

BUREAU CHIEF
Office of State Assessment

June 2022

TO: Principals of Secondary Schools
FROM: Clara DeSorbo *Clara DeSorbo*
SUBJECT: Procedures for Requesting and Storing the August 2022 Regents Examinations

This memorandum provides essential information concerning the requesting and storing of the August 2022 Regents Examinations. In addition, all persons coordinating the administration of State examinations should be familiar with the [School Administrator's Manual](#), which is available on the Department's website.

Important telephone and fax numbers for the OSA are listed on the last page of this memorandum.

This memorandum is accompanied by the *School Record of Examinations Requested* (DET 501), the *Instructions for Submitting Your Examination Request Online* (DET 502), and the *Examination Schedule: August 2022* (DET 504). These [forms](#) are also available on the Department's website.

Notifications for August 2022
Online requests for August 2022 Regents Examinations materials will be accepted through July 15, 2022
The August 2022 administration of the Regents Examination in United States History and Government (Framework) was canceled on May 24, 2022. More information is available at: http://www.nysed.gov/state-assessment/high-school-regents-examinations

ACCESSING THE ONLINE EXAMINATION REQUEST SYSTEM

A username and password are required for access into the [online examination request system](#). If you were the principal of the same school during the 2020-21 school year or were the summer school principal in August 2019 and submitted your school's examination requests, your username and password have not changed.

If you have forgotten or need to reset your password, use the "Reset Password" utility available at <http://portal.nysed.gov>. More information on this utility may be obtained from the State Education Department's Delegated Account System (SEDDAS) [Help Desk](#).

If you are a new principal at your school and do not have a valid username and password, determine which of the following situations and next steps apply to you.

- **Principals of New York City Public Schools.** Contact your Borough Assessment Implementation Director (BAID) at your Borough Assessment Office (BAO), in order to obtain your username and password.
- **Principals of Public Schools or BOCES Programs Located Outside of New York City.** Contact your School Superintendent or Delegated Administrator to request a username and password.
- **Principals of Religious, Independent, or Charter Schools.** Contact the SEDDAS Help Desk at seddas@nysed.gov to obtain a username and password. If you are a new principal at your school and have not yet done so, you must notify the Department's Office of

Information and Reporting Services via e-mail to datasupport@nysed.gov that you are the new principal. This notice must be written on the school letterhead stationery and must include your school's BEDS Code, your full name, your e-mail address and phone number, the effective date of change, and the signature of the current superintendent or principal.

All questions regarding usernames and passwords for public schools must be directed to your Delegated Administrator in your local school district or, for religious, independent, or charter schools, the SEDDAS [Help Desk](#).

REQUESTING EXAMINATION MATERIALS

Request only those quantities of examinations needed for administration to students who are expected to take a Regents Examination in August 2022. Schools are **not** permitted to request examinations for other schools. The quantity of examinations requested should match your school's course enrollment plus the quantity needed for students who have completed the course of study and are retaking the examination, and for proctors of students with accommodations who may need extra copies.

Online requests for August examination materials must be submitted no later than July 15. Specific directions for using the online examination request system are included with this memorandum. Within three business days after your school's request has been submitted, you will be sent a confirmation notice, via e-mail, indicating the number of examinations to be shipped for the school's use. **It is important that you carefully check the confirmation notice for accuracy to ensure that the correct quantities of examination materials will be shipped for your school.**

Principals who find that their school needs additional materials may return to the online examination request system until July 15 to revise or add any supplemental quantities needed. Telephone requests will not be accepted. The Department will accept and enter on the school's behalf only those requests submitted by fax or via [e-mail](#).

Check all confirmation notices as soon as you receive them, so that supplemental requests, if needed, may be placed no later than July 15. Principals needing additional examination materials after that date will likely have to obtain them from a nearby regional center on the day of the examination.

GUIDELINES FOR REQUESTING SPECIFIC MATERIALS

- *Regular test booklets:* Request the exact quantity needed, plus not more than 5% for unanticipated increases.
- *Restricted editions:* The braille editions of the Regents Examinations in Living Environment and Physical Setting/Earth Science are available only in restricted form. Each copy of a restricted test is numbered and sealed in its own individual envelope and must be returned, whether used or unused, to the Department. The student answer booklets and the rating guides for all restricted examinations are also restricted and must be returned to the Department. Photocopying and/or school retention of copies of restricted examination booklets and/or notes pertaining to their contents is strictly prohibited. Schools must not request any more copies of these editions than they require for administration to students in August 2022. However, be sure to include a copy for the proctor(s) as well if the restricted test will be read to the student(s) as a testing accommodation. **Principals are responsible for returning to the Department all restricted examination materials shipped to their school.**
- *Large-type and braille test booklets:* Large-type and braille test booklets are available for all examinations with the exception of translated editions. Request the exact number of booklets needed for students whose Individualized Education Programs (IEPs) or Section 504 Accommodation Plans (504 Plans) specifically require either of these accommodations. All Braille editions of Regents Examinations will be available [exclusively in the Unified English Braille format](#). Sample copies of past examinations in Unified English Braille may be obtained by contacting the New York State Resource Center for the Visually Impaired at 585-343-5384.

