year 1 and 2 (after making awards described in the preceding paragraph) or if additional funds become available in years 3-5, NYSED may allocate the grant funds in a manner that best serves programs needs as determined by the Department. Such plan will be subject to review and approval by the Office of the State Comptroller.

Reduced Funding for the Program

Should the enacted NYS budget reduce the funds available for the Liberty Partnerships Program, a proportional reduction will be borne by all programs based upon the proportion of the funds received and the amount of the reduction. Impacted projects could reduce their service population commensurate with the reduction in funding.

XII. BUDGET

A. Use of Funds:

According to Education Law § 612 ... allowable costs under this program shall include, ... salaries of program personnel, including graduate student stipends; transportation costs for students and program personnel; instructional materials; reimbursement to school districts for release time granted to employees while participating in the planning and development of activities funded pursuant to this section; training of program personnel; costs related directly to program services, including summer and weekend activities; and administrative costs directly attributable to the program.

1. Activities funded under a LPP award will be administered pursuant to a written contract between NYSED and the funded IHE.

a. Adjustments to an award amount will occur if items within the proposed budget are deemed to be non-allowable or inappropriate.

2. Delivery of services may include partnership goods and services by the IHE with LEAs, not-for-profit, and/or community-based organizations.
3. No LPP funds may be used for purposes which have not been described in the proposal. Amendments to the proposal during the course of the year that involve changes in the manner in which LPP funds are expended must have prior written approval from NYSED.
4. Program changes impacting service delivery and project continuity must have prior written approval from NYSED-LPP.

B. Allowable Expenses:

Allowable direct costs include the following:

1. **Program administration**, including as allowable: professional and non-professional salaries, fringe benefits, staff travel, purchased services/consultant services, cost sharing for required fingerprinting for LPP staff up to 50%, required membership fees, LPP regional and statewide professional development; reimbursement for “release time” for school personnel engaged in program planning and implementation reported as a purchased service.
2. **Program activities**, including as allowable: participant field trips, LPP student conference expenses, program achievement/awards, project brochures/materials and promotional activities, and activities fees for participants, standardized tests/instruction fees for participants, expenses related to program attendance such as participant transportation, and evaluation materials and activities. Out of state travel requires prior approval by SED.
3. **Student classroom supplies**, needed for direct academic remediation and skill development.
4. **Participation in a statewide evaluation program**. For the purpose of this RFP, the required independent evaluator is a vendor (purchased services), NOT a partner.
5. **Administrative and instructional supplies, materials, and equipment and durable goods**; including instructional or administrative computer software and computers, lab equipment, etc., which are used principally in the operation and administration of the LPP project.
 - a. When equipment or durable goods are purchased with LPP funds, it is the responsibility of the institution to ensure that the LPP Durable Goods Inventory Form, found in Appendix 4, is completed and that a copy is submitted to NYSED.
 - b. If a program closes, any equipment or durable goods purchased with LPP-NYSED funds must be released for transfer to another LPP program so that equipment or durable goods continue to support LPP students. NYSED staff will assist in coordinating the accountability and transfer of such equipment or durable goods.

C. Indirect Expenses:

For eligible IHE's, funds for indirect expenses provided by the LPP award may not exceed eight percent (8%) of total LPP grant contract expenditures. Indirect costs cannot be charged on the following items:

- 1. Equipment purchases**
- 2. Stipends/honoraria**
- 3. Tuition**
- 4. The amount exceeding \$25,000.00 of each subcontract**

Costs: (In your application it is helpful if you **BOLD TYPE** the cost(s) not included in the calculation of the modified direct cost base in Code 49 of the FS-10).

For eligible not-for-profit community based organizations, an indirect cost rate of up to 2.6% may be used for indirect expenses. Such organizations may apply to the Department's Grants Finance Unit for a higher indirect cost rate for their project. Contact [NYSED's Grants Finance Unit](#) for more information. For profit organizations are not allowed to claim indirect costs on grants/grant-contracts.

D. Fringe Benefits:

The rate for fringe benefits cannot exceed the actual rate paid by the institution for benefits actually received by the covered employee. As only administrative costs directly attributable to the program are allowed by law, it is not permissible to deduct fringe benefits costs for employees who do not receive the benefits. For CUNY and SUNY institutions, the maximum rate that will be considered is the rate allowed by the New York State Comptroller's Office (OSC).

