# **Mentor Teacher Internship Program Application Guidance**

## **Description of Program**

### **Program Purpose**

The NYS Mentor Teacher Internship Program (MTIP) was established in 1986 by amendment to Education Law 3033, Chapter 436. The New York State Legislature provides funding for the development and implementation of State-supported mentor teacher internship programs in local school districts and through boards of cooperative educational services (BOCES).

These programs enable experienced teachers (mentors) in a district or BOCES to provide guidance and support to beginning teachers (interns) in their first and/or second year of teaching. It is anticipated that the induction provided will engage teachers in a productive and satisfying teaching and learning experience. Induction should be designed to enhance teachers' skills and increase the likelihood of their remaining in the teaching profession.

Mentors holding the Professional certificate may be able to satisfy some of their required hours of Continuing Teacher and Leader Education by fulfilling their mentoring responsibilities.

### **Essential Components of the Mentor Teacher Internship Program**

**The essential components of the Mentor Teacher Internship Program, pursuant to Section 3033 of the Education Law and Part 85 of the Regulations of the Commissioner of Education (see Appendix 1), are consistent with the [New York State Mentoring Standards](#) and include, but are not limited to:**

- Program focus on the mentor/intern relationship which develops throughout the project year, as the mentor guides the new teacher to self-assessment, professional confidence, and independence
- Joint development by school administration and local certified or recognized teachers' employee bargaining agent
- Release time for interns and mentors
- Selection of mentors and interns
- Training for mentors and interns
- Activities and role of the mentors
- Activities and role of the interns
- Role of building principals
- Program evaluation
- Program management

## Summary of Statutory Requirements

- To be eligible for an award, all school districts and BOCES submitting applications for this RFP must include in the description of the district internship plan how the needs of the interns for training and support will be assessed, the training, and how the mentors will guide and support their interns.
- The internship plan is developed and negotiated with local teacher bargaining units in accordance with Article XIV of NYS Civil Service Law.
- A list of teachers to serve as mentors must be developed by a selection committee consisting of a majority of classroom teachers chosen by the certified or recognized teachers' employee bargaining unit.
- Interns and mentors must be released from at least 10 percent of their instructional duties to participate in the program.
- Mentors must exhibit superior pedagogical skills, superior subject matter skills, excellent teaching abilities, and interpersonal relationship qualities. They must also demonstrate a willingness to participate in the program.
- The BOCES superintendent or district superintendent is responsible for assigning mentor teachers and first or second year teachers to work together.
- Mentor designations
  - **Part-time mentors:** Part-time mentors' duties are to be reduced by at least 10 percent for each intern served. Persons designated as part-time mentors shall carry at least a 60 percent classroom instruction assignment.
  - **Full-time mentors:** Persons designated as full-time mentors must spend 100 percent of their time in mentor service.
  - **Full-time mentor restriction:** Teachers serving as full-time mentors may do so for only two school years within any consecutive five school years. It is recommended that each mentor designated as full-time should serve no fewer than five interns and no more than ten interns during the project year.

## Program Policy

- Districts may hire retired teachers as full-time mentors under the following conditions. Districts should be aware of issues relating to hiring retired teachers and the effect it may have on their retirement benefits.
  - The statutory and regulatory requirements for the MTIP are met, including the district internship plan requirements.
  - The retired teachers must:
    - have retired from the district in which they will serve as a mentor,
    - be hired within five years of their retirement date, and

- participate in mentor training.

## **Definitions**

**Intern:** A full-time teacher with no greater than a 90 percent classroom instructional assignment, employed by a public school district or a BOCES having an approved internship plan, in their first or second year of service in a specific certificate title, holding a valid Initial certificate.

**Mentor:** A teacher holding a Professional or Permanent certificate in the same certificate title or area as the intern\*, having demonstrated their mastery of pedagogical and subject matter skills, given evidence of superior teaching abilities and interpersonal relationship qualities, and indicated willingness to participate as a mentor.

