Important Notice

2024 Grade 6 English Language Arts Computer-based Test Read Aloud (by human) Accommodation, only Session 1, Question 14

This notice pertains only to students taking the computer-based 2024 Grade 6 English Language Arts Test, Session 1 who are receiving the testing accommodation of Read Aloud (by human). The "Test Read" copy of the test provided to proctors to read to students contains wording on page 12 that is inconsistent with what students will see on Question 14 of the computer-based version of the test.

To address this issue, please have proctors read only Question 14 to students receiving the Read Aloud (by human) accommodation directly from the student's computer screen.

Should a student point out that a human reader has read text that is different from what appears on their computer screen, it is acceptable to reread Question 14 from the screen to ensure consistency for the student.

If a student has already completed the Grade 6 English Language Arts Computer-based Test using the Read Aloud (by human) accommodation, it is not necessary to readminister this question. The student's score will not be impacted by their response to Question 14.

We apologize for any inconvenience this may cause you and we thank you for your hard work on behalf of the students in New York State.