E. Non-Allowable Activities and Costs:

1. Liberty Partnerships Program funds are intended to establish new efforts or to enrich or expand existing ones. They may not be used to supplant funding of other existing efforts and should not cause the reduction of instructional hours or any other service LPP students would otherwise receive.
2. LPP funds may not be used for purposes other than those described in the approved grant contract.
3. Flow-through funds are not permitted. A flow through is defined as an entity that passes funds on to another entity without providing the primary service for which the funds were provided.
4. Interest and finance charges incurred by the grant contract recipient are not allowed for reimbursement.
5. Funds cannot be used to pay for student's participation in program activities, except as provided in the description of allowable costs.

6. LPP funds cannot be used to pay for the salary or stipend of the Liberty Partnerships Program Director's Supervisor or someone designated as a Principal Investigator for the grant contract.
7. LPP funds cannot be used to purchase or rent space to house the Liberty Partnerships Program.

F. LPP Payment Schedule:

Activities funded under a LPP award will be administered pursuant to a written contract between NYSED and the funded applicant institution or applicant lead institution of a consortium. An institution awarded a contract and accepting LPP funds must submit an annual budget and budget narrative, for the first year and each succeeding year in a form and manner prescribed by LPP-SED. All FS-10, FS10A, FS25, and FS10F, must include an original signature, in blue ink, of the Campus President or individual authorized in writing to sign on behalf of the Campus President. If using a designee, a letter from the Campus President must accompany the initial FS10 designating that individual as the authorized signatory. Regardless of the use of a designee, the Campus President is still ultimately responsible for the proposed and actual expenditures of New York State funds.

Note: The Grant Contract is approved when it has been signed by the IHE's Chief Executive Officer, the New York State Education Department, the Office of New York State Attorney General, and the New York State Office of the State Comptroller.

G. Transfer of Funds:

Failure to follow these procedures may result in the disallowance of all expenditures not previously approved by LPP-SED.

1. Consistent with the Fiscal Guidelines for Federal and State Grants, budget transfers must be requested using Form FS-10-A: Proposed Amendment for a Federal or State Project.
2. All FS-10-A forms must be submitted anytime between the start date of any funding year and June 30th.
3. An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may still be subject to the approval of the Attorney General and the Office of the State Comptroller where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in the contract.
4. Funds must not be expended until the budget/contract amendment has been approved in writing.

Note: Failure to follow the procedures outlined above may result in the disallowance of all expenditures not previously approved by SED.

H. Allocations to Collaborating Agencies:

Activities funded through the Liberty Partnerships Program will be administered pursuant to a written grant contract between the State Education Department and the selected applicant. Funding requests for the delivery of direct student services may include allocations by the selected applicant with collaborating agencies including: the LEA(s), the IHE, partner not-for-profit community-based organizations, partner schools, and other postsecondary education institutions.

I. Grant Contract Amendments:

The grant contract may be amended with the consent of the State Comptroller. Amendments to the grant contract which involve increases in dollar amount, changes in scope or in the way LPP funds are expended must have prior written approval from the same. Only expenses incurred for activities included in the approved or amended budget will be reimbursed by the State.

J. Records Retention:

- a. All LPP related institutional records, including student and fiscal records, are subject to audit by the State Education Department and the Office of the State Comptroller, or an agency designated by one of the above.
- b. Fiscal records, including those identifying an expense of LPP funds, must be maintained for six full years, or longer if required by institutional policy or practice.
- c. Student records must be maintained for six years after the student graduates or exits the program, whichever is later.
- d. Audit or litigation will "freeze the clock" for records retention purposes. Supporting documentation related to an issue under audit or litigation must be retained until resolved or the above general rule for record retention, whichever is longer.

K. Charging For Project Services:

Projects must be equally accessible to all students targeted for services. Projects may not prohibit any family from participating in LPP programming due to their financial situation. The priority of the project is to deliver a continuum of twelve-month programs and services to benefit students and families in grades 5-12. Projects may plan to collect revenue from specific activity related fees only. Those fees must be used to fund project activities outside the funded scope of the approved LPP budget, and cannot be collected without prior written approval from NYSED. No general

registration, membership, or participation fees are allowed. Additionally, to the greatest extent possible external fundraising should be exhausted prior to the collection of any fee from a student or family.

For further information on the treatment of program income, see **Section 11:**

<http://www.oms.nysed.gov/cafe/guidance/Guide.html>

L. Budget (FS-10)

The application must include an FS-10 Budget Form for the first year of the program. Please remember that travel costs for program employees should be itemized under Travel Expenses; travel for consultants should be itemized under Purchased Services.