**\*Special Note:** If no appropriately certified mentor is available in the district or BOCES, a teacher who holds a Professional or Permanent certificate in a different certificate title than that of the intern may serve as a mentor. (See the Request for Variance form in the Proposal Packet.) Service as a mentor shall not result in any change in the mentor's tenure area or areas and shall not otherwise diminish or impair the tenure or seniority rights of the mentor teacher.

## **District and BOCES Professional Learning Plans**

The planning and design of the proposed internship should be undertaken in the context of the district's or BOCES's Professional Learning Plan, including the Continuing Teacher and Leader Education (CTLE) that they provide. Mentors holding the Professional certificate may be able to satisfy some of their required clock hours of CTLE by fulfilling their mentoring responsibilities.

## **Multi-District Cooperation**

A single school district or BOCES may not submit a grant proposal on behalf of other districts or BOCES. Applicants may, however, describe in the proposal the coordination, networking, training, and other activities that will be jointly engaged in with other districts.

## **Support from Institutions of Higher Education**

**Districts or BOCES may enter into a Memorandum of Agreement with an institution of higher education (IHE) that will offer continued support to the Intern whom the IHE recommended for teacher certification and the district or BOCES hired (Attachment 3).**

## **Funding Amounts**

Total funding for this grant for 2023-2028 is \$10 million. Annual funding is expected to be \$2 million, subject to the appropriation and availability of funds.

Funding Set-asides: Given the unique needs for teacher support and retention in the largest school districts in our state, portions of the anticipated total statewide allocation for funding have been

reserved for such districts, should they apply and qualify for funding under the NYS Mentor Teacher Internship Program. This results in a tiered approach to apportionment of anticipated funding dollars, as illustrated below.

The \$2 million first year funding will be apportioned in the following manner:

**Tier 1:** The New York City Department of Education may submit a funding request for up to \$1,016,000 (or 50.8% of the total statewide allocation of \$2 million) and funding up to that amount will be awarded, provided NYC DOE submits a qualifying application.

**Tier 2:** City school districts with populations of 100,000 or more may each submit a funding request for up to \$65,000 [total requests by this cohort not to exceed \$260,000 or 13% of the total statewide allocation] and funding up to such amount will be awarded, provided a qualifying application is submitted. This includes the city school districts of Buffalo, Rochester, Syracuse and Yonkers.

**Tier 3:** \$724,000 is available funding in year 1. Determination of grant awards for all districts/BOCES will be based on the anticipated number of new teachers to be served multiplied by 10% of the median NYS teacher salary (\$8,540). Districts or BOCES may apply for funding to support up to six qualifying new teachers. See Funding request form for guidance on calculating grant award request. Applications will be ranked and funded based on scoring of the application, highest to lowest.

If any funds allocated to Tiers 1 or 2 remain after making awards to all eligible awardees in Tiers 1 or 2, those funds will be allocated to Tier 3 until the funds remaining are insufficient to fund the next ranked application in full. The next ranked applicant with a passing score of 75 points will be given the opportunity to operate a reduced program with the remaining funds.

## **Multi-year Funding Cycle**

Successful proposals will be eligible for funding on a multi-year basis. Grant awards will remain at the previous year level per new teacher for each of the subsequent four years, with Year 1 of the funding cycle starting on July 1, 2023 and ending on June 30, 2024. Thereafter, based on a statutory and regulatory review each new project year, along with off-site (program and fiscal reports) and on-site monitoring, annual funding, contingent upon approval in the State Budget, will continue on a level consistent with Year 1 of the five-year funding cycle, based on the number of interns to be supported. In the event of any statutory or regulatory noncompliance, funding will be reviewed for reduction or it may be totally rescinded.

***If there is a decrease in the total statewide allocation for the Program in Year 2, 3, 4, or 5 of the cycle,*** the percentage of decrease will be applied to each district funding level from the previous year's funding.

***If there is an increase in the total statewide allocation for the Program in Year 2, 3, 4 or 5 of the cycle,*** the increased dollars will be reserved for proposals from eligible districts which received

a passing score and did not receive an award or participate in Year 1 or prior year in the cycle. Funding will continue for the remaining years of the five-year cycle, contingent upon the State Budget.