- *Answer sheets:* The Department does not provide hand-scorable answer sheets for any Regents Examinations. Schools are required to contract with a Regional Information Center (RIC) or large-city scanning center for answer sheets and examination data processing services. The complete list of [RICs and large-city scanning centers](#) is available on the Department's website. For additional information, please see the memorandum "[Scanning Regents Examination Answer Sheets: June 2011](#)". Questions about the requirement to scan Regents Examination answer sheets should be directed to the OSA. Questions about data collection and reporting services should be directed to your RIC or large-city scanning center, or the Office of Information and Reporting Services at 518-474-7965.
- *Essay booklets:* The Department does not provide printed copies of the essay booklets for the Regents Examinations in English Language Arts or Global History and Geography II. The [essay booklets](#) are available on the OSA website. Schools must print enough copies to supply one to each student during testing.
- *Scoring keys for the restricted braille editions of the Regents Examinations in Living Environment and Physical Setting/Earth Science:* Sufficient quantities of these materials will be included in the examination shipment, based on the number of test booklets requested. Scoring materials for all other examinations will be available online.
- *Performance test for the Regents Examination in Physical Setting/Earth Science:* Sufficient quantities of the performance tests materials will be included in the shipment of nonsecure materials, based on the number of test booklets requested.
- *Reference tables for Regents Examinations in the Physical Setting/Sciences:* The Department does not provide printed copies of the reference tables. The [reference tables](#) are available on the OSA website. The online editions must be used during testing and schools must print sufficient copies to supply one clean copy to each student for use during the examination. Note that the Department will continue to provide schools with the braille and large-type editions of the reference tables in the shipment of secure materials for the examinations.
- *Teacher's Directions:* The Department does not provide printed copies of Directions for Administering Regents Examinations or the Information Booklets for Scoring Regents Examinations. These [documents](#) are available on the OSA website. Schools must print sufficient copies to supply one to each staff member involved in the administration and/or scoring of the examinations.
- Teacher directions, scoring keys, etc., for English editions of State examinations may be requested for use by teachers with visual disabilities. These materials will be prepared only when a written request from the principal is received via fax no later than July 15.

REQUESTING MATERIALS FOR CURRENT AND ELIGIBLE FORMER ENGLISH LANGUAGE LEARNERS (ELLs)

Testing accommodations available to ELLs may be provided to former ELLs who met the exiting criteria specified in [Part 154-2 of the Regulations of the Commissioner of Education](#) and were exited from ELL status within the past two school years. Such students either achieved an overall level of Commanding on the NYSESLAT or achieved an overall level of Expanding on the NYSESLAT and scored at Level 3 or higher on the New York State Grades 3–8 ELA Tests or scored 65 or higher on the Regents Examination in English Language Arts.

These accommodations may not be provided to former ELLs who achieved the exiting criteria more than two years ago. [Additional guidance](#) on the identification of former ELLs is available on the Department's website.

Current and eligible former ELLs may take State examinations either in an alternative-language edition or in English, whichever is more appropriate to the student's reading skills. For August, the Regents Examinations in Algebra I, Global History and Geography II, Living Environment, and Physical

Setting/Earth Science are available in Spanish. Only English-language editions are provided for the Regents Examinations in English Language Arts, Geometry, Algebra II, and Physical Setting/Chemistry.

The Spanish editions of Regents Examinations cannot be obtained via the online examination request system. These editions must be requested in a separate letter, signed by the principal and faxed to the Department. The letter must specify the *exact quantity* of each test needed in Spanish.

The Spanish editions of Regents Examinations offered in August 2022 are direct translations of the English editions, so current and eligible former ELLs may be permitted to use both editions simultaneously.

ADMISSION OF STUDENTS TO EXAMINATIONS

Students not enrolled in your summer school program and those from other districts must provide you with written permission from their home school principal to be admitted to an August examination. Public school districts may not charge resident students a fee for admission to the August examinations. Nonresident students may be charged a reasonable fee to cover administrative and scoring costs.