Budgets (FS-10)

- a. The application must include an FS-10 Budget Form for the first year of the program (January 1, 2018- August 31, 2018).
- b. Each institution receiving a LPP award will be required to submit a FS-10 and Budget Narrative prior to the beginning of each subsequent program year. This is due to LPP-SED no later than July 15 for the program year beginning September 1, 2018. The FS-10 and Budget Narrative must be approved by SED prior to the requesting of any funds by the institution.
- c. General descriptions of expenditures, allowable costs (subject to the limitations set forth in Section X), applicable federal cost principles and administrative regulations are available in the [Fiscal Guidelines for Federal and State Aided Grants](#) .

Adjustments to the award will occur if items within the proposed budget are deemed to be non-allowable or inappropriate.

Not-for-Profit Applicants:

The initial payment of 25% will be made upon approval of the contract.

Subsequent payments would be made following the submission and approval of an FS-25 form. The final payment of 10% occurs upon the approval of the Final Program and Expenditure Report (FS-10F).

XIII. PROJECT OPERATIONAL GUIDELINES

A. Operation Dates

The operation dates for the first year of this proposal will be January 1, 2018 through August 31, 2018. Expenses incurred prior to January 1, 2018, or after August 31, 2018, will not be reimbursed.

B. Required Reports

Each institution receiving a LPP award will be required to submit two project reports annually; a mid-year assessment and a final report to the LPP Program Liaison. The report elements and format for the mid-year assessment and the final report will be provided by NYSED.

For each year except the first year, the mid-year assessment, covers project activities from September 1 to February 15, will be due March 15. In the first year, the mid-year assessment, covers project activities from - January 1 to February 15, will be due March 15. In addition to other specified requirements, the mid-year assessment will include a roster of all participants enrolled in the project on February 15 in each project year. The final report, which reflects on all project operations and project accomplishments, will be due September 30 of each year, in a format specified by the State Education Department. Late submissions of budgetary forms and reports may result in the suspension of funds. No extensions may be granted for submission of the final report.

Each funded LPP project is obligated to participate in the statewide evaluation of overall performance of the program. The LPP program liaison(s) will work with the LPP director's consortium to develop the evaluation standards in accordance with 8 NYCRR 55.3 (d).

C. PROBATION/GRANT SUSPENSION

Projects will be placed on probation for failure to meet the following performance outcomes.

a) Achievement of the Student Performance Targets will be based on the final report data.

<u>Measure</u>	<u>Outcome</u>
Student Persistence Rate & Graduation	95% or more
Dropout Rate	Not to exceed the dropout percentage of individual partner LEA(s)
Student Enrollment	95% or more of Target Enrollment

If these measures are not achieved for any one project year then the project will be placed on probation. If the project then complies with LPP guidelines and/or meets the performance standards or meets their corrective action plan the project will then be removed from probationary status. If the project is not removed from probationary status after two consecutive years the grant may be terminated. The foregoing does not limit NYSED's other rights to terminate the program in accordance with NYSED standard contract language. The LPP student cohort's dropout rate cannot exceed the dropout rate of the partner LEA(s).

1. NYSED will notify the Project Director and the Chief Executive Officer in writing of the Project's probationary status.

2. The term of probation will be for one or two years.
3. The Project Director will be required to submit a corrective action plan for approval by the Program Officer.
4. Probationary Projects may receive reduced funding or have their grant withdrawn if they fail to make satisfactory progress within the established time frame.

XIV. APPLICATION REVIEW AND RATING PROCESS

A. Method of Determining Award

1. Given the level of appropriated funds, it should be possible to fund at least two LPP projects even if all projects request the maximum level of award. It is the intent of this RFP to support the two highest ranking applicants if appropriated funds allow.

Applicants who score below 45 points on the Technical (Abstract, Need for Project, and Proposal Narrative) section will not be eligible for a full review nor will they receive a LPP award.

In addition, applicants need a combined (Technical & Budget) score of 60 or more points out of 100 total points to be considered for funding.

Each eligible proposal will be reviewed by at least two reviewers. Each reviewer will score the proposal according to the indicated point criteria in the Technical Section, using the Evaluation Rubric and the criteria in the Budget Section. If individual scores are more than 15 points apart, another reviewer will rate the application. In those cases, the three scores will be averaged to calculate the final average score of the application. Grant contracts will be awarded in rank order of the highest score to lowest score. In the event of a tie score, the following will constitute the tie break criteria:

- a. Highest Technical score, if scores are equal then;
- b. the Proposal Narrative score, if scores are equal then;
- c. the highest Need for Project score.