## **Payment Schedule**

An initial payment of 25 percent of grant funds will be made upon approval of the Proposed Budget (FS-10) by the Program Office and the Grants Finance Office and approval of the grant procurement record by the Office of the State Comptroller (OSC). Thereafter, up to 90 percent of grant funds will be distributed throughout the project through submission of a Request for Funds (FS-25). Final payments will be released upon submission of a Final Expenditure Report (FS-10-F). This report (FS-10-F) must be submitted directly to the Grants Finance Office by **July 31 of each contract year**.

## **Allowable Expenditures**

### **Expenditures to be Supported by Grant Funds**

Local districts and BOCES participating in the program are eligible for reimbursement for release-time costs, coordination, fringe benefits, training costs, supplies and materials, evaluation, in-state travel, and indirect costs. For indirect costs, use your rate approved by NYSED. **Equipment and remodeling costs are not allowable expenditures under this grant program.** Applicants will need to submit with their application a completed Form FS-10 for the one-year period July 1, 2023-June 30, 2024. The FS-10 and fiscal guidance are located at [Grants Finance website](#)

### **Budget (FS-10)**

Applicants must submit an FS-10 budget with this application for the initial 12-month project period. The 12-month budget will be reviewed and scored.

The applicant must complete the FS-10 Budget Form. Budgeted costs must comply with applicable State and federal laws and regulations and the Department's Fiscal Guidelines. These guidelines, as well as the FS-10 form, are available online at the [Grants Finance website](#). The FS-10 must bear the original signature of the Chief School/Administrative Officer.

Information about the categories of expenditures and general information on allowable costs, applicable cost principles and administrative regulations are available in the [Fiscal Guidelines for Federal and State Aided Grants](#).

The budget should be reasonable and appropriate to cover program expenses.

For more information, visit the [Grants Finance website](#)

## **Reporting and Monitoring**

### **Required Reports**

At a minimum, funded projects will file a **mid-year project report from July through December**, describing and outlining the rationale for activities and expenditures to date, presenting information about the nature and numbers of participating mentors and interns, and providing descriptions of any substantial revisions to the original project proposal **by February 15 of each contract year**. Such information shall be submitted in a form prescribed by the Department. Other reporting may be required if reviews of the program deem they are warranted.

In addition to filing the final expenditure report as prescribed in the Payment Schedule section, **funded projects shall file with the Department, on or before July 31 of each grant year, an Annual Program Report including an FS-10F and shall include:**

1. the names of the Interns who successfully completed the Mentor Teacher Internship Program,
2. the areas of certification/certificate titles for Mentors and Interns,
3. the certificate area and number of years of teaching experience of the Mentors,
4. a description of the teaching assignments of each Mentor and Intern,
5. a description of the Mentor training,
6. how the funding was used, types of activities conducted, and
7. evidence of results, and other evaluation and descriptive information as the Commissioner may require.

### **Requirements for Funding**

**Payee Information Form/NYSED Substitute W-9** – The [Payee Information Form](#) is a packet containing the Payee Information Form itself and an accompanying NYSED Substitute W-9. The NYSED Substitute W-9 may or may not be needed from your agency. Please follow the specific instructions provided with the form. The Payee Information Form is used to establish the identity of the applicant organization and enables it to receive federal (and/or State) funds through NYSED.

### **Entities' Responsibility**

Projects must operate under the jurisdiction of the local board of education or other appropriate governing body and are subject to at least the same degree of accountability as all other expenditures of the local agency. The local board of education or other appropriate governing body is responsible for the proper disbursement of, and accounting for, project funds. Written agency policy concerning wages, mileage and travel allowances, overtime compensation, or fringe benefits, as well as State rules pertaining to competitive bidding, safety regulations, and inventory control must be followed. Supporting or source documents are required for all grant-related transactions entered into the local agency's recordkeeping system. Source documents that authorize the disbursement of grant funds consist of purchase orders, contracts, time and effort

records, delivery receipts, vendor invoices, travel documentation and payment documents, including check stubs.

Supporting documentation for grants and grant contracts must be kept for at least six years after the last payment was made unless otherwise specified by program requirements. Additionally, audit or litigation will “freeze the clock” for records retention purposes until the issue is resolved. All records and documentation must be available for inspection by State Education Department officials or its representatives.