STUDENT IDENTIFICATION AND RECORDKEEPING

Plans should be made well before August 16 to verify the identity of each student entering the examination room. This precaution is especially important in the case of students who are not enrolled in the summer school program, but who are taking the August examinations at your school. The test site administrator must retain the written permission from the home school administrator for a minimum of one year from the date of testing. Accurate attendance records must be kept for each examination. A summer school principal should be able to use the attendance records to verify the presence or absence of a student for any August examination.

SHIPPING OF EXAMINATION MATERIALS

Examination materials may be delivered in multiple shipments and approximate delivery dates are indicated on the following list. These delivery dates are contingent upon submission of your school's online request prior to the ordering deadline.

- *Late July*: Nonsecure testing materials, including the Physical Setting/Earth Science performance tests requested for your school
- *Just prior to the examination dates*: Locked Regents boxes containing the secure examination materials

EXAMINATION STORAGE REQUIREMENTS

Every principal requesting State examinations must provide any information or affirmations required on the online examination request system. Your agreement to the security pledge on the first screen indicates that you understand and agree to comply with the examination security requirements described in this memorandum and in the [School Administrator's Manual](#).

Secure examination materials must be stored in locked Regents boxes, which must, in turn, be stored in a Department-approved safe or walk-in vault that meets *all* of the specifications listed on the following page. Newly constructed vaults, existing vaults that have been modified, or newly purchased safes must be inspected by a Department representative and approved by the Department, before secure materials may be stored in any such facility. Approval of such a storage facility is contingent upon its having met all of the criteria outlined below. If your school's safe or vault has not been approved, but you believe that it meets the criteria outlined below, please arrange for an inspection by faxing or via [e-mail](#) a written request on school letterhead signed by the principal to the OSA. Once your school's safe or vault is approved by the Department, your school will be notified and the secure

storage location will be reflected on the “School Information” page of the online examination request system.

WALK-IN VAULTS must have all of the following:

- poured concrete floor
- no windows or access panels
- walls of reinforced cement block or concrete, sealed to a poured concrete floor below and structural floor or roof deck above
- metal door in a metal frame with interior or welded-pin hinges
- built-in dead-latch (deadbolt) with combination or key lock that allows exiting at all times

SAFES must meet or exceed Underwriters Laboratories (UL) TRTL-30 performance standards for burglary resistance, and must have:

- steel door at least 1½" thick
- steel walls at least 1" thick
- 750 lbs. minimum weight
- built-in combination lock
- sufficient capacity to store the Regents boxes or the school's largest examination request (minimum acceptable unobstructed inside dimensions of 11"H x 20"W x 27"D to store one Regents box)

Principals of schools with approved storage facilities must inform all school building personnel permitted to accept delivery of Regents boxes of the procedures for safeguarding secure examination shipments whether they arrive during or after school hours. Access to any safe or vault where locked Regents boxes are stored must be restricted so as to prohibit entry by students and other unauthorized persons. The locked Regents boxes must be visually inspected daily by the person in charge of the examinations, in order to ensure that they have remained secure. Schools with approved storage facilities that are storing examinations materials for another school may not remove those materials from the locked Regents boxes or release them to the school until the morning of the day on which the examination is scheduled to be administered.

The principal of a school building that does not have a Department-approved safe or vault must arrange to store Regents boxes containing secure examination materials in an approved safe or vault in another school, school district building, or BOCES building. Principals experiencing difficulty making arrangements for secure storage of examination materials should notify the OSA.

Please review the “School Information” page on the online examination request system. If the fields indicating where your examinations will be shipped are blank, your school must submit a new *Examination Storage Plan* (DET 599) for the August 2022 Regents Examination period. (See the message at the bottom of the “School Information” page for instructions; Adobe Reader® required.) Your school should also submit a new *Examination Storage Plan* if you need to amend pre-approved storage information. Your *Examination Storage Plan* must be sent via fax complete with the school name and address where you have arranged for the examinations to be securely stored. The OSA will then request written verification of the storage arrangements from the person in charge of your proposed “host” storage location before secure examination materials can be shipped to that address.

CONTACT INFORMATION

For questions regarding the requesting, storing, and administering of Regents Examinations, contact the OSA Operations Group at 518-474-8220 or via e-mail at examrequest@nysed.gov.

For other questions regarding Regents Examinations, contact OSA at 518-474-5900 or via e-mail at emscassessinfo@nysed.gov.

Fax supplemental requests and Examination Storage Plans to 518-474-2021 or via e-mail at examrequest@nysed.gov.

Other faxes regarding test administration may be sent to 518-474-1989.