The contract issued pursuant to this RFP will be awarded to the applicants whose aggregate Technical and Budget scores are the highest among all the proposals rated. Successful applicants will receive the full amount of their proposed budget (within the funding limitations), if the state appropriation allows.

The maximum award will be \$350,000 for projects that propose to serve at least 280 students at a rate of \$1,250 per participant. The minimum award amount will be \$81,617 to serve at least 65 students at a rate of \$1,250 per participant.

The New York State Education Department reserves the right to adjust the award amount and limit the number of students a project can enroll. If an eligible applicant refuses to accept the award at the adjusted amount, the next eligible applicant will be canvassed.

B. Notification of Award

1. All applicants will be notified regarding the disposition of their proposal in writing.
2. Successful applicants will be informed of the amount of their award and next steps in the Grant Contract process.
3. Applications of projects in the last application cycle, which are not recommended to receive a Grant Contract, will be notified in writing of the necessary actions needed to close their respective project.
4. Applicants not recommended for funding may request a summary of reviewer comments (see description in the debriefing procedure below).

C. Post Selection Procedures

Upon selection, the successful applicant will enter into negotiations for a contract with NYSED. The contents of this RFP, any subsequent correspondence related to final contract negotiations, and such other stipulations as agreed upon may be made a part of the final contract developed by NYSED. Successful applicants may be subject to audit and should ensure that adequate controls are in place to document the allowable activities and expenditure of State funds.

D. Debriefing Procedures

Only unsuccessful applicants may request a debriefing within ten (10) business days of the postmarked date of the notice of non-award from NYSED. Applicants may request a debriefing letter on the selection process regarding this RFP by submitting an email request to: LPPRFP@nysed.gov

A summary of the strengths and weaknesses of the application, as well as recommendations for improvement will be emailed back to the applicant within ten (10) business days.

E. Contract Award Protest Procedure

Applicants who receive a notice of non-award and have requested and received a debriefing letter may protest the NYSED award decision subject to the following:

1. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.
2. The protest must be filed within ten (10) business days of the postmark date of a debriefing letter. The protest letter must be filed with:

NYS Education Department
Contract Administration Unit
Attn: Richard P. Duprey, GC#17-005
89 Washington Avenue
Room 505W EB
Albany, NY 12234

3. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED's Office of Counsel, CAU, and PCPPU. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel's Office will provide the applicant with written notification of the review team's decision within seven (7) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.
4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

Appendix VIII- M/WBE Documents

M/WBE Goal Calculation Worksheet

Project Name: Liberty Partnerships Program 2017-2022

Applicant Name: _____

The M/WBE participation for this grant is 30% of each applicant's total discretionary non-personal service budget over the entire term of the grant. Discretionary non-personal service budget is defined as the total budget, excluding the sum of funds budgeted for direct personal services (i.e., professional and support staff salaries) fringe benefits, indirect costs for the lead, as well as Student Stipends /Tuition if these are allowable expenditures.

For the purposes of this RFP, direct personal services exclusions apply to the expenses of the lead applicant as well as any other members of the partnership. For example, the salaries of project staff employed by the IHE, LEA and CBO partners should be excluded from the total budget, along with the lead applicant's project staff salaries, when calculating the discretionary non-personal service budget. Therefore, **lines 2-4 below will include any project salaries and fringe benefits of the lead applicant AND members of the partnership.** (Please note that the indirect costs of partner organizations are not allowable expenses under this grant program.)

Please complete the following table to determine the dollar amount of the M/WBE goal for the 2017-2018 project year.

	Budget Category	Amount budgeted for items excluded from M/WBE calculation	Total (Year 1)
1.	Total Budget		
2.	Professional Salaries		
3.	Support Staff Salaries		
4.	Fringe Benefits		
5.	Indirect Costs (lead applicant only)		
6.	Student Stipends /Tuition		
7.	Sum of lines 2, 3, 4, 5 and 6		
8.	Line 1 minus Line 7		
9.	M/WBE Goal percentage (30%)		0.30
10.	Line 8 multiplied by Line 9 =MWBE goal amount		

This form is only for use with the Liberty Partnerships Program 2017-2022. It may not be used with any other grant program.