**For additional information about grants, please refer to the [Fiscal Guidelines for Federal and State Aided Grants](#)**

### **Accessibility of Web-Based Information and Applications**

Any documents, web-based information and applications development, or programming delivered pursuant to the contract or procurement, will comply with New York State Education Department IT Policy NYSED-WEBACC-001, Web Accessibility Policy as such policy may be amended, modified or superseded, which requires that state agency web-based information, including documents, and applications are accessible to persons with disabilities. Documents, web-based information and applications must conform to NYSED-WEBACC-001 as determined by quality assurance testing. Such quality assurance testing will be conducted by NYSED employee or contractor and the results of such testing must be satisfactory to NYSED before web-based information and applications will be considered a qualified deliverable under the contract or procurement.

### **Minority and Women-Owned Business Enterprise (M/WBE) Participation Goals Pursuant to Article 15-A of the New York State Executive Law**

*The following M/WBE requirements apply when an applicant submits an application for grant funding that exceeds \$25,000 for the full grant period.*

*All forms referenced here can be found in the M/WBE Documents section at the end of this RFP.*

All applicants are required to comply with NYSED’s Minority and Women-Owned Business Enterprises (M/WBE) policy. Compliance can be achieved by one of the three methods described below. Full participation by meeting or exceeding the M/WBE participation goal for this grant is the preferred method.

M/WBE participation includes services, materials, or supplies purchased from minority- and women-owned firms certified with the NYS Division of Minority and Women Business Development. Not-for-profit agencies are not eligible for this certification. For additional information and a listing of currently certified M/WBEs, see the [NYS MWBE Directory](#).

The M/WBE participation goal for this grant is 30% of each applicant's total discretionary non-personal service budget each year of the grant. Discretionary non-personal service budget is defined as total annual budget, excluding the sum of funds budgeted for:

1. direct personal services (i.e., professional and support staff salaries) and fringe benefits; and
2. rent, lease, utilities and indirect costs, if these items are allowable expenditures.

The M/WBE Goal Calculation Worksheet is provided for use in calculating the dollar amount of the M/WBE goal for this grant application.

All requested information and documentation should be provided at the time of submission. If this cannot be done, the applicant will have to submit the necessary documents and respond satisfactorily to any follow-up questions from the Department. Failure to do so may result in loss of funding.

## **METHODS TO COMPLY**

An applicant can comply with NYSED's M/WBE policy by one of three methods:

**1. Full Participation** - This is the preferred method of compliance. Full participation is achieved when an applicant meets or exceeds the participation goals for this grant.

### **COMPLETE FORMS:**

- M/WBE Goal Calculation Worksheet
- M/WBE Cover Letter
- M/WBE 100 Utilization Plan
- M/WBE 102 Notice of Intent to Participate
- EEO 100 Staffing Plan

**2. Partial Participation, Partial Request for Waiver** - This is acceptable only if good faith efforts to achieve full participation are made and documented, but full participation is not possible.

### **COMPLETE FORMS:**

- M/WBE Goal Calculation Worksheet
- M/WBE Cover Letter
- M/WBE 100 Utilization Plan
- M/WBE 101 Request for Waiver
- M/WBE 102 Notice of Intent to Participate
- M/WBE 105 Contractor's Good Faith Efforts
- EEO 100 Staffing Plan

**3. No Participation, Request for Complete Waiver** - This is acceptable only if good faith efforts to achieve full or partial participation are made and documented, but do not result in any participation by M/WBE firm(s).

### **COMPLETE FORMS:**

M/WBE Goal Calculation Worksheet  
M/WBE Cover Letter  
M/WBE 101 Request for Waiver  
M/WBE 105 Contractor's Good Faith Efforts  
EEO 100 Staffing Plan

## **GOOD FAITH EFFORTS**

Applicants must make a good faith effort to solicit NYS certified M/WBE firms as subcontractors and/or suppliers to achieve the goals for this grant. Solicitations may include, but are not limited to: advertisements in minority and women-centered publications; solicitation of vendors found in the [NYS Directory of Certified Minority and Women-Owned Business Enterprises](#); and the solicitation of minority and women-oriented trade and labor organizations.

