Webinar date & time: Tuesday, June 9th, 2026, 4:00-5:00 pm via Zoom

The Office of Bilingual Education and World Languages (OBEWL) of the New York State Education Department (NYSED) presents this next webinar in the 2026 Professional Learning Series: **Teaching the Standards for Mixed Second and Heritage Language Learner Second Language Classes: Strategies for Inclusive and Effective Standards-Aligned Instruction**. This webinar is offered free of charge for world language educators and administrators working and studying in New York State educational institutions. 1 hour of CTLE credit is offered.

Webinar description: In today's linguistically diverse classrooms, second language educators must increasingly meet the needs of both second language (L2) and heritage language (HL) learners, a situation that presents both challenges and opportunities as HLs may bring vastly different linguistic and cultural experiences to the second language classroom. This webinar explores how the NYS World Language Standards can be effectively implemented in mixed-level classrooms to support equitable, rigorous, culturally and linguistically responsive instruction. Participants will examine the unique profiles, strengths, and challenges of a mixed L2 and HL classroom and gain a clear understanding of how the NYS World Language Standards can be implemented in mixed second language classrooms while exploring differentiated instructional strategies that align with the standards and ongoing research and honor students' diverse language backgrounds. Whether you are new to teaching mixed classes or seeking to refine your approach, this session offers practical tools and insights to help you create inclusive, standards-aligned instruction that empowers every student to thrive.

Registration process: All participants are encouraged to pre-register for this event. Pre-registration will close on Friday, June 5, 2026; there will be no same-day registrations.