Good faith efforts include actions such as setting up meetings or announcements to make M/WBEs aware of supplier and subcontracting opportunities, identifying logical areas of the grant project that could be subcontracted to M/WBE firms, and utilizing all current lists of M/WBEs who are available for and may be interested in subcontracting or supplying goods for the project.

Applicants should document their efforts to comply with the stated M/WBE goals and submit this with their applications as evidence. Examples of acceptable documentation can be found in form M/WBE 105, Contractor's Good Faith Efforts. NYSED reserves the right to reject any application for failure to document "good faith efforts."

## **REQUEST FOR WAIVER**

When full participation cannot be achieved, applicants must submit a Request for Waiver (M/WBE 101). Requests for Waivers must be accompanied by documentation explaining the good faith efforts made and reasons they were unsuccessful in obtaining M/WBE participation.

NYSED reserves the right to approve the addition or deletion of subcontractors or suppliers to enable applicants to comply with the M/WBE goals, provided such addition or deletion does not impact the technical proposal and/or increase the total budget.

All payments to Minority and Women-Owned Business Enterprise subcontractor(s) should be reported to the NYSED M/WBE Program Unit using the M/WBE 104G Quarterly M/WBE Compliance Report. This report should be submitted on a quarterly basis and can be requested at [MWBEGrants@nysed.gov](mailto:MWBEGrants@nysed.gov).

NYSED's M/WBE Coordinator is available to assist applicants in meeting the M/WBE goals. The Coordinator can be reached at [MWBEGrants@nysed.gov](mailto:MWBEGrants@nysed.gov).

## **Equal Employment Opportunity Reporting (EEO) Pursuant to Article 15-A of the New York State Executive Law**

Applicants must complete and submit form EEO 100: Staffing Plan.

### **NYSED's Reservation of Rights**

NYSED reserves the right to: (1) reject any or all proposals received in response to the RFP; (2) withdraw the RFP at any time, at the agency's sole discretion; (3) make an award under the RFP in whole or in part; (4) disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP; (5) seek clarifications of proposals; (6) use proposal information obtained through site visits, management interviews and the state's investigation of a bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the RFP; (7) prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available; (8) prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent RFP amendments; (9) change any of the scheduled dates; (10) waive any requirements that are not material; (11) negotiate with the successful bidder within the scope of the RFP in the best interests of the state; (12) conduct contract negotiations with the next responsible bidder, should the agency be unsuccessful in negotiating with the selected bidder; (13) utilize any and all ideas submitted in the proposals received; (14) unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening; (15) require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offeror's proposal and/or to determine an offeror's compliance with the requirements of the solicitation; (16) request best and final offers.

### **Debriefing Procedures**

All unsuccessful applicants may request a debriefing within fifteen (15) calendar days of receiving notice from NYSED. Bidders may request a debriefing letter on the selection process regarding this RFP by submitting a written request to the Fiscal Contact person at [MTIP@nysed.gov](mailto:MTIP@nysed.gov).

The Fiscal Contact person will arrange with program staff to provide a written summary of the proposal's strengths and weaknesses, as well as recommendations for improvement. Within ten (10) business days, the program staff will issue a written debriefing letter to the bidder.

### **Award Protest Procedures**

Applicants who receive a notice of non-award or disqualification may protest the NYSED award decision subject to the following:

1. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.

2. The protest must be filed within ten (10) business days of receipt of a debriefing or disqualification letter. The protest letter must be filed via email to MTIP@nysed.gov:

3. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED's Office of Counsel, CAU, and the Program Office. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel's Office will provide the bidder with written notification of the review team's decision within ten (10) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.

4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

### **Workers' Compensation Coverage and Debarment**

New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements that provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage *prior* to issuing any permits or licenses, or *prior* to entering into contracts.

Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

### **PROOF OF COVERAGE REQUIREMENTS**

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

*Please note – an ACORD form is not acceptable proof of New York State workers’ compensation or disability benefits insurance coverage.*

### **Proof of Workers’ Compensation Coverage**

To comply with coverage provisions of the WCL, the Workers’ Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers’ compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers’ Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12** – Certificate of Workers’ Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers’ Compensation Group Self-Insurance; or
- **CE-200** – Certificate of Attestation of Exemption from NYS Workers’ Compensation and/or Disability Benefits Coverage.

### **Proof of Disability Benefits Coverage**

To comply with coverage provisions of the WCL regarding disability benefits, the Workers’ Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** – Certificate of Disability Benefits Insurance; or
- **Form DB-155** – Certificate of Disability Benefits Self-Insurance; or
- **CE-200** – Certificate of Attestation of Exemption from New York State Workers’ Compensation and/or Disability Benefits Coverage.

For additional information regarding workers’ compensation and disability benefits requirements, please refer to the [New York State Workers’ Compensation Board website](#). Alternatively, questions relating to either workers’ compensation or disability benefits coverage should be directed to the NYS Workers’ Compensation Board, Bureau of Compliance at (518) 486-6307.

Directions: The narrative describing proposed implementation of essential components of the Mentor Teacher Internship Program (MTIP) should be limited to 10 pages. Applicants must be specific and answer all items in each section in the order that they appear below. Where it is necessary to repeat some information from a previously answered section, do so. This will ensure that important information will not be overlooked in the review. The narrative will be reviewed in accordance with the following points and according to the Proposal Narrative Rubric.

**I. Abstract (0 points)**

Briefly describe the mentoring program in the district and how the MTIP funding will be utilized.

**II. Joint Planning (5 points).** Describe planning and development activities that took place for the preparation of this proposal. Include the names and positions of persons involved in the activities. [Ed. Law, 3033(2)].

**III. Release Time Requirements (5 points).** The relationship of the mentor and intern is central to the Mentor Teacher Internship Program. Describe how the mentor and intern will be released from their classrooms in a manner which is educationally sound and responsible, consistent with Education Law, Section 3033(4). (Reminder: Such release time should be predominantly spent by the mentor and intern in such activities as conferencing together, observations, joint planning, and assessing the impact of their efforts on the intern's students.) Include in the description:

- a. Proposed time configuration, such as one-half day per week, one day every two weeks, or concentration of release time in the first semester of the school year.
- b. Issues related to the replacement teacher, including identification, availability, setting up replacement teacher pool, integration of replacement teachers into the instructional program, and communication within the mentor/intern replacement teacher's team. The replacement teacher should be viewed as an integral member of the instructional team.

**III. Setting Directions (5 points).** Describe how the mentors and interns will determine the focus of their activities throughout the year.

Describe how the mentors and interns will determine the needs of interns both at the commencement of the relationship and throughout the school year. Include how differentiated programmatic offerings, based on initial and ongoing formative assessment results of each intern and their student learning data, will be provided and how relative improvements in the effectiveness of the intern will be determined.

**IV. Training (20 points).** Training needs of mentors and interns must be addressed, and the training of mentors must be a priority in developing the local mentor teacher internship program. Such mentor training needs to focus on the Department's priority areas as outlined in the State's [ESSA plan](#), including: NYS Learning Standards and aligned curricula; data-driven instruction and the use of meaningful assessment; evidence-based observation aligned to the New York State Teaching Standards and the district's evaluation models, including the district's use of evidence to provide feedback and professional learning recommendations that support continuous improvement; student growth goal-setting processes, as required by the district's evaluation model; current best practices and specific strategies for English language learners and students with disabilities, with specific focus on instruction in literacy, research-based practices in the provision of specialized instruction for students with disabilities, response to intervention, and positive behavioral intervention and supports, as well as native language development.

Describe training to be provided to the mentors to support them in their roles as mentors, including proposed timelines, unique features of the MTIP, and a description of how mentors will be regularly supported and assessed. Explain the tools (e.g., mentor skill rubrics, performance assessments, surveys of mentored teachers) that will be used to continuously evaluate mentors and inform the individualized supports and ongoing professional learning t, as well as describe project plans for removing mentors deemed ineffective with one or more interns.

Describe the district or BOCES plan for providing professional learning activities and other professional growth opportunities to interns. Where information on specific activities is incomplete or not available at the time of application, a plan for responding to identified professional learning needs of the intern should be clearly evident. Describe the specific professional learning opportunities available through the district, BOCES, teacher center, and/or other existing staff development programs which will be of particular benefit to mentors and interns. Where possible, list specific areas of professional learning activities to be offered to the mentors and interns. Describe any college or university involvement in design and/or implementation of professional learning activities specific to the program.

**V. Selection of Mentors (20 points).** Mentors should be selected based on:

- demonstrated mastery of pedagogical skills
- demonstrated mastery of subject matter
- evidence of superior teaching abilities
- outstanding capacity and abilities for fostering and maintaining positive and constructive interpersonal relationships
- willingness to participate in the program

The mentor is holds a Professional or Permanent certificate in the same area of certificate title as the intern. In the event that the school district or BOCES demonstrates to the satisfaction of the Commissioner that an appropriately certified mentor is not available, a

teacher who holds a Professional or Permanent certificate in a different area or certificate title than that of the intern may serve as a mentor. [8 NYCRR 85.1(d)]

- a. Describe procedures that will be used to select mentors and determine that mentor candidates meet the above criteria. It is highly recommended that consideration be given to teachers holding National Board Certification. Include evidence of all of the above criteria, the membership and proposed activities of the selection committee, and any additional criteria identified by your district or BOCES to be used in the selection process. [Ed. Law § 3033(3)].
- b. Describe how assignments of mentors to interns will occur, including the role of the superintendent or designee in the assignment process.
- c. Describe contingency plans to allow for adjustments in mentor/intern pairing.
- d. Describe how selection criteria incorporate recommendations from the New York State Mentoring Standards (see Appendix 1) and/or other best practices in mentoring selection.

**VI. Role of the Mentor (15 points).** The mentor's role is to guide and support the intern(s) assigned to that mentor. Any evaluation of the intern's teaching by the mentor must be kept confidential between the parties, unless a variance is granted by the Commissioner pursuant to § 85.2 (d) of the Regulations of the Commissioner of Education [8 NYCRR 85.2 (d)].

- a. Describe how the mentors will guide and support their interns, including the portion of time each intern will have direct contact with the mentor.
- b. Describe how confidentiality of the mentor/intern relationship will be protected. Or, if a variance under §85.2(d) of Commissioner's Regulations is requested to allow for an evaluative role of the mentor as well as guidance and support, submit contractual language providing for this responsibility on the part of the mentor teacher with this application.

**VII. Respective Roles of the Principal and the Superintendent (5 points).** In their capacity of having overall responsibility for all instruction and other activities in the building, the principal has an integral role in local implementation of a mentor teacher internship program. For example, principals facilitate faculty awareness and support for the program within the school community, serve on mentor selection committees, facilitate selection of replacement teachers, develop schedules of participants, and participate in professional learning opportunities. The superintendent has an integral and active role in supporting the principals, the mentors, the interns, and project coordinators.

- a. Describe the anticipated activities of building principals regarding the proposed mentor teacher internship program in the district.
- b. Describe the role of the superintendent in overseeing, evaluating, and applying lessons learned from this effort to the benefit of students and teachers district- wide.

**IX. Interns (5 points).** In the event that there are more beginning teachers eligible to be interns in the district than can be accommodated through the MTIP, procedures or criteria should be in place which will be used to select interns to be served. Such criteria should give priority to statewide teaching shortage areas as submitted to the U.S. Department of Education or other subject area(s) in which the district has documented shortage(s).

- a. Describe the proposed process for the selection of interns. [8 NYCRR 85.2(b)(4)]
- b. Describe duties, responsibilities, and anticipated activities of interns both within and beyond the MTIP.

**X. Program Evaluation (10 points).** The intent of the MTIP is to provide experiences to beginning teachers that will enhance their skills and increase the likelihood of their remaining in the teaching profession. To this end, mentors provide guidance, direction, and support in areas including, but not limited to: instructional planning/management, implementing instruction, classroom management, multiple approaches to teaching the subject matter, curriculum and assessment, and development of reasonable expectations in their work.

- a. Describe how the district or BOCES will assess the extent to which the program has benefited both mentors and interns.
- b. Describe how your district's or BOCES' implementation of essential components of the MTIP will be assessed. Essential components include release-time configuration, mentor training, intern training, selection procedures, and program management, including alignment to shortage areas and the inclusion and support of teachers from diverse backgrounds.
- c. Describe the plan and the criteria for assessing the impact of the program on such factors as teacher skill development, including skill development specifically related to student achievement; school climate; non-participating teacher interaction; and building administrators' role. Applicants must describe, specifically, how their program will formatively assess and support participating educators in increasing their knowledge of:
  - NYS Learning Standards and aligned curricula;
  - data-driven instruction and the use of meaningful assessment;
  - evidence-based observation aligned to the New York State Teaching Standards and the district's evaluation models, including the district's use of evidence to provide feedback and professional learning recommendations that support continuous improvement;
  - student growth goal-setting processes, as required by the district's evaluation model;
  - current best practices and specific strategies for English language learners and students with disabilities, with specific focus on instruction in literacy, research-based practices in the provision of specialized instruction for students with disabilities, response to intervention, and positive behavioral intervention and supports, as well as native language development.

**XI. Program Management (10 points).** The applicant must have a plan for overall management of the MTIP. In this plan:

- a. Describe how activities in which the mentors and interns engage will be coordinated and assessed. Include the name and position of persons responsible for coordination and/or assessment and other tasks associated with the MTIP, such as scheduling of release time, arranging and scheduling of training, or providing BOCES/district/building awareness activities concerning the MTIP. If a committee is to be responsible for ongoing operation of the Program, specify the roles and plans of the committee and its members.
- b. Describe proposed documentation of activities of the mentors and interns. Include a description of procedures and forms to be used, for example, logs kept by interns and the assessment of both interns and mentors throughout the program. Applicants must describe how their program will provide differentiated programmatic offerings based on initial and ongoing formative assessment results of each educator and their student learning data, and how the applicant will determine whether the effectiveness of each intern has improved as a result of the program. Applicants must explain the tools (e.g., mentor skill rubrics, performance assessments, surveys of mentored teachers) that will be used to continuously evaluate mentors and inform the individualized supports and ongoing professional learning, as well as describe their plans for removing and replacing ineffective mentors.
- c. Include a timeline of major activities and accompanying dates.

**XII. Project Budget (25 points).** Grant funds may be used for such costs as reimbursement for replacement or substitute teacher costs, coordination, fringe benefits, training, supplies and materials, program evaluation, and travel. Reimbursement for release-time costs to the district is calculated at a rate of up to 10 percent of the mentor's salary for each intern with whom they are working. Reimbursement for part-time mentors is permitted up to 40 percent for part-time mentors who work in a mentor-internship relationship with up to four interns. Reimbursement for full-time mentors is permitted up to 100 percent. For 100 percent reimbursement, full-time mentors must work in a mentor-internship relationship with 10 or more interns.

The proposal should also describe a sustainability plan for how the district/BOCES mentoring effort will be conducted after the expiration of this grant, and demonstrate how the program will be maintained fiscally by identifying sources of potential funds.

**Restrictions:** Equipment of any unit cost and/or construction costs are **not** allowable expenditures under MTIP and will not be approved.

Each eligible proposal will be reviewed by at least two reviewers. Each reviewer will score the proposal according to the indicated point criteria in the Proposal Narrative and the Budget using the Proposal Evaluation Rubric. If individual scores are more than 15 points apart, another reviewer will score the application. The two scores closest in numeric value will be averaged to calculate the final average score of the application. If the third reviewer's score is equal to the average of the two original scores, the third reviewer's score will become the final score.

Proposals will be ranked in order of final average score from highest to lowest. In the event of tie scores, proposals with the highest score on the Proposal Narrative will be ranked higher.

Proposals that receive a final average score of 75 (60%) or more (not including bonus points) will be considered for funding. Applicants will be funded in rank order until the funds are exhausted. ### STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

**4. WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void.
